Motion reversing the determination by the Planning Department that the project located at 1100 Lombard Street is exempt from environmental review.

WHEREAS, On or about February 3, 2012, the Planning Department determined that a proposal to create a new firewall on the 1100 Lombard Street property was exempt from environmental review under the California Environmental Quality Act ("CEQA"), the CEQA Guidelines and San Francisco Administrative Code Chapter 31 as a Class 1 categorical exemption, a minor alteration to an existing structure (the "exemption determination"). By letter to the Clerk of the Board, dated March 20, 2012, Christa Shaw, on behalf of the John Sperling Irrevocable Trust, owner of 2323 Hyde Street ("Appellant"), appealed the exemption determination; and

WHEREAS, on May 1, 2012, this Board held a duly noticed public hearing to consider the appeal of the exemption determination filed by Appellant, and following the public hearing affirmed the exemption determination; and

WHEREAS, In reviewing the appeal of the exemption determination, this Board reviewed and considered the exemption determination, the appeal letter, the responses to concerns document that the Planning Department prepared, the other written records before the Board of Supervisors and all of the public testimony made in support of and opposed to the exemption determination appeal. Following the conclusion of the public hearing, the Board of Supervisors affirmed the exemption determination for the Project based on the written record before the Board of Supervisors as well as all of the testimony at the public hearing in support of and opposed to the appeal. The written record and oral testimony in support of and opposed to the appeal and deliberation of the oral and written testimony at the
public hearing before the Board of Supervisors by all parties and the public in support of and
opposed to the appeal of the exemption determination is in the Clerk of the Board of
Supervisors File No. 120262 and is incorporated in this motion as though set forth in its
 entirety; now therefore be it

MOVED, That after carefully considering the appeal of the exemption determination,
including the written information submitted to the Board of Supervisors and the public
testimony presented to the Board of Supervisors at the hearing on the exemption
determination, this Board reverses the determination by the Planning Department that the
Project is exempt from environmental review.
