1 [Design Agreement Amendment - Laguna Honda Hospital Replacement Program -
2 \$53,980,239]

3
4 **Resolution authorizing the Director of Public Works to execute an amendment to the**
5 **design agreement for the Laguna Honda Hospital Replacement Program by increasing**
6 **the contract amount from \$50,799,281 to \$53,980,239.**

7
8 WHEREAS, The Director of Public Works has entered into an agreement dated
9 November 30, 2000 with the predecessor in interest of Stantec Architecture Inc for the design
10 of the Laguna Honda Hospital Replacement Program in an amount of not to exceed
11 \$2,400,352; and

12 WHEREAS, Resolutions 994-01, 579-03, 561-04, 667-05, 57-07, 358-08 and 240-10,
13 the Board of Supervisors authorized the Director to enter into amendments to the agreement
14 which when amended would not exceed \$50,799,281 and a term not to exceed December 21,
15 2012; and

16 WHEREAS, the Director has entered into a novation agreement with Stantec
17 Architecture Inc, in which it accepted the rights and responsibilities of the predecessor in
18 interest, and

19 WHEREAS, Section 9.118(b) of the Charter requires that all agreements in excess of
20 ten million dollars or amendments to said agreements in excess of \$500,000 be approved by
21 the Board of Supervisors; and

22 WHEREAS, the Director intends to increase the scope of services under said
23 agreement to extend construction administration services, augment architectural staff, and
24 provide redesign services and to increase the sum under said agreement from the amount of
25 \$50,799,281 to the amount of \$53,980,239; and

FILE NO.

RESOLUTION NO.

1 RESOLVED, That the Board of Supervisors does hereby authorize the Director of
2 Public Works to enter into further amendments to the November 30, 2000 agreement with
3 Stantec Architecture Inc., resulting in a contract amount not to exceed \$53,980,239.

Item 2 File 12-0476	Department: Department of Public Works (DPW)
--------------------------------------	--------------------------------------------------------

EXECUTIVE SUMMARY**Legislative Objectives**

- The proposed resolution would authorize the Director of Public Works to execute an amendment for Modification Nos. 18 and 19 to the Design Agreement between the Department of Public Works (DPW) and Stantec for the Laguna Honda Hospital (LHH) Replacement Program to increase the Design Agreement by \$3,180,958, from a not-to-exceed \$50,799,281 to a not-to-exceed \$53,980,239. The term of the agreement will remain unchanged from November 20, 2000 through December 31, 2012.

Key Points

- The proposed resolution would authorize the Director of Public Works to execute an amendment to the Design Agreement for Modification No. 18 in the amount of \$477,586 and Modification No. 19 in the amount of \$2,703,372 for a total of \$3,180,958.
- However, Modification No. 18 for \$477,586 was previously executed by DPW in January of 2012. The proposed resolution should therefore reflect only Modification No. 19 in the amount of \$2,703,372. The Budget and Legislative Analyst recommends amending the proposed resolution to reflect the correct existing not-to-exceed amount of \$51,276,867 instead of \$50,799,281 in order to account for the previously approved Modification No. 18 in the amount of \$477,586.
- The subject amendment to increase the Design Agreement by \$2,703,372 from \$51,276,867 to \$53,980,239 would fund increased design services costs for contractor design services costs associated with additional required repair work and additional construction administration, that was unforeseen, but resulted from the poor condition of the existing LHH facilities.

Fiscal Impact

- The proposed increase for Modification No. 19, in a not-to-exceed amount of \$2,703,372, would increase the existing Design Agreement's not-to-exceed amount from \$51,276,867 to a not-to-exceed amount of \$53,980,239, an increase of 5.3 percent.

Recommendations

1. Amend the proposed resolution to increase the existing not-to-exceed amount of \$50,799,281, by \$477,586, to \$51,276,867.
2. Approve the proposed resolution, as amended.

MANDATE STATEMENT/BACKGROUND**Mandate Statement**

In accordance with Charter Section 9.118, any contract (a) for more than \$10,000,000, (b) that extends for longer than ten years, or (c) with an amendment of more than \$500,000, is subject to Board of Supervisors approval.

Background

The Laguna Honda Hospital (LHH) Replacement Program is a \$584,946,602 project which provides for the demolition, construction, and renovation of a new LHH. The LHH Replacement Program includes construction of new hospital facilities to accommodate 780 beds, and renovation of existing buildings to be used primarily for administrative and support staff. According to Mr. John Thomas of DPH, Program Manager for the LHH Replacement Program, all major work associated with the Replacement Program (including design services and construction work) will be completed by December, 2012, with final demolition of two wings of the original hospital facility in early 2013.

Following a competitive bid process in July of 2000, the Department of Public Works (DPW) entered into an agreement with Stantec, formerly Anshen & Allen /Stantec Architecture (a Joint Venture) and prior to that Anshen & Allen Architects/Gordon H. Chong & Partners.¹ Under this agreement, Stantec, provides design services throughout the planning, design, bid, construction and post construction phases of the LHH Replacement Program. The original agreement was for the period from November 20, 2000 through November 30, 2010 for an initial not-to-exceed amount of \$2,400,352. According to Mr. Thomas, the initial not-to-exceed amount was not intended to cover the entire design cost of the project. Rather, the original amount was intended only to cover conceptual design, with funding for future design tasks to be awarded through amendments to the original Design Agreement. Based on subsequent amendments, the Design Agreement is currently scheduled to expire on December 31, 2012.

Attachment I provided by Mr. Thomas, shows the original Design Agreement for \$2,400,352 and summarizes the prior 18 modifications, including seven modifications which were subject to Board of Supervisors approval. As shown in Attachment I with the proposed Modification No. 19, the subject Design Agreement's total not to exceed amount would be \$53,980,239.

¹ The original Design Agreement was awarded in 2000 by DPW to Anshen & Allen Architects/Gordon H. Chong & Partners (a Joint Venture). However, in 2007, Gordon H. Chong & Partners was acquired by Stantec Architecture, such that the Design Agreement was subsequently amended in 2007 to reflect the assignment from Anshen & Allen Architects/Gordon H. Chong & Partners (a Joint Venture) to Anshen & Allen Architects/Stantec Architecture (a Joint Venture). Then in November 2010 Stantec Acquired Anshen + Allen.

DETAILS OF PROPOSED LEGISLATION

The proposed resolution would authorize the Director of Public Works (DPW) to execute an amendment, consisting of Modification No. 18 and Modification No. 19, to the Design Agreement with Stantec for the LHH Replacement Program, in order to increase the Design Agreement by \$3,180,958 from a not-to-exceed \$50,799,281 to a not-to-exceed \$53,980,239. The term of the existing agreement will remain unchanged from November 20, 2000 through December 31, 2012.

Mr. Thomas advised that the subject amendment to increase the Design Agreement by \$3,180,958 would fund increased contractor design services costs associated with additional required repair work and additional construction administration, that was unforeseen, but resulted from the poor condition of the existing structures. In addition, Mr. Thomas explains that the poor condition of the existing LHH building has mandated extensive repairs which must be reviewed by OSHPD (Office of Statewide Health Planning and Development), which has also resulted in additional contractor design services costs.

FISCAL IMPACTS

As shown in Attachment I, the proposed resolution would authorize the Director of Public Works to execute an amendment to the Design Agreement for Modification No. 18 in the amount of \$477,586 and Modification No. 19 in the amount of \$2,703,372 for a total increase in the Design Agreement between the DPW and Stantec in the amount of \$3,180,958. However, Mr. Thomas advises that Modification 18 in the amount of \$477,586 was previously executed by DPW in January 2012. Modification 18 for \$477,586 is less than \$500,000, and in accordance City Charter Section 9.118(b), was not subject to Board of Supervisors approval.

Since only Modification No. 19 for an increased amount of \$2,703,372 needs approval of the Board of Supervisors, the proposed resolution should be amended to reflect the correct existing not-to-exceed amount of \$51,276,867 instead of \$50,799,281 in order to account for the previously approved Modification No. 18 in the amount of \$477,586.

Attachment II, provided by Mr. Thomas, identifies the types of design related work to be funded with the proposed increase of \$2,703,372 for Stantec and its subcontractors. The proposed increase for Modification No. 19, in a not-to-exceed amount of \$2,703,372, would increase the existing Design Agreement's not-to-exceed amount from \$51,276,867 to a not-to-exceed amount of \$53,980,239, an increase of 5.3 percent. The total proposed Design Agreement for \$53,980,239 represents 9.2 percent of the total budgeted \$584,946,602 LHH Replacement Program.

As shown in the Table below, the LHH Replacement Program budget remains at \$584,946,602, as previously approved by the Board of Supervisors. The total \$584,946,602 LHH Replacement Program budget is funded with (a) \$322,855,185 of General Obligation Bonds, (b) \$140,992,731 of Tobacco Settlement Revenue (c) \$120,000,000 of Certificates of Participation and (d) \$1,098,686 of grants from the U.S. Health Resources and Services Administration and

the U.S. Department of Housing and Urban Development. As also shown in the Table below, as of May 24, 2012, a total of \$559,364,264 has been expended or encumbered on the LHH Replacement Program, leaving a remaining unexpended, unencumbered balance of \$25,582,338. The proposed Modification 19 to the Design Agreement for \$2,703,372 is included in the remaining costs as shown in the Table below.

Total Budget and Expenditures for the Laguna Honda Hospital Replacement Program
as of May 24, 2012

Total Approved Budget	\$ 584,946,602	
Expenditures to Date	\$535,829,327	
Encumbrances to Date	21,805,271	
Additional Allocations	1,729,666	
Total Expenditures, Encumbrances	\$559,364,264	
Funds Remaining		\$25,582,338
Remaining Costs		
<i>Current Construction Contracts</i>		
Remodel (Remaining scope + Change Orders)	\$6,500,000	
New Building Closeout Change Order	\$3,650,000	
		\$10,150,000
<i>Professional Services</i>		
Staff	\$495,827	
Construction Testing Services	\$85,000	
Stantec (Modification 19)	\$2,703,372	
City Attorney	\$1,000,000	
Permits	\$2,000,000	
		\$6,284,199
<i>Future Construction Contracts</i>		
Abatement	\$1,250,000	
Demolition	\$1,250,000	
Final Site Work	\$6,648,139	
		\$9,148,139
Total		\$25,582,338

In addition to the requested Modification 19 for \$2,703,372, Mr. Thomas stated that an additional amendment may be necessary in the future in order to extend the term of the existing Design Agreement or to provide additional funding, since there have been further delays as a result of additional necessary repairs to the LHH roof deck and floor slabs in the old kitchen and freezer areas. As noted above, the existing Design Agreement will expire December 31, 2012.

POLICY CONSIDERATIONS**City Lawsuit Against Stantec For Design Errors and Omissions**

According to Ms. Louise Simpson of the City Attorney's Office, in December of 2011, the City filed a lawsuit against Stantec for design errors and omissions committed on the Laguna Honda Replacement Project. Ms. Simpson advises that this lawsuit relates primarily to the design for construction of three new LHH buildings, which are now completed and occupied. Ms. Simpson further notes that the proposed Modification 19 to the Design Agreement with Stantec relates to the separate remodel of existing LHH buildings.

RECOMMENDATIONS

1. Amend the proposed resolution to increase the existing not-to-exceed amount of \$50,799,281, by \$477,586, to \$51,276,867.
2. Approve the proposed resolution, as amended.

Mod. #	Amount	Cumulative	Description	Date Modification Approved
	\$2,400,352	\$2,400,352	Original	
1	\$5,199,365	\$7,599,717	Production of schematic design	7/12/2001
2	\$2,400,000	\$9,999,717	Placement of furniture in rooms; modify typical design for resident units; prepare graphic materials for Civic Design Review; additional geotechnical investigations for construction; document changes to address initial review comments.	1/14/2002
3	\$0	\$9,999,717	Time extension only. No cost.	
4	\$13,662,292	\$23,662,009	To complete all basic design services. No additional services.	4/29/2002
5	\$496,704	\$24,158,713	Increases the encumbrance to accommodate additional services. Traffic calming and ADA modifications at Woodside and Idora; landscaping and irrigation replacement at YGC; develop and supervise structural load tests at C-Wing; Greenhouse Hillside geotechnical borings; extension of project policy for construction through 5/2011; additional contour surveys by Towell; study fume dispersion issues; additional geotechnical consulting and test program planning; load monitoring of existing electrical switchboard; survey remodel electrical distribution and design (N) H-bldg. switchboard; temporary engineering shops at G-2 basement; revise roads project does for relocated gate and tire shredder; dynamic analysis of remodel structural upgrades; pothole for confirmation of utilities north of H-bldg.; preliminary design and RFP/Design-Build Docs for construction trailers; shoring design @ north end of Link Bldg.; additional site features structural design; modify scale model to indicate final design and mature trees; finish interior renderings + lind perspectives; open space metes and bounds description; sidewalk legislation exhibits for Woodside South Side.	5/27/2003
6	\$7,374,827	\$31,533,540	To accommodate additional services requests and the Construction Phase. Additional geotechnical consulting and test program planning; temporary engineering shops at G-2 basement; additional site features structural design; evaluation of laundry relocation RFP's; revise and improve presentation materials; relocate emergency generator; park/landscape - arborist report; hospital remodel - toilet prototype F3; clinic revisions for Dialysis; Hatch Hatchy metering; East Residence shift south; additional grading design for site retaining walls; revisions at loading docks; revision due to late survey information; hospital remodel - structural engineer consultant; great room at Residents floor; park/landscape - geotechnical late issues; park/landscape - geotechnical CD review; geotechnical consulting; artwork lightning; geotechnical CA utility; structural consulting; additional work for preliminary design and RFP/Design-Build Documents for construction trailers; East entry remodel after hospital decommissioning	12/15/2003
7	\$489,645	\$32,023,185	Provides the architectural design and engineering services needed from the initial planning and design phase through the construction. Temporary parking lot at front lawn; special fire suppression at IT server rooms; activity therapy alterations at resident floors; stairway to Woodside Avenue; toilet modification for ADA grab bars.	9/2/2004
8	\$572,597	\$32,595,782	Locked units and conversion; Division 17 integration of low-voltage systems; floor assembly fire testing; Remodel construction documents and agency review; courtyard redesign for upper floor residents; emergency generator enclosure and flue routing; Increment 1 bidding of additive alternate floors; Increment 2 bidding of additive alternate floors; remodel geotechnical recommendations for soil-nailing.	5/17/2005
9	\$0	\$32,595,782	Adjustment of subcontractor's contract values. No net increase.	
10	\$499,512	\$33,095,294	The State's Office of Healthwide Planning and Development (OSHPD) oversee construction of hospitals. The Architect's contract requires that they provide OSHPD-approved and permitted drawings and specifications. This requirement was met in accordance with the terms of the contract. Because of the unprecedented and unforeseeable bid market conditions, DPW decided to solicit value-engineering proposals from bidding contractors and also to breakup, into smaller packages, the major trade bid packages in order to encourage more competition. The effort resulted in \$4.4M in savings as indicated in the Controller's report. However, the Architect was required to document the revisions to the documents and resubmit them to the State for approval. The cost of the revisions to the documents and re-submittal to the State is included in Modifications 10 and 11 as Additional Service Requests (ASR's) 107, 108 and 109 and represents 75% of the proposed total modification. The remainder of the total proposed modification is for additional services related to planning the procurement of furniture, fixtures and equipment and supporting the ongoing construction work.	9/26/2005
11	\$611,598	\$33,706,892	The State's Office of Healthwide Planning and Development (OSHPD) oversee construction of hospitals. The Architect's contract requires that they provide OSHPD-approved and permitted drawings and specifications. This requirement was met in accordance with the terms of the contract. Because of the unprecedented and unforeseeable bid market conditions, DPW decided to solicit value-engineering proposals from bidding contractors and also to breakup, into smaller packages, the major trade bid packages in order to encourage more competition. The effort resulted in \$4.4M in savings as indicated in the Controller's report. However, the Architect was required to document the revisions to the documents and resubmit them to the State for approval. The cost of the revisions to the documents and re-submittal to the State is included in Modifications 10 and 11 as Additional Service Requests (ASR's) 107, 108 and 109 and represents 75% of the proposed total modification. The remainder of the total proposed modification is for additional services related to planning the procurement of furniture, fixtures and equipment and supporting the ongoing construction work.	10/19/2005
12	\$499,980	\$34,206,872	Additional scope of work assigned to A+A to complete the construction documents for the Remodel of the Existing Building (ASR 110) which represents 57% of Modification No. 12. Additional work as a result of construction change orders (ASRs 128, 132, 133, 136, 137, 139 140, 143) or 22% of the Modification No. 12. Additional services includes anchorage of MEP distribution systems and non-structural components and redesign of Underground Fuel Storage Tanks (UST) due to new code requirements (ASRs 134 and 138).	4/20/2006

Attachment I
Page 2 of 2

Mod. #	Amount	Cumulative	Description	Date Modification Approved
13	\$4,948,303	\$39,155,175	The majority of Modification No. 13 is for additional construction administration services (ASR 100) which account for an extended bidding phase, delay in the start of construction and the escalation in labor costs. It also provides additional field staff not included in the initial proposal. A portion of ASR 100 is reserved for the West Residence Building. Other additional services include anchorage of MEP distribution systems; design utility system schematic drawings; MEP redesign due to substitutions and utilities for the interim loading dock at the existing materials management area. These services represent about 63% of Modification No. 13. About 24% of Modification No. 13 is for a-typical services such as the development of a Feasibility Study for Assisted Living, convergent technology project management and LEED documentation services. The remaining services are owner-requested changes, geotechnical services and redesign due to change orders.	2/15/2007
14	\$499,950	\$39,655,125	About 35% of Modification No. 14 is for partial funding for revisions to the Security System (ASR 187). The remainder of the Modification is partial funding additional MEP Staff, Radiology Suites, Structural Revisions due to Contractor errors.	12/24/2007
15	\$4,978,404	\$44,633,529	About 58% of Modification No. 15 is to fund extended construction administration services due to a twelve to fifteen-month delay. Other additional services include redesign of the Connector Building due to the deletion of scope of work for the West Residence Building; Design Assist Program for the Remodel of the Existing Building; and augmentation of architectural staff to expedite answers to RFIs, prepare change orders and to process submittals; owner requested changes and new scope of work.	4/19/2008
16	\$495,572	\$45,129,101	About 45% of this modification is for miscellaneous design revisions to the Remodel of the Existing Hospital and about 35% for Non-structural component anchorage. The remainder of services were for courtyard lighting revisions, woodside ramp landing, anchorage revisions to rooftop mounted mechanical equipment for the Link and the South Residence Buildings.	Not posted.
17	\$5,670,180	\$50,799,281	About 70% of Modification No. 17 is to fund extended construction administration services due construction delays for post occupancy services and for additional architectural, MEP personnel to review and expedite RFIs.	Not posted.
18	\$ 477,586	\$51,276,867	97% of modification 18 was for extended construction administration services.	1/19/2012
19	\$ 2,703,372	\$53,980,239	About 84% of Modification 19 is to fund additional construction administration staff for remodel and new buildings. 15% is for contractually allowed mark-ups. The remaining funds are to remodel the rooftop and freezer slab. Much of the repair and remodel work was unanticipated and the result of the poor condition of the existing buildings.

MODIFICATION NO. 19 TO THE EXECUTIVE ARCHITECT AGREEMENT

between

THE CITY & COUNTY OF SAN FRANCISCO

and

STANTEC ARCHITECTURE INC

Contract No. ENAT01000007/ ENAT08000018/ ENAT12000004

to furnish

ARCHITECTURAL AND ENGINEERING DESIGN

and

CONSTRUCTION ADMINISTRATION SERVICES

for the

LAGUNA HONDA HOSPITAL REPLACEMENT PROGRAM

**City and County of San Francisco
Purchasing Department
City Hall, Room 430
1 Dr. Carlton B. Goodlett Place
San Francisco, California 94102-4685**

MODIFICATION NO. 19 TO THE AGREEMENT

Between the City and County of San Francisco and

STANTEC ARCHITECTURE INC ("SAI")

The City and County of San Francisco and Stantec Architecture Inc have entered into an Agreement dated November 20, 2000. This Modification to the Agreement ("Modification No. 19") is dated March 5, 2012 in the City and County of San Francisco, State of California, by and between the City and County of San Francisco (the "City"), a municipal corporation acting through its Department of Public Works ("Department") and Stantec Architecture Inc (the "Architect").

On or around December 12, 2011, the City and County of San Francisco filed suit against Stantec Architecture, Inc. and its predecessors ("Architect") to the Executive Architect Agreement for the Laguna Honda Hospital Replacement Program (SF Sup. Ct. Case No. CGC-11-516530), claiming damages arising from Architect's breach of contract and professional negligence and Architect's obligation to indemnify the City for related losses. Under Sections 3.3.2(6) and 4.1.5(6) of the Architect Agreement, Architect is not entitled to compensation for changes to the Contract Documents arising from Architect's errors, conflicts or omissions. In addition, under Section 1.3(c) of the Architect Agreement, Architect is to provide construction administration services through the actual completion of construction at no additional charge, where the construction was delayed beyond the scheduled completion date due to Architect's fault. The City disputes Architect's entitlement to some or all of the monies reflected in this Modification No. 19 to the Architect Agreement and reserves all of its rights against Architect, including but not limited to, its right to seek reimbursement or refund of any monies paid pursuant to this Modification or to recover any such monies as an item of loss or damage.

WHEREAS, the parties intend to increase the Architect's Basic Services for the Design Phase and Construction Phase by \$2,703,372; and,

WHEREAS, the parties intend to modify Section 4.1.5 Payment Schedule to reflect the fee increase for Design Phase and Construction Phase; and,

WHEREAS, the parties intend to revise and replace, Attachment 1 – Contract Modification Matrix and Attachment 2 – Additional Service Requests.

NOW, THEREFORE, the City and the Architect agree to as follows:

A. Change Section 4.1.1, Basic Services, subsections (2), (3) and (4) as follows:

From:

"4.1.1. BASIC SERVICES

- (2) For all of the Architect's Basic Services for the Construction Phases (Article 3.3.), as described above, the Architect shall be paid a Fee not to exceed **\$24,199,365** which shall include all sub-consultant fees and direct expenses normal to the Project including

all phone calls, faxes, in-house and sub-consultant coordination, presentation, printing and reproductions-required by this Agreement. These services are not part of this Agreement, and at the City's option, will be authorized by a Modification.

- (3) The amount of Fee for the complete Basic Services of the Design Phases and Construction Phases shall not exceed **\$51,276,867**.
- (4) The Fee amount of **\$27,077,502** for Design and the Fee of **\$24,199,365** for Construction Services is hereby authorized.”

To:

“4.1.1. BASIC SERVICES

- (2) For all of the Architect's Basic Services for the Construction Phases (Article 3.3.), as described above, the Architect shall be paid a Fee not to exceed **\$27,077,502** which shall include all sub-consultant fees and direct expenses normal to the Project including all phone calls, faxes, in-house and sub-consultant coordination, presentation, printing and reproductions-required by this Agreement. These services are not part of this Agreement, and at the City's option, will be authorized by a Modification.
- (3) The amount of Fee for the complete Basic Services of the Design Phases and Construction Phases shall not exceed **\$53,980,239**.
- (4) The Fee amount of **\$27,077,502** for Design and the Fee of **\$26,902,737** for Construction Services is hereby authorized.”

B. Change Section 4.1.5, Payment Schedule, subsections (1) as follows:

From:

“4.1.5. PAYMENT SCHEDULE

- (1) The Architect will submit monthly invoices for Basic Services, including Construction Phase Services where applicable, with lump sum fees to be charged on a percentage of completion for each phase subject to the cumulative maximum per phase as noted in the Payment schedule below. The Payment Schedule represents cumulative percentages of the full not to exceed fee of **\$51,276,867** to the amount of work actually performed in that phase as determined by the City.”

To:

“4.1.5. PAYMENT SCHEDULE

- (1) The Architect will submit monthly invoices for Basic Services, including Construction Phase Services where applicable, with lump sum fees to be charged on a percentage of completion for each phase subject to the cumulative maximum per phase as noted in the Payment schedule below. The Payment Schedule represents cumulative percentages of the full not to exceed fee of **\$53,980,239** to the amount of work actually performed in that phase as determined by the City.”

- C. Revise and replace Attachment 1 – Contract Modification Matrix and Attachment 2 – Additional Service Requests to reflect this Contract Modification.

IN WITNESS WHEREOF, the parties hereto have executed this Modification No. 19 to the Agreement on the day first mentioned above.

HRC Modification Form

HRC FORM 10
CONTRACT AMENDMENT, MODIFICATION OR SUPPLEMENTAL CHANGE ORDERS
ENAT12000004 MODIFICATION NO. 19

Submit this form, along with the required supporting documentation, when processing the first contract amendment, modification, supplement or change order that cumulatively increases the original contract amount by more than 20%, and then for all subsequent requests. (This provision applies only to contracts originally valued at \$50,000 or more).

Name of Project: Laguna Honda Hospital Replacement Program

Original Contract Amount: \$2,400,352

Contract Amount as Modified to Date: \$48,876,515

Amount of current Modification Request: \$2,703,372

REQUIRED ATTACHMENTS:

1. Revised HRC Form 2A, reflecting the new overall contract amounts for the prime contractor, joint venture partners and subcontractors.
2. A list of all prior contract amendments, modifications, supplements and/or change orders leading up to this modification, including those leading up to the amendment which increased the original contract amount by more than 20%.

See Attachment 1, HRC Cumulative

3. A list of the contractors and subcontractors working on this amendment, modification, supplement or change order with the contract dollars for each individual firm.

See Attachment 1, HRC Cumulative

4. A brief description of the work to be performed under this amendment, modification, supplement or change order.

See Attachment 2, Mod No. 19 Column
