ARTICLE 2. AMENDMENT

No amendment or variation of the terms of this Agreement shall be valid unless made in writing, signed by the parties and approved as required. No oral understanding or agreement not incorporated in this Agreement is binding on any of the parties.

ARTICLE 3. PROJECT COSTS

The CSA's *Grant Administration and Audit Guide, Federal Juvenile Justice Grants* outlines eligible and ineligible project costs, as well as match and project income requirements. Grantee is responsible for ensuring that all invoices contain only eligible project costs.

ARTICLE 4. GRANTEE'S GENERAL RESPONSIBILITY

Grantee is solely responsible for the project activities as identified in the Grant Proposal. Review and approval by the CSA is solely for the purpose of proper administration of grant funds by the CSA and shall not be deemed to relieve or restrict the Grantee's responsibility.

A. Compliance with Laws and Regulations

This Grant Agreement is governed by and shall be interpreted in accordance with the laws of the State of California and the United States Department of Justice. Grantee shall at all times comply with all applicable federal and state laws, rules, and regulations, and all applicable local ordinances, specifically including, but not limited to, environmental, procurement and safety laws, rules, regulations, and ordinances.

Grantee shall fulfill all assurances, declarations, representations, and statements made by the Grantee in the Grant Proposal, documents, amendments, approved modifications, and communications filed in support of its request for grant funds.

C. Use of Grant Funds

Grantee shall expend all grant and matching funds solely for eligible project costs. D. Permits and Licenses

Grantee agrees to procure all permits and licenses necessary to complete the project, pay all charges and fees, and give all notices necessary or incidental to the due and lawful proceeding of the project work.

E. Contracting Requirements

In accordance with the provisions of this Grant Agreement, the Grantee may contract with public or private contractors of services for activities necessary for the program implementation and activities of the project. Grantee agrees that in the event of an inconsistency between the Grant Agreement, its Exhibits and Grantee's agreement for services with a contractor, the Grant Agreement and its Exhibits will prevail. Grantee shall ensure that the contractor complies with all requirements of the Grant Agreement.

Grantee assures that for any contract awarded by the Grantee, such insurance and fidelity bonds, as is customary and appropriate, will be obtained.

Grantee agrees to place appropriate language in all contracts for work on the project requiring the Grantee's contractors to:

1. Books and Records

Maintain adequate fiscal and project books, records, documents, and other evidence pertinent to the contractor's work on the project in accordance with generally accepted accounting principles. Adequate supporting documentation shall be maintained in such detail so as to permit tracing transactions from the invoices, to the accounting records, to the supporting documentation. These records shall be maintained for a minimum of three years after acceptance of the final grant project audit under the Grant Agreement, and shall be subject to examination and/or audit by the CSA or designees, state government auditors or designees, or by federal government auditors or designees.

2. Access to Books and Records

Make such books, records, supporting documentations, and other evidence available to the CSA or designees, the Department of General Services, the Department of Finance, the Bureau of State Audits, their designated representatives, and federal government auditors or designees, during the course of the project and for a minimum of three years after acceptance of the final grant project audit. The Contractor shall provide suitable facilities for access, monitoring, inspection, and copying of books and records related to the grant-funded project.

ARTICLE 6. PROJECT ACCESS

The Grantee shall insure that the CSA, or any authorized representative, will have suitable access to the project activities, sites, and staff at all reasonable times during project implementation.

ARTICLE 7. RECORDS

- A. The Grantee shall establish an official file for the project. The file shall contain adequate documentation of all actions that have been taken with respect to the project, in accordance with generally accepted government accounting principles.
- B. The Grantee shall establish separate accounting records and maintain documents, and other evidence sufficient to reflect properly the amount, receipt, and disposition of all project funds, including grant funds and any matching funds by the Grantee and the total cost of the project. Source documents include copies of all awards, applications, approved modifications, financial records, and narrative reports.
- C. Personnel and payroll records shall include the time and attendance reports for all individuals reimbursed under the grant, whether they are employed full-time or part-time. Time and effort reports are required for consultants and contractors.
- D. The Grantee shall maintain documentation for donated goods and/or services, including the basis for valuation.
- E. Grantee agrees to protect records adequately from fire or other damage. When records are stored away from the Grantee's principal office, a written index of the location of records stored must be on hand and ready access must be assured.
- F. All Grantee records relevant to the project must be preserved a minimum of three years after closeout of the grant project and shall be subject at all reasonable times to inspection, examination, monitoring, copying, excerpting, transcribing, and auditing by the CSA or designees. If any litigation, claim, negotiation, audit, or other action involving the records has been started before the expiration of the three-year period, the records must be retained until the completion of the action and resolution of all issues which arise from it or until the end of the regular three-year period, whichever is later.

ARTICLE 8. ACCOUNTING AND AUDIT REQUIREMENTS

All funds received by the Grantee shall be deposited into separate fund accounts which identify the funds and clearly show the manner of their disposition. Grantee agrees that the audit and accounting procedures shall be in accordance with generally accepted government accounting principles and practices (see *Accounting Standards and Procedures for Counties*, California State Controller, Division of Local Government Fiscal Affairs) and adequate supporting documentation shall be maintained in such detail so as to provide an audit trail which will permit tracing transactions from support documentation to the accounting records to the financial reports and invoices. The Grantee further agrees to the following audit requirements:

A. Federal Single Audit Act

If the Grantee expends \$500,000 or more in a year in federal funds, Grantee agrees to comply with the provisions pursuant to the Federal Office of Management and Budget Circular No. A-133, "Audits of States, Local Governments, and Non-Profit Organizations." Circular No. A-133 requires non-federal entities that meet the expenditure criteria to have either a single or program specific audit conducted for that expenditure year.

B. Interim Audit

The CSA reserves the right to call for a program audit or a system audit at any time between the execution of this Grant Agreement and the completion or termination of the project. At any time, the CSA may disallow all or part of the cost of the activity or action determined to be not in compliance with the terms and conditions of this Grant Agreement, or take other remedies legally available.

C. Annual Audit

1. Within 120 calendar days of the Grant Agreement end date, all Grantees must obtain and submit an annual program audit to the CSA. Only Grantees expending \$500,000 or more in a year are authorized to use federal funds to pay the costs associated with performing the audit. Should the federal single audit report include this grant project, the Grantee may submit the federal single audit to satisfy the annual audit requirement. The audit shall be prepared in accordance with generally accepted auditing standards and government auditing standards for financial and compliance audits.
2. Since the audit function must maintain organizational independence, the Grantee's financial officer for this project shall not perform the annual audit. If the Grantee's internal auditor performs the audit, the auditor must be organizationally independent from the Grantee's accounting and project management functions. Additionally, Grantee's internal auditors who report to the financial officer, or to whom the financial officer reports, shall not perform the audit. The person conducting the audit shall be a certified public accountant, unless a Grantee auditor completes the audit.

ARTICLE 9. CHANGES

- A. Grantee shall immediately advise the CSA of any significant problems or changes arising during the course of the project.
- B. No change or modification in the project will be permitted without prior written approval from the CSA. Changes may include modification to project scope, changes to performance measures, compliance with collection of data elements, and other significant changes in the budget or program component contained in the approved Grant Proposal. Changes shall not be implemented by the project until authorized by the CSA.
- C. Under no circumstances will any budget line item changes be authorized which would cause the project to exceed the amount of the grant award identified in the Agreement. Further, in no event shall changes be authorized for the indirect costs line item that would result in that line item exceeding ten percent (10%) of the grant award.

ARTICLE 10. DISBURSEMENT

The Grantee shall be paid in arrears on invoices submitted to the CSA on the forms or processes determined by the CSA, certifying to the accuracy of the reports in accordance with generally accepted governmental accounting principles and CSA regulations, guidelines, policies, and procedures.

ARTICLE 11. WITHHOLDING OF GRANT DISBURSEMENTS

- A. The CSA may withhold all or any portion of the grant funds provided for by this Grant Agreement in the event that the Grantee has materially and substantially breached the terms and conditions of this Grant Agreement.
- B. For the final project year, at such time as the balance of federal funds allocated to the Grantee reaches five percent (5%), the CSA shall withhold that amount as security, to be released to the Grantee upon complying with all grant provisions, including: 1) submittal and approval of the final invoice; 2) submittal and approval of the final progress report; 3) submittal and approval of any additional required reports; and 4) submittal and approval of the final audit.
- C. The CSA will not reimburse Grantee for costs identified as ineligible for grant funding. If grant funds have been provided for costs subsequently discovered to be ineligible, the CSA may either withhold an equal amount from subsequent payments to the Grantee or require repayment of an equal amount to the state by the Grantee.
- D. In the event that grant funds are withheld from the Grantee, the CSA's Executive Director or designee shall notify the Grantee of the reasons for withholding and advise the Grantee of the time within which the Grantee may remedy the failure or violation leading to the withholding.

ARTICLE 12. TERMINATION

- A. This Grant Agreement may be terminated at any time by the CSA, where it appears that there will be lack of grant funds available to fulfill this Grant Agreement, provided that after such termination, the Grantee shall be entitled to an amount that equals the eligible project costs that have been incurred by the Grantee prior to such termination.
- B. This Grant Agreement may be terminated after the award of the Grant Agreement but prior to completion of the project, by the CSA, upon action or inaction by the Grantee that constitutes a material and substantial breach of this Grant Agreement. Such action or inaction by the Grantee includes but is not limited to:
1. Substantial alteration of the scope of the grant project without the prior written approval of the CSA;
 2. Refusal or inability to complete the grant project in a manner consistent with the grant proposal or approved modifications;
 3. Failure to provide the required local match share of the total project costs;
 4. Failure to meet prescribed assurances, commitments, Grant Agreement, record, accounting, auditing, and reporting requirements.
- C. Prior to terminating the Grant Agreement under this provision, the CSA shall provide the Grantee at least 30 days written notice stating the reasons for termination and effective date thereof. The Grantee may appeal the termination decision in accordance with Article 13.

ARTICLE 13. DISPUTES

- A. Grantee shall continue with the responsibilities under this Agreement during any dispute.
- B. The Grantee may appeal a CSA staff decision on the basis of alleged misapplication, capricious interpretation of the regulations, policies and procedures, or substantial differences of opinion that may occur concerning the proper application of regulations, policies or procedures.
- C. If the Grantee is dissatisfied with an action of CSA staff, the Grantee may appeal the cause of the dissatisfaction to the Deputy Director in charge of the Corrections Planning and Programs Division of the CSA. Such appeals shall be filed within 30 calendar days of the notification of action with which the Grantee is dissatisfied. The appeal shall be in writing, and:
- state the basis for the dissatisfaction;
 - state the action being requested of the Deputy Director; and,
 - include any documentation related to the cause for dissatisfaction.

- D. Chief William P. Siffermann
San Francisco County Probation Department
375 Woodside Avenue, Room 243
San Francisco, 94127

Dear Chief Siffermann:

Congratulations! The Corrections Standards Authority (CSA) has awarded San Francisco County Probation Department year three of the Disproportionate Minority Contact (DMC) Support grant in the amount of \$100,000.

The Request for Application process for the DMC Support grants was non-competitive; nevertheless, San Francisco County was successful in laying out the plans for funds appropriated by the Juvenile Justice and Delinquency Prevention Act (JJDP) and State Advisory Committee on Juvenile Justice and Delinquency Prevention (SACJJDP). The DMC Support program funds local jurisdictions with a system reform effort reducing youth of color coming into contact with the juvenile justice system.

The contract for this grant began January 1, 2012 and it is my pleasure to serve as the Field Representative for San Francisco County on this project. If you have any questions or think I can be of assistance, please do not hesitate to contact me.

Sincerely,

A handwritten signature in cursive script that reads "Shalinee Hunter".
