FY 2012-13

The Department’s proposed FY 2012-13 budget has increased by \$598,046 largely due to:

- An increase in salaries and fringe benefits as a result of salary increases based on Memorandums of Understanding (MOUs) between the City and the labor unions representing City staff. The MOUs provide that the Department’s Museum Guards, whose hours were reduced from 40 to 35 hours per week in FY 2007-08, will be restored to 40 hours per week in FY 2012-13.

FY 2013-14

The Department’s proposed FY 2013-14 budget has increased by \$335,551 largely due to increases in salaries and fringe benefits.

FY 2012-13

The Department’s proposed \$11,416,034 budget for FY 2012-13 is \$1,125,112 or 10.9% more than the original FY 2011-12 budget of \$10,290,922. The budget increase is largely a result of salary and fringe benefit increases resulting from a departmental staffing reorganization discussed in the Background section below.

The Art Commission’s budget increase in FY 2012-13 also reflects new expenditures of \$542,830 for maintenance of the City’s cultural centers and other maintenance projects as well as an expenditure of \$250,000 for the design and build-out of the Commission’s new space in the War Memorial Veterans Building, which will be undergoing two-years of seismic upgrades and other renovations. At the completion of construction, which is anticipated to last from July 1, 2012 through June 30, 2015, the Commission will have new office and public space, meeting rooms, gallery space, and storage in the Veterans Building.

Background

The Commission has undertaken a reorganization in response to recommendations that the Controller’s City Services Auditor made in its Financial Management Review of the Arts Commission on November 15, 2011. The City Services Auditor recommended that the Arts Commission improve the alignment of job duties and official job classification descriptions, and that the Commission work with the Department of Human Resources (DHR) to align job classifications with its staffing needs and to confirm that each employee is working within the parameters of his or her job classification.

In response to the recommendations of the City Services Auditor, the Arts Commission’s developed a new organization chart that is the basis of the departmental staffing reorganization proposed in the Department’s FY 2012-13 budget.

DEPARTMENT: ART – ARTS COMMISSION

FY 2013-14

The Commission's proposed FY 2013-14 budget has increased by \$455,884 largely as a result of salary increases based on Memorandums of Understanding (MOUs) between the City and the labor unions representing City staff.

SUMMARY OF DEPARTMENT POSITION CHANGES:

FY 2012-13

The number of full-time equivalent positions (FTE) budgeted for FY 2012-13 is 26.87 FTEs, which is 7.50 FTEs more than the 19.37 FTEs in the original FY 2011-12 budget. This represents a 38.7% increase in FTEs from the original FY 2011-12 budget. The FTE increase includes: (1) the reinstatement of a Deputy Director position that serves as the Art Commission's CFO and is also responsible for Human Resources and Operations; (2) new Arts Education Associate positions; and (3) a new Management Assistant position in the Community Arts and Education program.

The FTE increase also reflects the Commission's reassignment of positions that were off-budget in the FY 2011-12 on budget in the FY 2012-13 budget in response to the City Services Auditor's findings discussed above.

Interim Exceptions

The Department has requested approval of 3.0 FTEs as interim exceptions. These include (1) one full-time Deputy Director (0951, 1.0 FTE); (2) two part-time Arts Program Assistants (3549) in the Cultural Equity Grants program and the Community Arts and Education program respectively (0.5 FTE each); and (3) one full-time Management Assistant (1842) in the Community Arts and Education Program.

According to the Commission's Deputy Director and CFO Ms. Rebekah Krell, these positions are currently filled on an acting basis and the new positions are a response to the City Service Auditors Review noted above. The employee currently in the Management Assistant position (1842) has been employed by the Arts Commission for ten years through temporary requisitions and has worked in the Management Assistant position since 2010. The Management Assistant manages the Commission's Community Arts program and the Central Market, Art in Storefronts, and Invest in Neighborhoods initiatives. Also, according to Ms. Krell, the two Arts Program Assistants (3549) that have been budgeted in the proposed budgets for fiscal years 2013 and 2014 at 0.5 FTE have been in their positions since 2010. In addition, these two part time Arts Program Assistants provide direct service to the Commission's non-profit partners and grantees.

Approval of these interim exceptions is a policy matter for the Board of Supervisors.

FY 2013-14

The number of full time equivalent positions (FTE) budgeted for FY 2013-14 is 26.87 FTEs which is the same number of FTEs budgeted for FY 2012-13.

DEPARTMENT REVENUES:

FY 2012-13

The Department's revenues of \$6,343,022 in FY 2012-13, are \$706,787 or 12.5% more than FY 2011-12 revenues of \$5,636,235. General Fund support of \$5,073,012 in FY 2012-13 is \$418,325 or 9.0% more than FY 2011-12 General Fund support of \$4,654,687.

The increase in revenues is attributable largely to increases in charges for services and Expenditure Recoveries that comprises increases in the work order amounts for the Airport, the Library, and the PUC. The increase in General Fund support is largely attributable to the new positions and fringe benefits described above.

FY 2013-14

The Department's revenues of \$6,198,851 in FY 2013-14 are \$142,191 or 2.3% less than FY 2012-13 revenues of \$6,343,022. The decrease in revenues is attributable largely to the elimination of expenditure recoveries from Administrative Services and the PUC.

FY 2012-13

The Department’s proposed FY 2012-13 budget has increased by \$626,298 largely due to:

- An increase in salaries and fringe benefits as a result of salary increases based on Memorandums of Understanding (MOUs) between the City and the labor unions representing City staff. The MOUs provide that the Department’s Museum Guards, whose hours were reduced from 40 to 35 hours per week in FY 2007-08 be restored to 40 hours per week.
- Capital project funding for (a) replacement and repair of portions of the Legion Of Honor’s roof, (b) rebuilding of the Legion of Honor’s chillers, which control humidity and therefore protect the City’s art from humidity-related damage, and (c) replacement of the boiler burners with low Nitrous Oxide (NOx) surface combustion burners at the DeYoung Museum to meet new Bay Area Air Quality Management District limits for NOx emissions.

OTHER ISSUES

The Budget and Legislative Analyst recently completed its audit of the Department and found staffing issues with the Fine Arts Museums' security guards, whose funding comprise 51% of the Department's budget. The Department's security guards work 35-hour work weeks, with shifts averaging seven hours, five days a week. The Department hires temporary security guards at the de Young Museum and Legion of Honor to augment permanent security guard staffing. The Department schedules 41 permanent security guards per day at the de Young Museum and Legion of Honor on average. Approximately 13 of the 41 scheduled permanent security guards, or 32%, are off work due to vacation, sick leave, and other leave on any given day. The Fine Arts Museums replaces these permanent security guards with temporary security guards.

However, even if the high absentee rate for permanent security guards is reduced, the Fine Arts Museums have an ongoing need to schedule some temporary security guards to replace permanent security guards who are on vacation or other forms of leave. While scheduling temporary security guards is more cost effective than scheduling overtime to replace absent staff, side letter agreements or past practices between the Fine Arts Museums and the Service Employees International Union, which represents the permanent security guards, restrict

temporary security guards' assignments, requiring the Fine Arts Museums to staff certain shifts with overtime.

According to the Department, the Department is currently evaluating and improving the entire scheduling and staffing process, including determining reasons for absences and formulating policies to reduce absenteeism. In addition, the Department has actively collaborated with the City's Director of Labor Relations and, in recently concluded negotiations with the union representing security guard staff, side letters of agreement were revised. Improved policies and new shift scheduling will be implemented on July 1, 2012.

Recommendations:

The Department will cease renting the Veterans Building’s Green Room and Herbst Theater after April 30, 2013. All tenants, including the American Legion Posts, the Arts Commission, the Law Library, and the War Memorial Department will have vacated the building on or before June 30, 2013. The Veterans Building is expected to be reopened by July 1, 2015.

FY 2012-13

The Department's proposed FY 2012-13 budget has increased by \$9,460,379 largely due to:

- An increase in funding from both General Fund and non-General Fund sources for various capital projects, including (a) the renovation and coordination to resolve American Disability Act (ADA) issues of existing playgrounds and recreational facilities, (b) the stabilization of Telegraph Hill, (c) the resurfacing of various playgrounds, and (d) the repair of the West Harbor seawall.

The gardener apprentice program began in FY 2010-11 with 10 apprentices and increased by five apprentices in FY 2011-12. The FY 2012-13 budget expands the gardener apprentice program by an additional 10 apprentices.

FY 2012-13

The department’s proposed FY 2012-13 budget has decreased by \$6,503 due to a technical error in the Budget, according to the Controller’s Office. The Controller’s Office has indicated that pending a technical correction, funding for the department will be identical to FY 2011-12. In addition, the proposed budget shifts funding for the SFUSD Superintendent’s salary and Board of Educations’ stipends from the Department’s salary budget to its City Grants Program budget.

Background

The duties of the state-mandated County Education Office are performed in San Francisco by the Superintendent and Board of Education of the San Francisco Unified School District (SFUSD). The department’s only expenses are payments by the Count Education Office to the SFUSD based on an historical agreement for the work performed by the Superintendent and the Board of Education that would normally be performed by a distinct County Education Office. The share of the salaries that are paid by the County Education Office are based on an informal historical agreement. The Controller noted that there is no record of a formal agreement regarding the precise share of the Superintendent and Board of Education salaries (or stipends) that are attributable to the state-mandated responsibilities of the County Education Office.

FY 2013-14

The Department’s proposed FY 2013-14 budget has decreased by \$1,031 due to a technical error in the proposed budget. The Controller’s Office has indicated that pending a technical correction, funding for the department will be identical to FY 2012-13.

This represents a 100% decrease in FTEs from the original FY 2011-12 budget. The reduction in FTEs is due to a change in the budgeting for the salary of the SFUSD Superintendent and Board of Education’s stipends. The proposed budget shifts funding for the SFUSD Superintendent’s salary and Board of Education’s stipends from the Department’s salary budget to its City Grants Program budget.

- Increased funding in city grant programs, notably in the Family Support Program.

FY2012-13 Expenditure Plan for Public Education Enrichment Fund

File No. 12-0642. This resolution would approve the San Francisco Children and Families Commission (First 5) expenditure plan for the Public Education Enrichment Fund (PEEF) for FY 2012-13.

The Public Education Enrichment Fund (PEEF), which was approved by the voters in March 2004, transfers General Fund monies each year to the San Francisco Unified School District (SFUSD) and to First 5, based on a formula defined in the Charter. PEEF designates one-third of funds to First 5 for universal access to preschool, one-third to San Francisco Unified School District (SFUSD) for sports, library, arts, and music programs, and one-third of the fund or in-kind services to SFUSD for general education purposes.

The City's FY 2012-13 required contribution to PEEF is \$70.8 million, of which the City proposes to defer \$17.7 million, as allowed by the Charter, and to allocate \$53.1 million. The Charter allows the deferral of payments if the joint budget report prepared by the Controller's

FY 2012-13

The Department's proposed FY 2012-13 budget has increased by \$98,357,185 largely due to:

- An increase in expenditures for acute care at San Francisco General Hospital. The growth in expenditures for this program is primarily due to investments in its delivery system to expand capacity and services to meet the requirements of the State's Medi-Cal 1115 Waiver. The Medi-Cal Waiver was designed to prepare counties for Federal Health Care Reform and ties Medi-Cal revenues to achieving specific milestones. These investments include infrastructure development, and increased access to specialty care, among other improvements. Additionally, there are increased costs to the contract between DPH and the University of California, San Francisco (UCSF) due to increased salaries and fringe benefits for UCSF staff working at the San Francisco General Hospital under collective bargaining agreements between UCSF and the respective labor unions.

DEPARTMENT: **DPH – PUBLIC HEALTH**

- An increase in expenditures for the Low Income Health Program (LIHP) due to changes in federal policy. Patients with HIV or AIDS who are eligible for the LIHP must be dis-enrolled from the Federal Ryan White program and enrolled into LIHP. The increase in expenditures also reflects costs associated with medication paid for by Federal funding. In addition, counties are now responsible for the costs of out of network services incurred by their LIHP clients.
- In order to draw down Federal funding incentives, the Department is increasing expenditures for its implementation of electronic medical records. With the use of electronic medical records, the Department is hoping to achieve efficiencies in service delivery and improve health outcomes. Should the Department not achieve meaningful use by 2015, the federal government will reduce federal reimbursement until meaningful use is achieved.
- The Department is launching several initiatives to improve patient flow within the San Francisco General Hospital, Laguna Honda Hospital, and Behavioral Health Center. Expenditures include (a) increased staffing, (b) an increase in the number of non-acute beds to improve the utilization of beds and promote timely discharge of non-acute patients from San Francisco General Hospital, and (c) intensive community re-entry activities to ensure timely discharge from Laguna Honda Hospital.

FY 2013-14

The Department's proposed FY 2013-14 budget has increased by \$72,950,099 largely due to:

- The Department will invest \$40 million to procure furniture, fixtures, and equipment for the new San Francisco General Hospital, scheduled to be opened in 2015. These expenditures are not eligible to be included in the budgeted expenditures for future and previously appropriated bond funding.
- The Department will continue to increase expenditures due to requirements of the State's Medi-Cal 1115 Waiver and decrease in Federal funding for HIV and AIDS patients.

SUMMARY OF DEPARTMENT POSITION CHANGES:

FY 2012-13

The number of full-time equivalent positions (FTE) budgeted for FY 2012-13 are 5,801.51 FTEs, which are 130.22 FTEs more than the 5,671.29 FTEs in the original FY 2011-12 budget. This represents a 2.3% increase in FTEs from the original FY 2011-12 budget.

The Department's FY 2012-13 budget includes 79.45 FTE new positions, as well as annualization of new positions from FY 2011-12, to meet the milestones set out in the Medi-Cal 1115 Waiver in order to prepare for Federal Health Care Reform. The Department will also add 3.39 FTE positions to the Laguna Honda Hospital to implement a short stay program to improve patient flow for skilled nursing services. Additionally, the FY 12-13 budget includes 6.52 new FTE positions in the San Francisco General Hospital Acute Care program to meet regulatory requirements for nurse staffing for patient services where moderate sedation is required. These position increases are offset by the deletion of existing FTEs and other adjustments.

DEPARTMENT: **DPH – PUBLIC HEALTH**

FY 2013-14

The number of full-time equivalent positions (FTE) budgeted for FY 2013-14 are 5,849.12 FTEs, which are 47.61 FTEs more than the 5,801.51 FTEs in the original FY 2012-13 budget. This represents a 0.8% increase in FTEs from the original FY 2012-13 budget.

The Department's FY 2013-14 budget includes 50.36 FTE new positions in FY 2013-14, as well as annualization of new positions from FY 2012-13, to meet the milestones set out in the Medi-Cal 1115 Waiver in order to prepare for Federal Health Care Reform. These increases are offset by other position adjustments.

INTERIM EXCEPTIONS

The Department has requested approval of one position as an interim exception. The Budget and Legislative Analyst recommends disapproval of this position because the Department has not provided sufficient justification to show that an August 1, 2012 start date would make the Department noncompliant with a new Penal Code.

DEPARTMENT REVENUES:

FY 2012-13

The Department's revenues of \$1,229,266,935 in FY 2012-13, are \$15,237,600 or 1.3% more than FY 2011-12 revenues of \$1,214,029,335. General Fund support of \$446,368,118 in FY 2012-13 is \$83,119,586 or 22.9% more than FY 2011-12 General Fund support of \$363,248,532.

Specific changes in the Department's FY 2012-13 revenues include:

- The Department's increased General Fund support in FY 2012-13 is due to the loss of Federal revenues and increased responsibilities under Federal Health Care Reform. While the Department will receive significant Medi-Cal revenues from the State, this revenue is tied to meeting specific milestones, which require additional investments to be made into DPH's delivery system.
- The Department anticipates losing \$6.6 million in Federal Ryan White and Centers for Disease Control funding for HIV and AIDS programs, which is fully backfilled by General Fund support.
- The Department anticipates an increase of \$36.8 million in revenue from service charges. This growth results from increases in State Medi-Cal funding as well as increases in baseline revenue for San Francisco General Hospital and Laguna Honda Hospital.

FY 2013-14

The Department's revenues of \$1,236,812,744 in FY 2013-14, are \$7,545,809 or 0.6% more than FY 2012-13 revenues of \$1,229,266,935. General Fund support of \$511,772,408 in FY 2013-14 is \$65,404,290 or 14.7% more than FY 2012-13 General Fund support of \$446,368,118.

Specific changes in the Department's FY 2013-14 revenues include:

- The Department anticipates changes in revenue and General Fund support in FY 2013-14 that are consistent with the revenue issues discussed above for FY 2012-13. While the Department anticipates losing \$8 million in Federal Ryan White funding for HIV and AIDS

programs in FY 2013-14, only \$4 million in General Fund support is included in the FY 2013-14 budget to support these programs. The Department will have to identify efficiencies and savings to help address the shortfall in funding for HIV and AIDS programs in FY 2013-14. Additionally, the Department anticipates an increase of \$14.1 million in revenue from service charges.

Fee Legislation

Projected revenues for FY 2012-13 are based on the proposed fee ordinance as follows:

File No.	Fee Description	FY 2011-12 Original Revenue	Change in FY 2012-13	Annualized Revenue Thereafter	% Cost Recovery
12-0638	Add or increase the fees for (a) food product and marketing establishments, and (b) food preparation and service establishments to (i) recover full costs, and (ii) reflect annual cost of living increases.	\$6,920,331	\$652,068	\$652,068	100%
12-0604	Patient Rates	As of the writing of this report, the Department has not provided this information	\$3,800,000	\$4,000,000	N/A
Total		\$6,920,331	\$4,452,068	\$4,652,068	

Recommendations: Approval of the fee ordinances are policy matters for the Board of Supervisors. However, the Budget and Legislative Analyst notes that the proposed DPH budget is balanced based on the assumption that the subject fees shown above will be approved.

COMMENTS:

FY 2012-13

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$2,523,084 in FY 2012-13. Of the \$2,523,084 in recommended reductions, \$2,321,948 are ongoing General Fund savings and \$201,136 are one-time savings. These reductions would still allow an increase of \$95,834,102 or 6.1% in the Department’s FY 2012-13 budget.

In addition, the Budget and Legislative Analyst recommends closing out prior year unexpended General Fund encumbrances, which would allow the return of \$103,712 to the General Fund.

Together, these recommendations will result in \$2,626,796 savings to the City’s General Fund in FY 2012-13.

FY 2013-14

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$2,137,344 in FY 2013-14, which are ongoing. These reductions would still allow an increase of \$70,812,755 or 4.2% in the Department’s FY 2013-14 budget.

These recommendations will result in \$2,137,344 savings to the City’s General Fund in FY 2013-14.

FY 2012-13

The Department's proposed FY 2012-13 budget has increased by \$6,062,538 largely due to:

- A net increase in administration, notably for the HVAC repair and replacement project at the offices on 170 Otis Street.
- An increase in Children's Baseline offset by work orders requested by Department of Children, Youth, and Families (DCYF) and Children and Families Commission (First Five). In FY 2012-13, the Mayor is consolidating childcare services into the Office of Early Care and Education under the Human Services Agency. Administrative staff and funding for early care and education is being transferred from the First Five and the DCYF to the Department. The Department is also proposing new funds to backfill State funding reductions for Title V childcare providers.

**RECOMMENDATIONS OF THE BUDGET & LEGISLATIVE ANALYST
FOR AMENDMENT OF BUDGET ITEMS
FY 2012-13 AND FY 2013-14**

DEPARTMENT: DSS– HUMAN SERVICE AGENCY

- A decrease in aid payments under Family and Children’s Services, mostly due to the lower than expected cost increases in foster care and child care, Kinship Guardian Assistance Payment Program (Kin-Gap), and adoption assistance aid.
- An increase in Homeless Services for an initiative to increase housing capacity for clients with schizophrenia. HSA is collaborating with the Department of Public Health (DPH) as part of a larger pilot program focused on determining the effectiveness of making schizophrenic/schizoaffective disorder a presumptive disability as defined by the Social Security Administration. The Department is working with DPH to provide services and greater access to housing for these clients.
- An increase in the Office of Aging and Adult Services (DAAS) to fund two grant-funded transitional care programs that create (a) a medical home for clients and (b) a support network for the most vulnerable patients within six weeks after being discharged from the hospital to reduce hospital readmissions. The proposed FY 2012-13 budget also includes increased General Fund monies for (a) nutritional services to backfill reductions in federal and state grants in the Home Delivered and Congregate Meals program; and (b) the Services Connection Project for older adults and adults with disabilities, residing in housing owned by the San Francisco Housing Authority to backfill the expired federal ROSS (Residential Opportunities for Self Sufficiency) Grant.
- An increase in Welfare to Work, primarily to pay for temporary salaries for the Jobs Now 4 subsidized employment program.

FY 2013-14

The Department’s proposed FY 2013-14 budget has increased by \$3,667,646 largely due to:

- An increase in Family and Children Services, mainly due to the increases in retirement benefits for employees and adoption aid payments.
- Increases in the Homeless Services, primarily due to additional funding for the Care Not Cash Program and the Housing Pipeline Projects. Five new supportive housing projects, sponsored by the Mayor’s Office of Housing, will be completed in FY 2013-14 for which HSA will fund operating and supportive services costs.
- Increases in the In-Home Supportive Services (IHSS) program due to increases in Community First Choice Option Program revenues offset by reductions in General Fund revenue. Established by the Affordable Care Act of 2010, this new State Plan Option provides San Francisco an additional six percent federal funding for IHSS services.

SUMMARY OF DEPARTMENT POSITION CHANGES:

FY 2012-13

The number of full-time equivalent positions (FTE) budgeted for FY 2012-13 are 1,753.79 FTEs, which are 63.27 FTEs more than the 1,690.52 FTEs in the original FY 2011-12 budget. This represents 3.7% increase in FTEs from the original FY 2011-12 budget. The increase in positions is due primarily to:

**RECOMMENDATIONS OF THE BUDGET & LEGISLATIVE ANALYST
FOR AMENDMENT OF BUDGET ITEMS
FY 2012-13 AND FY 2013-14**

DEPARTMENT: DSS– HUMAN SERVICE AGENCY

- 50 positions in the Welfare to Work Program, funded by temporary salaries in FY 2012-13, to provide subsidized employment to low-income San Francisco residents as part of the Jobs Now Program;
- Transfer of three existing positions from First Five and DCYF for the new Office of Early Care and Education;
- Reductions in attrition savings to allow HSA to hire vacant positions; and
- The addition of 8 grant-funded positions for FY 2012-13

FY 2013-14

The number of full-time equivalent positions (FTE) budgeted for FY 2013-14 are 1,742.92 FTEs, which are 10.87 FTEs less than the 1,753.79 FTEs in the original FY 2012-13 budget. This represents 0.6% change in FTEs from the original FY 2012-13 budget.

The decrease in FTEs is mainly due to increases in attrition savings and deletion of grant-funded and other vacant positions.

INTERIM EXCEPTIONS

The Department has requested approval of 9 positions as an interim exception. The Budget and Legislative Analyst recommends approval of 8 positions as an interim exception and disapproval of 1 position.

- The Budget and Legislative Analyst recommends approval of 2.0 FTE 1822 Administrative Analysts for the Broadband Technology Opportunities Program, 1.0 FTE Employment And Training Specialist III to manage a Department of Labor (DOL) grant that provides subsidized employment for non-custodial parents, and 4.0 FTE Medical Social Workers and 1.0 FTE Medical Social Worker Supervisor for the Community-Based Care Transition Program and the Center for Medicare and Medicaid Innovation grant to develop new payments and delivery models.
- The Department requested an interim exception for 1.0 FTE 0922 Manager I for the Lesbian, Gay, Bisexual and Transgender Seniors (LGBT) Task Force, which would be established if approved by the Board of Supervisors in a pending ordinance (File No. 12-0378), and the Dementia Care Plan. The Budget and Legislative Analyst recommends that this position, which has analytical and program coordination but not management responsibilities, be budgeted as 0.92 FTE 1823 Senior Administrative Analyst, which would allow for an August 1, 2012 hire date. Because this position would support a new program, approval of the proposed 0.92 FTE 1823 Senior Administrative Analyst is a policy matter for the Board of Supervisors.

DEPARTMENT REVENUES:

FY 2012-13

The Department's revenues of \$471,051,281 in FY 2012-13, are \$12,019,671 or 2.6% more than FY 2011-12 revenues of \$459,031,610. General Fund support of \$228,567,249 in FY 2012-13 is \$5,957,133 or 2.5% less than FY 2010-11 General Fund support of \$234,524,382.

**RECOMMENDATIONS OF THE BUDGET & LEGISLATIVE ANALYST
FOR AMENDMENT OF BUDGET ITEMS
FY 2012-13 AND FY 2013-14**

DEPARTMENT: DSS– HUMAN SERVICE AGENCY

Specific changes in the Department’s FY 2012-13 revenues include:

- While the Department experiences a net reduction in federal funding in FY 2012-13, this reduction is offset by increases in State funding in administrative support for adoption assistance, child welfare services, and foster care assistance programs. The Department will also receive additional funding from State Health and Welfare Tax revenues.
- The Department will receive new federal funding sources including a Department of Labor grant awarded to the Office of Economic and Workforce Development that will support subsidized employment for non-custodial parents and funding for Supplemental Nutrition Assistance Program (SNAP) Innovation Ideas Project, where funding is awarded on a competitive basis to improve nutrition education offering for children and families.

FY 2013-14

The Department's revenues of \$470,932,595 in FY 2013-14, are \$118,686 or 0.03% less than FY 2012-13 revenues of \$471,051,281. General Fund support of \$232,353,581 in FY 2013-14 is \$3,786,332 or 1.7% more than FY 2012-13 General Fund support of \$228,567,249.

Specific changes in the Department’s FY 2013-14 revenues include:

- With the advent of the federal health care reform and the implementation of the Affordable Care Act, the Department anticipates more than \$1 million in savings resulting from the expansion of the County Adult Assistance Program (CAAP) program that would include Medi-Cal eligibility services in FY 2013-14.

OTHER ISSUES

FY 2012-2013 and FY 2013-2014 Expenditure Plans for Human Services Care Fund

File No. 12-0598. This resolution would approve the Department’s proposed FY 2012-2013 and FY 2013-14 Human Services Care Fund expenditure plans for the Housing First Program. The Housing First Program focuses on placing the homeless and the formerly-homeless CAAP into permanent supportive housing.

The FY2012-13 budget of \$14,453,577, consists of proposed expenditures supported by (a) \$13,698,867 in projected Human Services Care Fund revenues, (b) \$470,727 in prior-year unexpended revenues, and (c) \$283,983 in General Fund revenues. \$14,005,521, or 96.9% of the Human Services Care Fund, are for housing, while \$448,056, or 3.1%, are for services.

The FY2013-14 budget of \$14,859,737 consists of expenditures supported by (a) \$13,698,867 in projected FY2013-14 Care Fund revenues and (b) \$1,106,870 in General Fund revenues. \$14,411,681 or 97.0% are for housing, while \$448,056, or 3.0%, are for services.

Recommendation: Approval of the proposed resolution to adopt the expenditure plans is a policy matter for the Board of Supervisors.

Child Care Services Contract Modification

**RECOMMENDATIONS OF THE BUDGET & LEGISLATIVE ANALYST
FOR AMENDMENT OF BUDGET ITEMS
FY 2012-13 AND FY 2013-14**

DEPARTMENT: DSS– HUMAN SERVICE AGENCY

File No. 12-0599. This resolution would approve modification of the existing contract between the City and County of San Francisco and the Children’s Council of San Francisco to serve as the fiscal agent and administrator for childcare services funded by CalWorks and other childcare services, from July 1, 2012 to June 30, 2017, in the amount of \$240,869,365.

The State CalWorks Child Care Program, through the State Department of Education (CDE) and State Department of Social Services (CDSS), subsidizes child care for low income families through a three-stage program. The State has approved the Children’s Council of San Francisco as an Alternative Payment Provider to administer CalWorks child care funding. Currently, Children Council administers almost all subsidized child care payments and child care workforce funding in San Francisco County. Since 1998, the Department has contracted with Children’s Council as a sole source contract for administration of CalWorks Stage 1 childcare subsidies to CalWorks families, and for CalWorks Stage 2 childcare subsidies to families who are transitioning off cash aid. CDE directly contracts with the Children’s Council to administer Stage 3 subsidies to families who exceeded the two-year Stage 2 period.

HSA is proposing a five-year extension to the sole source contract in order to have a single administrator for CalWorks Stage 1 and Stage 2 childcare subsidies, funded by HSA, and CalWorks Stage 3 childcare subsidies, funded by CDE.

In November 2010, The Budget and Legislative Analyst conducted a performance audit of San Francisco’s early child care and education and recommended that HSA (a) develop a competitive solicitation for administration of the Wages Plus program, which was administered by the Children’s Council, for the June 2012 contract renewal, and (b) require Children’s Council to provide a summary report of reasons for under expenditures or over expenditures in each childcare funding stream. According to the Department, the Department has implemented the audit recommendations, including (a) receiving monthly accounting by spending categories from Children’s Council; and (b) issuing a Request for Proposals (RFP) jointly with DCYF and First 5 for C-WAGES, the successor to the WAGES Plus program.

Recommendations:

Amend the proposed resolution to specify the contract amount is not to exceed \$240,869,365
Approve the proposed resolution as amended.

Conard House Inc. Retroactive Contract

File No. 12-0600. This resolution would retroactively approve a contract between the City and County of San Francisco and Conard House Inc., a nonprofit organization, to provide (a) master-leased housing under HSA's Housing First Program to formerly homeless single adults and (b) money management services to elderly senior citizens. The contract is for 5 years and 3 months, from April 1, 2012 to June 30, 2017, for an amount not to exceed \$19,142,302.

Under the proposed contract, Conard House, a nonprofit organization, would manage the McAllister Hotel, Aranda Hotel, and Allen Hotel, which are Single Room Occupancy (SRO) hotels, under a master lease. Conard House has managed the McAllister Hotel under a master-lease contract with HSA since March 2009. Under the proposed contract, HSA selected Conard

House to manage the Aranda and Allen Hotels in a Request for Qualification (RFQ) after the prior manager, Tenderloin Health, entered into bankruptcy on April 6, 2012. Because the new contract with Conard House to manage the three hotels exceeds \$10 million, HSA is seeking retroactive approval from the Board of Supervisors.

Under the contract, Conard House will provide:

- Services to residents of the three hotels that include assessment of needs and skills, case management, advocacy and assistance to benefits programs, service referrals to community agencies, conflict resolution, and organized tenant activities;
- Money management services to seniors and adults with disabilities, under an agreement between DAAS and Conard House from July 1, 2012 to June 30, 2015, which will assist 45 consumers and conduct 9,450 consumer contacts.

On-site micro computer services to 8 supportive housing sites and 2 case management sites, funded by a federal American Recovery and Reinvestment Act (ARRA) grant funds from January 8, 2011 to December 30, 2013.

Recommendation: Approve the proposed resolution.

Homeless and Senior Services Contract – Episcopal Community Services

File No. 12-0602. This resolution would approve the contract between the City and County of San Francisco and the Episcopal Community Services (ECS) to provide safety net services to the homeless, formerly homeless, and frail and elderly senior citizens in San Francisco for the five-year period from July 1, 2012 to June 30, 2017 for not-to-exceed \$76,016,410. This proposed contract was competitively bid through various RFPs for the services to be provided by ECS, including supportive services and case management, emergency shelter, 477 units of master-lease permanent housing, rental assistance, meals, employment services, and senior center services. Prior to the proposed contract, the Department had a three-year contract with ECS from FY 2005-06 through FY 2008-09, with three one-year extensions through FY 2011-12.

Recommendations:

Amend the proposed resolution to specify the not to exceed amount of \$76,016,410.
Approve the proposed resolution as amended.

Homeless Shelter Services Contract - St. Vincent De Paul Society

File 12-0603. The resolution would approve the renewal of the existing contract between the City and County of San Francisco and St. Vincent De Paul Society, which was effective from July 1, 2009 through June 30, 2012, to provide emergency shelter services to homeless individuals in San Francisco for the five-year period from July 1, 2012 to June 30, 2017 for \$20,482,985. HSA selected St. Vincent to provide these services through a competitive RFP process in 2009.

St. Vincent will continue to provide emergency shelter services including sleeping facilities, meals and support services for up to 340 homeless adults per day at the Multi Service Center South Adult Shelter (525 Fifth Street), a City-owned building. Under the proposed contract, St. Vincent will also provide domestic violence counseling for CalWorks clients at the Riley Center.

Recommendations:

Amend the proposed resolution to specify not to exceed \$20,482,985.
Approve the proposed resolution as amended.

COMMENTS:

FY 2012-13

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$1,542,775 in FY 2012-13. Of the \$1,542,775 in recommended reductions, \$1,492,775 are ongoing savings and \$50,000 are one-time savings. These reductions would still allow an increase of \$4,519,763 or 0.7% in the Department’s FY 2012-13 budget.

The Budget and Legislative Analyst recommends closing out prior year unexpended encumbrances totaling \$95,358, of which \$37,032 is General Fund.

Together, these recommendations will result in \$546,148 savings to the City’s General Fund in FY 2012-13.

In addition, the Budget and Legislative Analyst includes a policy recommendation totaling a savings of \$140,421.

FY 2013-14

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$1,578,667 in FY 2013-14. The \$1,578,667 in recommended reductions are ongoing savings. These reductions would still allow an increase of \$2,088,979 or 0.3% in the Department’s FY 2013-14 budget.

These recommendations will result in \$520,960 savings to the City’s General Fund in FY 2013-14.

In addition, the Budget and Legislative Analyst includes a policy recommendation totaling a savings of \$154,602.
