Of the \$333,379 in recommended reductions, \$231,379 are ongoing savings and \$102,000 are one-time savings. The Budget and Legislative Analyst's policy recommendation totals \$1,000,000 in FY 2012-13. If the Board of Supervisors approves the policy recommendation, the recommended reductions to the proposed budget total \$1,333,379 in FY 2012-13. These reductions would still allow an increase of \$11,919,736 of 37.5% in the Departments FY 2012-13 budget.

In addition, the Budget and Legislative Analyst recommends closing out prior year unexpended General Fund encumbrances, which would allow the return of \$122 to the General Fund.

Together, these recommendations will result in \$1,333,501 savings to the City's General Fund in FY 2012-13.

**YEAR TWO: FY 2013-14** 

The Budget and Legislative Analyst's recommended reductions to the proposed budget total \$519,014 in FY 2013-14. Of the \$519,014 in recommended reductions, \$519,014 are ongoing savings.

### FY 2012-13

The Department's proposed FY 2012-13 budget has increased by \$13,538,115 largely due to:

- Ongoing implementation of the Mayor's 17-Point Jobs Plan, which will include involving local nonprofits in providing technical skills training and job placement services to San Francisco residents.
- One-time funding for the City's Cruise Ship Terminal project, in preparation for the America's Cup. The Department's proposed FY 2012-13 budget also includes ongoing funding for positions and consultants related to planning for the 34th America's Cup.
- Annualization of the Mayor's small business loan program, which was created in FY 2011-12.
- Introduction of the Mayor's Improve Blighted Areas initiative, which will focus on Central Market and 6<sup>th</sup> Street areas.
- Increased funding for the City's Film Rebate Program, which provides rebates to companies producing feature films in San Francisco.
- New funding to absorb a job readiness initiative previously assigned to the San Francisco Redevelopment Authority.
- New efforts to bring the Golden State Warriors basketball team to San Francisco and additional coordination between the City and nightlife purveyors.

### FY 2013-14

The Department's proposed FY 2013-14 budget has decreased by \$7,881,075 largely due to:

- A reduction in capital project funding, following the anticipated completion of Phase I of the Cruise Ship Terminal project, which will be utilized as part of the 34<sup>th</sup> America's Cup.
- A reduction in Workforce Development multi-year Federal Grant Funds.
- These reductions are offset, in part, by the annualization of new positions.

### FY 2012-13

The Department's proposed FY 2012-13 budget has increased by \$21,679 largely due to:

- The addition of one Senior Administrative Analyst to assist with the implementation of the Treasure Island Redevelopment Plan.
- Department efforts to facilitate the first phase of conveyance of property from the U.S. Navy to the City for the purpose of redeveloping Treasure Island.
- The expansion of the Treasure Island Marina, to be completed by Treasure Island Enterprises.
- Completion of construction on the Yerba Buena Island Ramps Improvement Project.

These increases are offset, in part, but a reduction in one-time general facilities maintenance funding.

### FY 2013-14

The Department's proposed FY 2013-14 budget has decreased by \$304,892 largely due to reduced funding for Professional Services. These reductions are offset somewhat by the annualization of the Senior Administrative Analyst position and budgeted increases in salary levels and mandatory fringe benefits.

### **SUMMARY OF DEPARTMENT POSITION CHANGES:**

### FY 2012-13

The number of full-time equivalent positions (FTE) budgeted for FY 2012-13 are 11.64 FTEs, which are 0.76 FTEs more than the 10.88 FTEs in the original FY 2011-12 budget. This represents a 7% change in FTEs from the original FY 2011-12 budget.

The Budget includes one new Senior Administrative Analyst to help with the Treasure Island Redevelopment Plan and a minor adjustment to the Department's Attrition Savings.

### **DEPARTMENT:** TIDA – TREASURE ISLAND REDEVELOPMENT AGENCY

### FY 2013-14

The number of full-time equivalent positions (FTE) budgeted for FY 2013-14 are 11.87 FTEs, which are 0.23 FTEs more than the 11.64 FTEs in the original FY 2012-13 budget. This represents 2% change in FTEs from the original FY 2012-13 budget.

The increased FTE is a result of the annualization of the position added in FY 2012-13.

### **DEPARTMENT REVENUES:**

### FY 2012-13

The Department's revenues of \$8,326,365 in FY 2012-13, are \$21,679 or 0.3% more than FY 2011-12 revenues of \$8,304,686. General Fund support of \$1,758,079 in FY 2012-13 is \$148,453 or 9% more than FY 2011-12 General Fund support of \$1,609,626.

Specific changes in the Department's FY 2012-13 revenues include increased General Fund workorders.

### FY 2013-14

The Department's revenues of \$8,021,473 in FY 2013-14, are \$304,892 or 4% less than FY 2012-13 revenues of \$8,326,365. General Fund support of \$1,871,150 in FY 2013-14 is \$113,071 or 6% more than FY 2012-13 General Fund support of \$1,758,079.

Specific changes in the Department's FY 2012-13 revenues include an anticipated decrease in rents during the implementation of the Treasure Island transition plan, when tenants will be relocated from areas that will be subject to redevelopment construction. This decrease in rent is offset, somewhat, by an increase in General Fund workorders.

### RECOMMENDATIONS

**YEAR ONE: FY 2012-13** 

The Budget and Legislative Analyst's recommended reductions to the proposed budget total \$1,749,168 in FY 2012-13. Of the \$1,749,168 in recommended reductions, \$57,570 are one-time savings and \$1,691,598 are ongoing savings. These reductions would still allow an increase of \$555,331 or 1.2% in the Department's FY 2012-13 budget.

In addition, the Budget and Legislative Analyst recommends closing out prior year unexpended encumbrances, for an additional one-time savings of \$12,725.

Together, these recommendations will result in \$1,761,893 savings in FY 2012-13.

**YEAR TWO: FY 2013-14** 

The Budget and Legislative Analyst's recommended reductions to the proposed budget total \$1,574,743 in FY 2013-14. All of the \$1,574,743 in recommended savings are ongoing. These reductions would still allow an increase of \$408,157 or 0.8% in the Department's FY 2013-14 budget.

### FY 2012-13

The Department's proposed FY 2012-13 budget has increased by \$2,304,499 largely due to:

- Continued recovery of construction activities following the unprecedented collapse in FY 2007-08, resulting in substantial new permit and plan checking requests. While the volume of permits has rebounded to a small extent, the number of large valuation issued permits (and more complex) projects has substantially increased. DBI is projecting growth in their permit workload of 5.0%.
- Personnel cost increases with the addition of 27 new operating and project-based positions.
   The Department's budget for FY 2012-13 also increases temporary and overtime, especially for the Plan Review and Building Inspection divisions, to allow for adequate staffing as it works to fill vacancies in positions added in FY 2011-12.
- The Department continues major projects to update the integration of technology in work functions with the ongoing effort to scan and digitize historical building records and newly submitted plans.
- The Department is restarting its vehicle replacement program on a 10-year cycle.
- The Department faces increasing work order expenses in FY 2012-13 related to legal costs, fuel, and vehicle maintenance fees.
- In order to keep inspectors current on changing codes, the Department is budgeting for a more robust program of training and development.

### FY 2013-14

The Department's proposed FY 2013-14 budget has increased by \$1,982,900 largely due to the continued recovery in the building industry, which leads DBI to project continued growth in their permit workload of 4.0%. The increase in the FY 2013-14 budget is due to the annualization of FTEs that were added in FY 2012-13, increased benefit costs and salary increases for permanent employees per the negotiated agreements with the Unions. The Department also has decreased

### DEPARTMENT: DBI – DEPARTMENT OF BUILDING INSPECTION

temporary salaries from their FY 2012-13 levels, reflecting gradual resolution of the hiring backlog and filling of vacancies.

### **SUMMARY OF DEPARTMENT POSITION CHANGES:**

### FY 2012-13

The number of full-time equivalent operating positions (FTE) budgeted for FY 2012-13 are 264.09 FTEs, which are 21.33 FTEs more than the 242.76 FTEs in the original FY 2011-12 budget. This represents an 8.8% increase in FTEs from the original FY 2011-12 budget.

DBI will add 27 total positions (including project-based) in FY 2012-13 to accommodate the increase in workload from a construction industry that continues to recover, including:

- Four building inspectors, two plumbing inspectors and two electrical inspectors to alleviate field inspection workload from new projects and assist in code enforcement.
- Six clerks and one supervisor to continue records conversion and digitization which will result in less turnaround time for records requests.
- Six engineers and one clerk for plan review, and one engineer and one building inspector to assist with technical code related over-the-counter and phone inquires which allow customers to understand the requirements for permit approval
- One new personnel position to assist with hiring and two positions for technical information technology network management.

These positions amount to a net addition of 21.33 operating FTE after accounting for other adjustments for project-based positions. The Department is not deleting any positions in FY 2012-13.

### FY 2013-14

The number of full-time equivalent operating positions (FTE) budgeted for FY 2013-14 are 271.67 FTEs, which are 7.58 FTEs more than the 264.09 FTEs in the original FY 2012-13 budget. This represents a 2.87% increase in FTEs from the original FY 2012-13 budget.

DBI's budget for FY 2013-14 annualizes all 27 positions added in FY2012-13 and adds 6 new positions, including:

• One new building inspector, one new electrical inspector and one new plumbing inspector for field inspections, and one new inspector for building code enforcement.

Two new engineers for technical code related over-the-counter and phone inquires which allow customers to understand the requirements for permit approval. These positions amount to a net addition of 7.58 FTE after accounting for other adjustments for project-based positions.

### **DEPARTMENT REVENUES:**

### FY 2012-13

The Department's revenues of \$50,207,106 in FY 2012-13 are \$2,304,499 or 4.8% more than FY 2011-12 revenues of \$47,902,607. The Department receives no general fund support.

Specific changes in the Department's FY 2012-13 revenues include:

- An increase in revenue from fees related to the recovery of construction activity in the city. In current FY 2011-12, revenue from Charges for Services is well-above budget; the Department forecasts an increase to the account that funds work in future years that was paid for in FY 2011-12 and an increase to fund balance; and
- Increases in revenue from apartment license fees, 1 and 2 family apartment rental unit fees hotel license fees and hotel conversion fees.

### FY 2013-14

The Department's revenues of \$52,190,006 in FY 2013-14 are \$1,982,900 or 3.9% more than FY 2012-13 revenues of \$50,207,106. The Department receives no general fund support.

<u>The Department</u>'s revenues for FY 2013-14 reflect the trends in FY2012-13. This includes strong increases in revenue from fees for plan checking, building permits, and plumbing permits. However, the Department notes that their revenue projection methodology takes a reasonable approach, including the current rapid increase in building activity but recognizing that some of these increases are part of a backlog built up during the recession.

- Continued implementation of the integrated Permit & Project Tracking System (jointly with the Department of Building Inspection), which will standardize permit processing;
- Planning and environmental review for the new Warriors basketball team stadium to be located at Piers 30 & 32; and

### FY 2012-13

The Department's proposed FY 2012-13 budget has increased by \$1,180,117 largely due to:

• The Department's investment in COIT-approved technology projects which will be funded from County Record Modernization special fund balances accumulated from prior years. These projects include (a) the development of a paperless process for bulk recording and all recorded documents at the Department window, (b) implementation of new imaging technology and redaction of Social Security numbers on historical documents, and (c) the development of an upgraded system software and hardware for the Clerk-Recorder Imaging Information System with a bridge to the Department reporting system currently in place.

### FY 2013-14

The Department's proposed FY 2013-14 budget has decreased by \$837,343 largely due to:

• The completion of the Department's one-year investment in technology projects described above.

### **SUMMARY OF DEPARTMENT POSITION CHANGES:**

There are no proposed changes to the Department's positions and therefore there is no change in the FTE count in FY 2013-14 from FY 2012-13.

**DEPARTMENT:** ASR – ASSESSOR-RECORDER

### **INTERIM EXCEPTIONS**

The Department has requested approval of 5 positions as interim exceptions. The Budget and Legislative Analyst recommends approval of 4 positions as interim exceptions and disapproval of 1 position.

- 4 positions are existing limited-tenure positions within the Department which were set to expire in FY 2012-13. The Department has proposed these 4 existing positions, which are currently filled, as new permanent positions in FY 2012-13. Therefore, the interim requests for these 4 positions should be approved.
- One position is also a currently existing limited-tenure position within the Department which was set to expire in FY 2012-13. However, due to the fact that the position is currently vacant and no potential candidate has been interviewed or selected to date, the interim exception request for this position should not be allowed and the FTE for the vacant position should be reduced to allow for an August 1, 2012 hiring date instead of a July 1, 2012 hiring date.

### FY 2012-13

The Department's proposed FY 2012-13 budget has increased by \$1.1 million, largely due to increases in salary and fringe benefit costs.

### FY 2013-14

The Department's proposed FY 2013-14 budget has decreased by \$2.7 million largely due to the reduction of \$1.45 million in the work order between the Treasurer/Tax Collector's Office and the Superior Court. Under the work order reduction, the Superior Court will no longer pay the Treasurer/Tax Collector's Office a commission for delinquent traffic fine revenues collected by the Treasurer/Tax Collector's Office for the Superior Court, but rather, the Superior Court will reimburse the Treasurer/Tax Collector for actual collection costs, resulting in a reduction in reimbursements. Also, the Superior Court has reduced the number of delinquent traffic fines referred to the Treasurer/Tax Collector's Office for collection.

The proposed FY 2013-14 budget also reduces General Fund support by \$1.55 million. Overall, the Treasurer/Tax Collector's Office has reduced staff through position deletions and increases in attrition savings as new technology is implemented and routine processes are streamlined.

### FY 2012-13

The number of full-time equivalent positions (FTE) budgeted for FY 2012-13 are 203.82 FTEs, which are 4.22 FTEs less than the 208.04 FTEs in the original FY 2011-12 budget. This represents a 2.0% decrease in FTEs from the original FY 2011-12 budget.

The Treasurer/Tax Collector's Office is proposing (1) one new Junior Management Assistant Position, funded jointly by grant funds and work order recoveries, and (2) one new Accountant III and one new Principal Administrative Analyst in the Investment division. The Treasurer/Tax Collector's Office is also deleting one position in the Legal Assistance division and three positions in the Business Tax division in FY 2012-13, offset by other adjustments.

**DEPARTMENT:** TTX – TREASURER/TAX COLLECTOR

### FY 2013-14

The number of full-time equivalent positions (FTE) budgeted for FY 2013-14 are 182.31 FTEs, which are 21.51 FTEs less than the 203.82 FTEs in the original FY 2012-13 budget. This represents a 10.6% decrease in FTEs from the original FY 2012-13 budget.

The Treasurer/Tax Collector's Office is deleting positions in the Delinquent Revenue division, largely due to reductions in the work order between the Treasurer/Tax Collector's Office and the Superior Court, and increasing attrition savings, offset by other adjustments.

### **INTERIM EXCEPTIONS**

The Department has requested approval of 2.0 positions as an interim exception, including one Accountant III position in the Investment division and one Junior Management Assistant position which provides services to the financial literacy program and the Kindergarten to College Program and is jointly funded by the Department of Children, Youth and their Families (DCYF) and grant funds. The Budget and Legislative Analyst recommends approval of the Junior Management Assistant position as an interim exception and disapproval of the Accountant III position as an interim exception.

### **DEPARTMENT REVENUES:**

### FY 2012-13

The Department's revenues of \$15,215,791 in FY 2012-13, are \$437,674 or 3.0% more than FY 2011-12 revenues of \$\$14,778,117. General Fund support of \$14,465,887 in FY 2012-13 is \$697,580 or 5.1% more than FY 2011-12 General Fund support of \$13,768,307.

Changes in the Department's FY 2012-13 revenues include increased reimbursements from City departments and other agencies for handling, depositing, and investing funds for the City; and increases in revenues as a result of the Treasurer/Tax Collector's Office efforts to enforce payment of Business Tax and Unsecure Personal Property Tax accounts; offset by the reduction in the work order with the Superior Court.

### FY 2013-14

The Department's revenues of \$14,104,646 in FY 2013-14, are \$1,111,145 or 7.3% less than FY 2012-13 revenues of \$15,215,791. General Fund support of \$12,917,631 in FY 2013-14 is \$1,548,256 or 10.7% less than FY 2012-13 General Fund support of \$14,465,887.

The Treasurer/Tax Collector's Office FY 2013-14 revenue reductions are due to the ongoing reduction in the Treasurer/Tax Collector's Office work order with the Superior Court.

### **OTHER ISSUES**

The Treasurer/Tax Collector's Office has implemented new technology to streamline tax filing and collection and other procedures. This new technology includes:

- 1. The Treasury Workstation to manage approximately 400 bank accounts and automate bank account management;
- 2. Online tax statements and payments for hotel, payroll and business registration taxes;

### **DEPARTMENT:** TTX – TREASURER/TAX COLLECTOR

- 3. The new cash management system, allowing automated posting of payment receipts to the City's general ledger system (FAMIS) and more accurate reporting of payment receipts; and
- 4. Standardized Citywide permit renewal invoices that consolidates Fire, Police, Entertainment, and Health permit renewals into one invoice, which was implemented in February 2012.

### **Budget Savings Incentive Reserve**

The Mayor has allocated \$1,000,000 in Budget Savings Incentive Reserve funds in FY 2012-13 to pay for the Business Tax System Replacement Project. This project will implement a new off-the-shelf system to facilitate taxpayers use of the Business Tax System and improve collection of delinquent Business Tax accounts. Phase one of the Business Tax System Replacement Project has a budget of \$2,400,000, with expected implementation in FY 2011-12 through FY 2013-14. The Treasurer-Tax Collector's Office has encumbered \$1,400,000 in FY 2011-12 for a contract with XTECH for system consulting and software licenses for the Business Tax System. The additional \$1,000,000 in Budget Savings Incentive Reserve funds will complete funding for phase one of the Business Tax System Replacement Project.

### **COMMENTS:**

### FILE 11-0274 ACCESS LINE TAX

The San Francisco voters approved Proposition O in November 2008, establishing the Access Line Tax for telephone communication services. Currently, the monthly tax rate is set at \$2.86 per access line, \$21.48 per trunk line, and \$386.63 per high capacity line. Business and Tax Code Section 782 allows the Controller to adjust the rate annually by the Consumer Price Index (CPI), which according to the Controller is 2.93% as of December 31, 2011. Based on the CPI adjustment, the Controller recommends increasing the FY 2012-13 Access Line Tax to \$2.94 per access line, \$22.11 per trunk line, and \$397.96 per high capacity line.

As shown in the table below, the Controller estimates that the proposed increase in the Access Line Tax will result in increased revenues to the City of \$1,300,000 in FY 2012-13 and FY 2013-14.

- General Fund support is proposed to increase by \$3,306,872 or 51% more than FY 2012-13 General Fund support of \$6,536,584 because the City Attorney's Office is projecting

**DEPARTMENT:** CAT – CITY ATTORNEY

that General Fund departments such as Police, Fire, Public Works, and the Board of Supervisors require significantly more City Attorney services in FY 2013-14.

### **OTHER ISSUES**

- The existing FY 2011-12 Affirmative Litigation Program provides 12 FTE staff and \$2,735,000 for the City Attorney to investigate and file public interest cases. Recent Affirmative Litigation cases include unfair business practices against Tower Car Wash, National Arbitration Forum and Money Mart.
- The City Attorney's Office is proposing to pilot a new Consumer Protection Unit, which would work closely with the existing Affirmative Litigation Program and collaborate with various City departments, including the Police Department, to investigate and prosecute allegations of unfair business practices. The proposed FY 2012-13 Budget includes the addition of 1 new Attorney and 1 new Legislative Assistant for this new Program. As a result of the City Attorney's growing dependence on General Fund support, the Budget and Legislative Analyst recommends reducing these new positions.

### **COMMENTS:**

### FY 2012-13

The Budget and Legislative Analyst's recommended reductions to the proposed budget total \$369,019 in FY 2012-13. Of the \$369,019 in recommended reductions all are ongoing savings. These reductions would still allow an increase of \$2,483,435 or 3.8% in the Department's FY 2012-13 budget.

### FY 2013-14

The Budget and Legislative Analyst's recommended reductions to the proposed budget total \$383,506 in FY 2013-14. All of the \$383,506 are ongoing savings. These reductions would still allow an increase of \$2,700,783 or 4.0% in the Department's FY 2013-14 budget.

- The Earthquake Safety Implementation Program (ESIP), a 30-year program which resulted from the Community Action Plan for Seismic Safety (CAPSS), began in FY 2011-12 to implement CAPSS recommendations to minimize the impacts of earthquakes through information and education, and through voluntary and mandatory strengthening of San

Francisco's most vulnerable building stock. The Department is proposing one new manager position for this program in FY 2012-13 and three additional positions in FY 2013-14 for this program.

- The Treasure Island Development Authority (TIDA) will be executing the Economic Development Conveyance Memorandum of Understanding with the U.S. Navy for the initial transfer of properties from the Navy to TIDA as well as completing the expansion of the Treasure Island Marina and work on the Treasure Island/Yerba Buena Island Development Project.
- As a part of the City's consolidation and streamlining of contract monitoring across City departments, the Equal Benefits, Surety Bonds, and Local Business Enterprise Divisions of the Human Rights Commission (HRC) will transition to the City Administration Office, increasing the administrative staff and demands of the Administrator's Office.

This program will transition to a permanent program within City Administration in FY 2012-13.

### FY 2013-14

The Department's proposed FY 2013-14 budget has decreased by \$9,146,052 largely due to reductions in the Community Redevelopment Program.

The Department proposes to update the City fleet will be updated in FY 2013-14, replacing 117 older vehicles to comply with the Healthy Air and Clean Transportation Ordinance (HACTO).

In FY 2011-12, its final budget as an independent agency, the Redevelopment Agency had 112.0 FTEs budgeted.

The City Administrator has requested approval of 35.0 positions as an interim exception. The Budget and Legislative Analyst recommends approval of all 35.0 positions as an interim exception.

### FY 2012-13

The difference of \$145,436,156 between the total budget of the former Redevelopment Agency and the proposed FY 2012-13 budget of the newly created division within the City Administrator's Office is largely due to:

- California State Assembly Bill No. X1 26 (AB 26), which resulted in the dissolution of all redevelopment agencies in the State of California on February 1, 2012. On that date the City became the Successor Agency of the San Francisco Redevelopment Agency (SFRA), acquiring its housing and non-housing assets, funds, and enforceable obligations. All housing assets and obligations were transferred to the Mayor's Office of Housing. All other SFRA assets and obligations were transferred under the jurisdiction of the Director of the Department of Administrative Services, with the exception of property that falls under the jurisdiction of the Port of San Francisco.
- Functions formerly performed by the Agency, but were determined to not be legal obligations under AB 26 can no longer be conducted using redevelopment funds. This creates gaps, as the SFRA did considerable work in neighborhoods including Bayview and Central Market/6<sup>th</sup> Street, as well as workforce-related work as part of its Jobs Readiness Initiative. In the Mayor's proposed budget, many of these responsibilities are shifted to the City, using General Fund monies to deliver a work program led by the Office of Workforce Development.

### **DEPARTMENT:** ADM-COMMUNITY REDEVELOPMENT DIVISION

### FY 2013-14

The division's proposed FY 2013-14 budget has decreased by \$12,765,052 largely due to:

- Following the dissolution of the SFRA, the City, as the successor agency, will continue to repay enforceable obligations and carry out associated activities. The budget for redevelopment activities will continue to decline until all enforceable obligations are repaid.
- There were approximately \$9 million in one-time transactions during FY 2012-13, including the \$7 million transfer of Hunters Point Shipyard parcels owned by the State Parks Department.

### **SUMMARY OF DEPARTMENT POSITION CHANGES:**

### FY 2012-13

The number of full-time equivalent positions (FTE) budgeted for FY 2012-13 are 35.0 FTEs. The SFRA had 112.0 FTE positions in its final budget for FY 2011-12. The Agency was officially dissolved on February 1, 2012, but because of existing labor agreements, the entire staff was retained until March 31, 2012. At that time, there were 101 SFRA employees (99.6 FTE). Upon dissolution of SFRA, these former Agency employees were placed on City and County of San Francisco temporary requisitions. Through this time period, the Mayor's Office, City Administrator's Office, and the Department of Human Resources worked with the management at the former Redevelopment Agency to determine the level of staffing that could be supported by the City. These decisions regarding staff were based on the assessment of enforceable obligations, the associated budget for those activities, and the staffing needed to perform these functions. The Department of Human Resources worked with Local 21 and 1021 to come to an agreement on staffing, and on April 1, 2012, layoffs went into effect for the employees that could not be retained.

The City retained 54.0 FTE, and all these positions remained within Administrative Services for the remainder of FY 2011-12. The proposed FY 2012-13 budget includes 35.0 FTE that will remain under the Department of Administrative Services. Additionally, 10.0 FTEs are included in the Mayor's Office of Housing budget and 9.0 FTEs are included in the Port's budget. There are several additional positions requested in the City Attorney's Office, GSA, and the Treasurer's Office due to increased workload in absorbing certain RDA functions.

### FY 2013-14

There are no position changes currently budgeted for FY 2013-14.

**DEPARTMENT:** ADM-COMMUNITY REDEVELOPMENT DIVISION

### **INTERIM EXCEPTIONS**

The Department has requested approval of all 35.0 positions as an interim exception. The Budget and Legislative Analyst recommends approval of all 35.0 positions as an interim exception.

• Approval of all 35.0 FTE positions are recommended to continue activities associated with enforceable obligations. There is no direct general fund support for these positions.

### **DEPARTMENT REVENUES:**

### FY 2012-13

The division's projected revenues of \$140,160,844 in FY 2012-13, are 27% less than FY 2011-12 budgeted revenues of \$191,874,000 for the Redevelopment Agency. The changes in the specific revenue lines are reflected in the below table.

Revenue Source	2011-12 RDA Budget	2012-13 CRD Budget

### FY 2012-13

The Department's proposed FY 2012-13 budget has increased by is \$1,731,443 largely due to:

- Increased salary and mandatory fringe benefit expenditures, including new positions in FY 2012-13, annualization of positions that were new in FY 2011-12, and mandatory salary increases.
- A one-time increase in Committee on Information Technology (COIT) projects, including data center consolidation and ongoing work converting City workers' email system from Lotus Notes to Microsoft Outlook.
- Enhancements to the City's Disaster Recovery and Mobile Services projects and equipment upgrades for SFGovTV and other TIS efforts.
- These increases are partially offset by reductions in telephone costs due to reduced usage.

### FY 2013-14

The Department's proposed FY 2013-14 budget has decreased by \$2,844,073 largely due to:

- Reduced funding for data center consolidation and email conversion.
- These reductions are offset, somewhat, by increased salary expenditures for the annualization of positions that were new in FY 2012-13, and increases in salaries and mandatory fringe benefits.

### **SUMMARY OF DEPARTMENT POSITION CHANGES:**

### FY 2012-13

The number of full-time equivalent positions (FTE) budgeted for FY 2012-13 are 199.42 FTEs, which are 3.19 FTEs more than the 196.23 FTEs in the original FY 2011-12 budget. This represents a 1.6% increase in FTEs from the original FY 2011-12 budget.

The proposed budget includes new positions working on the Disaster Recovery Project and SFGovTV, adjusting select positions from part-time to full-time, and positions reassigned from the Controller's Office.

This increase reflects the annualization of positions that were new in FY 2012-13, and the reassignment of positions from an off-budget position in FY 2012-13 to on-budget in FY 2013-14.

Specific changes in the Department's FY 2012-13 revenues include:

- Increases in expenditure recovery from other City departments.
- Reduced use of fund balance.
- Increased revenue from licenses and fines.

### FY 2013-14

The Department's revenues of \$71,422,863 in FY 2013-14, are \$2,884,437 or 3.9% less than FY 2012-13 revenues of \$74,307,300. General Fund support of \$1,647,955 in FY 2012-13 is \$40,364 or 2.5% more than FY 2012-13 General Fund support of \$1,607,591.

These changes reflect continued reductions in the Department's use of fund balance, as well as a reduction in anticipated expenditure recoveries from other City departments. .

- (2) Discrimination Complaints and Mediation Division (Discrimination Division)
- (3) Chapter 12B Equal Benefits Division (12B Equal Benefits Division)
- (4) Chapter 14B Local Business Enterprise Division (14B LBE Division) and

### RECOMMENDATIONS

**YEAR ONE: FY 2012-13** 

The Budget and Legislative Analyst's recommended reductions to the proposed budget total \$1,189,917 in FY 2012-13. Of the \$1,189,917 in recommended reductions, \$1,101,412 are ongoing savings and \$88,505 are one-time savings. These reductions would still allow an increase of \$16,388,197 or 12.7% in the Department's FY 2012-13 budget.

These recommendations will result in \$774,100 savings to the City's General Fund in FY 2012-13.

### **YEAR TWO: FY 2013-14**

The Budget and Legislative Analyst's recommended reductions to the proposed budget total \$1,117,238 in FY 2013-14. All the recommended reductions are ongoing savings. These reductions would still allow a decrease of \$6,582,410 or 4.5% in the Department's FY 2013-14 budget.

### FY 2012-13

The Department's proposed FY 2012-13 budget has increased by \$17,578,114 largely due to:

- Capital projects, including bond-funded improvements to fire stations and systems, street-scape improvements, street resurfacing, and curb ramps. The passage of the street resurfacing bond in November 2011 will allow DPW to increase street repairs for 3 years while the City pursues a permanent source of funding for street repairs.
- Rising personnel costs, including increased salary costs in administration and temporary and overtime pay for workers in the Bureau of Street and Sewer Repair.
- Investment in workforce programs for street cleaning and urban forestry, including the Jobs Now and Community Corridors Apprenticeship programs, which partner with local agencies to provide employment for low-income San Francisco residents.

### FY 2013-14

The Department's proposed FY 2013-14 budget has decreased by \$5,465,172 largely due to:

- Decreased spending on major capital projects. This decrease in funding for new projects is accompanied by increased spending on debt service costs associated with recent capital projects.
- Decreased funding for the Community Corridors Apprenticeship program.

### RECOMMENDATIONS

**YEAR ONE: FY 2012-13** 

The Budget and Legislative Analyst's recommended reductions to the proposed budget total \$35,339 in FY 2012-13. All of the \$35,339 in recommended reductions are ongoing savings. These reductions would still allow an increase of \$555,299 or 5.1% in the Department's FY 2012-13 budget.

In addition, the Budget and Legislative Analyst recommends closing out prior year unexpended General Fund encumbrances, which would allow the return of \$23,500 to the General Fund.

Together, these recommendations will result in \$58,839 savings to the City's General Fund in FY 2012-13.

### **YEAR TWO: FY 2013-14**

The Budget and Legislative Analyst's recommended reductions to the proposed budget total \$36,239 in FY 2013-14. All of the \$36,239 in recommended reductions are ongoing savings.

### FY 2012-13

The Department's proposed FY 2012-13 budget has increased by \$590,638 largely due to:

- Increases in salaries and associated increases in mandatory fringe benefits due to negotiated labor, retirement and health benefit costs.
- A one-time \$350,000 professional services agreement for the Assessment Appeals Board to replace the Assessment Appeals Board tracking system, which has been approved by COIT and proposed under the Budget Savings Incentive Fund, to provide online assessment appeals filings, payments, and data sharing with the Assessor/Recorder, Treasurer/Tax Collector and Controller's Offices.
- No funds are budgeted for the Local Agency Formation Committee (LAFCO) because approximately \$500,000 of carryforward funds from FY 2011-12 will be used to fully fund LAFCO in FY 2012-13.

### FY 2013-14

The Department's proposed FY 2013-14 budget has decreased by \$12,877 largely due to:

- Elimination of a one-time \$350,000 professional services agreement for the Assessment Appeals Board tracking system in FY 2012-13.
- Increases in salaries and associated increases in mandatory fringe benefits due to negotiated labor, retirement, and health benefit costs.
- No funds are budgeted for the Local Agency Formation Committee (LAFCO) because approximately \$375,000 of carryforward funds from FY 2012-13 are projected to be available to fully fund LAFCO in FY 2013-14.

### **SUMMARY OF DEPARTMENT POSITION CHANGES:**

### FY 2012-13

The number of full-time equivalent positions (FTE) budgeted for FY 2012-13 is 63.23 FTEs, which is 0.53 FTEs more than the 62.70 FTEs in the original FY 2011-12 budget. This represents a 0.8% increase in FTEs from the original FY 2011-12 budget.

- The increase in FTEs is due to a slight reduction in attrition savings.
- One vacant 0922 Manager I position would be downgraded to one 1823 Senior Administrative Analyst position.

### FY 2013-14

The number of full-time equivalent positions (FTE) budgeted for FY 2013-14 is 63.23 FTEs, which is the same number of FTEs proposed in the FY 2012-13 budget.

### **DEPARTMENT REVENUES:**

### FY 2012-13

The Department's revenues of \$632,867 in FY 2012-13 are \$75,000 or 13.4% more than FY 2011-12 revenues of \$557,867. General Fund support of \$10,751,515 in FY 2012-13 is \$515,638 or 5.0% more than FY 2011-12 General Fund support of \$10,235,877.

• The increase in revenues is primarily due to an additional \$70,000 of Assessment Appeals Board fees from increasing number of assessment appeals that have been filed.

### FY 2013-14

The Department's revenues of \$602,867 in FY 2013-14, are \$30,000 or 4.8% less than FY 2012-13 revenues of \$632,867. General Fund support of \$10,768,638 in FY 2013-14 is \$17,123 or .16% more than FY 2012-13 General Fund support of \$10,751,515.

• Reduction in revenues is from a \$30,000 decrease in Assessment Appeals Board fees as the number of assessment appeals filed is projected to decrease slightly in FY 2013-14.

### **OTHER ISSUES**

- Legistar, the online tool to access all Board of Supervisors legislation, agendas, and activities since 1999, will be fully operational by the summer of 2012.
- As shown in the Summary of Expenditures Table above, the Board of Supervisors FY 2012-13 budget for Board Legislative Analysis includes \$2,000,000, a reduction of \$50,000 from FY 2011-12, to continue to provide Budget and Legislative Analyst

### RECOMMENDATIONS

**YEAR ONE: FY 2012-13** 

The Budget and Legislative Analyst's recommended reductions to the proposed budget total \$34,997 in FY 2012-13. All of the \$34,997 in recommended reductions are ongoing savings. These reductions would still allow an increase of \$15,358,477 or 104.2% in the Department's FY 2012-13 budget.

Together, these recommendations will result in \$47,482 savings to the City's General Fund in FY 2012-13.

### **YEAR TWO: FY 2013-14**

The Budget and Legislative Analyst's recommended reductions to the proposed budget total \$35,765 in FY 2013-14. All of the \$35,765 in recommended reductions are ongoing savings. These reductions would still allow an increase of \$3,439,505 or 11.4% in the Department's FY 2013-14 budget.

### FY 2012-13

The Department's proposed FY 2012-13 budget has increased by \$15,393,474 largely due to:

- Over \$12.5 million increase in Affordable Housing expenditures, including approximately (a) \$1.4 million for the addition of ten transferred Redevelopment Agency positions, (b) \$5.6 million of increased expenditures for affordable housing deferred loans, including \$1 million for predevelopment costs for Central Freeway housing project, (c) \$5.1 million in project and non-personnel expenditures for Redevelopment Agency housing projects and asset management services, and (d) over \$500,000 for additional workorders to the City Attorney, Administrative Services and Real Estate for increased workload related to transitioned Redevelopment Agency affordable housing activities.
- Increase of \$1,460,469 in Homeless Services to pay for additional local operating subsidies to local community-based organizations, as approximately 272 new housing units are completed, for formerly homeless individuals and families.
- Increase of \$751,711 in Community Investment includes funding for (a) Mission District Theater capital improvement project, (b) new pilot Right to Civil Counsel Program, based on ordinance recently approved by the Board of Supervisors, (c) additional HOPE SF services for costs previously covered by the Redevelopment Agency, and (d) a new HOPE SF Initiative Director position.
- Increase of \$324,746 for City Administration, \$143,345 for Neighborhood Services and \$131,379 for Public Policy & Finance for mandated salaries and fringe benefits and reduction in attrition savings.
- The FY 2011-12 budget included \$300,000 of General Fund revenues under General City Responsibility to cover potential new costs for the transition of a new Mayor, effective January of 2012, which was used to pay for salary and fringe benefits for (a) one 0905 Mayoral Staff XVII, as a Senior Policy Advisor to the Mayor, (b) one 0882 Mayoral Staff II, as a Scheduling Assistant, and (c) one 0884 Mayoral Staff IV, as an Assistant to the

### **DEPARTMENT:** MYR – MAYOR

Mayor's Chief of Staff. The \$300,000 covered costs from approximately January through June of 2012, or six months in FY 2011-12, such that the proposed FY 2012-13 budget includes \$600,000 of annualized General Fund expenses to fully fund these positions, and reduce attrition savings in the Mayor's Office.

### FY 2013-14

The Department's proposed FY 2013-14 budget has increased by \$3,475,270 largely due to:

• Increase of approximately \$3.5 million for Homeless Services to pay for additional local operating subsidies to local community-based organizations, as 357 new housing units are completed, for formerly homeless individuals and families, for a total of 1,417 units of City supportive housing.

### **SUMMARY OF DEPARTMENT POSITION CHANGES:**

• Increase of 1.30 FTEs in Administration due to a reduction in attrition savings.

### **INTERIM EXCEPTIONS**

The Department has requested approval of the 10.0 FTE positions noted above as interim exceptions to the FY 2012-13 budget due to the increased work associated with the transition of the former Redevelopment Agency's housing activities to the Mayor's Office of Housing. The Budget and Legislative Analyst recommends approval of all of these positions as interim exceptions.

### FY 2012-13

The Department's proposed FY 2012-13 budget has decreased by \$4,152,715 largely due to:

- Provision of additional public financing disbursements for Mayoral candidates in the November, 2011 election totaling approximately \$2,420,000 in FY 2011-12. Reduction of \$4,192,024 because in FY 2011-12 the Election Campaign Fund received \$6,091,332 from (a) required one-time repayment of \$4,209,095 from the General Fund due to prior year underfunding of the Election Campaign Fund, in addition to (b) \$1,882,237 annual FY 2011-12 deposit based on \$2.75 contribution per San Francisco resident.
- In FY 2012-13, the Elections Campaign Fund is projected to receive \$1,899,308 based on \$2.75 contribution per San Francisco resident. In FY 2012-13, the Election Campaign Fund is estimated to provide disbursements of approximately \$1,343,380 for qualified candidates for the Board of Supervisors in the November, 2012 election.
- Increases for mandated salary and benefit increases and to televise Ethics Commission meetings, through workorder with SFGTV.

### FY 2013-14

The Department's proposed FY 2013-14 budget has increased by \$110,557 largely due to:

• Mandated increases for salaries and related fringe benefits.

### **SUMMARY OF DEPARTMENT POSITION CHANGES:**

### FY 2012-13

The number of full-time equivalent positions (FTE) budgeted for FY 2012-13 are 17.20 FTEs, which are 0.12 FTEs less than the 17.32 FTEs in the original FY 2011-12 budget. This represents a 0.7% decrease in FTEs from the original FY 2011-12 budget.

• In FY 2012-13, three 1654 Accountant III positions (\$91,962 annual salary) and one 1823 Senior Administrative Analyst position (\$95,654 annual salary) will be down to four 1822 Administrative Analyst positions (\$81,824 annual salary), for an annual savings of approximately \$59,000 in salary and fringe benefit costs in FY 2012-13.

**DEPARTMENT:** ETH – ETHICS COMMISSION

### FY 2013-14

The number of full-time equivalent positions (FTE) budgeted for FY 2013-14 are 17.20 FTEs, which is the same number of FTEs in the proposed FY 2012-13 budget.

### **DEPARTMENT REVENUES:**

### FY 2012-13

The Department's revenues of \$4,100,000 in FY 2012-13, are \$4,000,000 or 4,000% more than the FY 2011-12 revenues of \$100,000. General Fund support of \$96,629 in FY 2012-13 is \$8,152,715 or 98.8% less than the FY 2011-12 General Fund support of \$8,249,344.

- In accordance with City Election Campaign and Governmental Conduct Code Section 1.138(b), the City must appropriate \$2.75 per resident each fiscal year for the City's Election Campaign Fund, with these funds dedicated 85% for public financing of Mayoral and Board of Supervisors candidates and 15% for the Ethics Commission to administer this program. They FY 2012-13 appropriation of revenues is calculated based on an updated 2010 Census population of 812,538 x \$2.75 x 85% = \$1,899,308
- As noted above, in FY 2011-12, in addition to the \$1,882,237 deposit based on \$2.75 contribution per San Francisco resident, a one-time \$4,209,095 was repaid by the General Fund to the Election Campaign Fund, for a total of \$6,091,332. The Election Campaign Fund is projected to have a remaining balance of approximately \$7,290,000 at the end of FY 2011-12.
- In FY 2012-13, \$4,000,000 of this Election Campaign Fund balance is proposed to be transferred to the City's General Fund, which is shown as a funding source for the Ethics Commission, such that a projected total of approximately \$4,240,000 would remain in the Election Campaign Fund in FY 2012-13.
- All other Ethics Commission revenues, including Lobbyist and Campaign Consultant Registration Fees, Campaign Disclosure and Other Fines are projected to stay at the same level for FY 2011-12 through FY 2013-14.

### FY 2013-14

The Department's revenues of \$100,000 in FY 2013-14, are \$4,000,000 or 97.6% less than FY 2012-13 revenues of \$4,100,000. General Fund support of \$4,207,186 in FY 2013-14 is \$4,110,557 or 4,254% more than the FY 2012-13 General Fund support of \$96,629.

Specific changes in the Department's FY 2013-14 revenues include:

• The transfer of \$4,000,000 from the Election Campaign Fund to the General Fund that is proposed in FY 2012-13 as a funding source for the Ethics Commission would not occur in FY 2013-14, such that the Ethics Commission will return to its former General Fund support.

**DEPARTMENT:** ETH – ETHICS COMMISSION

### **OTHER ISSUES**

- In May, 2012, the Board of Supervisors approved various amendments to the Campaign Finance Reform Ordinance, including (a) increasing the number and amount of contributions to qualify for matching City funding, (b) changing filing deadlines and timing for distribution of funds to candidates, (c) increasing the total amount that candidates may receive, and (d) reducing the total Election Campaign Fund limit from \$13.5 million to \$7.0 million.
- On June 19, 2012, the Ethics Commission will begin evidentiary hearings on the City's official misconduct charges pending against Sheriff Ross Mirkarimi. The FY 2012-13 budget does not include any additional funding to support these hearings, although the FY 2011-12 budget will have approximately \$19,000 of surplus non personnel funds. As of the writing of this report, the Ethics Commission staff cannot estimate when the Ethics Commission will conclude these hearings and make a recommendation to the Board of Supervisors.
- In addition, the Department plans to propose legislation to the Board of Supervisors within the next two fiscal years to require electronic campaign finance and consultant filings in order to eliminate the current inefficient paper filings, and the staff's time to scan these paper filings onto the Ethics Commission's website.

The Budget and Legislative Analyst's recommended reductions to the proposed budget total \$53,950 in FY 2012-13. All of the \$53,950 recommended reductions are ongoing savings.

### FY 2013-14

The Budget and Legislative Analyst's recommended reductions to the proposed budget total \$80,925 in FY 2013-14. All of the \$80,925 recommended reductions are ongoing savings. These reductions would still allow an increase of \$29,632 or 0.7% in the Department's FY 2013-14 budget.

### RECOMMENDATIONS

**YEAR ONE: FY 2012-13** 

The Budget and Legislative Analyst's recommended reductions to the proposed budget total \$169,034 in FY 2012-13. All \$169,034 are ongoing savings.

In addition, the Budget and Legislative Analyst recommends (a) closing out the FY 2011-12 Reapportionment Project funds of \$18,000, and (b) closing out \$12,675 of prior year unexpended General Fund encumbrances, which would allow the return of a total of \$30,675 to the General Fund.

Together, these recommendations will result in \$199,709 savings to the City's General Fund in FY 2012-13.

**YEAR TWO: FY 2013-14** 

The Budget and Legislative Analyst's recommended reductions to the proposed budget total \$174,794 in FY 2013-14. All of the \$174,794 are ongoing savings. These reductions would still allow an increase of \$3,545,127 or 28.2% in the Department's FY 2013-14 budget.

**DEPARTMENT: REG** – **ELECTIONS** 

### **SUMMARY OF PROGRAM EXPENDITURES:**

	FY 2011-2012	FY 2012- 2013	Increase/ Decrease from FY 2011-	FY 2013- 2014	Increase/ Decrease from FY 2012-

ELECTIONS	\$15,239,787	\$12,591,551	(\$2,648,236)	\$16,311,472	\$3,719,921

### FY 2012-13

The Department's proposed FY 2012-13 budget has decreased by \$2,648,236 largely due to:

- Two elections in FY 2011-12 (November 8, 2011 Municipal Election and June 5, 2012 Presidential Primary Election), in contrast to one election in FY 2012-13 (Presidential Election on November 6, 2012).
- Because the November 6, 2012 Presidential Election is anticipated to result in higher voter turnout and there are anticipated to be more candidates and propositions on the ballot, the FY 2012-13 budget includes a relatively higher level of permanent and temporary salaries, overtime, professional services, printing, postage and workorder expenses than an average Municipal Election or Primary Election would require.

### FY 2013-14

The Department's proposed FY 2013-14 budget will increase by \$3,719,921 largely due to:

• One election in FY 2012-13 (one Presidential Election on November 6, 2012) in contrast to two elections in FY 2013-14 (one Municipal Election on November 5, 2013 and one State Primary Election on June 3, 2014).

### **SUMMARY OF DEPARTMENT POSITION CHANGES:**

### FY 2012-13

The number of full-time equivalent positions (FTE) budgeted for FY 2012-13 is 44.05 FTEs, which is 10.58 FTEs less than the 54.63 FTEs in the original FY 2011-12 budget. This represents 19.4% decrease in FTEs from the original FY 2011-12 budget.

- Due to only one election, the proposed FY 2012-13 budget includes a reduction of 14.04 FTE temporary positions, from 36.60 FTE positions in FY 2011-12 to 22.56 FTE positions in FY 2012-13.
- The reduction in temporary positions is partially offset by an increase of 3.46 FTE permanent salary positions, due to a reduction of Attrition Savings, from permanently hiring (a) one AC35 Elections Commission Secretary, (b) one 1842 Management Assistant, (c) one 1220 Payroll Clerk, and (d) one 1408 Principal Clerk, that were previously funded with Temporary Salary funds or held vacant to achieve Salary Savings.

DEPARTMENT: REG-ELECTIONS

FY 2013-14

The number of full-time equivalent positions (FTE) budgeted for FY 2013-14 is 51.69 FTEs, which is 7.64 FTEs more than the 44.05 FTEs in the proposed FY 2012-13 budget. This represents a 17.4% increase in FTEs from the proposed FY 2012-13 budget.

• Due to two elections, the proposed FY 2013-14 budget includes an increase of 7.64 FTE Temporary positions.

### **DEPARTMENT REVENUES:**

### FY 2012-13

The Department's revenues of \$892,356 in FY 2012-13, are \$417,627 or 88% more than FY 2011-12 revenues of \$474,729. General Fund support of \$11,699,195 in FY 2012-13 is \$3,065,863 or 20.8% less than the FY 2011-12 General Fund support of \$14,765,058.

Specific changes in the Department's FY 2012-13 revenues include:

- Reduction of candidate filing fees as Department is unable to forecast number of candidates that will actually seek election, which is partially offset by a slight increase in paid ballot argument fees.
- Projected increased recovery of funds from the (a) San Francisco Community College
  District, (b) Bay Area Rapid Transit (BART), and (c) San Francisco Unified School
  District for their candidate elections on the November, 2012 ballot in FY 2012-13.
  Additional recovery of revenues from the Retirement System for election of Retirement
  Board candidates in FY 2012-13.
- General Fund support is reduced because of lower overall Department expenditures in FY 2012-13, due to only one Presidential election in FY 2012-13 on November 6, 2012, as compared to two elections in FY 2011-12.

### FY 2013-14

The Department's revenues of \$308,060 in FY 2013-14, are \$584,296 or 65.5% less than FY 2012-13 revenues of \$892,356. General Fund support of \$16,003,412 in FY 2013-14 is \$4,304,217 or 36.8% more than FY 2012-13 General Fund support of \$11,699,195.

Specific changes in the Department's FY 2013-14 revenues include:

- Reduction of revenue recoveries from the (a) San Francisco Community College District,
   (b) Bay Area Rapid Transit (BART) District, and (c) San Francisco Unified School District because no candidate elections are anticipated for these Districts in FY 2013-14, partially offset by revenue recoveries from Retirement System and Health Services Elections in FY 2013-14.
- General Fund support is increased due to higher overall Department expenditures in FY 2013-14, resulting from two elections in FY 2013-14, as compared to one election in FY 2012-13.

**DEPARTMENT: REG** – **ELECTIONS** 

### **OTHER ISSUES**

- In FY 2011-12, the Department included \$220,000 to fund a Reapportionment Project, which included 0.5 FTE support staff, redistricting consulting services, software and outreach expenses to redraw the 11 Supervisorial District lines to comply with Federal, State and local requirements. Of the total \$220,000 Reapportionment Project budget, the Department anticipates expending a total of \$202,000, leaving a remaining balance of \$18,000.
- In October, 2011, the Board of Supervisors approved an ordinance allowing voters to electronically receive the Voter Information Pamphlet (VIP) instead of receiving the VIP by mail. To date, 1,756 voters have opted to receive electronic VIPs, or 0.4% of total voter registration.
- The Department of Elections has an agreement with Dominion Voting for the City's current voting system, at a cost of \$497,400 per election plus \$386,300 for annual maintenance and license fees. The initial four-year agreement included two one-year options, which were exercised in December, 2011, such that the current Dominion Voting agreement expires on December 11, 2013. In FY 2013-14, the City must decide on whether to select a new voting system vendor, which may require significant additional funding. There are no additional funds included in the FY 2013-14 budget for a new voting system.

Together, these recommendations will result in \$199,709 savings to the City's General Fund in FY 2012-13.

### FY 2013-14
