CHAPTER 38: COMMERCIAL LANDLORDS; ACCESS
IMPROVEMENT OBLIGATIONS AND NOTICE TO SMALL
BUSINESS TENANTS REGARDING DISABILITY ACCESS

SEC. 38.1. FINDINGS.

Given the significant number of small businesses in the City and County of San Francisco, the
Board of Supervisors finds:

(1) The City has a strong public interest in ensuring that small businesses operating public
accommodations comply with applicable disability access laws, and in ensuring clear communications
between Commercial Landlords and their Small Business Tenants regarding their respective
responsibilities for disability access improvements.

(2) The City has a strong public interest in ensuring clear communication between Commercial
Landlords and Small Business Tenants regarding the extent to which the Commercial Landlord has or
has not implemented required disability access improvements prior to the start or renewal of a lease.

(3) The City has a strong public interest in protecting Small Business Tenants from unforeseen
expenses and liabilities arising out of required disability access improvements.

(4) This Chapter is intended to ensure that: (i) public restrooms and ground floor entrances to
and exits from real property leased to Small Business Tenants comply with applicable disability access
requirements and that Commercial Landlords disclose any noncompliance with such requirements
before a Small Business Tenant enters into or renews a lease for the property; (ii) Commercial
Landlords and Small Business Tenants receive priority permit processing for work consisting primarily
of disability access improvements; and (iii) every new and amended commercial lease between a
Commercial Landlord and a Small Business Tenant for premises that will be used as a public
accommodation clearly and expressly addresses the respective obligations of the parties regarding
disability access improvements. This Chapter is further intended to help encourage and facilitate
disability access improvements by Commercial Landlords and Small Business Tenants.

DISABILITY ACCESS OBLIGATIONS UNDER SAN FRANCISCO ADMINISTRATIVE CODE CHAPTER 38

Before you, as the Tenant, enter into a lease with us, the Landlord, for the following property [INSERT DESCRIPTION/ADDRESS](the “Property”), please be aware of the following important information about the lease:

You May Be Held Liable for Disability Access Violations on the Property. Even though you are not the owner of the Property, you, as the tenant, may still be subject to legal and financial liabilities if the Property does not comply with applicable Federal and State disability access laws. You may wish to consult with an attorney prior to entering this lease to make sure that you understand your obligations under Federal and State disability access laws.

The Lease Must Specify Who Is Responsible for Making Any Required Disability Access Improvements to the Property. Under City law, the lease must include a provision in which you, the Tenant, and the Landlord agree upon your respective obligations and liabilities for making and paying for required disability access improvements on the property. The lease must also require you and the
Landlord to use reasonable efforts to notify each other if they make alterations to the property that might impact accessibility under federal and state disability access laws. You may wish to review those provisions with your attorney prior to entering this lease to make sure that you understand your obligations under the lease.

By signing below I confirm that I have read and understood this Disability Access Obligations Notice.

Signed: _____________________, Tenant

(c) If the Commercial Landlord does not ensure that any existing public restrooms are accessible, and also that any ground floor entrances and exits are accessible as provided in subsection (a)(1) and instead proceeds under subsection (a)(2), the Commercial Landlord shall include the following statement in Disability Access Obligations Notice required under subsection (b):

“PLEASE NOTE: The public restrooms and/or ground floor entrances and exits of the Property currently do not meet the disability access standards of Title 28, Sections 36.304 and 36.305, of the Code of Federal Regulations.”

The Commercial Landlord shall also provide a specific explanation of how the restrooms and entrances are out of compliance as part of the Disability Access Obligations Notice.

(d) The Commercial Landlord must obtain the Small Business Tenant's signature on the Disability Access Obligations Notice under subsections (b) and (c) on or before execution or amendment of the Small Business Lease.

SEC. 38.4. PRIORITY PERMIT PROCESSING FOR DISABILITY ACCESS WORK.

The City shall give priority under Section 3.400 of the Campaign and Governmental Conduct Code to any permit application from a Commercial Landlord, or Small Business Tenant, or any small business that owns and operates a Public Accommodation facility of 7,500 square feet or less of space
in San Francisco, for work consisting primarily of disability access improvements at a Public
Accommodation Facility. The Zoning Administrator shall determine whether a permit application
qualifies for priority under this Section.

Nothing in this Section is intended to otherwise limit the scope of priority permit processing
required by law.

SEC. 38.5. LEASE PROVISIONS REGARDING OBLIGATIONS OF LANDLORDS AND
TENANTS FOR DISABILITY ACCESS IMPROVEMENTS.

Every Small Business Lease, and every amendment to such a lease, must include a provision
setting forth in express terms the obligations of the Commercial Landlord and the Small Business
Tenant for making required disability access improvements to the property and for paying for those
improvements. The Small Business Lease must also include a provision in which the Commercial
Landlord and Small Business Tenant agree to use reasonable efforts to notify each other if either makes
alterations to the property that might impact accessibility under Federal and State disability access
laws.

SEC. 38.6. OPERATIVE DATES.

(a) Except as provided in subjection 38.6(c), the provisions of this Chapter 38 shall apply to
Small Business Leases of property of 7,500 to 5,001 square feet of space, and to the parties to those
leases, entered into, or amended, on or after January 1, 2013.

(b) Except as provided in subjection 38.6(c), The provisions of this Chapter 38 shall apply to
Small Business Leases of property of 5,000 square feet of space or less, and to the parties to those
leases, entered into, or amended, on or after June 1, 2013.

(c) The provisions of Section 38.4 shall apply beginning November 1, 2012.
Section 3. The San Francisco Campaign and Governmental Conduct Code is hereby amended by amending Section 3.400 to read as follows:

SEC. 3.400. PERMIT APPLICATION PROCESSING.

(a) EQUAL TREATMENT OF PERMIT APPLICANTS. It shall be the policy of the Department of Building Inspection, the Planning Department, the Department of Public Works and the officers and employees of such departments to treat all permit applicants the same regardless of the relationship of the applicant and/or the applicant’s representatives to any officer or employee of the City and County and regardless of whether the applicant hires a permit consultant to provide permit consulting services. Intentional preferential treatment of any permit applicant and/or the applicant’s representatives by any officer or employee of the Department of Building Inspection, the Planning Department, or the Department of Public Works shall subject the officer or employee to disciplinary action for official misconduct.

(b) APPLICATION PRIORITY. It shall be the policy of the Department of Building Inspection, the Planning Department, the Department of Public Works and the officers and employees of such departments to review, consider, and process all applications, revisions, corrections and other permit-related material in the order in which that type of material is received unless there is a written finding of a public policy basis for not doing so, such as the involvement of public funds in the project for which the permit is sought, or the response to a delay caused by an earlier procedural error in processing the permit or another permit for the same project. Absent such a finding, any officer or employee of the Department of Building Inspection, the Planning Department, the or Department of Public Works who intentionally fails to review, consider and process all applications, revisions, corrections and other permit-related material in the order in which that type of material is received shall be subject to disciplinary action for official misconduct. The Department of Building Inspection, the Planning Department, and the Department of Public Works shall each adopt written guidelines
for determining when there is a public policy basis for processing permit material out of order. 

For purposes of this section, and any corresponding written guidelines, expediting of work consisting primarily of disability access improvements for real property shall qualify as a public policy basis for processing permit material out of order, on a priority basis.

(c) PERMIT PROCESSING CODE OF CONDUCT. No later than 60 days after the effective date of this Article, the Ethics Commission shall adopt a code of conduct for permit processing (the "Permit Processing Code of Conduct") containing ethical guidelines for permit applicants, permit consultants, and officers and employees of the Department of Building Inspection, the Planning Department, the and Department of Public Works. The Permit Processing Code of Conduct shall be posted in a conspicuous place in each department, and a copy shall be distributed to each officer of the City and County who makes or participates in making decisions related to permit applications.

(d) EFFECTIVE DATE. The provisions of this Section shall take effect December 15, 2004.

Section 4. General Provisions.

(a) Severability. If any section, subsection, sentence, clause, or phrase of this ordinance is for any reason held to be invalid or unconstitutional by a decision of any court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of the ordinance. The Board of Supervisors hereby declares that it would have passed this ordinance and each and every section, subsection, sentence, clause, or phrase not declared invalid or unconstitutional without regard to whether any portion of this ordinance would be subsequently declared invalid or unconstitutional.

(b) No Conflict with State or Federal Law. Nothing in this ordinance shall be interpreted or applied so as to create any requirement, power, or duty in conflict with any federal or state law.
(c) **Undertaking for the General Welfare.** In adopting and implementing this ordinance, the City and County of San Francisco is assuming an undertaking only to promote the general welfare. It is not assuming, nor is it imposing in its officers and employees, an obligation for breach of which it is liable in money damages to any person who claims that such breach proximately caused injury.

Section 5. Effective Date. This ordinance shall become effective 30 days from the date of passage.
