RE: Contract Work Authorization for Continued Work on the Energy Upgrade California Program

Dear Mr. Schwartz:

As requested, this letter confirms that Pacific Gas and Electric Company (PG&E) plans to direct \$156,000 to the San Francisco Department of the Environment (SFDOE) for the remaining portion of 2012 to be spent on the department's continuing outreach initiatives in support of PG&E's Whole Home program and Energy Upgrade CA.

In accordance with a decision by the California Public Utilities Commission (CPUC), PG&E plans to direct available ratepayer funds to continue through December, 2012, successful Energy Upgrade CA programs that were previously supported by American Recovery and Reinvestment Act (ARRA) funds. SFDOE has requested, and PG&E has agreed to fund, the amount of \$156,000, which will be conveyed through a Contract Work Authorization under the existing Master Service Agreement between PG&E and the SFDOE. Both PG&E and SFDOE anticipate successful negotiation and execution of the scope of work within the next several weeks. The term of the new scope of work is anticipated to be between August and December, 2012. Please contact me or Tonya Redfield (415-973-5408) if you have any questions.

Sincerely,

Lynne Galal
