NOTE: Additions are single-underline italics Times New Roman; deletions are strike-through italics Times New Roman. Board amendment additions are double-underlined; Board amendment deletions are strikethrough normal.

Be it ordained by the People of the City and County of San Francisco:

Section 1. Findings.

(a) The Planning Department has determined that the actions contemplated in this ordinance comply with the California Environmental Quality Act (California Public Resources Code Sections 21000 et seq.). Said determination is on file with the Clerk of the Board of Supervisors in File No. 120193 and is incorporated herein by reference.

(b) This legislation includes a provision concerning a fifty(50) foot minimum distance between a mobile food facility and an existing restaurant in the absence of consent from that restaurant. By establishing this minimum distance, the Board finds that this buffer is adequate to safeguard the interests of and avoid direct competition with operating restaurants.

Section 2. The San Francisco Public Works Code is hereby amended by Sections 184.83, 184.84, 184.85, 184.88, 184.89, and 184.96 and adding Section 184.86.1, to read as follows:

SEC. 184.83. MOBILE FOOD FACILITY APPLICATION AND FEE PROVISIONS.

(a) Every person desiring a Mobile Food Facility permit pursuant to this Article shall file an application with the Director upon a form provided by the Director and shall pay a filing fee
of $125.00, a notification fee of $200.00, and an inspection fee of $383.00 for a single
Location for the Mobile Food Facility. Each additional Location shall require payment to the
Department of a notification fee of $200.00 per Location, an inspection fee of $383.00 for the
first additional Location and an inspection fee of $191.50 per each additional Location.
Separate fees shall be paid to the Department of Health and the Fire Marshal for the annual
approvals required by each department for a valid permit under this Article. The fees for the
Department of Public Health are set forth in the Business and Taxation Code.

(b) Half of the required fees for a single Location and half of the fees for any additional
Location(s) shall be paid at the time of application submission and the remainder of the total
fee amount shall be paid at the time of the Director's decision on the permit. No refunds are
available if the Department disapproves a permit or a Permit Location.

(c) Every Permittee desiring to change the Location of the Mobile Food Facility, modify
the hours of operation to allow service after 8 p.m., or add a new Location(s) during the term
of the annual permit, shall file an application with the Director upon a form provided by the
Director and shall pay a filing fee of $85.00 for each Location change or addition of a new
Location(s), a notification fee of $200.00 per Location, and an inspection fee of $191.50 per
Location. Such requests shall be processed in the same manner as a new permit.

(d) Permit Renewal and Annual Renewal Fee.

(1) Every Mobile Food Facility permit is subject to an annual renewal filing fee of
$125.00 per permit. In addition, if during the course of the preceding year the Department
received one or more substantiated complaints against the permit Location(s) or filed one or
more notices of violation against the Permit, the Department shall assess an additional
processing fee of $159.50 per permit. The Department also shall charge inspection fees as
follows: $576.00 the first two (2) Locations where substantiated complaints were received or
notices of violation filed and $288.00 per each additional Location where substantiated
complaints were received or notices of violation filed. Said fees are payable to the Department. Separate annual fees shall be paid to the Department of Health and the Fire Marshal for the approvals required by each department for a valid renewal permit under this Article. The annual renewal fees for the Department of Public Health are set forth in the Business and Taxation Code.

(2) Any Mobile Food Facility permit that the Director renews is not final and effective operative unless and until the Mobile Food Facility Vendor has obtained an annual renewal of his or her Certificate of Sanitation for the Department of Public Health and approval from the Fire Marshal.

(3) The permit issuance date shall be the date that the DPW Director issues his or her decision to approve, approve with conditions, or disapprove a permit.

(4) Permits are automatically renewed each year so long as the Mobile Food Facility remains in compliance with this Article. Annual renewal of a permit does not constitute the issuance of a new permit and Renewal of the permit does not require notice under Section 184.88.

Notwithstanding the above, if, as part of a permit renewal, unless the permittee is changing the Location that the Mobile Food Facility serves, adding a new Location(s), changing the hours of operation to serve a Location later than 8 pm; or making other changes to the Mobile Food Facility that the Director determines requires public notice, the Department shall treat such changes as the equivalent of a new permit and require the applicant to satisfy the requirements associated with applying for and obtaining a new permit.

(e) The fees set forth in this Section are subject to the fee review and adjustment procedures of Section 2.1.2.

(f) Each Mobile Food Facility shall require a separate permit pursuant to this Article.

Each permit issued pursuant to this Article shall be valid for only those Locations and hours of operation that the Department approves as set forth in this Article.
(g) Notwithstanding Subsection (f), the Director may issue a single permit or permits to an assigned Location(s) for multiple Mobile Food Facilities. The fees for such permit shall be the filing, notification, and inspection fees for a single Location. Under such circumstances, Director also may charge additional permit fees as set forth in Section 2.1.3. All Mobile Food Facilities operating under a single Location permit shall comply with all other provisions of this Article.

(h) The Board of Supervisors reserves the right to charge a public right-of-way assessment fee for occupation of the right-of-way by a Mobile Food Facility.
