[Administrative Code - Dissolving Energy Efficiency Steering Committee]

Ordinance amending the Administrative Code by repealing Article IX to dissolve the Energy Efficiency Steering Committee.

Existing Law

In 2010, the City established the Energy Efficiency Steering Committee to advise the Board of Supervisors on planning and decision-making regarding energy efficiency projects, and the spending and allocation of new monies for such purposes. The Clerk of the Board has determined that the Board of Supervisors never appointed any members to the Committee, and the Committee never met.

Amendments to Current Law

This ordinance would dissolve the Energy Efficiency Steering Committee.

Background Information

Rule 2.21 of the Board of Supervisors' Rules of Order requires the Clerk of the Board to determine and identify each year every subordinate body that has not met at least once every four months, and to ask the City Attorney to prepare legislation repealing the ordinance or resolution that created the body.
