Applying for re-appointment to the Board of Directors of the
Golden Gate Bridge Highway and Transportation District

Summary of Qualifications

- **Extensive transportation policy experience**

Two decades of experience with San Francisco and national transportation policy. My recent experience is in the field of best practices in urban transportation planning: road pricing, transit efficiency, revenue policy, and systems planning. My earliest experiences heavily emphasized bicycle transportation planning and safety.

- **Experience as a member of a Board of Directors and in serving Boards**

My experience on both sides of the Board-executive relationship has given me an acute understanding of the role of a Board of Directors in managing an agency.

- **Strong ability to collaborate and reach common ground**

I understand that effective leadership requires as much *listening* as *speaking*. In my capacity as a Board member of SPUR I learned to work with people that I disagreed with. In my capacities as an executive of two nonprofits, I learned to communicate effectively — listening *and* talking — with people of varying opinions in order to reach a common understanding, an essential ingredient of successful management even if you can't agree on a particular position.

Employment

Executive Director, California Bicycle Coalition, Dec. 2010-present

Worked to rebuild the organization into an effective voice for changes in state policy that will lead to more bicycling and more sustainable transportation policies.

Project Director, San Francisco Transit Riders Union, 2010

Coordinated the nascent efforts to create a voice of riders to promote more and better public transit in San Francisco.

Transportation Policy Director, San Francisco Planning + Urban Research, 2006-2009

Directed the research, education, and advocacy for this think tank's transportation policy. Worked with a large and influential Board of Directors and a diverse range of policy professionals inside and outside of government.

Director of Program Development, Thunderhead Alliance, 2005-2006

Shared best practices in bicycle and pedestrian advocacy, planning, and organizational management. Coached leaders of member organizations. Developed programs to implement the organization's goals in several areas: "affordable transportation for affordable housing," "complete streets" and our advocacy trainings.

Executive Director, Transportation for a Livable City, 2002-2004

Founded this organization to promote sustainable transportation and land use in San Francisco. Left the organization with a stable budget and in strong capable hands.

Executive Director, San Francisco Bicycle Coalition, 1991-2002

Re-founded the SFBC as the city's membership-based bicycle transportation advocacy organization. Grew the organization from a handful of members to a powerhouse of 4,500 and a budget of nearly a half million dollars. Left the organization with a stable budget and in strong capable hands.

Honorable Norman Yee
Chair, Rules Committee
San Francisco Board of Supervisors
1 Dr. Carlton B. Goodlet Place
San Francisco, CA 94102

Dear Supervisor Yee:

Attached please find my application for reappointment to the Board of Directors of the Golden Gate Bridge Highway & Transportation District. I have been honored to help represent San Francisco on the Board since my appointment in 2009, and would be honored to continue doing so for the next two years.

My most important qualification for the position is my knowledge and experience in transportation policy derived from about two decades of advocacy and research. The District operates a transit system that carries 8.4 million passenger trips each year. My knowledge of best practices in public transit policy and operations is essential to providing effective oversight of District staff. I will let my attached résumé speak in greater detail to my qualifications.

My goals for the upcoming term include improving the district's financial situation by implementing best practices in charging for parking at the district's lots. The district's financial health translates directly to increased transit service, a priority of mine. I also intend to help the district improve safety for people who walk and bike on bridge property including not just the paths on the bridge itself but also the approaches including the length of Alexander Ave.

I respectfully seek reappointment to the Bridge district and if approved will honor that appointment by doing my best to represent the people of San Francisco as indicated in my application.

Sincerely,

Dave Snyder

I have just completed my two-year term as president of the Board of Directors of the Golden Gate Bridge Board. During those years, the District has embarked upon some important initiatives I would like to continue working on. Most notably, the District entered into a partnership with the Golden Gate National Parks Conservancy and the National Park Service to celebrate the 75th anniversary of the bridge and to enhance the visitor experience for the 10 million people a year who visit this international icon. To that end, we have built a new Pavilion/Visitor Center, improved the outdoor plaza and renovated the Round House. For the first time since the bridge was built, on-site visitors can now learn of the bridge's history, including the amazing engineering feats required to build it and - even more importantly - to learn of the people responsible for its creation and the workers who maintain it today. Currently, there are six women on our 19-member Board (2 current vacancies). I believe it is important to maintain a gender-balance on City commissions and boards and my re-appointment would be a step toward that balance. Lastly, I have been a member of the Bridge Board of Directors for the last ten years. During my tenure, I have held many leadership positions. I believe my knowledge and understanding of bridge, ferry and bus issues serves this district well.
