RE: Nomination of Aaron Jon Hyland, Architect
Historic Preservation Commission

Dear Supervisor Yee:

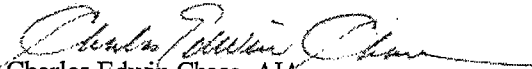

I am writing in support of Aaron Hyland's nomination for Seat 1 on the Historic Preservation Commission as Historic Architect.

I have known Aaron for over 15 years and have worked with him at Architectural Resources Group for the past 5 years. He is an architect that understands the balance of preservation and urban development. His design skills and ability to work collaboratively with other architects to integrate their design concepts into the adaptive use of historic sites and structures is a skill needed in the Historic Preservation Commission's public review process. He understands what is important for growth and for the retention of historic character while mindful to the evolving needs property owners face. He is able to articulate his position with respect for others and the regulatory process.

My personal experience with Aaron within our architectural practice has given me firsthand knowledge of his ability to work across a wide spectrum of residential, commercial and institutional projects; and the ability to work with diverse constituencies including advocates and client groups.

Aaron would be an asset to the public review process and the balance of historic preservation and growth of our city. I urge your support of his nomination and confirmation.

Most sincerely,

Charles Edwin Chase, AIA

Dear Supervisor:

On behalf of the Board of Directors of AIA San Francisco, please accept our endorsement of Aaron Hyland for the Historic Preservation Commission. Aaron has served as a member of the Board of Directors of AIA SF and currently serves as Treasurer.

As the managing principal of Architectural Resources Group, Aaron directs all aspects of strategic planning, finance administration, client relations, and overall firm management. Aaron is a registered architect with over 25 years of experience managing complex rehabilitation and new construction projects, particularly with academic and institutional clients who oversee numerous capital assets. His current projects include rehabilitation of the historic buildings at Oregon State Hospital, restoration of Angel Island Immigration Station, and the restoration of Garrett Hall at the University of Virginia.

His leadership and commitment to a balance between the challenges of historic preservation and urban change and growth have made him an exemplary leader in our City.

Please don't hesitate to contact us if you need additional information.

Dear Honorable Supervisors:

I am writing to ask your support for the nomination of Aaron Hyland for Seat 1(Historic Architect) on the Historic Preservation Commission. As a resident of District 8 in the Upper Market/Castro District, I have been actively involved in our neighborhood for years. I am a member of the Board of Directors for the Castro/Eureka Valley Neighborhood Association (EVNA). In the past, I have been involved with The Friends of 1800, the community group that came together to save the Fallon Building at 1800 Market Street from demolition.

It is through the Friends of 1800 that I had the pleasure of meeting Aaron. About eight years ago, after he and his partner purchased their home on 16th Street, he became involved in our group. Although, the Friends of 1800 no longer were as active as they had been in years past, we still were contacted from time to time by local property owners for advice and support on their renovation projects. In these project reviews Aaron's expertise and creative design approach to historic properties were revealed. Aaron brings a depth of knowledge to the identification of what makes a property special and a range of experience to the incorporation of changes that maintain the property's special character and features. In addition, he is able to show a property owner how preserving special features can make their project better.

I know that Aaron's professional talent and expertise would be an asset on the Historic Preservation Commission. His personal qualities, too, recommend him to working in concert with the other Commissioners. He has an open and engaging demeanor; he is pragmatic, diplomatic and full of positive energy. His passion about architecture, preservation and good design is inspiring.

Unfortunately, I will not be able to attend the Rules Committee hearing to speak in person about Aaron's fine qualities and qualifications for a seat on the Historic Preservation Commission.

In absentia, I urge you please to support and confirm his nomination.

Sincerely,

Judith Hoyem

Dear Supervisor:

On behalf of the Board of Directors of AIA San Francisco, please accept our endorsement of Aaron Hyland for the Historic Preservation Commission. Aaron has served as a member of the Board of Directors of AIA SF and currently serves as Treasurer.

As the managing principal of Architectural Resources Group, Aaron directs all aspects of strategic planning, finance administration, client relations, and overall firm management. Aaron is a registered architect with over 25 years of experience managing complex rehabilitation and new construction projects, particularly with academic and institutional clients who oversee numerous capital assets. His current projects include rehabilitation of the historic buildings at Oregon State Hospital, restoration of Angel Island Immigration Station, and the restoration of Garrett Hall at the University of Virginia.

His leadership and commitment to a balance between the challenges of historic preservation and urban change and growth have made him an exemplary leader in our City.

Please don't hesitate to contact us if you need additional information.

Sincerely yours,

RE: Nomination of Aaron Jon Hyland to the Historic Preservation Commission

February 4, 2013

Dear Honorable Members of the San Francisco Board of Supervisors:

I am writing to support Aaron Jon Hyland's nomination for Seat 1 on the Historic Preservation Commission as an Historic Architect. As one of the founding principals of the Architectural Resources Group in San Francisco, I have had the pleasure of knowing and working with Aaron for over twenty years on many historic preservation projects. Most of them have been complex involving many stakeholders and conflicting needs and desires. In every one, Aaron has succeeded in bringing the various parties together helping to arrive at a completed project that all have been pleased with.

He has the necessary breadth of experience and expertise in all aspects of historic preservation as well as an open and positive attitude, and he is a great listener. He will be an excellent commissioner and I am very pleased to support his nomination.

Please support and confirm his nomination.

Sincerely,

Dear Honorable Members of the San Francisco Board of Supervisors:

I am writing in support of Aaron Hyland's nomination for Seat 1 on the Historic Preservation Commission as Historic Architect. Aaron has the skill, expertise and experience that would be of great value to the City and the Commission.

I have worked with Aaron and his firm, Architectural Resources Group (ARG), for many years, in my professional capacity as the President of the California State Parks Foundation and a former General Manager of the San Francisco Recreation and Parks Department. In my capacity as a former board member of the Angel Island Immigration Station, I have worked with Aaron and ARG for the past 12 years on the restoration and master planning for the Angel Island Immigration Station. This project is a perfect case study on preservation, because it encompasses all the elements across the full spectrum of how to treat historic properties. The Detention Barracks was restored as an interpretation of the immigrants experience with some non-extant elements rebuilt. The Hospital and Power House are planned to be rehabilitated and adaptively re-used. And, the foundations of Administration Building, which is all that remains due to a fire, became the center piece for the interpretation of the site. Aaron understands how to address the needs of each of these different types of projects and is able to work with all the stakeholders to mediate between the tensions involved. He brings a balanced approach to the discussions and is able to guide the decision making to preserve what is important, and how best to make changes to those elements that need to serve new uses.

I know Aaron would contribute a great deal to the Historic Preservation Commission.
Please support and confirm his nomination.

Yours truly,

Elizabeth Goldstein

February 5, 2013

Dear Honorable Members of the San Francisco Board of Supervisors:

I am writing in support of Aaron Hyland's nomination for Seat 1 on the Historic Preservation Commission as Historic Architect.

Our firm, Forell/Elsesser Engineers, has been working with Aaron and his firm, Architectural Resources Group, for over 20 years. Aaron first worked with Eric Elsesser in the early 1990's on the Sausalito Woman's Club, a wonderful building designed by Julia Morgan. Aaron and Eric developed a structural solution that was completely invisible. Aaron understands how to integrate new structural systems into historic buildings so that the character defining elements are not impacted.

I, personally, have got to know Aaron these past few years, and find him passionate about architecture and preservation, and helping younger people gain exposure to our profession. He is able to share his opinions in respectful and productive ways.

I have worked in San Francisco as a structural engineer for 30 years, and have contributed to the historic preservation of some of the City's and Bay Area's most notable historic structures, including San Francisco City Hall. I have also served as a Trustee of the California Preservation Foundation. As such, I understand the important role that the Historic Preservation Commission plays and I know Aaron would contribute a great deal to the Commission.

Please support and confirm his nomination.

Sincerely,

Letter of Support: Aaron Hyland

Historic Preservation Commission

Dear Honorable Members of the San Francisco Board of Supervisors:

I am a practicing architect in San Francisco where our firm is immersed in the preservation and adaptive reuse of historic buildings. I also serve on the Board of Directors of San Francisco Architectural Heritage, whose mission is "to preserve and enhance San Francisco's unique architectural and cultural identity." Therefore, it is through this lens that I write you in support of Aaron Hyland's nomination for Seat 1 on the Historic Preservation Commission as Historic Architect.

I have known Aaron for over 15 years, and have collaborated with Aaron, and his firm, on many projects, including the award winning Golden Gate Valley Branch Library, part of our City's Branch Library Improvement Program. I find him to be a talented and dedicated architect who is a respected expert in the preservation field. Given this expertise however, he is always open to new ideas and is able to integrate contemporary uses and design into historic buildings, which in my opinion is a laudable position.

Aaron is also dedicated to exposing young people to architecture and preservation. He has supported the Build San Francisco Program of the Architectural Foundation of San Francisco (AFSF), an organization I helped found 15 years ago, and have served as Board President now for over 10 years. Aaron has served as a mentor to Build SF students, who come from various SFUSD High Schools, for several semesters. These students learn about what it takes to design, develop and construct building projects in San Francisco. I recruited Aaron to serve on our Board of Directors in 2010 because I was impressed by his commitment and passion to mentor these students. The other major program of AFSF is the annual high school design competition, now in its 40th year. Last year, Aaron served as a juror for last year's competition, a fictitious project on our waterfront as part of the America's Cup events.

I know Aaron will contribute a great deal to the Historic Preservation Commission. Through all of my various interactions with him, both as a professional and as a non-profit volunteer, it is clear to me that he is able to clearly articulate his position while listening to and respecting the position of others. I enthusiastically support his nomination and encourage you confirm him.

Honorable Members of the San Francisco Board of Supervisors:

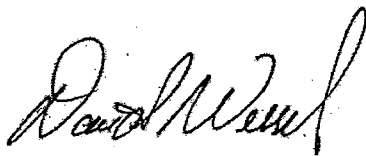

It gives me great pleasure to write in support of Aaron Hyland's nomination for Seat 1, Historic Architect, on the Historic Preservation Commission (HPC). I am writing as Aaron's business partner and colleague at Architectural Resources Group, a firm with more than 30 years of experience working in the historic built environment.

I have seen Aaron's rare combination of talents over 20 years of professional collaboration. Not only is Aaron a gifted architect with a host of outstanding design projects in his portfolio, he is committed to preserving the historic character and context of our built environment. Aaron has brought his expertise to many renovations of historic structures maintaining historic continuity while creating new value and meaning for communities.

As San Francisco's economy continues to gain momentum, the HPC will be called upon to review an increasing number of projects. Aaron's expertise will prove critical to the work of the HPC, and he has the experience and sensibility necessary to discern the many angles and complexities of historic preservation. I have absolute confidence that he will render well-considered, fair, and sensible opinions.

Aaron will contribute a great deal to the Historic Preservation Commission. Please support and confirm his nomination.

Subject: Aaron Hyland's nomination for Seat 1 on the Historic Preservation Commission

Dear Honorable Members of the San Francisco Board of Supervisors:

I am writing in support of Aaron Hyland's nomination for Seat 1 on the Historic Preservation Commission as Historic Architect. I know of Aaron as a respected expert in the field of Historic Preservation, so I am not surprised to see him nominated.

Aaron has volunteered and supported the Architectural Foundation of San Francisco (AFSF), for which I am the Executive Director. For several years now he has served as a mentor for students in our Build San Francisco Program, who come from various SFUSD High Schools, hosting them at his firm two afternoons a week every semester. Another major program of AFSF is the annual high school design competition, now in its 40th year. Aaron served as a juror for last year's competition, a sailing center on Pier 7 for the Americas Cup. Finally, for the past couple of years, Aaron has also served on the AFSF Board of Directors. When we asked him to join our Board, he accepted without hesitation.

Aaron has been an outstanding member of our Board of Directors. He cares very much that the next generation of San Franciscans understand and appreciate architecture and the design process in their local community.

I know Aaron will contribute a great deal to the Historic Preservation Commission.
Please support and confirm his nomination.

Sincerely,

Dear Mayor Lee:

On behalf of the Board of Directors of AIA San Francisco, please accept our endorsement of Aaron Hyland for the Historic Preservation Commission. Aaron has served as a member of the Board of Directors of AIA SF and currently serves as Treasurer.

As the managing principal of Architectural Resources Group, Aaron directs all aspects of strategic planning, finance administration, client relations, and overall firm management. Aaron is a registered architect with over 25 years of experience managing complex rehabilitation and new construction projects, particularly with academic and institutional clients who oversee numerous capital assets. His current projects include rehabilitation of the historic buildings at Oregon State Hospital, restoration of Angel Island Immigration Station, and the restoration of Garrett Hall at the University of Virginia.

His leadership and commitment to a balance between the challenges of historic preservation and urban change and growth have made him an exemplary leader in our City.

Please don't hesitate to contact us if you need additional information.

Sincerely yours,

Letter of Support: Aaron Hyland

Historic Preservation Commission

Dear Honorable Members of the San Francisco Board of Supervisors:

I am a practicing architect in San Francisco where our firm is immersed in the preservation and adaptive reuse of historic buildings. I also serve on the Board of Directors of San Francisco Architectural Heritage, whose mission is "to preserve and enhance San Francisco's unique architectural and cultural identity." Therefore, it is through this lens that I write you in support of Aaron Hyland's nomination for Seat 1 on the Historic Preservation Commission as Historic Architect.

I have known Aaron for over 15 years, and have collaborated with Aaron, and his firm, on many projects, including the award winning Golden Gate Valley Branch Library, part of our City's Branch Library Improvement Program. I find him to be a talented and dedicated architect who is a respected expert in the preservation field. Given this expertise however, he is always open to new ideas and is able to integrate contemporary uses and design into historic buildings, which in my opinion is a laudable position.

Aaron is also dedicated to exposing young people to architecture and preservation. He has supported the Build San Francisco Program of the Architectural Foundation of San Francisco (AFSF), an organization I helped found 15 years ago, and have served as Board President now for over 10 years. Aaron has served as a mentor to Build SF students, who come from various SFUSD High Schools, for several semesters. These students learn about what it takes to design, develop and construct building projects in San Francisco. I recruited Aaron to serve on our Board of Directors in 2010 because I was impressed by his commitment and passion to mentor these students. The other major program of AFSF is the annual high school design competition, now in its 40th year. Last year, Aaron served as a juror for last year's competition, a fictitious project on our waterfront as part of the America's Cup events.

I know Aaron will contribute a great deal to the Historic Preservation Commission. Through all of my various interactions with him, both as a professional and as a non-profit volunteer, it is clear to me that he is able to clearly articulate his position while listening to and respecting the position of others. I enthusiastically support his nomination and encourage you confirm him.

Very truly yours,

Honorable Members of the San Francisco Board of Supervisors:

I write to encourage you to support the nomination of Aaron Hyland, AIA, for Seat 1 (Historic Architect) on the Historic Preservation Commission. As a former member and President of the Landmarks Preservation Advisory Board, I understand the requirements necessary to fill this position. Aaron has the experience and expertise to be a great Commissioner, as well as an open and engaging attitude, that will serve the Commission and the process well during his tenure.

I have known Aaron for almost 20 years, and worked side-by-side with him as a Senior Associate at Architectural Resources Group, where he is now a Principal. He has extensive knowledge of historic preservation and architecture. Aaron understands how to adaptively-reuse historic buildings and he brings years of experience as historic preservation architect and designer to the Commission. He is also familiar with *the Secretary of the Interior's Standards for the Treatment of Historic Properties*, which the Commission uses to guide project review. Aaron's portfolio of projects contains numerous award-winning restoration, rehabilitation, reuse and preservation projects including, work at Stanford University and the University of California, Berkeley, and significant historic building projects on Angel Island for California State Parks and the Angel Island Immigration Station Foundation.

I know Aaron would contribute greatly to the work of the Historic Preservation Commission. Please support and confirm his nomination.

Sincerely,

Dear Honorable Members of the San Francisco Board of Supervisors:

I am writing this letter in support of Aaron Hyland's (my partner) nomination to the Historic Preservation Commission. I have known Aaron since 1999, and we've been together for over 12 years now. We own our home in the Castro with our two Jack Russells.

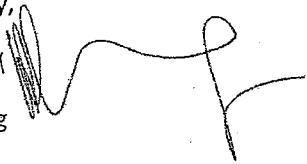

Aaron is a very dedicated and passionate architect, who cares about good design, people and our community. As long as I have known him, he has volunteered countless hours supporting youth programs that expose young people to architecture, design and preservation, such as the annual LEAP Sandcastle Contest at Ocean Beach as well as many programs for the Architectural Foundation of San Francisco.

When it comes to architecture and preservation, he thrives on creative solutions that renew historic buildings as well as the development of new contemporary buildings that fit into historic contexts. As we walk the neighborhoods, he is constantly observing and commenting on good design solutions.

I have no doubt, that Aaron's expertise would be an asset to the Historic Preservation Commission and to our beautiful city. Please support and confirm his nomination.

Sincerely,

Howe Ng

Authority:

Charter Amendment, Prop. J, November 4, 2008 election.

Board Qualifications:

Proposition J, on the November 4, 2008 ballot, amended the Charter to create an independent Historic Preservation Commission, which shall advise the City on historic preservation matters, participate in processes that involve historic or cultural resources, and take such other actions concerning historic preservation as may be prescribed by ordinance. The proposed Charter amendment would end the service of all current members of the Landmarks Preservation Advisory Board as of December 31, 2008. The Commission shall have the authority to recommend approval, disapproval, or modification of landmark designations and historic district designations under the Planning Code to the Board of Supervisors. The Planning Commission would have 45 days to comment on the HPC recommendation regarding landmarks designations and provide comments to the Board of Supervisors.

Certain matters of the Board of Supervisors would be required to be referred to the HPC prior to passage by the Board of Supervisors, including ordinances and resolutions concerning historic preservation issues of historic resources, redevelopment project plans and waterfront plans. The Historic Preservation Commission shall consist of seven members nominated by the Mayor and subject to approval by a majority of the Board of Supervisors. The original appointments shall have four members with four-year terms and three members with two-year terms as follows: the odd-numbered seats shall be for 4-year terms and the even-numbered seats shall be for 2-year terms. After the expiration of the original terms, all appointments shall be four-year terms, provided however, that a member may holdover until a successor has been nominated by the Mayor and approved by the Board of Supervisors. There shall be no limit on the number of terms a member may serve.

San Francisco
BOARD OF SUPERVISORS

Within 60 days of the expiration of a term or other vacancy the Mayor shall nominate a qualified person to fill the vacant seat subject to approval by a majority of the Board of Supervisors who shall hold a public hearing and vote on the nomination within 60 days of the Mayor's transmittal of the nomination to the Clerk of the Board of Supervisors. If the Mayor fails to make such nomination within 60 days, the nomination may be made by the President of the Board of Supervisors, subject to the approval of a majority of the Board of Supervisors. Members of this Commission shall be persons specially qualified by reason of interest, competence, knowledge, training and experience in the historic, architectural, aesthetic, and cultural traditions of the City, interested in the preservation of its historic structures, sites and areas, and residents of the City.

Seats 1 and 2 must be licensed architects meeting the Secretary of the Interior's Professional Qualifications Standards for historic architecture.

Seat 3 must be an architectural historian meeting the Secretary of the Interior's Professional Qualifications Standards for architectural history with specialized training and/or demonstrable experience in North American or Bay Area architectural history.

Seat 4 must be a historian meeting the Secretary of the Interior's Professional Qualifications Standards for history with specialized training and/or demonstrable experience in North American or Bay Area history.

Seat 5 must be a historic preservation professional or professional in a field such as law, land use, community planning or urban design with specialized training and/or demonstrable experience in historic preservation or historic preservation planning.

Seat 6 shall be specially qualified in one of the following fields or in one of the fields set forth for Seats 1, 2, or 3: (a) - A professional archeologist meeting the Secretary of the Interior's Professional Qualifications Standards for Archeology; (b) - A real estate professional or contractor who has demonstrated a special interest, competence, experience, and knowledge in historic preservation; (c) - A licensed structural engineer with at least four years of experience in seismic and structural engineering principals applied to historic structures; or (d) - A person with training and professional experience with materials conservation.

Seat 7 shall be an at large seat subject to the minimum qualifications set forth above.

The Commission shall be staffed by the Planning Department.
