5 **Najarian, LLP, for Walgreens Co., dba Walgreens, will serve the public**
6 **convenience and necessity of the City and County of San Francisco, in**
7 **accordance with California Business and Professions Code, Section 23958.4, and**
8 **recommending that the California Department of Alcoholic Beverage Control**
9 **impose conditions on the issuance of the license.**
10

11 WHEREAS, Daniel J. Kramer of Haas Najarian, LLP, is seeking the transfer of a
12 Type 21 off-sale general license from 345 Eddy Street to 135 Powell Street, for
13 Walgreens Co., dba Walgreens; and,

14 WHEREAS, The Planning Department has verified that the area is properly
15 zoned and recommends approval; and,

16 WHEREAS, The Police Department has filed four (4) letters of protest and 14
17 letters of support with the Department of Alcoholic Beverage Control under California
18 Business and Professions Code, Section 24013, and recommends that the Department
19 of Alcoholic Beverage Control issue the liquor license with conditions; and

20 WHEREAS, The conditions recommended by the Police Department are as
21 follows: 1) Sales of alcoholic beverages shall be permitted Sunday through Saturday
22 between the hours of 9:00 a.m. and 12:00 a.m. (midnight) each day of the week; 2) No
23 more than 10% of the square footage of the premises will be used for the display of
24 alcoholic beverages; 3) No noise shall be audible beyond the area under control of the

1 license; 4) The petitioner shall be responsible for maintaining free of litter the area
2 adjacent to the premises over which they have control; 5) The exterior of the premises
3 shall be equipped with lighting of sufficient power to illuminate and make easily
4 discernible the appearance and conduct of all persons on or about the premises.
5 Additionally, the position of such lighting shall not disturb the normal privacy and use of
6 any neighboring residences; 6) Loitering (defined as "to stand idly about; linger
7 aimlessly without lawful business") is prohibited on any sidewalks or property adjacent
8 to the licensed premises under the control of the licensee as depicted on the ABC-257
9 dated September 18, 2012; 7) No person under the age of 21 shall sell or deliver
10 alcoholic beverages; 8) The sale of distilled spirits in sizes smaller than 200ml is strictly
11 prohibited; 9) No sales of malt liquors or ice beers; 10) Beer, malt beverages, and wine
12 coolers of 16oz. or less cannot be sold in single containers, and must be sold in
13 manufacturers' pre-packaged multi-unit quantities; 11) No wine shall be sold with the
14 alcohol content greater than 15% by volume except "Dinner Wines" which have been
15 aged two years or more and maintained in corked bottles; 12) Wine shall not be sold in
16 bottles or containers smaller than 750ml; 13) Uniformed security shall be present on the
17 premises during the hours of sales of alcoholic beverages; and 14) The petitioner shall
18 utilize electronic surveillance and recording equipment that is able to view the outside of
19 the premises, including all entrances and exits, and that is actively monitored and
20 recorded. This electronic surveillance shall be utilized during operating hours. Said
21 electronic recording shall be kept at least 30 days and shall be made available to the
22 Department and Police Department upon demand; now, therefore, be it

23 RESOLVED, That in accordance with California Business and Professions Code,
24 Section 23958.4, the Board of Supervisors of the City and County of San Francisco
25

1 hereby determines for the foregoing reasons that the transfer of a Type 21 off-sale
2 general license from 345 Eddy Street to 135 Powell Street, to Daniel J. Kramer of Haas
3 Najarian, LLP, for Walgreens Co., dba Walgreens, will serve the public convenience
4 and necessity of the City and County of San Francisco; and, be it

5 FURTHER RESOLVED, That the Board of Supervisors of the City and County of
6 San Francisco hereby endorses and adopts the recommendations of the Police
7 Department listed above, and recommends that the Department of Alcoholic Beverage
8 Control issue the license with those conditions.

San Francisco Board of Supervisors
City Operations and Neighborhood Services

San Francisco, CA 94102
Attn: Linda Wong, Committee Clerk

Re: Request for Determination of Public Convenience or Necessity for the Walgreens
located at 135 Powell St.

Dear Ms. Wong and Members of the City Operations and Neighborhood Services Committee:

This firm represents Walgreen Co. ("Walgreens"). Walgreens recently applied for the transfer of a Type-21 license (application no. 526750) to its store located at 135 Powell St., San Francisco, CA (the "Store").

We were informed by the Department of Alcoholic Beverage Control ("ABC") that a determination of public convenience or necessity by the Board of Supervisors is a condition to the ABC's issuance of this license.

On behalf of Walgreens, we respectfully request that the Board determine that the issuance of a Type-21 license to this Store will serve public convenience or necessity.

I. Project Description.

In May, 2013 Walgreens intends to open its first Flagship health and daily living needs store in California. Located at 135 Powell St., the Store will provide the ultimate in service and convenience to the thousands of visitors, business people and residents who frequent the Union Square district on a daily basis. Some of the Store's features will include:

- A state-of-the-art pharmacy designed to encourage greater interaction between pharmacists and patients;
- An Upmarket Café, offering fresh coffee and hundreds of fresh food items including fruit and high-quality, on-the-go meal options such as wraps, sandwiches and salads made fresh daily;

- A bakery that will serve a range of fresh baked breads and pastries daily;
- A juice bar featuring made-to-order smoothies and self-serve frozen yogurt;
- A Coca-Cola Freestyle machine dispensing 130 varieties of Coca Cola fountain drinks;
- An artisan and brie cheese section as well as an assortment of specialty meats, and chocolates;
- A large selection of products and merchandise produced or made by local vendors; and
- The LOOK Boutique beauty department, featuring dozens of prestige and niche cosmetic, skincare and hair care brands not typically found in drugstores.

In addition to the offerings above, the Store also intends to carry a high-end selection of beer, wine and spirits that will be very different from any selection currently found in San Francisco Walgreens stores.

Walgreens intends to carry a best-in-class wine selection with fine wines typically priced between \$20 - \$200. In addition, the Store will carry a selection of domestic and import beers sold in 6-packs, 12-packs, and cases. The Store will also carry a wide array of top-shelf spirits including aperitifs, cognacs and small-batch bourbons.

While the ability to sell a full range of premium alcoholic beverages at the Store is a critical component of the Flagship concept, it is important to clarify that the sale of alcoholic beverages will be ancillary to the Store's primary use as a pharmacy and general retailer. Less than 3% of the floor space will be dedicated to the display of adult beverages, and Walgreens estimates that the sale of adult beverages at this Store will amount to less than 3% of total sales.

The issuance of a Type-21 license to the Store will not expand the existing hours of operation, which are currently 7:00 a.m. to midnight Monday - Saturday, and 8:00 a.m. to midnight on Sundays. In fact, Walgreens has agreed to conditions that limit the sale of adult beverages to between 9:00am – midnight, Sunday – Saturday.

II. The Sale of Alcohol at the Store will serve Public Convenience or Necessity.

Walgreens is committed to being a good community partner. To date, Walgreens has participated in over six community meetings with various neighborhood groups and community leaders to obtain feedback as to how best to provide the community with an expanded and unique product offering without negatively impacting the surrounding area. The community voiced its desire that Walgreens not add to the concentration of licenses

already within the Tenderloin. Accordingly, Walgreens withdrew its initial liquor license transfer application with the ABC and purchased an existing license from within the Tenderloin.

While the neighborhood currently has other stores that sell alcohol, the selection at these stores is markedly different than that intended at the Store. A core component of the flagship concept is to elevate the customers' shopping experience and provide maximum convenience. This store will offer products that fill customers' everyday needs while also providing high end adult beverages, allowing for an efficient shopping experience.

The enhanced product offering will serve to add convenience to the hundreds of thousands of business people, local shoppers and tourists that pass through the area each year. By adding a wider variety of goods, including alcohol, to its product offering, Walgreens will provide a "one-stop" shopping experience for its customers. This "one-stop" shopping will result in increased efficiency for shoppers, and is consistent with what today's consumers expect from a retail pharmacy and general merchandiser such as Walgreens.

III. The Issuance of a Type-21 License to the Store is Consistent with the Zoning Code and Adjacent Uses.

The Store is located in a zone designated as Downtown Retail (C-3-R). This zoning permits the sale of alcohol for off-premises consumption. The City's Planning Code describes C-3-R as intended as a regional center for comparison shopper retailing and direct consumer services and the continuity of retail and consumer service is emphasized, with encouragement of pedestrian interest and amenities (*Planning Code* §210.3). Enabling Walgreens to offer a selection of alcoholic beverages that is not currently available in the vicinity is consistent with the C-3-R zoning designation.

In addition, current uses adjacent to the Store include numerous restaurants, shops, hotels, and markets. Many of these businesses are licensed to sell alcohol, and some are licensed to sell alcohol off-premises. Therefore, because the Store is adjacent to other businesses where the sale of alcohol is an ancillary use, the sale of alcohol at the Store is consistent with adjacent uses.

IV. The Issuance of a License to the Store will Not Create a Burden on the Police Department.

The Store is located in census tract 0123.00. Based on information provided by the ABC, the number of active off-sale liquor licenses in this census tract results in an

“undue concentration” (as defined by Business & Professions Code § 23958.4). However, due to the methodology by which “undue concentration” is determined (i.e. the number of licenses vs. the population in the census tract), almost every census tract in California located in a heavily commercial/retail area with a low population density – such as census tract 0123.00 – has “undue concentration.” Therefore, Walgreens respectfully requests that you consider the nature of the census tract when addressing the issue of “undue concentration.”

Despite the fact that there is “undue concentration” in this census tract, Walgreens believes that the nature of the product mix, coupled with Walgreens’ security procedures (identified below) is such that the addition of the proposed selection at the Store will not add to crime or any police-related problems in the surrounding community.

In addition, Walgreens has agreed to all of the conditions recommended by the SFPD’s Alcohol Liaison Unit.

V. The issuance of a License to the Store will Not have a Detrimental Impact on the Surrounding Area.

From 1959 until 2004, the Store held a Type 21 license. During this time, the Store did not have a single violation of the ABC Act. In order to ensure this impeccable track record is maintained, and to be consistent with both the City’s Good Neighbor policies and the conditions required by the SFPD, Walgreens has taken preemptive measures to ensure that alcoholic beverages will be sold in a highly responsible and conscientious manner. Detailed alcohol sales policies and procedures, endorsed by legal counsel, senior management and consistent with SFPD recommendations are already in place and will be strictly enforced. Some of these policies and procedures are:

- Employees must undergo significant training prior to the Store obtaining a license;
- Point of sale systems will enable clerks to verify proof of age for any customer attempting to purchase alcohol. Pre-programmed “prompts” will remind the clerks to request this proof; and
- Under-aged employees will not be allowed to handle the selling or stocking of alcoholic beverages.

Training will be done through Walgreens’ internal alcohol sales training program, which focuses on recognizing and preventing any sale of alcohol that may be detrimental to the public welfare (i.e., the sale of alcohol to minors and intoxicated persons) and was designed with the most up-to-date information regarding adult learning and automated

education. Walgreens also intends for its clerks at this Store to undergo in-person training from the SFPD, to help ensure that the sale of alcohol at the Store will not be detrimental to residents, shoppers, or other businesses in the vicinity of this Store.

Walgreens also has closed-circuit security cameras that monitor the alcohol sales area and a public view monitor, which serves to discourage loitering and acts as an additional security measure. For security purposes, the alcohol selection will not be located near any exit area, thereby discouraging theft.

Conclusion.

The issuance of a Type-21 license to the Store will enable Walgreens to provide San Francisco with an unparalleled shopping experience that has yet to be seen from a national pharmacy and general retailer. Walgreens is committed to providing this experience in a safe and conscientious manner, with minimal disruption to the surrounding neighborhood.

For these reasons, Walgreens respectfully requests that the Board determine that public convenience or necessity will be served by the issuance of a Type-21 license to the Store. Thank you in advance for your consideration.

Very truly yours,
HAAS NAJARIAN, LLP

Daniel J. Kramer, Esq.

Re: Request for Determination of Public Convenience or Necessity for the Walgreens
located at 135 Powell St.

Dear Ms. Johnson and Members of the City Operations and Neighborhood Services
Committee:

This firm represents Walgreen Co. ("Walgreens"). Walgreens recently applied for
the transfer of a Type-21 license (see application no. 519538) to its store located at 135
Powell St., San Francisco, CA (the "Store").

We have been informed by the Department of Alcoholic Beverage Control
("ABC") that a determination of public convenience or necessity by the Board of
Supervisors is a condition to the ABC's issuance of this license.

On behalf of Walgreens, we respectfully request that the Board determine that the
issuance of a Type-21 license to this Store will serve public convenience or necessity.

I. Project Description.

In November, 2012 Walgreens intends to open its first Flagship health and daily
living needs store in California. Located at 135 Powell St., the Store will provide the
ultimate in service and convenience to the thousands of visitors, business people and
residents who frequent the Union Square district on a daily basis. Some of the Store's
features will include:

- A state-of-the-art pharmacy designed to encourage greater interaction between
pharmacists and patients;

- An Upmarket Café, offering fresh coffee and hundreds of fresh food items including fruit and high-quality, on-the-go meal options such as wraps, sandwiches and salads made fresh daily;
- A bakery that will serve a range of fresh baked breads and pastries daily;
- A juice bar featuring made-to-order smoothies and self-serve frozen yogurt;
- A Coca-Cola Freestyle machine dispensing 130 varieties of Coca Cola fountain drinks;
- An artisan and brie cheese section as well as an assortment of specialty meats, and chocolates;
- A large selection of products and merchandise produced or made by local vendors; and
- The LOOK Boutique beauty department, featuring dozens of prestige and niche cosmetic, skincare and hair care brands not typically found in drugstores.

In addition to the offerings above, the Store also intends to carry a high-end selection of beer, wine and spirits that will be very different from any selection currently found in San Francisco Walgreens stores.

Walgreens intends to carry a best-in-class wine selection with fine wines typically priced between \$20 - \$200. In addition, the Store will carry a selection of domestic and import beers sold in 6-packs, 12-packs, and cases. The Store will also carry a wide array of top-shelf spirits including aperitifs, cognacs and small-batch bourbons.

While the ability to sell a full range of premium alcoholic beverages at the Store is a critical component of the Flagship concept, it is important to clarify that the sale of alcoholic beverages will be ancillary to the Store's primary use as a pharmacy and general retailer. Walgreens estimates that the sale of alcohol at this Store will amount to less than 3% of total sales.

The issuance of a Type-21 license to the Store will not expand the existing hours of operation, which are currently 7:00 a.m. to midnight Monday - Saturday, and 8:00 a.m. to midnight on Sundays.

II. The Product Mix is Designed to Appeal to Visitors, Business People and Residents of San Francisco.

Walgreens prides itself on offering its customers a safe, clean, customer-friendly shopping experience, and has carefully selected its product mix to avoid attracting those who are looking to abuse alcohol. In offering a selection of high-end alcoholic beverages,

Walgreens is appealing to those who possess a refined and sophisticated pallet.

Nearly 70% of Walgreens shoppers are women, and Walgreens understands that they are looking for a safe and secure shopping environment. The Store will **not** sell any of the following products: single bottles or cans of beer, 40 oz. bottles or cans of beer, malt liquor in excess of 5.9 percent alcohol by volume, or fortified wine.

III. The Sale of Alcohol at the Store will serve Public Convenience or Necessity.

Walgreens is committed to being a good community partner. It hopes to provide a wider, yet unique, product offering to its customers without negatively impacting the surrounding area. Located on the outskirts of Union Square, the neighborhood is home to several corner grocery stores that sell alcohol, however the selection at these stores is quite different than that intended at the Store. No other pharmacy in the area currently carries a selection of beer, wine or spirits similar to the intended offering at the Store. As the first Flagship store in California, this Walgreens strives to elevate what it means to be a pharmacy.

The enhanced product offering will serve to add convenience to the hundreds of thousands of business people, local shoppers and tourists that pass through the area each year. By adding a wider variety of goods, including alcohol, to its product offering, Walgreens will provide a “one-stop” shopping experience for its customers. This “one-stop” shopping will result in increased efficiency for shoppers, and is consistent with what today’s consumers expect from a retail pharmacy and general merchandiser such as Walgreens.

IV. The Issuance of a Type-21 License to the Store is Consistent with the Zoning Code and Adjacent Uses.

The Store is located in a zone designated as Downtown Retail (C-3-R). This zoning permits the sale of alcohol for off-premises consumption. The City’s Planning Code describes C-3-R as intended as a regional center for comparison shopper retailing and direct consumer services and the continuity of retail and consumer service is emphasized, with encouragement of pedestrian interest and amenities (*Planning Code* §210.3). Enabling Walgreens to offer a selection of alcoholic beverages that is not currently available in the vicinity is consistent with the C-3-R zoning designation.

In addition, current uses adjacent to the Store include numerous restaurants, shops, hotels, and markets. Many of these businesses are licensed to sell alcohol, and some are licensed to sell alcohol off-premises. Therefore, because the Store is adjacent to other businesses where the sale of alcohol is an ancillary use, the sale of alcohol at the Store is consistent with adjacent uses.

V. The Issuance of a License to the Store will Not Create a Burden on the Police Department.

The Store is located in census tract 0123.00. Based on information provided by the ABC, the number of active off-sale liquor licenses in this census tract results in an “undue concentration” (as defined by Business & Professions Code § 23958.4). However, due to the methodology by which “undue concentration” is determined (i.e. the number of licenses vs. the population in the census tract), almost every census tract in California located in a heavily commercial/retail area with a low population density – such as census tract 0123.00 – has “undue concentration.” Therefore, Walgreens respectfully requests that you consider the nature of the census tract when addressing the issue of “undue concentration.”

Despite the fact that there is “undue concentration” in this census tract, Walgreens believes that the nature of the product mix, coupled with Walgreens’ security procedures (identified below) is such that the addition of the proposed selection at the Store will not add to crime or any police-related problems in the surrounding community.

VI. The issuance of a License to the Store will Not have a Detrimental Impact on the Surrounding Area.

From 1959 until 2004, the Store held a Type 21 license. During this time, the Store did not have a single violation of the ABC Act. In order to ensure this impeccable track record is maintained, and to be consistent with both the City’s Good Neighbor policies and the conditions required by the SFPD, Walgreens has taken preemptive measures to ensure that alcoholic beverages will be sold in a highly responsible and conscientious manner. Detailed alcohol sales policies and procedures, endorsed by legal counsel, senior management and consistent with SFPD recommendations are already in place and will be strictly enforced. Some of these policies and procedures are:

- Employees must undergo significant training prior to the Store obtaining a license;
- Point of sale systems will enable clerks to verify proof of age for any customer attempting to purchase alcohol. Pre-programmed “prompts” will remind the clerks to request this proof; and
- Under-aged employees will not be allowed to handle the selling or stocking of alcoholic beverages.

Training will be done through Walgreens’ internal alcohol sales training program,

which focuses on recognizing and preventing any sale of alcohol that may be detrimental to the public welfare (i.e., the sale of alcohol to minors and intoxicated persons) and was designed with the most up-to-date information regarding adult learning and automated education. Walgreens also intends for its clerks at this Store to undergo in-person training from the SFPD, to help ensure that the sale of alcohol at the Store will not be detrimental to residents, shoppers, or other businesses in the vicinity of this Store.

Walgreens also has closed-circuit security cameras that monitor the alcohol sales area and a public view monitor, which serves to discourage loitering and acts as an additional security measure. For security purposes, the alcohol selection will not be located near any exit area, thereby discouraging theft.

Conclusion.

The issuance of a Type-21 license to the Store will enable Walgreens to provide San Francisco with an unparalleled shopping experience that has yet to be seen from a national pharmacy and general retailer. Walgreens is committed to providing this experience in a safe and conscientious manner, with minimal disruption to the surrounding neighborhood.

For these reasons, Walgreens respectfully requests that the Board determine that public convenience or necessity will be served by the issuance of a Type-21 license to the Store. Thank you in advance for your consideration.

Very truly yours,
HAAS NAJARIAN, LLP

Re: Request for Determination of Public Convenience or Necessity for the Walgreen located at
135 Powell Street

File No: 120067

March 7, 2013

Dear David Campos, Eric Mar, and Norman Yee:

The Alliance for a Better District 6 is recommends denial of Walgreen Co at 135 Powell application for a type 21 off-sale liquor license. Some (124) community members have filed ABC protests against the granting of this off-sale liquor license.

Here is a summary of many of the concerns raised by the community.

- 1) The premises are located within the immediate vicinity of a school(s) which are the Art University which houses student as young as 18 years old and has numerous educational facilities nearby. San Francisco Flex Academy for grades 9-12 also maintains a nearby campus which enrolls full-time students five days a week. An off-sale liquor establishment that could stay open up to 2AM should not be located near University campus with housing for students as young as 18 years old.
- 2) The premises are located in a residential area and the normal operation of the licensed premises will interfere with the quiet enjoyment of their property by residents of the area. This is the most densely populated area in the city with RC-4 zoning, student housing, residential hotels and tourist hotels. The Hotel counsel estimated that 65% of people staying overnight in San Francisco are staying in the Union Square area and are not here for late night entertainment. This business will have problems controlling the large crowds they attract, the noise they create, the people on the sidewalk smoking, panhandlers, loiters, people yelling for cabs. People engaging in loud and drunken behavior inside a high density residential commercial area.
- 3) Licensing the premises would create a public nuisance with a the purposed super-store and possible multi-level site with multiple entrances. People entering and exiting the premises, smoking on the sidewalk, talking on their cell phones and loitering, increase panhandlers, drinking and drug use will be hard to control. Tons of empty alcohol containers, discarded cigarettes, litter, urination and defecation are picked up and cleaning is done at the expense of local San Francisco residents, property owners, merchants and taxpayers.
- 4) The parking and stopping restrictions on the 100 block of Powell Street. Currently there is extremely limited on-street and off-street parking in this neighborhood and the issuance of the said permits would compound an already aggravated parking shortage for residents, merchants and hotel visitors. Powell Street has one lane of traffic in either direction so double parking is not allowed. If someone double parks it would stop the flow of traffic and not allow

the cable cars to run up or down Powell Street. And makes it impossible for emergency responders to use Powell Street.

5) There are residential units at 120 Ellis Street and other nearby locations and the applicant has not demonstrated that they will contain the noise and other nuisance issues so not to interfere with the neighbors' quiet enjoyment of property.

6) The following parking facilities are located near applicant has failed to establish that the operation of the licensed premises would not interfere with the quiet enjoyment of their property. ExecuPark, Incorporated 80 Ellis Street; Ellis-O'Farrell Garage 123 O'Farrell Street; and Villa Hotel 225 Powell Street.

7) Union Square Park and the Powell Street cable car turnaround are both open spaces where children congregate with their parents. Union Square Park offers activities especially for young children and both locations draw large crowds of people. Adding off-sale liquor promotes an unhealthy environment.

8) This area is saturated with alcoholic beverage licenses. In 2009 both 521 Sutter Street and 459 Powell Street (another Walgreen Co. location) both withdrew their liquor license applications. San Francisco has the highest density of off-sale liquor outlets in the state of California with over 800. The existence of this inordinate number of liquor establishments contributes directly to numerous peace, health, safety, and general welfare problems in the area, including loitering, littering, drug trafficking, prostitution, public drunkenness, defacement and damaging of structures, pedestrian obstruction, as well as traffic circulation, parking and noise problems on public streets and neighborhood lots. The criminal and anti-social activity associated with many of the establishments selling alcoholic beverages creates serious impacts on the public health, safety and welfare, including fear for the safety of children, elderly residents and visitors to the area, deterioration of the neighborhood, concomitant devaluation of property and destruction of community values and quality of life. Such adverse impacts also discourage more desirable and needed commercial uses in the area. As a citizens we have the right to live and work in a peaceful environment free from illegal or harmful activities. This premise is located in Census Tract 0123.01 Off-sale license authorized by census tract is (2); active off-sale licenses is (16).

9) Powell Street BART and MUNI stations includes another open space of Hallidie Plaza where adding off-sale liquor nearby promotes an unhealthy environment.

10) Clearly, the applicant have failed to provide facts and findings showing that the proposed off-sale license is necessary, desirable, and compatible with the surrounding neighborhood.

11) The applicant only lists Walgreen Co, it does not list the true or sole owner of the business.

12) This is a high crime area that has a 20% or more (the premises is located in plot 174; 1,506 Police Reports were recorded for this plot in 2003; This plot is 1,224 Police Report(s) over the citywide average (plus 20%) of 282 Police Reports. From July, 2011 to July 2012 there were 127 police calls at 135 Powell Street. The Police Station that patrols 135 Powell Street is the Tenderloin Police Station. The Station is already short staffed and the residents require many calls for service including emergency calls adding another business that will require more police resources away from venerable residents who rely on these scarce services does not promote parity. When the community members asked Walgreens to disclose their security plan they refused to comply.

13) The North of Market Residential Special Use District was created to stop additional off-sale liquor licenses in the Tenderloin in 1998 98.074E: North of Market Alcohol Beverage Moratorium

was adopted. The community is concerned that Walgreen Co will saturate our community with new off-sale liquor licenses at its existing stores that surround the Tenderloin located at: 459 Powell Street, 500 Geary Street, 790 Van Ness Street, 1496 Market Street, 1301 Market Street, and 825 Market Street. Also the community has been involved with addressing the problems associated with chronic public inebriation threaten the welfare and livability of the Tenderloin community. And in 2006 a local law was passed called the Deemed Approved Users Ordinance designed to reduce alcohol related problems in San Francisco and promote the health, safety, and welfare of San Francisco residents.

14) Further: We protest this license and we request the interdepartmental staff committee on traffic and transportation (ISCOTT), along with the departments of parking and traffic, public works, police, fire, municipal railway, BART, building inspection, and planning look into this applied for license before it is heard.

15) The premises will need proper building upgrades including sprinklers and must be A.D.A. approved. The residents have not seen any plans, designs, drawings or diagrams at the time of Walgreen's posting their public notice of application to sell alcoholic beverages ABC off-sale license from March 13, 2012 to April 14, 2012.

16) The applicant has misrepresented a material fact in obtaining a license, the community was not aware of Walgreen Company plans to create a Superstore location by taking over Lori's Dinner at 149 Powell Street at the time of posting for their ABC off-sale liquor license. One of the questions that was asked: "How come 149 Powell Street was not mention on the license application?" If so, proper notice has not occurred.

17) The applicant had not held any outreach meetings with the neighborhood or local stakeholders to determine whether the applicant would be suitable to manage a business that is necessary and desirable in and compatible with the surrounding neighborhood at the time of Walgreen's posting their public notice of application to sell alcoholic beverages ABC off-sale license from March 13, 2012 to April 14, 2012.

18) At the Planning Commission Hearing on September 10, 2009 item #9 90 Turk Street the Tenderloin Police Station permit officer states the following Police policy decision: "The Police will not support any new off-sale liquor licenses in the Tenderloin." The applicant at 135 Powell Street is within the Tenderloin Police Station boundaries.

19) There is concerns of what will happen to the current open space that exists at 149 Powell Street. Since no plans have been discussed with the neighborhood or community stakeholders in replacing it.

20) Nearby educational services and campuses: at 1 Hallidie Plaza: IABC, Bay Area Medical Academy; 207 Powell Street: Eleanor England - Jazz Sing Coach; 944 Market Street: National Council on Alcoholism, Brandon College; 870 Market Street: Enjoy Spanish, Italingua Institute, Kalixan Language School, Savor Plus, Manhattan GMAT Prep, Refugee Transitions, San Francisco Voice Center, Writing Ourselves Whole, Walk in Balance Alexander Technique, Jumpstart, Biodanza, National Bartenders School, Alexander Technique with Lisa Wentz, Accent International Study Abroad; 845 Market: Rosetta Stone; 835 Market Street: San Francisco State College of Extended Learning, San Francisco State Downtown Campus; 833 Market Street: A-Plus Driving School, Music Teachers' Association of California with some students or participant either emancipated or 18 years or older.

21) There is much concern of a superstore opening and taking business away from the existing small family owned merchants who give much more to the community economically then a

February 7, 2013

large pharmacy chain store that already has 68 location in San Francisco. And all their profits are sent to their shareholders and not reinvested into the local community.

22) Walgreen's estimates that the sale of liquor at 135 Powell Street will amount to less than 3% of total sales. So, not obtaining this off-sale liquor license will not greatly impact their revenue.

Re: Support of Flagship Walgreens at 135 Powell

Dear Supervisors:

On behalf of TNDC, I am writing to express support for the proposed plan to expand and enhance the current Walgreens at 135 Powell and turn it into a flagship store.

Our support is based on my belief that the flagship store will bring many positive features to our community. In particular, I understand that this store will offer a strong selection of healthy eating options. We also support the economic development this new, larger store will bring, including the creation of 20-30 new jobs. We encourage you to secure a firm commitment to hiring locally, which Walgreens has expressed their willingness to do.

This offer of support is made based on Walgreens' commitment to being a responsible proprietor of the high-end adult beverages they intend to sell at 135 Powell.

I believe that a flagship store at 135 Powell will serve to benefit the community and I ask you to support it.

Sincerely,

Re: Support of Flagship Walgreens at 135 Powell

Dear Supervisor:

The North of Market/Tenderloin Community Benefit District wishes to express support for the proposed plan to expand and enhance the current Walgreens at 135 Powell and turn it into a flagship store, and we hope you will consider doing the same.

Our support is based on our belief that the flagship store will bring many positive features to the surrounding community. Through Walgreens' outreach efforts I have learned that this store will offer a strong selection of healthy eating options, which I feel will be of great benefit to the community. As you know, the Tenderloin neighborhood struggles to provide healthy food at an affordable rate to its residents and healthy options at this Walgreen's will be of great value to the neighborhood.

Walgreens has been to several of our committee and Board meetings in their efforts to engage and inform the community on their plans for 135 Powell. These efforts demonstrate a commitment to being a strong and active community partner. Walgreen's has a history of engaging in numerous community events, most recently Tenderloin Block Parties and Wellness Fairs, and has donated prizes and made cash donations to various community events.

While we do not oppose or support the selling of adult beverages in the community, our recommendation of support is made knowing that Walgreens plans to sell high-end adult beverages at 135 Powell. Walgreens' has expressed an unwavering commitment to being a responsible proprietor of adult beverages, and because of this positive business model, we feel the store at 135 Powell will be a great asset to the surrounding community.

We believe that a flagship store at 135 Powell will serve to benefit the community and we urge you to support it. We thank you for your consideration in this matter.

Sincerely,

Re: Support of Flagship Walgreens at 135 Powell

Dear Supervisor:

We wish to express our support for the proposed plan to expand and enhance the current Walgreens at 135 Powell and turn it into a flagship store, and we urge you to do the same.

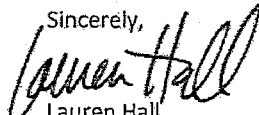

Our support is based on my belief that the flagship store will bring many positive features to the surrounding community, including the Tenderloin. Through Walgreens' outreach efforts we have learned that this store will offer a strong selection of healthy eating options, which we feel will be of great benefit to the community. Our organization provides supportive housing for 450 adults with special needs in the Tenderloin, and access to healthy food is a serious problem.

We appreciate Walgreens' efforts to engage and inform the community on their plans for 135 Powell. Such efforts demonstrate a commitment to being a strong and active community partner.

This recommendation of support is made knowing that Walgreens plans to sell alcohol at 135 Powell. Walgreens' has expressed a strong commitment to being a responsible proprietor of adult beverages. We don't believe that the vulnerable population that we serve will be negatively impacted by having Walgreen's responsibly sell alcohol.

We believe that a flagship store at 135 Powell will serve to benefit the community, especially those with limited options for fresh food. I urge you to support it and would be happy to discuss this further.

Dear Supervisor:

The Tenderloin Community Health, Safety and Resource Fair Committee wishes to express support for the proposed plan to expand and enhance the current Walgreens at 135 Powell and turn it into a flagship store, and we hope you will consider doing the same.

Our support is based on our belief that the flagship store will bring many positive features to the surrounding community. Due to Walgreens' outreach efforts we believe this store will offer a strong selection of healthy eating options, pharmaceutical services and education, and community benefit, which we feel will be of great benefit to the community. As you know, the Tenderloin neighborhood experiences major health disparities from other neighborhoods in San Francisco due to the lack of available and affordable healthy food, and other challenges. Did you know that the Tenderloin has the same rate of diagnosed Tuberculosis as Sub-Saharan Africa and the highest rate of preventable emergency room visits than another other neighborhood in the City? For these reasons, the healthy food options and wellness education at this Walgreen's will be of great value to the neighborhood.

Walgreen's has a history of engaging in numerous community events, most recently Tenderloin Block Parties and Wellness Fairs, and has donated prizes and made cash donations to various community events. This shows their willingness to serve our community.

Our recommendation of support is made knowing that Walgreens plans to sell high-end adult beverages at 135 Powell. Re: Support of Flagship Walgreens at 135 Powell

Dear Supervisor:

As a long-term Tenderloin resident, I would like to express my support for the proposed plan to expand and enhance the current Walgreens at 135 Powell and turn it into a flagship store.

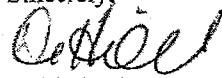

As you know, the Tenderloin neighborhood struggles to provide healthy food at an affordable rate to its residents and healthy options at this Walgreen's will be of great value to the neighborhood. I believe this expansion project will provide many benefits to the surrounding community, especially given the project's focus on serving fresh, healthy, and affordable foods.

I have seen and heard from Walgreen's at several community meetings, and these community outreach efforts demonstrate a commitment to being a strong and active community partner.

I express my support of this project knowing that Walgreens plans to sell high-end adult beverages at 135 Powell. Over the years, I have seen many corner and convenience stores in the neighborhood sell adult beverages while maintaining a positive impact on the neighborhood, and I have also seen retailers who are not licensed to sell liquor have severe negative impacts on the community. To me, the issue of selling adult beverages is not the primary concern, but rather, the business practices of the retailers. I feel that Walgreens' has expressed an unwavering commitment to being a responsible proprietor of adult beverages, and because of this positive business model, I feel the store at 135 Powell will be a great asset to the surrounding community.

I strongly feel that a flagship store at 135 Powell will serve to benefit the community and I urge you to support it. Should you have any questions, please don't hesitate to contact me. (415) 200-8448. I sincerely appreciate your consideration in this matter.

Re: Support of Flagship Walgreens at 135 Powell

Dear Supervisor:

As a long-term Tenderloin resident, I would like to express my support for the proposed plan to expand and enhance the current Walgreens at 135 Powell and turn it into a flagship store.

As you know, the Tenderloin neighborhood struggles to provide healthy food at an affordable rate to its residents and healthy options at this Walgreen's will be of great value to the neighborhood. I believe this expansion project will provide many benefits to the surrounding community, especially given the project's focus on serving fresh, healthy, and affordable foods.

Re: Support of Flagship Walgreens at 135 Powell

Dear Supervisor:

I, Roni Meadows, wish to express my support for the proposed plan to expand and enhance the current Walgreens at 135 Powell and turn it into a Flagship store, and I urge you to do the same.

My issuance of support is based on my belief that the store's many positive features, like its strong grocery component, will provide an overall net good for the community. This recommendation is made knowing that Walgreens plans to sell high-end adult beverages at 135 Powell.

PROTEST AGAINST ALCOHOLIC BEVERAGE LICENSE APPLICATION

- Please refer to Form ABC-510, Instructions for Protesting an Alcoholic Beverage License Application, before completing and submitting your protest. The ABC-510 can be found at www.abc.ca.gov.
- Please print legibly or type. Incomplete and/or illegible information will cause the protest to be rejected.
- You will be notified by letter regarding a hearing on your protest. You will need to attend the hearing to testify and/or present evidence to support your protest.
- A copy of your valid protest, including your name and address, will be provided to the applicant as a public record and a right of discovery for a protest hearing.

I hereby protest the issuance of a license under the Alcoholic Beverage Control Act to:

Walgreen Company doing business as Walgreen's Store 890 LICENSE # 526750
(Name(s) of Applicant(s))

For premises at:

135 Powell Street, San Francisco, California 94102
(Exact address of proposed premises)

on the grounds that:

- 1) The premises are located within the immediate vicinity of a school(s) which are the Art University which houses student as young as 18 years old and has numerous educational facilities nearby. San Francisco Flex Academy for grades 9-12 also maintains a nearby campus which enrolls full-time students five days a week. An off-sale liquor establishment that could stay open up to 2AM should not be located near University campus with housing for students as young as 18 years old.
- 2) The premises are located in a residential area and the normal operation of the licensed premises will interfere with the quiet enjoyment of their property by residents of the area. This is the most densely populated area in the city with RC-4 zoning, student housing, residential hotels and tourist hotels. The Hotel counsel estimated that 65% of people staying overnight in San Francisco are staying in the Union Square area and are not here for late night entertainment. This business will have problems controlling the large crowds they attract, the noise they create, the people on the sidewalk smoking, panhandlers, loiters, people yelling for cabs. People engaging in loud and drunken behavior inside a high density residential commercial area.

I hereby protest the issuance of a license under the Alcoholic Beverage Control Act to:

Walgreen Company doing business as Walgreen's Store 890

LICENSE # 526750
(Name(s) of Applicant(s))

For premises at:

135 Powell Street, San Francisco, California 94102

(Exact address of proposed premises)

on the grounds that:

- 3) Licensing the premises would create a public nuisance with a the purposed super-store and possible multi-level site with multiple entrances. People entering and exiting the premises, smoking on the sidewalk, talking on their cell phones and loitering, increase panhandlers, drinking and drug use will be hard to control. Tons of empty alcohol containers, discarded cigarettes, litter, urination and defecation are picked up and cleaning is done at the expense of local San Francisco residents, property owners, merchants and taxpayers.
- 4) The parking and stopping restrictions on the 100 block of Powell Street. Currently there is extremely limited on-street and off-street perking in this neighborhood and the issuance of the said permits would compound an already aggravated parking shortage for residents, merchants and hotel visitors. Powell Street has one lane of traffic in either direction so double parking is not allowed. If someone double parks it would stop the flow of traffic and not allow the cable cars to run up or down Powell Street. And makes it impossible for emergency responders to use Powell Street.
- 5) There are residential units at 120 Ellis Street and other nearby locations and the applicant has not demonstrated that they will contain the noise and other nuisance issues so not to interfere with the neighbors' quiet enjoyment of property.
- 6) The following parking facilities are located near applicant has failed to establish that the operation of the licensed premises would not interfere with the quiet enjoyment of their property. ExecuPark, Incorporated 80 Ellis Street; Ellis-O'Farrell Garage 123 O'Farrell Street; and Villa Hotel 225 Powell Street.
- 7) Union Square Park and the Powel Street cable car turnaround are both open spaces where children congregate with their parents. Union Square Park offers activities especially for young children and both locations draw large crowds of people. Adding off-sale liquor promotes an unhealthy environment.

I hereby protest the issuance of a license under the Alcoholic Beverage Control Act to:

Walgreen Company doing business as Walgreen's Store 890 LICeNse # 526750
(Name(s) of Applicant(s))

For premises at:

135 Powell Street, San Francisco, California 94102
(Exact address of proposed premises)

on the grounds that:

8) This area is saturated with alcoholic beverage licenses. In 2009 both 521 Sutter Street and 459 Powell Street (another Walgreen Co. location) both withdrew their liquor license applications. San Francisco has the highest density of off-sale liquor outlets in the state of California with over 800. The existence of this inordinate number of liquor establishments contributes directly to numerous peace, health, safety, and general welfare problems in the area, including loitering, littering, drug trafficking, prostitution, public drunkenness, defacement and damaging of structures, pedestrian obstruction, as well as traffic circulation, parking and noise problems on public streets and neighborhood lots. The criminal and anti-social activity associated with many of the establishments selling alcoholic beverages creates serious impacts on the public health, safety and welfare, including fear for the safety of children, elderly residents and visitors to the area, deterioration of the neighborhood, concomitant devaluation of property and destruction of community values and quality of life. Such adverse impacts also discourage more desirable and needed commercial uses in the area. As a citizens we have the right to live and work in a peaceful environment free from illegal or harmful activities. This premise is located in Census Tract 123 On-sale license authorized by census tract is (6); active on-sale licenses is over (70).

9) Powell Street BART and MUNI stations includes another open space of Hallidie Plaza where adding off-sale liquor nearby promotes an unhealthy environment.

10) Clearly, the applicant have failed to provide facts and findings showing that the proposed off-sale license is necessary, desirable, and compatible with the surrounding neighborhood.

11) The applicant only lists Walgreen Co, it does not list the true or sole owner of the business.

12) This is a high crime area that has a 20% or more (the premises is located in plot 174; 1,506 Police Reports were recorded for this plot in 2003; This plot is 1,224 Police Report(s) over the citywide average (plus 20%) of 282 Police Reports. The Police Station that patrols 135 Powell Street is the Tenderloin Police Station. The Station is already short staffed and the residents require many calls for service including emergency calls adding another business that will require more police resources away from venerable residents who rely on these scarce services does not promote parity.

Walgreen Company doing business as Walgreen's Store 890

License # 526750

(Name(s) of Applicant(s))

For premises at:

135 Powell Street, San Francisco, California 94102

(Exact address of proposed premises)

on the grounds that:

13) The North of Market Residential Special Use District was created to stop additional off-sale liquor licenses in the Tenderloin in 1998 98.074E: North of Market Alcohol Beverage Moratorium was adopted. The community is concerned that Walgreen Co will saturate our community with new off-sale liquor licenses at its existing stores that surround the Tenderloin located at: 459 Powell Street, 500 Geary Street, 790 Van Ness Street, 1496 Market Street, 1301 Market Street, and 825 Market Street. Also the community has been involved with addressing the problems associated with chronic public inebriation threaten the welfare and livability of the Tenderloin community. And in 2006 a local law was passed called the Deemed Approved Users Ordinance designed to reduce alcohol related problems in San Francisco and promote the health, safety, and welfare of San Francisco residents.

14) Further: I protest this license and I request the interdepartmental staff committee on traffic and transportation (ISCOTT), along with the departments of parking and traffic, public works, police, fire, municipal railway, BART, building inspection, and planning look into this applied for license before it is heard.

15) The premises will need proper building upgrades including sprinklers and must be A.D.A. approved. The residents have not seen any plans, designs, drawings or diagrams.

16) The applicant has misrepresented a material fact in obtaining a license, the community is not aware of Walgreen Co plans to create a Superstore location by taking over Lori's Dinner at 149 Powell Street and the building next to it which DSW Shoe Store at 111 Powell Street. If the community was aware of a larger store operating they may have many more concerns. Will Walgreen Co also sell alcohol at 111 Powell Street and 149 Powell Street locations? If so, proper notice has not occurred.

17) The applicant has not held an outreach meeting with the neighborhood or local stakeholders to determine whether the applicant would be suitable to manage a business that is necessary and desirable in and compatible with the surrounding neighborhood.

- Please print legibly or type. Incomplete and/or illegible information will cause the protest to be rejected.
- You will be notified by letter regarding a hearing on your protest. You will need to attend the hearing to testify and/or present evidence to support your protest.
- A copy of your valid protest, including your name and address, will be provided to the applicant as a public record and a right of discovery for a protest hearing.

I hereby protest the issuance of a license under the Alcoholic Beverage Control Act to:

Walgreen Company doing business as Walgreen's Store 890

(Name(s) of Applicant(s))

For premises at:

135 Powell Street, San Francisco, California 94102

(Exact address of proposed premises)

on the grounds that:

The premises are located in Census Tract 0123 where there presently exists an undue concentration of licenses issuance or transfer of a license here would result in or add an undue concentration of licenses in a crime-reporting district that has a 20% or more greater number of reported crimes than crimes than the average reported citywide as defined in Business & Professional Code Section 23958.4 and subdivision [c].

**PROTEST AGAINST ALCOHOLIC
BEVERAGE LICENSE APPLICATION**

- Please refer to Form ABC-510, Instructions for Protesting an Alcoholic Beverage License Application, before completing and submitting your protest. The ABC-510 can be found at www.abc.ca.gov.
- Please print legibly or type. Incomplete and/or illegible information will cause the protest to be rejected.
- You will be notified by letter regarding a hearing on your protest. You will need to attend the hearing to testify and/or present evidence to support your protest.
- A copy of your valid protest, including your name and address, will be provided to the applicant as a public record and a right of discovery for a protest hearing.

I hereby protest the issuance of a license under the Alcoholic Beverage Control Act to:

Walgreen Company doing business as Walgreen's Store 890

(Name(s) of Applicant(s))

For premises at:

135 Powell Street, San Francisco, California 94102

(Exact address of proposed premises)

on the grounds that:

The premises are located in Census Tract 0123 where there presently exists an undue concentration of licenses issuance or transfer of a license here would result in or add an undue concentration of licenses in a crime-reporting district that has a 20% or more greater number of reported crimes than crimes than the average reported citywide as defined in Business & Professional Code Section 23958.4 and subdivision [c].

I hereby protest the issuance of a license under the Alcoholic Beverage Control Act to:

Walgreen Company doing business as Walgreen's Store 890

(Name(s) of Applicant(s))

For premises at:

135 Powell Street, San Francisco, California 94102

(Exact address of proposed premises)

on the grounds that:

The premises are located in Census Tract 0123 where there presently exists an undue concentration of licenses issuance or transfer of a license here would result in or add an undue concentration of licenses in a crime-reporting district that has a 20% or more greater number of reported crimes than crimes than the average reported citywide as defined in Business & Professional Code Section 23958.4 and subdivision [c].

San Francisco Board of Supervisors

San Francisco, CA 94102
Attn: Supervisor David Chiu

Re: Matter No. 120067; Walgreen Co.; Request for a Determination of Public Convenience or Necessity; 135 Powell St.

Dear Supervisor Chiu:

This firm represents Walgreen Co. ("Walgreens"). In May, 2013, Walgreens will unveil its one and only Flagship store in San Francisco. With a wide selection of fresh food, a bakery that serves fresh breads and pastries daily, and a wide array of products and merchandise produced or made by local vendors, this store will be like no other pharmacy in Northern California. In addition, this store will bring more than 30 new union jobs to the City.

The ability to carry fine wines in the \$20 - \$200 range, craft beers, and premium distilled spirits such as cognacs and small-batch bourbons are critical to the Flagship's concept as an up-market store that seeks to provide the convenience of "one-stop" shopping. Members of the community, representatives from the United Food and Commercial Workers Union, and the San Francisco Police Department's Alcohol Liaison Unit have all expressed why they support the issuance of a Type-21 license at Walgreen's Flagship store and how it will serve the public convenience or necessity. We hope you will take their comments into consideration.

Walgreens has held several meetings with members of the community. Based on feedback from these meetings, Walgreens has not only agreed to purchase a liquor license from within the Tenderloin, but has also agreed to purchase a second Off Sale Liquor License (Type 20 or Type-21) from a premises located in a census tract with undue concentration in either District 3 or District 6 - districts directly abutting the Flagship store at 135 Powell. Furthermore, Walgreens will neither use nor resell this license to a retailer located within these areas of undue concentration in Districts 3 or 6.

Walgreens commits to completing the purchase of a second license no later than nine (9) months (the "Deadline") from the date of issuance of the license to the Flagship store. In the event that Walgreens fails to complete such purchase by the Deadline, Walgreens has agreed to make a donation to the San Francisco Public Health Foundation each month that elapses after the Deadline until the purchase has been completed.

In addition, after working closely with members of the Board of Supervisors, Walgreens has agreed to the following voluntary conditions in addition to those requested by SFPD:

1. All wine bottles will be secured to ensure that an individual must make a purchase using a valid identification in order to avoid delinquent behavior.
2. No more than 4% of the square footage of the premises will be used for the sale of adult beverages.
3. All store cameras shall be monitored by on-site management and Walgreens loss prevention team.
4. Interior security cameras must be installed within the store and concentrated in the area of adult beverages. These cameras will be monitored during the store hours by designated security personnel, and be made available to the SFPD for a minimum of 30 days upon request.
5. External cameras will be installed and operated, focused on the perimeter of the store. Output from these cameras will be shared with the SFPD, upon request.
6. All checkouts will be equipped with electronic scan detection systems to control the sale of age-related products and to prompt cashiers to require proper identification before a sale is completed.
7. Loitering will be prohibited in the adjacent sidewalks surrounding the project at all times. Store management will be responsible for site security during hours of operation.
8. Store will provide a posted phone number to report site vandalism, loitering, or other concerns with mandated response to the person reporting the issue within forty-eight (48) hours. Vandalism and graffiti will be removed within twenty-four (24) hours of reporting and other issues will be dealt with as expeditiously as possible.
9. Sales of alcoholic beverages shall be permitted from Sunday through Wednesday between the hours of 10:00a.m. to 11:00p.m., and from Thursday through Saturday between the hours of 10:00a.m. to 10:00p.m.

By creating 30 new union jobs and removing a liquor license from one of San Francisco's more heavily concentrated Districts, this Flagship store will not simply provide people in San Francisco with an unparalleled shopping experience that has yet to be seen from a national pharmacy and general retailer, but will also provide a greater positive impact that will be felt by the City for many years to come.

Request for Determination of Public Convenience or Necessity
Walgreens – 135 Powell St, San Francisco
Page 2

Therefore, Walgreens respectfully requests that the Committee determine that public convenience or necessity will be served by the issuance of a Type-21 license to the Flagship store.

Sincerely,

These are ABC's most frequently asked questions about: PROTESTS AND DENIALS

Q. 40. May any person protest the issuance of a license?

A. Yes. Any person may protest the issuance of a license. The protestant must file a written protest within 30 days of either: whichever is later.

If a retail license application has been protested and the Department has recommended approval of the license, ABC may issue an Interim Operating Permit upon the applicant's written request.

If an application is withdrawn because of a protest being filed, an applicant may not refile an application at the same premises for one year, and all protests remain valid for one year against any subsequent applications filed by other persons at the premises.

Supervisors Compos, Mar, and Yee:

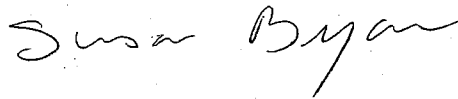

The Tenant Associations Coalition of San Francisco (TAC) held a special meeting of resident stakeholders after hearing a presentation from Walgreens on August 14, 2012.

Tenant Associations Coalition does not support Walgreen's type 21 off-sale liquor license and wishes Walgreen's mitigate in good faith operational policies and limit their community impact.

We are asking Walgreen's to limit their ground floor square footage of alcohol sales to less than 5% ; and alcohol sales from 9AM to 10PM.

If there are any questions about this letter we can be reached at (415) 339-8327.

68th Walgreens in S.F. and counting Stephanie M. Lee Monday, May 7, 2012

The pharmacy chain store is already there near Fisherman's Wharf, melded into a parking structure that also houses In-N-Out Burger and Starbucks. It is there again in a shopping center half a mile southeast.

But two is apparently not enough. Less than three blocks from each location, yet another Walgreens is being fashioned out of the old Tower Records store that was once a touchstone of music and culture. When it opens this summer at Columbus Avenue and Bay Street, it will join the dozens of others citywide that make San Francisco home to one of the densest concentrations of Walgreens in the nation.

Neighbors are not pleased with the not-so-new newcomer. "There are so many," said Tina Moylan, a Russian Hill resident. "I don't get it."

David Ross, who has lived in Russian Hill for 30 years, said he'd rather see a hardware store. "Anything," he said, "but another Walgreens."

Yet opponents appear to be out of luck, even in a city famous for residents who pledge to buy local and for byzantine rules designed to screen out chains. Just outside North Beach, where big retail is banned, the new Walgreens is perfectly legal.

Jim Cohn, a spokesman for the company, said the store, unlike the others nearby, will target residents instead of tourists. Offering both a pharmacy and fresh meat and produce, it will be among the 200 "well experience" stores that have opened nationwide over the past year and a half. It will also provide parking.

Oversaturation, Cohn said, is not a concern.

"They're complementary," he said. "The research indicates that there is demand for additional pharmacy services in that location." This won't be the only area in the city, of course, to be sprinkled with red cursive logos. Eight Walgreens sit within one-third of a mile of the Montgomery BART Station.

Over the years, the all-purpose store has gained a dominant presence in the city over competitors CVS Pharmacy and Rite Aid. San Francisco, Chicago and New York City have the highest densities of Walgreens in the nation, according to Cohn. California has 611 stores.

So, one more Walgreens near Fisherman's Wharf may not be statistically significant. Still, some neighbors are a little jarred to think of the pharmacy setting up shop in what used to be Tower Records. With rows of black vinyl discs, the chain store was embraced by the neighborhood as a cultural destination from 1968, at the height of San Francisco's rock 'n' roll scene, to 2006, when it folded in the throes of bankruptcy.

"Sure signs of the weekend: all those people walking around North Beach with the yellow-and-red shopping bags of Tower Records," San Francisco Chronicle columnist Herb Caen observed in 1983. "God, that place must make a mint ..."

"All chain stores are not created alike," said Jon Golinger, president of the Telegraph Hill Dwellers, a neighborhood group. "A better use for that kind of space would be a small business or a neighborhood-serving business or something that doesn't just kind of homogenize the neighborhood in this important part of San Francisco."

Besides, he said, "How many Walgreens does one really need?" In San Francisco, the answer appears to be 68 and counting.

South Tucson Opposes New Walgreens Liquor License

By Nathan Mitchell

South Tucson's packed city hall broke into cheers when the city council voted unanimously to oppose Walgreens' liquor license.

The license will go before the state liquor board in either April or May, said Peter Schelstraete, Walgreens' lawyer. In the past, licenses have been approved despite the council voting against them, South Tucson Mayor Jennifer Eckstrom said.

"The best we can do is forward our recommendation," she said.

The Class 10 license would allow the store—located at 1900 S. Sixth Ave.—to sell beer and wine to go. It must receive final approval from the Arizona Department of Liquor Licenses and Control.

Twenty-six John Valenzuela Youth 2 Youth (Y2Y) members between the ages of 12 and 18 interrupted a presentation on a city workers' health plan at the Tucson City Hall meeting on Feb. 22, shifting the council's attention and making their objective clear: prevent an area Walgreens from getting a liquor license.

The kids in sneakers, backpacks and hooded sweatshirts filled the remaining seats and lined the walls. When the

Walgreens discussion began, they raised their protest signs with phrases like "Progress Not Profit," and "Alcohol Will Ruin Our Community."

Residents who opposed the license filed to the lectern to voice their concerns in English and Spanish. One Y2Y member shared a story about his mother locking his

intoxicated "Tio" out of the house. Others accused Walgreens of preying on the weaknesses of residents who struggle with alcohol and drug abuse.

"I don't want to be like all the other teenagers, most of them party," said Brianna Francisco, 15. "I want to make something out of myself."

Each speech opposing the license ended with applause.

"We can overcome the greedy corporate people [from Walgreens] that want to poison the people with alcohol," said Brian Flagg of Casa Maria, throwing his hands up to the crowd.

The decision to oppose the license comes after weeks of public debate. In the first of the meetings, a petition with 20 names was submitted to the council. Two weeks later the number of signatures had grown to 781, nearly 14 percent of the City of South Tucson. There were also three letters in opposition and two local supporters of the license.

Those opposed said they were concerned about increased criminal activity. City Manager Enrique G. Serna submitted a packet to the council that included a police report citing 405 calls made to the location from Feb. 1, 2009 to Feb. 1, 2010.

More than 140 arrests were made. His opposition reflects the city's efforts to clean up the com-

Obesity Rates Rise, SUSD Middle Schools Fight Back

By Shelby Hill

Seven middle school girls step, kick and spin to pop songs like "Hot N Cold" by Katy Perry. Their teacher wears a black shirt that says "Step Up" on the front and "Rock That Body" on the back. She calls out "1, 2, 3 and 1, 2, 3, keep breathing."

Aside from the fact that the girls are wearing their school uniforms and that the class is taking place in the school's hallway, it could very well be a step aerobics class at an expensive gym.

This after-school program at Sierra Middle School is part of a combined effort by Sunnyside Unified School District, the University of Arizona and the Triangle Y Ranch Camp to increase physical activity in middle schools to fight rising child-

hood obesity rates.

"We just wanted the kids to be active," says Jesse Espinosa, who runs a before-school program at Sierra, 5801 S. Del Moral Blvd., where kids can skateboard, mountain bike and play indoor hockey among other activities.

Skateboards, pads, helmets, indoor hockey gear and other sporting equipment are provided by a \$1.9 million U.S. Department of Education grant, which was awarded to the district in June 2008. The grant runs for three years and is now at the halfway mark.

The equipment circulates through the SUSD middle schools and returns to the Triangle Y for summer camp, says Jennifer Reeves, an associate research

Sunnyside Remains King of Wrestling

By Brett Booser

Sometimes high school athletic programs can string together four or five championships in a row and people start calling them dynasties.

But sometimes programs become so dominant that the association shifts from a momentary snapshot of success to possibly being one of the greatest to ever compete in Arizona.

The Sunnyside High School wrestling program reaffirmed its place among the best in history on Feb. 20 with a 35-24 win over Ironwood Ridge in the 5A-II state wrestling championship at Tempe High School. It was the 13th consecutive state championship and the 28th overall for the storied wrestling program.

The Blue Devils have seized just about every Arizona high school wrestling record imaginable in nearly four decades of dominance.

The last time Sunnyside did not win a state title was in 1997 when it lost to Tempe's Marcos de Niza High School by 6.5 points. Since that loss, however, the Blue Devils have rattled off a record 13 titles in

a row.

There is no saying what that number could rise to in the coming years with the elite talent that pours into the school year after year.

"If people wanted to pick on us, this was going to be the year to do it," said Sunnyside wrestling coach Bobby DeBerry. "Because down the road in the future, things look pretty darn good."

After trailing top-seeded Ironwood Ridge 15-4 early in the title match this year, No. 2 Sunnyside needed wins in six of the final seven matches to keep the championship streak alive.

Sunnyside got the crucial wins it needed down the stretch and eventually won by 11 points, the closest margin of victory in the title match in over 10 years.

Sunnyside showed some serious mettle when it mattered most. This was supposed to be the year that the championship streak ended for the Blue Devils. Wrestling critics across Southern Arizona cited youth and inexperience as reasons the chain of titles would break.

So how was it that youthful Sunnyside prevailed in such a high-pressure situation?

Kory DeBerry charges at a team mate during Sunnyside High School wrestling practice. PHOTO BY KATIE FLYNN

"It's perseverance," DeBerry said. "We're in a community where, at times, things can be very difficult. Some of the kids come from families where every day can be a struggle."

"But the kids are able to take the tough way that they have to live on a day-to-day basis and transfer it into a positive and use that to motivate themselves to do well," he said.

Alcohol said to have big role in cancer

Victoria Colliver

Updated 11:16 pm, Thursday, February 14, 2013

Even moderate alcohol use may substantially raise the risk of dying from cancer, according to a study released Thursday offering the first comprehensive update of alcohol-related cancer deaths in decades.

"People don't talk about the issue of alcohol and cancer risk," said Dr. David Nelson, director of the Cancer Prevention Fellowship Program at the National Cancer Institute and lead author of the study.

"Alcohol has been known to be related to causing cancer for a long period of time. We talk about cancer prevention, screenings and tests. This is one of those things that seems to be missing in plain sight."

Alcohol use accounts for about 3.5 percent of all U.S. cancer deaths annually, according to the study. The majority of deaths seemed to occur among people who consumed more than three alcoholic drinks a day, but those who consumed 1.5 beverages daily may account for up to a third of those deaths, the researchers found.

In 2009, 18,000 to 21,000 people in the United States died of alcohol-related cancers, from cancer of the liver to breast cancer and other types, the researchers said. That's more than the number of people in the United States who die every year of melanoma (9,000 in 2009) or ovarian cancer (14,000 in 2009).

Reasons unclear

How alcohol contributes to cancer is not fully understood, the study notes. Previous research has shown alcohol appears to work in different ways to increase cancer risk, such as affecting estrogen levels in women and acting as a solvent to help tobacco chemicals get into the digestive tract.

The study, published in the American Journal of Public Health, is the first major analysis of alcohol-attributable cancer deaths in more than 30 years. Researchers said the lack of recent research on the subject may contribute to a lack of public awareness of cancer risks.

"People are well aware of other risks, like the impact of tobacco on cancer, and are not as aware alcohol plays quite a bit of a role," said Thomas Greenfield, one of the study's authors and scientific director of Public Health Institute's Alcohol Research Group in Emeryville.

Researchers examined seven types of cancers known to be linked to alcohol use: cancers of the mouth and pharynx, larynx, esophagus, liver, colon, rectum and female breast. To link the cancer to alcohol use, they relied on surveys of more than 220,000 adults, 2009 U.S. mortality data, and sales data on alcohol consumption.

Breast cancer accounted for the most common alcohol-related cancer deaths among women, with alcohol contributing to 15 percent of all breast cancer deaths. Among men, cancers of the mouth, pharynx, larynx and esophagus accounted for the most alcohol-linked cancer deaths.

The study drew some criticism. Dr. Curtis Ellison, professor of medicine and public health at Boston University School of Medicine, said the study failed to take into account several important factors, such as the pattern of drinking rather than just the amount of alcohol consumed. He said consuming small, consistent amounts of alcohol is much healthier than occasional binge drinking.

Individualized advice

"They're mixing alcohol abuse, which leads to all of these cancers as they've clearly shown, with the casual drinker, where the risk is very small," said Ellison, also co-director of the International Scientific Forum on Alcohol Research.

Dr. Arthur Klatsky, adjunct investigator at the Kaiser Permanente Northern California Division of Research, said many studies have shown moderate drinkers in older age groups may be healthier than those who abstain. Klatsky has long researched the effects of alcohol on health but declined to comment directly on the study because he had not yet read it.

"Advice needs to be individualized," Klatsky said. "The advice one would give to 60-year-old man who has no problem with alcohol but is at high risk of heart disease due to family history is quite different than the advice we give to a 25-year-old woman whose mother died of breast cancer."

The study's authors acknowledged alcohol can have health benefits but said alcohol causes 10 times as many deaths as it prevents. There's no known safe level of drinking, they said.

"The safest level for cancer prevention is that people don't expose themselves to any potential risk," said Nelson of the National Cancer Institute. "The bottom line means for people who choose to drink, their cancer risk will be lower if they drink lower amounts."

Alcohol use tied to deaths

A study released Thursday by the American Journal of Public Health found:

Total deaths: Alcohol use accounts for 3.5 percent of all U.S. cancer deaths, or between 18,000 and 21,000 deaths a year.

Lost years: About 18 years of potential life are lost per cancer death. That means a person who died at age 60 from alcohol-related cancer would have otherwise probably lived to 78.

Number of drinks: The majority of alcohol-related cancer deaths occurred among those who drank more than three alcoholic beverages a day, but about 30 percent occurred in those who drank less than 1.5 drinks a day.

- The DAO is a local law which requires businesses that sell alcoholic beverages to maintain their businesses in a lawful and beneficial manner for the public and the surrounding community?
- San Francisco has the highest density of off-sale liquor outlets, over 800, in the state of California?
- Density of alcohol outlets leads to higher rates of crime, illegal drug sales, injury, sales to of alcohol to minors, and violence?
- That neighborhoods are working with their local police precincts to reduce nuisance activities related to alcohol?
- As a citizen you have the right to live and work in a peaceful environment free from illegal or harmful activities?

WHAT CAN YOU DO?

- Contact your local SFPD precinct office if you notice any issues
- For more information on the DAO and to schedule a presentation call (415) 581-2400

Partners include the San Francisco Department of Public Health, San Francisco Police Department, Office of the City Attorney, and the Tax Collector
