14 record before it there are no substantial project changes, no substantial changes in project
15 circumstances, and no new information of substantial importance that would change the
16 conclusions set forth in the exemption determination by the Planning Department that the
17 proposed project is exempt from environmental review; and be it

18 FURTHER MOVED, That after carefully considering the appeal of the exemption
19 determination, including the written information submitted to the Board of Supervisors and the
20 public testimony presented to the Board of Supervisors at the hearing on the exemption
21 determination, this Board concludes that the project qualifies for a exemption determination
22 under CEQA.
