Re: File 130266

Dear Ms. Miller,

I have reviewed your correspondence dated April 2, 2013 regarding the Land Use and Economic Development Committee's resolution proposing to change the name of Lech Walesa Street to "Dr. Tom Waddell Place".

The San Francisco Fire Department has no objections to the proposal and is in support of Land Use and Economic Development Committee's resolution.

When the resolution is passed, my recommendation is that the Department of Emergency Management be contacted in order for the street name change to be entered into the Computer Assisted Dispatch (CAD) system.

If I can provide additional information regarding this issue, please do not hesitate to contact me at (415) 558-3401.

Very truly yours,

Joanne Hayes-White
Chief of Department
