Re: Funds for BayREN for 2013-2014 Portfolio Cycle

Dear Ms. Nutter:

The Association of Bay Area Governments (ABAG) intends to provide the San Francisco Department of Environment with a budget not to exceed \$931,000 for services related to the San Francisco Bay Area Regional Energy Network (BayREN). This budget may be adjusted depending on program changes

This funding will be used to primarily support the following activities:

- Delivery of a regional codes and standards program
- Other activities related to the implementation of BayREN programs

ABAG will work with SF Environment to finalize the scopes of work and the terms of and conditions and execute the final contract as soon as possible.

Sincerely,
