EXECUTIVE SUMMARY

Legislative Objectives

- The proposed supplemental appropriation ordinances would (1) de-appropriate $71,016 in permanent salaries and re-appropriate $71,016 to overtime in the Public Utilities Commission's (PUC) Hetch Hetchy Enterprise (File 13-0364); and (2) de-appropriate $250,000 in debt service and re-appropriate $250,000 to overtime in the PUC's Water Enterprise (File 13-0366).

Key Points

- The Hetch Hetchy Water and Power Enterprise incurred overtime in excess of the budget for Powerhouse Operators due to vacant positions as well as mandated scheduling requirement.
- The Water Enterprise incurred overtime in excess of the budget due to repair work needed for a leaking valve in the regional water system transmission pipeline (Bay Division No. 4) in January 2013, and a major transmission pipeline failure in San Mateo County in February 2013.

Fiscal Impact

- The Hetch Hetchy Water and Power Enterprise's FY 2012-13 budget for overtime is $854,841 and projected use of overtime is $925,857, or $71,016 more than the budget.
- The Water Enterprise's FY 2012-13 budget for overtime is $1,592,638 and projected use of overtime is $1,842,638, or $250,000 more than the budget.
- the FY 2012-13 overtime expenditures exceeding the budget would be paid by the transfer of surplus permanent salaries in the Hetch Hetchy Enterprise operating budget ($71,016) and transfer of surplus debt service funds in the Water Enterprise operating budget ($250,000)

Recommendation

- Approve the proposed ordinances.
MANDATE STATEMENT / BACKGROUND

Mandate Statement

Charter Section 9.105 requires Board of Supervisors' approval of Annual Appropriation Ordinance amendments, after the Controller certifies the availability of funds.

Administrative Code Section 3.17, which was approved by the Board of Supervisors in September of 2011, requires that the Annual Appropriation Ordinance contain a separate overtime appropriation within the Airport, Fire, Emergency Management, Police, Public Health, Public Utilities, Public Works, Recreation and Park and Sheriff Departments' operating budgets. In accordance with Administrative Code Section 3.17(b), these nine City departments must also request a supplemental appropriation, which is subject to Board of Supervisors approval, if their overtime expenditures are expected to exceed the annual overtime appropriation.

DETAILS OF PROPOSED LEGISLATION

The PUC is proposing de-appropriation of certain FY 2102-13 surplus expenditures and re-appropriation to pay for FY 2012-13 overtime expenditures that exceed the budget, as shown in Table 1.

According to Ms. Cheryl Sperry, PUC Principal Administrative Analyst, the Hetch Hetchy Water and Power Enterprise incurred overtime in excess of the budget for Powerhouse Operators due to vacant positions as well as mandated scheduling requirements in the Memorandum of Understanding (MOU) between the City and the International Brotherhood of Electrical Workers, Local 6, which represents Powerhouse Operators. According to Ms. Sperry, the City and Local 6 are scheduled for arbitration on these scheduling requirements in September 2013.

According to Mr. David Briggs, PUC Regional and Local Water System Manager, the Water Enterprise incurred overtime in excess of the budget due to repair work needed for a leaking valve in the regional water system transmission pipeline (Bay Division No. 4) in January 2013, and a major transmission pipeline failure in San Mateo County in February 2013. According to Mr. Briggs, the Water Enterprise will prioritize the highest needs for overtime for the remainder of the fiscal year.
Approval of the proposed supplemental appropriations requires a two-third vote of the Board of Supervisors.

**FISCAL IMPACT**

The Hetch Hetchy Water and Power Enterprise’s FY 2012-13 budget for overtime is $854,841 and projected use of overtime is $925,857, or $71,016 more than the budget.

The Water Enterprise’s FY 2012-13 budget for overtime is $1,592,638 and projected use of overtime is $1,842,638, or $250,000 more than the budget.

As noted in Table 1 above, the FY 2012-13 overtime expenditures exceeding the budget would be paid by the transfer of surplus permanent salaries in the Hetch Hetchy Enterprise operating budget ($71,016) and transfer of surplus debt service funds in the Water Enterprise operating budget ($250,000).

**RECOMMENDATION**

Approve the proposed ordinances.
