Item 1
File 13-0318
Department: San Francisco Municipal Transportation Agency

EXECUTIVE SUMMARY

Legislative Objective

The proposed ordinance would (1) amend the City’s Transportation Code, Division I, Section 4.4 authorizing the San Francisco Municipal Transportation Agency (SFMTA) Board of Directors, who serve as the Service Authority for the Abatement of Abandoned Vehicles (AVA) program, to extend the annual $1 AVA fee on all owners if vehicles that are registered to San Francisco City residents for a ten-year period beginning June 1, 2013 through May 31, 2023, and (2) make technical corrections to minor errors that were made in the existing Transportation Code, Division I, Section 4.4.

Key Points

- The California Vehicle Code allows counties to establish a Service Authority to administer the Abandoned Vehicle Abatement (AVA) program which removes abandoned vehicles or vehicle parts that could cause potential harm to people, encourage urban blight or pose a fire hazard from City streets. Pursuant to the San Francisco Transportation Code Article 4.4(a), the SFMTA Board of Directors serves as ex officio members of the Service Authority for the AVA program.
- The California Vehicle Code allows the Service Authority to impose an annual $1 fee to offset a portion of participating counties’ AVA program costs which is paid together with vehicle registration fees which are collected and apportioned by the California Department of Motor Vehicles (DMV) to participating counties. The current AVA fee charged to owners of vehicles registered in San Francisco is set to expire May 31, 2013, and may be renewed for an additional ten-year period with a two-thirds vote of approval by the Board of Supervisors.
- The SFMTA Board of Directors approved a resolution on April 2, 2013 recommending that the Board of Supervisors approve the extension of the annual $1 AVA fee for an additional ten-year period beginning June 1, 2013 through May 31, 2023.
- The AVA fee is used to offset SFMTA’s costs associated with the abatement of abandoned vehicles or parts of vehicles that could cause potential harm to people, result in urban blight or pose a fire hazard. In FY 2011-12, SMFTA received 15,318 phone calls from the public reporting abandoned vehicles and towed 1,035 abandoned vehicles.

Fiscal Impact

- The City and County of San Francisco received $515,309 in Abandoned Vehicle Abatement (AVA) fee revenues in FY 2011-12 and is projected to receive $464,791 in FY 2012-13.
- The estimated abandoned vehicle abatement fee revenues for FY 2012-13 of $464,791 would recover an estimated 43.3 percent of SFMTA’s total estimated FY 2012-13 AVA program operating costs of $1,073,845

Recommendation

- Approve the proposed ordinance.
MANDATE STATEMENT & BACKGROUND

Mandate Statement

Charter Section 2.105 provides that legislative acts by ordinance be subject to approval by the Board of Supervisors.

Pursuant to Section 9250.7 (g) of the California Vehicle Code, the passage of this ordinance required a two-thirds’ vote of the Board of Supervisors.

Background

In 1990, Section 22710 was added to the California Vehicle Code allowing counties to establish a Service Authority to administer the Abandoned Vehicle Abatement (AVA) program which removes abandoned vehicles or vehicle parts that could cause potential harm to people, encourage urban blight or pose a fire hazard from City streets. Pursuant to the San Francisco Transportation Code Article 4.4(a), the San Francisco Municipal Transportation Agency (SFMTA) Board of Directors serves as ex officio members of the Service Authority for the AVA program.

Section 9250.7 of the Vehicle Code allows the Service Authority to impose an annual $1 fee to offset a portion of participating counties’ program costs. The annual $1 AVA fee is paid by owners of vehicles registered to San Francisco residents together with the vehicle registration fees paid to the California Department of Motor Vehicles (DMV). The AVA fees that are paid to the State are apportioned by the DMV to participating counties. Section 9250.7(g) of the California Vehicle Code also provides that the annual $1 AVA fee charged to owner of vehicles registered to San Francisco residents will remain in effect for up to ten years, but may be renewed for an additional ten-year period with a two-thirds vote of approval by the Board of Supervisors.

In 2002, the Board of Supervisors authorized renewal of the $1 AVA fee which was effective beginning June 1, 2003 and will expire May 31, 2013 (Resolution No. 626-01; File No. 021475). The SFMTA Board of Directors approved a resolution on April 2, 2013 recommending that the Board of Supervisors approve the extension of the $1 AVA fee for an additional ten-year period beginning June 1, 2013 through May 31, 2023.

DETAILS OF PROPOSED LEGISLATION

The proposed ordinance would (1) amend the City’s Transportation Code, Division I, Section 4.4 authorizing the SFMTA Board of Directors, who serve as the Service Authority for the Abatement of Abandoned Vehicles (AVA) program, to extend the annual $1 AVA fee charged to owners of vehicles that are registered to San Francisco City residents for the ten-year period beginning June 1, 2013 through May 31, 2023, and (2) make technical corrections to minor errors in the existing Transportation Code, Division I, Section 4.4.
The AVA fee is used to offset SFMTA’s costs associated with the abatement of abandoned vehicles or parts of vehicles that could cause potential harm to people, result in urban blight or pose a fire hazard. As shown in Table 1 below, in FY 2011-12, SMFTA received 15,318 phone calls from the public reporting abandoned vehicles and towed 1,035 of the abandoned vehicles.

According to Ms. Lorraine Fuqua SFMTA’s Manager of On-Street Parking Services Contracts, each call received by SFMTA’s Customer Service Center (311) reporting an abandoned vehicle requires SFMTA enforcement staff to: (1) follow-up on the initial phone call and collect and record the abandoned vehicle’s information, (2) verify that the vehicle is abandoned by visiting the location where the vehicle was reported to be abandoned, (2) issue a warning notice on the vehicle, (3) revisit the abandoned vehicle after a set period of time to confirm that the vehicle is truly abandoned, and (4) if abandoned, tow or dispose of the vehicle as needed.

As shown in Table 2 below, the City and County of San Francisco realized $515,309 in Abandoned Vehicle Abatement (AVA) fee revenues in FY 2011-12 and is projected to realize $464,791 in AVA fee revenues in FY 2012-13.

RECOMMENDATION

Approve the proposed ordinance.
April 9, 2013

The Honorable Members of the Board of Supervisors
City and County of San Francisco
City Hall, Room 244
1 Dr. Carlton Goodlett Place
San Francisco, CA 94102

Subject: Authorizing the Extension of the Abandoned Vehicle Abatement Fee from June 1, 2013 until May 31, 2023

Honorable Members of the Board of Supervisors:

The purpose of this briefing is to notify the Board of Supervisors that San Francisco’s Abandoned Vehicle Abatement (AVA) fee, in effect since 1992, will expire on May 31, 2013, and to request that the Board authorize extension of the fee until May 31, 2023.

Background

In 1990, Section 22710 was added to the California Vehicle Code to allow counties to establish a Service Authority to administer the Abandoned Vehicle Abatement (AVA) program. Through the program, abandoned vehicles or vehicle parts that promote blight or constitute a fire or health hazard may be removed from private property, and public property, including City streets. Section 9250.7 of the Vehicle Code allows a Service Authority to impose a $1 fee to mitigate the county’s program costs. The $1 fee is paid along with vehicle registration fees collected by the California Department of Motor Vehicles. Funds collected are apportioned by the State Controller to all participating counties. Section 9250.7 provides that the AVA fee expires after ten years, but may be renewed with approval of the Board of Supervisors by a two-thirds vote. Upon such approval, the Service Authority may impose the AVA fee for an additional period of up to ten years.

In 1992 the Board of Supervisors established a Service Authority for the City and County of San Francisco, designated the members of the Department of Parking and Traffic Commission to serve ex officio as the members of the Service Authority, and approved imposition by the Service Authority of the AVA fee. (Ordinance No. 229-92; File No. 124-92-7.) In 2002, the Board of Supervisors authorized renewal of the AVA to run from June 1, 2003 until May 31, 2013. (Resolution No. 626-01; File No. 021475.) The Board of Supervisors designated the San Francisco Municipal Transportation Agency Board of Directors (SFMTA Board) to serve as the Service Authority in 2008. (San Francisco Transportation Code Section 4.4(a).) In order to continue the program, the Board of Supervisors, by a two-thirds vote, must approve extension of the fee until May 31, 2023, and the SFMTA Board, as the Service

Authority, must extend the $1 AVA fee for an additional 10 years. The SFMTA Board extended the AVA fee on April 2, 2013 (Resolution 13-039), contingent upon the Board of Supervisors' approval of the extension.

Funding Impact
In order to receive San Francisco's apportionment of fees collected for the statewide AVA program, the SFMTA submits annual program costs for the program to the State Controller's Office. Failure to renew the program or extend the fee would result in a loss of funds in the operating budget of approximately $500K annually. Exact figures received from the state for program support for the last 10 fiscal years are listed below:

Recommendation
In order to ensure that funding support for the City's participation in the California Abandoned Vehicle Abatement Program continues, the SFMTA recommends that the Board of Supervisors approve extension of the AVA fee from June 1, 2013 through May 31, 2023.

Thank you for your consideration of this proposed agreement. Should you have any questions or require more information, please do not hesitate to contact me at any time.

Subject: Environmental Review Request—extension of assessment of $1 Abandoned Vehicle Abatement Fee

Dear Mr. Robbins:

The San Francisco Municipal Transportation Agency (SFMTA) and Parking Authority Commission is requesting environmental review the proposed continuation of the assessment of a $1.00 fee for abatement of abandoned vehicles. The proposed modification is listed in the following attachment. We believe that this modification is exempt from environmental review for the purpose of:

1. Meeting operating expenses, including employee wage rates and fringe benefits;
2. Purchasing or leasing supplies, equipment or materials;
3. Meeting financial reserve needs and requirements; and
4. Obtaining funds for capital projects necessary to maintain service within existing service areas.

The SFMTA Board of directors held a public hearing on April 2, 2013, and the Board of Supervisors will hold additional meetings in April to consider this matter.

Thank you for your assistance.

Sincerely,

Lorraine R. Fuqua
SFMTA Manager, On-Street Parking Service Contracts
