Re: File 130655

Dear Ms. Miller,

I have reviewed your correspondence dated June 27, 2013 regarding Supervisor John Avalos' resolution proposing to add the original street names of "China", "Japan" and "India" to the current streets signs "Excelsior", "Avalon" and "Peru" respectively.

The San Francisco Fire Department has no objections to the proposal and is in support of Land Use and Economic Development Committee's resolution.

When the resolution is passed, my recommendation is that the Department of Emergency Management be contacted in order for the street name additions to be entered into the Computer Assisted Dispatch (CAD) system.

If I can provide additional information regarding this issue, please do not hesitate to contact me at (415) 558-3401.

Very truly yours,

Joanne Hayes-White
Chief of Department

cc: Supervisor John Avalos, District 11
