RE: Proposed Ordinance File # 100472
Access Appeals Commission – Notice to Mayor's Office of Disability

Honorable Members of the Commission:

At the regular meeting of July 14, 2010, the full Code Advisory Committee (CAC) deliberated on a proposed ordinance (Supervisor Alioto-Pier File #100472) amending the San Francisco Building Code by adding Section 105A.3.10 to require that an agenda and packet of materials for each matter to be decided by the Access Appeals Commission shall be sent to the Mayor's Office of Disability at the same time and in the same manner as they are sent to the Commission members. The CAC voted unanimously to recommend revision of the ordinance to include only those projects within the jurisdiction of the Mayor's Office on Disability.

The CAC duly forwards this recommendation to the Building Inspection Commission for their further action.

Respectfully submitted,

Dear Ms. Cavillo:

On Thursday, April 22nd I received your memorandum referring a proposed amendment to the San Francisco Building Code to the Access Appeals Commission for comment. I have been advised that such code changes are not within the prevue of this Commission but are the responsibility of the Building Inspection Commission (BIC).

In light of this, I have forwarded the document to the Secretary of the Building Inspection Commission. The BIC oversees distribution of such amendments to the appropriate committees and provides for the required public comment periods etc.

Should you have any questions please feel free to contact me or the Technical Services Division (558-6205)

Sincerely,

Richard J. Halloran
Building Inspector
