Resolution enacting angle parking regulations on the east side of Noe

WHEREAS, The Department of Parking and Traffic, at the request of the

community and of Supervisor Bevan Dufty's office, has surveyed the area of Noe Street between 29th and Day Streets and has found no impediment to angled parking; and

WHEREAS, Angled parking will increase the number of parking spaces available on this block, mitigating the parking impact of a concurrent proposal to enact a school bus loading zone at Mission Education Center on Noe and 30th Streets; now, therefore, be it

RESOLVED. That, in accordance with the provisions of the California Vehicle Code and the San Francisco Traffic Code, the following regulations upon the parking of vehicles are hereby enacted or rescinded as designated below:

90-DEGREE ANGLE PARKING - ESTABLISH

Noe Street, east side, between 29th and Day Streets

Categorically exempt from Environmental Review Class 1(c)(9) changes in the traffic and parking regulations where such changes do not establish a higher speed limit or result in more than a neclicible increase in the use of the
