12 written consent to the special tax of all of the owners of each property that may be subject to the special

20 **SEC. 43.10.17. ALTERNATE PROCEDURE FOR FORMING SPECIAL TAX DISTRICTS.**

21 (a) As an alternate and independent procedure for forming a special tax district, the Board of
22 Supervisors may form a special tax district that initially consists solely of territory proposed for
23 annexation to the special tax district in the future, with the condition that a parcel or parcels within
24 that territory may be annexed to the special tax district and subjected to the special tax only with the
25

1 unanimous approval of the owner or owners of such parcel or parcels at the time that such parcel or
2 those parcels are annexed. In such case, the Board of Supervisors shall follow the procedures set forth
3 in the Act for the formation of a community facilities district, with the following exceptions:

4 (i) The Board of Supervisors shall not be obligated to specify the rate or rates of special
5 tax in the resolution of intention or the resolution of formation, provided that the rate of special
6 tax applicable to a parcel or parcels shall be specified in the unanimous approval described in
7 this Section relating to such parcel or parcels.

8 (ii) In lieu of approval pursuant to an election held in accordance with the procedures
9 set forth in this Article and in Sections 53326, 53327, 53327.5 and 53328 of the Act, the
10 appropriations limit for the special tax district, the applicable rate, method of apportionment
11 and manner of collection of special tax and the authorization to incur bonded indebtedness for
12 the special tax district shall be specified and approved by the unanimous approval of the owner
13 or owners of each parcel or parcels at the time that such parcel or parcels are annexed to the
14 special tax district. No additional hearings or procedures are required, and such unanimous
15 approval shall be deemed to constitute a unanimous vote in favor of the appropriations limit for
16 the special tax district, the authorization to levy the special tax on such parcel or parcels and
17 the authorization to incur bonded indebtedness for the special tax district.

18 (iii) This subsection establishes the applicable protest provisions in the event the City
19 forms a special tax district pursuant to the procedures set forth in this Section. If 50 percent or
20 more of the registered voters, or six registered voters, whichever is more, residing within the
21 territory proposed to be annexed to the special tax district in the future, or if the owners of one-
22 half or more of the area of land proposed to be annexed in the future and not exempt from the
23 special tax, file written protests against establishment of the special tax district, and protests
24 are not withdrawn so as to reduce the protests to less than a majority, no further proceedings to
25

1 form the special tax district shall be undertaken for a period of one year from the date of
2 decision of the Board of Supervisors on the issues discussed at the hearing. If the majority
3 protests of the registered voters or of the landowners are only against the furnishing of a
4 specified type or types of facilities or services within the district, or against levying a specified
5 special tax, those types of facilities or services or the specified special tax shall be eliminated
6 from the resolution of formation.

7 (iv) The Board of Supervisors shall not record a notice of special tax lien against any
8 parcel or parcels in the special tax district until such time as the owner or owners of such
9 parcel or parcels have given their unanimous approval of such parcel or parcels' annexation to
10 the special tax district, at which time the notice of special tax lien shall be recorded against
11 such parcel or parcels as set forth in Section 53328.3 of the Act.

12 (b) Notwithstanding the provisions of Section 53340 of the Act, after adoption of the resolution
13 of formation for a special tax district described in subdivision (a) hereof, the Board of Supervisors may,
14 by ordinance, provide for the levy of the special taxes on parcels that will annex to the special tax
15 district at the rate or rates to be approved by unanimous approval of the owner or owners of each
16 parcel or parcels to be annexed to the special tax district and for apportionment and collection of the
17 special taxes in the manner specified in the resolution of formation. No further ordinance shall be
18 required even though no parcels may then have annexed to the special tax district.

19 (c) Notwithstanding the provisions of Section 53359, an action to determine the validity of any
20 special taxes levied pursuant to this Article and authorized pursuant to the procedures set forth in this
21 Section shall be brought pursuant to Chapter 9 (commencing with Section 860) of Title 10 of Part 2 of
22 the Code of Civil Procedure but shall, notwithstanding the time limits specified in Section 860 of the
23 Code of Civil Procedure, be commenced within 30 days after the adoption of the resolution of
24 formation if the action is brought by an interested person pursuant to Section 863 of the Code of Civil
25

1 Procedure. Any appeal from a judgment in that action or proceeding shall be commenced within 30
2 days after entry of judgment.

4 **TITLE 3 - PROVISIONS RELATING TO BONDS**

6 **SEC. 43.10.18. ALTERNATE PROCEDURE FOR APPROVING ISSUANCE OF BONDS.**

7 (a) As an alternate and independent procedure for conducting an election on the proposition to
8 authorize bonded indebtedness for a special tax district formed pursuant to Section 43.10.17, and in
9 lieu of the procedure set forth in this Article and in Sections 53353.5, 53354 and 53355 of the Act, the
10 proposition to authorize bonded indebtedness may be approved by the owner or owners of a parcel or
11 parcels of property at the time that the parcel or parcels are annexed to the special tax district
12 pursuant to the unanimous approval described in 43.10.17. No additional hearings or procedures are
13 required, and such unanimous approval shall be deemed to constitute a unanimous vote in favor of
14 such proposition.

15 (b) Notwithstanding the provisions of Section 43.10.11, an action to determine the validity of
16 any bonds issued pursuant to this Article and authorized pursuant to the procedures set forth in this
17 Section 43.10.18 shall be brought pursuant to Chapter 9 (commencing with Section 860) of Title 10 of
18 Part 2 of the Code of Civil Procedure but shall, notwithstanding the time limits specified in Section 860
19 of the Code of Civil Procedure, be commenced within 30 days after the effective date of the resolution
20 described in Section 53351 if the action is brought by an interested person pursuant to Section 863 of
21 the Code of Civil Procedure. Any appeal from a judgment in that action or proceeding shall be
22 commenced within 30 days after entry of judgment.

1 **SEC. 43.10.19. REFUNDING BONDS; USE OF SAVINGS.**

2 *Bonds may be issued under this Article to refund any outstanding special tax bonds, whether*
3 *fixed lien bonds or any other improvement or special tax bonds, including ad valorem assessment or*
4 *revenue bonds. Any savings achieved through the issuance of refunding bonds may be used by the City*
5 *in any manner that it determines to be in the best financial interests of the City.*

6
7 **TITLE 4 - SUPPLEMENTAL PROVISIONS**

8
9 **SEC. 43.10.20. LIBERAL CONSTRUCTION.**

10 *This chapter is to be liberally construed.*

11
12 **SEC. 43.10.21. OMISSIONS DO NOT IMPACT VALIDITY.**

13 *Any proceedings taken or special tax levied pursuant to this Article shall not be held invalid for*
14 *failure to comply with the provisions of this Article provided such failure is not a constitutional defect.*

15
16 **SEC. 43.10.22. ARTICLE CONTROLLING.**

17 *To the extent that the provisions of this Article are inconsistent with the provisions of any*
18 *general statute or special act or parts thereof the provisions of this Article shall be deemed controlling.*

19
20 **SEC. 43.10.23. SEVERABILITY.**

21 *If any provisions of this Article or the application thereof to any person or circumstance is held*
22 *invalid, such invalidity shall not affect any other provision or application of this Article which can be*
23 *given effect without the invalid provision or application, and to this end the provisions of this Article*
24 *are declared to be severable. The Board of Supervisors hereby declares that it would have adopted and*
25
