FILE NO. 080417

[National Start! Walking Day.]

Resolution proclaiming April 16, 2008 as "National Start! Walking Day" in San Francisco.

WHEREAS, Cardiovascular diseases, including heart disease and stroke, are the nation's leading cause of death and disability, with 1.2 million Americans suffering a new or recurrent coronary attack each year and 780,000 suffering a new and recurrent stroke; and

WHEREAS, Regular walking has many proven benefits for an individual's overall health and brisk walking for at least 30 minutes a day can lower both bad cholesterol (LDL) levels and high blood pressure; and

WHEREAS, Walking can help individuals who are overweight achieve and maintain weight loss and reduce their risk of stroke; and

WHEREAS, If ten percent of Americans began a regular walking program, \$5.6 billion in heart disease costs could be saved; and

WHEREAS, Promoting a culture of physical activity, corporate America can decrease healthcare costs, increase productivity, and improve the quality of life and longevity of the US workforce; and

WHEREAS, The American Heart Association's Start! movement calls on everyone to wear sneakers and Start! Walking; now, therefore, be it

RESOLVED, That the San Francisco Board of Supervisors hereby proclaims April 16, 2008 as "National Start! Walking Day" in San Francisco to encourage walking and support the fight against heart disease.
