[Amendment - San Francisco Tourism Improvement District Management District Plan]

Resolution approving an amendment to the San Francisco Tourism Improvement
District Management District Plan, in accordance with California Streets and Highways
Code, Section 36636, to require monthly, instead of quarterly, assessment, collection
and distribution of assessment funds by the Office of the Treasurer and Tax Collector.

WHEREAS, On October 28, 2008, acting in accordance with Article XIIID of the California Constitution, Section 53753 of the California Government Code, and the California Property and Business Improvement District Law of 1994 (Part 7 of Division 18 of the California Streets and Highways Code, commencing with Section 36600), as augmented by Article 15 of the San Francisco Business and Tax Regulations Code, the Board of Supervisors adopted Resolution No. 430-08 ("Resolution of Intention") declaring the Board's intention to form a business-based business improvement district and to levy assessments on businesses to be included within the district, setting the public hearing, initiating mail ballot majority protest proceedings, approving the Tourism Improvement District Management District Plan (the "Management District Plan" or "Plan"), making various findings and taking other legislative actions required to form the proposed district and levy the proposed assessments. The Management District Plan is on file with the Clerk of the Board of Supervisors in File No. 081338, which is hereby declared to be a part of this resolution as if set forth fully herein; and,

WHEREAS, On December 16, 2008, acting in accordance with the aforementioned legal authorities, the Board of Supervisors adopted Resolution No. 504-08 ("Resolution of Formation"), establishing the business-based business improvement district designated as the "San Francisco Tourism Improvement District" (the "District") and levying multi-year

assessments on hotels included within the District (the "Assessments") (Board File No. 081517); and,

WHEREAS, The Management District Plan requires quarterly billing and/or submittal of assessment forms, quarterly payment of assessments by the hotels, and quarterly distribution of assessment funds to the District, stating:

The TID assessment will be collected by the Treasurer and Tax Collector of the City and County of San Francisco (hereinafter the "Treasurer and Tax Collector"). The Treasurer and Tax Collector shall transfer the assessment payments on a quarterly basis to a newly established non-profit corporation known as the San Francisco Tourism Improvement District Management Corporation (hereinafter "SFTIDMC") (Management District Plan, p. 6); and,

The hotels subject to the TID assessments will be billed quarterly and/or will complete a quarterly assessment payment form provided by the Treasurer and Tax Collector, as called for in the management contract with the TID. The assessment payments will be remitted by hotels on a quarterly basis to the Treasurer and Tax Collector based on the gross revenue collected for tourist guest rooms each quarter during the calendar year. The assessments collected by the Treasurer and Tax Collector will be distributed to the SFTIDMC on a quarterly basis.

Nonpayment of the TID assessment may subject hotels to penalties, interest, and possibly other remedies. (Management District Plan, page 24)

WHEREAS, Section 5(b) of the Resolution of Formation also requires quarterly assessments, payments, and distribution of payments stating:

The method and basis of levying and collecting the assessment shall be as set forth in the Management District Plan. As provided in the Management District Plan, assessments will be based on specified percentages of gross revenues from tourist rooms as defined. The TID assessment payments will be submitted by hotels on a quarterly basis to the City Treasurer and Tax Collector or his or her designee, or as otherwise designated by the Board of Supervisors, based on the gross revenue collected for tourist guest rooms each quarter during the calendar year. The hotels assessed by the TID will be billed quarterly and/or will complete a quarterly assessment payment form provided by the City. The assessments collected will be distributed to the District four (4) times per year pursuant to a management contract between the City and the non-profit corporation that will manage the District.

WHEREAS, On October 1, 2013, the Board of Supervisors adopted Ordinance No. 206-13 (Board File No. 130784), authorizing the Treasurer and Tax Collector to collect transient occupancy taxes on a monthly basis. The Treasurer and Tax Collector will be implementing a new system for the monthly collection of taxes on January 1, 2014, which for efficiency, would also be employed for the assessment and collection of assessment funds; and,

WHEREAS, San Francisco Tourism Improvement District Management Corporation ("SFTIDMC"), the Owners' Association, for the District, in accordance with Section 36636 of the California Streets and Highways Code, has requested by letter dated November 6, 2013 to the Board of Supervisors that the Management District Plan be amended to provide for

monthly, instead of quarterly, assessment, payment, and distribution of funds based on gross revenue collected for tourist rooms each month (the "SFTIDMC Letter"), a copy of which is on file with the Clerk of the Board of Supervisors in File No. 131127, which is declared to be a part of this resolution as if set forth fully; and,

WHEREAS, Allowing monthly assessments, payment and distribution of funds as of January 1, 2014 is in the best interest of the City and District, and satisfies the request of the Owners' Association; and,

WHEREAS, The Planning Department has determined that the actions contemplated in this Resolution comply with the California Environmental Quality Act (California Public Resources Code Sections 21000 et seq.). Said determination is on file with the Clerk of the Board of Supervisors in File No. 131127 and is incorporated herein by reference;

now, therefore, be it

RESOLVED, that the Board of Supervisors declares as follows:

Section 1. AMENDMENT TO MANAGEMENT DISTRICT PLAN. The Management District Plan currently states:

The TID assessment will be collected by the Treasurer and Tax Collector of the City and County of San Francisco (hereinafter the "Treasurer and Tax Collector"). The Treasurer and Tax Collector shall transfer the assessment payments on a quarterly basis to a newly established non-profit corporation known as the San Francisco Tourism Improvement District Management Corporation (hereinafter "SFTIDMC") (Management District Plan, p. 6); and,

The hotels subject to the TID assessments will be billed quarterly and/or will complete a quarterly assessment payment form provided by the Treasurer and Tax Collector, as

called for in the management contract with the TID. The assessment payment will be remitted by hotels on a quarterly basis to the Treasurer and Tax Collector based on the gross revenue collected for tourist guest rooms each quarter during the calendar year. The assessments collected by the Treasurer and Tax Collector will be distributed to the SFTIDMC on a quarterly basis.

Nonpayment of the TID assessment may subject hotels to penalties, interest, and possibly other remedies. (Management District Plan, page 24)

Effective January 1, 2014, the preceding text of the Management Plan shall be amended to state the following in accordance with the TID Letter:

The TID assessment will be collected by the Office of the Treasurer and Tax Collector of the City and County of San Francisco (hereinafter the "Treasurer and Tax Collector"). The Treasurer and Tax Collector shall transfer the assessment payments on a monthly basis to a non-profit corporation known as the San Francisco Tourism Improvement District Management Corporation (hereinafter "SFTIDMC"). (Management District Plan, p. 6); and,

The hotels subject to the TID assessments will be billed monthly and/or will complete a monthly assessment payment form provided by the Treasurer and Tax Collector, as called for in the management contract with the TID. The assessment payment will be remitted by hotels on a monthly basis to the Treasurer and Tax Collector based on the gross revenue collected for tourist guest rooms each month during the calendar year.

The assessments collected by the Treasurer and Tax Collector will be distributed to the SFTIDMC on a monthly basis.

Nonpayment of the TID assessment may subject hotels to penalties, interest, and other remedies as provided in Article 6 of the San Francisco Business and Tax Regulation Code as it may be amended from time to time. (Management District Plan, p. 24)

Notwithstanding anything else in the Plan, the intent of this Resolution is to allow the monthly collection of assessments by the Treasurer and Tax Collector, monthly payment of assessment funds by the hotels, and monthly distribution of funds by the Treasurer and Tax Collector to the District. Notwithstanding anything to the contrary in the Resolution of Formation, as of January 1, 2014, the Treasurer and Tax Collector shall act in accordance with the amendments to the Management Plan in this Section. A copy of the amended Management Plan is is on file with the Clerk of the Board of Supervisors in File No. 131127, which is hereby declared to be a part of this resolution as if set forth fully herein.

Section 2. DELIVERY. The Clerk of the Board of Supervisors shall cause certified copies of this Resolution to be delivered to the Owners' Association (SFTIDMC), the Office of Economic and Workforce Development, and the Treasurer and Tax Collector.

Re: Request to Modify Management Plans of San Francisco Tourism Improvement

District and Moscone Center Expansion District

Hon. Members of the Board of Supervisors:

San Francisco Tourism Improvement District Management Corporation, a California nonprofit corporation (the Corporation), serves as the "owners' association" for the San Francisco Tourism Improvement District (TID) and the Moscone Center Expansion District (MED). We understand that the Board of Supervisors has adopted Ordinance No. 206-13 (File No. 130748) that amends Article 6 of the San Francisco Business and Tax Regulation Code to authorize the Treasurer & Tax Collector's Office of the City and County of San Francisco (TTX) to collect the City's Transient Occupancy Tax (TOT) on a monthly, rather than a quarterly basis, beginning effective January 1, 2014. We also understand that the Ordinance amends Article 6 of the Business & Tax Regulations Code, which among other things, through the management plan for the MED governs the collection and enforcement of the MED assessments, and by amendment to the management plan for the TID would govern the collection and enforcement of the TID assessments. In connection with those proposed changes, and to provide for greater efficiencies, TTX has asked the Corporation to request that the Board of Supervisors modify the TID and MED Management Plans to (1) allow for the TID and MED assessments to be collected and disbursed on a monthly, rather than a quarterly basis, and (2) clarify that the TID and MED assessments will be collected and enforced pursuant to Article 6 of the Business & Tax Regulations Code, as it may be amended from time to time.

Attached as Exhibits A and B to this letter, respectively, are proposed amendments to the TID Management Plan and the MED Management Plan, which make the changes summarized in the prior paragraph. Based on the Corporation's understanding set forth in this letter, pursuant to sections 36635 and 36636 of the California Streets & Highways Code, Corporation, in its capacity as owners' association of the TID and MED, hereby requests that the TID Management Plan and the MED Management Plan be amended as set forth in Exhibits A and B, hereto. Corporation makes this request on condition that the proposed modifications would become effective only if and when the City begins collection of the TOT on a monthly basis, and upon enactment of the proposed changes to Article 6. Except as expressly set forth

Members of the Board of Supervisors c/o Angela Cavillo Clerk of the Board of Supervisors November 6, 2013 Page 2

in Exhibits A and B, Corporation requests no other modifications to either management plan, and expressly objects to any modifications of those plans other than as set forth in Exhibits A and B.

Thank you for your continued support of the San Francisco Tourism Improvement District and the Mosone Center Expansion District.

Very truly yours,

tinda Palermo

A. EXECUTIVE SUMMARY

OVERVIEW

Travel and tourism is San Francisco's largest industry, generating over \$8 billion in annual economic impact.¹ However, the San Francisco Convention & Visitors Bureau (hereinafter "SFCVB"), which operates the convention and hotel sales and marketing efforts for San Francisco, does not have adequate, reliable resources to grow or even maintain current market share of the convention, business and leisure business.² The hotel industry is a significant employment sector in the City and it relies on a robust travel and tourism industry for its survival. San Francisco competes for tourist and convention business with cities throughout the world. Some of those destinations such as San Diego and Los Angeles are taking away a significant market share of the tourism business from San Francisco due to their improved marketing/promotion activities and convention facility budgets. As a result local hotels need more resources. Expanding the SFCVB marketing and sales programs and improving the Moscone Convention Center, will immediately and directly help the local hotel industry better compete for business.

The Board of Directors of the SFCVB, comprised of representatives of all segments of the San Francisco tourism community, including hotels, attractions, and transportation providers, created the Sustainable Funding Task Force (hereinafter the "Task Force"). The Task Force explored various ways to increase marketing and programs for attracting convention, business and leisure visitors to the City. In January 2008, after six months of review, the Task Force chose a strategy employed by other cities in California, most recently the city of San Diego, whereby a business-based hotel assessment district is established to fund a specific set of services and improvements that directly benefits their industry sector.

In March 2008, the Task Force established a Tourism Improvement District Steering Committee, which hired New City America Inc., a company that has formed 8 property and/or business assessment districts in the City, to serve as its primary consultant in the development of a citywide Tourism Improvement District (hereinafter "TID").3

¹ See Appendix 1 for 2007 Estimate of Visitor Volume and Spending Report by SFCVB and Destination Analysts.

² See Appendix 2 for comparative destination marketing organization budgets.

³ Since October 2007, the Sustainable Funding Task Force and/or the Tourism Improvement District Steering Committee, have met thirteen times. The dates of those meetings were: October 1, 2007, November 13, 2007, January 22, 2008, March 12, 2008, April 8, 2008, May 19, 2008, June 11, 2008, July 1, 2008, August 27, 2008, September 17, 2008, October 6, 2008, November 11, 2008 and December 2, 2008.

The proposed TID is a key strategy designed to strengthen the local tourism hotel industry by 1) increasing funding available for SFCVB-created marketing programs that specifically target tourist hotels; and 2) by renovating and expanding the City's Moscone Center convention facilities.⁴

If adopted, the TID will be implemented in coordination with other revenue generating strategies recommended by the Task Force. The TID proposes to assess each tourist hotel in San Francisco a percentage of gross revenue from tourist rooms. The TID will be divided into two geographic areas to coincide with the expected benefits to be derived from establishment of the TID. Zone 1 includes tourist hotels that are anticipated to benefit more directly from the SFCVB marketing programs and convention facility upgrades proposed in this plan. Zone 2 includes tourist hotels that are generally located farther from the convention center facilities and related tourist attractions, and with somewhat different access to the City's transportation infrastructure, and as a result derive benefits somewhat less directly than tourist hotels located in Zone 1. The formulas used to calculate assessments in each zone are set forth below. The proposed TID would go into effect on January 1, 2009 with services beginning on July 1, 2009 and has a term of 15 years.

BENEFITS OF ADDITIONAL RESOURCES

The TID assessment revenues will approximately double funding currently available for SFCVB marketing and sales programs focused on tourist hotels, and will replace City general fund contributions to the SFCVB. In addition, the TID funds will approximately triple the current funds available to the Moscone Convention Center five-year capital improvement plan.

The Task Force is continuing to develop programs whereby additional touristserving businesses can contribute to targeted SFCVB activities and improvements. The focus here will be on enhanced tourist marketing programming for other specific types of businesses within the tourism and hospitality sectors such as: retail-centers, rental cars, San Francisco International Airport (SFO), land and sea tour operators and other hospitality and non-hotel sector businesses.

⁴ See Appendix 3 for TID Marketing Budget and Moscone Convention Center Capital Improvement Plan.

TID START DATE, ASSESSMENT FORMULA, COLLECTION PROCESS & PROJECTED REVENUE

If the TID is established, tourist hotels in San Francisco will be assessed as follows beginning on January 1, 2009:

- During years 1-5 of the TID, tourist hotels in Zone 1 will be assessed 1.5% of gross revenues from tourist rooms, and tourist hotels in Zone 2 will be assessed 1% of gross revenues from tourist rooms;
- During years 6-15 of the TID the assessment rate will decrease and, tourist hotels in Zone 1 will be assessed 1% of gross revenues from tourist rooms, and tourist hotels in Zone 2, will be assessed 0.75% of gross revenue from tourist rooms.

The TID assessment will be collected by the Office of the Treasurer and Tax Collector of the City and County of San Francisco (hereinafter the "Treasurer and Tax Collector"). The Treasurer and Tax Collector shall transfer the assessment payments on a quarterly-monthly basis to a newly established non-profit corporation known as the San Francisco Tourism Improvement District Management Corporation (hereinafter "SFTIDMC"). The SFTIDMC will manage and administer the TID pursuant to a management contract with the City as approved by the Board of Supervisors. The management contract may also include provisions identifying and defining procedures for collection and enforcement of the assessment, including, for example, hotel and recordkeeping requirements, audits, assessment of penalties and interest, claims, and refunds. No bonds will be issued to fund the TID.

TID assessments are projected to generate approximately \$27,000,000 in year one and be allocated as follows:

Two-thirds or approximately \$18,000,000 (representing the assessment for Zone 1 tourist hotels that constitutes 1% of gross revenues from tourist rooms, and the assessment for Zone 2 tourist hotels that constitutes 0.75% of gross revenues from tourist rooms) will be allocated to hotel-specific SFCVB marketing and sales programs as well as the associated operational costs of the SFCVB and the SFTIDMC.

One-third or approximately \$9,000,000 (representing the assessment for Zone 1 tourist hotels that constitutes 0.5% of gross revenues from tourist rooms, and the assessment for Zone 2 tourist hotels that constitutes 0.25% of gross revenues from tourist rooms) for the first five years of the District would be allocated to the renovation and upgrade of the Moscone Convention Center, as well as to planning, engineering, design and

entitlements for the possible expansion of the Moscone Convention Center. It is expected that a substantial portion of the \$9,000,000 will be applied to the renovation and upgrade of the Moscone Convention Center.

A proportional allocation would also be applied to the associated TID operational costs.

The City shall not collect assessments from any hotel or distribute assessments to the SFTIDMC unless and until the City authorizes the execution and delivery of approximately \$35 million of its certificates of participation, the proceeds of which would be used to pay for certain capital improvements at the Moscone Convention Center that will not be funded by the TID assessment funds.

MANAGEMENT AND EXPENDITURE OF TID ASSESSMENT FUNDS

The SFTIDMC will administer and allocate all TID revenues. The SFTIDMC will be governed by a Board of Directors ("SFTIDMC Board"), with the majority of seats allocated to the hotel industry and the balance of seats allocated to other visitor-related organizations in San Francisco.

The SFTIDMC Board will have full authority to manage the expenditure of all assessment funds collected through the TID for the purposes described in this Management Plan. The SFCVB will present an annual budget to the SFTIDMC outlining its hotel-specific marketing operations programs as well as Moscone upgrade programs that need funding from the TID assessments.

it continued north to the Bay, and north of 16th Street as if it continued east to the Bay.

The following tourist hotels in the City and County of San Francisco will be included in Zone 2:

 All tourist hotels with addresses west of Van Ness Avenue and South Van Ness Avenue, and all tourist hotels south of 16th Street.

Annual Budget and Duration:

The TID will have a duration of 15 years. The annual budget for year one is projected to be approximately \$27,000,000 during the first year. Of that amount, approximately \$18,000,000 will be allocated for programs and operations of the SFCVB and the costs of administration of the TID, and approximately \$9,000,000 will be allocated toward the renovation and upgrade of the City-owned Moscone Convention Center, as well as fund the planning, engineering and design for the possible expansion of the Moscone Center.

The maximum total assessment for the first five years of the TID is \$182,043,000. While the assessment formula will remain constant, actual assessments collected are expected to fluctuate annually, depending on market conditions. Although actual dollar amounts collected may vary, the proportionate allocations to the SFCVB component and to the Moscone Convention Center component are expected to remain approximately the same for all five years (two-thirds to SFCVB, one-third to Moscone Convention Center).

During years 6-15 of the TID, it will generate a maximum total assessment of \$735,085,395 for hotel-specific marketing programs and associated operational costs of the SFCVB, and the operational and administrative costs of the TID.

No bonds will be issued to fund this TID.

Annual Changes:

The assessment formula shall remain unchanged for the duration of the TID. The annual total gross revenue from tourist rooms is expected to fluctuate annually based on market conditions. The maximum TID assessment collected will not exceed the annual maximum assessment schedule as stated in this plan.

Definition of "gross revenues from hotel rooms" and types of hotel room visitors to be assessed

For purposes of calculating the TID assessment, "gross revenue from tourist rooms" means: the consideration received for occupancy valued in money, whether received in money or otherwise, including all receipts, cash, credits, and property of any kind or nature, without any deduction therefrom whatsoever. Gross revenue from tourist rooms will include only the following charges, regardless of how such charges are characterized:

- Charges for a guest room (including non-refundable deposits) regardless of whether the guest uses the room
- Charges for additional guests to occupy the room
- Charges for guaranteeing the availability of a room (sometimes referred to as guaranteed "no-show" charges) regardless of whether the guest uses the room (excluding event attrition fees and event cancellation fees paid by event organizers)

For purposes of this plan, "tourist room" and "guest room" are used interchangeably.

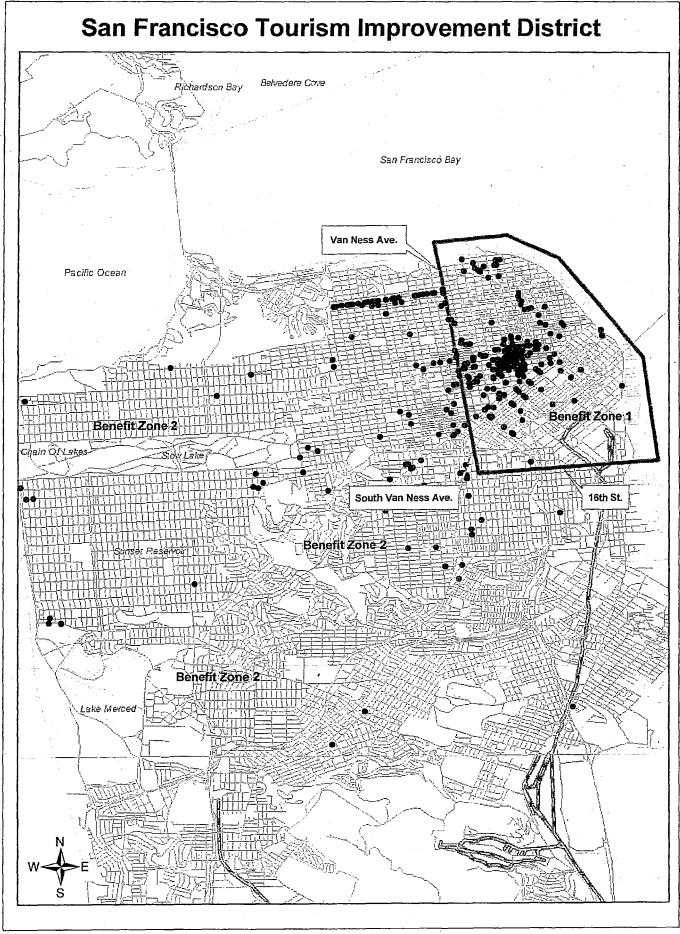

Gross revenue from tourist rooms does not include (a) charges for guest rooms occupied by permanent residents, defined as: "Any occupant as of a given date who has or shall have occupied, or has or shall have the right of occupancy, of any guest room in a hotel for at least 30 consecutive days next preceding such date;" (b) revenue from the lodging of airline crews, i.e., lodging provided to airline cockpit and/or cabin crews pursuant to an agreement between a hotel and an airline, which is in furtherance of or to facilitate such crews' performance of their jobs for the airline, including layovers between flights; or (c) the City's Transient Occupancy Tax collected on the room rent and remitted to the City and County of San Francisco. d) charges for guest rooms located in non-profit, purely private social clubs that make guest rooms available only for the use of their members. The term "purely private social clubs" means non-profit, private membership clubs, whose primary purpose is social, which are owned by a limited membership, and which do not advertise or promote the use of their facilities by the public. Further, entities that allow quest rooms to be occupied by non-members, including via reciprocal arrangements with other clubs or organizations or

	upon referral of a member, shall not constitute "purely private social clubs" as defined herein.
Formation:	District formation requires submission of petitions from hotel business owners/operators representing at least 50% of the total proposed assessments, followed by approval of a resolution of intention to form the TID by the Board of Supervisors (BOS) of the City and County of San Francisco, a public meeting and a public hearing, a special weighted ballot election resulting in no majority protest to establish the TID by hotel business owners/operators, and a final vote of approval by BOS in support of the establishment of the TID.

B. SAN FRANCISCO TOURISM IMPROVEMENT DISTRICT

B.1. DISTRICT BOUNDARIES AND MAP

See map on page 12, below, for boundaries of the proposed TID, including zones, and locations of assessed tourist hotels, which as represented as dots on the map. See pages 27-36 for the list of tourist hotels in the proposed TID, including for each hotel the zone location and address.

B.2. SERVICES & IMPROVMENTS PLAN AND BUDGET

This services & improvements plan and budget describes the activities to be funded by the TID assessment.

MARKETING AND OPERATIONS OF SFCVB:

1% of gross revenue from tourist rooms in Zone 1 tourist hotels, and 0.75% of gross revenue from tourist rooms in Zone 2 tourist hotels, to be in place for 15 years shall fund:

- 1. Marketing and Promotions by the SFCVB for the benefit of tourist hotels, including but not limited to:
 - Satellite office operations and start up costs;
 - Satellite office staffing;
 - Marketing and promotions programs;
 - Marketing and promotion staff oversight;
 - Shall not be duplicative of existing marketing and promotional programs funding by other Business Improvement Districts and Community Benefit Districts in the City;
- 2. SFCVB Operations and Administrative Support
- 3. SFCVB Contingency and Reserves
- 4. Contingency/Reserves/Administration Costs of the TID
 - Will be used to cover unforeseen costs and escalation for services and improvements listed under 1 - 3, above
 - Will be used to cover administrative costs and expenses related to the administration of the new non-profit management corporation that will administer the TID revenues, including but not limited to reimbursement of cost of services and other expenses to the City Treasurer and Tax Collector, the Office of the City Attorney, the Controller's Office, and other City departments for audit, collection and disbursement of the assessment and related administration functions. Administration, assessment and enforcement functions related to the TID assessment are contingent on the management contract between the City and the TID.
 - Includes payment of up to \$400,000 to cover costs incurred in forming the TID, including costs incurred by the TID steering committee, the San Francisco Convention & Visitors Bureau and by the City and County of San Francisco during the formation process. Such reimbursable costs include, for example, costs arising out of or related to preparation of the management plan, development of the petitions and ballots, administration of the election process related to the petition and ballots, set up the TID assessment billing

and collection systems by the City and County of San Francisco, reimbursement of actual costs to the City Treasurer and Tax Collector, and related consultant and attorney fees, consistent with Section 1511(d) of the San Francisco Business and Tax Regulations Code.

SERVICES AND IMPROVEMENTS TO MOSCONE CONVENTION CENTER: (SEE TABLE D-2)

0.5% of gross revenue from tourist rooms in Benefit Zone 1 tourist hotels, and 0.25% of gross revenue from tourist rooms in Benefit Zone 2 tourist hotels, to be in place for five years, shall fund, for the benefit of tourist hotels:

- 1. Renovation and upgrades shall include capital improvements to Moscone Convention Center North, South and West;
- 2. Monitor expenditures of TID assessment funds for improvements to the Moscone Convention Center;
- 3. Design, engineering, planning and entitlements (permits issued by the Planning Department or other regulatory agencies) activities and services pertaining to the proposed expansion of Moscone Convention Center as a whole.
- 4. Contingency/Reserves/Administration of the TID. Includes payment of unforeseen costs and escalation for improvement areas listed under #1 and #2 above; and a proportionate share of SFTIDMC administrative and operational costs and expenses related to the administration of the new non-profit management corporation that will administer the TID revenues, including but not limited to reimbursement of cost of services and other expenses to the City Treasurer and Tax Collector and other City departments for audit, collection and disbursement of the assessment and related administration functions. Administration, assessment and enforcement functions related to the TID assessment are contingent on the management contract between the City and the TID.

B.3. ASSESSMENTS, ASSESSMENT METHODOLOGY, AND ZONES

SPECIAL BENEFITS OF THE PROPOSED TID

The proposed TID will provide funds to the SFCVB to develop and implement a hotel-specific marketing program as well as a program to renovate and improve the Moscone Convention Center in order to benefit tourist hotels and ensure that these industry drivers continue to fuel a robust tourism and hospitality sector. During the first year of operation, it is anticipated that the TID will collect and spend approximately \$27,000,000.

The hotel-specific marketing and promotions component of that overall budget is estimated to be \$18,000,000, representing approximately 67% of the overall first year TID budget. These marketing and promotional benefits funded by the TID will take the form of a comprehensive marketing programming for assessed hotels including enhanced print, radio, web and tv advertisement; improved event services; technological improvements including enhanced online room booking, which will result in increased advertising exposure, increased occupancies, increased room rates, and increased overall commercial activity in the tourist hotels and their related auxiliary enterprises.

The Moscone Convention Center upgrade and improvements component of the overall budget is estimated to be \$9,000,000, representing approximately 33% of the overall first year TID budget. The benefits to tourist hotels will take the form of an improved facility with state-of-the-art technology upgrades and new convention fixtures and equipment, which will result in increased advertising exposure, increased occupancies, increased room rates, and increased overall commercial activity in the tourist hotels and their related auxiliary enterprises.

The current SFCVB budget is \$15,466,000, which in 2006 helped to generate \$1.594 billion in spending on hotel accommodations by visitors to San Francisco. In its first year, the TID assessments will fund SFCVB marketing and promotions programs which currently generate approximately \$302,000,000 in hotel room revenue. In its first year, the TID assessments will increase the SFCVB marketing and promotions budget by approximately \$7,500,000 and is expected to produce an additional \$49,000,000 in hotel room revenue. In total, the first-year TID assessments will fund SFCVB marketing and promotions programs which are expected to generate approximately \$351,000,000 in hotel room revenue, an amount that far exceeds the \$18,000,000 in TID assessment.

The current Moscone Convention Center upgrade and improvement budget is In its first year, the TID assessments will increase the Moscone \$2,357,000. Convention Center upgrade and improvement budget by approximately critical to \$6,643,000 which is ensuring that existing business equivalent to more than \$17,000,000 in annual hotel room revenue will continue to choose Moscone Convention Center for their groups. In addition, the improvements and upgrades supported by the TID assessments are projected to help generate an additional \$11,000,000 in annual hotel room revenue from new Moscone Convention Center customers. In total, the upgrades and improvements to the Moscone Convention Center are projected to generate more than \$28,000,000 in annual hotel room revenue, an amount

that far exceeds the \$9,000,000 in TID assessments to be applied to Moscone upgrades and improvements.

The percentage assessment that each hotel will pay to the TID is reasonably expected to be proportionate to the benefit each hotel will receive. A 2002 study shows that tourism promotion return on investment ratios yielded 592% and 385% returns for two states with targeted and robust tourism promotion budgets. In general the study shows that robust tourism promotion spenders (i.e., Convention and Visitor Bureaus) enjoy lucrative returns on their promotional investments, both in overall return on investment and in revenue generated per person. ⁷

A 2005 study of the economic impact of conventions, convention site selection processes, and the impact of destination marketing and CVB operations shows that when convention facilities are properly maintained and well marketed, there is a vast economic impact to the hotel industry.⁸

FACTORS USED IN ASSESSING TID TOURIST HOTELS

For purposes of calculating the TID assessment, "gross revenue from tourist rooms" means: the consideration received for occupancy valued in money, whether received in money or otherwise, including all receipts, cash, credits, and property of any kind or nature, without any deduction therefrom whatsoever. Gross revenue from tourist rooms will include only the following charges, regardless of how such charges are characterized:

- Charges for a guest room (including non-refundable deposits) regardless of whether the guest uses the room
- Charges for additional guests to occupy the room
- Charges for guaranteeing the availability of a room (sometimes referred
 to as guaranteed "no-show" charges) regardless of whether the guest
 uses the room (excluding event attrition fees and event cancellation fees
 paid by event organizers)

For purposes of this plan, "tourist room" and "guest room" are used interchangeably.

Gross revenue from tourist rooms does not include

(a) charges for guest rooms occupied by permanent residents, defined as: "Any occupant as of a given date who has or shall have occupied, or has or shall

⁶ See Appendix 5 for the Economic Impact of Conventions, and Benefits of Destination Marketing, and Convention Centers, to Tourist Hotel and Tourism-Related Businesses.

⁸ See Appendix 7 for abstract "A Review of Economic Value Drivers in Convention and Meeting Management Research"

have the right of occupancy, of any guest room in a hotel for at least 30 consecutive days next preceding such date;"

- (b) revenue from the lodging of airline crews, i.e., lodging provided to airline cockpit and/or cabin crews pursuant to an agreement between a hotel and an airline, which is in furtherance of or to facilitate such crews' performance of their jobs for the airline, including layovers between flights; or
- (c) the City's Transient Occupancy Tax collected on the room rent and remitted to the City and County of San Francisco.
- (d) charges for guest rooms located in non-profit, purely private social clubs that make guest rooms available only for the use of their members. The term "purely private social clubs" means non-profit, private membership clubs, whose primary purpose is social, which are owned by a limited membership, and which do not advertise or promote the use of their facilities by the public. Further, entities that allow guest rooms to be occupied by non-members, including via reciprocal arrangements with other clubs or organizations or upon referral of a member, shall not constitute "purely private social clubs" as defined herein.

TID ZONES

Tourist hotels in Zone 1 will be assessed 1.5% of gross revenue from tourist rooms for years 1-5, and 1% of gross revenue from tourist rooms for years 6-15 of the proposed TID. Tourist hotels in Zone 2 will be assessed 1% of gross revenue from tourist rooms for years 1-5, and 0.75% of gross revenue from tourist rooms for years 6-15, of the proposed TID.

Zone boundaries were created based upon the difference in special benefits that tourist hotels will receive from TID.

Zones have been established based upon:

- Proximity to Moscone Center and the convention activity that fills rooms due to Moscone Center;
- Concentration of tourist hotel rooms in proximity to Moscone Center creates a critical mass of tourist hotel rooms providing the visitor with additional amenities when visiting the City;
- Access and proximity to the existing transportation infrastructure, (BART and MUNI), which allows for easy access to the Convention Center; and
- The anticipated increase in room occupancies and room rates resulting from the proximity to the Convention Center and convention related activities.

Zone 1 Tourist hotels: All tourist hotels with addresses on or east of Van Ness Avenue, on or east of South Van Ness Avenue, and on or north of 16th Street

from South Van Ness to the Bay, including all tourist hotels east of Van Ness Avenue as if it continued north to the Bay, and north of 16th Street as if it continued east to the Bay.

Zone 2 Tourist hotels: All tourist hotels with addresses west of Van Ness Avenue and South Van Ness Avenue, and all tourist hotels south of 16th Street.

Based upon the data available at the time of the writing of this Management Plan, it is estimated that assessed hotels will contribute the following percentage of revenues to the TID during Year One, and that these percentages will remain approximately the same for each year of the TID:

Table D-1
TID hotels by Zone and Projected TID Assessment Percentage, Year One

Zone	# of hotels	Projected TID Assessment Percentage, Year One
1	234 hotels	67.6%
2	115 hotels	32.4%
Total	349 hotels	100%

ANNUAL ASSESSMENT CHANGES, ANNUAL BUDGET, DURATION

The assessment formula shall remain unchanged for the 15-year duration of the TID. The dollar amount of assessment is expected to fluctuate up or down based on the annual total gross revenue from tourist rooms, which will depend on market conditions. Although actual dollar amounts collected may vary, the proportionate allocations to the SFCVB component and to the Moscone Convention Center component are expected to remain approximately the same for all five years (two-thirds to SFCVB, one-third to Moscone Convention Center). The maximum TID assessment will not exceed the annual maximum assessment schedule as stated in this plan.

The TID assessment is projected to generate approximately \$27,000,000 during the first year and a maximum total of \$182,043,000 for the first five years. Of that, \$18,000,000 will be allocated and spent during first year for the marketing and operations of the SFCVB and the administration of the TID, and an estimated \$9,000,000 in year one will be allocated and spent toward the following improvements and services: the renovation and upgrade of the City-owned Moscone Convention Center, as well as funding of the planning, engineering and design for the possible expansion of the Moscone Convention Center, and a proportionate share of the TID administrative and operational costs. During years 6-15, it is projected that the TID will generate a total maximum of

\$735,085,395 for the marketing and operations and administration services and improvements of the SFCVB, and administrative and operational costs of the SFTIDMC.

No more than a total maximum of \$917,128,395 in assessment funds will be collected during the 15 year term of the TID. The maximum TID assessment in each year will not exceed the amounts set forth in Tables D-4 and D-5. This maximum assessment for each year reflects a potential 15% increase over the previous year's maximum assessment.

B.4. TIME AND MANNER OF COLLECTING AND DISTRIBUTING ASSESSMENTS; ENFORCEMENT

The hotels subject to the TID assessments will be billed quarterly monthly and/or will complete a monthlyquarterly assessment payment form provided by the Treasurer and Tax Collector, as called for in the management contract with the TID. The assessment payments will be remitted by hotels on a monthlyquarterly basis to the Treasurer and Tax Collector based on the gross revenue collected for tourist guest rooms each monthquarter during the calendar year. The assessments collected by the Treasurer and Tax Collector will be distributed to the SFTIDMC on a monthlyquarterly basis.

Nonpayment of the TID assessment may subject hotels to penalties, interest, and possibly other remedies as provided in Article 6 of the San Francisco Business and Tax Regulation Code, as it may be amended from time to time.

B.5. NUMBER OF YEARS ASSESSMENTS WILL BE LEVIED; ESTABLISHMENT AND DISESTABLISHMENT

The City shall not collect assessments from any hotel or distribute assessments to the SFTIDMC unless and until the City authorizes the execution and delivery of approximately \$35 million of its certificates of participation, the proceeds of which will be used to pay for certain capital improvements at the Moscone Convention Center that will not be funded by the TID assessment funds.

This TID will be established for a period of fifteen years beginning on January 1, 2009, with services beginning July 1, 2009. The assessments levied during years 1-5 will be 1.5% of gross revenue from tourist rooms for tourist hotels located in Zone 1 and 1% of gross revenues from tourist rooms for tourist hotels located in Zone 2. The assessments levied during years 6-15 will be 1% of gross revenue from tourist rooms for tourist hotels located in Zone 1, and 0.75% of gross revenues from tourist rooms for tourist hotels located in Zone 2.

ESTABLISHMENT

The TID formation requires submission of petitions from hotel business owners/operators representing at least 50% of the total proposed first year assessments, followed by approval of a resolution of intention to form the TID by the Board of Supervisors (BOS) of the City and County of San Francisco, a public meeting and a public hearing, a special weighted ballot election of hotel business owners/operators that does not result in a majority protest against establishment of the TID and a final vote of approval by BOS in support of the establishment of the TID.

The petition and the ballot vote weighted count will be based on the assessment formula of 1.5% and 1% for tourist hotels located in Zones 1 and 2 respectively, of calendar year 2007 gross room revenue from tourist rooms, as reported by hotel. The City will tabulate the petition and ballot results and will assign a "weight" to each hotel based on its calendar year 2007 gross room revenue from tourist rooms in relation to its portion of the total TID assessment.

Once the affected hotel business owners/operators representing a minimum of 50% of the tourist hotel assessments in the City, by weight, have submitted petitions in support of forming the TID, the Board of Supervisors may adopt a Resolution of Intent to establish the District and levy the assessments. The City will mail out assessment ballots and notice of a public meeting and a public hearing to the affected hotel business owners/operators included in the proposed District.

The Board of Supervisors will hold a public meeting and a public hearing after mailing the ballots and notices. After the weighted ballots are counted the Board may form the TID and levy the assessments unless there is a majority protest opposing formation of the district. "Weight" is determined by the percentage of monetary contribution (assessment) each hotel business owner/operator will pay to the TID, in relation to the total TID assessment. A majority protest exists if written protests are received from businesses representing 50% or more of the total assessments proposed to be levied, and in that case the Board may not proceed to form the district.

DISESTABLISHMENT

Each year that the TID is in existence there will be a 30-day period during which the hotel business owners/operators will have the opportunity to request disestablishment of the TID. This 30-day period begins each year on the anniversary of the date the Board of Supervisors established the TID. Within that 30-day period, if a written petition is submitted by the TID-assessed businesses representing 50% or more of the assessments levied, the TID shall be disestablished by the Board of Supervisors.

Without regard to any petition filed by hotel business owners/operators, a majority of the Board of Supervisors (six members) may initiate disestablishment at any time based on improper actions by the SFTIDMC, such as misappropriation of funds, malfeasance, or violations of law.

A supermajority (eight members) of the Board of Supervisors may initiate disestablishment proceedings for any reason. All outstanding indebtedness must be paid prior to disestablishment of the TID.

B.7. MANAGEMENT OF THE TOURISM IMPROVEMENT DISTRICT

A non-profit TID Management Corporation (SFTIDMC) will be formed to administer the San Francisco Tourism Improvement District. The SFTIDMC will be governed by a Board of Directors ("SFTIDMC Board").

Once the TID has been established by the Board of Supervisors, the current TID Steering Committee will begin to establish the SFTIDMC, which will obtain a business registration certificate from the Tax Collector's Office, obtain and provide verification of non-profit status, create by-laws, obtain insurance, and complete other requirements imposed by law and/or the management contract with the City and County of San Francisco. The current TID Steering Committee is cognizant of the need to have this non-profit SFTIDMC be very transparent and responsive to all sectors of the diverse TID hotel community.

In addition to allocating funds in support of the SFCVB and the Moscone Center as set forth in this Management District Plan, the SFTIDMC may hire paid staff and retain sub-contractors, such as the SFCVB, to implement the services and improvements as outlined in this plan. The SFTIDMC may reallocate funding within the service categories, not to exceed 10% of the annual budgeted amount for the category, consistent with the Management Plan. If the SFTIDMC wishes to reallocate funding between the SFCVB and the Moscone Convention Center, as represented in Tables D-2 through D-5, above, it may do so by seeking to modify this management plan and by obtaining such approvals as may be required by law.

The SFTIDMC Board seats shall be fixed at eleven (11), a majority of which shall be filled by persons representing tourist hotels. Further, a majority of board members shall be present or former directors of the SFCVB. Allocation of the seats shall be to the following sectors, and /or appointees:

- Six (6) seats shall be filled with appointees representing tourist hotels;
- One (1) seat shall be filled by the SFCVB Chair;
- One (1) seat shall be filled by a representative of Moscone Convention Center;
- Three (3) seats shall be at-large from the tourism business community of San Francisco;

The SFTIDMC Board may make rules and procedures that aid in the implementation and intent of the TID Management Plan.

The SFTIDMC Board shall aim to meet the following operational objectives for the TID consistent with the provisions of this plan:

- Fund programs in support of the SFCVB and the Moscone Convention Center that best respond to the top priorities of San Francisco Tourism Improvement District stakeholders;
- Maximize coordination with the City and County of San Francisco and other business improvement districts and community benefit districts to avoid duplication of services and improvements and to leverage resources;
- Ensure delivery of services and improvements through a cost-effective, non-bureaucratic and easy to access organizational structure; and
- Provide accountability and responsiveness to those who pay assessments into the District.

PUBLIC ACCESS TO MEETINGS AND TID RECORDS

When conducting any business related to TID activities the SFTIDMC and its governing Board are subject to the Ralph M. Brown Act (Government Code

§§54950 et seq.) and the California Public Records Act (Government Code §§6250 et seq.). SFTIDMC and governing Board meetings regarding any TID business shall be open to the public. Any SFTIDMC records concerning the TID are subject to public inspection in accordance with the California Public Records Act (Government Code §§6250 et seq.).

B.8. LIST OF TOURIST HOTELS IN TOURISM IMPROVEMENT DISTRICT BY ZONE

All tourist hotels operating in the City and County of San Francisco that generate revenue from tourist rooms shall be included in the TID and assessed throughout the term of the TID, as more specifically provided for in this plan. Tourist hotels will be divided into two zones, by location. Following is a list of tourist hotels in each zone, as known to proponents at the time this Management District Plan is issued.

C. IN ADDITION TO THE TID: PROPOSED CITY FINANCING OF MOSCONE CONVENTION CENTER IMPROVEMENTS

The City recognizes the significance of the tourism, leisure and convention industry to the overall economic health of the City. To that end, and in recognition of the critical component that the Moscone Convention Center plays with respect to sustaining growth in this area, and in addition to the proposed establishment of the TID, in December 2008 the City will consider authorizing the execution and delivery of approximately \$35 million of its certificates of participation, the proceeds of which will be used to pay for certain capital improvements at the Moscone Convention Center that will not be funded by the TID assessment funds. The issuance of the certificates of participation will replace City funding for the convention and tourism bureau. When combined with amounts to be derived from the proposed TID, funds spent on capital improvements and long term planning for the Moscone Convention Center will total as much as \$95,000,000 over the five (5) years period. It is expected that such enhancements will provide much needed capital improvements to the Moscone Convention Center, and correspondingly sustain and enhance the City's competitiveness with respect to the convention and tourist and leisure industry.11

Further, during the first five years of the TID, the City and the SFTIDMC intend to explore opportunities for further expansion and further improvements to the Moscone Convention Center, including strategies for utilizing tax advantaged public financing. Such financing would supplement (a) the TID assessment funds allocated to Moscone Convention Center under this Plan, and (b) the funds that would be raised from issuance of Certificates of Participation described above.

[Resolution to Establish the Tourism Improvement District.]

1.

Resolution of Formation: Establishing a business-based business improvement district to be known as the "Tourism Improvement District," ordering the levy and collection of assessments against defined hotel businesses located in that district for fifteen (15) years commencing January 1, 2009, subject to conditions as specified, and making environmental findings.

WHEREAS, Pursuant to the Property and Business Improvement Law of 1994 (California Streets and Highways Code Sections 36600 et seq., the "Act"), as augmented by Article 15 of the San Francisco Business and Tax Regulations Code ("Article 15"), Resolution No. 430-08 "Resolution of Intention to form the Tourism Improvement District" was adopted by the Board of Supervisors on October 28 and signed by the Mayor on October 30, 2008, declaring the City's intention to establish this business-based business improvement district and order the levy and collection of a multi-year assessment, and setting a time and place for a public meeting and a public hearing (the "Resolution of Intention"); and,

WHEREAS, The Resolution of Intention for the Tourism Improvement District (the "TID" or "District"), among other things, approved the Tourism Improvement District Management District Plan dated October 27, 2008 (the "Management District Plan"), the form of Notice of Public Meeting and Public Hearing, and the form of Assessment Ballots that are on file with Clerk of the Board of Supervisors in File No. 081338; and,

WHEREAS, The Board of Supervisors caused notice of a public meeting and a public hearing to be issued concerning the proposed formation of the TID and the proposed levy of assessments against businesses located within the District for a period of fifteen (15) years commencing January 1, 2009 and ending December 31, 2023; and,

SUPERVISOR PESKIN, MAYOR NEWSOM, SUPERVISOR MAXWELL, SUPERVISOR DUFTY BOARD OF SUPERVISORS

WHEREAS, The Board of Supervisors caused the notice of public meeting and public hearing and ballots to be mailed to the record business owner of each hotel business proposed to be assessed within the District, as required by law; and,

WHEREAS, The Board of Supervisors has received and considered the Management District Plan dated December 9; 2008, on file with the Clerk of the Board of Supervisors in File No. 081338, which modifies the Management District Plan dated October 27, 2008 by correcting the Zone designation for four hotels, and by further defining assessment and collection procedures, cost reimbursement provisions, and related matters; and,

WHEREAS, A public meeting concerning the proposed formation of the TID and the proposed levy of assessments within such District was held by the Board of Supervisors Government Audit and Oversight Committee on November 17, 2008 at 10:00 a.m., in City Hall Room 250, 1 Dr. Carlton B. Goodlett Place, San Francisco, California; and,

WHEREAS, At the public meeting, the testimony of all interested persons for or against the proposed formation of the District, the levy of assessments on businesses within the District, the extent of the District, and the furnishing of specified types of improvements, services and activities within the District, was heard and considered; and,

WHEREAS, A public hearing concerning the proposed formation of the TID and the proposed levy of assessments within such District was held on December 16, 2008, at 3:00 p.m., in the Board's Legislative Chambers, located on the Second Floor of City Hall, 1 Dr. Carlton B. Goodlett Place, San Francisco, California; and,

WHEREAS, At the public hearing, the testimony of all interested persons for or against the proposed formation of the District, the levy of assessments on businesses within the District, the extent of the District, and the furnishing of specified types of improvements,

services and activities within the District, was heard and considered, and a full, fair and complete hearing was held; and,

WHEREAS, At the public hearing the Board of Supervisors heard and considered all objections or protests to the proposed assessments, and the City's Director of the Department of Elections in conjunction with the City's Treasurer and Tax Collector tabulated the assessment ballots submitted and not withdrawn, in support of or in opposition to the proposed assessments, and the Clerk of the Board determined that business owners representing a majority of the assessments to be collected (weighted according to the proportional financial obligation of each affected hotel business, in relation to the total proposed assessments for the District) did not vote against formation of the District; and,

WHEREAS, In the opinion of the Board of Supervisors, the hotel businesses within the District will be specially benefited by the improvements, services and activities funded by the assessments, and no assessment has been imposed on any business which exceeds the reasonable cost of the proportional special benefit conferred on that business; now therefore be it

RESOLVED, that the Board of Supervisors declares as follows:

Section 1. FINDING OF NO MAJORITY PROTEST. The Board of Supervisors hereby finds pursuant to California Streets and Highways Code §36623, that a majority protest does not exist with respect to the formation of Tourism Improvement District. All objections or protests both written and oral, are hereby duly overruled.

Section 2. ESTABLISHMENT OF DISTRICT. Pursuant to the Act and Article 15, a business-based business improvement district designated as the "Tourism Improvement District" is hereby established.

Section 3. DESCRIPTION OF DISTRICT. The exterior boundaries of the Tourism Improvement District are as set forth in the map contained in the Management District Plan on file with the Clerk of the Board of Supervisors in File No. 081338, and incorporated herein by reference. The exterior boundaries of the District, and the Zones within the District, are described as follows:

- The District includes all tourist hotels generating revenue from tourist rooms that
 operate in the City and County of San Francisco during the term of the District,
 and so the exterior boundaries of the District are the same as the contiguous
 boundary of the municipal corporation City and County of San Francisco.
- These tourist hotels are divided into two zones, Zone 1 and Zone 2:
 - ♦ Zone 1 includes all tourist hotels with addresses on or east of Van Ness Avenue, on or east of South Van Ness Avenue, and on or north of 16th Street from South Van Ness to the Bay, including all tourist hotels east of Van Ness Avenue as if it continued north to the Bay, and north of 16th Street as if it continued east to the Bay.
 - ♦ Zone 2 includes all tourist hotels with addresses west of Van Ness

 Avenue and South Van Ness Avenue, and all tourist hotels south of 16th

 Street.

Reference should be made to the detailed map and the list of businesses identified by business name and street address in the Management District Plan, in order to determine which hotel businesses are included in the District.

Section 4. FINDING OF BENEFIT. The Board of Supervisors hereby finds that the hotel businesses within the District will be benefited by the improvements, services and activities funded by the assessments to be levied.

Section 5. SYSTEM OF ASSESSMENTS. Annual assessments will be levied to pay for the improvements, services and activities to be provided within the District, commencing January 1, 2009 and continuing for fifteen years, ending December 31, 2023.

- (a) The annual assessment proposed to be levied and collected for the first year of the District (calendar year 2009) is \$27,000,000. The amount of the annual assessment to be levied and collected for year two through year fifteen (calendar year 2010 through calendar year 2023) may increase or decrease annually according to the gross revenue from tourist rooms. The total maximum assessment that could be collected for years one through five of the district, is \$182,043,000. The total maximum assessment that could be collected for years six through fifteen of the district, is \$735,085,395. The total maximum assessment that could be collected for years one through fifteen of the district, is \$917,128,395.
- (b) The method and basis of levying and collecting the assessment shall be as set forth in the Management District Plan. As provided in the Management District Plan, assessments will be based on specified percentages of gross revenues from tourist rooms as defined. The TID assessment payments will be submitted by hotels on a quarterly basis to the City Treasurer and Tax Collector or his or her designee, or as otherwise designated by the Board of Supervisors, based on the gross revenue collected for tourist guest rooms each quarter during the calendar year. The hotels assessed by the TID will be billed quarterly and/or will complete a quarterly assessment payment form provided by the City. The assessments collected will be distributed to the District four (4) times per year pursuant to a management contract between the City and the non-profit corporation that will manage the District.
- Section 6. USE OF REVENUES. The proposed business-related services, improvements or activities for the District include two components: For years one through

25

fifteen, marketing and promotions by the San Francisco Convention and Visitors Bureau; and in addition, for years one through five, Moscone Convention Center upgrades and renovation plus planning for possible expansion.

- A. The fifteen-year San Francisco Convention and Visitors Bureau (SFCVB) component will consist of:
- 1. Marketing and Promotions by the SFCVB for the benefit of tourist hotels, including but not limited to:
 - Satellite office operations and start up costs;
 - Satellite office staffing;
 - Marketing and promotions programs, such as enhanced print, radio, web and television advertisement, improved event services, technological improvements for online room booking; and
 - Marketing and promotion staff oversight.
 - These SFCVB marketing and promotions shall not be duplicative of existing marketing and promotional programs funding by other Business Improvement Districts and Community Benefit Districts in the City.
 - 2. SFCVB Operations and Administrative Support.
 - 3. SFCVB Contingency and Reserves.
 - 4. Contingency/Reserves/Administration Costs of the TID:
 - Will be used to cover unforeseen costs and escalation for services and improvements listed under No. 1 – No. 3, above.
 - Will be used to cover administrative costs and expenses related to the administration of the new non-profit management corporation that will administer the TID revenues, including <u>but not limited to</u> reimbursement

of cost of services and other expenses to the City Treasurer and Tax

Collector, the Office of the City Attorney, the Controller's Office, and other

City departments, for <u>audit</u>, collection and disbursement of the

assessment and related administration functions. <u>Administration</u>,

<u>assessment and enforcement functions related to the TID assessment</u>

<u>are contingent on the management contract between the City and the TID</u>.

- Includes payment of up to \$400,000 to cover costs incurred in forming the TID, including costs incurred by the TID steering committee, the San Francisco Convention & Visitors Bureau and by the City and County of San Francisco during the formation process. Such reimbursable costs include, for example, costs arising out of or related to preparation of the management plan, development of the petitions and ballots, administration of the election process related to the petition and ballots, setting up the TID assessment billing and collection systems by the City and County of San Francisco, reimbursement of actual costs to the City Treasurer and Tax Collector, and related attorney and consultant fees, consistent with Section 1511(d) of the San Francisco Business and Tax Regulations Code.
- B. The five-year Moscone Convention Center component will consist of:
- Renovation and upgrades, including capital improvements to Moscone Center North, South and West, such as state of the art technology upgrades and various structural projects.

- 2. Monitoring of TID funds provided for the improvements to Moscone Center.
- 3. Design, engineering, planning and entitlements (permits issued by the Planning Department or other regulatory agencies) activities, and services pertaining to the proposed expansion of Moscone Center as a whole, such as architectural engineering fees for the proposed expansion.
- 4. Contingency/Reserves for unforeseen costs and escalation for improvement areas listed under No. 1 and No. 2 above; and for a proportionate share of the TID administrative costs and expenses related to the administration of the new non-profit management corporation that will administer the TID revenues, including but not limited to reimbursement of cost of services and other expenses to the City Treasurer and Tax Collector and other City departments for audit collection and disbursement of the assessment and related administration functions. Administration.assessment and enforcement functions related to the TID assessment are contingent on the management contract between the City and the TID.

The above improvements, services and activities will be funded by the levy of the assessments. The revenue from the levy of the assessments within the District shall not be used to provide improvements, services or activities outside the District or for any purpose other than the purposes specified in this Resolution and the Management District Plan (MDP), including MDP Appendices.

Section 7. AUTHORITY TO CONTRACT. The Board of Supervisors may contract with a separate private non-profit entity to administer the improvements, services and activities set forth in Section 6. Any such entity shall hold the funds it receives from the City and County of San Francisco ("City") in trust for the improvements, services and activities set forth in Section 6. Any such entity that holds funds in trust for purposes related to the contract

shall deliver, at no expense to the City, a balance sheet and the related statement of income and cash flows for each fiscal year, all in reasonable detail acceptable to City, reviewed by a Certified Public Accountant (CPA); this review shall include a statement of negative assurance from the CPA. In addition, or alternatively, the Controller or the Mayor's Office of Economic and Workforce Development may in their discretion require the private entity to deliver, at no expense to the City, an annual independent audit report by a Certified Public Accountant of all such funds. The CPA review and/or audit may be funded from assessment proceeds as part of the general administration of the District. At all times the Board of Supervisors shall reserve full rights of accounting of these funds. The Mayor's Office of Economic and Workforce Development shall be the City agency responsible for coordination between the City and the District.

Section 8. AMENDMENTS. The businesses in the District established by this Resolution shall be subject to any amendments to the Act and Article 15.

Section 9. RECORDATION OF NOTICE AND DIAGRAM. The County Clerk is hereby authorized and directed to record a notice and an assessment diagram pursuant to Section 36627 of the California Streets and Highways Code following adoption of this Resolution.

Section 10. LEVY OF ASSESSMENT. The adoption of this Resolution and recordation of the notice and assessment diagram pursuant to Section 36627 of the California Streets and Highways Code constitutes the levy of an assessment in each of the fifteen years covered by the District Management Plan. The assessments shall be submitted by hotels on a quarterly basis to the City Treasurer and Tax Collector or his or her designee, or as otherwise designated by the Board of Supervisors, based on the gross revenue collected for tourist guest rooms each quarter during the calendar year. The hotels assessed by the TID

·24 . will be billed quarterly and/or will complete a quarterly assessment payment form provided by the City. The assessments collected will be distributed to the District four (4) times per year pursuant to a management contract between the City and the non-profit management corporation that will manage the District.

Section 11. ENVIRONMENTAL FINDINGS. The Planning Department has determined that the actions contemplated in this Resolution are in compliance with the California Environmental Quality Act (California Public Resources Code sections 21000 et seq.). Said determination is on file with the Clerk of the Board of Supervisors in File No. 081338 and is incorporated herein by reference.

Section 12. MANAGEMENT DISTRICT PLAN. The Board of Supervisors hereby approves the Management District Plan dated December 9, 2008, on file with the Clerk of the Board of Supervisors in File No. 081338, which modifies the Management District Plan dated October 27, 2008 by correcting the Zone designation for four hotels, and by further defining assessment and collection procedures, cost reimbursement provisions, and related matters.

activities and business-related services that specially benefit identified businesses located within such districts; and,

WHEREAS, The Law and Article 15 impose additional procedural and substantive requirements relating to assessments on businesses within a proposed property and business improvement district; and,

WHEREAS, The Board of Supervisors finds that the business-related services, activities and improvements to be funded with assessments on defined businesses within the proposed district will confer substantial special benefits on the assessed businesses over and above the general benefits to the public at large from such services, activities and improvements; and,

WHEREAS, The business owners who will pay more than 50% (fifty percent) of the total amount of assessments on businesses within the proposed district signed and submitted to the Clerk of the Board of Supervisors a petition (the "Petition") requesting that the Board of Supervisors establish a business-based assessment district to be named the "Tourism Improvement District" and levy assessments on defined hotel businesses located in the proposed district to fund hotel business-related services, activities and improvements within the district; and,

WHEREAS, A Management District Plan entitled the "Tourism Improvement District Management District Plan" containing information about the proposed district and assessments required by Section 36622 of the Law, including but not limited to a map of the district in sufficient detail to locate each business to be assessed, a description of the boundaries of the district, the name of the district, the total annual amount chargeable to the entire district, the duration of the payments, the business-related services, activities and improvements to be funded by the assessments for each year and the maximum cost thereof, the method and basis upon which the assessments are calculated in sufficient detail to allow

each business owner to calculate the amount of the assessment to be levied against his or her business, a statement that no bonds will be issued to finance this district, the time and manner of collecting the assessments, and a list of the businesses to be assessed, has been submitted to the Clerk of the Board of Supervisors; and,

WHEREAS, evidence supporting the assessments within the proposed district has been submitted to the Clerk of the Board of Supervisors as an Appendix to the Management District Plan; now, therefore, be it

RESOLVED, That the Board of Supervisors declares as follows:

Section 1. Pursuant to Section 36621(a) of the Law and Article 15, the Board of Supervisors declares its intention to form a property and business improvement district to be designated as the "Tourism Improvement District" ("TID" or "District") for a period of 15 years, and to levy and collect assessments against all defined hotel businesses in the District for a period of 15 years, commencing January 1, 2009. The District will not be formed, however, if business owners representing a majority of the assessments to be collected vote against formation of the District. Ballots shall be weighted according to the proportional financial obligation of each affected hotel business, in relation to the total proposed assessments for the District. The District term will commence January 1, 2009 with services beginning July 1, 2009, following the first disbursement of assessment revenues to the TID management corporation. No bonds will be issued to finance this District.

Section 2. The Board of Supervisors hereby approves the Management District Plan, including the estimates of the costs of the business-related services, activities and improvements set forth in the plan, and the assessment of said costs on the businesses that will specially benefit from such services, activities and improvements, including the Appendix of documentation regarding the elements of the Plan. A copy of the Management District Plan is on file with the Clerk of the Board of Supervisors in File No.081338. The Clerk of the Board

shall make the Management District Plan, Appendix, and other documents related to the District and included in the record before the Board of Supervisors, available to the public for review during normal business hours, Monday through Friday 8:00 a.m. through 5:00 p.m., excluding legal holidays.

Section 3. The exterior boundaries of the District and the Zones within the District are as set forth in the map contained in the Management District Plan on file with the Clerk of the Board of Supervisors in File No. 081338, and incorporated herein by reference. The exterior boundaries of the District, and the Zones within the District, are described as follows:

- The District includes all tourist hotels generating revenue from tourist rooms that
 operate in the City and County of San Francisco during the term of the District, and
 so the exterior boundaries of the District are the same as the contiguous boundary
 of the municipal corporation City and County of San Francisco.
- These tourist hotels are divided into two zones, Zone 1 and Zone 2:
 - -- Zone 1 includes all tourist hotels with addresses on or east of Van Ness Avenue, on or east of South Van Ness Avenue, and on or north of 16th Street from South Van Ness to the Bay, including all tourist hotels east of Van Ness Avenue as if it continued north to the Bay, and north of 16th Street as if it continued east to the Bay.
 - Zone 2 includes all tourist hotels with addresses west of Van Ness Avenue and
 South Van Ness Avenue, and all tourist hotels south of 16th Street.

Reference should be made to the detailed map and the list of businesses, in order to determine which hotels are in which zone.

Section 4. A public meeting on the proposed establishment of the District and the levy and collection of assessments starting January 1, 2009 and continuing through December 31, 2023, shall be conducted by the Government Audit and Oversight Committee

of the Board of Supervisors on November 17, 2008 at 10:00 a.m. or as soon thereafter as the matter may be heard, in Room 263, City Hall, 1 Dr. Carlton B. Goodlett Place, San Francisco, California, 94102. At this public meeting, the Committee will hear public testimony regarding the proposed formation of the District and levy of new assessments, that may include testimony regarding the boundaries of the District, the proposed types of business-related services, improvements and activities to be provided by the District, and other matters related to the District.

Section 5. A public hearing on the proposed establishment of the District and the levy and collection of assessments starting January 1, 2009 and continuing through December 31, 2023, shall be conducted before the Board of Supervisors on December 16, 2008 at 3:00 p.m. or as soon thereafter as the matter may be heard, in the Board's Legislative Chambers, Second Floor, City Hall, 1 Dr. Carlton B. Goodlett Place, San Francisco, California, 94102. At this public hearing the Board of Supervisors will hear public testimony regarding the proposed formation of the District, assessments, and boundaries of the District, including testimony from all interested persons for or against establishment of the District, the extent of the District, the levy of the assessments, the furnishing of specific types of business-related services, improvements and activities, and other matters related to the District. The Board of Supervisors may waive any irregularity in the form or content of any written protest, and at the public hearing may correct minor defects in the proceedings. All protests submitted by affected business owners and received prior to the conclusion of the public testimony portion of the public hearing shall be tabulated to determine whether a majority protest exists.

Section 6. The Board of Supervisors hereby approves the form of the Notice of Public Meeting and Public Hearing and Assessment Ballot which are on file with the Clerk of the Board of Supervisors in File No.081338.

Section 7. The proposed business-related services, improvements or activities for the District include two components: For years one through fifteen, marketing and promotions by the San Francisco Convention and Visitors Bureau; and in addition, for years one through five, Moscone Convention Center upgrades and renovation plus planning for possible expansion.

The fifteen-year San Francisco Convention and Visitors Bureau (SFCVB) component will consist of:

- Marketing and Promotions by the SFCVB for the benefit of tourist hotels, including but not limited to:
 - · Satellite office operations and start up costs;
 - · Satellite office staffing;
 - Marketing and promotions programs, such as enhanced print, radio, web and television advertisement, improved event services, technological improvements for online room booking; and
 - · Marketing and promotion staff oversight.
 - These SFCVB marketing and promotions shall not be duplicative of existing marketing and promotional programs funding by other Business Improvement Districts and Community Benefit Districts in the City.
- 2. SFCVB Operations and Administrative Support.
- 3. SFCVB Contingency and Reserves.
- 4. Contingency/Reserves/Administration Costs of the TID:
 - Will be used to cover unforeseen costs and escalation for services and improvements listed under #1 - #3, above.
 - Will be used to cover administrative costs and expenses related to the administration of the new non-profit management corporation that will administer

the TID revenues, including reimbursement of cost of services and other expenses to the City Treasurer and Tax Collector and other City departments for collection and disbursement of the assessment and related administration functions.

• Includes payment of up to \$400,000 to cover costs incurred in forming the TID, including costs incurred by the TID steering committee, the San Francisco Convention & Visitors Bureau and by the City and County of San Francisco during the formation process. Such reimbursable costs include, for example, costs arising out of or related to preparation of the management plan, development of the petitions and ballots, administration of the election process related to the petition and ballots, setting up the TID assessment billing and collection systems by the City and County of San Francisco, reimbursement of actual costs to the City Treasurer and Tax Collector, and related consultant and attorney fees, consistent with Section 1511(d) of the San Francisco Business and Tax Regulations Code.

The five-year Moscone Convention Center component will consist of:

- Renovation and upgrades, including capital improvements to Moscone Center
 North, South and West, such as state of the art technology upgrades and various
 structural projects.
- 2. Monitoring of TID funds provided for the improvements to Moscone Center.
- 3. Design, engineering, planning and entitlements (permits issued by the Planning Department or other regulatory agencies) activities, and services pertaining to the proposed expansion of Moscone Center as a whole, such as architectural engineering fees for the proposed expansion.

4. Contingency/Reserves for unforeseen costs and escalation for improvement areas listed under #1 and #2 above; and for a proportionate share of the TID administrative costs and expenses related to the administration of the new non-profit management corporation that will administer the TID revenues, including reimbursement of cost of services and other expenses to the City Treasurer and Tax Collector and other City departments for collection and disbursement of the assessment and related administration functions.

Section 8. The annual assessment proposed to be levied and collected for the first year of the District (calendar year 2009) is \$27,000,000. The amount of the annual assessment to be levied and collected for year two through year fifteen (calendar year 2010 through calendar year 2023) may increase or decrease annually according to the gross revenue from tourist rooms. The total maximum assessment that could be collected for years one through five the district, is \$182,043,000. The total maximum assessment that could be collected for years six through fifteen the district, is \$735,085,395. The total maximum assessment that could be collected for years one through fifteen of the district, is \$917,128,395.

Section 9. The Clerk of the Board is directed to give notice of the public meeting and public hearing as provided in the Property and Business Improvement District Law of 1994 (California Streets and Highways Code §§36600 *et seq.*), California Government Code §54954.6, San Francisco Charter Section 16.112, San Francisco Administrative Code Section 67.7-1, and San Francisco Business and Tax Regulations Code Article 15.
