NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

Bay Area Black United Fund, Inc. (BABUF) is a not-for-profit organization incorporated under the laws of the State of California in 1976. Through the community outreach program the primary mission of the corporation is to promote and build partnerships between the Bay Area Black United Fund and organizations that, together, maximize our capacity to serve African American people and other communities of color.

In pursuit of its mission, the Bay Area Black United Fund, Inc.'s primary goal is to build self-reliance and self-sufficiency in communities we serve by building institutions that seek solutions to community needs, and will "teach people how to fish" for themselves. While BABUF's initial focus has been on the black community, the institution has, through the years, demonstrated its capability and desire to respond to the changing demographics of its service area.

The BABUF family of assisted agencies, in the future, will include the Latino, Asian, and Native American communities, as well as the homeless population, where race makes little or no difference. We will bring together resources-people, competency, and money-in ways that support human growth and development, and community healing and renewal for African American people and other communities and activities aimed at increasing the quality of life for African American communities.

Basis of Presentation

The Organization receives various funds one of which is unrestricted, and the rest are permanently restricted. The permanently restricted funds are used to support specific programs within the Organization. The unrestricted funds are used to support general and administrative functions of the Organization as well as additional support of other programs.

The accompanying financial statements have been prepared to focus on the Organization as a whole and to present balances and transactions according to the existence or absence of donor-imposed restrictions. This has been accomplished by classification of net assets and transactions into the following classes of assets:

Temporarily Restricted Net Assets - Net assets subject to donor-imposed stipulations that they be maintained by the organization.

Unrestricted Net Assets - Net assets not subject to donor-imposed stipulations.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Basis of Accounting

The Organization's books are maintained, and the financial statements have been prepared, on the accural basis of accounting in accordance with generally accepted accounting principles.

Revenue Recognition

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions.

All donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction.

When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished) temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Cash and Cash Equivalents

For purposes of the balance sheets and statement of cash flows, the Company considers all highly liquid investments, which are readily convertible into known amounts of cash and have a maturity of three months or less when acquired to be cash equivalents.

Fixed Assets

Furniture and equipment are capitalized using the straight-line method. Donated assets are recorded at fair market value at the time the assets are received. The Organization has established a capitalization policy to capitalize all purchases of \$500 or more of furniture and equipment. Depreciation is provided using the straight-line method over the expected useful lives of the asset. At December 31, 2011, the Organization incurred \$728 in depreciation expense.

Income Taxes

BABUF has obtained determination letters from the Internal Revenue Service and the California Franchise Tax Board to the effect that BABUF qualifies under Section 501(c)(3) of the Internal Revenue Code (IRC) and Section 23701(d) of the California Tax Code. Accordingly, the primary operations of BABUF are currently considered exempt from federal income and state franchise taxes.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fair Value of Financial Instruments

The carrying amounts of cash and cash equivalents approximate fair values due to the short-term maturities of these instruments.

Use of Estimates

The presentation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclose of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Promise to give

Pledges receivable consists of amounts due from funding sources, as described in Note 3.

Investments

Generally accepted accounting principles require that nonprofit organizations report certain investments at fair value. In accordance with that guidance, the Organization accounts for its equity securities that have readily determinable market values by recording and reporting those securities at fair value. Information about the fair value of investments and the unrealized gains and losses is discussed in Note 4.

Functional Expense Reporting

The cost of providing the Organization's programs has been summarized on a functional basis in these financial statements. Based on management estimates, costs have been allocated between programs and supporting services.

Credit Risk

BABUF holds investments in the form of equity securities. Credit risk is the failure of another party to perform in accordance with contract terms. The Organization is exposed to credit risk for the amount of the investments.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Mission Statement – We lead the Bay Area **Black** Community and our partners in a unified effort to build financial resources that improve individual and institutional capacity.

BABUF's Guiding Principles

BABUF invests in a set of community assets that create pathways of opportunity regardless of religion, nationality, gender, sexual orientation or economic status that facilitate the advancement of the "self" in the built environment.

BABUF is an advocate for solutions that foster the development of programs and services that lead to community empowerment.

BABUF is the hub that utilizes research and data to change community deficits to assets.

BABUF is a focused funder that directs our donors' investment in a collaborative and responsible manner to ensure an impact towards measurable outcomes.

The Bay Area Black United Fund has been supporting African Americans and other communities-of-color through employee donations since 1979. Through the contributions of workplace campaigns, BABUF supports programs committed to reducing the violence among youth, strengthening families, developing our children and caring for our seniors. By raising money for community-based organizations, BABUF reduces the threat of hardship for these organizations due to financial challenges. Your dollars can make a real difference too many people throughout the Bay Area.

BABUF recognizes that dreams without resources remain only dreams. Whether you give \$5, \$10, \$15 or more, you are the link that creates change. We hope that you will partner with us to make a healthier and more productive community a reality by supporting BABUF and its 50 member agencies.

Critical Mass Health Conductors 2013

The Critical Mass Health Conductors (HC) program is the preeminent behavioral health modification strategy created by and for the Black community. HC Program begun in 2005, HC recruits, educates and trains volunteers during a four month "class" utilizing an afro-centric curriculum. During the process, participants become empowered through self-awareness, group support and guidance from a trained "Conductor" to embrace a personalized behavioral health modification strategy that becomes the framework for a life changing experience. Upon graduation, each participant receives a Health Conductor number that designates their "passage" into an empowered life individual and community health advocacy. Over 900 Bay Area residents are Health Conductors. Inck out our website at www.babuf.org or call us at (510) 763-7270 to find out how to join the next Health Conductor class.

Youth Health Conductors 2014

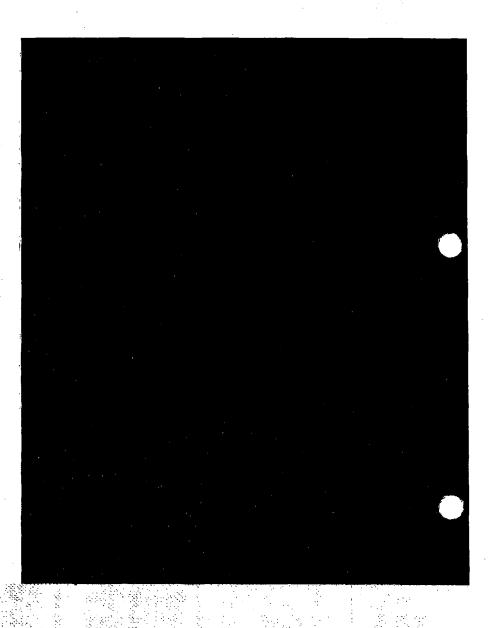

Based upon the Health Conductor model, the new curriculum will focus on engaging a young generation, 18-30 years old, in a behavioral health modification with a health intervention and community leadership component. The goal of this Conductor model is to develop life changing behaviors and attitudes earlier to avert potential chronic disease conditions. The behavior modification will focus on both face to face and online strategies. Look for the Youth Health Conductors program in the fall of 2014.

Affordable Care Act (ACA Outreach)

In collaboration with the California Black Healthcare Network and eleven statewide partners,
BABUF staff and volunteers will be conducting outreach to the Bay Area Black community for the
Affordable Care Act beginning late summer 2013. The purpose of the outreach is to educate residents on their options for enrolling in health care which will be required by law effective January
2014. Look for a BABUF table at a community event beginning late summer 2013 or call us at (510)
763-7270 if you have and event you want us to attend.

) 14 African American Health and Wellness Summit

The health and wellness of the Black community is the health of every community. The African American Health and Wellness Summit, scheduled for October 2014 will empower, educate and galvanize attendees. With representatives from local, state and national institutions, this three day Summit will focus on the needs of youth, strategies to empower and improve our health and wellness and create an agenda to drive community change. Bay Area Black United Fund (BABUF) Black in the Bay

BABUF for 2013 is a revitalized and refocused organization. As an intermediary, BABUF connects the community—you, churches, CBO's to funders—businesses, foundations, and government agencies. Through that connection, we ensure much needed services are available to Black residents in the nine county regions.

We have reprioritized our service to the Bay Area Black community by focusing on the critical issues that define the health and vitality of our region. We focus on five key areas of development and represent organizations that are successfully delivering high quality services to communities of color.

What are the community development areas we prioritize?

- Education-It's the cornerstone of economic and social advancement
- Health and Wellness--Physical and emotional health is the foundation of a long life
- Violence Elimination--No community should live with neighborhood violence and it's traumatic effect on the human condition
- Black men and boys--We cannot stand on the sidelines and watch social genocide happen
- Workforce Development and Economic Viability-Local businesses, grocery stores, training programs, etc. are essential to building our communities from within.

Improving the quality of life in the Black community, improves the quality of life in every community.

Our strategies for achieving community impact prioritize results over activities.

- Advocacy-leading and promoting the causes, issues and solutions
- Convening- creating the space to keep the issues out front
- Direct Services--revising Health Conductors and bringing it to a younger generation
- Strategic Partnerships-collaborating with institutions at the forefront of change
- Provides capacity enhancing services that address the fiscal and administrative needs of community based organizations
- Communicating—utilizing both on-line and traditional media strategies to ensure the Black issues stay relevant

- I. A list of current Asian Pacific Fund affiliate organizations, all of which are located in one of the 6 counties listed in Section 16.93-2. (Criteria A)
- 2. A copy of our IRS 501(c)(3) Tax Exempt letter (Criteria B)

Dear Taxpayer:

This is in response to your June 18, 2012, request for information regarding your tax-exempt status.

Our records indicate that you were recognized as exempt under section 501(c)(3) of the Internal Revenue Code in a determination letter issued in December 1994.

Our records also indicate that you are not a private foundation within the meaning of section 509(a) of the Code because you are described in section(s) 509(a)(l) and 170(b)(l)(A)(vi).

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Please refer to our website www.irs.gov/eo for information regarding filing requirements. Specifically, section 6033(j) of the Code provides that failure to file an annual information return for three consecutive years results in revocation of tax-exempt status as of the filing due date of the third return for organizations required to file. We will publish a list of organizations whose tax-exempt status was revoked under section 6033(j) of the Code on our website beginning in early 2011.

Robert Lee

Founding board member of Asian Pacific Fund Board Chairman, Blue Shield of California

"Like a little acorn, we are growing into quite a large oak tree. Initially, we begain with modest impact and reach. Today we reach over 70 agencies through grants and other support services, manage 14 scholarship programs, and our Growing Up Asian in America program is the largest of its kind in the country."

Thuy Vu Board member of Asian Pacific Fund Host, KQED Newsroom and LinkAsia

"As a Vietnamese immigrant, I'm proud of my ethnic heritage, but I'm also keenly aware of the need to unite all Asian Americans to build a strong, thriving Asian community in the Bay Area. The Asian Pacific Fund plays a key role by identifying and addressing problems that affect our community, and is at the forefront of tackling the challenges with commitment and cultural sensitivity."

Pathways to Citizenship

Community Spotlight:

FRIENDS OF CHILDREN WITH SPECIAL NEEDS

"My life changed dramatically 20 years ago when my son was diagnosed with autism," says Anna Wang, co-founder and Vice President of Local Programs at Friends of Children with Special Needs (FCSN), "I thought I was tough enough to handle it. I thought. if I had love and patience for my child, everything would be all right. I was wrong. I felt helpless and burnt out and alone in my struggle."

Three years later, her family found a group of friends who shared a passion for special needs children, although many of them dld not have special needs children of their own.

FCSN started in 1996 as a small community of 10 families, and today has grown into an 800-family organization, serving a primarily Asian American base living with autism, Down syndrome,

cerebral palsy, and other developmental disabilities. Their mission is to help special needs children and their families. find love, hope, and respect through integrated community involvement.

Anna says, "The cultural stigma and the pressures of caring for a child with special needs are tremendous. Asian families often isolate themselves from the rest of the community, feeling hopeless, helpless, and lonely FCSN's work is changing that mindset, restoring hope, and building a better future for this Asian special needs community.

The Asian Pacific Fund's grant helped make it possible for FCSN to provide (inguistically and culturally competent programs to our Asian special needs children. These after-school enrichment programs use art, sports, music, drama and life skills training to nurture the children's potential, promote independence and mutual support."

The widespread perception that Asian Americans are well-educated and successful masks the fact that **between 2007** and 2011, the number of Asians and Pacific Islanders (APIs) in poverty grew by 38 percent, the second highest increase of any other racial group. Over 60 percent of this increase is among native-born APIs—contrary to typical patterns of immigration where poverty is concentrated among the newly arrived.

In the Bay Area, home to one of the largest populations of APIs in the US, the growing poverty—and associated challenges—are tangible. Yet, **lack of awareness about these hidden needs means that the organizations who serve our most vulnerable often struggle to find enough funding.** The Asian Pacific Fund works to fill these critical funding gaps, as well as to raise awareness of overlooked needs among APIs.

Growing Up Asian in America 2013: IF I WERE PRESIDENT

As we witnessed the historic second inauguration of our president, we asked K-12 students across the Bay Area to imagine they made history by becoming our very first Asian or Pacific Islander American president. Nearly 1,000 students who entered our 18th annual Growing Up Asian in America contest told us through art, essay, poetry, and—for the very first year—video, what they would do to change things for the better. This is what a few winners shared with us:

"If I were President of United States, I would institute a National Hot Pot Day. People are always rushing around, busy with school, sports, or music. Hot pot would be a great way for Chinese-Americans to encourage their community to slow down and to build relationships." - Elisabeth K., Grade 5 | Burlingame

"Working Together to Build a Green Community" - Abigail C., Grade 2 | Sam Francisco

"Equality in My Country" - Rhona H., Grade 5 | Sunnyvale

"Fixing Environmental Woes"
- Hyunjun H., Grade 10 | Pleasanton

"We were learning about the ill treatment towards slaves, and a blunt boy shouted, 'It's a good thing you aren't living in that time, because otherwise you'd be a slave!' That day in second grade initially made me feel embarrassed about my skin color. I was humiliated. I spent time wishing! wasn't dark and was rather white like my friends. If I were president, I would focus on the problem of discrimination. Even though our nation has gotten rid of the inhumanity that was slavery, discrimination against people with different native backgrounds still exists." - Nikhita G., Grade 6 | Morgan Hill

CHANG-LIN TIEN EDUCATION LEADERSHIP AWARDS

In 2013, the Chang-Lin Tien Education Leadership Award recipient was Dr. Ellen Junn, Provost and Vice President for Academic Affairs at San José State University. She says, "While growing up as one of the only Asian families in our neighborhood was associated with many positive memories, sadly, even during the early 1960s, we witnessed and experienced the negative effects of stereotyping, racism, and sexism. I have tremendous respect for Chancellor Tien's tireless and pioneering commitment to promoting civility, fairness and consideration for everyone on his campus."

She was honored to receive this award bearing the name of Dr. Chang-Lin Tien, the former Chancellor of the University of California, Berkeley, and first Asian American head of a major US university. He was also a founding board director of the Asian Pacific Fund. In 2006, his family established the Chang-Lin Tien Education Leadership Awards to recognize rising Asian American leaders in higher education with a \$10,000 unrestricted grant.

Donor Spotlight: ORETTA HUAHN

Loretta Huahn has dedicated her life to providing pioneering mental health and social services to the Asian community in the East Bay. Though she is active in the Bay Area's Asian community and has been philanthropic for many years, Loretta sought out further expertise to make informed decisions about her giving. The Asian Pacific Fund recently established a donor advised fund for her, providing guidance and introductions to organizations that fulfill her philanthropic goals.

This year, she directed her gift to Asian Women's Shelter (AWS), a Fund affiliate that we felt would be a good match to her interests. After a personal visit to the shelter where Loretta met with staff to learn about their urgent needs, she knew it was the right fit.

Elizabeth Kirton, executive director of AWS, says, "Like most non-profits, funding cuts from government sources, in addition to changing foundation priorities, have threatened Asian Women's Shelter's ability to maintain quality services to survivors of domestic violence, human trafficking, and other forms of violence. We were once again reminded of the importance of being an Asian Pacific Fund affiliate agency when they brought AWS to the attention of Ms. Huahn. Ms. Huahn's generous gift to AWS will not only fill an unexpected funding gap this year, but will also have a lasting effect on our programming."

Loretta says, "This is the kind of process which gives me great satisfaction and challenges me—it's not just about dishing money out. It's a 400 to state the donor is deeply involved in, with an aspiration to make an impact. In order to achieve impact, you need to find a match with an organization that's versatile, dynamic and

Message from the Chair

A 20-year journey...and we've just begun.

Dear Friends,

Twenty years ago, the Asian Pacific Fund was born. As one of the founding board members in 1993, I remember clearly our vision of catalyzing Asian American wealth for public good in a way not done before. Looking back, I feel great appreciation that our vision has become reality.

A recent exhibit, Unbuilt San Francisco, shows provocative ideas

that never came to be—a United Nations at the foot of Twin Peaks, residences atop the Sutro Baths ruins, a casino on Alcatraz Island. This reminds me of the fragility of grand visions that can either become reality or be stillborn.

What ensured that our grand vision did come to life were the following: the Bay Area United Way for helping launch the Asian Pacific Fund; a great founding executive director, Gail Kong, who blended her deep community knowledge with a genuine care for the hearts as well as resources of our philanthropists; a stalwart founding board chair, Larry Lowe, who steered us forward for the first nine years; and deeply invested board members who believe in honoring our good fortunes by helping others find their path to well-being.

And where would we be today without the generous benefactors who put our organization on solid financial ground, an effervescent staff who approach each task with a sense of mission, and most of all, every single supporter who shares our vision and entrusts us with their precious dollars.

With your help, we are shaping a dynamic Asian philanthropic presence in the Bay Area, ensuring that overlooked needs in the Asian community are addressed through millions of grant and scholarship dollars. We give voice to our youth, empowering them to forge a powerful sense of identity, commitment and purpose through their personal challenges. We also recognize leaders in a profound way that catapults them toward even further achievement.

On behalf of the board of the Asian Pacific Fund, thank you for your support over the last 20 years. With the intelligent and energetic leadership of our executive director, Audrey Yamamoto, we look forward to our next 20 years as we continue to expand our philanthropic impact in the Bay Area.

Sincerely yours,

amerald you

Emerald Yeh

Part II, Line 17a - 10% Facts and Circumstances Test - Current Year
As reported on the 2011 Schedule A, Asia Pacific Fund's ("APF") public support
percentage is 28.84%. This amount is slightly below the required 33.33%. During

it would easily meet the public support test for both years.

* Its public support is well in excess of the 10% requirement.
* It maintains an active program to solicit grants.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Asian Pacific Fund as of June 30, 2013 and 2012, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Emphasis of Matter**

As discussed in Note 3 to the financial statements, the Asian Pacific Fund restated amounts previously reported as of and for the year ended June 30, 2012 to correct a misstatement. Our opinion is not modified with respect to this matter.

#### Other Matter

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The schedules of functional expenses on page 19 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

#### **NOTE 1 – ORGANIZATION**

Asian Pacific Fund (Fund), is a California nonprofit public benefit corporation organized in 1993. The Fund is a community foundation established to improve the health and well-being of Asian Americans in the Bay Area through grants and services to agencies and collaboration with donors to fulfill their charitable goals.

#### NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

**Basis of accounting and presentation** – The financial statements have been prepared on the accrual basis of accounting, under which revenues are recognized when they are earned and expenses are recognized when the related liability is incurred.

**Description of net assets** – The Fund reports information regarding its financial position and activities according to the following three classes of net assets: unrestricted net assets, temporarily restricted net assets and permanently restricted net assets.

**Unrestricted net assets** – These are unconditional promises to give by a donor without any use or time restrictions. The Fund classifies all contributions, except as noted below, as unrestricted for financial statement presentation.

**Temporarily restricted net assets** – These are subject to donor-imposed restrictions that will be met with the passage of time. The Fund's temporarily restricted net assets consist primarily of contributions received under split-interest agreements wherein the Fund or a third party serves as the trustee and earnings on endowment funds that have not yet been appropriated.

**Permanently restricted net assets** – These are subject to donor-imposed restrictions that will be maintained in perpetuity. The investment income generated from these assets is temporarily restricted by law until appropriated by the Board of Directors in support of the Fund's programs and operations. The Fund's permanently restricted net assets consist of endowment funds held by the Fund as defined under the Uniform Prudent Management of Institutional Funds Act (UPMIFA).

**Use of estimates** – Preparation of financial statements, in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts of assets, liabilities, revenues and expenses and to disclose any material contingent amounts. Accordingly, actual results could differ from such estimates.

Cash and cash equivalents – Cash and cash equivalents include cash balances and highly liquid investments with original maturities of three months or less at acquisition which are not managed as part of long-term investment strategies and are not legally restricted. The balances held by banks are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. Cash on deposit occasionally exceeds federally insured limits. The Fund has not experienced any losses in such accounts and management believes it is not exposed to any significant credit risk.

#### NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

**Pledges receivable, net** — Pledges receivable, net which are expected to be collected within one year are recorded at net realizable value. Pledges receivable, net which are expected to be collected in future years are recorded at the present value of their estimated future cash flows. Amortization of these discounts is included in contributions revenue in the accompanying statement of activities. As of June 30, 2013 and 2012, one donor comprised approximately 59% and 82% of the net pledge receivable balance, respectively.

Investments – All debt securities and equity securities with readily determinable fair values are carried at fair value based on quoted market prices. Gains and losses that result from market fluctuations are recognized in the period such fluctuations occur. Realized gains or losses resulting from sales or maturities are calculated on a cost basis. Dividend and interest income are accrued when earned.

Charitable remainder trusts – The Fund has been designated as the trustee for three irrevocable charitable remainder trusts, administered by Wells Fargo Bank. The trust agreements generally require the Fund to make annual payments to the trust beneficiaries based on stipulated payment rates ranging from 5% to 10%, applied to the fair value of the trust assets, as determined annually. Upon the death of the beneficiaries, or other termination of the trusts as may be defined in the individual agreements, the remaining trust assets will be distributed by the Fund to itself (and to other beneficiaries, as applicable), as stipulated in the trust agreements.

The fair value of the trust assets has been included in the Fund's statements of financial position. A corresponding liability, reported as liabilities under charitable remainder trusts in the accompanying statements of financial position, has been recorded to reflect the present value of required lifetime payments to the named income beneficiaries using discount rates ranging from 2% to 8%, for each of the years ended June 30, 2013 and 2012. Management calculates valuations annually by updating life expectancy of the income beneficiaries and investment values.

Liabilities under split-interest agreements represent the present value of the investments held in charitable remainder trusts owed to remainder beneficiaries other than the Fund, at the settlement of the trusts. These liabilities are calculated as a percentage of the present value of the investments held in charitable remainder trusts. Split-interest agreements are charitable remainder trust agreements that name the Fund and one or more other charity as remainder beneficiaries.

18.3

The difference between the fair value of the assets received and present value of the obligation to named beneficiaries under the agreements is recognized as contributions revenue in the year the agreement is signed. Realized and unrealized gains and losses, interest and dividend income from the investments and payments of the obligations are reflected as adjustments to obligations under split-interest agreements in the accompanying statements of financial position. Amortization of discounts and changes in actuarial assumptions are reflected in the statements of activities and changes in net assets as a change in value of charitable remainder trusts.

#### NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

**Property and equipment** – All acquisitions and major improvements of property and equipment in excess of \$1,000 are capitalized; maintenance and repairs which do not extend the useful life of the respective assets are expensed. Property and equipment are stated at cost or, if donated, at the approximate fair value at the date of donation. Depreciation is computed using the straight-line method over the estimated useful lives on the property and equipment. Estimated useful lives range from three to seven years.

Scholarships and grants payable – Grants and scholarships are recognized in the period the grant or scholarship is approved. Grants and scholarships payable that are expected to be paid in future years are recorded at the present value of expected future payments.

**Deferred revenue** – Deferred revenue consists of sponsorships received in advance for future events.

Fair value of financial instruments — Financial instruments included in the Fund's statements of financial position include cash and cash equivalents, pledges receivable, net, investments, investments held in charitable remainder trusts, accounts payable and accrued expenses, scholarships and grants payable, net, liabilities under charitable remainder trusts and liabilities under split-interest agreements. For cash and cash equivalents, pledges receivable, net, accounts payable and accrued expenses and scholarships and grants payable, net, the carrying amounts represent a reasonable estimate of the corresponding fair values. Investments, investments held in charitable remainder trusts, liabilities under charitable remainder trusts and liabilities under split-interest agreements are reflected in the accompanying statements of financial position at their estimated fair values using methodologies described below.

Fair value measurements – Fair value is the price that would be received from selling an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. When determining fair value, the Fund considers the principal or most advantageous market in which it would transact and considers assumptions that market participants would use when pricing the asset or liability.

The three-level hierarchy for fair value measurements is defined as follows.

- **Level 1** Valuation is based on observable inputs using quoted prices in active markets for identical assets or liabilities that are accessible at the measurement date.
- **Level 2** Valuation is based on inputs from sources other than quoted prices in active markets that are either directly or indirectly observable as of the reporting date. This may include quoted prices for similar assets in an active market, quoted prices for similar assets in a market that is not active or valuation methods using models, interest rates and yield curves as observable inputs.
- **Level 3** Valuation is based on unobservable inputs for the assets, reflecting the Fund's assumptions about the assumptions that a market participant would use in pricing the asset or liability, to the extent that observable inputs (Levels 1 and 2) are not available. Level 3 assets and liabilities include situations where there is little or no market activity for the asset or liabilities, and significant management judgment or estimates are required.

#### NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

0.90

Investments and investments held in charitable remainder trusts are measured on a recurring basis and are classified as Level 1 because they are valued using quoted prices in active markets. Liabilities under charitable remainder trusts and liabilities under split-interest agreements are measured on a recurring basis and are classified as Level 3 since observable inputs are minimal.

While the Fund believes its valuation methods are appropriate and consistent with those used by other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different estimate of fair value at reporting date. Those estimated values may differ significantly from the values that would have been used had a readily available market for such assets and liabilities existed, or had such assets and liabilities been liquidated, and these differences could be material to the financial statements.

**Endowment funds** – The Fund's endowment funds are comprised of approximately ten individual funds established for scholarships and other purposes. The endowment funds are composed of both donor-restricted and donor-advised funds to function as endowments. As required by generally accepted accounting principles, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

Interpretation of relevant law — The Board of Directors of the Fund has interpreted UPMIFA, which was effective as of January 1, 2009 in the State of California, as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Fund classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Fund in a manner consistent with the standard of prudence prescribed by UPMIFA. In accordance with UPMIFA, the Fund considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- · The duration and preservation of the fund
- The purposes of the Fund and the donor-restricted endowment fund
- General economic conditions
- The possible effect of inflation and deflation
- The expected total return from income and the appreciation of investments
- Other resources of the Fund

1.15

The investment policies of the Fund

#### NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Return objectives and risk parameters — The Fund has adopted investment and spending policies for endowment assets that attempt to achieve a growth in principal that will support a continuing rise in charitable distributions from its endowments, avoid a high degree of risk and ensure endowment funds will operate in perpetuity. Accordingly, the investment process seeks to achieve an after-cost total real rate of return, including investment income as well as capital appreciation, which exceeds the annual distribution with acceptable levels of risk. Endowment assets are invested in a well diversified asset mix, which includes equity and debt securities, that is intended to result in a consistent inflation-protected rate of return that has sufficient liquidity to make an annual distribution of 5%, while growing the funds if possible. Actual returns in any given year may vary from this amount. Investment risk is measured in terms of the total endowment fund; investment assets and allocation between asset classes and strategies are managed to not expose the Fund to unacceptable levels of risk.

Strategies employed for achieving objectives – To satisfy its long-term rate-of-return objectives, the Fund relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Fund targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.

**Spending policy** – Annually, the Investment Committee of the Fund approves the amount to expend from the investment accounts, which is currently calculated as 5% of the investment accounts' average fair market value over the past three years. In accordance with donor instructions, this amount is expendable for either general or specific purposes.

Funds with deficiencies – From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or UPMIFA requires the Fund to retain as a fund of perpetual duration. In accordance with accounting principles generally accepted in the United States of America, deficiencies of this nature that are reported in unrestricted net assets were \$784,710 and \$900,968 as of June 30, 2013 and 2012, respectively. These deficiencies resulted from unfavorable market fluctuations.

Contributions – Contributions received are recorded as unrestricted, temporarily restricted or permanently restricted support, depending on the existence and/or nature of any donor restrictions. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Temporarily restricted contributions are recorded to recognize donor-imposed or timing restrictions, including bequests and split interest agreements. Permanently restricted contributions are recorded where the donor has permanently restricted the gift. In the event that the Fund receives donated securities, the securities are liquidated shortly after receipt.

**Major contributions** – For the year ended June 30, 2013, one donor contributed amounts representing 54% of total contributions and 74% of foundation and corporate grants, respectively. For the year ended June 30, 2012, two donors contributed amounts representing 27% of total contributions and 61% of foundation and corporate grants, respectively.

#### NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

**Expense allocation** – Expenses relating to more than one function are allocated to program service, management and general and fundraising costs based on employee time and expenses studies or other appropriate usage factors.

Grants and scholarships expense – Grant and scholarship expenditures are recognized in the period the grant or scholarship is approved provided the grant or scholarship is not subject to significant future conditions. Conditional grants and scholarships are recognized as grants and scholarships expense and as grants and scholarships payable in the period in which the grantee or student meets the terms of the conditions. Grants and scholarships are returned to the Fund if certain conditions are not met. Returned grants and scholarships are included as a reduction of grants and scholarship expense in the accompanying statements of activities.

Advertising costs - Advertising costs are expensed as incurred.

Income taxes – The Fund is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and from California franchise taxes under Section 23701d of the Revenue and Taxation Code. In addition, the Fund qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as an organization that is not a private foundation under Section 509(a).

The Fund has adopted the provisions related to accounting for uncertainty in income taxes, which defines a recognition threshold and measurement attribute for the financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. The Fund's management has considered its tax positions and believes that all of the positions taken by the Fund in its federal and state tax returns are more likely than not to be sustained upon examination. The Fund files tax returns in the U.S. federal and California jurisdictions. With few exceptions, the Fund is no longer subject to federal tax examinations by tax authorities for tax years before 2009.

#### **NOTE 3 – RESTATEMENT OF FINANCIAL STATEMENTS**

Dear Sir or Madam:

This letter is in response to your telephone call requesting a copy of your organization's determination letter. This letter will take the place of the copy you requested.

Our records indicate that a determination letter issued in November 1982 granting your organization exemption from federal income tax under section 501(c)(3) of the Internal Revenue Code. That letter is still in effect.

Based on information subsequently submitted, we classified your organization as one that is not a private foundation within the meaning of section 509(a) of the Code because it is an organization described in sections 509(a)(1) and 170(b)(1)(A)(vi).

This classification was based on the assumption that your organization's operations would continue as stated in the application. If your organization's sources of support, or its character, method of operations, or purposes have changed, please let us know so we can consider the effect of the change on the exempt status and foundation status of your organization.

Your organization is required to file Form 990, Return of Organization Exempt from Income Tax, only if its gross receipts each year are normally more than \$25,000. If a return is required, it must be filed by the 15th day of the fifth month after the end of the organization's annual accounting period. The law imposes a penalty of \$20 a day, up to a maximum of \$10,000, when a return is filed late, unless there is reasonable cause for the delay.

All exempt organizations (unless specifically excluded) are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of \$100 or more paid to each employee during a calendar year. Your organization is not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Organizations that are not private foundations are not subject to the excise taxes under Chapter 42 of the Code. However, these organizations are not automatically exempt from other federal excise taxes.

Donors may deduct contributions to your organization as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to your organization or for its use are deductible for federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2108, and 2522 of the Code.

Environmental Federation of California 94-2840364

Your organization is not required to file federal income tax returns unless it is subject to the tax on unrelated business income under section 511 of the Code. If your organization is subject to this tax, it must file an income tax return on the Form 990-T, Exempt Organization Business Income Tax Return. In this letter, we are not determining whether any of your organization's present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

The law requires you to make your organization's annual return available for public inspection without charge for three years after the due date of the return. You are also required to make available for public inspection a copy of your organization's exemption application, any supporting documents and the exemption letter to any individual who requests such documents in person or in writing. You can charge only a reasonable fee for reproduction and actual postage costs for the copied materials. The law does not require you to provide copies of public inspection documents that are widely available, such as by posting them on the Internet (World Wide Web). You may be liable for a penalty of \$20 a day for each day you do not make these documents available for public inspection (up to a maximum of \$10,000 in the case of an annual return).

Because this letter could help resolve any questions about your organization's exempt status and foundation status, you should keep it with the organization's permanent records.

If you have any questions, please call us at the telephone number shown in the heading of this letter.

This letter affirms your organization's exempt status.

Sincerely

John E. Ricketts Director, TE/GE CAS

### Independent Auditors' Report

Board of Directors
Environmental Federation of California, Inc.

We have audited the accompanying statements of financial position of Environmental Federation of California, Inc. (operating as EarthShare California) as of June 30, 2011 and 2010, and the related statements of activities, cash flows and functional expenses for the years then ended. These financial statements are the responsibility of Environmental Federation of California, Inc.'s management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Environmental Federation of California, Inc. as of June 30, 2011 and 2010, and the changes in its net assets and its cash flows for the years then ended, in conformity with accounting principles generally accepted in the United States of America.

#### NOTES TO FINANCIAL STATEMENTS

June 30, 2011 and 2010

### **NOTE A** -- Nature of the Federation

Environmental Federation of California, Inc. (the Federation), which operates as EarthShare California, was established in 1982 as a coalition of various independent environmental groups (affiliated organizations). The primary purpose of the Federation is to broaden its affiliates' financial support by obtaining access to and coordinating participation in corporate and governmental payroll deduction fundraising campaigns throughout California. This support will help: (1) prevent human health problems from air, water and toxic pollution; (2) preserve and conserve fresh water, marine and land resources; and (3) develop educational programs which promote a sound and balanced use of our natural resources. The Federation represents 88 environmental organizations in over 180 workplace-giving campaigns.

For an organization to be accepted in the Federation, the organization must meet the qualifications specified in the Federation's by-laws. The Board of Directors determines the acceptance of a new member organization. The new member organizations are required to pay a joining fee of \$5,000 plus 10% of their respective net income from distributions for the first three years. Member organizations are required to perform a minimum of 30 service hours per year. Undesignated monies, less expenses, are normally divided 60/40 between local/common members and national members. The Federation can choose to apply for a different split, on a year-by-year basis (See Note H). Local and common members receive an equal share of the Federation's undesignated monies less expenses and any other member fees levied by the Board of Directors. There are currently 48 local and common members in the Federation.

### NOTE B - Summary of significant accounting policies

### Basis of accounting

The Federation maintains its accounting records and prepares its financial statements on the accrual basis.

### Cash and cash equivalents

For the purposes of the Statements of Cash Flows, the Federation considers cash and cash equivalents to consist of demand deposits as well as cash on hand.

#### **Pledges**

Unconditional promises to give (pledges) are all expected to be collected within one year and are recorded at their net realizable value, net of uncollectible pledges. Conditional promises to give are not included as contributions until such time as the conditions are substantially met.

See auditors' report.

### NOTES TO FINANCIAL STATEMENTS (Continued)

June 30, 2011 and 2010

### NOTE B -- Summary of significant accounting policies (continued)

### Allowance for uncollectible pledges

The allowance for uncollectible pledges is an estimate of annual campaign payroll pledges receivable that will not be collected. The estimate is based on collection history of prior year campaigns and is offset against campaign contribution revenue.

### Fair value of financial instruments

The carrying amount of cash, pledges and accounts receivable, prepaid expenses and payables are stated at a fair value or approximate fair value.

### Property and equipment

Property and equipment with useful lives of greater than one year costing \$1,000 or more are capitalized and are recorded at cost, or fair value if donated. Capitalized property and equipment are depreciated over their estimated useful lives of three to seven years on the straight-line basis. Donated material and equipment are recorded as contributions at their estimated value on the date of receipt.

#### Net assets

The Federation classifies its net assets and activities into one of three categories:

<u>Unrestricted</u>: Those net assets and activities which represent the portion of expendable funds available to support operations. A portion of these net assets may be designated by the Board of Directors for specific purposes.

<u>Temporarily restricted</u>: Those net assets and activities which are donor-restricted for: (a) support of specific operating activities; (b) investment for a specified term; (c) use in a specified future period; or (d) acquisition of long-lived assets. The Federation had \$6,711 and \$3,890 of net assets temporarily restricted for specific activities and future periods at June 30, 2011 and 2010, respectively.

<u>Permanently restricted</u>: Those net assets and activities which are permanently donor-restricted for holdings of: (a) assets donated with stipulations that they be preserved and not be sold; or (b) assets donated with stipulations that they be invested to provide a permanent source of income. The Federation has no permanently restricted net assets at June 30, 2011 and 2010.

See auditors' report.

### NOTES TO FINANCIAL STATEMENTS (Continued)

June 30, 2011 and 2010

### **NOTE B** -- Summary of significant accounting policies (continued)

### Net assets (continued)

The expiration of a donor-imposed restriction on a contribution is recognized in the period in which the restriction expires. This occurs by increasing unrestricted net assets and decreasing temporarily restricted net assets in the Statements of Activities, and the release from restrictions is reported separately from other transactions.

### Recognition of public support and allocations

The annual campaigns at worksites are conducted primarily in the fall of each year to raise support for allocations to the affiliated organizations. Donor contribution revenue is recognized as pledges are made based on donor pledge forms or employer summarized information. For campaigns where there is no such information, pledges are estimated based on prior year actual collections and allocations.

Contributions are allocated to affiliated organizations to the extent the donor designates a preference. Each member organization is distributed a proportionate share of receipts based on donor designations to each member.

Affiliated organizations also receive contributions directly from donors or third-party processors that are attributable to the Federation's annual worksite campaigns. The affiliated organizations are required to send these contributions to the Federation, so that these amounts may be recognized in the Federation's gross campaign results, and distributed appropriately. Management believes that not all of these direct payments are properly routed through the Federation, and the amounts may be significant, but difficult to ascertain. Net undesignated pledges are not affected by the shortfall of direct payments.

#### Grants

Grants are recorded as revenue in accordance with generally accepted accounting principles. Revenue that is donor-restricted is included in temporarily restricted net assets. As the restrictions are met, the revenue is shown as a release from restrictions and transferred from temporarily restricted net assets to unrestricted net assets.

### NOTES TO FINANCIAL STATEMENTS (Continued)

June 30, 2011 and 2010

### NOTE B - Summary of significant accounting policies (continued)

### Contributed goods and services

The Federation's policy is to recognize the fair value of certain contributed goods and services received as both a revenue and an offsetting expense in accordance with generally accepted accounting principles. Such donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose. During the year ended June 30, 2011, the value of contributed goods included as in kind donations in the accompanying financial statements was \$1,249 and consisted of an iPad and tickets to an event. There were no contributed goods and services required to be recorded during the year ended June 30, 2010. Other notable volunteer time that does not require recognition in the financial statements totaled over 1,720 and 1,780 hours during the years ended June 30, 2011 and 2010, respectively. The hours contributed were mainly devoted to speaker workplace presentations during campaigns and participation in the Federation's Board of Directors.

### Functional allocation of expenses

The costs of providing the program services and supporting activities of the Federation are summarized in the Statements of Activities and in the Statements of Functional Expenses. Expenses that can be directly identified with a specific function are allocated directly to that function. Expenses that cannot be directly identified with a specific function are allocated among the program services and the supporting activities benefited. Occupancy related expense allocation is based on the square footage of the space used. Personnel related expense allocation is based on the staff time spent on each function.

The Federation reports its expenses on a functional basis as follows:

- Program services include specific campaign activities and educational efforts on the part of
  the Federation, as well as activities dealing with and providing information and referral for
  member agencies. Additionally, program services also include activities expenses related to
  the management of existing campaigns.
- Fundraising represents the costs related to attracting new campaigns and raising funds for internal operations. The fundraising activities include soliciting gifts, special events, writing grants and direct mail solicitation.
- General and administrative relates to all Federation overhead activities, including management and general aspects that are not related to fundraising or program activities.

### NOTES TO FINANCIAL STATEMENTS (Continued)

June 30, 2011 and 2010

### **NOTE B** - Summary of significant accounting policies (continued)

#### Income taxes

The Federation is a tax-exempt organization under the provisions of Internal Revenue Code Section 501(c)(3) and Section 23701d of the California Revenue and Taxation Code. Accordingly, no provision for income taxes has been reflected in these financial statements.

The Federation believes it has appropriate support for the income tax positions taken, and, as such, does not have any uncertain tax positions that result in a material impact on the Federation's financial statements.

#### Use of estimates

Management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from management's estimates. Significant estimates include accrual of pledges receivable and the provision for uncollectible pledges.

### Reclassification of financial statements

Certain reclassifications have been made to the financial statements for the year ended June 30, 2010 to conform to the year ended June 30, 2011 financial statement presentation. These reclassifications have no effect on net assets as previously reported.

### NOTE C - Concentration of credit risk

Financial instruments that potentially subject the Federation to a concentration of credit risk consist primarily of cash and pledges receivable. The Federation maintains its cash in several accounts at one bank. The combined balance at times may exceed federally insured limits. The Federation has not experienced any losses in these cash accounts and believes it is not exposed to any significant credit risk.

Pledges receivable consist of promises from individuals to give through workplace giving campaigns. A shrinkage allowance is recognized for expected uncollectable pledges. Management does not expect actual results to differ significantly from net pledge revenue recognized.

The purpose of the agreement is to create a unified environmental fundraising confederation and adopt consistent financial accounting practices and disbursement arrangements.

Under the terms of the affiliation agreement, the Federation is required to remit 4% of cash receipts related to EarthShare member groups to EarthShare National as well as 40% of undesignated campaign revenue net of overhead and other allowable expenses to the members of EarthShare National. On a year-by-year basis, the Federation can submit a request to modify the required percentage remittance of the undesignated campaign revenue remittance.

### **NOTE H** – Subsequent events

The current year allocation of undesignated campaign proceeds of \$458,354 was made based on the normal 60/40 split between local/common members and national members. On October 3, 2011, the Affiliations Committee of EarthShare National approved a 68/32 split between local/common members and national members for the undesignated campaign proceeds of the current year. This change in allocation affects only the split between the national confederation and the local/common affiliated organizations, and will have no effect on the change in net assets of the Federation. Actual allocation of disbursements of undesignated campaign proceeds made during the year ending June 30, 2012 may vary from amounts accrued at June 30, 2011.

The date to which events occurring after June 30, 2011 have been evaluated for possible adjustments to the financial statements or disclosure is December 20, 2011, which is the date on which the financial statements were available to be issued.

Independent Auditor's Report opnion To the Board of Directors Global Impact Alexandria, Virginia

#### Report on the Financial Statements

We have audited the accompanying financial statements of Global Impact, which comprise the statements of financial position as of June 30, 2013 and 2012, and the related statements of activities, changes in net assets, and cash flows for the years then ended, and the related notes to the financial statements.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Global Impact as of June 30, 2013 and 2012, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Notes to Financial Statements**

#### 1. Summary of Accounting Policies

#### **Organization Purpose**

The mission of Global Impact is to assure help for the world's most vulnerable people. Its primary activities include:

- a) Participating in nearly 500 workplace giving campaigns including the federal government, state governments, local governments and private workplaces to provide a means for employees of participating institutions to donate either to Global Impact or to its more than 69 member charities;
- b) Creating alliances with funding organizations to address specific relief or development needs in developing countries:
- Provide philanthropic services including campaign management services, advisory services, providing a vehicle for employer-based emergency relief fundraising campaigns, state charitable registration services and the management of donor advised funds;
- d) Distribute funds raised on behalf of member charities to them based on criteria established by the Board of Directors;
- e) Adherence to distributions formulae established by the Board of Directors for other funds raised; and
- f) Performing such other charitable and educational activities as may be necessary in order to support or accomplish the foregoing.

#### **Basis of Accounting**

Global Impact's financial statements are prepared using the accrual basis of accounting.

#### Cash and Cash Equivalents

Global Impact considers cash on hand, deposits in banks, and investments purchased with an original maturity of three months or less to be cash and cash equivalents other than those included in Global Impact's investment portfolio.

#### Pledges Receivable

Pledges are recorded in the financial statements upon receipt of pledge information from the campaigns. Global Impact honors designations made to each member organization. As all pledges are expected to be collected within one year, they are recorded at their net realizable value. This is achieved by creating an allowance for estimated uncollectible pledges and for estimated campaign expenses. At the end of each fiscal year, any amounts receivable from the previous year's campaign are written off. Subsequent receipts relating to such amounts are set off against the shrinkage expense.

#### **Notes to Financial Statements**

#### Accounts Receivable

Accounts receivable consists primarily of amounts due from member charities and employers that are sponsors of workplace giving programs. There is no allowance for doubtful accounts due to management's belief that all accounts receivable are collectible and should they not be, any uncollectible amount would be offset against future distributions.

#### Charitable Lead Trust Receivable

Global Impact had received an interest in a charitable lead trust. Global Impact was not the trustee for this agreement. The charitable lead trust was reported at the fair value of the investments of the trust, as reported by the trustee, discounted to the present value of the cash flows to be received by Global Impact. In October 2012, Global Impact received the final distribution from the trust and the trust was eventually terminated.

#### Investments

Investments are stated at fair value. Shares of mutual funds are valued at quoted market prices which represent the net asset value of shares held by Global Impact at year-end.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is accrued when earned. Dividends are recorded on the ex-dividend date. Unrealized and realized gains and losses are included in the statements of activities.

#### Property and Equipment

Property and equipment with unit values in excess of \$1,000 are recorded at cost. Depreciation is provided for using the straight-line method of depreciation over the estimated useful lives of the assets which range from three to ten years. Leasehold improvements are amortized on the straight-line basis over the lesser of the estimated service lives of the assets or the remaining lease term. Assets acquired under capital leases are recorded at the lower of the present value of the future minimum lease payments or the fair value of the assets. The assets are amortized over the lesser of the related lease term or their estimated useful life. Cost and related accumulated depreciation and amortization are removed from the accounts when the assets are disposed of, with any gain or loss recognized currently. Repairs and maintenance are charged to expense when incurred.

#### **Campaign Funds Payable to Member Charities**

Pledges that are designated to Global Impact's member charities are recorded as campaign funds payable to member charities. Cash received from campaigns is distributed to each participating member charity in the ratio of its designated pledges to total Global Impact pledges from the relevant campaign. Prior to the monthly distribution of the campaign receipts to the member charities, Board approved expenses less undesignated pledges and other non-designated revenues are deducted on the same ratio as designated pledges and are recorded as administrative charges for raising funds on behalf of others.

#### **Notes to Financial Statements**

#### **Unrestricted Net Assets**

Global Impact's unrestricted net assets are composed of the following:

#### Available for General Use

Unrestricted amounts to be used for Global Impact's ongoing operations.

#### Microsoft Gift Fund

In 2012, the Board authorized the establishment of a fund in which to record an in-kind gift of software from Microsoft. The fund is reduced by the amount of the annual depreciation expense pertaining to the software.

#### Opportunity Fund

The Board authorized this fund in 1994 to make funds available for new opportunities in accordance with the mission of Global Impact.

#### **Temporarily Restricted Net Assets**

Global Impact reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets by time or purpose. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities as net assets released from restrictions.

#### Revenue Recognition

Revenue is recognized in the period in which it is earned. Revenue received in advance is deferred to the applicable period. Some workplace campaigns choose to distribute employee charitable contributions directly to member charities. Campaigns in which Global Impact and its member charities actively participate are recorded based on campaign reports received from the employee campaigns. These direct payments are presented under amounts raised in campaigns in the statements of activities.

#### In-Kind Contributions

Donated property and equipment is recorded at fair value at the date of donation. If the donors stipulate how long assets must be used, the contributions are recorded as restricted support. In the absence of such stipulations, contributions of property and equipment are recorded as unrestricted support.

Global Impact records donated services, including consulting and speaker fees, at their estimated fair value when they create or enhance nonfinancial assets or they require specialized skills which would need to be purchased if they were not donated. For the years ended June 30, 2013 and 2012, Global Impact received in-kind contributions of \$0 and \$884,329, respectively, that were recorded under in-kind contributions in the statements of activities.

#### **Notes to Financial Statements**

#### Expenses

Expenses are recognized by Global Impact during the period in which they are incurred. Expenses paid in advance and not yet incurred are deferred to the applicable period.

Donor advised funds consist of amounts distributed to member charities and other charities from contributions raised through workplace giving under donor advised fund agreements. Non-recurring giving for international relief and development are non-recurring contributions made for disaster response and other programs from sources other than annual workplace giving campaigns. Accelerator fund grants were grants to other charities for projects having the potential of a 5:1 to 7:1 return as part of a special initiative by the Board to use reserves to fund activities to build Global Impact's long-run fundraising capacity and capability. As described in Note 14, CFC campaigns expense consists of amounts distributed to CFC of the National Capital Area charities in 2012 as required by OPM as a result of the OPM/OIG audit of Fall 2009, 2008 and 2007 campaigns; and amounts distributed to CFC Overseas charities in 2013 as required by OPM as a result of the OPM/OIG audit of Fall 2010 and 2009 campaigns.

Campaign support consists of costs associated with increasing overall recognition and representation of member charities; costs that benefit the overall campaign; and expenses incurred under cost-sharing arrangements. Special programmatic services were two initiatives to expand Global Impact's internal fundraising potential as part of the same initiative as the accelerator fund grants.

Management and general expenses consist of cost directly related to the overall operations of Global Impact and maintenance of its corporate existence, including general office management, reception, and financial reporting. Fundraising includes those costs associated with accessing new workplace fundraising campaigns.

#### Functional Allocation of Expenses

The costs of providing various program and supporting services have been summarized on a functional basis in the statements of activities. Accordingly, certain costs have been allocated among the program and supporting services benefited.

#### Financial Instruments and Credit Risk

Financial instruments which potentially subject Global Impact to concentrations of credit risk consist principally of cash balances and pledges receivable. At June 30, 2013, Global Impact had deposits in a single financial institution totaling approximately \$5.3 million in excess of the Federal Depository Insurance limit. Global Impact has never experienced any losses related to these balances and believes it is not exposed to any significant credit risk on its cash balances. Credit risk with respect to pledges receivable is limited because Global Impact participates with a significant number of campaigns whose participants are spread over a wide geographic region.

#### Use of Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP or U.S. GAAP) requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

#### **Notes to Financial Statements**

#### **Income Tax Status**

Global Impact is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. In addition, Global Impact is classified by the Internal Revenue Service as an organization that is not a private foundation. Global Impact is required to report unrelated business income to the Internal Revenue Service and the Commonwealth of Virginia taxing authorities. Global Impact reported no net unrelated business taxable income for the years ended June 30, 2013 and 2012.

Under Accounting Standards Codification (ASC) 740-10, Accounting for Uncertainty in Income Taxes, Global Impact must recognize the tax benefit associated with tax positions taken for tax return purposes when it is more-likely than not that the position will be sustained. Global Impact does not believe there are any unrecognized tax benefits that should be recorded. For the years ended June 30, 2013 and 2012, there were no interest or penalties recorded or included in the statements of activities. Global Impact is still open to examination by taxing authorities from fiscal year 2010 forward.

#### Reclassification

Certain amounts in the 2012 financial statements have been reclassified to conform to the current year financial statement presentation.

#### 2. Charitable Lead Trust Receivable

Charitable lead trust receivable consists of the following beneficial interest at:

June 30,	2	2013		
Benefit interest in a charitable lead trust before unamortized discount Less unamortized discount	\$	•	\$	59,344 (15,993)
Net benefit interest in a charitable lead trust	\$	_	\$	43,351

The discount was calculated using a rate of 8% for the year ended June 30, 2012. The charitable lead trust receivable was collected and settled in 2013.

#### 3. Due from Combined Federal Campaigns

Global Impact has been the Principal Combined Fund Organization (PCFO) for the Department of Defense Combined Federal Campaign (the Overseas Campaign or Overseas) since 1996 and for the National Capital Area's Combined Federal Campaign (the National Capital Area Campaign or NCA) since 2003. Global Impact pays for the expenses of the Overseas Campaign and the National Capital Area Campaign and is reimbursed from funds collected. Amounts due to Global Impact from the Overseas Campaign for unreimbursed expenditures totaled \$406,598 and \$675,682 as of June 30, 2013 and 2012, respectively. Amounts due to Global Impact from the National Capital Area Campaign for unreimbursed expenditures and advances totaled \$365,010 and \$641,021 as of June 30, 2013 and 2012, respectively.

#### **Notes to Financial Statements**

#### 4. Due from Global Reach

On August 22, 2008, Global Impact created a District of Columbia not-for-profit Corporation called Global Reach for a program that heretofore had been run within Global Impact. According to the governing documents of Global Reach, at least half of the members of its board of directors must be members of the Global Impact Board of Directors, and if in the future Global Reach should be dissolved, its net assets must to be transferred to Global Impact. The Internal Revenue Service has granted Global Reach an exemption from Federal income taxation under Section 501(c)(3) of the Internal Revenue Code. Global Reach's fiscal year end is June 30.

Global Impact shared resources with Global Reach through an agreement between the two organizations up to June 30, 2012. Starting 2013, Global Reach's operations were minimized and its remaining program activities were transferred to Global Impact. During the years ended June 30, 2013 and 2012, Global Impact provided contributions of both funds and resources of \$0 and \$135,630, respectively, which is recorded as expense in the statements of activities. Global Reach owed Global Impact the amount of \$0 and \$8,866 as of June 30, 2013 and 2012, respectively.

Management has determined that the activities of Global Reach are insignificant to these financial statements and therefore have not been consolidated.

#### 5. Fair Value of Financial Investments

Global Impact follows the provisions of ASC 820, Fair Value Measurements, in accounting for the fair value of financial investments. ASC 820 establishes a common definition for fair value to be applied under generally accepted accounting principles requiring use of fair value, establishes a framework for measuring fair value, and expands disclosures about such fair value measurements.

ASC 820 defines fair value as the price that would be received to sell an asset or paid to transfer a liability (i.e., the "exit price") in an orderly transaction between market participants at the measurement date. ASC 820 establishes a hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the observable inputs be used when available.

Observable inputs are inputs that market participants operating within the same marketplace as Global Impact would use in pricing its asset or liability based on independently derived and observable market data. Unobservable inputs are inputs that cannot be sourced from a broad active market in which assets or liabilities identical or similar to those of Global Impact are traded. The input hierarchy is broken down into three levels based on the degree to which the exit price is independently observable or determinable as follows:

#### Basis of Fair Value Measurement:

Level 1: Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2: Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;

Level 3: Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

#### **Notes to Financial Statements**

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Investments measured at fair value on a recurring basis consist of the following based on the fair value hierarchy noted above:

#### 8. Lines-of-Credit

Global Impact maintains two revolving line-of-credit arrangements in order to administer the CFC Programs. The first agreement had a tiered borrowing structure based on the life cycle of the related CFC campaign that expired on June 30, 2013. This was renewed in July 2013 and has a maximum borrowing amount of \$500,000 and will expire in March 2014. The second agreement has a tiered borrowing structure based on the life cycle of the related CFC campaign with a borrowing amount ranging from \$2,200,000 to \$1,000,000 which will expire in January 2014. The interest rate is based on the 30 day LIBOR rate plus 2.375% for both borrowings. The interest rate was 2.57% and 2.61% as of June 30, 2013 and 2012, respectively. The lines-of-credit are secured by a blanket lien on Global Impact's receivables and property and equipment. The amount due on the lines-of-credit was \$673,601 and \$651,119 as of June 30, 2013 and 2012, respectively. Interest expense incurred and paid for the years ended June 30, 2013 and 2012 was \$86,121 and \$55,218, respectively.

#### 9. Opportunity Fund

The Board authorized this fund in 1994 to make funds available for new opportunities in accordance with the mission of Global Impact. Effective June 30, 2004, at management's request, the Board set a limit of \$500,000 for the Opportunity Fund. There were no expenditures from the Fund during the years ended June 30, 2013 and 2012.

The following tables present gross pledges raised by Global Impact and the reconciliation to net amounts raised in campaigns.

#### 14. OIG/OPM Audits

As the PCFO of the National Capital Area and Overseas Campaigns, Global Impact is subject to audit by the Inspector General, U.S. Office of Personnel Management, U.S. Office of Management and Budget and the U.S. Government Accountability Office. In July 2010, the Office of the Inspector General of the U.S. Office of Personnel Management (OIG/OPM) began its audits of the National Capital Area's Fall 2009, 2008 and 2007 campaigns. On March 14, 2012, the OIG/OPM issued its final report of the National Capital Area's audit and OPM required Global Impact to reimburse the National Capital Area a total of \$308,820 for what it deemed as unreasonable, unallowable or unsupported expenditures. Global Impact made this reimbursement on March 2012.

On August 14, 2012, in response to Global Impact's appeal of this finding, OPM rescinded \$102,275 of its March order. The net reimbursement of \$206,545 is recorded as an expense in the statement of activities for the year ended June 30, 2012, and the amount of \$102,275 is included as Due From Combined Federal Campaigns in the statement of financial position as of June 30, 2012.

In February 2012, the OIG/OPM began audits of the Overseas' Fall 2010 and 2009 campaigns. On March 18, 2013, the OIG/OPM issued its final report of the Overseas' audit and OPM required Global Impact to reimburse the Overseas a total of \$11,426 for what it deemed as unreasonable, unallowable or unsupported expenditures. Global Impact made this reimbursement on May 2013.

#### 15. Subsequent Events

Global Impact evaluated subsequent events through October 2, 2013 which is the date the financial statements were available to be issued. There were no events noted that required adjustment to or disclosure in these financial statements.

## NOTE 1 — REPORTING ENTITY

Local Independent Charities of America (LICA) was incorporated under the laws of California on July 15, 1987. LICA receives funds from the government and private sector workplace payroll deduction fund drives for distribution to member agencies. A member agency must be accepted for participation by completing an application and qualifying under certain restrictions.

#### NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### A. Bas is of Accounting and Financial Statement Presentation

The financial statements are prepared on the accrual basis in accordance with accounting principles generally accepted in the United States of America.

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions.

Local Independent Charities of America recognizes unconditional promises to give as pledges receivable in the period received. Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized. All other donor restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities as net assets released from restrictions. Presently, all net assets of the organization are unrestricted as the restriction expires in the reporting period.

#### B. Use of Estimates - Allowance for Uncollectible Pledges

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disc losures. Accordingly, actual results could differ from those estimates. Specific areas requiring estimation of LICA's financial statements are the Allowance for Estimated Uncollectible Pledges and the Estimated Distributions Payable to Member Agencies.

LICA makes an estimation of the percentage of pledges that are made but, due to a variety of circumstances, are not collected during the year. This estimate in 2011 and 2010 is 13% and 14%, respectively, which is based on historical campaign results.

#### NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### C Charges to Member Agencies and Member Distributions

Charges for federation operating expenses are made to each member agency based on the relative amount of total pledges made to the particular agency compared to the sum of all agency pledges. Pledges designated to the federation itself (versus to a member agency) and other federation revenue, such as interest income, are shared amongst all the agencies in this same proportion.

Therefore, as a net result, should the federation's revenue exceed expenses, the agencies share the excess income. Conversely, should the federation's expenses exceed revenue, the excess cost is likewise apportioned amongst the member agencies.

For the Fall 2011 and 2010 campaigns, federation expenses exceeded revenue by \$467,814 and \$435,119, respectively, which has been collected from the member agencies.

#### D. Income Tax Status

LICA is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code and state income taxes under 23701(d) of the California Revenue Taxation Code. Accordingly, no provision for income taxes has been provided in these financial statements. In addition, LICA qualifies for the charitable contribution deduction under Section 170(b)(1)(a) and has been classified as an organization that is not a private foundation under Section 509(a)(1). Unrelated business income, if any, may be subject to income tax. LICA paid no taxes on unrelated business income in the years ended April 30, 2012 and 2011.

Generally accepted accounting principles require the recognition, measurement, classification, and disclosure in the financial statements of uncertain tax positions taken or expected to be taken in the organization's tax returns. Management has determined that LICA does not have any uncertain tax positions and associated unrecognized benefits that materially impact the financial statements or related disclosures. Since tax matters are subject to some degree of uncertainty, there can be no assurance that LICA's tax returns will not be challenged by the taxing authorities and that LICA will not be subject to additional tax, penalties, and interest as a result of such challenge. Generally, LICA's tax returns remain open for federal income tax examination for three years from the date of filing.

#### E. Functional Allocation of Expenses

The costs of providing various programs and other activities have been summarized on a functional basis in the statement of activities and changes in net assets. Accordingly, costs have been allocated to program services, management and general, and fund-raising expenses based on management's identifying of direct expenses by category and allocating indirect expenses by time logs and management's estimates.

#### NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### F. Advertising

Advertising costs are expensed as incurred,

#### G. Fair Value Measurements

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Accounting standards set a framework for measuring fair value using a three tier hierarchy based on the extent to which inputs used in measuring fair value are observable in the market. The three levels are defined as follows:

Level 1: Quoted prices in active markets for identical assets or liabilities.

Level 2: Observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or inputs (interest rates, currency exchange rates, commodity rates and yield curves) that are observable or corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3: Inputs that are not observable in the market and reflect management's judgment about the assumptions that market participants would use in pricing the asset or liability.

#### NOTE 3 - CASH IN BANKS

Cash held by LICA in bank accounts may at times exceed the Federal Deposit Insurance Corporation (FDIC) coverage limit. Management believes LICA is not exposed to any significant credit risk related to cash.

#### NOTE 4 - ESTIMATED DISTRIBUTIONS PAYABLE

LICA has estimated that it will pay out to the various member agencies approximately eighty-seven percent of the cash received from the pledges net of the estimated uncollectible pledges for the Fall 2010 campaign. The estimate is based on the fact that LICA will pay out all funds in excess of its costs. Management has estimated the distribution to be approximately \$3,359,654 for the campaign year. If these costs are higher or lower the actual distribution to the various agencies will be different. This estimate is shown as an expense on the financial statements. This estimate is shown as an expense on the financial statements. The estimated distributions payable as of April 30, 2012 include an estimate for the Fall 2011 campaign, plus the Fall 2010 campaign final distribution.

Verification that LICA is honoring designations made to each member organization have been performed.

#### NOTE 5 - CONTRACTS WITH OTHER FEDERATIONS

LICA had entered into an agreement with Local Independent Charities of Texas (LIC of Texas), Local Animal Charities of America (LACA), Children's Charitable Alliance (CCAL), Children's Charitable Alliance of Texas (CCALT), and Christian Community Charities (CCC), whereby the costs of campaign support expenses will be borne by each organization based upon designations for the campaign year. The total costs incurred by all six federations for the years ended April 30, 2012 and 2011 amount to \$1,042,958 and \$1,042,787, of which \$558,241 and \$539,778 respectively represented LICA's share. These organizations had amounts due to LICA of \$92,912 and \$145,000 for the years ended April 30, 2012 and 2011, respectively.

LICA had also entered into agreements with Do Unto Others: America's Emergency Relief, Development, and Humanitarian Outreach Charities, Inc., Children's Charities of America, Inc., Conservation & Preservation Charities of America, Inc., Health and Medical Research Charities of America, Inc., Independent Charities of America, Inc., Animal Charities of America, Inc., Military Family and Veterans Service Organizations of America, Hispanic & Latino Charities of the U.S. and the Americas, Christian Charities, U.S.A., Women, Children and Family Service Charities of America, Educate America: The Education, School Support, and Scholarship Funds Coalition, Inc., Sports Charities, U.S.A. – Supporting Youth, Disabled and National Team Athletics, Jewish Charities of America, Cancer CURE – Care, Understand, Research and End, Children's Medical & Research Charities of America, Wild Animals Worldwide, Charities Under 1% Overhead, and Charities Under 5% Overhead whereby LICA is to perform fiscal services for these federations.

Verification that LICA is performing services in accordance with the terms of its contracts has been performed.

#### NOTE 6 - BUSINESS SERVICES CONTRACT

LICA entered into a business services contract with Maguire/Maguire, Inc. (M/M). Under the terms of the contract M/M acted as business agent, provided administrative and secretarial services, maintained the books and records, maintained necessary corporate documents, and provided other such services as deemed necessary. M/M did not perform policy making or decision making functions. LICA compensated M/M for services rendered based on a fee schedule agreed by the parties. In addition, M/M was reimbursed for all out-of-pocket expenses incurred while carrying out the duties outlined in the contract. The contract expires on October 31, 2013.

Verification that Maguire/Maguire Inc. is performing services in accordance with the terms of its contract has been performed.

#### NOTE 7 – SUBSEQUENT EVENTS

LICA evaluated subsequent events for recognition and disclosure through August 17, 2012, the date which these financial statements were available to be issued. Management concluded that no material subsequent events have occurred since April 30, 2012 that require recognition or disclosure in such financial statements.

#### NOTES TO FINANCIAL STATEMENTS

June 30, 2013

## NOTE 1 NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### Organization:

Community Health Charities of California (the "Organization") is a non-profit corporation in the state of California. The Organization changed to its current name on July 1, 1999 by filing an amendment to the Articles of Incorporation with the California Secretary of State to change to the current name. The Organization has been in existence since July, 1971.

The Organization is affiliated with he national organization of Community Health Charities and participates in employee giving campaigns nationwide which links the region's employees with the opportunity to give to America's leading health charities.

#### Nature of activities:

Community Health Charities of California (CHC) was organized to provide employers and employees, on a statewide basis an effective, economical and convenient method to give financial support to CHC charitable member agencies and non-member agencies through cash donations and payroll deductions.

The accounting policies of CHC conform to those recommended by the Committee on Voluntary Health and Welfare Organizations of the American Institute of Certified Public Accountants.

#### **Basis of Presentation**

In accordance with generally accepted accounting principles the Organization is required to report information regarding its financial position and activities according to three classes of net assets; unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. Unrestricted net assets are not subject to donor-imposed stipulations. Temporarily restricted net assets are subject to donor-imposed stipulations that will be met either by actions of the organization and/or the passage of time. Permanently restricted net assets are subject to limited by donor-imposed stipulations that neither expire by passage of time nor can be fulfilled or otherwise removed by actions of the Organization.

As of June 30, 2013, unrestricted net assets were \$1,503,828. There were no temporarily restricted or permanently restricted net assets.

#### Recognition of Pledges, Revenues and Expenses:

Pledges and revenue are accounted for on the accrual basis of accounting. Statewide campaigns for support and contributions are conducted annually. Pledges obtained from campaigns run during the current period are recognized as support in the current accounting period. Fund-raising expenses are deducted in the period incurred.

## NOTES TO FINANCIAL STATEMENTS (Continued)

June 30, 2013

#### **Public Support and Contributions:**

Annual campaigns are conducted in the Fall to obtain pledges to support member agencies via the workplace payroll deduction programs offered by participating governmental agencies and other organizations. Payroll deductions begin in January of the subsequent year. Donors may designate their support to either a specific member agency, a non-member agency, a local non-participating agency, or indicate that their contribution is undesignated. Designated support is presented on the statement of activities as "amounts raised on behalf of others". Undesignated support, which includes pledges not designated to a specific agency, is presented as contributions.

All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as temporarily restricted or permanently restricted support. When a temporary restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restriction.

#### **Distributions to Member Charities**

All contributions are deemed by the Organization to be designated by donors to member charities. Contributions received by the Organization are allocated to member charities as specifically designated by the donor. Undesignated contributions are recorded as revenue of the organization. Contributions are distributed to member charities annually, less an allowance for uncollectable amounts and administrative charges. The Organization distributes the receipts from a given campaign proportionately according to the gross designation reports provided for the various campaigns. Distributions are generally made on a quarterly basis after completion of the campaign year. For the year ended June 30, 2013, campaign support received as a result of the fall 2011 campaign was distributed in the third and fourth quarters of 2012 and the first and second quarters of 2013.

#### Cash and cash equivalents:

Cash equivalents are considered to be short-term, highly liquid investments with original maturities of three months or less.

#### Pledges receivable and allowance for uncollectable pledges:

Pledges receivable represent pledges from the 2012 campaign which have not been collected as of June 30, 2013.

The allowance for uncollectable pledges represents an estimate of total campaign pledges receivable which will ultimately not be collected. Management's determination of the allowance is based on historical collection experience.

## NOTES TO FINANCIAL STATEMENTS (Continued)

June 30, 2013

#### Property and equipment:

CHC follows the practice of capitalizing all expenditures for property and equipment in excess of \$500 and the fair value of any similar assets donated. Depreciation is provided over the estimated useful lives of the assets (primarily 3 years) using a straight-line basis.

#### Agency distributions:

Agency allocations represent distributions of available funds to member agencies. Distributions are allocated to member agencies based on the member's proportion of the total designated support.

#### Distributions payable and allowance for uncollectable pledges:

Distributions payable represent designated support received and receivable from the 2012 campaign which is to be distributed to specific agencies. An allowance was established to give effect to the reduction in net distributions payable for those designated pledges receivable which are estimated to be uncollectable.

#### **Functional expenses:**

CHC allocates its support service expenses on a functional basis according to time records and estimates made by management. Expenses which can be identified with a specific purpose are allocated directly according to their natural expenditure classification. Other expenses that are common to several functions are allocated on various statistical bases.

#### Combined Federal Campaign:

In March of 2010, CHC was appointed to serve as the Principal Combined Fund Organization (PCFO) for the 2011 So Cal Tri County Combined Federal Campaign (CFC), a fundraising campaign conducted among federal government employees. The campaign was completed during fiscal year ended June 30, 2013. The expenses incurred by CHC in its capacity as PCFO are under the budgetary control of the So Cal Tri County Local Federal Coordinating Committee for the CFC. In accordance with CFC guidelines, CHC is honoring all employee designations.

In March of 2012, CHC was appointed to serve as the PCFO for the 2013 California Gold Coast Combined Federal Campaign (CFC). The expenses incurred by CHC in its capacity as PCFO are under the budgetary control of the California Gold Coast Local Federal Coordinating Committee for the CFC. In accordance with CFC guidelines, CHC is honoring all employee designations.

## NOTES TO FINANCIAL STATEMENTS (Continued)

June 30, 2013

#### Income Taxes:

CHC has received a notice of exemption from income taxes under Section 501(c)(3) of the Internal Revenue Code

The Organization uses a loss contingencies, approach for evaluating uncertain tax positions and continually evaluates expiring statutes of limitations, audits, proposed settlements, changes in tax and new authoritative rulings. The Organization believes that it has appropriate support for any tax positions taken, and as such, does not have any uncertain tax positions that are material to the financial statements.

#### Use of Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

#### Concentration of Credit Risk:

Financial instruments that potentially subject CHC to concentrations of credit risk consist principally of pledges receivable. Pledges receivable are due from a large number of donor organizations across different industry and geographic areas, primarily in California.

#### Subsequent Events:

Management has evaluated subsequent events through December 24, 2013, the date which the financial statements were available to be issued.

#### NOTE 2 INVESTMENTS

Investments consist of bank certificates of deposit and are stated at fair value based on quoted prices in active markets (all Level 1 measurements). Certificates with an original investment of \$300,000. The certificates of deposit have interest rates from 1.05% to 1.50% and maturities from June, 2013 to January, 2015.

#### NOTE 3 EMPLOYEE BENEFIT PROGRAM

CHC contributes 7% of eligible compensation to a 403(b) plan for employees. Employees vest in the balance after three (3) years. Contributions to the program were \$47,057 for the year ended June 30, 2013 and \$64,105 for the year ended June 30, 2012.

#### Dear Sir or Maclam:

This letter is in response to your letter dated December 16, 1999 requesting a change of address.

Our records inclicate that a determination letter issued in September 1971 granting your organization exemption from federal income tax under section 501(c)(3) of the Internal Revenue Code. That letter is still in effect.

Based on information subsequently submitted, we classified your organization as one that is not a private foundation within the meaning of section 509(a) of the Code because it is an organization described in sections 509(a) (1) and 170(b)(1)(A)(vi).

This classification was based on the assumption that your organization's operations would continue as stated in the application. If your organization's sources of support, or its character, method of operations, or purposes have changed, please let us know so we can consider the effect of the change on the exempt status and foundation status of your organization.

Your organization is required to file Form 990, Return of Organization Exempt from Income Tax, only if its gross receipts each year are normally more than \$25,000. If a return is required, it must be filed by the 15th day of the fifth month after the end of the organization's annual accounting period. The law imposes a penalty of \$20 a day, up to a maximum of \$10,000, when a return is filed late, unless there is reasonable cause for the delay.

All exempt organizations (unless specifically excluded) are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of \$100 or more paid to each employee during a calendar year. Your organization is not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Organizations that are not private foundations are not subject to the excise taxes under Chapter 42 of the Code. However, these organizations are not automatically exempt from other federal excise taxes.

Donors may deduct contributions to your organization as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to your organization or for its use are deductible for federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

#### REPORT OF INDEPENDENT AUDITORS

To the Board of Directors United Way of the Bay Area

#### Report on the Financial Statements

We have audited the accompanying financial statements of United Way of the Bay Area ("UWBA") which comprise the statements of financial position as of June 30, 2013 and 2012 and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of Internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or expense.

#### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to UWBA's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of UWBA's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of United Way of the Bay Area as of June 30, 2013 and 2012, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

#### Other Matters

#### Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The schedule of expenditures of federal awards as required by U.S. Office of Management and Budget Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

#### Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated November 7, 2013, on our consideration of UWBA's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering UWBA's internal control over financial reporting and compliance,

## NOTE 1 - ORGANIZATION AND PURPOSE

United Way of the Bay Area ("UWBA"), incorporated in California in 1955, is an independent, locally managed nonprofit organization. It has been granted tax-exempt status under Section 501(c)(3) of the Internal Revenue Code and Section 23701d of the California Revenue and Taxation Code. UWBA has also made the 501(h) election under the IRS code. Accordingly, no provision for income taxes is included in the financial statements.

As UWBA approaches its centennial, it is proud to be continuing a long tradition of leadership in the local nonprofit community by encouraging philanthropy and investing those dollars in programs to serve the health and human services needs of Bay Area residents. UWBA currently serves Alameda, Contra Costa, Marin, Napa, San Francisco, San Mateo, and Solano Counties.

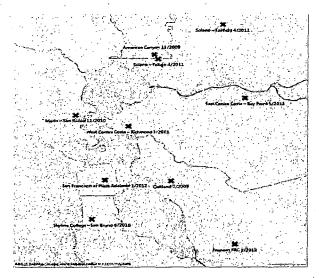

The Bay Area Community Fund ("BACF") is comprised of the unrestricted funds donated to UWBA to support the achievement of its Community Impact goals. UWBA is committed to creating community change by positioning itself as an inclusive community leader in the seven Bay Area counties served, while honoring donors' philanthropic interests. UWBA's five-year Community Impact goals were identified in 2008 through a process of staff and partner research, community input sessions, and board and constituent discussion.

In response to the needs of the community, UWBA focuses its goals and its use of resources. In doing so, it may, from time to time, discontinue the management of specific programs. Discontinuance may include closing, merging, or establishing the independence of programs. When such transitions take place, the purpose has been and will continue to be enhancing the ability of the UWBA to concentrate its efforts on helping to cut the number of families living in poverty. The organization pursues a selected, targeted set of programs that help people survive the struggles of poverty and move toward economic success. Each of these programs also has a role in helping to evolve the public and private systems around them to better serve people in poverty. UWBA's programs may take the form of providing direct service to clients, issuing grants to organizations to provide services, and/or engaging in collaborative partnerships. Grant proposals are evaluated on the basis of their alignment with UWBA's strategic plan as well as the agency's ability to demonstrate high standards in fiscal and programmatic operations, and overall organizational strength. Grants and the focus of grant-making activities are reported to and approved by UWBA's Board of Directors.

The following are specific programs and strategies managed by United Way of the Bay Area:

211 – As an easy-to-remember phone number that can be dialed from land or cell phones, 211 provides callers with information about and referrals to essential services. 211 is also accessible on the Internet. 211 strengthens the community by addressing the challenges people face obtaining needed health and human services in everyday life and in times of personal crisis. In times of disaster, 211 becomes an essential part of our response and recovery. Trained staff maintain an up-to-date database of public and private nonprofit resources to meet a wide range of needs. 211 also answers calls twenty-four hours a day, seven days a week, with the ability to respond in the caller's language through bilingual staff and tele-interpreting services. UWBA receives phone calls for five of the counties we serve – Marin, Napa, San Francisco, San Mateo, and Solano – and funds the local 211 service provider in Alameda and Contra Costa counties. In fiscal year 2013, the Bay Area-wide system took nearly 200,000 calls, with almost half of those for which we have demographic data coming from people in poverty. The main needs people called about included food, shelter, employment, and other services related to surviving and moving out of poverty.

SparkPoint – United Way of the Bay Area has opened ten SparkPoint Centers, with at least one in each of the seven counties it serves. The SparkPoint Center offers multiple services in one location for a person or family trying to move out of poverty. Examples of services include job placement, workforce development, credit repair, financial education and counseling, and access to public benefits like health coverage or child care. During the fiscal years 2013 and 2012, the SparkPoint Centers served more than 5,000 people, and 70% of clients for whom we have evaluation data increased their income, savings, and/or credit scores; and/or reduced their household debt. Each SparkPoint Center is developed organically accordingly to local needs and assets. Partner organizations at each SparkPoint Center provide services are a commitment to seven central concepts: (1) to offer an array of services in three areas – credit, income, and assets; (2) to seamlessly integrate service delivery, appropriately "bundled" and sequenced; (3) to provide financial counseling for all clients and motivate and support them with culturally competent staff; (4) to promote and provide access to public and private benefits and mainstream financial services; (5) to commit to continued engagement with clients over two-three years; (6) to evaluate, learn from, and share data, supported by a user-friendly IT system that demonstrates results; and (7) to promote SparkPoint through the power of a common brand and marketing. The partners have also committed to pursue common goals and develop new indicators to measure success.

Earn It! Keep It! Save It! – The Earn it! Keep It! Save it! ("EKS") program is available at each SparkPoint Center and approximately 200 other free tax sites across the counties we serve. EKS provides low to moderate income households with free, quality tax return preparation and access to asset building or income support resources such as public benefits, low or no cost bank accounts, or financial education. IRS-certified, volunteer tax preparers help individuals and families claim their maximum benefit and refund. EKS partnered with hundreds of community organizations and other free tax preparation providers such as Tax-Aid and AARP Tax-Aide to process over 70,000 tax returns in fiscal year 2013. EKS also ensures eligible taxpayers claim the Earned Income Tax Credit ("EITC") and other credits or refunds, which on average amount to more than \$1,000 per household.

Other community programs – Contained in this category are the costs of nine UWBA community programs. These programs target and support Bay Area communities to meet their needs across the stated issue area. Expenses include the costs of program-dedicated staff, consultants, and grants to nonprofit organizations that provide services to the community pursuant to the programs' criteria and objectives. Examples of Other Community Service programs are MatchBridge/Summer Jobs+, Community Schools, and conducting appropriate and legal public policy advocacy.

MatchBridge/Summer Jobs+ – MatchBridge contributes to the development of San Francisco's workforce by connecting qualified young people aged 16 to 24 to entry level jobs and internships in business. MatchBridge focuses on employment opportunities in the private/public sector and partners with employers, schools, and local youth-serving, community-based organizations to help achieve the goal of creating a workforce that is prepared, educated, and ready to work in 21st century jobs. United Way has been named the City of San Francisco's lead partner in the Summer Jobs+ program that seeks to provide jobs and other opportunities to young people during the summer and year round. During the summer of 2013, the partners – United Way, the mayor, city departments, the school district, private employers, and community organizations – successfully served more than 6,000 youth and young adults.

Community schools – United Way promotes and supports the 'community schools' strategy, which places services for low-income children and families at the public schools they attend. Community schools are proven by research to increase attendance and academic achievement, and to improve families' health and well-being. United Way gives grants to effective community schools across the counties we serve. We also work closely with selected schools and districts to plan and launch new community schools programs, and provide technical assistance to people in the field. In the fiscal year 2013, United Way connected our Community Schools and SparkPoint programs by pioneering an innovative version of a community school that includes the economic services offered at a SparkPoint, and that refers families to their local SparkPoint Center. In fiscal year 2013, the community schools that United Way funds and partners with served more than 3,000 individuals.

Community capacity building - Community capacity building represents UWBA staff and other operating costs in developing and managing UWBA programs, and engaging in other community activities in partnership with nonprofit and public sector organizations and labor councils.

Labor community services – Labor community services primarily represent the cost of UWBA staff – labor community services liaisons – who are placed at labor council offices in the counties of Alameda, Contra Costa, Marin, and San Francisco. The liaisons are responsible for providing information and referral to union members and others in need in their local communities; offering case management support for individuals with intensive needs; and helping to promote and support the United Way programs listed above that operate in their counties. Much of the work of the liaisons either directly benefits people in poverty or helps prevent working families from falling into poverty.

## NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting – The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("GAAP") and with the financial statement standards of United Way Worldwide. United Way Worldwide standards are required for membership and fully comply with U.S. Statements of Financial Accounting Standards applicable for not-for-profit organizations.

Use of estimates – Management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities and contingencies at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from management's estimates. Significant estimates include the provision for uncollectible pledges, useful lives of furniture, equipment, and leasehold improvements, fair value of investment, allocation of functional expenses, and the unfunded pension liabilities. The fair value of investments and pension assets are subject to material volatility based on market conditions. This could have a significant effect on these financial statements.

Classes of net assets - The accompanying financial statements are presented on the basis of unrestricted, temporarily restricted, and permanently restricted net assets.

**Unrestricted net assets** - Unrestricted net assets include resources available to support UWBA operations and temporarily restricted resources which become available for use by UWBA in accordance with the intentions of the donors. Unrestricted net assets are designated by UWBA's Board of Directors for specified purposes as follows:

·		 2013		2012
Future grants and programs General use		\$ 3,295,000 566,279	<b>\$</b> .	3,295,000 514,890
	-	\$ 3,861,279	\$	3,809,890

As of June 30, 2013, the Board of Directors approved a full year's grants allocation as had been the practice in years prior.

Temporarily restricted net assets – Temporarily restricted net assets include resources with donor-imposed restrictions that will be fulfilled by actions of UWBA and/or become unrestricted by the passage of time. UWBA's temporarily restricted net assets include multi-year pledges as well as grants restricted for specific UWBA community projects. When the donor or time restriction is fulfilled, temporarily restricted net assets are released to unrestricted net assets and are reported in the accompanying statements of activities as net assets released from restrictions. Temporarily restricted contributions received in the same period as the restrictions are met are reported as temporarily restricted support and net assets released from restrictions in that period.

# UNITED WAY OF THE BAY AREA NOTES TO FINANCIAL STATEMENTS

**Permanently restricted net assets** – Permanently restricted net assets are comprised of the historical dollar value of contributions that were received with donor restrictions requiring the assets be maintained in perpetuity and that only the income generated from these assets is made available for grants, programs, or support services in accordance with the donor restrictions.

Cash and cash equivalents – All highly liquid investments, with an original maturity of three months or less when purchased and not held through the investment account, are considered to be cash equivalents. Substantially all of the cash equivalent balances held in financial institutions at June 30, 2013 and 2012, exceeded federal depository insurance coverage. UWBA has not experienced any losses in such accounts.

Pledges receivable – Pledges receivable consist of unconditional promises to give by donors and are recorded at fair value. Pledges receivable are net of provisions for uncollectible pledges.

Provisions for uncollectible pledges - The provision for uncollectible pledges is computed based upon historical averages and management's consideration of current economic factors that could affect pledge collections. Using this criteria, the provision as of June 30, 2013 and 2012, was determined to be 6% and 5% of gross campaign pledges, respectively. For year ended June 30, 2013, there was no bad debt recovery, For year ended June 30, 2012, there was a bad debt recovery of \$322,612, as a result of closing out the prior year campaign. This recovery is netted against the gross provision for uncollectible pledges on the statements of activities.

Grants receivable – Grants receivable consist of unconditional promises to give by granting organizations, Unconditional promises to give that are expected to be collected during the following fiscal year are recorded at the amount contributed. Unconditional promises to give that are expected to be collected in future years are recorded at the fair value of their estimated future cash flows. The discounts on those amounts are computed using risk-free interest rates applicable in the years in which those promises are received. The discount rates range from 0.22% to .41%. Grants receivable are net of discounts of \$2,620 and \$2,924 at June 30, 2013 and 2012, respectively.

Investments – UWBA's investments are stated at fair value based on quoted market prices at fiscal year end. Investments include money market funds and marketable securities held principally for investment purposes. Unrealized gains and losses that result from market fluctuations are recognized in the period such fluctuations occur in the accompanying statements of activities. Realized gains and losses that result from sales or maturities of securities during the year are calculated on an adjusted cost basis and are reflected in the accompanying statements of activities. Marketable securities received as donations are recorded at fair value at the date of the donation, and are generally sold as soon as practical after receipt.

Fair value of assets and liabilities – Fair Value Measurements define fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. It also establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The standard describes three levels of input that may be used to measure fair value:

- Level 1: Quoted prices in active markets for identical assets or liabilities.
- Level 2: Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in active markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.
- Level 3: Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The following is a description of the valuation methodologies used for instruments measured at fair value on a recurring basis and recognized in the accompanying statements of financial position, as well as the general classification of such instruments pursuant to the valuation hierarchy.

Where quoted market prices are available in an active market, securities are classified within Level 1 of the valuation hierarchy. Level 1 securities include cash and cash equivalents, fixed income securities, and exchange traded equities. Level 2 securities include investments held in pooled income funds and are valued at market price as provided by the custodian of the funds.

Furniture, equipment, and leasehold improvements – Furniture, equipment, and leasehold improvements are stated at cost, if purchased, or if donated, at fair value at the date of the donation for items exceeding \$5,000. Depreciation is computed on a straight-line basis over the estimated useful lives of the assets, ranging from three to ten years. Leasehold improvements are amortized over the lesser of the useful life of the asset or the term of the lease. Total depreciation and amortization expense amounted to \$ 177,391 and \$ 93,561 for the years ended June 30, 2013 and 2012, respectively.

Deferred rent — Certain leases of UWBA contain lease incentives and fixed escalations. UWBA recognizes the related rent expense on a straight-line basis over the life of the lease and records the difference between the expense included in the accompanying statements of activities and the amount recorded as deferred rent. For the year ended June 30, 2013, deferred rent related to three UWBA locations: 550 Kearny St., San Francisco; 1970 Broadway, Suite 400, Oakland; and 8200 Bancroft, Oakland. For the year ended June 30, 2012 deferred rent related only to the 221 Main St., San Francisco office lease.

**Gross campaign results** – Gross campaign results consist of cash and unconditional promises to give to UWBA during the annual fundraising campaigns and include contributions processed by third-party processors. Donor designations and the provision for uncollectible pledges are deducted from gross campaign results to arrive at campaign revenue.

Donor designations and service fee revenue – Donor designations, contributions that are designated by the donor to nonprofit organizations other than UWBA including contributions processed by third-party processors, are deducted from gross campaign results to arrive at net campaign revenue. Donor designations are paid to the designated organizations on a monthly basis, by electronic funds transfer ("EFT") as information allows and on a quarterly basis by check for all others, as pledges are collected. Proportionate shares of the receipts are distributed out to the agencies net of service fees. Service fee revenue is reported in the accompanying statement of activities. This designation processing is inclusive of pledges and payments processed as part of UWBA's role as a federation for the Combined Federal Campaign as well as other state and local government-sponsored fundraising campaigns.

Planned gifts – Planned gifts that are irrevocable are recognized as a receivable when amounts due to UWBA can be reasonably estimated. As of June 30, 2013 and 2012, UWBA has only one type of planned gift – pooled income funds. Assets associated with these gifts totaled \$161,595 and \$160,665 as of June 30, 2013 and 2012, respectively, at fair value and are included in investments in the accompanying statements of financial position. Liabilities associated with these gifts totaled \$28,198 and \$29,477 as of June 30, 2013 and 2012, respectively, at fair value and are included in operating payables and accruals in the accompanying statements of financial position.

Donated goods and services – UWBA recognizes the value of donated equipment and/or supplies at the fair value for similar items. Donated goods and services for the years ended June 30, 2013 and 2012, of \$448,380 and \$756,514, respectively, were reflected in miscellaneous income in the accompanying statements of activities. UWBA will recognize the fair value of donated services if the services meet the recognition criteria which include: a) requiring specialized skills; b) provided by someone with those skills; and c) would have to be purchased if they were not donated. Although UWBA receives a significant amount of contributed time from volunteers, this time does not meet the recognition criteria. Accordingly, the value of this contributed time is not reflected in the accompanying financial statements.

Gross funds awarded/allocated to agencies – The amount shown on the accompanying statements of activities includes grants to fund local community partners, UWBA initiatives and programs which amounted to \$3,000,000 and \$4,205,000 during the years ended June 30, 2013 and 2012, respectively. These grants have been recommended by staff working with a sub-committee of the Board of Directors and have been approved by the Board. However, to comply with financial statement presentation requirements, these grants are shown net of an offset amount to prevent revenue duplication between unrestricted and temporarily restricted accounts.

Functional allocation of expenses – The majority of expenses can be directly identified with the program or supporting services to which they relate and are charged accordingly. Other expenses have been allocated among program and supporting services classification based on the average number of full-time employees, the time study allocation method, and on a direct cost basis. This is consistent with the standards for allocation of functional expenses in accordance with GAAP and United Way Worldwide.

Concentrations of risk – UWBA receives approximately 48% of its gross campaign revenue from five employers. All five of these employers are nationally aligned through United Way Worldwide; therefore, the risk of loss of these employers by UWBA is remote.

Income taxes – UWBA is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code (IRC) and Section 23701d of the Revenue and Taxation Code except to the extent of unrelated business taxable income as defined under IRC sections 511 through 515. Since UWBA has no unrelated business taxable income, no provision for income taxes has been provided in these financial statements. UWBA has no unrecognized tax benefits or uncertain tax positions as of June 30, 2013. With few exceptions, UWBA is no longer subject to United States federal or state/local income tax examinations by tax authorities for fiscal years before 2008.

Subsequent events – Subsequent events are events or transactions that occur after the statement of financial position date but before financial statements are issued. UWBA recognizes in the financial statements the effects of all subsequent events that provide additional evidence about conditions that existed at the date of the statements of financial position, including the estimates inherent in the process of preparing the financial statements. UWBA's financial statements do not recognize subsequent events that provide evidence about conditions that did not exist at the date of the statements of financial position but arose after the statement of financial position date and before the financial statements are available to be issued.

UWBA has evaluated subsequent events through	which is the date the financial statements are available to be
issued.	<del></del>

#### **NOTE 7 - COMMITMENTS**

UWBA leases office space under noncancelable operating leases expiring at various dates through March 31, 2023. Lease agreements generally provide for both renewal options and escalation clauses for increased operating expenses and real estate taxes. On October 15, 2012, UWBA signed a 10 year lease for a new San Francisco office located at 550 Kearny St. Suite 1000, San Francisco. On January 13, 2013, UWBA signed an eight year lease for a new Oakland office located at 1970 Broadway, Suite 400, Oakland. UWBA subleases a portion of its San Francisco and Oakland office space to other nonprofit organizations on a month-to-month basis. Sublease income for the years ended June 30, 2013 and 2012, was \$9,600 and \$20,100, respectively. UWBA is also committed under noncancelable operating leases for various office equipment. On July 30, 2012, UWBA signed an amendment to its existing lease with Eastmont Towne Center, Oakland, that extended the term to 7 years and reduced both the square footage and the rent for its Oakland SparkPoint Center.

# NOTE B - PENSION PLAN

The Pension Plan of United Way of the Bay Area (the "Plan") is a single employer defined benefit pension plan with UWBA as plan sponsor.

The Plan was amended to freeze participation and benefit accruals under the Plan effective December 31, 2006. Accordingly, no employees will become participants after the December 1, 2006 entry date, and participants' Plan benefits will not increase after December 31, 2006. In no event will the accrued benefit of any participant be less than that calculated as of December 31, 2006.

Accrued pension costs consist of the following at June 30:

UWBA contributed \$964,414 and \$932,667 to the Plan during the years ended June 30, 2013 and 2012, respectively.

Effective January 1, 2007, UWBA established the UWBA 401(k) Plan. Eligible employees become 401(k) Plan participants on the first day of the calendar quarter following date of hire. 401(k) Plan participants may elect to reduce their compensation by a specific percentage or dollar amount and have that amount contributed to the 401(k) Plan on a pre-tax basis as a salary deferral. UWBA matches 100% of participants' salary deferral contributions, up to a maximum of 2% of compensation (temporarily suspended during the period January 1 – December 31, 2010, according to the Collective Bargaining Agreement dated April 1, 2009 to March 31, 2012). In addition, UWBA makes an employer "nonelective" contribution according to a formula that is based on a participant's age plus service. For employees hired before January 1, 2010, matching and employer nonelective contributions will be 100% vested after two years of service (or age 65, if earlier). Employees hired after January 1, 2010, will be 50% vested after two years of service and 100% vested after four years of service (or age 65, if earlier).

UWBA instituted a voluntary long term care insurance program in fiscal year 2013. As a part of that program, it made arrangements to pay 83% of the cost of the long term premiums for the CEO from March 2013 until her death. The estimated cost of future premiums is \$52,856.

UWBA had a defined benefit early retirement medical benefits plan that covered certain full-time employees who retired as of June 30, 1993. UWBA does not contribute to this plan except to reimburse certain medical and other costs submitted by the Plan's retirees as defined within the agreement. The estimated cost of future medical and other payments as of June 30, 2013 and 2012, is \$91,751 and \$96,679, respectively, and is included in accrued pension costs. In April 2012, the Board of Directors unanimously passed a resolution to freeze the 403(b) plan and accept no new contributions. In October 2013, the Board of Directors voted to unanimously terminate the plan.

UWBA also has a defined contribution retirement plan under Section 403(b) of the Internal Revenue Code, available to those employees who are not eligible to participate in the 401(k). UWBA does not provide any matching contributions to this plan.

#### **NOTE 10 - ENDOWMENT DISCLOSURES**

Interpretation of relevant law – The Board of Directors of UWBA has interpreted the California Prudent Management of Institutional Funds Act ("CPMIFA") as requiring the preservation of the fair value of the original gift as of the date of the donor restricted endowment funds, absent explicit donor stipulations to the contrary. As a result of this interpretation, UWBA classifies as permanently restricted net assets: (a) the original value of gifts donated to the permanent endowment; (b) the original value of subsequent gifts to the permanent endowment; and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the UWBA Board of Directors in a manner consistent with the standard prudence prescribed by CPMIFA. In accordance with CPMIFA, UWBA considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- The duration and preservation of the fund
- b. The purposes of UWBA and the donor-restricted endowment fund
- c. General economic conditions
- d. The possible effect of inflation and deflation
- e. The expected total return from income and the appreciation of investments
- f. Other resources of UWBA
- g. The investment policies of UWBA

Spending policy and how the investment objectives relate to spending policy – The endowment fund has a spending policy of appropriating all of the net income earned on the investment of these funds for distribution according to the instructions of the donor at the time the gift is made. The original value of the gifts donated to the permanent endowment is to be classified as permanently restricted and any earnings are classified as temporarily restricted until appropriated for expenditure.

Funds with deficiencies – From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or CPMIFA requires UWBA to retain as a fund of perpetual duration. As of June 30, 2013 and 2012, there were no deficiencies.

The composition and changes in the endowment net assets as of June 30, 2013 and 2012, are as follows:

# NOTE 1 - BASIS OF PRESENTATION

The accompanying Schedule of Expenditures of Federal Awards (the "Schedule") includes the federal grant activity of the United Way of the Bay Area ("UWBA") under programs of the federal government for the year ended June 30, 2013. The information in this schedule is presented in accordance with the requirements of the Office of Management and Budget ("OMB") Circular A-133 Audits of States, Local Governments, and Non-Profit Organizations. Because the schedule presents only a selected portion of the operations of UWBA, it is not intended to and does not present the financial position, changes in net assets or cash flows of UWBA.

## NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in OMB Circular A-122, Cost Principles for Non-profit Organizations, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Pass-through entity identifying numbers are presented where available.

# REPORT OF INDEPENDENT AUDITORS ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors United Way of the Bay Area

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of United Way of the Bay Area ("UWBA"), which comprise the statements of financial position as of June 30, 2013, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated November 7, 2013.

## **Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered UWBA's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of UWBA's internal control. Accordingly, we do not express an opinion on the effectiveness of UWBA's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

## **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether UWBA's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

# **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of UWBA's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

# REPORT OF INDEPENDENT AUDITORS ON COMPLIANCE FOR THE MAJOR FEDERAL PROGRAM AND REPORT ON INTERNAL CONTROL OVER COMPLIANCE

To the Board of Directors United Way of the Bay Area

#### Report on Compliance for the Major Federal Program

We have audited United Way of the Bay Area's ("UWBA") compliance with the types of compliance requirements described in the OMB Circular A-133 Compliance Supplement that could have a direct and material effect on UWBA's major federal program for the year ended June 30, 2013. UWBA's major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

#### Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its major federal program.

#### Auditor's Responsibility

Our responsibility is to express an opinion on compliance for UWBA's major federal program based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and OMB Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on the major federal program occurred. An audit includes examining, on a test basis, evidence about UWBA's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for the major federal program. However, our audit does not provide a legal determination on UWBA's compliance.

# Opinion on the Major Federal Program

In our opinion, UWBA complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended June 30, 2013.

# Report on Internal Control Over Compliance

Management of UWBA is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit, we considered UWBA's internal control over compliance with the types of requirements that could have a direct and material effect on a major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for the major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of UWBA's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.
