4/3/2014 Received in Committee

April 2, 2014

Chair Norman Yee City Hall. Rules Committee 1 Dr. Carlton B. Goodlett Place, Room 244 San Francisco, Ca 94102-4689

## Dear Chair Yee,

I have been a San Francisco resident of Bayview-Hunters Point for 66 years, fighting for my community, fighting for fairness and fighting for equal rights. In Bayview-Hunters Point we have the most low-income families and we also have the most homeowners, more than anywhere in the city. We have also had most unemployment and most environmental pollution, and I have worked to improve the environment in my community that has suffered for so long. To better the conditions in the community, I have worked on Model Cities as well, the program that became the Community Development Block Grant program and in turn created the Citizen's Committee on Community Development.

It has been five years that I have been working with Eddie Ahn on job and environmental issues in the community. Eddie is helping me look after the community that I care so deeply about, helping develop our community, clean up our environment, and getting jobs for our low-income residents. He knows Bayview-Hunters Point and is a friend to the community. I want Eddie to be on the Citizen's Committee on Community Development because he understands the needs of young men and women of my community. He would have a special view coming from the community and doing this work.
