

City and County of San Francisco  
Edwin M. Lee  
Mayor

## San Francisco Department of Public Health

Barbara A. Garcia, MPA  
Director of Health

May 23, 2014

Angela Calvillo, Clerk of the Board  
Board of Supervisors  
1 Dr. Carlton B. Goodlett Place, Room 244  
San Francisco, CA 94102-4689

Dear Ms. Calvillo:

Attached, please find an original and two copies of a proposed resolution for Board of Supervisors approval. Approval would allow the Department of Public Health (DPH) to execute an amended Fiscal Year (FY) 2013-14 contract with the California Department of Health Care Services (DHCS) to provide substance use disorder services. Specifically, the amendment would (1) modify the contract Terms and Conditions and (2) increase funding by \$1,674,211 for FY 2013-14. Under the amended contract, DPH would provide more of the same services outlined in the original contract.

The following is a list of accompanying documents (three sets):

- DHCS Cover Letter, Transmittal of the Fiscal Year 2013-14 Substance Use Disorder Services Contract
- DHCS Contract Amendment, Fiscal Year 2013-14 Substance Use Disorder Services Contract
- San Francisco Board of Supervisors File No. 101109 (Resolution No. 434-10)
- San Francisco Board of Supervisors File No. 130494 (Resolution No. 214-13)

Please note that DHCS requires completion of the Board of Supervisors legislative process – including securing the Mayor's signature – in advance of Monday, June 30, 2014. Failure to fully execute the amended contract within this timeframe will result in a continuation of County funding based on the initial contract approved for FY 2013-14.

The following person may be contacted regarding this matter:

Colleen Chawla  
SFDPH Deputy Director of Health and Director of Policy and Planning  
415.554.2769

Thank you for your time and consideration.

Sincerely,

Barbara A. Garcia

---

The mission of the San Francisco Department of Public Health is to protect and promote the health of all San Franciscans.

We shall ~ Assess and research the health of the community ~ Develop and enforce health policy ~ Prevent disease and injury ~  
~ Educate the public and train health care providers ~ Provide quality, comprehensive, culturally-proficient health services ~ Ensure equal access to all ~
