RE: Resolution Authorizing Application to California Debt Limit Allocation Committee for Multifamily Housing Revenue Bonds for Alice Griffith Phases 1 and 2: 2600 and 2700 Arelious Walker Drive.

With this memo, I am submitting to you for introduction at the Board of Supervisors meeting on Tuesday, June 3, 2014, two resolutions regarding qualified mortgage revenue bonds for 2600 and 2700 Arelious Walker Drive or Phases 1 and 2 of the revitalization of the Alice Griffith Public Housing Development (the "Projects"). McCormack Baron Salazar ("MBS") through their affiliate Double Rock ventures LLC is sponsoring these Projects. Phase 1 is a 93 unit affordable housing development and Phase 2 is a 91 unit affordable housing development. The resolution would authorize Olson Lee, as Director of this office to submit two applications to the California Debt Limit Allocation Committee for permission to issue such bonds in an amount not to exceed \$32,500,000 per phase. These resolutions would only authorize the Mayor's Office of Housing and Community Development ("MOHCD") to apply for the allocations of bond issuing authority. Should we receive authority, we will need to return to the Board for permission to actually issue the bonds. Funds generated from the issuance and sale of the bonds would be used to finance construction of the Projects.

The proposed Projects are part of a larger affordable housing development, the revitalization of the Alice Griffith public housing development, which is an enforceable obligation of the Office of Community Investment and Infrastructure, Successor Agency to the Redevelopment Agency ("OCII"). Alice Griffith Phases 1 and 2 are the first two phases of this redevelopment. When the redevelopment is complete all 256 public housing units will be replaced and the following new units will be added to the development: 248 new affordable units (serving households at or below 50% AMI), 382 market rate units, 43 inclusionary units and 281 workforce units (serving

households between 120% and 160% AMI). As mentioned above, Phase 1 will be a 93 unit affordable family project and Phase 2 will be a 91 unit affordable family project each including 65% public housing replacement units and 35% affordable housing units (serving households at and below 50% Area Median Income). OCII will also be providing loans to all affordable phases of the project.

MOHCD has previously issued bonds for both rental housing and for first time homeownership. These financings are conduit financings, which do not require the City to pledge repayment of the bonds. Rather, the bondholders' only recourse for payment is the project revenues themselves and the credit enhancement provided by lenders.

Introduction on June 3, 2014 ensures that we have enough time to continue gathering the application which is due on July 18, 2014.

The attached resolutions have been approved as-to-form by Deputy City Attorney Heidi Gewertz. I am enclosing a brief description of the Projects for your review.

If you have any questions about the resolution or the project, please contact Elizabeth Colomello at the Office of Community Investment and Infrastructure at 701-5518.

Thank you,

Alice Griffith Phases 1 and 2 Affordable Projects Description

May 2014

Alice Griffith Phases 1 and 2 (the “Projects”) are the first two phases of the redevelopment of the 256 units Alice Griffith Public Housing site as a mixed-income, service-enriched community, developed according to the principles of HOPE SF. When the redevelopment is complete all 256 public housing units will be replaced along with 248 new affordable units, 382 market rate units, 43 inclusionary units and 281 workforce units (serving households between 120% and 160% AMI). Phase 1 will be a 93 unit family project and Phase 2 will be a 91 unit family project each including 65% public housing replacement units and 35% affordable housing units (serving households at and below 50% Area Median Income).

Double Rock Ventures LLC, (“DRV”) the development entity for the redevelopment of Alice Griffith Public Housing is an affiliate of McCormack Baron Salazar (“MBS”). CP Development Co, LP is a partnership including the Lennar Corporation (“CP DEV CO” or “Lennar”) created for the purpose of redeveloping Hunters Point Shipyard Phase 2 and Candlestick Point. On June 3, 2010, the former San Francisco Redevelopment Agency (the “Former Agency” now the Office of Community Investment and Infrastructure or “OCII”) executed a Development and Disposition Agreement (“DDA”) with CP DEV CO that includes a Below Market-Rate Housing Plan (“Housing Plan”). The Housing Plan defines the roles and responsibilities of the Former Agency and CP DEV CO regarding the development of up to 10,500 housing units, an important part of which is the revitalization of the Alice Griffith public housing development as a mixed-income, service-enriched community, developed according to the principles of HOPE SF (“AG”). Based on the requirements of the DDA, MBS was selected by CP DEV CO to be the Alice Griffith Developer based upon their extensive experience revitalizing public housing across the country. Additional development team members include the San Francisco Housing Authority “SFHA” or “Housing Authority” and Urban Strategies, Inc., which will be implementing the social services program at AG.

CP DEV CO concluded a years-long public planning process on August 3, 2010; when the Board of Supervisors approved tax, land exchange, entitlement, and redevelopment plan amendment documents that together enable the implementation of the Candlestick Point-Hunters Point Shipyard Phase 2 mixed-use project (“CP-HPS2”). These approvals were in addition to the Former Agency’s approval of the DDA and Housing Plan described above. CP DEV CO is required per the terms of the DDA to provide a minimum of \$90,000 per Public Housing Replacement unit and \$70,000 per LIHTC unit.

In August 2011, the development team was awarded a U.S. Department of Housing and Urban Development (“HUD”) Choice Neighborhoods Initiative Implementation (“CNI”) Grant in the amount of \$30,500,000, of which \$21,500,000 is to be used for housing development at AG. The CNI program is designed to catalyze critical improvements in neighborhood assets, including vacant property, housing, services and schools. The CNI funding comes with a variety of deadlines and deliverables, the most important of which is a statutory obligation that grant funds be expended and units delivered by September 2016 for the portion of the funds associated with Phases 1 and 2 and September 2017 for the portion of the funds to be used for Phase 3. Therefore, CNI funds and associated funding deadlines will apply to the first 3 phases of AG.

Several predevelopment loans for AG have been approved by the Former Agency Commission and the OCII Commission and the OCII Commission is scheduled to consider the permanent gap loans for Phases 1 and 2 on June 17, 2014. The Mayor's Office of Housing and Community Development ("MOHCD") will issue the tax exempt bonds for the Project. OCII and CPDEV CO will provide gap financing for each phase of the development.

Scope of Work:

Each Project will be a five-story podium building one with 93 units and one with 91 units.

Ownership:

MBS will form separate limited partnerships to own the improvements of each phase ("the Partnerships"). SFHA will own the land that the improvements will be built on. SFHA will enter into long term Ground Leases with each Partnership.

Financing:

The Partnerships will apply for a tax-exempt bond allocation currently estimated to be approximately \$32.5 million per phase and 4% low-income housing tax credits for 100% of the units:

- o Total Development Cost per phase \$54 mil
- o Total Hard Cost per phase \$45 mil
- o Acquisition Cost per phase \$0
- o Soft Costs per phase \$9 mil

Funding sources include an OCII Loan, the CNI grant, Tax Exempt Bonds, and 4% Low Income Housing Tax Credits.
