Terms such as "hereunder," herein or "hereto" refer to this Agreement as a whole.

ARTICLE 2 APPROPRIATION AND CERTIFICATION OF GRANT FUNDS; LIMITATIONS ON CITY'S OBLIGATIONS

2.1 Risk of Non-Appropriation of Grant Funds. This Agreement is subject to the budget and fiscal provisions of the Charter. City shall have no obligation to make appropriations for this Agreement in lieu of appropriations for new or other agreements or for other MOHCD expenditures. Grantee acknowledges that MOHCD's obligation to make Subsidy Payments under this Agreement is expressly conditioned on the (a) appropriation of sufficient funds to DPH for Subsidy Payments and transfer of such funds from /DPH to MOHCD (or as MOHCD may direct such funds to be transferred directly by /DPH to Grantee), which appropriation and transfer is subject to /DPH's annual operating budget, or (b) appropriation of sufficient funds for Subsidy Payments to MOHCD's annual operating budget. If the funds appropriated for Program subsidy payments in a Fiscal Year will be insufficient to fund the total Program subsidy payments MOHCD intended to make in such Fiscal Year, MOHCD shall have the right to reduce the amount of Program subsidy payments and to select the qualifying projects subject to such reduced payments.

Notwithstanding the foregoing, however, qualifying projects that are not financed with State Department of Housing and Community Development Multifamily Housing Program Supportive Housing Component funds ("HCD Funds") will be subject to such Program subsidy payment reductions before any such reductions are made to qualifying projects financed with HCD Funds.

If MOHCD determines that Subsidy Payments for any given Fiscal Year must be reduced due to a shortfall in appropriated Program funds (a "Non-Appropriation Event"), MOHCD shall notify Grantee that a Non-Appropriation Event has occurred. City's obligation to make any Subsidy Payments in excess of those for which sufficient funds have been appropriated shall automatically terminate as of such Non-Appropriation Event, except as may be required pursuant to Section 2.5 below. Grantee acknowledges

that /DPH's and MOHCD's annual operating budgets are each subject to the discretion of City's Mayor and Board of Supervisors and a Non-Appropriation Event may occur during the Term and, accordingly, that Subsidy Payments may subsequently not be made in the amounts projected pursuant to this Agreement. Grantee's assumption of such risks is part of the consideration for this Agreement.

- **2.2** Certification of Controller; Guaranteed Maximum Costs. No funds shall be available under this Agreement until prior written authorization certified by the Controller. In addition, as set forth in Section 21.10-1 of the San Francisco Administrative Code:
- (a) City's obligations hereunder shall not at any time exceed the amount certified by the Controller for the purpose and period stated in such certification, the current Controller certification for Grant Funds is only for the First Subsidy Payment, and Controller certification will be a condition precedent for all other Subsidy Payments to the extent that Project Transition Reserve Account funds are not available to fund such Subsidy Payments.
- (b) Except as may be provided by City ordinances governing emergency conditions, City and its employees and officers are not authorized to request Grantee to perform services or to provide materials, equipment and supplies that would result in Grantee performing services or providing materials, equipment and supplies that are beyond the scope of the services, materials, equipment and supplies specified in this Agreement unless this Agreement is amended in writing and approved as required by law to authorize the additional services, materials, equipment or supplies. City is not required to pay Grantee for services, materials, equipment or supplies provided by Grantee if they are beyond the scope of the services, materials, equipment and supplies agreed upon herein and were not approved by a written amendment to this Agreement lawfully executed by City.
- (c) City and its employees and officers are not authorized to offer or promise to Grantee additional funding for this Agreement that would exceed the maximum amount of funding provided for herein. Additional funding for this Agreement in excess of the maximum provided herein shall require lawful approval and certification by the Controller. City is not required to honor any offered or promised additional funding that exceeds the maximum provided in this Agreement, which requires lawful approval and certification of the Controller when the lawful approval and certification by the Controller has not been obtained.
- (d) The Controller is not authorized to make payments on any agreement for which funds have not been certified as available for such purposes in the budget of /DPH or MOHCD or by supplemental appropriation.
- **2.3** Automatic Termination for Nonappropriation or Nontransfer of Funds. This Agreement shall automatically terminate, without penalty, liability or expense of any kind to City, at the end of the period of the Fiscal Year that a Non-Appropriation Event occurs, except as otherwise set forth in Section 2.5.
- **2.4 SUPERSEDURE OF CONFLICTING PROVISIONS.** IN THE EVENT OF ANY CONFLICT BETWEEN ANY OF THE PROVISIONS OF THIS ARTICLE 2 AND ANY OTHER PROVISION OF THIS AGREEMENT, THE APPLICATION DOCUMENTS OR ANY OTHER DOCUMENT OR COMMUNICATION RELATING TO THIS AGREEMENT, THE TERMS OF THIS ARTICLE 2 SHALL GOVERN.
- 2.5 Program Transition Reserve Account. All LOSP subsidy payments, including the Subsidy Payments, are conditioned on the appropriation of sufficient funds therefor and the transfer of such funds to MOHCD's annual budget. MOHCD intends to establish a reserve account, as MOHCD deems appropriate and in its sole discretion, to fund all or a portion of selected LOSP subsidy payments in the event sufficient funds are not so appropriated or transferred (the "Program Transition Reserve Account"). If there is a Non-Appropriation Event, City shall use Program Transition Reserve Account funds to disburse such Subsidy Payments to the extent there are sufficient Program Transition Reserve Account funds for such disbursements.

If there is a Non-Appropriation Event, and City fully funds the following Fiscal Year's Subsidy Payment in the amount shown on Exhibit A (whether with Program Transition Reserve Account funds or otherwise), this Agreement shall remain in effect through the last day of the Fiscal Year for which such Subsidy Payment is made. In the event City continues to fully fund subsequent Subsidy Payments, this Agreement shall remain in effect through the last day of the Fiscal Year for which each such subsequent Subsidy Payment is made.

City shall have no obligation to replenish or supplement the Program Transition Reserve Account. City shall have the right to, at MOHCD's discretion, use Program Transition Reserve Account funds to make subsidy payments to LOSP grantees other than Grantee. The Program Transition Reserve Account shall remain the City's property at all times and any interest that accrues thereon shall remain the sole property of City and will be deemed part of the Program Transition Reserve Account. If any funds remain in the Program Transition Reserve Account at the expiration of the Term or earlier termination of this Agreement, such funds shall remain with City and Grantee shall have no rights thereto.

Grantee agrees that it shall not make any distributions or payments of Residual Receipts, as defined in the MOHCD Loan Agreement, until City has approved the distribution or payment of such Residual Receipts.

ARTICLE 3 TERM

The term of this Agreement (the "**Term**") shall commence on the Agreement Date and shall terminate on the fifteenth (15th) anniversary of the Agreement Date, unless earlier terminated in accordance with the terms herein.

ARTICLE 4 PERFORMANCE OF GRANT OBLIGATIONS

4.1 Lease of Assisted Units.

(a) Commencing on the Agreement Date, Grantee shall lease all of the Assisted Units to LOSP Clients.

If an Assisted Unit lease terminates at any time, Grantee shall deliver written notice of such termination to City within five (5) business days of such termination (the "Termination Notice Date"). City shall accordingly deliver at least five (5) Referral Reports to Grantee within fifteen (15) business days of receiving such Assisted Unit lease termination notice and Grantee shall lease such vacated Assisted Unit to an LOSP Client it selects from such Referral Reports within the sixty (60) day period immediately following its receipt of such Referral Reports (each such additional lease up date shall be referred to as an "Additional Leasing Date"). The period of time between a Termination Notice Date and the corresponding Additional Leasing Date shall be referred to as a "Vacancy Period". After the Agreement Date, an Assisted Unit may remain vacant during any Vacancy Period applicable to such Assisted Unit. If City fails to timely deliver the required Referral Reports at any time, until City delivers such Referral Reports, Grantee can submit a request to City to use a qualified candidate identified by Grantee that satisfies the requirements of Exhibit B, and such request shall not be unreasonably denied.

(b) Grantee shall have sole discretion in selecting the LOSP Clients that will be Tenants, provided that Grantee's decision not to rent an Assisted Unit to an LOSP Client referred to Grantee by City shall not be unreasonably withheld or conditioned, and provided further that Grantee shall not discriminate against or permit discrimination against any person or group of persons because of race,

color, creed, national origin, ancestry, age, sex, sexual orientation, disability, gender identity, height, weight, source of income or acquired immune deficiency syndrome (AIDS) or AIDS related condition (ARC) in the leasing of the Assisted Units.

- (c) Grantee shall comply with the Tenant Selection Plan Policy set forth in the attached Exhibit H.
- (d) Grantee shall comply with the Tenant Screening Criteria Policy set forth in the attached Exhibit I.
- (e) Grantee shall rent each Assisted Unit to a Tenant pursuant to a separate lease agreement that complies with this Agreement. Each Tenant lease shall provide for termination of such lease and such Tenant's consent to immediate eviction if the Tenant has made any material misrepresentation in the initial income certification made by Tenant to City or in any later income certification made by Tenant to Grantee.
- (f) Grantee shall obtain each Tenant's recertification of his/her household income on an annual basis. Such income certifications shall be prepared pursuant to low income housing tax credit guidelines for household income and shall be maintained on file at Grantee's principal office for no less than five (5) years following the date of such certification, and Grantee must file or cause to be filed copies thereof with MOHCD promptly upon MOHCD's request therefor.
- (g) Security deposits may be required of Tenants only in accordance with applicable federal regulations, state law and this Agreement. Any security deposits collected must be segregated from all other funds of the Project in an account held in trust for the benefit of the Tenants and other tenants of the Project and disbursed in accordance with California law. The balance in such security deposit account must at all times equal or exceed the aggregate of all security deposits collected plus accrued interest thereon, less any security deposits or interest thereon returned to Tenants or any other tenants of the Project.
- (h) To the extent permitted by applicable state and federal law, the Grantee shall comply with the Operational Rules for Residential Certificate of Preference Holder and Ellis Act Housing Preference set forth in the attached Exhibit L. The requirements of the attached Exhibit L apply to the Assisted Units as defined in this agreement as well as any other units in the project that are required by any agreement to be used as affordable housing.

4.2 Rent Restrictions.

- (a) Rent charged to any Tenant shall be the lower of fifty percent (50%) of a Tenant's gross monthly income, or the maximum rent allowed under the MOHCD Loan Agreement.
- (b) With the written approval of DPH, the Rent charged to a Tenant may be increased as a result of a determination by DPH that such Tenant is no longer eligible under the Program, so long as the Rent charged does not exceed the Underlying Restricted Rent. Notwithstanding the forgoing, Tenants deemed no longer eligible by DPH who remain occupants of the Project shall still be considered a LOSP Client and the Tenant's Unit shall still constitute an Assisted Unit for purposes of compliance with the requirements of this Agreement.
- (c) Grantee must provide MOHCD at least annually a report showing actual household income level and Rent for each Tenant.
- **4.3** Operating Reserve Account; Subsidy Reserve Account. Grantee shall comply with all of its requirements for the Operating Reserve Account under the MOHCD Loan Agreement. In addition, if the Subsidy Payment made to Grantee for a Calendar Year exceeds the certified Shortfall for such Calendar Year, as determined pursuant to the reports delivered under Section 6.1, Grantee shall deposit such excess

amount in the Subsidy Reserve Account. Grantee shall not use Subsidy Reserve Account funds, or any interest earned thereon, for any purpose other than as provided in this Agreement. The only funds that shall be held in the Subsidy Reserve Account shall be the moneys deposited therein pursuant to this Section and the interest earned thereon.

If the Shortfall for a Calendar Year exceeds the Subsidy Payment made to Grantee for such Calendar Year, Grantee shall first use Subsidy Reserve Account funds, to the extent available, to pay the Operating Costs that comprise such excess Shortfall. If the Subsidy Reserve Account plus Subsidy Payment funds are insufficient to pay all of the Operating Costs in any given Calendar Year, Grantee shall use Operating Reserve Account funds, if any, to pay the remaining Operating Costs, subject to any approval Grantee must obtain from Grantee's tax credit limited partner to so use the Operating Reserve Account funds.

4.4 [Intentionally Omitted]

4.5 Annual Operating Budget. The Annual Operating Budget attached hereto as **Exhibit E** sets forth Grantee's anticipated Operating Costs, Project Income and Shortfall for the Term of the Agreement. Grantee shall pay Operating Costs in conformity with the approved Annual Operating Budget. MOHCD's prior written consent shall not be required before Grantee can spend funds on Operating Costs that differ in amount from the amounts in the Annual Operating Budget.

Grantee can submit requests to change the amount of the Annual Operating Budget and corresponding Subsidy Payment for any year during the term by supplying a written proposal with the Annual Monitoring Report. Such proposals should include a variance analysis that includes a quantitative assessment of the difference between projected annual income and expenses and actual annual income and expenses, and explanations for the cause of any significant variances.

4.6 Grantee's Board of Directors. Grantee's manager, if Grantee is a limited liability company, or Grantee's general partner or the sole member of the limited liability company general partner, if Grantee is a limited partnership, shall at all times be governed by a legally constituted and fiscally responsible board of directors. Such board of directors shall meet regularly and maintain appropriate membership, as established in such entity's bylaws and other governing documents and shall adhere to applicable provisions of federal, state and local laws governing nonprofit corporations. Such entity's board of directors shall exercise such oversight responsibility with regard to this Agreement as is necessary to ensure full and prompt performance by Grantee of its obligations under this Agreement.

4.7 [Intentionally Omitted]

4.8 Maintenance and Management of Project.

- (a) Grantee shall be responsible for ensuring all Project maintenance, repair and management functions, including the collection of rents, routine and extraordinary repairs and replacement of capital items, and for keeping the Project in a safe and sanitary manner and in good operating condition in accordance with all Applicable Laws and the City Loan Documents(collectively, the "Maintenance Duties").
- (b) Grantee may contract with a management agent for the performance of the Maintenance Duties subject to MOHCD's prior written approval of both the management agent and the management contract, provided, however, that the arrangement will not relieve Grantee of responsibility for performance of those duties. A management contract must contain a provision allowing Grantee to terminate the contract without penalty upon no more than thirty (30) days' notice.
- (c) MOHCD will provide written notice to Grantee if MOHCD determines that the Maintenance Duties are not being performed in accordance with this Agreement. If Grantee is then in contract with a management agent pursuant to subsection (b) above, and such management agent fails to fully cure such

failure within thirty (30) days of the date that MOHCD delivers such written notice, Grantee shall exercise such thirty (30) day termination right, terminate the management contract and make immediate arrangements for cure of such failure and for the continuous and continuing performance of the Maintenance Duties. If, at the time of such notice, Grantee is not in contract with a management agent pursuant to subsection (b) above, in addition to MOHCD's rights hereunder, MOHCD shall have the right to require that Grantee, at Grantee's sole cost, contract with a management agent to perform the Maintenance Duties, or to make other arrangements the City deems necessary to ensure full and timely performance of the Maintenance Duties.

(d) Grantee shall operate the Project in compliance with all Applicable Laws.

4.9 Services Agreement; Provision of Services.

- (a) Grantee hereby agrees to allow the Tenant Services Contractor (and any subsequent service provider) access to the Project at all reasonable times for the provision of services to the Project's LOSP Clients.
- (b) Grantee shall promptly provide written notice to MOHCD if Grantee obtains knowledge of any default, or event that with notice or the passage of time or both could constitute a default, under the Services Agreement.
- (c) In the event that the Services Agreement is terminated for any reason, or that MOHCD and/or DPH determines that the Tenant Services Contractor needs to be replaced, Grantee shall cooperate in good faith with MOHCD and HSA/DPH in obtaining a new service provider for the LOSP Clients in the Project. In such an event, the selection of the new service provider for the Project shall require Grantee's prior consent, which shall not be unreasonably delayed or denied. Grantee hereby agrees and acknowledges that nothing in this Agreement gives Grantee any right to consent to the MOHCD and/or DPH determination to terminate the Services Agreement or to replace the Tenant Services Contractor.

ARTICLE 5 USE AND DISBURSEMENT OF GRANT FUNDS

5.1 Maximum Amount of Grant Funds; Disbursement of Subsidy Payments. In no event shall the total amount of Grant Funds disbursed hereunder exceed _Nineteen Million One Hundred _Nineteen Thousand Seven Hundred Sixty Nine Dollars (\$19,119,769) (the "Grant Amount"). Subject to Grantee's performance of its obligations under this Agreement and MOHCD's receipt of sufficient funds, as further set forth in Article 2, the Grant Funds shall be disbursed through Subsidy Payments.

Provided that Grantee is in compliance with all of the conditions for receipt of the First Subsidy Payment, City shall deliver the First Subsidy Payment to Grantee within ten (10) business days immediately following the Agreement Date. All information provided by Grantee that is covered by such Section 67.24(e) (as it may be amended from time to time) will be made available to the public upon request.
- **12.3 Financial Projections**. Pursuant to San Francisco Administrative Code Section 67.32, Grantee has on or before the date hereof provided to City financial projections, including profit and loss figures, for the Project. The Grantee acknowledges and agrees that the financial projections and audited financial statements required under this Agreement shall be public records subject to disclosure upon request.

ARTICLE 13 ASSIGNMENTS AND SUBCONTRACTING

- 13.1 No Assignment by Grantee. Grantee shall not, either directly or indirectly, assign, transfer, hypothecate, subcontract or delegate all or any portion of this Agreement or any rights, duties or obligations of Grantee hereunder without the prior written consent of City. This Agreement shall not, nor shall any interest herein, be assignable as to the interest of Grantee involuntarily or by operation of law without the prior written consent of City. A change of ownership or control of Grantee or a sale or transfer of substantially all of the assets of Grantee shall be deemed an assignment for purposes of this Agreement. Notwithstanding any provision of this Agreement to the contrary, this Section 13.1 shall not prevent transfers that are expressly permitted under the City Loan Documents.
- **13.2** Agreement Made in Violation of this Article. Any agreement made in violation of Section 13.1 shall confer no rights on any person or entity and shall automatically be null and void.
- **13.3 Subcontracting.** Grantee shall not subcontract or assign any portion of this Agreement to any other party without the prior written consent of City; notwithstanding the foregoing, Grantee may subcontract for property management and maintenance without the consent of the City.
- **13.4** Grantee Retains Responsibility. Grantee shall in all events remain liable for the performance by any assignee or subgrantee of all of the covenants terms and conditions contained in this Agreement.

ARTICLE 14 INDEPENDENT CONTRACTOR STATUS

14.1 Nature of Agreement. Grantee shall be deemed at all times to be an independent contractor and is solely responsible for the manner in which Grantee uses the Grant Funds. Grantee shall at all times remain solely liable for the acts and omissions of Grantee, its officers and directors, employees and agents. Nothing in this Agreement shall be construed as creating a partnership, joint venture, employment or agency relationship between City and Grantee.

14.2 Direction. Any terms in this Agreement referring to direction or instruction from MOHCD or City shall be construed as providing for direction as to policy and the result of Grantee's work only, and not as to the means by which such a result is obtained.

14.3 Consequences of Recharacterization.

- (a) Should City, in its discretion, or a relevant taxing authority such as the Internal Revenue Service or the State Employment Development Division, or both, determine that Grantee is an employee for purposes of collection of any employment taxes, the amounts payable under this Agreement shall be reduced by amounts equal to both the employee and employer portions of the tax due (and offsetting any credits for amounts already paid by Grantee which can be applied against this liability). City shall subsequently forward such amounts to the relevant taxing authority.
- (b) Should a relevant taxing authority determine a liability for past services performed by Grantee for City, upon notification of such fact by City, Grantee shall promptly remit such amount due or arrange with City to have the amount due withheld from future payments to Grantee under this Agreement (again, offsetting any amounts already paid by Grantee which can be applied as a credit against such liability).
- (c) A determination of employment status pursuant to either subsection (a) or (b) of this <u>Section 14.3</u> shall be solely for the purposes of the particular tax in question, and for all other purposes of this Agreement, Grantee shall not be considered an employee of City. Notwithstanding the foregoing, if any court, arbitrator, or administrative authority determine that Grantee is an employee for any other purpose, Grantee agrees to a reduction in City's financial liability hereunder such that the aggregate amount of Grant Funds under this Agreement does not exceed what would have been the amount of such Grant Funds had the court, arbitrator, or administrative authority had not determined that Grantee was an employee.

ARTICLE 16 COMPLIANCE

- 16.1 Left blank by agreement of the Parties.
- 16.2 Nondiscrimination; Penalties.
- (a) **Grantee Shall Not Discriminate**. In the performance of this Agreement, Grantee agrees not to discriminate against any employee, City and County employee working with such grantee or subgrantee, applicant for employment with such grantee or subgrantee, or against any person seeking accommodations, advantages, facilities, privileges, services, or membership in all business, social, or other establishments or organizations, on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, height, weight, sex, sexual orientation, gender identity, domestic partner status, marital status, disability or Acquired Immune Deficiency Syndrome or HIV status (AIDS/HIV status), or association with members of such protected classes, or in retaliation for opposition to discrimination against such classes.
- (b) **Subcontracts**. Grantee shall incorporate by reference in all subcontracts the provisions of Sections 12B.2(a), 12B.2(c)-(k), and 12C.3 of the San Francisco Administrative Code and shall require all subgrantees to comply with such provisions. Grantee's failure to comply with the obligations in this subsection shall constitute a material breach of this Agreement.
- (c) **Non-Discrimination in Benefits**. Grantee does not as of the date of this Agreement and will not during the term of this Agreement, in any of its operations in San Francisco or where the work is being performed for the City or elsewhere within the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits or travel benefits, as well as any benefits other than the benefits specified above, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local law authorizing such registration, subject to the conditions set forth in Section 12B.2(b) of the San Francisco Administrative Code.
- (d) **Condition to Contract**. As a condition to this Agreement, Grantee shall execute the "Chapter 12B Declaration: Nondiscrimination in Contracts and Benefits" form (Form HRC-12B-101) with supporting documentation and secure the approval of the form by the San Francisco Human Rights Commission.

- (e) Incorporation of Administrative Code Provisions by Reference. The provisions of Chapters 12B and 12C of the San Francisco Administrative Code are incorporated in this Section by reference and made a part of this Agreement as though fully set forth herein. Grantee shall comply fully with and be bound by all of the provisions that apply to this Agreement under such Chapters of the Administrative Code, including the remedies provided in such Chapters. Without limiting the foregoing, Grantee understands that pursuant to Sections 12B.2(h) and 12C.3(g) of the San Francisco Administrative Code, a penalty of Fifty Dollars (\$50) for each person for each calendar day during which such person was discriminated against in violation of the provisions of this Agreement may be assessed against Grantee and/or deducted from any payments due Grantee.
- 16.3 MacBride Principles--Northern Ireland. Pursuant to San Francisco Administrative Code Section 12F.5, City urges companies doing business in Northern Ireland to move towards resolving employment inequities, and encourages such companies to abide by the MacBride Principles. City urges San Francisco companies to do business with corporations that abide by the MacBride Principles. By signing below, the person executing this agreement on behalf of Grantee acknowledges and agrees that he or she has read and understood this Section.
- **16.4** Tropical Hardwood and Virgin Redwood Ban. Pursuant to Section 804(b) of the San Francisco Environment Code, City urges all grantees not to import, purchase, obtain, or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood or virgin redwood wood product.
- **16.5 Drug-Free Workplace Policy**. Grantee acknowledges that pursuant to the Federal Drug-Free Workplace Act of 1989, the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance is prohibited on City premises. Grantee and its employees, agents or assigns shall comply with all terms and provisions of such Act and the rules and regulations promulgated thereunder.
- 16.6 Resource Conservation; Liquidated Damages. Chapter 5 of the San Francisco Environment Code (Resource Conservation) is incorporated herein by reference. Failure by Grantee to comply with any of the applicable requirements of Chapter 5 will be deemed a material breach of contract. If Grantee fails to comply in good faith with any of the provisions of Chapter 5, Grantee shall be liable for liquidated damages in an amount equal to Grantee's net profit under this Agreement, or five percent (5%) of the total contract amount, whichever is greater. Grantee acknowledges and agrees that the liquidated damages assessed shall be payable to City upon demand and may be offset against any monies due to Grantee from any contract with City.
- **16.7** Compliance with ADA. Grantee acknowledges that, pursuant to the ADA, programs, services and other activities provided by a public entity to the public, whether directly or through a grantee or contractor, must be accessible to the disabled public. Grantee shall not discriminate against any person protected under the ADA in connection with its activities hereunder and shall comply at all times with the provisions of the ADA.

16.8 Requiring Minimum Compensation for Employees.

- a. Grantee agrees to comply fully with and be bound by all of the provisions of the Minimum Compensation Ordinance (MCO), as set forth in San Francisco Administrative Code Chapter 12P (Chapter 12P), including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 12P are incorporated herein by reference and made a part of this Agreement as though fully set forth. The text of the MCO is available on the web at www.sfgov.org/olse/mco. A partial listing of some of Grantee's obligations under the MCO is set forth in this Section. Grantee is required to comply with all the provisions of the MCO, irrespective of the listing of obligations in this Section.
- b. The MCO requires Grantee to pay Grantee's employees a minimum hourly gross compensation wage rate and to provide minimum compensated and uncompensated time off. The minimum wage rate may change from year to year and Grantee is obligated to keep informed of the then-

current requirements. Any subcontract entered into by Grantee shall require the subgrantee to comply with the requirements of the MCO and shall contain contractual obligations substantially the same as those set forth in this Section. It is Grantee's obligation to ensure that any subgrantees of any tier under this Agreement comply with the requirements of the MCO. If any subgrantee under this Agreement fails to comply, City may pursue any of the remedies set forth in this Section against Grantee.

- c. Grantee shall not take adverse action or otherwise discriminate against an employee or other person for the exercise or attempted exercise of rights under the MCO. Such actions, if taken within 90 days of the exercise or attempted exercise of such rights, will be rebuttably presumed to be retaliation prohibited by the MCO.
- d. Grantee shall maintain employee and payroll records as required by the MCO. If Grantee fails to do so, it shall be presumed that the Grantee paid no more than the minimum wage required under State law.
- e. The City is authorized to inspect Grantee's job sites and conduct interviews with employees and conduct audits of Grantee
- f. Grantee's commitment to provide the Minimum Compensation is a material element of the City's consideration for this Agreement. The City in its sole discretion shall determine whether such a breach has occurred. The City and the public will suffer actual damage that will be impractical or extremely difficult to determine if the Grantee fails to comply with these requirements. Grantee agrees that the sums set forth in Section 12P.6.1 of the MCO as liquidated damages are not a penalty, but are reasonable estimates of the loss that the City and the public will incur for Grantee's noncompliance. The procedures governing the assessment of liquidated damages shall be those set forth in Section 12P.6.2 of Chapter 12P.
- g. Grantee understands and agrees that if it fails to comply with the requirements of the MCO, the City shall have the right to pursue any rights or remedies available under Chapter 12P (including liquidated damages), under the terms of the contract, and under applicable law. If, within 30 days after receiving written notice of a breach of this Agreement for violating the MCO, Grantee fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, Grantee fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, the City shall have the right to pursue any rights or remedies available under applicable law, including those set forth in Section 12P.6(c) of Chapter 12P. Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to the City.
- h. Grantee represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the MCO.
- i. If Grantee is exempt from the MCO when this Agreement is executed because the cumulative amount of agreements with this department for the fiscal year is less than \$25,000, but Grantee later enters into an agreement or agreements that cause Grantee to exceed that amount in a fiscal year, Grantee shall thereafter be required to comply with the MCO under this Agreement. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between the Grantee and this department to exceed \$25,000 in the fiscal year.
- **16.9** Limitations on Contributions. Through execution of this Agreement, Grantee acknowledges that it is familiar with Section 1.126 of the City's Campaign and Governmental Conduct Code, which prohibits any person who contracts with the City for the rendition of personal services, for the furnishing of any material, supplies or equipment, for the sale or lease of any land or building, or for a grant, loan or loan guarantee, from making any campaign contribution to (1) an individual holding a City elective office if

the contract must be approved by the individual, a board on which that individual serves, or a board on which an appointee of that individual serves, (2) a candidate for the office held by such individual, or (3) a committee controlled by such individual, at any time from the commencement of negotiations for the contract until the later of either the termination of negotiations for such contract or six months after the date the contract is approved. Grantee acknowledges that the foregoing restriction applies only if the contract or a combination or series of contracts approved by the same individual or board in a fiscal year have a total anticipated or actual value of \$50,000 or more. Grantee further acknowledges that the prohibition on contributions applies to each prospective party to the contract; each member of Grantee's board of directors; Grantee's chairperson, chief executive officer, chief financial officer and chief operating officer; any person with an ownership interest of more than 20 percent in Grantee; any subgrantee listed in the bid or contract; and any committee that is sponsored or controlled by Grantee. Additionally, Grantee acknowledges that Grantee must inform each of the persons described in the preceding sentence of the prohibitions contained in Section 1.126.

16.10 First Source Hiring Program.

- a. Incorporation of Administrative Code Provisions by Reference. The provisions of Chapter 83 of the San Francisco Administrative Code are incorporated in this Section by reference and made a part of this Agreement as though fully set forth herein. Contractor shall comply fully with, and be bound by, all of the provisions that apply to this Agreement under such Chapter, including but not limited to the remedies provided therein. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 83.
- b. First Source Hiring Agreement. As an essential term of, and consideration for, any contract or property contract with the City, not exempted by the FSHA, the Contractor shall enter into a first source hiring agreement ("agreement") with the City, on or before the effective date of the contract or property contract. Contractors shall also enter into an agreement with the City for any other work that it performs in the City. Such agreement shall:
- (1) Set appropriate hiring and retention goals for entry level positions. The employer shall agree to achieve these hiring and retention goals, or, if unable to achieve these goals, to establish good faith efforts as to its attempts to do so, as set forth in the agreement. The agreement shall take into consideration the employer's participation in existing job training, referral and/or brokerage programs. Within the discretion of the FSHA, subject to appropriate modifications, participation in such programs maybe certified as meeting the requirements of this Chapter. Failure either to achieve the specified goal, or to establish good faith efforts will constitute noncompliance and will subject the employer to the provisions of Section 83.10 of this Chapter.
- (2) Set first source interviewing, recruitment and hiring requirements, which will provide the San Francisco Workforce Development System with the first opportunity to provide qualified economically disadvantaged individuals for consideration for employment for entry level positions. Employers shall consider all applications of qualified economically disadvantaged individuals referred by the System for employment; provided however, if the employer utilizes nondiscriminatory screening criteria, the employer shall have the sole discretion to interview and/or hire individuals referred or certified by the San Francisco Workforce Development System as being qualified economically disadvantaged individuals. The duration of the first source interviewing requirement shall be determined by the FSHA and shall be set forth in each agreement, but shall not exceed 10 days. During that period, the employer may publicize the entry level positions in accordance with the agreement. A need for urgent

or temporary hires must be evaluated, and appropriate provisions for such a situation must be made in the agreement.

- (3) Set appropriate requirements for providing notification of available entry level positions to the San Francisco Workforce Development System so that the System may train and refer an adequate pool of qualified economically disadvantaged individuals to participating employers. Notification should include such information as employment needs by occupational title, skills, and/or experience required, the hours required, wage scale and duration of employment, identification of entry level and training positions, identification of English language proficiency requirements, or absence thereof, and the projected schedule and procedures for hiring for each occupation. Employers should provide both long-term job need projections and notice before initiating the interviewing and hiring process. These notification requirements will take into consideration any need to protect the employer's proprietary information.
- (4) Set appropriate record keeping and monitoring requirements. The First Source Hiring Administration shall develop easy-to-use forms and record keeping requirements for documenting compliance with the agreement. To the greatest extent possible, these requirements shall utilize the employer's existing record keeping systems, be nonduplicative, and facilitate a coordinated flow of information and referrals.
- (5) Establish guidelines for employer good faith efforts to comply with the first source hiring requirements of this Chapter. The FSHA will work with City departments to develop employer good faith effort requirements appropriate to the types of contracts and property contracts handled by each department. Employers shall appoint a liaison for dealing with the development and implementation of the employer's agreement. In the event that the FSHA finds that the employer under a City contract or property contract has taken actions primarily for the purpose of circumventing the requirements of this Chapter, that employer shall be subject to the sanctions set forth in Section 83.10 of this Chapter.
 - (6) Set the term of the requirements.
 - (7) Set appropriate enforcement and sanctioning standards consistent with this Chapter.
- (8) Set forth the City's obligations to develop training programs, job applicant referrals, technical assistance, and information systems that assist the employer in complying with this Chapter.
- (9) Require the developer to include notice of the requirements of this Chapter in leases, subleases, and other occupancy contracts.
- **c. Hiring Decisions.** Contractor shall make the final determination of whether an Economically Disadvantaged Individual referred by the System is "qualified" for the position.
- d. Exceptions. Upon application by Employer, the First Source Hiring Administration may grant an exception to any or all of the requirements of Chapter 83 in any situation where it concludes that compliance with this Chapter would cause economic hardship.

e. Liquidated Damages. Contractor agrees:

- (1) To be liable to the City for liquidated damages as provided in this section;
- (2) To be subject to the procedures governing enforcement of breaches of contracts based on violations of contract provisions required by this Chapter as set forth in this section;

- element of the City's consideration for this contract; that the failure of the contractor to comply with the contract provisions required by this Chapter will cause harm to the City and the public which is significant and substantial but extremely difficult to quantity; that the harm to the City includes not only the financial cost of funding public assistance programs but also the insidious but impossible to quantify harm that this community and its families suffer as a result of unemployment; and that the assessment of liquidated damages of up to \$5,000 for every notice of a new hire for an entry level position improperly withheld by the contractor from the first source hiring process, as determined by the FSHA during its first investigation of a contractor, does not exceed a fair estimate of the financial and other damages that the City suffers as a result of the contractor's failure to comply with its first source referral contractual obligations.
- (4) That the continued failure by a contractor to comply with its first source referral contractual obligations will cause further significant and substantial harm to the City and the public, and that a second assessment of liquidated damages of up to \$10,000 for each entry level position improperly withheld from the FSHA, from the time of the conclusion of the first investigation forward, does not exceed the financial and other damages that the City suffers as a result of the contractor's continued failure to comply with its first source referral contractual obligations;
- (5) That in addition to the cost of investigating alleged violations under this Section, the computation of liquidated damages for purposes of this section is based on the following data:
- A. The average length of stay on public assistance in San Francisco's County Adult Assistance Program is approximately 41 months at an average monthly grant of \$348 per month, totaling approximately \$14,379; and
- B. In 2004, the retention rate of adults placed in employment programs funded under the Workforce Investment Act for at least the first six months of employment was 84.4%. Since qualified individuals under the First Source program face far fewer barriers to employment than their counterparts in programs funded by the Workforce Investment Act, it is reasonable to conclude that the average length of employment for an individual whom the First Source Program refers to an employer and who is hired in an entry level position is at least one year;

therefore, liquidated damages that total \$5,000 for first violations and \$10,000 for subsequent violations as determined by FSHA constitute a fair, reasonable, and conservative attempt to quantify the harm caused to the City by the failure of a contractor to comply with its first source referral contractual obligations.

(6) That the failure of contractors to comply with this Chapter, except property contractors, may be subject to the debarment and monetary penalties set forth in Sections 6.80 et seq. of the San Francisco Administrative Code, as well as any other remedies available under the contract or at law; and

Violation of the requirements of Chapter 83 is subject to an assessment of liquidated damages in the amount of \$5,000 for every new hire for an Entry Level Position improperly withheld from the first source hiring process. The assessment of liquidated damages and the evaluation of any defenses or mitigating factors shall be made by the FSHA.

- **f. Subcontracts.** Any subcontract entered into by Contractor shall require the subcontractor to comply with the requirements of Chapter 83 and shall contain contractual obligations substantially the same as those set forth in this Section.
- 16.11 Prohibition on Political Activity with City Funds. In accordance with S. F. Administrative Code Chapter 12.G, no funds appropriated by the City and County of San Francisco for this Agreement may be expended for organizing, creating, funding, participating in, supporting, or attempting to influence any political campaign for a candidate or for a ballot measure (collectively, "Political Activity"). The terms of San Francisco Administrative Code Chapter 12.G are incorporated herein by this reference. Accordingly, an employee working in any position funded under this Agreement shall not engage in any Political Activity during the work hours funded hereunder, nor shall any equipment or resource funded by this Agreement be used for any Political Activity. In the event Grantee, or any staff member in association with Grantee, engages in any Political Activity, then (i) Grantee shall keep and maintain appropriate records to evidence compliance with this Section, and (ii) Grantee shall have the burden to prove that no funding from this Agreement has been used for such Political Activity. Grantee agrees to cooperate with any audit by the City or its designee in order to ensure compliance with this Section. In the event Grantee violates the provisions of this Section, the City may, in addition to any other rights or remedies available hereunder, (i) terminate this Agreement and any other agreements between Grantee and City, (ii) prohibit Grantee from bidding on or receiving any new City contract for a period of two (2) years, and (iii) obtain reimbursement of all funds previously disbursed to Grantee under this Agreement.
- 16.12 Preservative-treated Wood Containing Arsenic. Grantee may not purchase preservative-treated wood products containing arsenic in the performance of this Agreement unless an exemption from the requirements of Chapter 13 of the San Francisco Environment Code is obtained from the Department of the Environment under Section 1304 of the Code. The term "preservative-treated wood containing arsenic" shall mean wood treated with a preservative that contains arsenic, elemental arsenic, or an arsenic copper combination, including, but not limited to, chromated copper arsenate preservative, ammoniacal copper zinc arsenate preservative, or ammoniacal copper arsenate preservative. Grantee may purchase preservative-treated wood products on the list of environmentally preferable alternatives prepared and adopted by the Department of the Environment. This provision does not preclude Grantee from purchasing preservative-treated wood containing arsenic for saltwater immersion. The term "saltwater immersion" shall mean a pressure-treated wood that is used for construction purposes or facilities that are partially or totally immersed in saltwater.
- 16.13 **16.** Supervision of Minors. Grantee, and any subgrantees, shall comply with California Penal Code section 11105.3 and request from the Department of Justice records of all convictions or any arrest pending adjudication involving the offenses specified in Welfare and Institution Code section 15660(a) of any person who applies for employment or volunteer position with Grantee, or any subgrantee, in which he or she would have supervisory or disciplinary power over a minor under his or her care.

If Grantee, or any subgrantee, is providing services at a City park, playground, recreational center or beach (separately and collectively, "Recreational Site"), Grantee shall not hire, and shall prevent its subgrantees from hiring, any person for employment or volunteer position to provide those services if that person has been convicted of any offense that was listed in former Penal Code section 11105.3 (h)(1) or 11105.3(h)(3).

If Grantee, or any of its subgrantees, hires an employee or volunteer to provide services to minors at any location other than a Recreational Site, and that employee or volunteer has been convicted of an

offense specified in Penal Code section 11105.3(c), then Grantee shall comply, and cause its subgrantees to comply with that section and provide written notice to the parents or guardians of any minor who will be supervised or disciplined by the employee or volunteer not less than ten (10) days prior to the day the employee or volunteer begins his or her duties or tasks. Grantee shall provide, or cause its subgrantees to provide City with a copy of any such notice at the same time that it provides notice to any parent or guardian.

Grantee shall expressly require any of its subgrantees with supervisory or disciplinary power over a minor to comply with this section of the Agreement as a condition of its contract with the subgrantee.

Grantee acknowledges and agrees that failure by Grantee or any of its subgrantees to comply with any provision of this section of the Agreement shall constitute an Event of Default.

- 16.14 **Protection of Private Information.** Grantee agrees to comply fully with and be bound by all of the provisions of Chapter 12M of the San Francisco Administrative Code ("Protection of Private Information"), including the remedies provided. The provisions of Chapter 12M are incorporated herein by reference and made a part of this Agreement as though fully set forth. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 12M. Consistent with the requirements of Chapter 12M, Grantee agrees to all of the following:
- (a) Neither Grantee nor any of its subgrantees shall disclose Private Information obtained from the City in the performance of this Agreement to any other subgrantee, person, or other entity, unless one of the following is true:
 - (1) The disclosure is authorized by this Agreement;
- (2) The Grantee received advance written approval from the Contracting Department to disclose the information; or
 - (3) The disclosure is expressly required by a judicial order.
- (b) Any disclosure or use of Private Information authorized by this Agreement shall be in accordance with any conditions or restrictions stated in this Agreement. Any disclosure or use of Private Information authorized by a Contracting Department shall be in accordance with any conditions or restrictions stated in the approval.
- (c) "Private Information" shall mean any information that: (1) could be used to identify an individual, including without limitation, name, address, social security number, medical information, financial information, date and location of birth, and names of relatives; or (2) the law forbids any person from disclosing.
- (d) Any failure of Grantee to comply with Chapter 12M shall be a material breach of this Agreement. In such an event, in addition to any other remedies available to it under equity or law, the City may terminate this Agreement, debar Grantee, or bring a false claim action against Grantee.
- **16.15 Public Access to Meetings and Records.** If the Grantee receives a cumulative total per year of at least \$250,000 in City funds or City-administered funds and is a non-profit organization as defined in Chapter 12L of the San Francisco Administrative Code, the Grantee shall comply with and be bound by all the applicable provisions of that Chapter. By executing this Agreement, the Grantee agrees to open its meetings and records to the public in the manner set forth in Sections 12L.4 and 12L.5 of the Administrative Code. The Grantee further agrees to make good-faith efforts to promote community membership on its Board of Directors in the manner set forth in Section 12L.6 of the Administrative Code. The Grantee acknowledges that its material failure to comply with any of the provisions of this paragraph shall constitute a material breach of this Agreement. The Grantee further acknowledges that

such material breach of the Agreement shall be grounds for the City to terminate and/or not renew the Agreement, partially or in its entirety.

16.16 Graffiti Removal. Graffiti is detrimental to the health, safety and welfare of the community in that it promotes a perception in the community that the laws protecting public and private property can be disregarded with impunity. This perception fosters a sense of disrespect of the law that results in an increase in crime; degrades the community and leads to urban blight; is detrimental to property values, business opportunities and the enjoyment of life; is inconsistent with the City's property maintenance goals and aesthetic standards; and results in additional graffiti and in other properties becoming the target of graffiti unless it is quickly removed from public and private property. Graffiti results in visual pollution and is a public nuisance. Graffiti must be abated as quickly as possible to avoid detrimental impacts on the City and County and its residents, and to prevent the further spread of graffiti.

Grantee shall remove all graffiti from any real property owned or leased by Grantee in the City and County of San Francisco within forty eight (48) hours of the earlier of Grantee's (a) discovery or notification of the graffiti or (b) receipt of notification of the graffiti from the Department of Public Works. This Section is not intended to require a Grantee to breach any lease or other agreement that it may have concerning its use of the real property. The term "graffiti" means any inscription, word, figure, marking or design that is affixed, marked, etched, scratched, drawn or painted on any building, structure, fixture or other improvement, whether permanent or temporary, including by way of example only and without limitation, signs, banners, billboards and fencing surrounding construction sites, whether public or private, without the consent of the owner of the property or the owner's authorized agent, and which is visible from the public right-of-way. "Graffiti" shall not include: (1) any sign or banner that is authorized by, and in compliance with, the applicable requirements of the San Francisco Public Works Code, the San Francisco Planning Code or the San Francisco Building Code; or (2) any mural or other painting or marking on the property that is protected as a work of fine art under the California Art Preservation Act (California Civil Code Sections 987 et seq.) or as a work of visual art under the Federal Visual Artists Rights Act of 1990 (17 U.S.C. Sections 101 et seq.).

Any failure of Grantee to comply with this Section shall constitute an Event of Default of this Agreement.

16.17 Food Service Waste Reduction Requirements. Grantee agrees to comply fully with and be bound by all of the provisions of the Food Service Waste Reduction Ordinance, as set forth in San Francisco Environment Code Chapter 16, including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 16 are incorporated herein by reference and made a part of this Agreement as though fully set forth. This provision is a material term of this Agreement. By entering into this Agreement, Grantee agrees that if it breaches this provision, City will suffer actual damages that will be impractical or extremely difficult to determine; further, Grantee agrees that the sum of one hundred dollars (\$100) liquidated damages for the first breach, two hundred dollars (\$200) liquidated damages for subsequent breaches in the same year, and five hundred dollars (\$500) liquidated damages for subsequent breaches in the same year is reasonable estimate of the damage that City will incur based on the violation, established in light of the circumstances existing at the time this Agreement was made. Such amount shall not be considered a penalty, but rather agreed monetary damages sustained by City because of Grantee's failure to comply with this provision.

16.18 Slavery Era Disclosure.

- (a) Grantee acknowledges that this Agreement shall not be binding upon the City until the Director receives the affidavit required by the San Francisco Administrative Code's Chapter 12Y, "San Francisco Slavery Era Disclosure Ordinance."
- (b) In the event the Director finds that Grantee has failed to file an affidavit as required by Section 12Y.4(a) and this Agreement, or has willfully filed a false affidavit, the Grantee shall be liable for

liquidated damages in an amount equal to the Grantee's net profit on the Agreement, 10 percent of the total amount of the Agreement, or \$1,000, whichever is greatest as determined by the Director. Grantee acknowledges and agrees that the liquidated damages assessed shall be payable to the City upon demand and may be set off against any monies due to the Grantee from any Agreement with the City.

- (c) Grantee shall maintain records necessary for monitoring their compliance with this provision.
- 16.19 Compliance with Other Laws. Without limiting the scope of any of the preceding sections of this Article 16, Grantee shall keep itself fully informed of City's Charter, codes, ordinances and regulations and all state, and federal laws, rules and regulations affecting the performance of this Agreement and shall at all times comply with such Charter codes, ordinances, and regulations rules and laws.

Exhibit B - LOSP Client Selection Criteria

THE PLAZA APARTMENTS RESIDENT SELECTION CRITERIA

The following Resident Selection Criteria has been established to ensure fair and equitable practices for selecting applicants to occupy housing units at The Plaza Apartments. This selection policy complies with standards set forth by the Federal Low Income Tax Credit Program, the San Francisco Redevelopment Agency, and the San Francisco Department of Public Health.

I. POLICY ON NON-DISCRIMINATION

With respect to the treatment of applicants, the Management Agent will not discriminate against any individual or family household because of race, color, creed, national or ethnic origin or ancestry, religion, sex, sexual preference, gender identity, sexual orientation, age, disability, handicap, military status, source of income, marital status or presence of children in a household, acquired immune deficiency syndrome (AIDS) or AIDS-related conditions (ARC), or any other arbitrary basis. No criteria will be applied or information considered pertaining to attributes of behavior that may be imputed by some to a particular group or category. All criteria shall be applied equitably and all information considered on an applicant shall be related solely to the attributes and behavior of individuals as they may affect residency.

II. ELIGIBILITY FOR SELECTION

All former residents who were living at the Plaza Hotel at the time it was vacated in 2003 will have the right to return to the property and become a member of the newly created Plaza Apartments' resident's community.

Persons displaced or about to be displaced from their homes, including individuals and households who have been issued Certificates of Preference ("Certificate Holders"), by relevant San Francisco Redevelopment Agency activities.

For all other individuals and households, an eligible applicant must meet criteria established by the San Francisco Department of Public Health's Direct Access to Housing (DAH) program to define and certify the applicant as "homeless". Direct Access to Housing defines homeless as "living in one of the following situations at the time of application/occupancy interview:

- (1) Street, Park, Abandoned Building
- (2) Emergency Shelter
- (3) Emergency Voucher

- (4) Domestic Violence Shelter
- (5) Alcohol or Drug Treatment Facility
- (6) Psychiatric Facility or Residential Treatment Program
- (7) Hospital
- (8) Jail
- (9) Other Qualifying Emergency or Transient Situation."

Long-term transitional housing or permanent tenancy in a SRO or other housing unit is not considered homeless for this program.

The homeless applicant must be referred to the Plaza Apartments by the (DAH) program, which assists homeless individuals with concurrent mental health, substance abuse, and chronic medical conditions locate permanent housing with on-site supportive services.

III. INCOME ELIGIBILITY

All applicants must demonstrate income eligibility through certification at initial occupancy as well as verify their continued compliance with respect to income eligibility standards as set forth by the Federal Low Income Tax Credit Program on an annual basis.

The maximum income levels for AMI are adjusted by household size as published by HUD. The current maximum annual income limits for the City and County of San Francisco for 2005 are:

	30% of AMI
1 person	\$23,750
2 persons	\$27,150
3 persons	\$30,550

Income limits may change annually on or about the month of January. No individual or household will be admitted if their annual gross income exceeds the current annual published limits for their household size. Annual income is the gross amount of income anticipated to be received by all adult members (18 years old and over) of the household during the 12 months following the date of certification or recertification.

For purposes of determining income eligibility, the Federal Low Income Tax Credit program requires counting all members of the applicant household regardless of age. Unborn children will not be counted.

IV. OCCUPANCY STANDARDS

All units at the Plaza Apartments are studios which may be occupied by an individual or a couple with written documentation of familial status, martial status or domestic partnership.

Unit Size	Minimum	Maximum
Studio apartment	1 person	2 persons

For purposes of determining occupancy standards, the City and County of San Francisco does not count children six years old or younger as members of an applicant household.

Units designated specifically for handicapped or disabled:

- (1) For all units designated specifically for wheelchair accessibility, priority will be given to those applicants needing such modifications
- (2) Preference will be given to individuals or households whose head or spouse or domestic partner is a member of the group for which the units were designated.
- (3) If there are not enough such individuals or households to fill all specifically equipped units, the Plaza Apartments may give preference to individuals or households that have disabled/handicapped members who are not head or spouse/domestic partner.

Transfers from one unit to another unit within the property may take precedence over new move-ins for the following reasons:

- (1) For verifiable medical necessity (i.e., wheelchair accessible unit)
- (2) For emergency temporary relocation (If a unit becomes uninhabitable due to a catastrophe, the resident household will be given an "open unit" for temporary living quarters until their own unit is repaired. An "open unit" is a unit for which the keys are in the possession of the property management agent.)

V. FAIR HOUSING

The Plaza Apartments will comply with all Federal, State, and local fair housing and civil rights laws and with all equal opportunity requirements set forth in HUD's administrative procedures.

It is the policy of the Plaza Apartments to guard the privacy of individuals conferred by the Federal Privacy Act of 1974, and to ensure the protection of such individuals' records maintained by the Plaza Apartment.

The Plaza Apartment will seek to identify and eliminate situations or procedures which create a barrier to equal housing opportunity for all. In accordance with Section 504, the Plaza Apartments will make reasonable accommodation for individuals with handicaps or disabilities (applicants or tenants). Such accommodations may include changes in the method of administering policies, procedures, and/or services.

VI. PROCEDURES FOR PROCESSING APPLICANT HOUSEHOLDS

The Department of Public Health's DAH program will provide homeless referrals to the Plaza Apartments. Applicants will be processed in the order they are received.

DAH will provide relevant information pertaining to the applicant household to both the support service team and to the property management staff. The support service team first interviews the applicant and determines if a referral is warranted to property management staff.

If referred, property management staff will schedule an interview to meet with the applicant to determine if suitable for living at The Plaza Apartments. The property management agent will determine an applicant's eligibility by conducting the following:

A. Income Verification

VII. ELIGIBILITY DETERMINATION

Applicants may be determined ineligible for the following reasons:

- A. Failure to present all members of the household at the Management Agent interview (or some other time acceptable to management) prior to completion of the screening process.

If an applicant exhibits this behavior during the initial interview, a second interview will be set up. If the applicant once again demonstrates this behavior, the application will be cancelled.
- G. The property management staff determines that there is reasonable cause to believe that an individual's illegal use or a pattern of illegal use of a drug of alcohol may interfere with the health, safety, or right to peaceful enjoyment of the premises by other residents (determined by criminal or eviction history, behavior during interview, etc).

 - Drug-related criminal activity
 - Sales of narcotics
 - Domestic violence
 - Physical violence to persons or property
- I. Documented history of failure to comply with lease provisions equivalent to the provisions in the Plaza Apartment's lease, including but not limited to substantive violation of the lease, poor housekeeping habits, eviction for cause, or criminal activity.

 - Physical violence to persons or property
 - Domestic violence
 - Illegal weapons possession
 - Sales of narcotics

VIII. GRIEVANCE AND APPEAL PROCEDURE

Management will inform the applicant household and the Department of Public Health in writing of acceptance or non-acceptance of applications and provide the reason(s) for ineligibility. The Management Agent will also supply the applicant household with a copy of the Plaza Apartments Grievance and Appeal Procedure.

Every applicant who is determined to be potentially ineligible for admission, based on the criteria described herein, will be scheduled for a second interview

and encouraged to present additional facts and evidence for consideration. Following the second interview, if the applicant is still determined to be potentially ineligible, the applicant can, if he/she desires, enact the formal Grievance and Appeal Procedure.

Upon request by the applicant to enact the formal Grievance and Appeal Procedure, the management representative will submit the grievance to Mediator using submission forms specifically for the Plaza Apartments Grievance and Appeal Procedure. Any applicant participating in mediation, as a result of this grievance and appeal procedure, has the right to have someone speak on his/her behalf, to use an interpreter, present evidence or to have an attorney present. Attorney participation will be consistent with the Community Dispute Arbitration Rules of the State of California.

ADL's are defined as "activity regularly necessary for personal care," and include eating, dressing, bathing, grooming, getting in and out of bed and chairs, walking, going outdoors, using the toilet, and household management activities. If the applicant is unable to perform ADL's without assistance, the applicant must have a care provider before admission to the property.

The applicant must agree to pay the resident's portion of the Contract Rent required under the terms of the Lease.

Direct Access to Housing (DAH) Clinical Reverral Form

Please fill out this Clinical Referral Form (CRF) electronically to refer your client to the Direct Access to Housing (DAH) program. We use the information in this CRF to find the best possible placement for each client. DAH units vary in size, amenities, accessibility, and onsite support services. The more thorough your answers, the better the DAH Access and Referral Team (DART) can make a determination that fits your client's needs. Some questions are of a sensitive nature.

Please complete all sections. **Incomplete referrals will not be accepted**. If you need to leave a section blank, please address the reason in the comments section at the end.

- o Have a mental health diagnosis, substance abuse diagnosis, and/or complex medical needs

DPH Placement will evaluate each referral for eligibility; you will receive notification of eligibility within 48 hours of submission. If your client is eligible and appropriate for DAH, the referral will be reviewed by DART. You will receive written communication regarding acceptance from DART within 20 business days. *Please allow 20 business days before following up, unless clinical or housing status changes occur that are critical for DART to know.*

You will need to submit a copy of the client's Social Security Card and income verification. It is strongly encouraged that you begin working with your client now to obtain these documents. Failure to produce the documents may result in a withdrawal of the offer.
- You and your agency are expected to assist your client with obtaining required documentation, attending interviews, and transitioning into the DAH unit.
- DART will not share your client's clinical information with Property Management; information may be shared with Support Services staff, as necessary and appropriate.

If you have questions about filling out this CRF, contact DART: (DART Administrator) sarah.dobbins@sfdph.org 415-353-5252 or (DART Clinical Coordinator) kim.pelish@sfdph.org 415-345-0965.

Notice of Availability of 2013 Annual Monitoring Report Form and Reminder of Deadline

The Annual Monitoring Report (AMR) forms for Reporting Year 2013 (RY2013) are available. The forms can be downloaded from the Asset Management page of the MOHCD web site.

The report is due on October 31 for projects whose business year ends June 30 and on April 30 for projects whose business year ends December 31. For any projects whose business year ends on a different date than above, the report is due 4 months from the last date of the business year.

Submissions for RY2013 and any outstanding reports from prior reporting years will be accepted only in the RY2013 format.

The RY2013 AMR form was revised from the form for RY2012, but in only a few areas, most notably:

- Worksheet 1A four questions were eliminated.
- Worksheet 2 two rows were added to display sub-totals

Some projects funded by the former San Francisco Redevelopment Agency may be submitting the AMR for the first time. In recognition of this, MOH is prepared to host an AMR training session. Personnel from any projects that are subject to the AMR reporting requirement are welcome to attend:

Wednesday, September 18, 10:30am-12pm, Room 5080, 1 South Van Ness Ave, 5th Floor

To reserve seat/s for the training, please email Ricky Lam@sfgov.org by Tuesday September 9th.

Tenant Selection Plan Policy

This policy is in addition to the obligations to comply with applicable federal, state and local civil rights laws, including laws pertaining to reasonable accommodation and limited English proficiency (LEP), and the applicable provision of the Violence Against Women Act, Pub. Law 109-62 (January 5, 2006), as amended.

Application Process

- Application Materials. The housing provider's written and/or electronic application materials should:
 - o outline the screening criteria that the housing provider will use;
 - o provide space(s) for the applicant to explain any conviction, eviction, tenancy issues or credit concerns and present evidence that he or she will be a suitable tenant;
 - o outline how an applicant may request a modification of the admission process and/or a change in admission policies or practices as a reasonable accommodation;
 - o be written in language that is clear and readily understandable.
- First Interview. In accordance with the housing provider policies, each applicant with the minimum eligibility requirements for housing unit shall be offered the opportunity for an interview.
- Second Interview. Before issuing a denial, the housing provider should consider offering a second interview to resolve issues and inconsistencies, gather additional information, and assist as much as possible with a determination to admit the applicant.
- Confidentiality. All information provided will be kept confidential and be used only by the housing provider, the referring agency and the funding agency for the purpose of assisting and evaluating the applicant in the admission process.
- Delays in the Process. If delays have occurred or are likely to occur in the application and screening process or the process exceeds the housing provider's normal timeline for application and screening, the housing provider must immediately inform the referring agency and the funding agency, of the status of the application, the reason for the delay and the anticipated time it will take to complete the application process.
- Problems with the Referring Agency. If at any point the housing provider has difficulty reaching or getting a response from the applicant and referring agency, the housing provider must immediately contact the referring agency, if possible, and the funding agency, DPH or HSA.

• <u>Limited English Proficiency Policy.</u> Throughout the application process, the housing provider must comply with the language access requirements for applicants with limited English proficiency.

Reasonable Accommodation and Modification Policy

Reasonable Accommodation: The application process should provide information about how an applicant may make a reasonable accommodation request. At any stage in the admission process, an applicant may request a reasonable accommodation, if the applicant has a disability and as a result of the disability needs a modification of the provider's rules, policies or practices, including a change in the way that the housing provider communicates with or provides information to the applicant that would give the applicant an equal chance to be selected by the housing provider to live in the unit.

Reasonable Modification: Applicant may request a reasonable modification if he or she has a disability and as a result of the disability needs:

- o a physical change to the room or housing unit that would give the applicant an equal chance to live at the development and use the housing facilities or take part in programs on site;
- o a physical change in some other part of the housing site that would give the applicant an equal chance to live at the development and use the housing facilities or take part in programs on site.

Response to Request: The housing provider shall respond to a request for reasonable accommodation or modification within ten (10) business days. The response may be to grant, deny, or modify the request, or seek additional information in writing or by a meeting with the applicant. The housing provider will work with the applicant and referring agency to determine if there are ways to accommodate the applicant.

The housing provider shall grant the request if the provider determines that:

- o the applicant has a disability;
- o reasonable accommodation or modification is necessary because of the disability; and
- o the request is reasonable (i.e., does not impose an undue financial or administrative burden or fundamentally alter the nature of the housing program.)

If the reasonable accommodation request is denied, the rejection must explain the reasons in writing. If the denial of the reasonable accommodation request results in the applicant being denied admission to the unit, the provisions of the section on Notice of Denial and Appeal Process apply.

Notice of Denial and Appeal Process

- The housing provider shall:
 - o promptly send a written and electronic notice (to the addresses provided) to each applicant denied admission with a written and/or electronic copy to the referring agency and the funding agency. The notice should:

- list all the reasons for the rejection, including the particular conviction or convictions that led to the decision in cases where past criminal offenses were a reason for rejection;
- explain how the applicant can request an in person appeal to contest the decision;
- state that an applicant with a disability is entitled to request a reasonable accommodation to participate in the appeal;
- inform the applicant that he or she is entitled to bring an advocate or attorney to the in person appeal;
- provide referral information for local legal services and housing rights organizations;
- describe the evidence that the applicant can present at the appeal;
- o give applicants denied admission a date within which to file the appeal, which shall be at least ten (10) business days from the date of the notice;
- o unless an extension is agreed to by the applicant and the housing provider, hold the appeal within ten (10) business days of the request for the appeal;
- o confine the subject of the appeal to the reason for denial listed in the notice;
- o give the applicant a chance to present documents and/or witnesses showing that he or she will be a suitable tenant;
- o have an impartial supervisor or manager from the housing provider, but who is not the person who made the initial decision or a subordinate of the person who made the initial decision, conduct the appeal;
- o within 5 business days of the in person appeal, provide the applicant with a written decision that states the reason for the decision and the evidence relied upon. A copy of the written decision must be sent (electronically or otherwise) to the referring agency and the funding agency.
- If the rejection is based on a criminal background check obtained from a tenant screening agency, the Fair Credit Reporting Act and the Investigative Consumer Reporting Agencies Act impose additional notice requirements.²

EXHIBIT I

Tenant Screening Criteria Policy

The City expects that housing providers will use maximum feasible efforts to ensure that those individuals and families who are referred are accepted for occupancy in a timely fashion. To that end, the City has adopted the following screening criteria for applicants with a criminal record. If a problem arises in the application and screening process that may cause unreasonable delay in screening outcome, the housing provider should immediately notify the referring agency and DPH or HSA to assist with an expeditious resolution.

The screening criteria and considerations outlined below encourage providers to "screen in" rather than "screen out" applicants who have a criminal record. They describe a minimum level of leniency; providers are encouraged to adopt less restrictive policies and processes whenever appropriate. For example, providers may opt not to review or consider applicant criminal records at all.

Screening Criteria

- Housing providers shall not automatically bar applicants who have a criminal record³ in recognition of the fact that past offenses do not necessarily predict future behavior, and many applicants with a criminal record are unlikely to re-offend.
- Housing providers shall not consider:
 - o arrests that did not result in convictions, except for an open arrest warrant;
 - o convictions that have been expunged or dismissed under Cal. Penal Code § 1203.4 or 1203.4a;⁴
 - o juvenile adjudications.
- Housing providers shall consider:
 - o the individual circumstances of each applicant; and
 - o the relationship between the offense, and
 - (1) the safety and security of other tenants, staff and/or the property; and
 - (2) mitigating circumstances such as those listed below.
 - only those offenses that occurred in the prior 3 years, except in exceptional situations, which must be documented and justified, such as where the housing provider staff is aware that the applicant engaged in violent criminal activity against staff, residents or community members and/or that the applicant intentionally submitted an application with materially false information regarding criminal activity. As necessary, DPH or HSA will assess the justification for a longer look-back period and determine whether an exception is warranted. In these exceptional situations, the housing provider may consider offenses that occurred in the prior 5 years.
 - o mitigating factors, including, but not limited to:

³ The policy recognizes that some housing may be subject to mandatory laws that require the exclusion of an applicant based upon certain types of criminal activity.

⁴ The purpose of the statute is allow a petitioner to request a dismissal of the criminal accusations, a change in plea or setting aside of a verdict and to seek to have certain criminal records sealed or expunged and a release "from all penalties and disabilities resulting from the offense."

- (1) the seriousness of the offense;
- (2) the age and/or circumstances of the applicant at the time of the offense;
- (3) evidence of rehabilitation, such as employment, participation in a job training program, continuing education, participation in a drug or alcohol treatment program, or letters of support from a parole or probation officer, employer, teacher, social worker, medical professional, or community leader;
- (4) if the offense is related to acts of domestic violence committed against the applicant;
- (5) if the offense was related to a person's disability.

OPERATIONAL RULES FOR RESIDENTIAL CERTIFICATE OF PREFERENCE (COP) HOLDER AND ELLIS ACT HOUSING PREFERENCE (EAHP) PRIORITY

The Borrower hereby agrees that first preference in occupying units designated for Low Income Households (Low Income Units) will be given to persons displaced from their homes by redevelopment activities who have been issued a Residential Certificate of Preference (COP) and who meet all qualifications for the unit.

The Borrower further agrees that second preference in occupying units designated for Low Income Households will be given to persons displaced from their homes by an Ellis Act Eviction who have been issued an Ellis Act Housing Preference Program (EAHP) Certificate and who meet all qualifications for the unit.

For new residential developments going through the initial lease-up process, the EAHP priority shall apply to twenty percent (20%) of the Low Income Units. Thus, if the number of units available exceeds the number of qualified applicants who hold a COP or other preference as dictated by specific loan documents or marketing plan, the next priority will go to EAHP certificate holders for up to 20% of the total Low Income Units. The EAHP priority does not apply at initial lease-up or sale to buildings having four (4) or fewer Low Income Housing Units. However, the EAHP priority does apply to these same units upon re-rental.

Low Income Units with other occupancy priorities required by law, contract, or program rules may apply the COP and EAHP after other preferences, with COP holders being granted priority above EAHP certificate holders. Preferences required by a former Redevelopment Project Area Plan are not pre-empted by the COP Program or the Ellis Act Housing Preference Program. Preferences required by the LOSP, Direct Access to Housing Program, Housing First Program, or other government program are not be pre-empted by the Ellis Act Housing Preference Program.

Marketing Plan

The Borrower agrees to supply Mayor's Office of Housing and Community Development (The City) with a complete and updated marketing plan at least six months prior to construction completion. This information shall not be changed without providing The City with fourteen (14) calendar days' written notice.

Outreach to Certificate Holders

The City shall furnish the following:

- Written and/or printed notices to COP and EAHP certificate holders advising them that units will soon be available. COP mailings are at the cost of the Borrower.
- Assistance to qualified tenants in filing COP and EAHP applications by support service staff or referral to an appropriate housing counseling organization

The Borrower agrees to:

- Upon initial lease up, conducting at least one general informational meeting for all persons interested in applying for occupancy in the development, at which the Borrower shall review application procedures.
- Specifically for COP and EAHP certificate holders, make support services staff available to provide assistance throughout the application process, as it may be needed, with the goal of maximizing COP/EAHP participation to the extent possible. The Borrower shall ensure that COP/EAHP holders are aware that such assistance is available.

Application

- A. The Borrower agrees to ask the following questions on all applications for occupancy:
 - 1. "Have you been displaced from your home or residence by the San Francisco Redevelopment Agency?"
 - 2. "Do you have an Ellis Act Housing Preference Certificate?"

The address from which displacement occurred shall be requested, but not required, if the applicant answers affirmatively to either question.

Pre-Lottery Application Status Reports

The Borrower agrees to supply The City with the names, addresses, and certificate numbers (when available) of applicants who indicate they are eligible for COP or EAHP priority status. A status report with this information will be provided, at a minimum, every seven (7) calendar days from the initial date applications are accepted. The City will, in turn, verify within fourteen (14) calendar days which such applicants are qualified as COP or EAHP certificate holders.

If material supplied in any application by a COP or EAHP holder indicates ineligibility on its face because of the Borrower's rules and regulations, such applicant will be notified in writing within seven (7) calendar days, with a copy to The City. The status report to The City shall reflect that the application has been closed and shall indicate the reason for rejection.

After the application period has closed, and prior to lottery proceedings, a non-prioritized list of all interested applicants will be provided to The City. The list shall include applicant names, addresses, and whether the applicant holds a COP or an EAHP certificate.

Lottery

Borrowers shall ensure that all COP holders receive first priority for occupancy and EAHP certificate holders receive second priority for occupancy in 20% of units, except in cases where approved and documented occupancy priorities preempt the COP and EAHP preferences. EAHP certificate holders who are not offered a unit in the 20% set aside shall have equal chance at any remaining units as other qualified applicants.

The Borrower shall hold a public lottery to select renters. Applicants who submit a complete application by the application deadline receive a numbered lottery ticket whose twin ticket is

entered into the lottery. Upon pre-approval from The City, lotteries may also be conducted using names of applicants. Lotteries are held in a public, accessible location. Applicants are invited to attend lotteries, but attendance is not mandatory.

To conduct the lottery, The City and/or the Borrower shall pull application tickets from a vessel and order and record the lottery results in rank order by application ticket number. When using names, Borrower shall pre-enter all applicant names onto individual name cards. All EAHP certificate holders should have two name cards. Names shall be pulled from a vessel in rank order. There should be separate lotteries held for each preference. First, COP holders will be drawn and ranked, followed by EAHP applicants, followed by applicants from the general population. The EAHP certificate holder's second card will be included in the general lottery. Electronic lotteries are not allowed.

The Borrower should use a large computer or projector screen or hand printed flip chart sheets to display all numbers/names drawn and the sequenced lottery number assigned for each preference lottery and the general lottery. This can be done by listing all applicants in separate columns under each preference category.

The Borrower should record each name card/number ticket assigned a lottery number onto a computer master list as well as a hand printed paper list for double checking. Results will remain projected on a screen or posted flip chart paper throughout the lottery drawing process for the public to view and record results.

The Borrower shall record the order of lottery numbers/names drawn and produce a final lottery list for each preference and for the general lottery. Once the lottery preferences have been confirmed and applied, applicants shall be notified of their position in the lottery.

Post-Lottery Status Report

Within seven (7) business days of any lottery the Borrower shall supply The City with the lottery results including the rank order of each applicant and a record of COP and EAHP certificate holders.

Thereafter, at least every seven (7) calendar days following any lottery or upon initiating lease-up, the Borrower shall supply The City with a "status report" listing names, addresses, and certificate numbers (when available) of COP and EAHP certificate holders indicating the status of each application as of that date until all Low Income Units are leased. If ineligibility is determined, the applicant will be notified in writing within one week after such determination is made, with a copy to The City. These applicants will also appear on the status report.

Response Deadline

Applicants who have been accepted and notified in writing by the Borrower shall have at least ten (10) calendar days thereafter to enter into a lease agreement. If the applicant fails to affirmatively respond, the application may be closed, making that unit available to the next eligible tenant. Written notice shall be provided to applicants whose applications are closed after 10 days due to a lack of response. Rejection of the unit by a COP or EAHP certificate holder and closed applications must be shown on the status report to The City.

Final Documentation

Within fourteen (14) calendar days after execution of a lease, the Borrower shall supply The City with a copy of the following for all COP and EAHP tenants:

- signed copy of lease
- copy of complete application
- a demographic report on all COP and EAHP applicants

Re-rental of Low Income Units

Upon re-rental of any Low Income Unit or when re-opening the project waitlist to new applicants, the Borrower shall notify The City in advance of any vacancy or waitlist opportunity. In no event shall The City be notified fewer than thirty (30) days before the date of re-occupancy for a vacant unit. In no event shall The City be notified fewer than thirty (30) days before a closed waitlist is re-opened for new applications. Violation of the thirty (30) day notification requirement may delay re-occupancy.

Appeals, response deadline, application forms, and final documentation requirements listed above shall apply to all re-rentals.

Waitlists

Borrowers filling unit vacancies off a waitlist must accept applications from approved COP and EAHP certificate holders at any time, regardless of whether the waitlist is closed to other applicants. If a COP or EAHP certificate holder is found eligible for a Low Income Unit in the building, they shall be placed at the top of the waitlist.

No more than seven (7) calendar days following the date that any new applications are accepted for a waitlist, the Borrower shall supply The City with a status report listing names, addresses and certificate numbers (when available) of COP and EAHP certificate holders indicating the status of each application as of that date and the reason for any rejections.

The City will, in turn, verify within seven (7) calendar days which such applicants are qualified as COP or EAHP certificate holders.

On an annual basis and each time a new waitlist is established, The City shall be provided with a complete list of all applicant names, rank on the waitlist, and whether they hold a COP or EAHP certificate upon finalization of the waitlist.

Lotteries

Borrowers that fill unit vacancies using a lottery process must adhere to the procedures pertaining to lotteries and status reports for new and vacant buildings.

Other Re-rental Processes

Borrowers that fill unit vacancies using some other process than an established waitlist or a lottery, such as those who use a first-come first-served method, must consult The City prior to beginning the lease up process. This will ensure a fair, transparent process that adheres to the required COP and EAHP priorities.

1. SUMMARY

Plaza Apartments Associates L.P. ("PAALP") (the Sponsor) requests \$858,260 in General Funds for the first full year of operations under a new 15 year LOSP contract to subsidize the Plaza Apartments, which provides 106 units of supportive permanent housing for homeless clients referred by the Department of Public Health (DPH). The proposed contract is for a period of 15 years beginning on July 1, 2014, totaling \$19,119,769 and will subsidize 100% of the units. DPH will continue to fund the supportive services through a separate contract with the current services provider, Conard House.

Plaza Apartments was developed in 2006 and has been operating with support from DPH's Direct Access to Housing (DAH) program. With this request, the LOSP will provide the subsidy for a new 15-year contract. The operating cost for the project in the first full year of operations under this new contract is \$1,353,718 (\$12,771 per unit per year). The requested LOSP amount for the same first full year is \$858,260 (\$8,097 per unit per year). The comparable projects most relevant to that of the Plaza are Kelly Cullen Community, Richardson Apartments, and Rene Cazanave Apartments. Based on the projections for those projects, the Plaza has a higher operating cost per unit but is also the smallest of these projects at 106 units, making costs less scalable. Reasons that explain the higher costs are high utility costs (even with the lower unit count) since the Plaza does not qualify for the CARE program, less commercial income to off-set the

residential costs to the building, and high staffing costs associated with the robust property management provided at the Plaza.

Staff recommends approval of this request.

2. PROJECT OVERVIEW

In 2006, the Public Initiatives Development Corporation ("PIDC"), a non-profit public benefit corporation formed by the former San Francisco Redevelopment Agency ("Agency"), completed construction on 106 new affordable housing units for homeless single adults and couples at 988-992 Howard Street at the corner of 6th Street. PIDC was formed in 2001 to assist the former Redevelopment Agency in the development of affordable housing as set forth in the Articles, Bylaws, and a Cooperative Agreement between the former Agency and PIDC. The PIDC's Board of Directors consists of staff from MOHCD including, the Director of Community Development, the Chief Financial Officer, and the Director of the Mayor's Office of Housing and Community Development. MOHCD's Housing Development Director, Teresa Yanga, serves as the Development Corporation's Executive Director. PIDC created Plaza Apartments Associates L.P ("PAALP")., a limited partnership for the purpose of the tax credit investment, and is a co-managing general partner of the partnership. MOHCD, as the Successor Housing Agency to the San Francisco Redevelopment Agency, is fee owner of the property and retains ownership of the land via a long-term ground lease with the limited partnership. The sole lender on the project is MOHCD as the Successor Housing Agency to the San Francisco Redevelopment Agency. As of January 2014, the project's outstanding loan balance to MOHCD is \$11,200,518 plus approximately \$1,843,513 in accrued interest. Currently MOHCD is seeking qualifications for a new managing general partner ("MGP") to replace PIDC. The expectation is that selection of the new MGP will happen prior to June 30, 2014.

In 2003 the PIDC entered into a contract with the John Stewart Company (JSCo) to lease, manage, and operate the Plaza Apartments. That contract was later amended ,restated and then assigned to Plaza Apartments Associates L.P. The Department of Public Health's Direct Access to Housing program entered into a contract for the period of November 1, 2005, through June 30, 2014, through which DPH provided operating subsidies to the limited partnership to enable the project to house formerly homeless single adults who were clients of the public health system. That contract has been amended from time to time over the original contract period and has incorporated annual increases. The current LOSP contract request would replace the DAH contract and would run for 15 years from July 1, 2014 through June 30, 2029.

3. PROJECT OPERATIONS

3.1 Project Income

<u>Tenant Rents:</u> Tenants will provide \$577,992 in the first full year of operations under this new 15 year contract, an average of \$454 per unit per month. Under the DAH

program, tenants pay 50% of income for rent. DAH has utilized a benchmark tenant rent portion of \$360 in underwriting more recent LOSP projects. However given the Plaza's operating history to date, and the fact that the project houses 6-8 couples at any given time, a rent of \$454 per month is presented here. Tenant contribution is increased at a level of 2% per year (which is lower than MOHCD's standard underwriting rate of 2.5%) to mirror actual increases in SSI levels over recent years. The most rigorous income restriction under TCAC is at 35% of Area Median Income (AMI).

<u>Commercial Income</u>: The site includes three retail leases which are leased according to the following terms:

Tenant	Monthly Amount	Per square foot	Expiration	Notes
Subway Sandwiches	\$3,554.80	\$2.40	10-31-2014	
Northeast Community Federal Credit Union	\$729.40	\$1.48	Expires 1-1-2018	Two 5-year options available after 2018
Bindlestiff Studio Theater	\$1,000 less rent modifications outlined in an agreement between Bindlestiff and SFRA	\$2.70	08-31-2014 (the initial term), plus two five-year options	1
Sprint Cell Tower	\$3,689.62 (increased annually by 3%)	n.a.	Jan, 1, 2016	4 automatic renewals of 5 years each. 3% annual increase.
TOTAL MONTHLY	\$6,619.40			
TOTAL ANNUALLY	\$108,024			
LESS MODIFICATIONS	(\$28,900)			
NET INCOME	\$79,124.00			

The MOHCD underwriting policy recommends a vacancy rate of 50% for unleased commercial space. While the Plaza's commercial spaces are fully leased, a vacancy rate of 50% is recommended to reflect the financial challenges of doing business in the 6th Street Corridor.

<u>Income – Other</u>: Miscellaneous income from laundry, late fees, damages and cleaning fees total \$19,836 per year. These are reasonable and will escalate at a rate of 2.5% per year in keeping with MOHCD policy.

Income – Local Operating Subsidy: \$858,260 (\$8,097 PUPA and \$675 / PUPM) is shown in the annualized Year One budget. The subsidy is sized to fund a break-even budget, including operating expenses, replacement reserve deposits, and Asset Management Fees, for all 106 supportive housing units.

3.1.2 Operating Expenses: Annual operating expenses in Year One, before debt service and reserves, are \$1,353,718, which equates to \$12,771 per unit per year.

Overall operating costs are higher than average and as mentioned above, they are due in part to the costs of staffing, higher utility costs, and less commercial income available to the project to off-set the residential costs. The Plaza has 24 hour desk clerk coverage which contributes to operating cost per unit.

Staffing: The staffing plan includes 10.2 FTE, not including supportive services staff At this proposed staffing level the ratio of households to property management is approximately 1:10.4 residents, which is high compared to other LOSP projects.

Position	FTE	Notes
General Manager	1	
Assistant Manager	1	Rent collection, recertification, and compliance.
Desk Clerks	4.2	Sponsor intends to use asst. mgr to cover some shifts.
Janitorial and Cleaning	2	1 Janitor and 1 Housekeeper
Maintenance	2	1 Supervisor and one maintenance worker.
TOTAL	10.2	1 staff per 10.4 residents

The Sponsor feels this is an appropriate staffing level given the special needs of the tenants and the location of the project on 6th Street. Moreover, a relatively high unit turnover rate demands more staff time. Plaza Apartments does not bill for "back office" positions of the property manager such as Compliance Manager, Compliance Specialist, and Facilities Manager, all of which are included.

Management Fees: The Sponsor collects \$52.53 per unit per month in property management fees, a bookkeeping fee of \$7.50 per unit per month, plus 6% of the commercial rent amount (before concessions are granted) as a leasing fee.

<u>Administrative Expenses:</u> Costs include typical functions such as screening, office supplies and equipment, computers and telephones. These are reasonable based on recent comparables and on MOHCD underwriting guidelines.

Utilities: Utilities costs at the Plaza are the highest for SROs in the MOHCD portfolio and are trended at an average of 4.9%, in excess of MOHCD's standard underwriting increase of 3.5%, to mirror actual rate increases (approximately 9%) by the utility companies in recent years. The high cost is somewhat surprising since the building has photovoltaic (solar) panels on the roof and the building was constructed with LEED features to increase efficiency. However, since all units offer private bath and kitchenettes (electric stovetop, no oven, disposal, microwave, fans), costs can be expected to be higher than a typical SRO that doesn't offer these amenities. The units are separately metered but not subject to the lifeline (CARE) rates for low income residents because they are paid for by the owner, which at this time is not a non-profit entity. This could change under the planned selection of the new MGP should that selected entity include a qualifying nonprofit agency. Moreover, between 6 and 8 units have double occupancy, resulting in a double utility load, and there are two full-service elevators. Specifically, electricity costs are projected to increase by 7.5% per year and gas by 5%.

This is mainly attributable to the fact that the project has not qualified to date for the PG&E CARE rate program.

<u>Supplies and Maintenance</u>: Costs are calculated based on the Sponsor's experience at the Plaza.

Taxes and Insurance: The property tax bill for FY 2013-2014 for the retail spaces was \$25,490.92, of which \$7,468.84 was for the Subway lease (paid by the Sponsor), \$2,370.66 for the Credit Union (reimbursed by the tenant), and \$15,651.42 for Bindlestiff. Bindlestiff received their real estate exemption and the project's budget has been reimbursed.

<u>Miscellaneous Expenses:</u> The windows at the Plaza are mounted from the exterior as an extra waterproofing measure. There are extra costs, accounted for in this budget line, to deal with window replacements that need to occur above the third floor.

<u>Legal fees and Bad Debt</u>: The project is currently projecting \$21,100 for legal fees related to the property and \$16,736 for bad debt.

Replacement Reserve Deposits: Replacement reserve deposits are shown at \$683 per unit per year, non-escalating, in keeping with the project's loan agreements. While this amount exceeds MOHCD's requirement of \$300 for a project of this type and size, a project Capital Needs Assessment has established the need for the higher reserve amount. The current reserve balance is \$248,546.

<u>Debt Service</u>: MOHCD has soft debt on the project which is non-amortizing and does not require hard payments. As of January 2014, the project's outstanding loan balance to MOHCD is \$11,200,518 plus approximately \$1,843,513 in accrued interest.

Operating Reserve Deposits: The project is obligated to maintain an operating reserve account equivalent to 25% of expenses and debt and reserves, assuming expenses increase by 3.5%. The operating reserve account currently holds \$408,162.

Asset Management and Partnership Management Fees: \$18,420 is budgeted for asset management, conforming to MOHCD's asset management fee policy.

3.1.3 15-Year Cash Flow: The attached 15-Year Cash Flow Projection shows the estimated amount of annual subsidy that will be needed for the grant period. The projection was made using MOHCD's standard underwriting guidelines. Actual payments will be based on approved annual operating budgets and not on this projection.

- Tenant rent income trends at 1% per year, which is below MOHCD Underwriting Guidelines of 2.5%, based on actual average increases in SSI income over the past eight years.
- Other miscellaneous income trends at 2.5% in keeping with MOHCD guidelines. 5% vacancy loss is assumed on the residential income, which complies with MOHCD underwriting guidelines.
- Projected City operating subsidy increases at approximately 1.0% per year.

4. TARGET POPULATION AND PROGRAM STRUCTURE

The target population is homeless and disabled single adults who are high users of the San Francisco Public Health care system and are mentally ill, chronic substance users and/or living with HIV/AIDS or other disabling medical issues. This population consists of tenants with co-occurring disorders, including medical and/or mental health, substance use and/or HIV/AIDS.

5. SERVICES

A. Narrative: The following description reflects the current services plan and objectives being met. Tenants of the Plaza Apartments need services to assist them with stabilizing in and retaining their housing, maintaining self-sufficiency and continuing to live independently. To achieve this, tenants need immediate and long-term access to mental health, substance use, and medical services. They need direct access to intensive individual case management services that includes: intake, assessment, individualized care planning; third party rent payment and/or money management services; benefits and entitlement advocacy; medication management; individual and group counseling; crisis intervention services; employment and/or training and/or educational services. The current services contract runs through 12/31/2015.

Conard House has been providing psychosocial supportive services at the Plaza since 2006 through a contract with DPH's Community Behavioral Health Services (CBHS) division which includes the Plaza as well as 390 other supportive housing units in SROs and other congregate facilities.

Approximately 86% of clients eligible for services are recipients of Medi-Cal benefits. Their Outpatient Services are funded by Medi-Cal revenue in this contract. The other 14% are funded by a third party or by the County General Fund revenue in this contract.

The Outpatient Services program is based on a psycho-social rehabilitation model in a supportive community providing a range of activities and services for beneficiaries who would be at risk of hospitalization or other institutional placement if they were not in the residential treatment program. The Outpatient services are provided in a non-institutional, residential setting. Emphases are on improving clients' socialization and independent living skills, improving clients' abilities to improve and or maintain mental and physical health, being aware of clients' substance use status, and linking clients to needed services when necessary.

Outpatient Services delivered, per the CRDC, include Mental Health Services, Crisis Intervention and Case Management. Targeted Case Management is directed at maintaining housing and independent living, teaching and reinforcing self-management skills, monitoring physical health and mental and substance use status, making appropriate linkages to needed services when necessary, and preventing hospitalization and/or homelessness.

Medi-Cal billings as a source of services funding and may require that a service provider with these billing capabilities be part of the services team.

B. <u>Services Budget</u>. Support services at Plaza Apartments are funded through a contract with the Department of Public Health which for the 2014 Fiscal year totals \$605,178. Conard House is the contracted services provider. There is a budget line item for \$3,000 in the attached LOSP budget which goes toward resident service supplies and community meeting needs.

LOSP PROGRAM DESCRIPTION

The requested funds would be delivered to the sponsor through a grant agreement with a term of up to 15 years, and, with the exception of the current fiscal year, will be subject to annual appropriations by the Board of Supervisors. Funds for the first full year of operations year will be included in DPH's budget in the amount of up to \$858,260 and will be work-ordered to MOHCD for administration. The total amount of funds requested is based on historical data from the property and actuals provided to MOHCD by John Stewart Company who has been managing the property.

Actual subsidy payment for the next fiscal year would be based on the attached annual operating budget and cash flow. Subsidy payments for the remaining years of the contract would be based on subsequent operating budgets to be approved annually by the City. These budgets would be informed by actual financial performance of the project, per annual audits, and would include reasonable costs based on the specific needs of this building and reflect prudent property management practices and supportive housing industry standards. The subsidy payments for a given year will be equal to the projected shortfall (difference between income and expenses/reserve deposits/fees) as shown in the approved operating budget for that year. The City will make one subsidy payment to the sponsor per year at the beginning of each fiscal year.

If the subsidy payments made to a sponsor in any given fiscal year exceed the projected shortfall, then the sponsor must deposit the excess subsidy amount into a Local Operating Subsidy reserve specifically set up to accommodate any over-payments received from the operating subsidy. If the shortfall exceeds the subsidy payments, then the sponsor may withdraw funds from the project's operating reserve to cover project operating expenses not covered by the subsidy payments.

Currently, the LOSP program requires sponsors to submit to the City, within 4 months of the end of each year, or by April of each year, an audited financial statement showing the actual project income, expenses and shortfall for the prior year. If the statement shows that the actual shortfall was lower than the projected shortfall in the approved annual operating budget, then the subsidy payments for the subsequent year will be reduced by the difference between the actual and the projected shortfall. If the statement shows that the actual shortfall was higher than the projected shortfall such that the sponsor had to withdraw funds from the operating reserve, then the subsidy payments for the following year will be increased to allow for the additional costs and also to replenish the reserve if increased expenses are approved by MOHCD.
