WHEREAS, On December 20, 2013, the Loan Committee recommended approval to the Mayor of a LOSP grant award for the Project not to exceed \$3,745,499, which would be used to subsidize the operating costs for 19 of the Project units that are specifically designated for transition age youth; and

WHEREAS, MOHCD proposes to provide a LOSP grant in the amount not to exceed \$3,745,499 to the Developer pursuant to a LOSP Grant Agreement (the

Agreement) in substantially the form on file with the Clerk of the Board in File

No. 140649 and in such final form as approved by the Director of MOHCD and the City Attorney; and

WHEREAS, the Agreement is for a 15 year term, and therefore requires Board of Supervisors authorization; now, therefore, be it

RESOLVED, That the Board of Supervisors hereby authorizes the Director of MOHCD or his designee to execute the Agreement for an amount not to exceed \$3,745,499; and be it

FURTHER RESOLVED, That this Board of Supervisors hereby authorizes the Director of MOHCD or his designee to enter into any amendments or modifications to the Agreement, including without limitation, the exhibits, that the Director determines, in consultation with the City Attorney, are in the best interest of the City, do not materially increase the obligations or liabilities for the City or materially diminish the benefits of the City, are necessary or advisable to effectuate the purposes and intent of this Resolution and are in compliance with all applicable laws, including the City Charter.

ARTICLE 2 APPROPRIATION AND CERTIFICATION OF GRANT FUNDS; LIMITATIONS ON CITY'S OBLIGATIONS

2.1 Risk of Non-Appropriation of Grant Funds. This Agreement is subject to the budget and fiscal provisions of the Charter. City shall have no obligation to make appropriations for this Agreement in lieu of appropriations for new or other agreements or for other MOHCD expenditures. Grantee acknowledges that MOHCD's obligation to make Subsidy Payments under this Agreement is expressly conditioned on the (a) appropriation of sufficient funds to HSA for Subsidy Payments and transfer of such funds from HSA to MOHCD (or as MOHCD may direct such funds to be transferred directly by HSA to Grantee), which appropriation and transfer is subject to HSA's annual operating budget, or (b) appropriation of sufficient funds for Subsidy Payments to MOHCD's annual operating budget. If the funds appropriated

for Program subsidy payments in a Fiscal Year will be insufficient to fund the total Program subsidy payments MOHCD intended to make in such Fiscal Year, MOHCD shall have the right to reduce the amount of Program subsidy payments and to select the qualifying projects subject to such reduced payments.

Notwithstanding the foregoing, however, qualifying projects that are not financed with State Department of Housing and Community Development Multifamily Housing Program Supportive Housing Component funds ("HCD Funds") will be subject to such Program subsidy payment reductions before any such reductions are made to qualifying projects financed with HCD Funds.

If MOHCD determines that Subsidy Payments for any given Fiscal Year must be reduced due to a shortfall in appropriated Program funds (a "Non-Appropriation Event"), MOHCD shall notify Grantee that a Non-Appropriation Event has occurred. City's obligation to make any Subsidy Payments in excess of those for which sufficient funds have been appropriated shall automatically terminate as of such Non-Appropriation Event, except as may be required pursuant to Section 2.5 below. Grantee acknowledges that HSA's and MOHCD's annual operating budgets are each subject to the discretion of City's Mayor and Board of Supervisors and a Non-Appropriation Event may occur during the Term and, accordingly, that Subsidy Payments may subsequently not be made in the amounts projected pursuant to this Agreement. Grantee's assumption of such risks is part of the consideration for this Agreement.

- 2.2 Certification of Controller; Guaranteed Maximum Costs. No funds shall be available under this Agreement until prior written authorization certified by the Controller. In addition, as set forth in Section 21.10-1 of the San Francisco Administrative Code:
- (a) City's obligations hereunder shall not at any time exceed the amount certified by the Controller for the purpose and period stated in such certification, the current Controller certification for Grant Funds is only for the First Subsidy Payment, and Controller certification will be a condition precedent for all other Subsidy Payments to the extent that Project Transition Reserve Account funds are not available to fund such Subsidy Payments.
- (b) Except as may be provided by City ordinances governing emergency conditions, City and its employees and officers are not authorized to request Grantee to perform services or to provide materials, equipment and supplies that would result in Grantee performing services or providing materials, equipment and supplies that are beyond the scope of the services, materials, equipment and supplies specified in this Agreement unless this Agreement is amended in writing and approved as required by law to authorize the additional services, materials, equipment or supplies. City is not required to pay Grantee for services, materials, equipment or supplies provided by Grantee if they are beyond the scope of the services, materials, equipment and supplies agreed upon herein and were not approved by a written amendment to this Agreement lawfully executed by City.
- (c) City and its employees and officers are not authorized to offer or promise to Grantee additional funding for this Agreement that would exceed the maximum amount of funding provided for herein. Additional funding for this Agreement in excess of the maximum provided herein shall require lawful approval and certification by the Controller. City is not required to honor any offered or promised additional funding that exceeds the maximum provided in this Agreement, which requires lawful approval and certification of the Controller when the lawful approval and certification by the Controller has not been obtained.
- (d) The Controller is not authorized to make payments on any agreement for which funds have not been certified as available for such purposes in the budget of HSA or MOHCD or by supplemental appropriation.
- **2.3** Automatic Termination for Nonappropriation or Nontransfer of Funds. This Agreement shall automatically terminate, without penalty, liability or expense of any kind to City, at the end of the period of the Fiscal Year that a Non-Appropriation Event occurs, except as otherwise set forth in Section 2.5.

- **2.4 SUPERSEDURE OF CONFLICTING PROVISIONS.** IN THE EVENT OF ANY CONFLICT BETWEEN ANY OF THE PROVISIONS OF THIS ARTICLE 2 AND ANY OTHER PROVISION OF THIS AGREEMENT, THE APPLICATION DOCUMENTS OR ANY OTHER DOCUMENT OR COMMUNICATION RELATING TO THIS AGREEMENT, THE TERMS OF THIS ARTICLE 2 SHALL GOVERN.
- 2.5 Program Transition Reserve Account. All LOSP subsidy payments, including the Subsidy Payments, are conditioned on the appropriation of sufficient funds therefor and the transfer of such funds to MOHCD's annual budget. MOHCD intends to establish a reserve account, as MOHCD deems appropriate and in its sole discretion, to fund all or a portion of selected LOSP subsidy payments in the event sufficient funds are not so appropriated or transferred (the "Program Transition Reserve Account"). If there is a Non-Appropriation Event, City shall use Program Transition Reserve Account funds to disburse such Subsidy Payments to the extent there are sufficient Program Transition Reserve Account funds for such disbursements.

If there is a Non-Appropriation Event, and City fully funds the following Fiscal Year's Subsidy Payment in the amount shown on Exhibit A (whether with Program Transition Reserve Account funds or otherwise), this Agreement shall remain in effect through the last day of the Fiscal Year for which such Subsidy Payment is made. In the event City continues to fully fund subsequent Subsidy Payments, this Agreement shall remain in effect through the last day of the Fiscal Year for which each such subsequent Subsidy Payment is made.

City shall have no obligation to replenish or supplement the Program Transition Reserve Account. City shall have the right to, at MOHCD's discretion, use Program Transition Reserve Account funds to make subsidy payments to LOSP grantees other than Grantee. The Program Transition Reserve Account shall remain the City's property at all times and any interest that accrues thereon shall remain the sole property of City and will be deemed part of the Program Transition Reserve Account. If any funds remain in the Program Transition Reserve Account at the expiration of the Term or earlier termination of this Agreement, such funds shall remain with City and Grantee shall have no rights thereto.

Grantee agrees that it shall not make any distributions or payments of Residual Receipts, as defined in the MOHCD Loan Agreement, until City has approved the distribution or payment of such Residual Receipts.

ARTICLE 3 TERM

The term of this Agreement (the "Term") shall commence on the Effective Date and shall terminate on the fifteenth (15th) anniversary of the Effective Date, unless earlier terminated in accordance with the terms herein.

ARTICLE 4 PERFORMANCE OF GRANT OBLIGATIONS

4.1 Lease of Assisted Units.

(a) Commencing on the Initial Leasing Date, Grantee shall lease all of the Assisted Units to the LOSP Clients it selects from Referral Reports supplied by the City.

If an Assisted Unit lease terminates at any time, Grantee shall deliver written notice of such termination to City within five (5) business days of such termination (the "Termination Notice Date"). 7 | P a g e

City shall accordingly deliver at least five (5) Referral Reports to Grantee within fifteen (15) business days of receiving such Assisted Unit lease termination notice and Grantee shall lease such vacated Assisted Unit to an LOSP Client it selects from such Referral Reports within the sixty (60) day period immediately following its receipt of such Referral Reports (each such additional lease up date shall be referred to as an "Additional Leasing Date"). The period of time between a Termination Notice Date and the corresponding Additional Leasing Date shall be referred to as a "Vacancy Period". After the Initial Leasing Date, an Assisted Unit may remain vacant during any Vacancy Period applicable to such Assisted Unit. If City fails to timely deliver the required Referral Reports at any time, until City delivers such Referral Reports, Grantee can submit a request to City to use a qualified candidate identified by Grantee that satisfies the requirements of Exhibit B, and such request shall not be unreasonably denied.

- (b) Grantee shall have sole discretion in selecting the LOSP Clients that will be Tenants, provided that Grantee's decision not to rent an Assisted Unit to an LOSP Client referred to Grantee by City shall not be unreasonably withheld or conditioned, and provided further that Grantee shall not, except as otherwise permitted under this Agreement, discriminate against or permit discrimination against any person or group of persons because of race, color, creed, national origin, ancestry, age, sex, sexual orientation, disability, gender identity, height, weight, source of income or acquired immune deficiency syndrome (AIDS) or AIDS related condition (ARC) in the leasing of the Assisted Units.
- (c) Grantee shall comply with the Tenant Selection Plan Policy set forth in the attached Exhibit H.
- (d) Grantee shall comply with the Tenant Screening Criteria Policy set forth in the attached Exhibit I.
- (e) Grantee shall rent each Assisted Unit to a Tenant pursuant to a separate lease agreement that complies with this Agreement. Each Tenant lease shall provide for termination of such lease and such Tenant's consent to immediate eviction if the Tenant has made any material misrepresentation in the initial income certification made by Tenant to City or in any later income certification made by Tenant to Grantee.
- (f) Grantee shall obtain each Tenant's recertification of his/her household income on an annual basis. Such income certifications shall be prepared pursuant to low income housing tax credit guidelines for household income and shall be maintained on file at Grantee's principal office for no less than five (5) years following the date of such certification, and Grantee must file or cause to be filed copies thereof with MOHCD promptly upon MOHCD's request therefor.
- (g) Security deposits may be required of Tenants only in accordance with applicable federal regulations, state law and this Agreement. Any security deposits collected must be segregated from all other funds of the Project in an account held in trust for the benefit of the Tenants and other tenants of the Project and disbursed in accordance with California law. The balance in such security deposit account must at all times equal or exceed the aggregate of all security deposits collected plus accrued interest thereon, less any security deposits or interest thereon returned to Tenants or any other tenants of the Project.
- (h) To the extent permitted by applicable state and federal law, the Grantee shall comply with the Operational Rules for Residential Certificate of Preference Holder and Ellis Act Housing Preference set forth in the attached Exhibit L. The requirements of the attached Exhibit L apply to the Assisted Units as defined in this agreement as well as any other units in the project that are required by any agreement to be used as affordable housing.

4.2 Rent Restrictions.

(a) Rent charged to any Tenant shall be the lower of thirty percent (30%) of a Tenant's gross monthly income, or the maximum rent allowed under the MOHCD Loan Agreement.

- (b) With the written approval of HSA, the Rent charged to a Tenant may be increased as a result of a determination by HSA that such Tenant is no longer eligible under the Program, so long as the Rent charged does not exceed the Underlying Restricted Rent. Notwithstanding the forgoing, Tenants deemed no longer eligible by HSA who remain occupants of the Project shall still be considered a LOSP Client and the Tenant's Unit shall still constitute an Assisted Unit for purposes of compliance with the requirements of this Agreement.
- (c) Grantee must provide MOHCD at least annually a report showing actual household income level and Rent for each Tenant.
- 4.3 Operating Reserve Account; Subsidy Reserve Account. Grantee shall comply with all of its requirements for the Operating Reserve Account under the MOHCD Loan Agreement. In addition, if the Subsidy Payment made to Grantee for a Calendar Year exceeds the certified Shortfall for such Calendar Year, as determined pursuant to the reports delivered under Section 6.1, Grantee shall deposit such excess amount in the Subsidy Reserve Account. Grantee shall not use Subsidy Reserve Account funds, or any interest earned thereon, for any purpose other than as provided in this Agreement The only funds that shall be held in the Subsidy Reserve Account shall be the moneys deposited therein pursuant to this Section and the interest earned thereon.

If the Shortfall for a Calendar Year exceeds the Subsidy Payment made to Grantee for such Calendar Year, Grantee shall first use Subsidy Reserve Account funds, to the extent available, to pay the Assisted Units Operating Costs that comprise such excess Shortfall. If the Subsidy Reserve Account plus Subsidy Payment funds are insufficient to pay all of the Assisted Units Operating Costs in any given Calendar Year, Grantee shall use Operating Reserve Account funds, if any, to pay the remaining Assisted Units Operating Costs, subject to any approval Grantee must obtain from any lender under the Senior Loan Documents or Grantee's tax credit limited partner to so use the Operating Reserve Account funds.

4.4 [Intentionally Omitted]

4.5 Annual Operating Budget. The Annual Operating Budget attached hereto as Exhibit E sets forth Grantee's anticipated Operating Costs, Project Income and Shortfall for the Term of the Agreement. Grantee shall pay Operating Costs in conformity with the approved Annual Operating Budget. MOHCD's prior written consent shall not be required before Grantee can spend funds on Operating Costs that differ in amount from the amounts in the Annual Operating Budget.

Grantee can submit requests to change the amount of the Annual Operating Budget and corresponding Subsidy Payment for any year during the term by supplying a written proposal with the Annual Monitoring Report. Such proposals should include a variance analysis that includes a quantitative assessment of the difference between projected annual income and expenses and actual annual income and expenses, and explanations for the cause of any significant variances.

4.6 Grantee's Board of Directors. Grantee's manager, if Grantee is a limited liability company, or Grantee's general partner or the sole member of the limited liability company general partner, if Grantee is a limited partnership, shall at all times be governed by a legally constituted and fiscally responsible board of directors. Such board of directors shall meet regularly and maintain appropriate membership, as established in such entity's bylaws and other governing documents and shall adhere to applicable provisions of federal, state and local laws governing nonprofit corporations. Such entity's board of directors shall exercise such oversight responsibility with regard to this Agreement as is necessary to ensure full and prompt performance by Grantee of its obligations under this Agreement.

4.7 [Intentionally Omitted]

4.8 Maintenance and Management of Project.

- (a) Grantee shall be responsible for ensuring all Project maintenance, repair and management functions, including the collection of rents, routine and extraordinary repairs and replacement of capital items, and for keeping the Project in a safe and sanitary manner and in good operating condition in accordance with all Applicable Laws, the City Loan Documents and the Senior Loan Documents (collectively, the "Maintenance Duties").
- (b) Grantee may contract with a management agent for the performance of the Maintenance Duties subject to MOHCD's prior written approval of both the management agent and the management contract, provided, however, that the arrangement will not relieve Grantee of responsibility for performance of those duties. A management contract must contain a provision allowing Grantee to terminate the contract without penalty upon no more than thirty (30) days notice.
- (c) MOHCD will provide written notice to Grantee if MOHCD determines that the Maintenance Duties are not being performed in accordance with this Agreement. If Grantee is then in contract with a management agent pursuant to subsection (b) above, and such management agent fails to fully cure such failure within thirty (30) days of the date that MOHCD delivers such written notice, Grantee shall exercise such thirty (30) day termination right, terminate the management contract and make immediate arrangements for cure of such failure and for the continuous and continuing performance of the Maintenance Duties. If, at the time of such notice, Grantee is not in contract with a management agent pursuant to subsection (b) above, in addition to MOHCD's rights hereunder, MOHCD shall have the right to require that Grantee, at Grantee's sole cost, contract with a management agent to perform the Maintenance Duties, or to make other arrangements the City deems necessary to ensure full and timely performance of the Maintenance Duties.
 - (d) Grantee shall operate the Project in compliance with all Applicable Laws.

4.9 Services Agreement; Provision of Services.

In such an event, the selection of the new service provider for the Project shall require Grantee's prior consent, which shall not be unreasonably delayed or denied. ARTICLE 5 USE AND DISBURSEMENT OF GRANT FUNDS

5.1 Maximum Amount of Grant Funds; Disbursement of Subsidy Payments. In no event shall the total amount of Grant Funds disbursed hereunder exceed Three Million Seven Hundred Forty Five Thousand Four Hundred Ninety Nine Dollars (\$3,745,499) (the "Grant Amount"). - (a) The 15-Year Cash Flow is the Parties' current expectations of Operating Costs and Shortfalls during the Term. The Parties anticipate that the amount of the First Subsidy Payment and each subsequent Subsidy Payment shall be as shown on Exhibit A. The First Subsidy Payment amount reflects the Shortfall for the Fiscal Year starting on the Effective Date. Notwithstanding the foregoing initial calculations of the 15-Year Cash Flow and the Subsidy Payment amounts, however, each Subsidy Payment (including the First Subsidy Payment) is subject to further adjustment pursuant to this Section and City's annual review and approval of the applicable Annual Operating Budget. The City shall reduce the subsequent Subsidy Payments by the amount of any funds held in the Subsidy Reserve Account.
- (b) The total amount of all Subsidy Payments made hereunder shall not exceed the Grant Amount. If the total amount of all Subsidy Payments made hereunder equals the Grant Amount at any time prior to the expiration of the Term, no further Subsidy Payments shall be made hereunder. If any Subsidy Payment would, if made, cause the total amount of all Subsidy Payments made hereunder to exceed the Grant Amount, such Subsidy Payment shall be accordingly reduced so the total amount of Subsidy Payments made hereunder equals the Grant Amount.
- **5.3** Use of Grant Funds. Grantee shall use the Grant Funds only for Assisted Units Operating Costs and for no other purpose. Grantee shall expend the Grant Funds in accordance with the Annual Operating Budget.

- (e) No Event of Default, or event that with notice or the passage of time or both could constitute an Event of Default, shall exist and remain uncured as of the date of the Initial Subsidy Payment is to be disbursed hereunder.

- (b) Tenant Services Contractor shall be in compliance with all of its obligations under the Services Agreement, and no default, or event that with notice or the passage of time or both could constitute a default, shall exist and remain uncured under the Services Agreement; provided however that disbursement of the First Subsidy Payment shall not be withheld due to an uncured default under the Services Agreement if at the time of expected disbursement, Grantee provides City with sufficient evidence that it is cooperating in good faith with the City and HSA to diligently pursue a cure of said default, which may or may not include Grantee directly providing the required services under the Services Agreement.
- (c) No Event of Default, or event that with notice or the passage of time or both could constitute an Event of Default, shall exist and remain uncured as of the date of such Subsidy Payment is to be disbursed hereunder.
- 5.6 Allocation of Grant Funds and Calculation of Assisted Unit Operating Costs. For the purposes of determining the Subsidy Payment and the Shortfall, City and Grantee have agreed that the parties shall allocate Twenty Seven percent (27%) of the total Operating Costs to the Assisted Units ("Assisted Units Operating Costs") and Seventy Three percent (73%) of the total Operating Costs to the non-Assisted Units. Exhibit E shows this allocation of Operating Costs between the Assisted and non-Assisted Units based on projected Operating Costs for the first year of the Project's operation.

- (b) Grantee, on behalf of itself and any subgrantees, successors and assigns, further recognizes and understands that any assignment permitted hereunder and any exercise of any option to renew or other extension of this Agreement may constitute a change in ownership for purposes of property taxation and therefore may result in a revaluation of any possessory interest created hereunder. Grantee shall report any assignment or other transfer of any interest in this Agreement or any renewal or extension thereof to the County Assessor within sixty (60) days after such assignment, transfer, renewal or extension.
- (c) Grantee shall provide such other information as may be requested by City to enable City to comply with any reporting requirements under applicable law with respect to possessory interests.
- 7.3 Earned Income Credit (EIC) Forms. Employers can locate these forms at the IRS Office, on the Internet, or anywhere that Federal Tax Forms can be found.
- (a) Grantee shall provide EIC Forms to each Eligible Employee at each of the following times: (i) within thirty (30) days following the date on which this Agreement becomes effective (unless Grantee has already provided such EIC Forms at least once during the calendar year in which such effective date falls); (ii) promptly after any Eligible Employee is hired by Grantee; and (iii) annually between January 1 and January 31 of each calendar year during the term of this Agreement.

Grantee has duly authorized by all necessary action the execution, delivery and performance of this Agreement. Grantee has duly executed and delivered this Agreement and this Agreement constitutes a legal, valid and binding obligation of Grantee, enforceable against Grantee in accordance with the terms hereof.
- **8.2** Location. Grantee's operations, offices and headquarters are located at the address for notices set forth in Section 15.
- **8.3** No Misstatements. No document furnished or to be furnished by Grantee to MOHCD in connection with the Application Documents, this Agreement, or any other document relating to any of the foregoing, contains or will contain any untrue statement of material fact or omits or will omit a material fact necessary to make the statements contained therein not misleading, under the circumstances under which any such statement shall have been made.
- **8.4** Conflict of Interest. Through its execution of this Agreement, Grantee acknowledges that it is familiar with the provision of Section 15.103 of the City's Charter, Article III, Chapter 2 of the City's Campaign and Governmental Conduct Code, and Section 87100 *et seq*. and Section 1090 *et seq*. of the Government Code of the State of California, and certifies that it does not know of any facts which constitutes a violation of said provisions and agrees that it will immediately notify MOHCD if it becomes aware of any such fact during the term of this Agreement.
- 8.5 [Intentionally Omitted]

ARTICLE 9 INDEMNIFICATION AND GENERAL LIABILITY

9.1 Indemnification. Grantee shall indemnify, protect, defend and hold harmless each of the Indemnified Parties from and against any and all Losses arising from, in connection with or caused by:

subgrantees or agents, regardless of whether such equipment or facility is furnished, rented or loaned to Grantee by an Indemnified Party; (f) any tax, fee, assessment or other charge for which Grantee is responsible under Article 7; or (g) any infringement of patent rights, copyright, trade secret or any other proprietary right or trademark of any person or entity in consequence of the use by any Indemnified Party of any goods or services furnished to such Indemnified Party in connection with this Agreement. Grantee's obligations under the immediately preceding sentence shall apply to any Loss that is caused in whole or in part by the active or passive negligence of any Indemnified Party, but shall exclude any Loss caused solely by the willful misconduct or gross negligence of the Indemnified Party. The foregoing indemnity shall include, without limitation, reasonable fees of attorneys, consultants and experts and related costs and City's costs of investigating any claims against the City.

- 9.2 Duty to Defend; Notice of Loss. Grantee acknowledges and agrees that its obligation to defend the Indemnified Parties under Section 9.1: (a) is an immediate obligation, independent of its other obligations hereunder; (b) applies to any Loss which actually or potentially falls within the scope of Section 9.1, regardless of whether the allegations asserted in connection with such Loss are or may be groundless, false or fraudulent; and (c) arises at the time the Loss is tendered to Grantee by the Indemnified Party and continues at all times thereafter. The Indemnified Party shall give Grantee prompt notice of any Loss under Section 9.1 and Grantee shall have the right to defend, settle and compromise any such Loss; provided, however, that the Indemnified Party shall have the right to retain its own counsel at the expense of Grantee if representation of such Indemnified Party by the counsel retained by Grantee would be inappropriate due to conflicts of interest between such Indemnified Party and Grantee. An Indemnified Party's failure to notify Grantee promptly of any Loss shall not relieve Grantee of any liability to such Indemnified Party pursuant to Section 9.1, unless such failure materially impairs Grantee's ability to defend such Loss. Grantee shall seek the Indemnified Party's prior written consent to settle or compromise any Loss if Grantee contends that such Indemnified Party shares in liability with respect thereto.
- 9.3 Incidental and Consequential Damages. Losses covered under this Article 9 shall include any and all incidental and consequential damages resulting in whole or in part from Grantee's acts or omissions. Nothing in this Agreement shall constitute a waiver or limitation of any rights that any Indemnified Party may have under applicable law with respect to such damages.
- 9.4 LIMITATION ON LIABILITY OF CITY. CITY'S OBLIGATIONS UNDER THIS AGREEMENT SHALL BE LIMITED TO THE AGGREGATE AMOUNT OF GRANT FUNDS ACTUALLY DISBURSED HEREUNDER. NOTWITHSTANDING ANY OTHER PROVISION CONTAINED IN THIS AGREEMENT, THE APPLICATION DOCUMENTS OR ANY OTHER DOCUMENT OR COMMUNICATION RELATING TO THIS AGREEMENT, IN NO EVENT SHALL CITY BE LIABLE, REGARDLESS OF WHETHER ANY CLAIM IS BASED ON CONTRACT OR TORT, FOR ANY SPECIAL, CONSEQUENTIAL, INDIRECT OR INCIDENTAL DAMAGES, INCLUDING LOST PROFITS, ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT, THE GRANT FUNDS OR ANY ACTIVITIES PERFORMED IN CONNECTION WITH THIS AGREEMENT.

Failure to maintain insurance shall constitute a material breach of this Agreement.
- 10.7 Effect of Approval. Approval of any insurance by City shall not relieve or decrease the liability of Grantee hereunder.

EVENTS OF DEFAULT AND REMEDIES

- 11.1 Events of Default. The occurrence of any one or more of the following events shall constitute an "Event of Default" under this Agreement:
- (a) False Statement. Any statement, representation or warranty contained in this Agreement, in the Application Documents, or in any other document submitted to City under this Agreement is found by City to be false or misleading when made.

Grantee (i) is generally not paying its debts as they become due, (ii) files, or consents by answer or otherwise to the filing against it of, a petition for relief or reorganization or arrangement or any other petition in bankruptcy or for liquidation or to take advantage of any bankruptcy, insolvency or other debtors' relief law of any jurisdiction, (iii) makes an assignment for the benefit of its creditors, (iv) consents to the appointment of a custodian, receiver, trustee or other officer with similar powers of Grantee or of any substantial part of Grantee's property or (v) takes action for the purpose of any of the foregoing.

Any lien is recorded against all or any part of the Real Property or the Project without MOHCD's prior written consent, and the lien is not removed from title or otherwise remedied to MOHCD's satisfaction within thirty (30) days after Grantee's receipt of written notice from MOHCD to cure the default, or, if the default cannot be cured within a thirty (30) day period, Grantee will have sixty (60) days to cure the default, or any longer period of time deemed necessary by MOHCD, provided that Grantee commences to cure the default within the thirty (30) day period and diligently pursues the cure to completion.

- (g) **Damage or Destruction**. All or a substantial or material portion of the Project is damaged or destroyed by fire or other casualty or is condemned, seized or appropriated by any non-City governmental agency or subject to any action or other proceeding instituted by any non-City governmental agency for any purpose with the result that the Project cannot be operated for its intended purpose.

- (d) **Return of Grant Funds**. City may demand the immediate return of any previously disbursed Grant Funds that have been claimed or expended by Grantee in breach of the terms of this Agreement, together with interest thereon from the date of disbursement at the maximum rate permitted under applicable law.
- 11.3 Remedies Nonexclusive. Each of the remedies provided for in this Agreement may be exercised individually or in combination with any other remedy available under this Agreement, any other City Document and/or Applicable Laws. The remedies contained herein are in addition to all other remedies available to City at law or in equity by statute or otherwise and the exercise of any such remedy shall not preclude or in any way be deemed to waive any other remedy.

ARTICLE 12 DISCLOSURE OF INFORMATION AND DOCUMENTS

- 12.1 Proprietary or Confidential Information of City. Grantee understands and acknowledges that, in the performance of this Agreement or in contemplation thereof, Grantee may have access to private or confidential information that may be owned or controlled by City and that such information may contain proprietary or confidential information, the disclosure of which to third parties may be damaging to City. Grantee agrees that all information disclosed by City to Grantee shall be held in confidence and used only in the performance of this Agreement. Grantee shall exercise the same standard of care to protect such information as a reasonably prudent nonprofit entity would use to protect its own proprietary or confidential data.
- 12.2 Sunshine Ordinance. Grantee acknowledges and agrees that this Agreement and the Application Documents are subject to Section 67.24(e) of the San Francisco Administrative Code, which provides that contracts, including this Agreement, grantee's bids, responses to Requests for Proposals (RFPs) and all other records of communications between City and persons or entities seeking contracts, shall be open to inspection immediately after a contract has been awarded. Nothing in such Section 67.24(e) (as it exists on the date hereof) requires the disclosure of a private person's or organization's net worth or other proprietary financial data submitted for qualification for a contract or other benefit until and unless that person or organization is awarded the contract or benefit. All information provided by Grantee that is covered by such Section 67.24(e) (as it may be amended from time to time) will be made available to the public upon request.
- 12.3 Financial Projections. Pursuant to San Francisco Administrative Code Section 67.32, Grantee has on or before the date hereof provided to City financial projections, including profit and loss figures, for the Project. The Grantee acknowledges and agrees that the financial projections and audited financial statements required under this Agreement shall be public records subject to disclosure upon request.

ARTICLE 13 ASSIGNMENTS AND SUBCONTRACTING

- 13.1 No Assignment by Grantee. Grantee shall not, either directly or indirectly, assign, transfer, hypothecate, subcontract or delegate all or any portion of this Agreement or any rights, duties or obligations of Grantee hereunder without the prior written consent of City. This Agreement shall not, nor shall any interest herein, be assignable as to the interest of Grantee involuntarily or by operation of law without the prior written consent of City. A change of ownership or control of Grantee or a sale or transfer of substantially all of the assets of Grantee shall be deemed an assignment for purposes of this Agreement. Notwithstanding any provision of this Agreement to the contrary, this Section 13.1 shall not prevent transfers that are expressly permitted under the City Loan Documents.
- **13.2** Agreement Made in Violation of this Article. Any agreement made in violation of Section 13.1 shall confer no rights on any person or entity and shall automatically be null and void.
- 13.3 Subcontracting. Grantee shall not subcontract or assign any portion of this Agreement to any other party without the prior written consent of City; notwithstanding the foregoing, Grantee may subcontract for property management and maintenance without the consent of the City.
- 13.4 Grantee Retains Responsibility. Grantee shall in all events remain liable for the performance by any assignee or subgrantee of all of the covenants terms and conditions contained in this Agreement.

ARTICLE 14 INDEPENDENT CONTRACTOR STATUS

- 14.1 Nature of Agreement. Grantee shall be deemed at all times to be an independent contractor and is solely responsible for the manner in which Grantee uses the Grant Funds. Grantee shall at all times remain solely liable for the acts and omissions of Grantee, its officers and directors, employees and agents. Nothing in this Agreement shall be construed as creating a partnership, joint venture, employment or agency relationship between City and Grantee.
- 14.2 Direction. Any terms in this Agreement referring to direction or instruction from MOHCD or City shall be construed as providing for direction as to policy and the result of Grantee's work only, and not as to the means by which such a result is obtained.

14.3 Consequences of Recharacterization.

- (a) Should City, in its discretion, or a relevant taxing authority such as the Internal Revenue Service or the State Employment Development Division, or both, determine that Grantee is an employee for purposes of collection of any employment taxes, the amounts payable under this Agreement shall be reduced by amounts equal to both the employee and employer portions of the tax due (and offsetting any credits for amounts already paid by Grantee which can be applied against this liability). City shall subsequently forward such amounts to the relevant taxing authority.
- (b) Should a relevant taxing authority determine a liability for past services performed by Grantee for City, upon notification of such fact by City, Grantee shall promptly remit such amount due or arrange with City to have the amount due withheld from future payments to Grantee under this Agreement (again, offsetting any amounts already paid by Grantee which can be applied as a credit against such liability).
- (c) A determination of employment status pursuant to either subsection (a) or (b) of this <u>Section 14.3</u> shall be solely for the purposes of the particular tax in question, and for all other purposes of this Agreement, Grantee shall not be considered an employee of City. Notwithstanding the foregoing, if any court, arbitrator, or administrative authority determine that Grantee is an employee for any other purpose, Grantee agrees to a reduction in City's financial liability hereunder such that the aggregate amount of Grant Funds under this Agreement does not exceed what would have been the amount of such Grant Funds had the court, arbitrator, or administrative authority had not determined that Grantee was an employee.

ARTICLE 16 COMPLIANCE

- 16.1 Left blank by agreement of the Parties.
- 16.2 Nondiscrimination; Penalties.
- (a) Grantee Shall Not Discriminate. In the performance of this Agreement, Grantee agrees not to discriminate against any employee, City and County employee working with such grantee or

subgrantee, applicant for employment with such grantee or subgrantee, or against any person seeking accommodations, advantages, facilities, privileges, services, or membership in all business, social, or other establishments or organizations, on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, height, weight, sex, sexual orientation, gender identity, domestic partner status, marital status, disability or Acquired Immune Deficiency Syndrome or HIV status (AIDS/HIV status), or association with members of such protected classes, or in retaliation for opposition to discrimination against such classes.

- (b) Subcontracts. Grantee shall incorporate by reference in all subcontracts the provisions of Sections 12B.2(a), 12B.2(c)-(k), and 12C.3 of the San Francisco Administrative Code and shall require all subgrantees to comply with such provisions. Grantee's failure to comply with the obligations in this subsection shall constitute a material breach of this Agreement.
- (c) Non-Discrimination in Benefits. Grantee does not as of the date of this Agreement and will not during the term of this Agreement, in any of its operations in San Francisco or where the work is being performed for the City or elsewhere within the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits or travel benefits, as well as any benefits other than the benefits specified above, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local law authorizing such registration, subject to the conditions set forth in Section 12B.2(b) of the San Francisco Administrative Code.
- (d) Condition to Contract. As a condition to this Agreement, Grantee shall execute the "Chapter 12B Declaration: Nondiscrimination in Contracts and Benefits" form (Form HRC-12B-101) with supporting documentation and secure the approval of the form by the San Francisco Human Rights Commission.
- (e) Incorporation of Administrative Code Provisions by Reference. The provisions of Chapters 12B and 12C of the San Francisco Administrative Code are incorporated in this Section by reference and made a part of this Agreement as though fully set forth herein. Grantee shall comply fully with and be bound by all of the provisions that apply to this Agreement under such Chapters of the Administrative Code, including the remedies provided in such Chapters. Without limiting the foregoing, Grantee understands that pursuant to Sections 12B.2(h) and 12C.3(g) of the San Francisco Administrative Code, a penalty of Fifty Dollars (\$50) for each person for each calendar day during which such person was discriminated against in violation of the provisions of this Agreement may be assessed against Grantee and/or deducted from any payments due Grantee.
- 16.3 MacBride Principles—Northern Ireland. Pursuant to San Francisco Administrative Code Section 12F.5, City urges companies doing business in Northern Ireland to move towards resolving employment inequities, and encourages such companies to abide by the MacBride Principles. City urges San Francisco companies to do business with corporations that abide by the MacBride Principles. By signing below, the person executing this agreement on behalf of Grantee acknowledges and agrees that he or she has read and understood this Section.
- 16.4 Tropical Hardwood and Virgin Redwood Ban. Pursuant to Section 804(b) of the San Francisco Environment Code, City urges all grantees not to import, purchase, obtain, or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood or virgin redwood wood product.
- 16.5 Drug-Free Workplace Policy. Grantee acknowledges that pursuant to the Federal Drug-Free Workplace Act of 1989, the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance is prohibited on City premises. Grantee and its employees, agents or assigns shall comply with all terms and provisions of such Act and the rules and regulations promulgated thereunder.

- 16.6 Resource Conservation; Liquidated Damages. Chapter 5 of the San Francisco Environment Code (Resource Conservation) is incorporated herein by reference. Failure by Grantee to comply with any of the applicable requirements of Chapter 5 will be deemed a material breach of contract. If Grantee fails to comply in good faith with any of the provisions of Chapter 5, Grantee shall be liable for liquidated damages in an amount equal to Grantee's net profit under this Agreement, or five percent (5%) of the total contract amount, whichever is greater. Grantee acknowledges and agrees that the liquidated damages assessed shall be payable to City upon demand and may be offset against any monies due to Grantee from any contract with City.
- 16.7 Compliance with ADA. Grantee acknowledges that, pursuant to the ADA, programs, services and other activities provided by a public entity to the public, whether directly or through a grantee or contractor, must be accessible to the disabled public. Grantee shall not discriminate against any person protected under the ADA in connection with its activities hereunder and shall comply at all times with the provisions of the ADA.

16.8 Requiring Minimum Compensation for Employees.

- a. Grantee agrees to comply fully with and be bound by all of the provisions of the Minimum Compensation Ordinance (MCO), as set forth in San Francisco Administrative Code Chapter 12P (Chapter 12P), including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 12P are incorporated herein by reference and made a part of this Agreement as though fully set forth. The text of the MCO is available on the web at www.sfgov.org/olse/mco. A partial listing of some of Grantee's obligations under the MCO is set forth in this Section. Grantee is required to comply with all the provisions of the MCO, irrespective of the listing of obligations in this Section.
- b. The MCO requires Grantee to pay Grantee's employees a minimum hourly gross compensation wage rate and to provide minimum compensated and uncompensated time off. The minimum wage rate may change from year to year and Grantee is obligated to keep informed of the then-current requirements. Any subcontract entered into by Grantee shall require the subgrantee to comply with the requirements of the MCO and shall contain contractual obligations substantially the same as those set forth in this Section. It is Grantee's obligation to ensure that any subgrantees of any tier under this Agreement comply with the requirements of the MCO. If any subgrantee under this Agreement fails to comply, City may pursue any of the remedies set forth in this Section against Grantee.
- c. Grantee shall not take adverse action or otherwise discriminate against an employee or other person for the exercise or attempted exercise of rights under the MCO. Such actions, if taken within 90 days of the exercise or attempted exercise of such rights, will be rebuttably presumed to be retaliation prohibited by the MCO.
- d. Grantee shall maintain employee and payroll records as required by the MCO. If Grantee fails to do so, it shall be presumed that the Grantee paid no more than the minimum wage required under State law.
- e. The City is authorized to inspect Grantee's job sites and conduct interviews with employees and conduct audits of Grantee
- f. Grantee's commitment to provide the Minimum Compensation is a material element of the City's consideration for this Agreement. The City in its sole discretion shall determine whether such a breach has occurred. The City and the public will suffer actual damage that will be impractical or extremely difficult to determine if the Grantee fails to comply with these requirements. Grantee agrees that the sums set forth in Section 12P.6.1 of the MCO as liquidated damages are not a penalty, but are reasonable estimates of the loss that the City and the public will incur for Grantee's noncompliance. The

procedures governing the assessment of liquidated damages shall be those set forth in Section 12P.6.2 of Chapter 12P.

- g. Grantee understands and agrees that if it fails to comply with the requirements of the MCO, the City shall have the right to pursue any rights or remedies available under Chapter 12P (including liquidated damages), under the terms of the contract, and under applicable law. If, within 30 days after receiving written notice of a breach of this Agreement for violating the MCO, Grantee fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, Grantee fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, the City shall have the right to pursue any rights or remedies available under applicable law, including those set forth in Section 12P.6(c) of Chapter 12P. Each of these remedies shall be exercisable-individually or in combination with any other rights or remedies available to the City.
- h. Grantee represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the MCO.
- i. If Grantee is exempt from the MCO when this Agreement is executed because the cumulative amount of agreements with this department for the fiscal year is less than \$25,000, but Grantee later enters into an agreement or agreements that cause Grantee to exceed that amount in a fiscal year, Grantee shall thereafter be required to comply with the MCO under this Agreement. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between the Grantee and this department to exceed \$25,000 in the fiscal year.
- 16.9 Limitations on Contributions. Through execution of this Agreement, Grantee acknowledges that it is familiar with Section 1.126 of the City's Campaign and Governmental Conduct Code, which prohibits any person who contracts with the City for the rendition of personal services, for the furnishing of any material, supplies or equipment, for the sale or lease of any land or building, or for a grant, loan or loan guarantee, from making any campaign contribution to (1) an individual holding a City elective office if the contract must be approved by the individual, a board on which that individual serves, or a board on which an appointee of that individual serves, (2) a candidate for the office held by such individual, or (3) a committee controlled by such individual, at any time from the commencement of negotiations for the contract until the later of either the termination of negotiations for such contract or six months after the date the contract is approved. Grantee acknowledges that the foregoing restriction applies only if the contract or a combination or series of contracts approved by the same individual or board in a fiscal year have a total anticipated or actual value of \$50,000 or more. Grantee further acknowledges that the prohibition on contributions applies to each prospective party to the contract; each member of Grantee's board of directors; Grantee's chairperson, chief executive officer, chief financial officer and chief operating officer; any person with an ownership interest of more than 20 percent in Grantee; any subgrantee listed in the bid or contract; and any committee that is sponsored or controlled by Grantee. Additionally, Grantee acknowledges that Grantee must inform each of the persons described in the preceding sentence of the prohibitions contained in Section 1.126.

16.10 First Source Hiring Program.

a. Incorporation of Administrative Code Provisions by Reference. The provisions of Chapter 83 of the San Francisco Administrative Code are incorporated in this Section by reference and made a part of this Agreement as though fully set forth herein. Contractor shall comply fully with, and be bound by, all of the provisions that apply to this Agreement under such Chapter, including but not limited to the remedies provided therein. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 83.

- b. First Source Hiring Agreement. As an essential term of, and consideration for, any contract or property contract with the City, not exempted by the FSHA, the Contractor shall enter into a first source hiring agreement ("agreement") with the City, on or before the effective date of the contract or property contract. Contractors shall also enter into an agreement with the City for any other work that it performs in the City. Such agreement shall:
- (1) Set appropriate hiring and retention goals for entry level positions. The employer shall agree to achieve these hiring and retention goals, or, if unable to achieve these goals, to establish good faith efforts as to its attempts to do so, as set forth in the agreement. The agreement shall take into consideration the employer's participation in existing job training, referral and/or brokerage programs. Within the discretion of the FSHA, subject to appropriate modifications, participation in such programs maybe certified as meeting the requirements of this Chapter. Failure either to achieve the specified goal, or to establish good faith efforts will constitute noncompliance and will subject the employer to the provisions of Section 83.10 of this Chapter.
- the San Francisco Workforce Development System with the first opportunity to provide qualified economically disadvantaged individuals for consideration for employment for entry level positions. Employers shall consider all applications of qualified economically disadvantaged individuals referred by the System for employment; provided however, if the employer utilizes nondiscriminatory screening criteria, the employer shall have the sole discretion to interview and/or hire individuals referred or certified by the San Francisco Workforce Development System as being qualified economically disadvantaged individuals. The duration of the first source interviewing requirement shall be determined by the FSHA and shall be set forth in each agreement, but shall not exceed 10 days. During that period, the employer may publicize the entry level positions in accordance with the agreement. A need for urgent or temporary hires must be evaluated, and appropriate provisions for such a situation must be made in the agreement.
- (3) Set appropriate requirements for providing notification of available entry level positions to the San Francisco Workforce Development System so that the System may train and refer an adequate pool of qualified economically disadvantaged individuals to participating employers. Notification should include such information as employment needs by occupational title, skills, and/or experience required, the hours required, wage scale and duration of employment, identification of entry level and training positions, identification of English language proficiency requirements, or absence thereof, and the projected schedule and procedures for hiring for each occupation. Employers should provide both long-term job need projections and notice before initiating the interviewing and hiring process. These notification requirements will take into consideration any need to protect the employer's proprietary information.
- (4) Set appropriate record keeping and monitoring requirements. The First Source Hiring Administration shall develop easy-to-use forms and record keeping requirements for documenting compliance with the agreement. To the greatest extent possible, these requirements shall utilize the employer's existing record keeping systems, be nonduplicative, and facilitate a coordinated flow of information and referrals.
- (5) Establish guidelines for employer good faith efforts to comply with the first source hiring requirements of this Chapter. The FSHA will work with City departments to develop employer good faith effort requirements appropriate to the types of contracts and property contracts handled by each department. Employers shall appoint a liaison for dealing with the development and implementation of the employer's agreement. In the event that the FSHA finds that the employer under a City contract or

property contract has taken actions primarily for the purpose of circumventing the requirements of this Chapter, that employer shall be subject to the sanctions set forth in Section 83.10 of this Chapter.

- (6) Set the term of the requirements.
- (7) Set appropriate enforcement and sanctioning standards consistent with this Chapter.
- (8) Set forth the City's obligations to develop training programs, job applicant referrals, technical assistance, and information systems that assist the employer in complying with this Chapter.
- (9) Require the developer to include notice of the requirements of this Chapter in leases, subleases, and other occupancy contracts.
- c. Hiring Decisions. Contractor shall make the final determination of whether an Economically Disadvantaged Individual referred by the System is "qualified" for the position.
- d. Exceptions. Upon application by Employer, the First Source Hiring Administration may grant an exception to any or all of the requirements of Chapter 83 in any situation where it concludes that compliance with this Chapter would cause economic hardship.
 - e. Liquidated Damages. Contractor agrees:
 - (1) To be liable to the City for liquidated damages as provided in this section;
- (2) To be subject to the procedures governing enforcement of breaches of contracts based on violations of contract provisions required by this Chapter as set forth in this section;
- element of the City's consideration for this contract; that the failure of the contractor to comply with the contract provisions required by this Chapter will cause harm to the City and the public which is significant and substantial but extremely difficult to quantity; that the harm to the City includes not only the financial cost of funding public assistance programs but also the insidious but impossible to quantify harm that this community and its families suffer as a result of unemployment; and that the assessment of liquidated damages of up to \$5,000 for every notice of a new hire for an entry level position improperly withheld by the contractor from the first source hiring process, as determined by the FSHA during its first investigation of a contractor, does not exceed a fair estimate of the financial and other damages that the City suffers as a result of the contractor's failure to comply with its first source referral contractual obligations.
- (4) That the continued failure by a contractor to comply with its first source referral contractual obligations will cause further significant and substantial harm to the City and the public, and that a second assessment of liquidated damages of up to \$10,000 for each entry level position improperly withheld from the FSHA, from the time of the conclusion of the first investigation forward, does not exceed the financial and other damages that the City suffers as a result of the contractor's continued failure to comply with its first source referral contractual obligations;

- (5) That in addition to the cost of investigating alleged violations under this Section, the computation of liquidated damages for purposes of this section is based on the following data:
- A. The average length of stay on public assistance in San Francisco's County Adult Assistance Program is approximately 41 months at an average monthly grant of \$348 per month, totaling approximately \$14,379; and
- B. In 2004, the retention rate of adults placed in employment programs funded-under the Workforce Investment Act for at least the first six months of employment was 84.4%. Since qualified individuals under the First Source program face far fewer barriers to employment than their counterparts in programs funded by the Workforce Investment Act, it is reasonable to conclude that the average length of employment for an individual whom the First Source Program refers to an employer and who is hired in an entry level position is at least one year;

therefore, liquidated damages that total \$5,000 for first violations and \$10,000 for subsequent violations as determined by FSHA constitute a fair, reasonable, and conservative attempt to quantify the harm caused to the City by the failure of a contractor to comply with its first source referral contractual obligations.

(6) That the failure of contractors to comply with this Chapter, except property contractors, may be subject to the debarment and monetary penalties set forth in Sections 6.80 et seq. of the San Francisco Administrative Code, as well as any other remedies available under the contract or at law; and

Violation of the requirements of Chapter 83 is subject to an assessment of liquidated damages in the amount of \$5,000 for every new hire for an Entry Level Position improperly withheld from the first source hiring process. The assessment of liquidated damages and the evaluation of any defenses or mitigating factors shall be made by the FSHA.

- f. Subcontracts. Any subcontract entered into by Contractor shall require the subcontractor to comply with the requirements of Chapter 83 and shall contain contractual obligations substantially the same as those set forth in this Section.
- 16.11 Prohibition on Political Activity with City Funds. In accordance with S. F. Administrative Code Chapter 12.G, no funds appropriated by the City and County of San Francisco for this Agreement may be expended for organizing, creating, funding, participating in, supporting, or attempting to influence any political campaign for a candidate or for a ballot measure (collectively, "Political Activity"). The terms of San Francisco Administrative Code Chapter 12.G are incorporated herein by this reference. Accordingly, an employee working in any position funded under this Agreement shall not engage in any Political Activity during the work hours funded hereunder, nor shall any equipment or resource funded by this Agreement be used for any Political Activity. In the event Grantee, or any staff member in association with Grantee, engages in any Political Activity, then (i) Grantee shall keep and maintain appropriate records to evidence compliance with this Section, and (ii) Grantee shall have the burden to prove that no funding from this Agreement has been used for such Political Activity. Grantee agrees to cooperate with any audit by the City or its designee in order to ensure compliance with this Section. In the event Grantee violates the provisions of this Section, the City may, in addition to any other rights or remedies available hereunder, (i) terminate this Agreement and any other agreements between Grantee

and City, (ii) prohibit Grantee from bidding on or receiving any new City contract for a period of two (2) years, and (iii) obtain reimbursement of all funds previously disbursed to Grantee under this Agreement.

16.12 Preservative-treated Wood Containing Arsenic. Grantee may not purchase preservative-treated wood products containing arsenic in the performance of this Agreement unless an exemption from the requirements of Chapter 13 of the San Francisco Environment Code is obtained from the Department of the Environment under Section 1304 of the Code. The term "preservative-treated wood containing arsenic" shall mean wood treated with a preservative that contains arsenic, elemental arsenic, or an arsenic copper combination, including, but not limited to, chromated copper arsenate preservative, ammoniacal copper zinc arsenate preservative, or ammoniacal copper arsenate preservative. Grantee may purchase preservative-treated wood products on the list of environmentally preferable alternatives prepared and adopted by the Department of the Environment. This provision does not preclude Grantee from purchasing preservative-treated wood containing arsenic for saltwater immersion. The term "saltwater immersion" shall mean a pressure-treated wood that is used for construction purposes or facilities that are partially or totally immersed in saltwater.

16.13 **16.** Supervision of Minors. Grantee, and any subgrantees, shall comply with California Penal Code section 11105.3 and request from the Department of Justice records of all convictions or any arrest pending adjudication involving the offenses specified in Welfare and Institution Code section 15660(a) of any person who applies for employment or volunteer position with Grantee, or any subgrantee, in which he or she would have supervisory or disciplinary power over a minor under his or her care.

If Grantee, or any subgrantee, is providing services at a City park, playground, recreational center or beach (separately and collectively, "Recreational Site"), Grantee shall not hire, and shall prevent its subgrantees from hiring, any person for employment or volunteer position to provide those services if that person has been convicted of any offense that was listed in former Penal Code section 11105.3 (h)(1) or 11105.3(h)(3).

If Grantee, or any of its subgrantees, hires an employee or volunteer to provide services to minors at any location other than a Recreational Site, and that employee or volunteer has been convicted of an offense specified in Penal Code section 11105.3(c), then Grantee shall comply, and cause its subgrantees to comply with that section and provide written notice to the parents or guardians of any minor who will be supervised or disciplined by the employee or volunteer not less than ten (10) days prior to the day the employee or volunteer begins his or her duties or tasks. Grantee shall provide, or cause its subgrantees to provide City with a copy of any such notice at the same time that it provides notice to any parent or guardian.

Grantee shall expressly require any of its subgrantees with supervisory or disciplinary power over a minor to comply with this section of the Agreement as a condition of its contract with the subgrantee.

Grantee acknowledges and agrees that failure by Grantee or any of its subgrantees to comply with any provision of this section of the Agreement shall constitute an Event of Default.

- 16.14 **Protection of Private Information.** Grantee agrees to comply fully with and be bound by all of the provisions of Chapter 12M of the San Francisco Administrative Code ("Protection of Private Information"), including the remedies provided. The provisions of Chapter 12M are incorporated herein by reference and made a part of this Agreement as though fully set forth. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 12M. Consistent with the requirements of Chapter 12M, Grantee agrees to all of the following:
- (a) Neither Grantee nor any of its subgrantees shall disclose Private Information obtained from the City in the performance of this Agreement to any other subgrantee, person, or other entity, unless one of the following is true:

- (1) The disclosure is authorized by this Agreement;
- (2) The Grantee received advance written approval from the Contracting Department to disclose the information; or
 - (3) The disclosure is expressly required by a judicial order.
- (b) Any disclosure or use of Private Information authorized by this Agreement shall be in accordance with any conditions or restrictions stated in this Agreement. Any disclosure or use of Private Information authorized by a Contracting Department shall be in accordance with any conditions or restrictions stated in the approval.
- (c) "Private Information" shall mean any information that: (1) could be used to identify an individual, including without limitation, name, address, social security number, medical information, financial information, date and location of birth, and names of relatives; or (2) the law forbids any person from disclosing.
- (d) Any failure of Grantee to comply with Chapter 12M shall be a material breach of this Agreement. In such an event, in addition to any other remedies available to it under equity or law, the City may terminate this Agreement, debar Grantee, or bring a false claim action against Grantee.
- 16.15 Public Access to Meetings and Records. If the Grantee receives a cumulative total per year of at least \$250,000 in City funds or City-administered funds and is a non-profit organization as defined in Chapter 12L of the San Francisco Administrative Code, the Grantee shall comply with and be bound by all the applicable provisions of that Chapter. By executing this Agreement, the Grantee agrees to open its meetings and records to the public in the manner set forth in Sections 12L.4 and 12L.5 of the Administrative Code. The Grantee further agrees to make good-faith efforts to promote community membership on its Board of Directors in the manner set forth in Section 12L.6 of the Administrative Code. The Grantee acknowledges that its material failure to comply with any of the provisions of this paragraph shall constitute a material breach of this Agreement. The Grantee further acknowledges that such material breach of the Agreement shall be grounds for the City to terminate and/or not renew the Agreement, partially or in its entirety.
- 16.16 Graffiti Removal. Graffiti is detrimental to the health, safety and welfare of the community in that it promotes a perception in the community that the laws protecting public and private property can be disregarded with impunity. This perception fosters a sense of disrespect of the law that results in an increase in crime; degrades the community and leads to urban blight; is detrimental to property values, business opportunities and the enjoyment of life; is inconsistent with the City's property maintenance goals and aesthetic standards; and results in additional graffiti and in other properties becoming the target of graffiti unless it is quickly removed from public and private property. Graffiti results in visual pollution and is a public nuisance. Graffiti must be abated as quickly as possible to avoid detrimental impacts on the City and County and its residents, and to prevent the further spread of graffiti.

Grantee shall remove all graffiti from any real property owned or leased by Grantee in the City and County of San Francisco within forty eight (48) hours of the earlier of Grantee's (a) discovery or notification of the graffiti or (b) receipt of notification of the graffiti from the Department of Public Works. This Section is not intended to require a Grantee to breach any lease or other agreement that it may have concerning its use of the real property. The term "graffiti" means any inscription, word, figure, marking or design that is affixed, marked, etched, scratched, drawn or painted on any building, structure, fixture or other improvement, whether permanent or temporary, including by way of example only and without limitation, signs, banners, billboards and fencing surrounding construction sites, whether public or private, without the consent of the owner of the property or the owner's authorized agent, and which is visible from the public right-of-way. "Graffiti" shall not include: (1) any sign or banner that is authorized by, and in compliance with, the applicable requirements of the San Francisco Public Works Code, the San Francisco Planning Code or the San Francisco Building Code; or (2) any mural or other painting or

marking on the property that is protected as a work of fine art under the California Art Preservation Act (California Civil Code Sections 987 *et seq.*) or as a work of visual art under the Federal Visual Artists Rights Act of 1990 (17 U.S.C. Sections 101 *et seq.*).

Any failure of Grantee to comply with this Section shall constitute an Event of Default of this Agreement.

16.17 Food Service Waste Reduction Requirements. Grantee agrees to comply fully with and be bound by all of the provisions of the Food Service Waste Reduction Ordinance, as set forth in San Francisco Environment Code Chapter 16, including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 16 are incorporated herein by reference and made a part of this Agreement as though fully set forth. This provision is a material term of this Agreement. By entering into this Agreement, Grantee agrees that if it breaches this provision, City will suffer actual damages that will be impractical or extremely difficult to determine; further, Grantee agrees that the sum of one hundred dollars (\$100) liquidated damages for the first breach, two hundred dollars (\$200) liquidated damages for subsequent breaches in the same year, and five hundred dollars (\$500) liquidated damages for subsequent breaches in the same year is reasonable estimate of the damage that City will incur based on the violation, established in light of the circumstances existing at the time this Agreement was made. Such amount shall not be considered a penalty, but rather agreed monetary damages sustained by City because of Grantee's failure to comply with this provision.

16.18 Slavery Era Disclosure.

- (a) Grantee acknowledges that this Agreement shall not be binding upon the City until the Director receives the affidavit required by the San Francisco Administrative Code's Chapter 12Y, "San Francisco Slavery Era Disclosure Ordinance."
- (b) In the event the Director finds that Grantee has failed to file an affidavit as required by Section 12Y.4(a) and this Agreement, or has willfully filed a false affidavit, the Grantee shall be liable for liquidated damages in an amount equal to the Grantee's net profit on the Agreement, 10 percent of the total amount of the Agreement, or \$1,000, whichever is greatest as determined by the Director. Grantee acknowledges and agrees that the liquidated damages assessed shall be payable to the City upon demand and may be set off against any monies due to the Grantee from any Agreement with the City.
 - (c) Grantee shall maintain records necessary for monitoring their compliance with this provision.
- **16.19 Compliance with Other Laws.** Without limiting the scope of any of the preceding sections of this Article 16, Grantee shall keep itself fully informed of City's Charter, codes, ordinances and regulations and all state, and federal laws, rules and regulations affecting the performance of this Agreement and shall at all times comply with such Charter codes, ordinances, and regulations rules and laws.

Units will be occupied in accordance with the following standards:

Unit Size	Minimum Household Size	Maximum Household Size
Studio	1 person	_person
1 Bdrm	1 person	3 persons
2 Bdrm	2 persons	5 persons
3 Bdrm	4 persons	7 persons

- 1. The head of household must be eighteen years of age or older, or be an emancipated minor.
- 2. Households under minimum standard for occupancy are required to transfer to the next available unit of appropriate size.
- 3. Spouses and/or domestic partners must share a bedroom, unless a medical necessity verified by a physician is warranted.
- 4. Persons of different generations, persons of the opposite sex (other than spouses or coheads), and unrelated adults (except same-sex domestic partners) may have a separate bedroom, within the limitations of the minimum occupancy standards outlined above.
- 5. Foster children will be considered in determining unit size upon third-party verification of placement in the family only if they will be in the unit for more than a month. Families with foster children are subject to the same minimum occupancy as families without foster children. A family may not be able to accept a foster care placement if the foster agency requires the child to have its own bedroom and as a result the family would exceed the minimum/maximum occupancy standards described above.
- 6. Live-in aides will be provided a separate bedroom, if the presence of an overnight live-in-aide is medically necessary. No additional bedrooms are provided for the attendant's family. A maximum of one bedroom per family will be allocated for live-in aides, even if the family has more than one aide.
- 7. A pregnant woman with no other family members shall be treated as a two-person household.
- 8. Full-time students who live away from home more than half the year are not included in household size for the purpose of determining occupancy standards. - 1) Application Completion
- 2) Income Eligibility-Verified
- 3) Landlord references (if available) and/or personal references
 Applicants will not be considered to have a poor history of tenancy when
 records show minor (i.e. late rent, etc) lease violations, or criminal offenses

 violence, sales of narcotics, illegal weapons possession, any form of assault,
 breaking and entering and burglary.
- 4) Credit/Criminal History check

Mercy Housing Management will hire a contractor (currently Credit Retriever which can be contacted at www.creditretriever.com) to run a credit and criminal background check on all applicants. Mercy Housing Management will also check court records for evidence of evictions or judgments against the applicant and evidence of criminal convictions. The purpose of these checks is to obtain information on the applicant's past history of meeting financial obligations and future ability to make timely rent payments and to abide by operational policies and regulatory agreements regarding the prohibition of admitting any applicant with specific criminal activity.

Additionally, each Applicant will be reviewed in terms as defined below:

- 1) The applicant must be eligible based on qualifying Income and Household size

- 3) The applicant must complete the required orientation and application process and provide all requested authorizations for release of otherwise confidential information.

A Live-in Attendant must also sign an Occupancy Agreement that will be kept in the Resident's file. The Live-in Attendant must abide by the Lease and House Rules but will not be added to the Lease. If the person in need of a Live-in Attendant expires or moves out, the Live-in Attendant must comply with the Live-in Attendant Occupancy Agreement to vacate the premises.

The following set of standard criteria is to be used as a guide to select residents after all interview and reference check information has been taken into consideration and are applied consistently and fairly to all candidates:

Rent Paying Habits and Credit History

Staff will request credit histories on each adult member of each applicant household and will request phone references from the applicant's current landlord and former landlords for the past two (2) years. Based upon these verifications, the staff will determine if the applicant(s) was paid rent on time, took care of the unit, and if the landlord would rent to them again. If the landlord provides a good reference, Staff will move forward with the application process. If the landlord provides a negative reference, this shall be grounds for an ineligibility determination.

Gross Rent as Percentage of Gross Income

APPLICATION PROCESS - ALL UNITS

In screening and selecting applicants for units at 1100 Ocean there shall be no discrimination. All applicants are asked for the same information by Mercy Management Group and treated in the same manner. The applicant screening and selection process is conducted in strict conformity with both the letter and spirit of all federal and state and local fair housing statutes and ordinances. The Property Manager is to regularly receive in-service training and counseling regarding Fair Housing requirements.

All units are leased to qualified applicants based on income and the 1100 Ocean Resident Selection Criteria.

Property Management will rank all applications for consideration and units will be offered according to the following descending order of priorities:

- 1. Eligible Certificate Holder.
- 2. Lottery(random) drawing.
- 3. Date project received original application and reference number assigned.
- 4. Date of completion of verification/certification process.
- 5. Date of availability for move-in.

All efforts will be made by MHMG to communicate the information above and in the application and intake processes in the primary language of the applicant. The applicant in turn must make every effort to have family members or other trusted resources assist in interpreting and translating for maximum mutual comprehension.

TAY applicant households will be referred by the SFHSA and MHSA per the unit assignment described in this criteria. SFHSA/MHSA does not anticipate any shortfall of referrals for this initial rent up period or subsequent rent up. SFHSA will work with their referral agencies to fill all TAY LOSP designated units.

Only one application will be processed per household. If multiple applications are found to have been submitted by the same household, they will be handled in the following manner. The application which receives the highest lottery number will be used. All others will be disqualified and not processed and the household notified accordingly. Following the random drawing, if multiple applications from the same household are identified at any time, the application highest on the waiting list or submitted first will be used. All others will be disqualified and not processed and the household notified accordingly.

The Certificate Holder priority policy as determined in the attached reference must be followed and Certificate Holders must meet the criteria outlined in this Resident Selection Criteria. Certificate Holder applications will be processed prior to all other applicants. Eligible applicants will be offered units based on the order of priority outlined by the SF MOHCD

- A. Property Management Staff will conduct an initial interview. The location of the interviews will be determined prior to applications being accepted. The purpose of the initial interview is to review the application and eligibility criteria and review the resources available to meet the Applicant's needs. At the time of the interview, all members of the household 18 years of age or older must be present. Documents or identification to determine each family member's eligibility will be required at that interview. Applicants will be interviewed to obtain and confirm the information provided on the original Application, specifically income, social security numbers, and household size. The interview will also start the process of obtaining third party verifications of income, assets and authorization for a credit check included in application packet.
- B. The interview will also determine if the applicant is interested in obtaining a unit with accessibility enhancements. Applicants who are disabled and eligible for a unit with accessible enhancements will be given priority for the occupancy of these units. When a specially equipped unit is one of the designated SFHSA LOSP TAY units, then SFHSA/MHSA will be informed and will provide a referral that is eligible for that unit. If there are not enough such households to fill all specially equipped units, MHMG/MHM may fill units with accessible features with non-disabled applicants. Upon future vacancies and screening of a household requiring an accessible enhanced unit, non-disabled households occupying accessible units may be required to move to a non-accessible unit.
- C. Each interview may be rescheduled one time. If an applicant needs to reschedule the initial interview more than one time, then his/her application will be returned to the appropriate agency. If an applicant is a no-show, staff will attempt to contact them and reschedule one time. If an applicant is a no-show a second time, his/her application will be denied. If the applicant is a TAY referral, his/her name will be returned to the

- appropriate agency, and will no longer be considered for an apartment at 1100 Ocean. The applicant and SFHSA/MHSA will be so informed in writing if this occurs.
- D. Applications will be screened for eligibility according to the Mercy Housing (MHMG), Tax Credit Allocation Committee (TCAC) and MHP established criteria. If the Applicant does not meet the eligibility criteria, he/she will be informed. Denials based upon failure to meet the eligibility criteria are subject to review only by the MHM property management staff and will follow the approved Grievance Procedure (see attached). This will be conducted in conversation with SFHSA staff. MHMG/MHM will screen applicants for income eligibility based on their gross potential annual income and income from assets and other miscellaneous sources of income. Full-time student status will also be considered.
- E. After income and household information have been collected during the interview, the management agent is responsible for obtaining third-party income and asset verifications to confirm that the applicant is income eligible under the requirements of the Low-Income Housing Tax Credits Program, MOH and HCD Multifamily Housing Program requirements. Employment verifications must be obtained by the management agent by faxing or mailing an applicant-signed employment verification form to the employer with an enclosed self-addressed stamped envelope. Other types of income and resident status verifications, such as social security or public assistance will be requested by fax, mail or in person on forms provided by the management agent and signed by the applicant. Gross Annual Income shall be calculated in accordance with regulations, which are specified in the HUD Handbook 4350.3 definitions of income and assets and include acceptable types of verification.
- F. Income at the time of initial move-in may not exceed 50% of area median income, which is published by the Mayor's Office of Housing (MOH) and which will be posted in the marketing office and updated annually. Once all verifications of all sources of incomes and assets have been received, the Property Manager will total income from all sources. Then the Property Manager will verify that the applicant's total household income is at or below the latest published maximum amounts (new figures are generally published by HUD and MOH between February and May of each year). The information will be sent to the MHMG Compliance Department for review and approval.
- G. The management agent must request a credit and criminal report to obtain information about the applicant's credit and criminal history and determine whether the applicant has had a prior eviction or criminal history and meets all other resident selection criteria.
- H. For TAY Applicants, MHMG and SFHSA will coordinate and plan outreach. Each application packet will have a cover sheet outlining MHMG requirements and the referral agency will sign off with their contact information. However, it is possible that additional documentation may be required. If so, MHMG may contact the applicant and the referring agency directly. Additional information, as needed, will be sought from the referring entity through SFHSA prior to a final determination on an applicant's

eligibility.

Those households determined to be eligible will be scheduled with a tentative Move-In date in the order in which their applications are processed.

Households determined as ineligible will be notified of their ineligibility in writing. Acopy of the ineligibility letter will be sent to SFHSA/MHSA for TAY applicants determined to be ineligible. These Households are encouraged to review and utilize the Grievance and Appeal Procedure if they so choose.

2. If landlord references are not available, two professional alternative reference verifications may be supplemented for the landlord references.

CRIMINAL HISTORY

Mercy Housing is committed to providing a safe environment for residents at 1100 Ocean. Applicants will be asked to disclose criminal history on their applications. This information will be verified by conducting criminal record checks through a designated agency of Mercy Housing Management Group.

Prior records of involvement in criminal activity or convictions for crimes that involve violence to persons or property, which would adversely affect the health, safety, or welfare of others, would be a reason for denial of eligibility, as detailed in the following criteria.

A criminal history background reference check is conducted to determine if applicants and/or members of an applicant's household have any of the following history of criminal activity;

- 1. Arson and/or destruction of property
- 2. Manufacture, sale, possession and/or distribution of illegal drugs
- 3. Violence towards landlords, neighbors or other community members
- 4. Crimes against children or any at-risk person
- 5. Registered sex offender or criminal sex offenses
- 6. Other violent criminal activity

Mercy Housing Management Group will make a determination based on the criminal background check if the prior record of involvement in criminal activity or convictions for crimes will result in a denial of the applicant eligibility.

Mercy Housing Management Group's determination of denial of applicant eligibility will be based on the:

- 1. Seriousness of the offense
- 2. Effect on the community
- 3. Extent of participation by the applicant effected as outlined by underlying federal programs state that that denial of admission or termination of assistance may apply if any or all family members are determined to be ineligible for assistance.
- 4. Effect that denial of admission or termination of assistance would have on the other members of the household
- 5. Extent that the applicant has shown personal responsibility and taken all reasonable steps to prevent or mitigate the offending action

The decision will be made at the discretion of the Area Director.

If unfavorable items are found in a report and noted as cause for ineligibility, households are encouraged to review and utilize the Grievance and Appeal Procedure if they so choose. In that process, Property Management Staff, in conjunction with the building's service provider, and Mercy Housing California, may review concerns with the Applicant household and their case

manager (as applicable) to determine the household's continued eligibility.

VERIFICATION PROCESS – ALL UNITS

Following is a description of each of the factors and the method of verification being used. Regulatory Agencies, investors and the IRS require written proof of income for every person in each household, therefore 1100 Ocean Management staff verifies this information to ensure that it is accurate. All verifications must be obtained in writing from the income source and are kept in the household's file.

Personal information is verified (ages, birth dates, social security numbers) through documentation such as birth certificates or other identification and a Social Security card. Mercy Management staff sends verification forms to the appropriate entities. The entire process may include:

- Running a credit/criminal check (much of the information on the application can be verified through a credit check).
- Contacting previous landlords, shelters, agencies and personal references.
- Verifying the sources of income listed by the applicant, which may include: private Employer, Social Security, public aid, military, Veterans' Administration, pension plans, unemployment insurance, etc.
- Verifying all other information given by the household, including student status and physical disabilities.

History of Housekeeping and Care of Property

Staff will request written references from the applicant's current landlord and previous landlords for the past two (2) years. Based upon these verifications, Mercy Housing Management will determine if the applicant is able and willing to maintain an apartment in a clean and sanitary manner, refraining from damaging the unit.

The applicant will not be held accountable for conditions, which are or could be the responsibility of the property owner, or conditions which are otherwise not within the control of the applicant to remedy.

History of Rent Paying Habits and Credit

Staff will request credit histories on each adult member of each applicant household and will request phone references from the applicant's current landlord and former landlords for the past two (2) years. Based upon these verifications, the staff will determine if the applicant(s) was paid rent on time, took care of the unit, and if the landlord would rent to them again. If the landlord provides a good reference, Staff will move forward with the application process. If the landlord

provides a negative reference, this shall be grounds for an ineligibility determination.

Applicants who have failed to pay amounts due or failed to reach a satisfactory agreement to pay those amounts will also be considered ineligible.

Management will initiate an eviction history and credit report. The applicant shall be notified of such action in advance. Applicants will be charged the actual costs of the credit and criminal records reports or the maximum allowable fee set by statute; whichever is less. Applicants of properties with HUD rental subsidies will not be charged for the reports.

Should there be a finding of any kind, which would negatively impact an applicant's application; the applicant will be notified in writing. The applicant then shall have 10 calendar days in which such a filing may be appealed to staff for consideration.

Applicants will be considered if they have a poor credit history when they were occasionally late paying bills or rent in the past (fewer than 3 times per year); were delinquent in rent because they were withholding rent due to substandard housing conditions in a manner consistent with local ordinance; or had a poor rent paying history clearly related to an excessive rent relative to their income, and responsible efforts were made to resolve the non-payment problem.

Applicants will be considered if they have any unpaid balances from previous rentals in the last five (5) years and have entered into a payment agreement.

Applicants will be considered if they have resided in homes they owned during the prior five years or more can provide proof of timely mortgage, insurance or property tax payments in order to demonstrate their ability to meet the financial requirements of the lease.

Applicants who have been homeless or who have lived in housing for which they were not financially responsible must provide references from person(s) with whom they have had a professional relationship to demonstrate their ability to meet the financial conditions of the lease. (Letters of reference from family members will not be accepted.)

History of Utility Services

The staff will request written confirmation from the applicable utility companies that applicants are able to obtain utility services in their names.

An applicant who has a past due balance with a utility company which must be paid prior to obtaining new service will not be ineligible providing the applicant is able and willing to make full payment.

Criminal Records Check

The following standards are established to comply with the Federal Laws:

A. A household member, who was previously evicted due to drug-related criminal activity,

will not be admitted for 3 years after the date of the eviction or conviction. To be admitted, the household member will have to provide the following:

- 1. Proof of successful completion of an approved supervised drug rehabilitation program; or
- 2. Proof that the circumstance leading to the eviction and/or conviction no longer exist and the applicant has been clean and sober for at least 1 year.
- B. A household member convicted of drug-related criminal activity for manufacture or production of methamphetamine on the premises of federally assisted housing will not be admitted under any circumstances.
- C. A household member currently engaged in use of a drug or if the owner has reasonable cause to believe that a household member's illegal use of a drug or pattern of illegal use may interfere with the health, safety or right to peaceful enjoyment of the premise by other residents will not be admitted.

 - 1. Non drug-related criminal activity; will not be admitted for 3 years after the date of the conviction;

Such household member will be required to provide personal certification along with supporting documentation from a probation officer, landlord, and/or social service workers. The Area Director and/or Compliance Specialist at Mercy Housing Management will be required to review current criminal records.

Determination of acceptability will be based on the; 1) the seriousness of the offense; 2) the effect on the community; 3) extent of participation by the applicant in required counseling and rehabilitation programs; 4) the effect that denial of admission or termination of assistance would have on other members of the household; 5) the demand for assisted housing by other families who will adhere to lease responsibilities; 6) the extent that the applicant has shown personal responsibility and taken all reasonable steps to prevent or mitigate the offending action; 7) the effect on the integrity of the program. The decision will be made at the discretion of the Regional Vice President and/or Compliance Supervisor.

Staff will hire a contractor to run a credit check and criminal background check on all applicants and it will check court records for evidence of evictions or judgments against the applicant and evidence of criminal convictions. The purpose of these checks is to obtain information on the applicant's past history of meeting financial obligations and future ability to make timely rent

payments and to abide by the federal laws regarding the prohibition of admitting any applicant with specific criminal activity including drug-related activity. These standards are established to comply with the federal laws.

Prior records of involvement in criminal activity or convictions for crimes that involve violence to persons or property, which would adversely affect the health, safety, or welfare of other residents satisfies one of the criteria for a determination of ineligibility.

- No record of felony convictions within the past two (2) years;
- No record of criminal sexual activity ever;

The denial of eligibility may be based on any one of the following:

- extent of participation by the applicant in the crime;
- effect that denial of admission or termination of assistance would have on other members of the household;
- demand for assisted housing by other applicants who will adhere to lease responsibilities;
- Effect on the integrity of the program.

Summary:

Applicants who fail to satisfactorily meet any of the Resident Selection Criteria described above will be considered ineligible and will be notified in writing of the determination. In determining eligibility on the basis of these criteria, staff will give fair and equitable consideration to factors such as:

- Length of time since the objectionable incident(s);

In the grievance process, they may provide additional information to Property Management and Resident Services staff to appeal the decision.

There are three kinds of notification:

 - ii. If for any reason an application is denied, the Applicant and the referring agency will be informed in writing (i.e. e-mail, mail, fax) and given the Grievance Procedure required for an appeal (See Attachment X-add to final version). A unit will not be held during an appeal process as outlined in the Grievance Procedure.

UNIT ASSIGNMENT - GENERAL POPULATION UNITS AND WAITLIST

MHMG will maintain a waitlist for housing opportunities for 45 units at 1100 Ocean. The Waiting Lists will be maintained according to family size, the percentage of area median income the annual income is, and type of unit for applicant households. The Waiting List remains open with the understanding that those who are listed are fully informed of its length and the policies/procedures for selecting individuals and updating the list when they apply and are added to the list.

- 1. If no units are available, an eligible applicant will be placed on a Waiting List.
- 2. If the existing Waiting List contains so many names that the average wait for a unit is a year or more, the property may decline to accept additional applications. In this case, the Waiting List is "closed". An announcement (via posting in property office, on property voicemail or advertising in local newspapers) will be made when the Waiting List closes and when the Waiting List reopens.

UNIT TRANSFER POLICY

Although one of the goals of 1100 Ocean is to accommodate resident's needs and to facilitate their quiet enjoyment of the premises, in-house transfers increase workloads for both the property's administrative and maintenance staff, as well as negatively affects the property's financial position. In order to allow 1100 Ocean' residents the possibility of transferring to another unit without placing an undue burden on the property's staff and operating budget, the following Unit Transfer Policy has been adopted. Transfers from one unit to another type of unit within the property may be required by management for the following reasons only:

- 1. To alleviate overcrowding;
- 2. To avoid occupancy by too few people; Households under the minimum standard for occupancy are required to transfer to the next available unit of appropriate size:
- 3. Reasonable Accommodation For verifiable medical necessity, i.e. wheelchair accessible unit or additional space for medical equipment;
- 4. Threat of Violence For emergency temporary relocation. (If a unit becomes uninhabitable due to a catastrophe, the resident family will be given any open unit for temporary living quarters until their own unit is repaired. An "open unit" is a unit for which the keys are in the possession of the management company.)

Criteria for a unit transfer at 1100 Ocean is as follows: [criteria subject to change].

- 1. Every third (3rd) vacant unit that becomes available will be offered to the Unit Transfer Waiting List. The exception to this provision of the Unit Transfer Policy is if a Wheelchair Accessible Unit becomes vacant. If an accessible unit is available and there is a resident on the transfer list who requires a wheelchair accessible unit for mobility impairment, they will be given priority. If there is no one on the transfer list that requires an accessible unit, then the third vacancy requirement will be filled by applicants from the non-resident waiting list.
- 2. Those in need of a Wheelchair Accessible Unit for mobility impairment are given first priority on the Unit Transfer Waiting List for that type of unit. All other requests will be handled in the order received. However, requests for transfers for mobility accessibility reasons will be prioritized in the order that the requests were originally submitted to the staff, given the following verifications are provided:
 - a. The resident requesting an accessible unit for mobility impairment must first meet with the Manager or Resident Services Coordinator and complete a request form.
 - b. The resident must then sign a verification form authorizing her/his physician to provide information regarding their mobility impairment directly to us.
 - c. The verification form will be sent to the resident's primary care physician by the Property Manager to verify the following information:

- 1) The need for an accessible unit in order to provide reasonable accommodation for mobility impairment.
- 2) Whether the need for the accessible unit is permanent or temporary.
- d. Management must receive the signed physician information statement directly from the physician.

3. In Order to allow an in-house transfer, management must:

- a. Review the resident's income and adjust the rent for the new unit as needed prior to moving in. This will be in advance of receiving the balance of their security deposit from their previous unit.
- b. The current unit must be inspected and if there is any damage, or alternations other than normal wear and tear, the resident must pay for the damages or alterations before transferring to the new unit.
- c. No alterations shall be made to the new unit without first receiving written approval from the management.
- d. The resident must also be in "good standing" in all other aspects of the lease
- 4. No one is exempt from paying cost or fees for situations mentioned in # 3 a-b above.
- 5. Under special circumstances property management may request a unit transfer. There are no restrictions on the number of times management can make such requests. The management request may take precedence over the Unit Transfer Waiting List. When a transfer is due to a management request, the requirement for the security deposit and damages paid in advance may be waived.
- 6. It is the residents' responsibility to move all of their possessions and furniture to the new unit. It is not the responsibility of the maintenance staff.
- 7. Residents can only transfer once except for accessibility reasons or at management's request.
- 8. If a resident is asked to transfer to a unit that is available and they say no, then they will remain in the same place on the unit transfer waiting list. However, the next person on the list will be asked.
- 9. If a resident is notified a second time that a unit is available and they refuse, then their name will be moved to the bottom of the unit transfer waiting list.
- 10. A resident will not be removed from the unit transfer waiting list unless they notify management of such a request in writing

The Property Manager is responsible for keeping the transfer waiting list up-to-date by sending a

notice to persons on the transfer waiting list annually by mail, and enclosing a form for them to send back to 1100 Ocean Management Office indicating whether they are interested in still being on the waiting list. Persons for whom no confirmation is received, or who indicate they no longer wish to be on the waiting list, will have their names removed from the list. The Property Manager will verify priority status prior to starting the process of obtaining current income verifications and update any information that may have changed regarding the size or composition of their households.

REASONABLE ACCOMMODATIONS

It is MHM'S intent to provide reasonable accommodation and reasonable modification whenever possible. The Property Manager will discuss possibilities for accommodating residents with the Area Director whenever such requests are made. In California, all requests for accommodations or modifications require MHM Regional Vice President approval.

All applications will be accepted or denied in writing using the "Report of Findings Regarding Request for Accommodation or Modification" within a reasonable period of time.

All applications will follow the Procedure for Application Regarding Reasonable Accommodation and Modification. Applications and policy are available from the Property Manager.

PET POLICY

Property Management will require prior written request from any Resident who wishes to maintain a Service or Companion Animal.

- 1. No pets are allowed (except fish and small birds)
- 2. Service animals or Companion animals with a doctor's statement are not pets.

SMOKING POLICY

- 1. No smoking is allowed in the apartments or any of the exterior and interior common areas of the community.
- 2. No smoking is allowed with 15 feet of the exterior of the building.

MODIFICATION OF THE RESIDENT SELECTION CRITERIA PLAN

By providing this information, project owners will help provide context for the conclusions that can be made about the measurements. MOHCD will use the measurements and the information below to prioritize the projects that need closer scrutiny and support. Please supply as much information as is readily available.

Tenant Selection Plan Policy

This policy is in addition to the obligations to comply with applicable federal, state and local civil rights laws, including laws pertaining to reasonable accommodation and limited English proficiency (LEP), and the applicable provision of the Violence Against Women Act, Pub. Law 109-62 (January 5, 2006), as amended.

Application Process

- Application Materials. The housing provider's written and/or electronic application materials should:
 - o outline the screening criteria that the housing provider will use;
 - o provide space(s) for the applicant to explain any conviction, eviction, tenancy issues or credit concerns and present evidence that he or she will be a suitable tenant;
 - outline how an applicant may request a modification of the admission process and/or a change in admission policies or practices as a reasonable accommodation:
 - o be written in language that is clear and readily understandable.
- First Interview. In accordance with the housing provider policies, each applicant with the minimum eligibility requirements for housing unit shall be offered the opportunity for an interview.
- Second Interview. Before issuing a denial, the housing provider should consider offering a second interview to resolve issues and inconsistencies, gather additional information, and assist as much as possible with a determination to admit the applicant.
- Confidentiality. All information provided will be kept confidential and be used only by the housing provider, the referring agency and the funding agency for the purpose of assisting and evaluating the applicant in the admission process.
- Delays in the Process. If delays have occurred or are likely to occur in the application
 and screening process or the process exceeds the housing provider's normal timeline for
 application and screening, the housing provider must immediately inform the referring
 agency and the funding agency, of the status of the application, the reason for the delay
 and the anticipated time it will take to complete the application process.
- Problems with the Referring Agency. If at any point the housing provider has difficulty reaching or getting a response from the applicant and referring agency, the housing provider must immediately contact the referring agency, if possible, and the funding agency, DPH or HSA.

• <u>Limited English Proficiency Policy</u>. Throughout the application process, the housing provider must comply with the language access requirements for applicants with limited English proficiency.

Reasonable Accommodation and Modification Policy

Reasonable Accommodation: The application process should provide information about how an applicant may make a reasonable accommodation request. At any stage in the admission process, an applicant may request a reasonable accommodation, if the applicant has a disability and as a result of the disability needs a modification of the provider's rules, policies or practices, including a change in the way that the housing provider communicates with or provides information to the applicant that would give the applicant an equal chance to be selected by the housing provider to live in the unit.

Reasonable Modification: Applicant may request a reasonable modification if he or she has a disability and as a result of the disability needs:

- o a physical change to the room or housing unit that would give the applicant an equal chance to live at the development and use the housing facilities or take part in programs on site;
- o a physical change in some other part of the housing site that would give the applicant an equal chance to live at the development and use the housing facilities or take part in programs on site.

Response to Request: The housing provider shall respond to a request for reasonable accommodation or modification within ten (10) business days. The response may be to grant, deny, or modify the request, or seek additional information in writing or by a meeting with the applicant. The housing provider will work with the applicant and referring agency to determine if there are ways to accommodate the applicant.

The housing provider shall grant the request if the provider determines that:

- o the applicant has a disability;
- o reasonable accommodation or modification is necessary because of the disability; and
- o the request is reasonable (i.e., does not impose an undue financial or administrative burden or fundamentally alter the nature of the housing program.)

If the reasonable accommodation request is denied, the rejection must explain the reasons in writing. If the denial of the reasonable accommodation request results in the applicant being denied admission to the unit, the provisions of the section on Notice of Denial and Appeal Process apply.

Notice of Denial and Appeal Process

- The housing provider shall:
 - o promptly send a written and electronic notice (to the addresses provided) to each applicant denied admission with a written and/or electronic copy to the referring agency and the funding agency. The notice should:

- list all the reasons for the rejection, including the particular conviction or convictions that led to the decision in cases where past criminal offenses were a reason for rejection;
- explain how the applicant can request an in person appeal to contest the decision;
- state that an applicant with a disability is entitled to request a reasonable accommodation to participate in the appeal;
- inform the applicant that he or she is entitled to bring an advocate or attorney to the in person appeal;
- provide referral information for local legal services and housing rights organizations;
- describe the evidence that the applicant can present at the appeal;
- o give applicants denied admission a date within which to file the appeal, which shall be at least ten (10) business days from the date of the notice;
- o unless an extension is agreed to by the applicant and the housing provider, hold the appeal within ten (10) business days of the request for the appeal;
- o confine the subject of the appeal to the reason for denial listed in the notice;
- o give the applicant a chance to present documents and/or witnesses showing that he or she will be a suitable tenant;
- o have an impartial supervisor or manager from the housing provider, but who is not the person who made the initial decision or a subordinate of the person who made the initial decision, conduct the appeal;
- o within 5 business days of the in person appeal, provide the applicant with a written decision that states the reason for the decision and the evidence relied upon. A copy of the written decision must be sent (electronically or otherwise) to the referring agency and the funding agency.
- If the rejection is based on a criminal background check obtained from a tenant screening agency, the Fair Credit Reporting Act and the Investigative Consumer Reporting Agencies Act impose additional notice requirements.²

² Fair Credit Reporting Act (FCRA), 15 U.S.C. § 1681 et seq. and Investigative Consumer Reporting Agencies Act (ICRAA), Cal. Civ. Code § 1786 et seq.

EXHIBIT I

Tenant Screening Criteria Policy

The City expects that housing providers will use maximum feasible efforts to ensure that those individuals and families who are referred are accepted for occupancy in a timely fashion. To that end, the City has adopted the following screening criteria for applicants with a criminal record. If a problem arises in the application and screening process that may cause unreasonable delay in screening outcome, the housing provider should immediately notify the referring agency and DPH or HSA to assist with an expeditious resolution.

The screening criteria and considerations outlined below encourage providers to "screen in" rather than "screen out" applicants who have a criminal record. They describe a minimum level of leniency; providers are encouraged to adopt less restrictive policies and processes whenever appropriate. For example, providers may opt not to review or consider applicant criminal records at all.

Screening Criteria

- Housing providers shall not automatically bar applicants who have a criminal record³ in recognition of the fact that past offenses do not necessarily predict future behavior, and many applicants with a criminal record are unlikely to re-offend.
- Housing providers shall not consider:
 - o arrests that did not result in convictions, except for an open arrest warrant;
 - o convictions that have been expunged or dismissed under Cal. Penal Code § 1203.4 or 1203.4a;⁴
 - o juvenile adjudications.
- Housing providers shall consider:
 - o the individual circumstances of each applicant; and
 - o the relationship between the offense, and
 - (1) the safety and security of other tenants, staff and/or the property; and
 - (2) mitigating circumstances such as those listed below.
 - only those offenses that occurred in the prior 3 years, except in exceptional situations, which must be documented and justified, such as where the housing provider staff is aware that the applicant engaged in violent criminal activity against staff, residents or community members and/or that the applicant intentionally submitted an application with materially false information regarding criminal activity. As necessary, DPH or HSA will assess the justification for a longer look-back period and determine whether an exception is warranted. In these exceptional situations, the housing provider may consider offenses that occurred in the prior 5 years.
 - o mitigating factors, including, but not limited to:

³ The policy recognizes that some housing may be subject to mandatory laws that require the exclusion of an applicant based upon certain types of criminal activity.

⁴ The purpose of the statute is allow a petitioner to request a dismissal of the criminal accusations, a change in plea or setting aside of a verdict and to seek to have certain criminal records sealed or expunged and a release "from all penalties and disabilities resulting from the offense."

- (1) the seriousness of the offense;
- (2) the age and/or circumstances of the applicant at the time of the offense;
- (3) evidence of rehabilitation, such as employment, participation in a job training program, continuing education, participation in a drug or alcohol treatment program, or letters of support from a parole or probation officer, employer, teacher, social worker, medical professional, or community leader;
- (4) if the offense is related to acts of domestic violence committed against the applicant;
- (5) if the offense was related to a person's disability.

OPERATIONAL RULES FOR RESIDENTIAL CERTIFICATE OF PREFERENCE (COP) HOLDER AND ELLIS ACT HOUSING PREFERENCE (EAHP) PRIORITY

The Borrower hereby agrees that first preference in occupying units designated for Low Income Households (Low Income Units) will be given to persons displaced from their homes by redevelopment activities who have been issued a Residential Certificate of Preference (COP) and who meet all qualifications for the unit.

The Borrower further agrees that second preference in occupying units designated for Low Income Households will be given to persons displaced from their homes by an Ellis Act Eviction who have been issued an Ellis Act Housing Preference Program (EAHP) Certificate and who meet all qualifications for the unit.

For new residential developments going through the initial lease-up process, the EAHP priority shall apply to twenty percent (20%) of the Low Income Units. Thus, if the number of units available exceeds the number of qualified applicants who hold a COP or other preference as dictated by specific loan documents or marketing plan, the next priority will go to EAHP certificate holders for up to 20% of the total Low Income Units. The EAHP priority does not apply at initial lease-up or sale to buildings having four (4) or fewer Low Income Housing Units. However, the EAHP priority does apply to these same units upon re-rental.

Low Income Units with other occupancy priorities required by law, contract, or program rules may apply the COP and EAHP after other preferences, with COP holders being granted priority above EAHP certificate holders. Preferences required by a former Redevelopment Project Area Plan are not pre-empted by the COP Program or the Ellis Act Housing Preference Program. Preferences required by the LOSP, Direct Access to Housing Program, Housing First Program, or other government program are not be pre-empted by the Ellis Act Housing Preference Program.

Marketing Plan

The Borrower agrees to supply Mayor's Office of Housing and Community Development (The City) with a complete and updated marketing plan at least six months prior to construction completion. This information shall not be changed without providing The City with fourteen (14) calendar days' written notice.

Outreach to Certificate Holders

The City shall furnish the following:

- Written and/or printed notices to COP and EAHP certificate holders advising them that units will soon be available. COP mailings are at the cost of the Borrower.
- Assistance to qualified tenants in filing COP and EAHP applications by support service staff or referral to an appropriate housing counseling organization

The Borrower agrees to:

- Upon initial lease up, conducting at least one general informational meeting for all
 persons interested in applying for occupancy in the development, at which the Borrower
 shall review application procedures.
- Specifically for COP and EAHP certificate holders, make support services staff available
 to provide assistance throughout the application process, as it may be needed, with the
 goal of maximizing COP/EAHP participation to the extent possible. The Borrower shall
 ensure that COP/EAHP holders are aware that such assistance is available.

Application

A. The Borrower agrees to ask the following questions on all applications for occupancy:

- 1. "Have you been displaced from your home or residence by the San Francisco Redevelopment Agency?"
- 2. "Do you have an Ellis Act Housing Preference Certificate?"

The address from which displacement occurred shall be requested, but not required, if the applicant answers affirmatively to either question.

Pre-Lottery Application Status Reports

The Borrower agrees to supply The City with the names, addresses, and certificate numbers (when available) of applicants who indicate they are eligible for COP or EAHP priority status. A status report with this information will be provided, at a minimum, every seven (7) calendar days from the initial date applications are accepted. The City will, in turn, verify within fourteen (14) calendar days which such applicants are qualified as COP or EAHP certificate holders.

If material supplied in any application by a COP or EAHP holder indicates ineligibility on its face because of the Borrower's rules and regulations, such applicant will be notified in writing within seven (7) calendar days, with a copy to The City. The status report to The City shall reflect that the application has been closed and shall indicate the reason for rejection.

After the application period has closed, and prior to lottery proceedings, a non-prioritized list of all interested applicants will be provided to The City. The list shall include applicant names, addresses, and whether the applicant holds a COP or an EAHP certificate.

Lottery

Borrowers shall ensure that all COP holders receive first priority for occupancy and EAHP certificate holders receive second priority for occupancy in 20% of units, except in cases where approved and documented occupancy priorities preempt the COP and EAHP preferences. EAHP certificate holders who are not offered a unit in the 20% set aside shall have equal chance at any remaining units as other qualified applicants.

The Borrower shall hold a public lottery to select renters. Applicants who submit a complete application by the application deadline receive a numbered lottery ticket whose twin ticket is

entered into the lottery. Upon pre-approval from The City, lotteries may also be conducted using names of applicants. Lotteries are held in a public, accessible location. Applicants are invited to attend lotteries, but attendance is not mandatory.

To conduct the lottery, The City and/or the Borrower shall pull application tickets from a vessel and order and record the lottery results in rank order by application ticket number. When using names, Borrower shall pre-enter all applicant names onto individual name cards. All EAHP certificate holders should have two name cards. Names shall be pulled from a vessel in rank order. There should be separate lotteries held for each preference. First, COP holders will be drawn and ranked, followed by EAHP applicants, followed by applicants from the general population. The EAHP certificate holder's second card will be included in the general lottery.—Electronic lotteries are not allowed.

The Borrower should use a large computer or projector screen or hand printed flip chart sheets to display all numbers/names drawn and the sequenced lottery number assigned for each preference lottery and the general lottery. This can be done by listing all applicants in separate columns under each preference category.

The Borrower should record each name card/number ticket assigned a lottery number onto a computer master list as well as a hand printed paper list for double checking.

Results will remain projected on a screen or posted flip chart paper throughout the lottery drawing process for the public to view and record results.

The Borrower shall record the order of lottery numbers/names drawn and produce a final lottery list for each preference and for the general lottery. Once the lottery preferences have been confirmed and applied, applicants shall be notified of their position in the lottery.

Post-Lottery Status Report

Within seven (7) business days of any lottery the Borrower shall supply The City with the lottery results including the rank order of each applicant and a record of COP and EAHP certificate holders.

Thereafter, at least every seven (7) calendar days following any lottery or upon initiating lease-up, the Borrower shall supply The City with a "status report" listing names, addresses, and certificate numbers (when available) of COP and EAHP certificate holders indicating the status of each application as of that date until all Low Income Units are leased. If ineligibility is determined, the applicant will be notified in writing within one week after such determination is made, with a copy to The City. These applicants will also appear on the status report.

Response Deadline

Applicants who have been accepted and notified in writing by the Borrower shall have at least ten (10) calendar days thereafter to enter into a lease agreement. If the applicant fails to affirmatively respond, the application may be closed, making that unit available to the next eligible tenant. Written notice shall be provided to applicants whose applications are closed after 10 days due to a lack of response. Rejection of the unit by a COP or EAHP certificate holder and closed applications must be shown on the status report to The City.

Final Documentation

Within fourteen (14) calendar days after execution of a lease, the Borrower shall supply The City with a copy of the following for all COP and EAHP tenants:

- signed copy of lease
- copy of complete application
- a demographic report on all COP and EAHP applicants

Re-rental of Low Income Units

Upon re-rental of any Low Income Unit or when re-opening the project waitlist to new applicants, the Borrower shall notify The City in advance of any vacancy or waitlist opportunity. In no event shall The City be notified fewer than thirty (30) days before the date of re-occupancy for a vacant unit. In no event shall The City be notified fewer than thirty (30) days before a closed waitlist is re-opened for new applications. Violation of the thirty (30) day notification requirement may delay re-occupancy.

Appeals, response deadline, application forms, and final documentation requirements listed above shall apply to all re-rentals.

Waitlists

Borrowers filling unit vacancies off a waitlist must accept applications from approved COP and EAHP certificate holders at any time, regardless of whether the waitlist is closed to other applicants. If a COP or EAHP certificate holder is found eligible for a Low Income Unit in the building, they shall be placed at the top of the waitlist.

No more than seven (7) calendar days following the date that any new applications are accepted for a waitlist, the Borrower shall supply The City with a status report listing names, addresses and certificate numbers (when available) of COP and EAHP certificate holders indicating the status of each application as of that date and the reason for any rejections.

The City will, in turn, verify within seven (7) calendar days which such applicants are qualified as COP or EAHP certificate holders.

On an annual basis and each time a new waitlist is established, The City shall be provided with a complete list of all applicant names, rank on the waitlist, and whether they hold a COP or EAHP certificate upon finalization of the waitlist.

Lotteries

Borrowers that fill unit vacancies using a lottery process must adhere to the procedures pertaining to lotteries and status reports for new and vacant buildings.

Other Re-rental Processes

Borrowers that fill unit vacancies using some other process than an established waitlist or a lottery, such as those who use a first-come first-served method, must consult The City prior to beginning the lease up process. This will ensure a fair, transparent process that adheres to the required COP and EAHP priorities.

OPERATIONAL RULES FOR RESIDENTIAL CERTIFICATE OF PREFERENCE (COP) HOLDER AND ELLIS ACT HOUSING PREFERENCE (EAHP) PRIORITY

The Borrower hereby agrees that first preference in occupying units designated for Low Income Households (Low Income Units) will be given to persons displaced from their homes by redevelopment activities who have been issued a Residential Certificate of Preference (COP) and who meet all qualifications for the unit.

The Borrower further agrees that second preference in occupying units designated for Low Income Households will be given to persons displaced from their homes by an Ellis Act Eviction who have been issued an Ellis Act Housing Preference Program (EAHP) Certificate and who meet all qualifications for the unit.

For new residential developments going through the initial lease-up process, the EAHP priority shall apply to twenty percent (20%) of the Low Income Units. Thus, if the number of units available exceeds the number of qualified applicants who hold a COP or other preference as dictated by specific loan documents or marketing plan, the next priority will go to EAHP certificate holders for up to 20% of the total Low Income Units. The EAHP priority does not apply at initial lease-up or sale to buildings having four (4) or fewer Low Income Housing Units. However, the EAHP priority does apply to these same units upon re-rental.

Low Income Units with other occupancy priorities required by law, contract, or program rules may apply the COP and EAHP after other preferences, with COP holders being granted priority above EAHP certificate holders. Preferences required by a former Redevelopment Project Area Plan are not pre-empted by the COP Program or the Ellis Act Housing Preference Program. Preferences required by the LOSP, Direct Access to Housing Program, Housing First Program, or other government program are not be pre-empted by the Ellis Act Housing Preference Program.

Marketing Plan

The Borrower agrees to supply Mayor's Office of Housing and Community Development (The City) with a complete and updated marketing plan at least six months prior to construction completion. This information shall not be changed without providing The City with fourteen (14) calendar days' written notice.

Outreach to Certificate Holders

The City shall furnish the following:

- Written and/or printed notices to COP and EAHP certificate holders advising them that units will soon be available. COP mailings are at the cost of the Borrower.
- Assistance to qualified tenants in filing COP and EAHP applications by support service staff or referral to an appropriate housing counseling organization

The Borrower agrees to:

- Upon initial lease up, conducting at least one general informational meeting for all
 persons interested in applying for occupancy in the development, at which the Borrower
 shall review application procedures.
- Specifically for COP and EAHP certificate holders, make support services staff available to provide assistance throughout the application process, as it may be needed, with the goal of maximizing COP/EAHP participation to the extent possible. The Borrower shall ensure that COP/EAHP holders are aware that such assistance is available.

Application

- A. The Borrower agrees to ask the following questions on all applications for occupancy:
 - 1. "Have you been displaced from your home or residence by the San Francisco Redevelopment Agency?"
 - 2. "Do you have an Ellis Act Housing Preference Certificate?"

The address from which displacement occurred shall be requested, but not required, if the applicant answers affirmatively to either question.

Pre-Lottery Application Status Reports

The Borrower agrees to supply The City with the names, addresses, and certificate numbers (when available) of applicants who indicate they are eligible for COP or EAHP priority status. A status report with this information will be provided, at a minimum, every seven (7) calendar days from the initial date applications are accepted. The City will, in turn, verify within fourteen (14) calendar days which such applicants are qualified as COP or EAHP certificate holders.

If material supplied in any application by a COP or EAHP holder indicates ineligibility on its face because of the Borrower's rules and regulations, such applicant will be notified in writing within seven (7) calendar days, with a copy to The City. The status report to The City shall reflect that the application has been closed and shall indicate the reason for rejection.

After the application period has closed, and prior to lottery proceedings, a non-prioritized list of all interested applicants will be provided to The City. The list shall include applicant names, addresses, and whether the applicant holds a COP or an EAHP certificate.

Lottery

Borrowers shall ensure that all COP holders receive first priority for occupancy and EAHP certificate holders receive second priority for occupancy in 20% of units, except in cases where approved and documented occupancy priorities preempt the COP and EAHP preferences. EAHP certificate holders who are not offered a unit in the 20% set aside shall have equal chance at any remaining units as other qualified applicants.

The Borrower shall hold a public lottery to select renters. Applicants who submit a complete application by the application deadline receive a numbered lottery ticket whose twin ticket is

entered into the lottery. Upon pre-approval from The City, lotteries may also be conducted using names of applicants. Lotteries are held in a public, accessible location. Applicants are invited to attend lotteries, but attendance is not mandatory.

To conduct the lottery, The City and/or the Borrower shall pull application tickets from a vessel and order and record the lottery results in rank order by application ticket number. When using names, Borrower shall pre-enter all applicant names onto individual name cards. All EAHP certificate holders should have two name cards. Names shall be pulled from a vessel in rank order. There should be separate lotteries held for each preference. First, COP holders will be drawn and ranked, followed by EAHP applicants, followed by applicants from the general population. The EAHP certificate holder's second-card will be included in the general lottery. Electronic lotteries are not allowed.

The Borrower should use a large computer or projector screen or hand printed flip chart sheets to display all numbers/names drawn and the sequenced lottery number assigned for each preference lottery and the general lottery. This can be done by listing all applicants in separate columns under each preference category.

The Borrower should record each name card/number ticket assigned a lottery number onto a computer master list as well as a hand printed paper list for double checking. Results will remain projected on a screen or posted flip chart paper throughout the lottery drawing process for the public to view and record results.

The Borrower shall record the order of lottery numbers/names drawn and produce a final lottery list for each preference and for the general lottery. Once the lottery preferences have been confirmed and applied, applicants shall be notified of their position in the lottery.

Post-Lottery Status Report

Within seven (7) business days of any lottery the Borrower shall supply The City with the lottery results including the rank order of each applicant and a record of COP and EAHP certificate holders.

Thereafter, at least every seven (7) calendar days following any lottery or upon initiating lease-up, the Borrower shall supply The City with a "status report" listing names, addresses, and certificate numbers (when available) of COP and EAHP certificate holders indicating the status of each application as of that date until all Low Income Units are leased. If ineligibility is determined, the applicant will be notified in writing within one week after such determination is made, with a copy to The City. These applicants will also appear on the status report.

Response Deadline

Applicants who have been accepted and notified in writing by the Borrower shall have at least ten (10) calendar days thereafter to enter into a lease agreement. If the applicant fails to affirmatively respond, the application may be closed, making that unit available to the next eligible tenant. Written notice shall be provided to applicants whose applications are closed after 10 days due to a lack of response. Rejection of the unit by a COP or EAHP certificate holder and closed applications must be shown on the status report to The City.

Final Documentation

Within fourteen (14) calendar days after execution of a lease, the Borrower shall supply The City with a copy of the following for all COP and EAHP tenants:

- signed copy of lease
- copy of complete application
- a demographic report on all COP and EAHP applicants

Re-rental of Low Income Units

Upon re-rental of any Low Income Unit or when re-opening the project waitlist to new applicants, the Borrower shall notify The City in advance of any vacancy or waitlist opportunity. In no event shall The City be notified fewer than thirty (30) days before the date of re-occupancy for a vacant unit. In no event shall The City be notified fewer than thirty (30) days before a closed waitlist is re-opened for new applications. Violation of the thirty (30) day notification requirement may delay re-occupancy.

Appeals, response deadline, application forms, and final documentation requirements listed above shall apply to all re-rentals.

Waitlists

Borrowers filling unit vacancies off a waitlist must accept applications from approved COP and EAHP certificate holders at any time, regardless of whether the waitlist is closed to other applicants. If a COP or EAHP certificate holder is found eligible for a Low Income Unit in the building, they shall be placed at the top of the waitlist.

No more than seven (7) calendar days following the date that any new applications are accepted for a waitlist, the Borrower shall supply The City with a status report listing names, addresses and certificate numbers (when available) of COP and EAHP certificate holders indicating the status of each application as of that date and the reason for any rejections.

The City will, in turn, verify within seven (7) calendar days which such applicants are qualified as COP or EAHP certificate holders.

On an annual basis and each time a new waitlist is established, The City shall be provided with a complete list of all applicant names, rank on the waitlist, and whether they hold a COP or EAHP certificate upon finalization of the waitlist.

Lotteries

Borrowers that fill unit vacancies using a lottery process must adhere to the procedures pertaining to lotteries and status reports for new and vacant buildings.

Other Re-rental Processes

Borrowers that fill unit vacancies using some other process than an established waitlist or a lottery, such as those who use a first-come first-served method, must consult The City prior to beginning the lease up process. This will ensure a fair, transparent process that adheres to the required COP and EAHP priorities.

1. SUMMARY

The 1100 Ocean Avenue Associates LP (partnership between Mercy Housing Calwest and Bernal Heights Housing Corporation) is requesting \$179,788 to cover the period from February 1, 2015 through December 31, 2015, when occupancy is expected to begin through to the end of the calendar year. The funds cover the operational costs for 19 Transition Age Youth (TAY) units at 1100 Ocean Avenue Apartments. Tenants for the units to be covered under this LOSP agreement will be referred by San Francisco's Human Services Agency (HSA) for eligible TAY households. The entire 15-year contract shall run from February 1, 2015 to January 31, 2031, totaling \$3,745,498.

The project is a five-story affordable rental housing complex of 71 units consisting of 18 studios, 18 1-bedrooms, 21 2-bedrooms, 13 3-bedrooms, (plus 1 3-bedroom manager's unit) for low income families who are at or below 50 percent of Area Median Income (AMI) and Transition Age Youth who are at or below 20 percent of Area Median Income. In addition to the LOSP-funded TAY units, there are 6 units that are subsidized with Mental Health Services Act (MHSA) subsidy through the California Housing Finance Agency (CalHFA). Referrals for the MHSA units will come for the San Francisco Department of Public Health (DPH). Combined with the LOSP-funded TAY units, the MHSA TAY units bring the total to 25 units for Transition Age Youth at or below 20% AMI. The Project also includes 6,479 square feet of ground floor commercial space as well as various support services offices and community space.

Staff recommends approval of this LOSP request.

2. PROJECT OPERATIONS

2.1. Annual Operating Budget

Please see the attached annualized budget for this initial year.

Tenant Rents – LOSP Units: The standard for HSA's – Housing and Homeless Programs units is for tenants to pay 30% of income for rent. At 1100 Ocean Avenue Apartments, where 19 of the TAY units will be supported by the LOSP, tenants are assumed to pay \$102 per month. This amount is based on the assumption that tenants are receiving General Assistance. HSA recommended this model to the developer as a more accurate portrayal of tenant incomes for the LOSP-TAY.

Local Operating Subsidy Assistance Payment: Please note that the attached operating budget shows the LOSP for the first full year of operations but the project expects to receive approximately 11 months' worth of LOSP in CY 2015 to cover the opening in February1, 2015 through to December 31, 2015.

MHSA Operating Subsidy: The project received a \$600,000 rental subsidy through the Mental Health Services Act administered by CalHFA for 6 of the 25 TAY units. This subsidy is a fixed amount and required to last for 20 years. In order to achieve this, the project is cross subsidizing the units through a combination of cash flow from the 50% AMI units and the commercial master lease income as well a portion of the MHSA operating subsidy.

Operating Expenses - LOSP Units: 4 recent family LOSP projects similar in population and unit count were selected to compare operating expenses against that of 1100 Ocean

Avenue. These properties are 1075 Le Conte, 10th and Mission, Mosaica Family, and Arnett Watson at 650 Eddy. The comparative analysis chart can be found attached to this evaluation.

The total first year tenant rent portion of the income stream for 1100 Ocean Avenue is \$617, 3988 (\$8,696 / PUPA) which is above the average of the 4 comparable projects, though Mosaica Family and 10th & Mission have higher tenant rent per unit levels. This is primarily due to the mixed population model whereby 63% of the units are targeted to families at 50% AMI while 1075 LeConte and Arnett Watson are 100 % supportive housing serving households between 10% AMI and 40% AMI.

The LOSP per unit subsidy for 1100 Ocean Avenue (\$10,323 / PUPA) is higher than the average of the 4 comparable projects (\$8,634 / PUPA), though lower than the \$11,289/ PUPA for Mosaica Family. This phenomena is attributable to the fact that TAY rents at 1100 Ocean Avenue are based on General Assistance incomes as recommended by HSA staff since most of the TAY will be coming into the building with little or no income as opposed the comparative LOSP projects where tenants came into the building with higher SSI incomes.

The total first year operating expense for the 1100 Ocean Avenue is projected to be \$614,493 (\$8,655/PUPA), excluding reserves and debt service. This is below the average of the 4 aforementioned LOSP projects (\$10,330/PUPA). The lower than average cost is mainly attributable to lower staffing needs at 1100 Ocean where the population has less intensive staffing requirements. For example, there is no 24- hour desk coverage in this building.

The staffing plan for the building includes 3.1 FTE, not including supportive services staff.

Position	FTE on Operations	Time Basis
Property Manager	1 FTE	Full
Maintenance Supervisor	1 FTE	Full
Assistant Manager	0.6 FTE	Full
Janitor	0.5 FTE	Fuli
TOTAL	3.1	

The total operational cost in year one for the project is \$734,692 (\$10,348/PUPA) which is lower than the 4 comparable projects. The lower operational cost is most attributable to the fact that there are a smaller proportion of supportive units at 1100 Ocean Avenue compared to the four projects analyzed with the exception of Mosaic Family which only 22% of the units are supportive. 95% of the units at Arnett Watson are LOSP, 32% of the units at 10th and Mission are LOSP, and 75% of the units at 1075 LeConte are LOSP.

At 1100 Ocean Avenue, 19 of the units (27%) will be supported by the LOSP. The project is cost effective vs. the combined average of the comparable projects because it contains a smaller proportion of LOSP units than 3 of the 4 comparable projects (Arnett Watson 95%,10th and Mission 32%, 1075 LeConte 75%). 1100 Ocean has less intensive staffing requirements than the buildings with a higher proportion of LOSP units. 1100

Ocean will not have 24hr desk coverage which also brings the operating costs down. The comparable projects do have 24hr desk coverage with the exception of Mosaic Family. The scale of 1100 Ocean and its location make it such that it does not require 24hr desk coverage.

Replacement Reserve Deposits: Replacement reserve deposits of \$600 unit / year is higher than MOHCD's underwriting guidelines, but required by California's Department of Housing and Community Development (HCD) under the Multifamily Housing Program (MHP).

<u>Partnership Management Fees</u>: A partnership management fee consistent with MOHCD Underwriting Guidelines is included in the budget and represents the prorated share attributed to the LOSP units.

- 2.2. <u>20-Year Cash Flow</u>. The attached 20-year cash flow projection includes the 15-year period for this contract request.
 - Tenant rent income trends at 1.0%, which is meant to mirror increases in the assumed GA income for the TAY population. The 50% AMI family units trend at 2.5% which is in accordance with MOHCD Underwriting Guidelines for Tax Credit projects.
 - First year vacancy rates are compliant with standard MOHCD underwriting guidelines at 5%.
 - Operating expenses trend at 3.5% per year, per MOHCD Underwriting Guidelines.
 - Projected LOSP subsidy will trend at a rate of 3% year to year.

3. TARGET POPULATION AND SERVICES

The building consists of 25 TAY units and 45 family units; TAY units are targeted to those 18-24, who are transitioning from public systems (like foster care) or are at risk of not making a successful transition to adulthood as well as TAY with Severe Mental Illness (SMI). The TAY units will be targeted to incomes at or below 20% of the San Francisco median income. The family units are targeted to incomes at or less than 50% of the San Francisco median income.

The LOSP will provide an operating subsidy for 19 of the 25 TAY residents at 1100 Ocean Avenue that are referred by HSA. When referred, these TAY may be homeless or at risk of becoming homeless.

The other six MHSA TAY units' operations are paid for by the combination of the cash flow from the 50% AMI units, commercial master lease income, and the MHSA operating subsidy itself. Referrals to the six MHSA TAY units will come from DPH. This cross-subsidization model aids the project by stretching the MHSA operating subsidy for the 20 years required by CalHFA. Otherwise, LOSP would be needed to subsidize the 6 MHSA TAY units.

The primary service needs of the TAY population living at the 1100 Ocean Avenue Apartments will be assistance in achieving housing stability, applying for and/or maintaining relevant benefits or entitlements (GA, food stamps, SSI), budget and financial training and accessing community resources related to basic needs (food, clothing, household items), health, mental health services, substance abuse counseling, education and employment. Additionally, the TAY living with SMI will require on-going assistance in addressing mental health needs, including individual and group therapy, medication support, and social skills development.

Supportive Services: The lead service provider for the TAY units will be the San Francisco Department of Public Health (though referrals for the LOSP funded TAY units will come from HSA), Community Behavioral Health Services (CBHS) TAY Program. In its role as the County Mental Health Agency, CBHS coordinates and oversees all services provided under the Mental Health Services Act (MHSA) including those for the 19 TAY units funded by the LOSP program. HSA plans to work-order the funds to DPH to pay for the services in the 19 HSA-funded TAY units.

For the 1100 Ocean Avenue Apartments project, CBHS will extend the services of its TAY Program to provide on-site services for all TAY living at the 1100 Ocean Avenue Apartments (MHSA and non-MHSA). CBHS' services will be located on-site at the development, CBHS will offer direct behavioral health services to support TAY residents to maintain housing stability and linkages to ongoing services with outside providers. As the primary service provider, CBHS will also ensure the successful integration of services provided through the project's service partners: the Full Service Partnerships (FSPs). CBHS uses a client-centered and strength-based approach to providing services to tenants of supportive housing sites. CBHS also uses a social rehabilitation Wellness and Recovery model rooted in the belief that people suffering from mental illness are able to live fulfilling and productive lives. Services are voluntary and service planning is a collaborative process between the client and clinicians. CBHS and Mercy Housing Management (MHM) will ensure staffing that is culturally and linguistically competent. Through its Full Service Partnerships, CBHS connects youth with case management services that are provided in the youth's native language when needed. If a youth needs translation assistance with Property management, MHM or CBHS will make those services available.

Below is the staffing chart for TAY services at 1100 Ocean Avenue

Position	FTE on Services	Time Basis	
Resident Service Coordinator	1 FTE	2 hours a week on TAY	
Clinical Supervision	.13 FTE	5 hours a week	
TAY service coordinator	1.0 FTE	40 hours a week

ATTACHMENT A

LOSP PROGRAM DESCRIPTION

The requested funds would be delivered to the sponsor through a grant agreement with a term of up to 15 years, and, with the exception of the current fiscal year, will be subject to annual appropriations by the Board of Supervisors. Funds for the 2015 Calendar year will be included in San Francisco's Human Services Agency budget in the amount of up to \$179,788 and will be work-ordered to MOHCD for administration. The total amount of funds requested is based on Mercy Housing Management's current operating budget and 15-year cash flow projection using MOHCD's standard underwriting guidelines. The first full year's amount of subsidy (year two of operations) required is \$202,569 and the \$179,788 represents the partial year required to cover 11 months' worth of operations from February 1, 2015 to December 31, 2015 (CY 2015).

Actual subsidy payment for the next fiscal year would be based on the attached annual operating budget and cash flow. Subsidy payments for the remaining years of the contract would be based on subsequent operating budgets to be approved annually by the City. These budgets would be informed by actual financial performance of the project, per annual audits, and would include reasonable costs based on the specific needs of this building and reflect prudent property management practices and supportive housing industry standards. The subsidy payments for a given year will be equal to the projected shortfall (difference between income and expenses/reserve deposits/fees) as shown in the approved operating budget for that year. The City will make one subsidy payment to the sponsor per year at the beginning of each fiscal year.

If the subsidy payments made to a sponsor in any given fiscal year exceed the projected shortfall, then the sponsor must deposit the excess subsidy amount into a Local Operating Subsidy reserve specifically set up to accommodate any over-payments received from the operating subsidy. If the shortfall exceeds the subsidy payments, then the sponsor may withdraw funds from the project's operating reserve to cover project operating expenses not covered by the subsidy payments.

Currently, the LOSP program requires sponsors to submit to the City, within 4 months of the end of each year, or by April of each year, an audited financial statement showing the actual project income, expenses and shortfall for the prior year. If the statement shows that the actual shortfall was lower than the projected shortfall in the approved annual operating budget, then the subsidy payments for the subsequent year will be reduced by the difference between the actual and the projected shortfall. If the statement shows that the actual shortfall was higher than the projected shortfall such that the sponsor had to withdraw funds from the operating reserve, then the subsidy payments for the following year will be increased to allow for the additional costs and also to replenish the reserve if increased expenses are approved by MOHCD.
