Assessor's Parcel No.: _____

Dear Sir or Madam:

The City and County of San Francisco (the "City") has begun the formation of the above-referenced community facilities district (the "CFD") and a related future annexation area. The referenced property is in the boundaries of the future annexation area and not in the initial boundaries of the CFD. This means the following:

- The referenced property will not be subject to the special tax levied in the CFD unless the referenced property is annexed in the future to the CFD.
- The referenced property may be annexed to the CFD in the future only with the unanimous written approval of the owner of the referenced property.
- The referenced property will not have the right to vote at the election to be held in the CFD.
- Although any interested person -- including the owner of the referenced property -- may participate in the public hearings described below on the establishment of the CFD, the proposed public facilities to be financed by the CFD, the proposed special tax to be levied on taxable property in the CFD and the incurrence by the CFD of bonded and other indebtedness, the owner of the referenced property is not one of the property owners whose protest could affect formation of the CFD (see California Government Code 53324).

The Board of Supervisors will conduct two public hearings on September 2, 2014 at 3:00 p.m. or as soon thereafter as the matter may be heard in the Board's Legislative Chambers, Second Floor, City Hall, 1 Dr. Carlton B. Goodlett Place, San Francisco, California 94102:

(i) A hearing on the establishment of the CFD and a future annexation area for the CFD, the proposed public facilities to be financed by the CFD and the proposed special tax to be levied on taxable property in the CFD.

(ii) A hearing on the authorization of bonds and other indebtedness for the CFD.

Please see the two notices of public hearing enclosed with this letter for more information. Also enclosed with this letter is a draft of the referenced amended and restated rate and method of apportionment of special tax.

If you have any questions about the proposed CFD and the related future annexation area, please contact: Nadia Sesay, Director, Office of Public Finance, Controller's Office, City and County of San Francisco, 1 Dr. Carlton B. Subject: Transbay Transit Center Community Facilities District No. 2014-1

File No. 140836. Public hearing of persons interested in or objecting to the proposed Resolution of Formation for Special Tax District No. 2014-1, establishing the Transbay Transit Community Facilities District No. 2014-1 (CFD) and determining other matters in connection therewith; Resolution determining necessity to incur bonded indebtedness for the CFD; and Resolution calling for a special election in the City and County of San Francisco to submit the issues of the special tax, the incurring of bonded indebtedness, and the establishment of the appropriations limit to the qualified electors of the CFD.

The above referenced proposed Resolutions are detailed below and notice is hereby given:

140814 Resolution of formation of the City and County of San Francisco Community Facilities District No. 2014-1 (Transbay Transit Center) and determining other matters in connection therewith.

The Resolution of Intention was signed by the Mayor of the City on July 22, 2014. Under the Act and the Resolution of Intention, the Board of Supervisors gives notice as follows:

1. The text of the Resolution of Intention, with the Exhibits A and B thereto, as adopted by the Board of Supervisors, is on file with the Clerk of the Board of Supervisors and reference is made thereto for the particular provisions thereof. The text of the Resolution of Intention is summarized as follows:

a. Under the Act, the Board of Supervisors is undertaking proceedings for the establishment of the CFD, and a future annexation area for the CFD (the "Future Annexation Area"), the boundaries of which are shown on a map on file with the City.

b. The purpose of the CFD is to provide for the financing of the public facilities (the "Facilities") as more fully described in the Resolution of Intention and Exhibit A thereto.

c. The method of financing the Facilities is through the imposition and levy of a special tax (the "Special Tax") to be apportioned on the properties in the CFD. At the time of the public hearing, City staff will recommend to the Board of Supervisors that it consider modifying the rate and method of apportionment of special tax that was described in the Resolution of Intention and Exhibit B thereto. The proposed changes will be reflected in an Amended and Restated Rate and Method of Apportionment of Special Tax in the form on file with the Clerk of the Board of Supervisors.

d. The Resolution of Intention directed the preparation of a CFD Report that shows the Facilities and the estimated costs of the Facilities. The CFD Report will be made a permanent part of the record of the public hearing specified below. Reference is made to the CFD Report as filed with the Clerk of the Board of Supervisors.

e. Property within the Future Annexation Area will be annexed to the CFD, and a special tax will be levied on such property, only with the unanimous approval (each, a "Unanimous Approval") of the owner or owners of each parcel or parcels at the time that parcel or those parcels are annexed, without additional hearings or elections.

f. As set forth below, the Board of Supervisors will hold a public hearing on the establishment of the CFD and the Future Annexation Area, the Facilities, and the Special Tax.

2. At the hearing, the testimony of all interested persons or taxpayers for or against the establishment of the CFD, the extent of the CFD or the furnishing of the specified Facilities may be made orally or in writing by any interested person. Any person interested may file a protest in writing as provided in Section 53323 of the Act. If 50% or more of the registered voters, or 6 registered voters, whichever is more, residing in the territory proposed to be included in the CFD, or the owners of one-half or more of the area of land in the territory proposed to be included in the CFD and not exempt from the special tax, file written protests against the establishment of the CFD and the protests are not withdrawn to reduce the value of the protests to less than a majority, the Board of Supervisors shall take no further action to create the CFD or levy the Special Tax for period of one year from the date of decision of the Board of Supervisors, and, if the majority protests of the registered voters or landowners are only against the furnishing of a type or types of Facilities within the CFD, or against levying a specified special tax, those types of Facilities or the specified special tax will be eliminated from the proceedings to form the CFD.

In addition, at the hearing, the testimony of all interested persons for and against the establishment of the Future Annexation Area or the levying of special taxes within any portion of the Future Annexation Area annexed in the future to the CFD may be made orally or in writing by any interested person. Any person interested may file a protest in writing as provided in Section 53339.5 of the Act. If 50% or more of the registered voters, or 6 registered voters, whichever is more, residing within the proposed territory of the CFD, or if 50% or more of the registered voters, or 6 registered voters, whichever is more, residing in the territory proposed to be included in the Future Annexation Area, or the owners of 50% or more of the area of land in the territory proposed to be included in the CFD or in the Future Annexation Area and not exempt from the Special Tax, file written protests against the establishment of the Future Annexation Area and the protests are not withdrawn to reduce the value of the protests to less

than a majority, the Board of Supervisors shall take no further action to create the Future Annexation Area for a period of one year from the date of decision of the Board of Supervisors.

3. If there is no majority protest, the Board of Supervisors may submit the levy of the Special Tax for voter approval at a special election. The Special Tax requires the approval of 2/3rds of the votes cast at a special election by the property owner voters of the CFD, with each owner having one vote for each acre or portion thereof such owner owns in the CFD that is not exempt from the Special Tax.

140815 Resolution determining necessity to incur bonded indebtedness for City and County of San Francisco Community Facilities District No. 2014-1 (Transbay Transit Center) and determining other matters therewith.

The Resolution of Intention was signed by the Mayor of the City on July 22, 2014. Under the Act and the Resolution, the Board of Supervisors gives notice as follows:

by the Zoning Authority, that portion of the Building shall be treated as a Taxable Building for purposes of this RMA.

“Tax Commencement Authorization” means a written authorization issued by the Administrator upon the recommendations of the IPIC and CPC in order to initiate the levy of the Special Tax on a Conditioned Project that has been issued a COO.

“Taxable Child Care Square Footage” means the amount of Square Footage determined by subtracting the Exempt Child Care Square Footage within a Taxable Building from the total net leasable square footage within a Building that is used for licensed child care facilities, as determined by the Zoning Authority.

“Taxable Parcel” means, within a Taxable Building, any Parcel that is not exempt from the Special Tax pursuant to law or Section G below. If, in any Fiscal Year, a Special Tax is levied on only Net New Square Footage in a Taxable Building, only the Parcel(s) on which the Net New Square Footage is located shall be Taxable Parcel(s) for purposes of calculating and levying the Special Tax pursuant to this RMA.

“Taxable Parking Square Footage” means Square Footage of parking in a Taxable Building that is determined by the Zoning Authority not to be Exempt Parking Square Footage.

“TJPA” means the Transbay Joint Powers Authority.

“Zoning Authority” means either the City Zoning Administrator, the Executive Director of the San Francisco Office of Community Investment and Infrastructure, or an alternate designee from the agency or department responsible for the approvals and entitlements of a project in the CFD. If there is any doubt as to the responsible party, the Administrator shall coordinate with the City Zoning Administrator to determine the appropriate party to serve as the Zoning Authority for purposes of this RMA.

B. DATA FOR CFD ADMINISTRATION

On or after July 1 of each Fiscal Year, the Administrator shall identify the current Assessor’s Parcel numbers for all Taxable Parcels in the CFD. In order to identify Taxable Parcels, the Administrator shall confirm which Buildings in the CFD have been issued both a Tax Commencement Authorization and a COO.

The Administrator shall also work with the Zoning Authority to confirm: (i) the Building Height for each Taxable Building, (ii) the For-Sale Residential Square Footage, Rental Residential Square Footage, Office/Hotel Square Footage, and Retail Square Footage on each Taxable Parcel, (iii) if applicable, the number of BMR Units and aggregate Square Footage of BMR Units within the Building, (iv) whether any of the Square Footage on a Parcel is subject to a Certificate of Exemption, and (v) the Special Tax Requirement for the Fiscal Year. In each Fiscal Year, the Administrator shall also keep track of how many Fiscal Years the Special Tax has been levied on each Parcel within the CFD. If there is Initial Square Footage and Net New

Square Footage on a Parcel, the Administrator shall separately track the duration of the Special Tax levy in order to ensure compliance with Section F below.

In any Fiscal Year, if it is determined by the Administrator that (i) a parcel map or condominium plan for a portion of property in the CFD was recorded after January 1 of the prior Fiscal Year (or any other date after which the Assessor will not incorporate the newly-created parcels into the then current tax roll), and (ii) the Assessor does not yet recognize the newly-created parcels, the Administrator shall calculate the Special Tax that applies separately to each newly-created parcel, then applying the sum of the individual Special Taxes to the Assessor's Parcel that was subdivided by recordation of the parcel map or condominium plan.

C. DETERMINATION OF THE MAXIMUM SPECIAL TAX

1. *Base Special Tax*

2. *Determining the Maximum Special Tax for Taxable Parcels*

Upon issuance of a Tax Commencement Authorization and the first Certificate of Occupancy for a Taxable Building within a Conditioned Project that is not an Affordable Housing Project, the

Administrator shall coordinate with the Zoning Authority to determine the Square Footage of each Land Use on each Taxable Parcel. The Administrator shall then apply the following steps to determine the Maximum Special Tax for the next succeeding Fiscal Year for each Taxable Parcel in the Taxable Building:

- Step 1.* Determine the Building Height for the Taxable Building for which a Certificate of Occupancy was issued.
- Step 2.* Determine the For-Sale Residential Square Footage and/or Rental Residential Square Footage for all Residential Units on each Taxable Parcel, as well as the Office/Hotel Square Footage and Retail Square Footage on each Taxable Parcel.
- Step 3.* ***For each Taxable Parcel that includes only For-Sale Units***, multiply the For-Sale Residential Square Footage by the applicable Base Special Tax from Section C.1 to determine the Maximum Special Tax for the Taxable Parcel.
- Step 4.* ***For each Taxable Parcel that includes only Rental Units***, multiply the Rental Residential Square Footage by the applicable Base Special Tax from Section C.1 to determine the Maximum Special Tax for the Taxable Parcel.
- Step 5.* ***For each Taxable Parcel that includes only Residential Uses other than Market Rate Units***, net out the Square Footage associated with any BMR Units and multiply the remaining Rental Residential Square Footage (if any) by the applicable Base Special Tax from Section C.1 to determine the Maximum Special Tax for the Taxable Parcel.
- Step 6.* ***For each Taxable Parcel that includes only Office/Hotel Square Footage***, multiply the Office/Hotel Square Footage on the Parcel by the applicable Base Special Tax from Section C.1 to determine the Maximum Special Tax for the Taxable Parcel.
- Step 7.* ***For each Taxable Parcel that includes only Retail Square Footage***, multiply the Retail Square Footage on the Parcel by the applicable Base Special Tax from Section C.1 to determine the Maximum Special Tax for the Taxable Parcel.
- Step 8.* ***For Taxable Parcels that include multiple Land Uses***, separately determine the For-Sale Residential Square Footage, Rental Residential Square Footage, Office/Hotel Square Footage, and/or Retail Square Footage. Multiply the Square Footage of each Land Use by the applicable Base Special Tax from Section C.1, and sum the individual amounts to determine the aggregate Maximum Special Tax for the Taxable Parcel for the first succeeding Fiscal Year.

D. CHANGES TO THE MAXIMUM SPECIAL TAX

1. *Annual Escalation of Base Special Tax*

The Base Special Tax rates identified in Section C.1 are applicable for fiscal year 2013-14. Beginning July 1, 2014 and each July 1 thereafter, the Base Special Taxes shall be adjusted by the Initial Annual Adjustment Factor. The Base Special Tax rates shall be used to calculate the Maximum Special Tax for each Taxable Parcel in a Taxable Building for the first Fiscal Year in which the Building is a Taxable Building, as set forth in Section C.2 and subject to the limitations set forth in Section D.3.

2. *Adjustment of the Maximum Special Tax*

After a Maximum Special Tax has been assigned to a Parcel for its first Fiscal Year as a Taxable Parcel pursuant to Section C.2 and Section D.1, the Maximum Special Tax shall escalate for subsequent Fiscal Years beginning July 1 of the Fiscal Year after the first Fiscal Year in which the Parcel was a Taxable Parcel, and each July 1 thereafter, by two percent (2%) of the amount in effect in the prior Fiscal Year. In addition to the foregoing, the Maximum Special Tax assigned to a Taxable Parcel shall be increased in any Fiscal Year in which the Administrator determines that Net New Square Footage was added to the Parcel in the prior Fiscal Year.

3. *Converted Apartment Buildings*

If an Apartment Building in the CFD becomes a Converted Apartment Building, the Administrator shall rely on information from the County Assessor, site visits to the sales office, data provided by the entity that is selling Residential Units within the Building, and any other available source of information to track sales of Residential Units. In the first Fiscal Year in which there is a Converted For-Sale Unit within the Building, the Administrator shall determine the applicable Base Maximum Special Tax for For-Sale Residential Units for that Fiscal Year. Such Base Maximum Special Tax shall be used to calculate the Maximum Special Tax for all Converted For-Sale Units in the Building in that Fiscal Year. In addition, this Base Maximum Special Tax, escalated each Fiscal Year by two percent (2%) of the amount in effect in the prior Fiscal Year, shall be used to calculate the Maximum Special Tax for all future Converted For-Sale Units within the Building. Solely for purposes of calculating Maximum Special Taxes for Converted For-Sale Units within the Converted Apartment Building, the adjustment of Base Maximum Special Taxes set forth in Section D.1 shall not apply. All Rental Residential Square Footage within the Converted Apartment Building shall continue to be subject to the Maximum Special Tax for Rental Residential Square Footage until such time as the units become Converted For-Sale Units. The Maximum Special Tax for all Taxable Parcels within the Building shall escalate each Fiscal Year by two percent (2%) of the amount in effect in the prior Fiscal Year.

4. *BMR Unit/Market Rate Unit Transfers*

If, in any Fiscal Year, the Administrator determines that a Residential Unit that had previously been designated as a BMR Unit no longer qualifies as such, the Maximum Special Tax on the

new Market Rate Unit shall be established pursuant to Section C.2 and adjusted, as applicable, by Sections D.1 and D.2. If a Market Rate Unit becomes a BMR Unit after it has been taxed in prior Fiscal Years as a Market Rate Unit, the Maximum Special Tax on such Residential Unit shall not be decreased unless: (i) a BMR Unit is simultaneously redesignated as a Market Rate Unit, and (ii) such redesignation results in a Maximum Special Tax on the new Market Rate Unit that is greater than or equal to the Maximum Special Tax that was levied on the Market Rate Unit prior to the swap of units. If, based on the Building Height or Square Footage, there would be a reduction in the Maximum Special Tax due to the swap, the Maximum Special Tax that applied to the former Market Rate Unit will be transferred to the new Market Rate Unit regardless of the Building Height and Square Footage associated with the new Market Rate Unit.

5. *Changes in Land Use on a Taxable Parcel*

If any Square Footage that had been taxed as For-Sale Residential Square Footage, Rental Residential Square Footage, Office/Hotel Square Footage, or Retail Square Footage in a prior Fiscal Year is rezoned or otherwise changes Land Use, the Administrator shall apply the applicable subsection in Section C.2 to calculate what the Maximum Special Tax would be for the Parcel based on the new Land Use(s). If the amount determined is greater than the Maximum Special Tax that applied to the Parcel prior to the Land Use change, the Administrator shall increase the Maximum Special Tax to the amount calculated for the new Land Uses. If the amount determined is less than the Maximum Special Tax that applied prior to the Land Use change, there will be no change to the Maximum Special Tax for the Parcel. Under no circumstances shall the Maximum Special Tax on any Taxable Parcel be reduced, regardless of changes in Land Use or Square Footage on the Parcel, including reductions in Square Footage that may occur due to demolition, fire, water damage, or acts of God. In addition, if a Taxable Building within the CFD that had been subject to the levy of Special Taxes in any prior Fiscal Year becomes all or part of an Affordable Housing Project, the Parcel(s) shall continue to be subject to the Maximum Special Tax that had applied to the Parcel(s) before they became part of the Affordable Housing Project. All Maximum Special Taxes determined pursuant to Section C.2 shall be adjusted, as applicable, by Sections D.1 and D.2.

6. *Prepayments*

If a Parcel makes a prepayment pursuant to Section H below, the Administrator shall issue the owner of the Parcel a Certificate of Exemption for the Square Footage that was used to determine the prepayment amount, and no Special Tax shall be levied on the Parcel in future Fiscal Years unless there is Net New Square Footage added to a Building on the Parcel. Thereafter, a Special Tax calculated based solely on the Net New Square Footage on the Parcel shall be levied for up to thirty Fiscal Years, subject to the limitations set forth in Section F below. Notwithstanding the foregoing, any Special Tax that had been levied against, but not yet collected from, the Parcel is still due and payable, and no Certificate of Exemption shall be issued until such amounts are fully paid. If a prepayment is made in order to exempt Taxable Child Care Square Footage on a Parcel on which there are multiple Land Uses, the Maximum Special Tax for the Parcel shall be recalculated based on the exemption of this Child Care Square Footage which shall, after such prepayment, be designated as Exempt Child Care Square Footage and remain exempt in all Fiscal Years after the prepayment has been received.

E. METHOD OF LEVY OF THE SPECIAL TAX

Each Fiscal Year, the Special Tax shall be levied Proportionately on each Taxable Parcel up to 100% of the Maximum Special Tax for each Parcel for such Fiscal Year until the amount levied on Taxable Parcels is equal to the Special Tax Requirement.

F. COLLECTION OF SPECIAL TAX

The Special Taxes for CFD No. 2014-1 shall be collected in the same manner and at the same time as ordinary ad valorem property taxes, provided, however, that prepayments are permitted as set forth in Section H below and provided further that the City may directly bill the Special Tax, may collect Special Taxes at a different time or in a different manner, and may collect delinquent Special Taxes through foreclosure or other available methods.

The Special Tax shall be levied and collected from the first Fiscal Year in which a Parcel is designated as a Taxable Parcel until the principal and interest on all Bonds have been paid, the City's costs of constructing or acquiring Authorized Facilities from Special Tax proceeds have been paid, and all Administrative Expenses have been paid or reimbursed. Notwithstanding the foregoing, the Special Tax shall not be levied on any Square Footage in the CFD for more than thirty Fiscal Years, except that a Special Tax that was lawfully levied in or before the final Fiscal Year and that remains delinquent may be collected in subsequent Fiscal Years. After a Building or a particular block of Square Footage within a Building (i.e., Initial Square Footage vs. Net New Square Footage) has paid the Special Tax for thirty Fiscal Years, the then-current record owner of the Parcel(s) on which that Square Footage is located shall be issued a Certificate of Exemption for such Square Footage. Notwithstanding the foregoing, the Special Tax shall cease to be levied, and a Release of Special Tax Lien shall be recorded against all Parcels in the CFD that are still subject to the Special Tax, after the Special Tax has been levied in the CFD for seventy-five Fiscal Years.

Pursuant to Section 53321 (d) of the Act, the Special Tax levied against Residential Uses shall under no circumstances increase more than ten percent (10%) as a consequence of delinquency or default by the owner of any other Parcel or Parcels and shall, in no event, exceed the Maximum Special Tax in effect for the Fiscal Year in which the Special Tax is being levied.

G. EXEMPTIONS

Notwithstanding any other provision of this RMA, no Special Tax shall be levied on: (i) Square Footage for which a prepayment has been received and a Certificate of Exemption issued, (ii) Below Market Rate Units except as otherwise provided in Sections D.3 and D.4, (iii) Affordable Housing Projects, including all Residential Units, Retail Square Footage, and Office Square Footage within buildings that are part of an Affordable Housing Project, except as otherwise provided in Section D.4, and (iv) Exempt Child Care Square Footage.

H. PREPAYMENT OF SPECIAL TAX

The Special Tax obligation applicable to Square Footage in a building may be fully prepaid as described herein, provided that a prepayment may be made only if (i) the Parcel is a Taxable Parcel, and (ii) there are no delinquent Special Taxes with respect to such Assessor's Parcel at the time of prepayment. Any prepayment made by a Parcel owner must satisfy the Special Tax obligation associated with all Square Footage on the Parcel that is subject to the Special Tax at the time the prepayment is calculated. An owner of an Assessor's Parcel intending to prepay the Special Tax obligation shall provide the City with written notice of intent to prepay. Within 30 days of receipt of such written notice, the City or its designee shall notify such owner of the prepayment amount for the Square Footage on such Assessor's Parcel. Prepayment must be made not less than 75 days prior to any redemption date for Bonds to be redeemed with the proceeds of such prepaid Special Taxes. The Prepayment Amount for a Taxable Parcel shall be calculated as follows:

- Step 1:* Determine the Square Footage of each Land Use on the Parcel.
- Step 2:* Determine how many Fiscal Years the Square Footage on the Parcel has paid the Special Tax, which may be a separate total for Initial Square Footage and Net New Square Footage on the Parcel. If a Special Tax has been levied, but not yet paid, in the Fiscal Year in which the prepayment is being calculated, such Fiscal Year will be counted as a year in which the Special Tax was paid, but a Certificate of Exemption shall not be issued until such Special Taxes are received by the City's Office of the Treasurer and Tax Collector.
- Step 3:* Subtract the number of Fiscal Years for which the Special Tax has been paid (as determined in Step 2) from 30 to determine the remaining number of Fiscal Years for which Special Taxes are due from the Square Footage for which the prepayment is being made. This calculation would result in a different remainder for Initial Square Footage and Net New Square Footage within a building.
- Step 4:* Separately for Initial Square Footage and Net New Square Footage, and separately for each Land Use on the Parcel, multiply the amount of Square Footage by the applicable Maximum Special Tax that would apply to such Square Footage in each of the remaining Fiscal Years, taking into account the 2% escalator set forth in Section D.2, to determine the annual stream of Maximum Special Taxes that could be collected in future Fiscal Years.
- Step 5:* For each Parcel for which a prepayment is being made, sum the annual amounts calculated for each Land Use in Step 4 to determine the annual Maximum Special Tax that could have been levied on the Parcel in each of the remaining Fiscal Years.

Step 6. Calculate the net present value of the future annual Maximum Special Taxes that were determined in Step 5 using, as the discount rate for the net present value calculation, the true interest cost (TIC) on the Bonds as identified by the Office of Public Finance. If there is more than one series of Bonds outstanding at the time of the prepayment calculation, the Administrator shall determine the weighted average TIC based on the Bonds from each series that remain outstanding. The amount determined pursuant to this Step 6 is the required prepayment for each Parcel. Notwithstanding the foregoing, if at any point in time the Administrator determines that the Maximum Special Tax revenue that could be collected from Square Footage that remains subject to the Special Tax after the proposed prepayment is less than 110% of debt service on Bonds that will remain outstanding after defeasance or redemption of Bonds from proceeds of the estimated prepayment, the amount of the prepayment shall be increased until the amount of Bonds defeased or redeemed is sufficient to reduce remaining annual debt service to a point at which 110% debt service coverage is realized.

Once a prepayment has been received by the City, a Certificate of Exemption shall be issued to the owner of the Parcel indicating that all Square Footage that was the subject of such prepayment shall be exempt from Special Taxes.

I. INTERPRETATION OF SPECIAL TAX FORMULA

The City may interpret, clarify, and revise this RMA to correct any inconsistency, vagueness, or ambiguity, by resolution and/or ordinance, as long as such interpretation, clarification, or revision does not materially affect the levy and collection of the Special Taxes and any security for any Bonds.

J. SPECIAL TAX APPEALS

Any taxpayer who wishes to challenge the accuracy of computation of the Special Tax in any Fiscal Year may file an application with the Administrator. The Administrator, in consultation with the City Attorney, shall promptly review the taxpayer's application. If the Administrator concludes that the computation of the Special Tax was not correct, the Administrator shall correct the Special Tax levy and, if applicable in any case, a refund shall be granted. If the Administrator concludes that the computation of the Special Tax was correct, then such determination shall be final and conclusive, and the taxpayer shall have no appeal to the Board from the decision of the Administrator.

The filing of an application or an appeal shall not relieve the taxpayer of the obligation to pay the Special Tax when due.

Nothing in this Section J shall be interpreted to allow a taxpayer to bring a claim that would otherwise be barred by applicable statutes of limitation set forth in the Act or elsewhere in applicable law.
