Department:
San Francisco Municipal Transit Agency

EXECUTIVE SUMMARY

Legislative Objectives

The proposed resolution would (1) approve an amendment to the San Francisco Municipal Transit Agency's (SFMTA) Operating Budget for FY 2014-15 and FY 2015-16, and (2) approve an amendment to the SFMTA Fare Table to provide free Muni service by providing free Clipper cards to 19 to 22 year old students enrolled in the San Francisco Unified School District's (SFUSD) Special Education Services Program in FY 2014-15 and FY 2015-16.

Key Points

- Free Muni for Youth was implemented by low and moderate income San Francisco residents ages 5 to 17 in March 2013. The original program was a 16-month pilot through June 2014. The SFMTA Board of Directors voted to extend the program for an additional two years through June 2016 and to include 18 year olds as of November 1, 2014. The estimated annual cost of this program is \$4,300,000.
- SFUSD currently reimburses SFMTA for the cost of providing free Muni service by providing free Clipper cards to 19 to 22 year old students enrolled in Special Education Services Program. On August 19, 2014, the SFMTA Board of Directors adopted Resolution No. 14-133, authorizing Free Muni for Youth for 19-22 year old students enrolled in SFUSD's Special Education Services Program.
- Although the proposed free Muni service by providing free Clipper cards for 19 to 22 year old students enrolled in SFUSD's Special Education Services Program is designated for low and moderate income youth, the proposed resolution does not specify this income level. Therefore, the proposed resolution should be amended to state that the proposed free Muni service by providing free Clipper cards for 19 to 22 year old students enrolled in SFUSD's Special Education Services Program is designated for low and moderate income youth.

Fiscal Impact

According to Ms. Diana Hammons, Senior Manager at SFMTA, providing free Muni service by providing free Clipper cards to 19 to 22 year old students enrolled in SFUSD's Special Education Services Program would result in estimated reduced revenues to SFMTA of \$163,000 annually. Ms. Hammons states that such reduced revenues would be absorbed by the operating budget.

Recommendations

- Amend the proposed resolution to state that the proposed free Clipper cards for 19 to 22 year old students enrolled in SFUSD's Special Education Services Program is designated for low and moderate income youth.
- Approve the proposed resolution, as amended.

MANDATE STATEMENT

Any proposed change in fares or route abandonments shall be submitted to the Board of Supervisors as part of the San Francisco Municipal Transit Agency's (SFMTA) budget or as a budget amendment under San Francisco City Charter Section 8A.106, and may be rejected at that time by a seven-elevenths vote of the Board of Supervisors on the budget or budget amendment.

BACKGROUNDFree Muni for Youth

On March 1, 2013, the San Francisco Municipal Transit Agency (SFMTA) launched Free Muni for Youth, a 16-month pilot program waiving Muni fares for low and moderate income youth residing in San Francisco between the ages of 5 and 17 to last through June 30, 2014. On April 15, 2014, the SFMTA Board of Directors approved extending this program for two more years and expanding it to include 18 year olds. Free Muni for Youth was included in SFMTA's Fiscal Year (FY) 2014-15 and FY 2015-16 budgets; extending the program to 18 year olds as of November 1, 2014.

According to Ms. Diana Hammons, Senior Manager at SFMTA, the estimated annual cost to SFMTA from lost Muni revenue and administrative costs due to Free Muni for Youth for low and moderate San Francisco residents ages 5 through 18 is approximately \$4,300,000.

DETAILS OF PROPOSED LEGISLATION

The proposed resolution would (1) approve an amendment to the SFMTA's Operating Budget for FY 2014-15 and FY 2015-16, and (2) approve an amendment to the SFMTA Fare Table to provide free Muni service by providing free Clipper cards to 19 to 22 year old low and moderate income students enrolled in the San Francisco Unified School District's (SFUSD) Special Education Services Program in FY 2014-15 and FY 2015-16.

Expanding Free Muni for Youth

SFUSD currently reimburses SFMTA for the cost of providing free Clipper cards to 18 to 22 year old students enrolled in Special Education Services Program. 18 year old students enrolled in SFUSD's Special Education Services Program will be eligible for the Free Muni for Youth Program when it is extended to all moderate and low income 18 year olds on November 1, 2014. According to the August 10, 2014 SFMTA staff report to the SFMTA Board of Directors, the cost to SFUSD of providing this service reduces the SFUSD's funding to provide other services to these students.

According to Ms. Hammons, approximately 200 students from SFUSD's Special Education Services Program would qualify for free Muni service by providing free Clipper cards based on income eligibility under the proposed program. On August 19, 2014, the SFMTA Board of Directors adopted Resolution No. 14-133, authorizing free Muni service by providing free Clipper cards for 19-22 year old students enrolled in SFUSD's Special Education Services

Program. According to the August 10, 2014 SFMTA staff report to the SFMTA Board of Directors, providing free Muni service by providing free Clipper cards to 19-22 year old students enrolled in SFUSD's Special Education Services Program supports the SFMTA Strategic Plan goals, which are:

- Goal 1: Create a safer transportation experience for everyone;
- Goal 2: Make transit, walking, bicycling, taxi, ridesharing and carsharing the most attractive and preferred means of travel;
- Goal 3: Improve the environment and quality of life in San Francisco;
- Goal 4: Create a workplace that delivers outstanding service;

The San Francisco Planning Department, determined that the proposed program and changes to SFMTA's schedule of fares is exempt from environmental review pursuant to California Public Resource Code Section 21080(b)(8) and California Environmental Quality Act guidelines.

Although according to the SFMTA, the proposed free Muni service by providing free Clipper cards for 19 to 22 year old students enrolled in SFUSD's Special Education Services Program is designated for low and moderate income youth, the proposed resolution does not specify this income level. Therefore, the proposed resolution should be amended to state that the proposed free Muni service by providing free Clipper cards for 19 to 22 year old students enrolled in SFUSD's Special Education Services Program is designated for low and moderate income youth.

FISCAL IMPACT

According to Ms. Hammons, providing free Muni service by providing free Clipper cards to 19 to 22 year old low and moderate income students enrolled in SFUSD's Special Education Services Program would result in estimated reduced revenues to SFMTA of \$163,000 annually. Ms. Hammons states that such reduced revenues would be absorbed by the SFMTA's operating budget.

RECOMMENDATIONS

1. Amend the proposed resolution to state that the proposed free Muni service by providing free Clipper cards for 19 to 22 year old students enrolled in SFUSD's Special Education Services Program is designated for low and moderate income students.
2. Approve the proposed resolution, as amended.

***Subject: Request for Approval -- SFMTA Fiscal Year 2015 and 2016 Operating Budget
Amendment to Provide Free Muni Service to 19 to 22 Year Old Students Enrolled in
San Francisco Unified School District's Special Education Services Programs***

Honorable Members of the Board of Supervisors:

The San Francisco Municipal Transportation Agency (SFMTA) requests that the San Francisco Board of Supervisors support an amendment to the SFMTA Fiscal Year 2015 and 2016 Operating Budget to provide free Muni service to 19 to 22 year old students enrolled in the San Francisco Unified School District's (SFUSD) Special Education Services (SES) programs.

Background

On August 19, 2014, the SFMTA Board of Directors adopted Resolution No. 14-133, authorizing Free Muni service for 19 to 22 year old SFUSD students enrolled in the District's Special Education Services program for FY 2015 and FY 2016 and urging the Board of Supervisors to support the fare change.

This budget amendment to revise the Public Transportation and Paratransit Fare Table (attachment A) is being submitted pursuant to Charter Section 8.A.108, requiring all public transit fare changes be submitted to the Board of Supervisors as part of the SFMTA's budget or as a budget amendment.

Published Notice

Pursuant to Charter Section 16.112, advertisements were placed in the City's official newspaper for five consecutive days beginning July 26, 2014 to provide notice of the public hearing held on August 19, 2014, to consider the implementation of free Muni service for 19 to 22 year old students enrolled in SFUSD's SES program by November 1, 2014.

Environmental Review

Modifications to fees, fares, fines, rates and charges are subject to the California Environmental Quality Act (CEQA). Pursuant to the City Charter, revenue from parking related fees, rates and charges support transit service. CEQA provides a statutory exemption from environmental review for the establishment, modification, structuring, restructuring or approval of rates, tolls, and other

charges if these rates, tolls, and other charges will be used to meet operating expenses, including employee wage rates and fringe benefits, or purchase or lease supplies, equipment, or materials.

SFMTA staff, under authority delegated by the Planning Department, determined that the proposed fare change is statutorily exempt from environmental review pursuant to California Public Resources Code section 21080(b)(8) and CEQA implementing guidelines. The SFMTA's determination is on file with the Secretary to the SFMTA Board of Directors. The proposed action is the Approval Action as defined by the S.F. Administrative Code Chapter 31.

It is estimated that approximately 200 students will qualify for this program, reducing annual fare revenue by \$163,300 which has been included in the SFMTA's FY 2015 and FY 2016 Operating Budget.

Recommendation

The SFMTA recommends that the Board of Supervisors support an SFMTA budget amendment for Fiscal Years 2015 and 2016 to provide free Muni service for low and moderate income 19 to 22 year old students enrolled the San Francisco Unified School District's Special Education Services Program.

Sincerely,

Dear Mr. Robbins:

The San Francisco Municipal Transportation Agency (SFMTA) and Parking Authority Commission is requesting environmental review of proposal to provide free Muni service to 19 to 22 low and moderate income students enrolled in the San Francisco Unified School District's Special Education Services program. We believe that these modifications are exempt from environmental review for the purpose of:

1. Meeting operating expenses, including employee wage rates and fringe benefits;
2. Purchasing or leasing supplies, equipment or materials;
3. Meeting financial reserve needs and requirements; and
4. Obtaining funds for capital projects necessary to maintain service within existing service areas.

The SFMTA will hold a public hearing on this proposal on August 19, 2014.

Thank you for your assistance.

Sincerely,
