CONDITIONAL LAND DISPOSITION AND ACQUISITION AGREEMENT
(Portion of Block 3506, Lots 02 and 03 at 1500-1580 Mission Street, San Francisco)

THIS CONDITIONAL LAND DISPOSITION AND ACQUISITION AGREEMENT (this "**Agreement**") dated for reference purposes only as of October __, 2014 is by and between GOODWILL SF URBAN DEVELOPMENT, LLC, a Delaware limited liability company ("**Developer**"), and the CITY AND COUNTY OF SAN FRANCISCO, a Charter city and county (the "**City**").

RECITALS

A. Developer currently owns, or shortly hereafter will acquire, that certain improved real property at 1500-1580 Mission Street (Lot 2 and Lot 3, Block 3506), located at Van Ness Avenue and Mission Street, as more particularly described in Exhibit A (the "**Goodwill Site**"). Developer has designated an approximately 52,900 square foot portion of the Goodwill Site described in Exhibit B (the "**Office Parcel**") for the development of a 17 or 18 story administrative office building with approximately 462,000 gross square feet generally as reflected in the Existing Plans (as defined below) (the "**Office Project**"). Schematic plans (the "**Existing Plans**") and a construction cost estimate for the Office Project are attached as Exhibit B-1. Developer has designated the remainder of the Goodwill Site described in Exhibit C (the "**Residential Parcel**") for a high density multifamily residential complex of approximately 550 units with retail on the ground floor (the "**Residential Project**"). Twenty percent (20%) of the residential units in the Residential Project will be Affordable Units under San Francisco Planning Code section 415 (the Inclusionary Housing).

B. Developer and the City have entered into an exclusive negotiations agreement and letter of intent (collectively, the "**ENA**") for the Developer's completion of the Office Project and the City's potential acquisition of the same, which were approved by the City's Board of Supervisors (the "**Board**") by Resolution No. 312-14 on July 29, 2014. This Agreement is entered into following negotiations between Developer and the City consistent with the ENA. Upon the Effective Date, the ENA shall terminate.

C. Under the ENA, the City made or will make the following payments to Developer: (i) up to Two Hundred Fifty Thousand Dollars ($250,000) for work performed by Developer's architects and engineers to develop a project description and feasibility analysis for environmental review, and (ii) One Million Dollars ($1,000,000) for Developer's purchase of the Goodwill Site (collectively, the "**Non-Refundable Payments**"). The Non-Refundable Payments shall be used by Developer to offset costs incurred by Developer for the Design and Entitlement Costs and accordingly, shall be credited against the Purchase Price.

D. Developer intends to pursue the following entitlements for the Office Project: certification or adoption of a final environmental review document; amendments to the City's General Plan, Planning Code and Zoning Map to adjust height and bulk regulations; amendments to the City's Planning Code to lift the current restriction limiting commercial development to the lower four (4) floors for non-public entity tenant occupancy (the "**City Exception**"); Planning Code Section 309 project review approval; lot merger and subdivision maps; and demolition and building permits (collectively, the "**Proposed Entitlements**").

E. Pursuant to Ordinance No. ____-14, File No. ___, the City's Board of Supervisors and Mayor have authorized City's Director of Property (the "**Director of Property**") to execute this Agreement.

F. City has not yet completed environmental review under the California Environmental Quality Act ("**CEQA**") (California Public Resources Code sections 21000 et seq.), the CEQA Guidelines (California Code of Regulations, title 14, sections 15000 et seq.), and Chapter 31 of the San Francisco Administrative Code (hereinafter referred to as "**Environmental Review**") for the Office Project. Section 15004(b)(2) of the CEQA Guidelines directs that "public agencies shall not undertake actions concerning the proposed public project that would have a significant adverse effect or limit the choice of alternatives or mitigation measures, before completion of CEQA compliance. For example, agencies shall not: (A) Formally make a decision to proceed with the use of a site for facilities which would require CEQA review, regardless of whether the agency has made any final purchase of the site for these facilities, except that agencies may designate a preferred site for CEQA review and may enter into land acquisition agreements when the agency has conditioned the agency's future use of the site on CEQA compliance." The parties intend that this Agreement is a conditional land acquisition agreement as described in CEQA Guidelines section 15004(b)(2)(A) to conditionally designate a preferred site for the Office Project and the City's potential acquisition of the same on the terms set forth in this Agreement, and the City shall have completed Environmental Review of the Office Project before taking any approval action for the Office Project as set forth in Sections 1.4 through 1.6. The City's obligation to consummate the purchase transaction under this Agreement is conditioned upon the City's completion of Environmental Review in compliance with state and local law, and City's election to proceed with this transaction following such completion as set forth in Sections 1.4 through 1.6 .

FOR GOOD AND VALUABLE CONSIDERATION, the receipt and sufficiency of which are hereby acknowledged, Developer and the City agree as follows:

1. ENVIRONMENTAL APPLICATION AND REGULATORY APPROVALS; NON-REFUNDABLE PAYMENTS

1.1 Environmental Application and Regulatory Approvals

(a) Regulatory Approvals. Developer shall make commercially reasonable efforts to propose and submit an application to the City's Planning Department for environmental review of the Office Project within ninety (90) days following the Effective Date of this Agreement, and shall thereafter initiate the process to obtain the Proposed Entitlements, including the City Exception, and any additional approvals from any local, State or Federal governmental agency having jurisdiction needed to develop the Office Project (collectively, the "**Regulatory Approvals**"). Developer shall diligently make commercially reasonable efforts to thereafter continue to refine and develop the plans for the Office Project and prepare, sign and submit such materials and pay such fees as may be necessary to obtain all Regulatory Approvals on or before the CEQA Date, subject to delay caused by Unavoidable Delay. Developer shall make commercially reasonable efforts for the Regulatory Approvals to include the City Exception. It is understood and agreed that Developer's sole obligation with respect to procuring the Regulatory Approvals is to use commercially reasonable efforts to do so, there being no assurances that it will be successful in doing so.

(b) Collaboration. Developer shall use commercially reasonable efforts to obtain and shall be solely responsible for obtaining all Regulatory Approvals required for the Office Project. Developer shall not seek any Regulatory Approval from any party other than the City without first notifying the Director of Property. Throughout the permit process, Developer shall consult and coordinate with the Director of Property in Developer's efforts to obtain such permits and approvals, and the Director of Property shall cooperate reasonably with Developer. Developer

and the City (acting through the Director of Property and a City project manager designated by the Director of Property) agree to work together in good faith to complete all environmental review and seek all Regulatory Approvals for so long as this Agreement remains in effect. The parties agree to hold regular meetings, as needed or upon either party's request, so as to coordinate all efforts relating to environmental review and the procurement of Regulatory Approvals. Developer shall not agree to the imposition of conditions or restrictions in connection with a permit from any regulatory agency other than the City without the Director of Property's prior approval, which approval will not be unreasonably withheld.

(c) Project Budget. Throughout the term of this Agreement, Developer shall refine and modify the design of the Office Project in response to and consistent with the environmental review, design and entitlement processes, and consistent with such direction as may be reasonably given by the Director of Property from time to time in order to accommodate the City's operational needs and the project budget attached as Exhibit D (the "**Project Budget**"). The parties agree to update the Project Budget, and seek Board of Supervisors' approval of the same if the Project Budget exceeds the Maximum Cost, on the PSA Ratification Date. The parties agree to work together with the Architect during the Design and Entitlement Work process described below to revise the Office Project as needed to keep the cost below the Maximum Cost. All submittals for Regulatory Approvals shall be subject to the prior review and approval of the Director of Property. Developer shall not, without the Director of Property's prior written consent or direction, propose material modifications to the Office Project or Residential Project that would (i) alter the proposed use of the Office Project, (ii) materially decrease or increase the proposed height of the Office Project, (iii) materially reduce or increase the square footage of the Office Project, (iv) take actions or propose designs that would materially increase the cost of developing the Office Project or otherwise increase the Project Budget, or (v) delay development of, or limit or restrict the availability of, necessary infrastructure serving the Office Project.

1.2 Proprietary Capacity

Developer understands and agrees that the City is entering into this Agreement in its proprietary capacity and not as a regulatory agency with certain police powers. Developer understands and agrees that neither entry by the City into this Agreement nor any approvals given by City under this Agreement shall be deemed to imply that Developer will obtain any required Regulatory Approvals from City departments, boards or commissions with jurisdiction over the Office Project or the Residential Project. Nothing in this Agreement shall affect or limit the rights and responsibilities of the City's Planning Department, Planning Commission, other City departments or the Board of Supervisors with respect to the Regulatory Approvals for some or all of the Office Project, or their discretionary rights with respect to the review, approval, imposition of conditions, or rejection of any Regulatory Approvals. The City's Regulatory Approvals shall be issued or denied, by the appropriate City department, in keeping with its standards and customary practices and without regard to this Agreement.

1.3 Design and Entitlement Before CEQA Date

(a) Design and Entitlement Work. Developer has prepared, and the City hereby approves, the Existing Plans. Developer prepared, and the City hereby approves, a detailed cost estimate and schedule for completion of all of the design and engineering work required to obtain final pricing for the Office Project consistent with the Existing Plans and all fees and costs associated with environmental review and the procurement of the Regulatory Approvals to the CEQA Date (collectively, the "**Design and Entitlement Work**"), which cost estimate and

schedule shall be a component part of the Project Budget (the "**Entitlement Budget**"). The City and the Developer shall work together in formulating a time line for the preparation of construction drawings to enable the City and Developer to estimate pricing for the work to be performed under the Construction Contract so that the City can authorize the issuance of COPs in an appropriate amount on the PSA Ratification Date. By approving this Agreement, the City authorizes Developer to proceed with the Design and Entitlement Work consistent with the Entitlement Budget, the Existing Plans and this Agreement. Unless otherwise directed by the Director of Property, Developer shall design the Office Project so as to achieve LEED Gold certification. The City will determine, however, whether and when to seek any such certification. The City approves SOM, a New York limited liability partnership (the "**Architect**"), as the architect for the Office Project. The City also approves Swinerton Builders Inc., a California corporation, as the general contractor for the Office Project (the "**General Contractor**"). During the period that the Design and Entitlement Work is being undertaken, the City and Developer shall work with the Architect and the General Contractor to design the Office Project within the Project Budget.

(b) Project Contracts. Developer shall negotiate, with the City's active participation, (i) a contract between Developer and the Architect (the "**Architect Contract**"), (ii) a not to exceed maximum price contract, or a modified design-build integrated-project delivery contract, between Developer and the General Contractor (the "**Construction Contract**"), and (iii) such other project contracts that Developer determines are necessary and appropriate to complete the Office Project (each of such contracts referenced in clauses (i), (ii) and (iii), a "**Project Contract**" and collectively, the "**Project Contracts**"). Developer and the City each agree to act reasonably and in good faith to reach agreement on the terms of each Project Contract, including the Architect Contract and the Construction Contract, but excluding any Pre-Approved Project Contract (as defined below), consistent with the terms of this Agreement, as soon as possible. If Developer and the City cannot reach agreement during negotiations with the Architect, the General Contractor or any other Project Contractor for Project Contracts other than any Pre-Approved Project Contract, Developer and the City may agree to begin negotiations with an alternative party acceptable to both. Except for any Pre-Approved Project Contract, the Project Contracts are each subject to review and approval by Developer and the City, each acting in their reasonable discretion (and taking into account required City contracting requirements); provided if Board of Supervisor approval of the Architect Contract or the Construction Contract is required by ordinance to exempt any City municipal code requirement that would otherwise apply, the parties shall use good faith efforts to expedite negotiations and seek Board of Supervisors approval of the required ordinance. If, despite their respective good faith efforts, the parties cannot reach agreement on the Architect Contract or the form of the Construction Contract on or before the PSA Ratification Date, then either party may terminate this Agreement upon thirty (30) days' notice to the other party (provided that if the party giving such notice is Developer, no Developer Event of Default exists, and if the party giving such notice is the City, no City Event of Default exists), without cost or liability, provided the City shall pay to Developer the City's Share of the Design and Entitlement Costs as set forth in Section 1.3(h); provided, however, if a Developer Event of Default or a City Event of Default exists, the parties shall have the rights in Section 9.6. Notwithstanding anything to the contrary above, if the Architect Contract or the Construction Contract is brought to the Board of Supervisors for approval as set forth above and the Board does not approve either contract, then the parties shall seek in good faith to negotiate such changes as may be necessary to obtain the Board of Supervisor's approval for a period of not less than sixty (60) days. For purposes of this Agreement, a "**Pre-Approved Project Contract**" shall mean any Project Contract where the amount of such Project Contract is less than $50,000 and which includes the applicable provisions set forth in Section 2.9. A Pre-Approved Project Contract shall not require the City's approval.

(c) Changes to the Size of the Office Project. In connection with completion of the Design and Entitlement Work, the City may increase the overall footage of the Office Project by up to five percent (5%) with the approval of Developer and a commensurate increase in the Project Budget, which approval shall not be withheld unless the increase would (i) reduce the size of or otherwise materially negatively impact the Residential Project, (ii) materially impact the timing or process of procuring the entitlements, or (iii) cause the Project Costs to exceed the Maximum Cost (unless the City agrees to increase the Maximum Cost as needed). The City may, at any time, decrease the square footage at its option but any decrease will not reduce the land cost allocated to the Office Parcel. Any dispute regarding City adjustments to the square footage of the Office Project shall be an Arbitration Matter under Section 3.1.

(d) City's Reasonable Approvals. Developer's submittals in connection with the Design and Entitlement Work shall be subject to the approval of the City, which shall not be unreasonably withheld or delayed. When reviewing Developer's submittals, (i) it will not be unreasonable for the City to require changes to reduce the Purchase Price as set forth in this Agreement provided such change does not materially reduce the quality of the exterior of the Office Project and (ii) it will not be unreasonable for the City to require changes to the extent the City is willing to pay for the change or extend any completion date or other date required to accommodate the change, if necessary. If the City does not approve a submittal, the City will indicate in writing the reason for the disapproval and the steps or changes to be made to obtain its approval. The City will approve, disapprove or approve conditionally each submittal of the Design and Entitlement Work in accordance with the procedures set forth in Section 14.8; provided, the provisions of Section 14.8 shall not apply to any Board of Supervisors approval of the Architect Contract and the Construction Contract.

(e) Design and Entitlement Costs. Developer shall pay or cause to be paid when due all fees and costs associated with the environmental review and the procurement of the Regulatory Approvals, together with any design development or other costs for the Office Project incurred by Developer that Developer intends to include as part of the Purchase Price (collectively, the "**Design and Entitlement Costs**"). Before engagement of any contractor, Developer shall deliver to the City, for review and approval which shall not be unreasonably withheld, the name and qualifications of the third-party consultants and contractors to be engaged by Developer in connection with work on the Office Project (upon the City's approval, all such consultants being defined collectively as the "**Approved Contractors**"). Developer shall also deliver to the City on a monthly basis a detailed summary (a "**Design and Entitlement Cost Report**") of Developer's expenditures of Design and Entitlement Costs during the previous month. Each Design and Entitlement Cost Report shall include a description of the services performed, the number of hours worked (when applicable) and rates charged, and costs paid by Developer. The Design and Entitlement Cost Report shall also notify the City as soon as Developer has reason to believe that the Design and Entitlement Costs will likely exceed the Entitlement Budget so that the parties can mutually discuss any cost savings methods or practices. Developer agrees that the Design and Entitlement Costs shall not exceed the Entitlement Budget unless approved by the City.

(f) Apportionment. If and to the extent there are Design and Entitlement Costs that properly cover or relate to both the Office Project and the Residential Project, then those costs shall be apportioned fifty percent (50%) to the Residential Project and fifty percent (50%) to the Office Project, unless Developer can demonstrate to the reasonable satisfaction of the Director of Property, or the Director of Property can demonstrate to the reasonable satisfaction of Developer, that a different allocation should be used in the interest of fairness based upon the extent to which the cost primarily relates to or arises from the Residential Project or the Office Project (the "**Apportionment**").

(g) Records and Approval of Cost Reports. Developer shall maintain records, in reasonable detail, with respect to all Design and Entitlement Costs, and shall provide such supporting documentation as the City may reasonably request to verify Design and Entitlement Costs. Developer will also make all records available for inspection, copying and audit by the City. The City shall review and approve or disapprove each Design and Entitlement Cost Report within fifteen (15) days following receipt; provided, for any disapproval, the City shall state its reasons for the disapproval in writing and the parties agree to meet and confer in good faith for a period to discuss any areas of disagreement. If the parties are not able to reach agreement on the appropriateness, apportionment or amount of any Design and Entitlement Cost within twenty (20) days following a disapproval by the City, either party can refer the matter to binding arbitration as set forth in Section 3.1.

(h) City Share of Design and Entitlement Costs. Except as otherwise provided in Sections 1.6(b) and 1.9(d) of this Agreement, if this Agreement terminates for any reason and no City Event of Default nor Developer Event of Default exists as of the date of termination, then the City shall reimburse Developer for fifty percent (50%) (the "**City's Share**") (or such larger percentage as set forth in Section 1.6(b) or Section 1.9(d)) of the Design and Entitlement Costs incurred by Developer to the date of termination, provided (i) the City shall receive a credit for the Non-Refundable Payments and (ii) if Developer elects to proceed with the design and entitlement of the Office Parcel with a project materially similar to the Office Project following such termination, then the City shall not be required to reimburse Developer for the City's Share. If Developer elects not to proceed with the design and entitlement of the Office Parcel with a project materially similar to the Office Project, and the City pays to Developer the City's Share, but then Developer subsequently elects to proceed with the design and entitlement of the Office Project with a project materially similar to the Office Project, as reflected in the Design and Entitlement Work, within five (5) years following payment of the City's Share, then Developer shall reimburse the City's Share to City (without interest). In no event shall the City's Share of the Design and Entitlement Costs upon such termination exceed the lower of (a) the increased amount of the City's Share of the Design and Entitlement Costs approved by the City in writing at any time before the date of termination of this Agreement, and (b) Four Million One Hundred Sixty One Thousand One Hundred Fifty Dollars ($4,161,150) including the Non-Refundable Payment of $1,250,000; subject to the higher amount set forth in Section 1.6(b) or Section 1.9(d). If this Agreement is terminated by the City or the Developer before the PSA Ratification Date due to a City Event of Default or a Developer Event of Default, as applicable, the non-defaulting party shall have the remedies set forth in Section 9.6.

(i) Ownership of Work. Developer shall own, or have a license to use, the Design and Entitlement Work, but Developer shall ensure that all rights of Developer in the Design and Entitlement Work are transferable to the City without limitation, payment to or the consent of the applicable architects and engineers, and will be transferred to the City upon completion of the Office Project or upon any payment by the City to Developer of the full Design and Entitlement Costs (for the avoidance of doubt, Developer is not required to transfer the Design and Entitlement Work upon payment of only the City's Share of Design and Entitlement Costs).

1.4 CEQA Review

Following receipt of Developer's application for Environmental Review, the City's Planning Department, acting in its regulatory capacity, shall undertake and complete Environmental Review of the Office Project before review and consideration by any City department or commission of the Proposed Entitlements, and before review and consideration by the Board, of the Planning Code and/or Zoning Map amendments for the Office Parcel to permit the Office Project, construction of the Office Project, and demolition or alteration of the existing improvements on the Office Parcel. Acting in its regulatory capacity, the City will review and consider the final environmental documents (the "**CEQA Document**") relating to the Office Project before deciding whether to approve the Office Project, including any associated Municipal Code, Zoning Map or General Plan amendments. Before the CEQA Date, the City, acting in its regulatory capacity, retains the sole and absolute discretion to: (i) make such modifications to the proposed Office Project as are deemed necessary to mitigate significant environmental impacts; (ii) select other feasible alternatives to avoid such impacts; (iii) balance the benefits against unavoidable significant impacts before taking final action if such significant impacts cannot otherwise be avoided; or (iv) determine not to proceed with the proposed purchase based solely upon environmental impacts disclosed by the environmental review process (collectively, the "**CEQA Contingency**").

1.5 CEQA Date

The effective date by which City completes all required environmental review for the Office Project and the City's Planning Commission and Board (i) adopt or certify the adequacy of the CEQA Document, and (ii) grant all City Regulatory Approvals for the Office Project, including (a) demolition or alteration of existing buildings on the Office Parcel as may be required for the Office Project, (b) Zoning Map and/or Planning Code amendments for the Office Parcel to permit the Office Project, and (c) Planning Code Section 309 project approval shall be referred to as the "**CEQA Date**". The parties agree to work diligently and in good faith to cause the CEQA Date to occur as soon as reasonably possible, and currently anticipate that the CEQA Date will be on or before June 30, 2016; provided, if following adoption, there is an administrative appeal of the adoption or certification of the CEQA Document or of the entitlements, the CEQA Date shall be the effective date when the adoption, certification and/or entitlements have been finally determined or granted following the exhaustion of any administrative appeals. The parties may agree, subject to any injunction that prevents the City or Developer from taking the actions, to continue to process approvals or commence work notwithstanding the initiation of a legal challenge. If the initial adoption or certification of the CEQA Document and grant of all City Regulatory Approvals has not occurred by June 30, 2017 (the "**Outside CEQA Date**"), despite the best efforts of the parties, then either party may terminate this Agreement by providing sixty (60) day notice of termination to the other party, provided (i) the parties may agree to extend the Outside CEQA Date during the above sixty (60) day period, and (ii) if this Agreement is terminated by the City or the Developer and no Developer Event of Default exists, then the City shall reimburse Developer for the City's Share of the Design and Entitlement Costs incurred by Developer up to Four Million Thirty-Six Thousand One Hundred Fifty Dollars ($4,036,150) to the extent not previously paid by the City (i.e., City shall receive credit against this amount equal to the Non-Refundable Payments for the Design and Entitlement Costs previously paid by the City, not including the $250,000 that the City paid for the existing schematic designs) previously paid by the City) within thirty (30) days following the termination. If the certification of the CEQA Document or the grant of all City Regulatory Approvals does not occur by the Outside CEQA Date due to a Developer Event of

Default or a City Event of Default, as applicable, then the non-defaulting party shall have the remedies, if any, set forth in Section 9.6.

1.6 PSA Ratification Date

(a) On the CEQA Date, the Board shall take an action, by resolution, to either (i) ratify this Agreement, remove the CEQA Contingency, authorize the issuance of COPs and proceed with the City's acquisition of the Office Parcel, subject only to satisfaction or waiver of the City's Conditions Precedent, or (ii) reject this Agreement and elect not to proceed with the City's acquisition of the Office Parcel solely on the basis of the environmental impacts of the Office Project disclosed in the CEQA Document that have not been adequately avoided, mitigated or overridden under CEQA (the "**CEQA Rejection**"). The effective date of any such resolution shall be the "**PSA Ratification Date**".

(b) If the Office Project obtains all City Regulatory Approvals but not the City Exception such that Developer cannot proceed without City or other public agency occupancy, and the CEQA Rejection occurs, then Developer shall have the right to terminate this Agreement without cost or liability to either party, except that upon such termination the City shall pay the Design and Entitlement Costs incurred by Developer up to Eight Million Seventy-Two Thousand Three Hundred Dollars ($8,072,300) to the extent not previously paid by the City (i.e., City shall receive a credit against this amount equal to the Non-Refundable Payments previously paid by the City, not including the $250,000 the City paid for the existing schematic designs).

(c) If the Office Project obtains all Regulatory Approvals, including the City Exception, but the CEQA Rejection occurs, then the City shall pay to Developer the City's Share of the Design and Entitlement Costs and this Agreement shall terminate without additional cost or liability to either party.

Notwithstanding the foregoing, if on the CEQA Date, the Board ratifies this Agreement, but the Board does not authorize the issuance of the COPs, and provided this Agreement is not otherwise terminated pursuant to the provisions of this Section 1.6, the parties shall follow the procedures set forth in Section 1.9(c).

1.7 CEQA and Other Litigation

Developer and City shall each pay any and all costs and fees relating to any litigation or proceeding before any court or other judicial, adjudicative or legislative decision-making body, including any administrative appeal, to defend this Agreement, the Office Project, the Regulatory Approvals, and actions taken by the City in its proprietary or regulatory capacity in furtherance of this Agreement, including any challenge to the adequacy of the City's environmental review in granting Regulatory Approvals or approving this Agreement. In the event of any such action or proceeding, the parties shall each proceed with due diligence and shall cooperate with one another to defend the action or proceeding or take other measures to resolve the dispute that is the subject of such action or proceeding. The City shall use attorneys in the City Attorney's Office for any such defense, and shall provide to Developer monthly invoices of costs and fees as they are incurred at the same rates charged by the City to outside third party developers (currently, $365 per hour); provided the City may elect, at its option, to pay for the City Attorney's time and thereby not add such costs to the Purchase Price. If the City and Developer are both named defendants, respondents or real parties in interest in any action, then the parties shall endeavor to enter into a joint defense agreement to protect any confidential and privileged communications among them regarding the defense of the action. If a challenge relates to both

the Office Project and the Residential Project, costs and fees shall be divided in accordance with the Apportionment and the costs allocated to the Office Project shall be added to the Purchase Price. If a challenge relates to the Residential Project only, it shall not affect this Agreement or the Purchase Price. If a challenge relates to the Office Project only, then all reasonable costs and fees associated with the same shall be added to the Purchase Price.

1.8 Post-CEQA Completion of Design and Plans and Specifications for Office Project

If, on the PSA Ratification Date the City elects to remove the CEQA Contingency and proceed with the City's acquisition of the Office Parcel, Developer and the City shall work together with the Architect and Contractor to complete the design, plans and specifications for the Office Project in accordance with Section 1.3, and all such Design and Entitlement Costs incurred from and after the PSA Ratification Date shall be included in the Purchase Price.

1.9 COPs Funding and Potential Construction Loan

(a) City Funding. The City intends to issue certificates of participation ("**COPs**") or other indebtedness in the amount of the Project Cost to purchase the Office Parcel and pay the Purchase Price, to pay all amounts payable under the Construction Management Agreement and to pay all costs of developing the Office Project. The Director of Property and the City's Director of Finance shall seek authorization from the Board of Supervisors to proceed with the COPs funding on the PSA Ratification Date. Following such authorization, the Director of Property and the City's Director of Finance will seek Board of Supervisor approval of the offering documents, including the City's disclosures, promptly upon the completion of the same. If the Board of Supervisors removes the CEQA Contingency and authorizes the COPs funding, the parties agree to work together in good faith to cause the COPs or other financing transaction as required to satisfy the Financing Contingency to occur as soon as reasonably possible, but in no event later than seven (7) months following the PSA Ratification Date. Upon issuance of the COPs or other indebtedness, the proceeds shall be held in a separate account and used to pay only the following: (i) the Purchase Price upon transfer of the Office Parcel to the City, (ii) all development costs for the construction of the Office Project as and when incurred by the City or Developer, as required under the Construction Management Agreement and (iii) the Development Services Fee, as set forth in Exhibit D and the Construction Management Agreement. The City shall have the right to issue COPs or other indebtedness in one or more phases, provided (x) the City agrees to, and does in fact, remove the Financing Contingency on or before the Closing Date, and (y) on or before the Closing Date, the City has appropriated and authorized funds to pay the Project Costs, as evidenced by the City Controller's certification of funds for the City's payment of Project Costs.

(b) Financing Contingency. In connection with the COPs financing, fee simple title to the Office Parcel (and/or other City real estate) will be taken in the name of a nominee of City which, as landlord, will lease the Office Parcel (and such other City real estate) to the City. The nominee, which will be a bank or other fiduciary, will act as trustee for holders of the COPs. Developer hereby consents to the use of a nominee to take title, and further consents to City's assignment to the nominee, at Closing, of City's rights under this Agreement, except that City shall not be released from its obligations under this Agreement and such nominee shall assume the City's obligations under this Agreement in accordance with Section 14.3. The City's obligation to purchase the Office Parcel is contingent upon, and subject to, the successful issuance, sale and delivery of the COPs or other indebtedness (the "**Financing Contingency**"). The City will use commercially reasonable efforts to satisfy the Financing Contingency as set

forth above, provided that the interest rate on the COPs is no greater than twelve percent (12%) per annum. However, the City makes no representation, warranty or assurance such COPs will be successfully issued, delivered or sold. Developer agrees to execute and deliver to the City upon request, at no cost to Developer (other than costs included in the Purchase Price) or potential liability to Developer, any and all certificates, agreements, authorizations or other documents as the City may deem reasonably necessary or appropriate in connection with the issuance, delivery and sale of the COPs.

(c) Potential Construction Loan and Developer Completion of the Office Project. Following the Board of Supervisors' authorization of the COPs issuance on the PSA Ratification Date, the City shall keep Developer reasonably informed of all material issues relating to the COPs issuance as offering and other documents are prepared. If, following the COPs authorization, the City's other Closing Conditions are satisfied but the City does not satisfy the Financing Contingency by the Anticipated Closing Date (as it may be extended) despite the City's good faith efforts to do so, then the City shall promptly notify Developer. If the Board of Supervisors fails to authorize the COPs on the PSA Ratification Date, or if the City subsequently fails to timely satisfy the Financing Contingency, the City and Developer shall negotiate in good faith, for a period of not less than three (3) months, and for such additional time as may be agreed upon by the parties, on the terms and conditions for the Developer's completion of the Office Project and the sale or lease of the Office Project to the City upon completion (the "**Private Loan Transaction Terms**"). Such negotiation shall include the terms of a private construction loan, the City's thirty percent (30%) equity contribution, the City's and the lender's security, the terms on which the City's equity contribution will be returned to the City, the relationship between the City, Developer and the construction lender (including any subordination and/or intercreditor agreement), and the terms of a backup lease if the City cannot purchase the Office Project upon completion. The Private Loan Transaction Terms will be subject to the approval of the City and Developer, each in their sole discretion. For the City, such terms shall be subject to the approval of the City's Board of Supervisors and Mayor, in their sole discretion. If the parties are not able to reach agreement on the Private Loan Transaction Terms within the three (3) month negotiation period referred to above, as it may be extended, then either party may, upon thirty (30) days' notice to the other party (provided that if the party giving such notice is Developer, no Developer Event of Default exists, and if the party giving such notice is the City, no City Event of Default exists), terminate this Agreement without cost or liability, provided the City shall pay to Developer the City's Share of the Design and Entitlement Costs as set forth in Section 1.3(h).

(d) Proposition M. If the building is occupied by the City, Developer would not need to obtain a Planning Code Section 321 office allocation (the "**Prop M Allocation**") to entitle or construct the Office Project. However, if the Board of Supervisors does not authorize the issuance of the COPs on the PSA Ratification Date, or following such authorization, the Closing does not occur because the City does not satisfy the Financing Contingency and the parties do not reach agreement on the Private Loan Transaction Terms under Section 1.9(c), then Developer shall seek a Prop M Allocation for the Office Project. If Developer does not obtain a Prop M Allocation for the Office Project within one (1) year following the PSA Ratification Date and the City has not issued COPs by that date, then the City shall pay to Developer seventy-five percent (75%) of the total Design and Entitlement Costs less any amounts already paid to Developer pursuant to the last sentence of Section 1.9(c).

1.10 Environmental and Other Due Diligence

Developer has performed environmental due diligence of the Property before Developer's acquisition. Developer has delivered to the City all of the environmental reports and documents it acquired or procured in connection with its acquisition of the Property.

1.11 Payment of Non-Refundable Deposits

The City shall pay to Developer the Non-Refundable Payments as follows: (1) One Million Dollars ($1,000,000) on Developer's acquisition of the Goodwill Site, and (2) Two Hundred Fifty Thousand Dollars ($250,000) upon Developer's presentation and the City's approval of invoices for the applicable work in accordance with this Agreement.

2. CONSTRUCTION OF THE OFFICE PROJECT

2.1 Construction Management

(a) Construction Management Agreement. On the Closing Date, (i) the City and Developer shall enter into a construction management agreement in substantially the form attached hereto as Exhibit P (the "**Construction Management Agreement**"), and (ii) City shall pay to Developer the portion of the Development Services Fee that is, pursuant to the terms of the Construction Management Agreement, payable to Developer concurrently with the execution and delivery of the Construction Management Agreement. Developer understands and agrees that in entering into this Agreement, the City is relying on Developer's development experience and expertise and Developer's commitment to take such actions as needed to manage the Office Project construction consistent with other similar projects completed by Related California. Under the Construction Management Agreement, Developer shall (x) consistent with industry standards for similar projects and Developer's Affiliate's work on the Residential Project, closely monitor, oversee, and review General Contractor's work throughout the construction of the Office Project, (y) promptly identify and notify the City of any defaults, deficiencies or violations it discovers, (z) enforce Developer's rights and remedies against the Architect under the Architect Contract and against the General Contractor under the Construction Contract.

(b) Project Cost and Maximum Cost. Based on detailed pricing estimates performed to date, the parties estimate that the total aggregate cost to pay the Purchase Price, pay all amounts due under the Construction Management Agreement, and to develop the Office Project (collectively, the "**Project Cost**") will be approximately Three Hundred Twenty-Six Million Six Hundred Ninety Thousand Nine Hundred Fifty-Three Dollars ($326,690,953), as shown in Exhibit D, and the City has established a maximum cost of Three Hundred Twenty-Six Million Six Hundred Ninety Thousand Nine Hundred Fifty-Three Dollars ($326,690,953) (the "**Maximum Cost**"). From the start of construction until completion of the Office Project, Developer shall, as provided in the Construction Management Agreement, review and monitor the Construction Contractor's monthly construction cost report of expenditures on the Office Project during the previous month (the "**Construction Cost Report**"). The Construction Cost Report shall include an update to the Office Project schedule, including critical path items. Pursuant to the terms of the Construction Management Agreement, (1) the parties will agree to review the Project Budget, as compared to actual expenditures, throughout the development to ensure that the Project Cost does not exceed the Maximum Cost, (2) if Developer reasonably believes at any point that the Project Cost will likely exceed the Maximum Cost, Developer shall notify the City of such fact and the parties shall discuss alternatives to design, overall square footage, finishes, and other items that may be changed or eliminated from the Office Project so

as to not exceed the Maximum Cost, and (3) upon City's request, Developer shall provide to the City good faith detailed estimates of the cost of various proposed alternatives in order for City to initiate needed change orders to keep the Project Cost below the Maximum Cost.

2.2 Architect Contract and Construction Contract

Developer shall use commercially reasonable efforts to include the applicable provisions of this Article 2 in the Architect Contract, the Construction Contract and all other Project Contracts, except for any Pre-Approved Project Contract which only needs to include the applicable provisions of Section 2.9, each subject to such revisions or deletions as may be agreed to by the City in approving the Project Contract. If the Architect or the General Contractor or other contractor under a Project Contract (each, a "**Project Contractor**") refuses to include any provision, Developer shall consult with the City on how to proceed with the contract negotiations, including whether to seek Board of Supervisors approval of an ordinance exempting such provision. Notwithstanding anything stated to the contrary in this Agreement, any failure to include in any Project Contract any of the provisions provided for in this Article 2 shall not constitute a default or breach by Developer under this Agreement. However, the City shall not be required to approve any Project Contract that does not include the applicable provisions of this Article 2. In no event and under no circumstances, shall Developer be liable for any breach or default by a Project Contractor, or for a Project Contractor's failure to comply with any of the provisions of this Article 2 or applicable law including any City law. Upon a default by a Project Contractor, and following consultation with the City and upon the City's request, Developer shall use commercially reasonable efforts to take specific remedial action against the defaulting Project Contractor, including termination of the applicable Project Contract and replacement of the applicable Project Contractor. All third party costs incurred by Developer in enforcing rights and remedies against the Architect or the General Contractor (a) before the Closing shall be included in the Purchase Price, and (b) after the Closing shall be paid by the City in accordance with the Construction Management Agreement.

2.3 Compliance with Laws

Developer shall use commercially reasonable efforts to cause each Project Contractor to remain fully informed of and comply with the applicable provisions of the Charter, ordinances and regulations of the City and other local agencies having jurisdiction over the work, and all federal and state laws and regulations in any manner affecting the contract documents, the performance of the work, or those persons engaged therein. Developer shall require compliance with, and shall use good faith efforts to ensure all construction and materials provided under the contract documents shall be in full accordance with, the applicable provisions of the latest laws and requirements, as the same may be amended, updated or supplemented from time to time, of the Code specified in the contract documents, Americans with Disability Act Accessibility Guidelines, CAL-OSHA, the State Division of Industrial Safety of the Department of Industrial Relations, the Division of the State Architect – Access Compliance, the Public Utilities Commission of the State of California, the State Fire Marshal, the National Fire Protection Association, the San Francisco Department of Public Health, state and federal laws and regulations, and of other bodies or officials having jurisdiction or authority over same, and they shall be observed and complied with by Developer and any and all persons, firms and corporations employed by or under it. The City and its agents may at any time, following written notice to Developer, enter upon any part of the work to ascertain whether such laws, ordinances, regulations or orders are being complied with, provided that the City shall have no obligation to do so under this Agreement and no responsibility for such compliance. Architect and General Contractor shall comply with the applicable provisions of San Francisco Administrative Code

Chapter 6 that are incorporated into the Architect Contract and the Construction Contract, respectively. To the extent applicable to Developer, Developer shall comply with all laws including the applicable provisions of the Charter, ordinances and regulations of the City and local agencies having jurisdiction over the work.

2.4 Completion Date

Unless otherwise agreed to by the City, the Construction Contract shall require that (a) all work be substantially complete within nine hundred (900) consecutive calendar days following the start of work, subject to unavoidable delay, and (b) final completion of the work shall occur within 60 consecutive calendar days after the date the City issues a notice of substantial completion, subject to unavoidable delay.

2.5 Liquidated Damages

Unless otherwise agreed to by the City, the Construction Contract shall provide that time is of the essence in all matters relating to completion of the Office Project, and that the City will suffer financial loss if the work is not completed within the time frames set forth in Section 2.4, plus any extensions allowed in accordance with the general conditions. Accordingly, the Construction Contract shall include liquidated damages for delay (but not as a penalty), as the City's sole remedy for such delay, payable by the General Contractor to the City, for each calendar day of delay.

2.6 Labor Requirements for Construction

(a) Applicable Labor Laws and Agreements. Compensation and working conditions for labor performed or services rendered (excluding professional design services) under the Project Contracts shall be in accordance with the San Francisco Charter, and applicable sections of the San Francisco Administrative Code, including section 6.22(E). Developer shall include the requirements of this Section 2.6 (collectively, the "**Labor Requirements**") in the Project Contracts (as applicable), and require Project Contractors to include the Labor Requirements in all subcontracts relating to the work, as applicable, unless otherwise agreed to by the City. The Project Contracts shall expressly acknowledge the City's right to monitor and enforce the Labor Requirements in all respects and at all times, and Developer agrees (1) to reasonably cooperate with City in all monitoring and enforcement measures initiated by City, including but not limited to the withholding of payments as directed by the City when permitted under the provisions of the Labor Requirements, with any third party costs incurred by Developer being added to the Purchase Price, and (2) to promptly inform the City of any known violations or known alleged violations of the Labor Requirements. A Project Contractor's violation of the Labor Requirements will not be considered a Developer default under this Agreement.

(b) Prevailing Wages. The Project Contracts shall require payment of the latest Wage Rates for Private Employment on Public Contracts in the City and County of San Francisco, as determined by the San Francisco Board of Supervisors, as same may be changed during the term of this Agreement. Developer shall include in each applicable Project Contract a requirement that all persons performing labor under such Project Contract shall be paid not less than the highest prevailing rate of wages for the labor so performed. Developer shall require any Project Contractor to provide, and shall deliver to City every month during any construction period, certified payroll reports with respect to all persons performing labor in the provision of the work. Copies of the latest prevailing wage rates are on file at the Department of Public Works, City and

County of San Francisco, Bureau Manager, Bureau of Engineering, 30 Van Ness Avenue, 5th Floor, San Francisco, CA, 94103.

(c) Penalties. The Construction Contract shall provide for payment to the City back wages due plus fifty dollars ($50.00), for: (i) each laborer, workman, or mechanic employed in the provision of the work, for each calendar day or portion thereof during which such laborer, workman, or mechanic is not paid the highest general prevailing rate of wage for the work performed; or (ii) each laborer, mechanic or artisan employed in the provision of the work, for each calendar day or portion thereof during which such laborer, mechanic or artisan is compelled or permitted to work for a longer period than five days (Monday-Friday) per calendar week of eight hours each, and not compensated in accordance with the prevailing overtime standard and rate.

(d) First Source and Local Hiring. The Construction Contract shall require compliance, as applicable, with the First Source Hiring and Local Hiring requirements set forth in Exhibit F, unless otherwise agreed to by the City.

2.7 Indemnity

Developer shall use commercially reasonable efforts to have the Architect Contract include the following indemnity (or indemnity language similar in all material respects) for the benefit of the City, unless otherwise agreed to by the City:

> "General. To the fullest extent permitted by law, Architect shall assume the defense of (with legal counsel subject to approval of the City), indemnify and save harmless the City, its boards, commissions, officers, and employees (collectively "Indemnitees"), from and against any and all claims, loss, cost, damage, injury (including, without limitation, injury to or death of an employee of the Contractor or its subconsultants), expense and liability of every kind, nature, and description (including, without limitation, incidental and consequential damages, court costs, attorneys' fees, litigation expenses, fees of expert consultants or witnesses in litigation, and costs of investigation), that arise out of, pertain to, or relate to, directly or indirectly, in whole or in part, the negligence, recklessness, or willful misconduct of the Architect, any subconsultant, anyone directly or indirectly employed by them, or anyone that they control (collectively, "Liabilities").
>
> Limitations. No insurance policy covering the Architect's performance under this Agreement shall operate to limit the Architect's Liabilities under this provision. Nor shall the amount of insurance coverage operate to limit the extent of such Liabilities. The Architect assumes no liability whatsoever for the sole negligence, active negligence, or willful misconduct of any Indemnitee or the contractors of any Indemnitee.
>
> . Copyright infringement. Architect shall also indemnify, defend and hold harmless all Indemnitees from all suits or claims for infringement of the patent rights, copyright, trade secret, trade name, trademark, service mark, or any other proprietary right of any person or persons in consequence of the use by the City, or any of its boards, commissions, officers, or employees of articles or services to be supplied in the performance of Architect's services under this Agreement. Infringement of patent rights, copyrights, or other proprietary rights in the performance of this Agreement, if not the basis for indemnification under the law, shall nevertheless be considered a material breach of contract."

2.8 Rights and Remedies During Construction

Developer shall use commercially reasonable efforts to include the following provisions (or provisions similar to the following provisions in all material respects) in the Project Contracts for the benefit of the City, unless otherwise agreed to by the City:

(a) General. The provisions of the Project Contract shall not limit the duties, obligations, rights and remedies otherwise imposed or available by law or in equity. No action or failure to act shall in any way abridge the rights and obligations of the parties to the Project Contract, or condone a breach thereunder, unless expressly agreed to by the parties in writing. All remedies provided in the Project Contract shall be taken and construed as cumulative; that is, in addition to each and every other remedy herein provided, the City shall have any and all equitable and legal remedies that it would in any case have.

(b) No Waiver. No waiver of any breach of any provision of the Project Contract shall be held to be a waiver of any other or subsequent breach. The only waiver by the City shall be a waiver in writing that explicitly states the item or right being waived.

(c) City's Remedies for False Claims and Other Violations. Under San Francisco Administrative Code section 6.22(M), a Project Contractor that fails to comply with the terms of the Project Contract, violates any provision of Local Hire and Prevailing Wages for Construction (San Francisco Administrative Code sections 6.22 through 6.45), submits false claims, or violates against any governmental entity a civil or criminal law relevant to its ability to perform under or comply with the terms and conditions of the Project Contract, may be declared an irresponsible bidder and debarred according to the procedures set forth in San Francisco Administrative Code section 6.80, et seq. Additionally, a Project Contractor that submits a false claim may be subject to monetary penalties, investigation, and prosecution as set forth in Administrative Code section 6.80, et seq.

(d) Interpretation. The Project Contract shall be interpreted in accordance with the laws of the State of California and the provisions of the City's Charter and Administrative Code.

2.9 Other City Requirements

Developer shall use commercially reasonable efforts to include in each Project Contract language requiring compliance, as applicable, with the provisions specified in the San Francisco municipal codes, including but not limited to: Non Discrimination in City Contracts and Benefits Ordinance (Admin. Code sections 12B, and 12C), Tropical Hardwood and Virgin Redwood Ban (Envir. Code sections 802(b) and 803(b)), Preservative-Treated Wood Containing Arsenic (Environment Code chapter 13), Bicycle Storage (Planning Code article 1.5), Resource Efficient City Building (Admin. Code sections 82.1-82.8), MacBride Principals (Admin. Code section 12F.1 et seq.), Controller's Certification of Funds (SF City Charter section 3.105), Conflicts of Interest (article III chapter 2 of City's Campaign and Governmental Conduct Code), and Campaign Contribution Limitations (section 1.126 of City's Campaign and Governmental Conduct Code). Developer shall comply with the above requirements insofar as they relate to Developer's work under this Agreement.

3. RESOLUTION OF CERTAIN DISPUTES

3.1 Binding Arbitration.

(a) Arbitration Matters. Each of the following is an "**Arbitration Matter**" following written notice from one party to another party that a dispute exists as to such matter: (i) the City's adjustment to the size of the Office Project, (ii) the appropriateness, apportionment or amount of any Design and Entitlement Cost or the City's failure to approve any Design and Entitlement Cost Report, (iii) the amount of City's Share for any Design and Entitlement Cost, (iv) disputes under provisions set forth in sections or exhibits to this Agreement that call for arbitration, and (vi) the City's or Developer's failure to approve any matter in this Agreement for which it is required to act reasonably (following mediation on the matter, if either party invokes mediation to resolve the dispute), but not including the failure to approve the Architect Contract or the Construction Contract. Following the receipt of notice of an Arbitration Matter, the parties will have thirty (30) days (or such longer time as they may agree) to attempt to resolve the Arbitration Matter through informal discussions. Notwithstanding anything stated to the contrary in this Agreement, whether an Event of Default has occurred, and the available remedies following an Event of Default, shall not be an Arbitration Matter and the provisions of this Section 3.1 shall not apply.

(b) Arbitration Notice. If an Arbitration Matter is not resolved by discussion as set forth in Section 3.1, then either party may submit the Arbitration Matter to a single qualified arbitrator at JAMS in the City ("**JAMS**") in accordance with the applicable rules of JAMS. The party requesting arbitration shall do so by giving notice to that effect to the other party or parties affected (the "**Arbitration Notice**"). The Arbitration Notice must include a summary of the issue in dispute and the reasons why the party giving the Arbitration Notice believes that the other party is incorrect in its or in breach.

(c) Selection of Arbitrator. The parties will cooperate with JAMS and with one another in selecting an arbitrator with appropriate expertise in the Arbitration Matter from a JAMS panel of neutrals, and in scheduling the arbitration proceedings as quickly as reasonably feasible. If the parties are not able to agree upon the arbitrator, then each will select one arbitrator, and the two selected arbitrators shall select a third arbitrator. The third arbitrator selected shall resolve such dispute in accordance with the laws of the State pursuant to the JAMS Streamlined Arbitration Rules and Procedures for disputes of $250,000 or less, and the JAMS Comprehensive Arbitration Rules and Procedures for disputes of more than $250,000 (as applicable, the "**Rules**").

(d) Arbitration Process. The parties shall bear their own attorneys' fees, costs and expenses during the arbitration proceedings, and each party shall bear one-half of the costs assessed by JAMS. The parties shall use good faith efforts to conclude the arbitration within sixty (60) days after selection of the arbitrator, and the arbitrator shall be requested to render a written decision and/or award consistent with, based upon and subject to the requirements of this Agreement as soon as reasonably possible in light of the matters in dispute. The arbitrator shall have no right to modify any provision of this Agreement. If a party chooses to submit any documents or other written communication to the arbitrator or JAMS, it shall deliver a complete and accurate copy to the other party at the same time it submits the same to the arbitrator or JAMS. Neither party shall communicate orally with the arbitrator regarding the subject matter of the arbitration without the other party present.

(e) Final Determination. Subject to this Section 3.2, the parties will cooperate to provide all appropriate information to the arbitrator. The arbitrator will report his or her determination in writing, supported by the reasons for the determination. As part of that determination, the arbitrator shall have the power to determine which party or parties prevailed, wherein the prevailing party or parties shall recover all of their reasonable fees, costs and expenses (including the fees and costs of attorneys) from the non-prevailing party or parties, to be paid within ten (10) days after the final decision of the arbitrator with regard to such fees, costs and expenses, and the arbitrator shall also determine whether the time spent for the Arbitration Matter is to be treated as Unavailable Delay. Except as provided in Sections 1286.2, 1286.4, 1286.6 and 1286.8 of the California Code of Civil Procedure, the determination by the arbitrator shall be conclusive, final and binding on the parties. Additionally, notwithstanding anything to the contrary contained in the Rules (i) the arbitrator, in deciding any Claim, shall base his or her decision on the record and in accordance with this Agreement and applicable law, (ii) in no event shall the arbitrator make any ruling, finding or award that does not conform to the terms and conditions of this Agreement, is not supported by the weight of the evidence, or is contrary to statute, administrative regulations or established judicial precedents, (iii) the arbitration award shall be a factually detailed, reasoned opinion stating the arbitrator's findings of fact and conclusions of law, (iv) any such arbitration shall be held in San Francisco, California, unless the parties mutually agree upon some other location. By agreeing to this provision, the parties are waiving all rights to a trial by judge or jury with respect to any Arbitration Matter. The arbitrator's decision and/or award may be entered as a judgment in any court having competent jurisdiction and shall constitute a final judgment as between the parties and in that court.

3.2 Non-Binding Mediation

(a) Mediation Matter. Each of the following is a "**Mediation Matter**" following written notice from one party to another party that a dispute exists as to such matter: (i) the City's failure to approve any Design Submittal or Construction Document, (ii) changes to the Office Project or the Project Budget as required to keep the Purchase Price below the Maximum Cost, and (iii) the City's or Developer's failure to approve any other matter as to which it is required by this Agreement to be reasonable.

(b) Mediation Request. A party may request non-binding mediation by delivering a written request for mediation ("**Mediation Request**") to the other party. The Mediation Request must include a summary of the issue in dispute and the position of the parties, together with any backup information or documentation it elects to provide. Within fifteen (15) days after receipt of the Mediation Request, the responding party may agree to meet and confer promptly with the requesting party to attempt to resolve the matter. In the absence of such agreement, or if the meet and confer does not resolve the matter promptly, the party who requested approval may submit the matter for mediation to JAMS in the City.

(c) Selection of Mediator and Process. The parties will cooperate with JAMS and with one another in selecting a mediator from a JAMS panel of neutrals and in scheduling the mediation proceedings as quickly as feasible. The parties agree to participate in the mediation in good faith. Neither party may commence or if commenced, continue, a civil action with respect to the matters submitted to mediation until after the completion of the initial mediation session. The parties will each pay their own costs and expenses in connection with the mediation, and the party that requested mediation will pay all costs and fees of the mediator. Without limiting the foregoing, the provisions sections 1115 through 1128 of the California Evidence Code, inclusive, will apply in connection with any mediation.

(d) Use of Evidence. The provisions of sections 1152 and 1154 of the California Evidence Code will apply to all settlement communications and offers to compromise made during the mediation or arbitration.

4. PURCHASE AND SALE

4.1 Property Included in Sale

Upon satisfaction (or waiver) of the City's Conditions Precedent and Developer's Conditions Precedent on the Anticipated Closing Date (or on such other date to which the Closing shall be extended as provided in this Agreement), the Closing shall occur and Developer agrees to sell and convey to City, and City agrees to purchase from Developer, subject to the terms, covenants and conditions hereinafter set forth, the following:

(a) the real property consisting of the Office Parcel, together with any improvements located on the Office Parcel (the "**Improvements**");

(b) the Developer's interest in Assumed Contracts that Developer and the City agree should be assigned by Developer and assumed by the City at Closing, if any;

(c) any and all rights, privileges, and easements incidental or appurtenant to the Office Parcel or Improvements, including, without limitation, any and all minerals, oil, gas and other hydrocarbon substances on and under the Office Parcel, as well as any and all development rights, air rights, water, water rights, riparian rights and water stock relating to the Office Parcel, and any and all easements, rights-of-way or other appurtenances used in connection with the beneficial use and enjoyment of the Office Parcel or Improvements, and any and all of Developer's right, title and interest in and to all roads and alleys adjoining or servicing the Office Parcel, subject to the Reciprocal Easement (collectively, the "**Appurtenances**");

(d) all personal property owned by Developer located on or in or used in connection with the Office Parcel or Improvements as of the Closing Date (the "**Personal Property**"); and

(e) any intangible personal property now or hereafter owned by Developer and used in the ownership, use or operation of the Office Parcel, Improvements or Personal Property, to the extent assignable to the City, and including the Assumed Contracts (collectively, the "**Intangible Property**").

All of the items referred to above in this Section 4.1 are collectively referred to as the "**Property**."

5. PURCHASE PRICE

5.1 Purchase Price

(a) Determination of Price. The purchase price for the Property shall equal (i) Thirty Million Two Hundred Ninety-Six Thousand Six Hundred Forty Dollars ($30,296,640) for the Office Parcel, plus (ii) all actual costs incurred by Developer after June 4, 2014, without mark-up, in connection with the design, entitlement, and development of the Office Project as set forth in this Agreement, including costs incurred in connection with environmental review, architectural and engineering costs, and legal and regulatory fees, plus (iii) all reasonable and

customary carrying and operating costs for the Goodwill Site that are allocated to the Office Parcel (to be calculated based on the Office Parcel's pro-rata share of the carrying costs and operating costs for the Goodwill Site as set forth in Exhibit D) incurred between the Developer's acquisition of the Goodwill Site and the Closing and reasonably necessary for maintenance of the Goodwill Site and fulfillment of Developer's obligations under this Agreement (including four percent (4%) interest per annum on Developer's equity invested in the Office Parcel or used to pay predevelopment costs, as shown in Exhibit D) plus (iv) brokerage commissions due to Cassidy Turley for the sale of the Office Parcel to the City, plus (v) all other costs to be included in the Purchase Price as provided in this Agreement, including the closing costs referenced in Sections 10.1 through 10.3 (as finally determined, the "**Purchase Price**"). Concurrently with the Closing, City shall be entitled to a credit towards the Purchase Price equal to (1) any City payments previously made by the City to the Developer under this Agreement, including any Non-Refundable Payments, plus (2) any receipts, payments or proceeds received by Developer during the term of this Agreement relating to the Office Parcel, including insurance or condemnation proceeds, if any, to the extent not used for the Office Project or, if used, to the extent included in the Purchase Price. Any costs incurred due to Developer's errors or negligence above customary amounts in keeping with a project of this size and complexity, and Developer's negotiation costs (including attorneys' fees) in connection with any arbitration or other implementation of this Agreement that are not a part of the design of the Office Project, will not be included in the Purchase Price.

(b) Apportionment. When possible and practical, Developer will maintain separation of the Design and Entitlement Costs for the Office Project and for the Residential Project, and where costs are appropriately attributable to both, they will be divided in accordance with the Apportionment.

5.2 Payment

On the Closing Date, City shall pay the Purchase Price, adjusted pursuant to the provisions of Article 10 [Expenses and Taxes], and reduced by any credits due City under this Agreement. Developer acknowledges and agrees that if Developer fails at Closing to deliver to City the documents required under Sections 9.3(f) and (g), City may be required to withhold a portion of the Purchase Price pursuant to section 1445 of the United States Internal Revenue Code of 1986, as amended (the "**Federal Tax Code**"), or section 18662 of the California Revenue and Taxation Code (the "**State Tax Code**"). Any amount properly so withheld by City in accordance with applicable law shall be deemed to have been paid by City as part of the Purchase Price, and Developer's obligation to consummate the transaction contemplated herein shall not be excused or otherwise affected thereby.

5.3 Funds

The Purchase Price, and all other amounts payable under this Agreement, shall be paid in legal tender of the United States of America, in cash or by wire transfer of immediately available funds to Title Company (as defined below), as escrow agent.

6. TITLE TO THE PROPERTY

6.1 Conveyance of Title to the Property

At the Closing, Developer shall convey to City, or its nominee (subject to such nominee's complying with the provisions of Section 14.3), marketable and insurable fee simple title to the

Office Parcel, the Improvements and the Appurtenances, by duly executed and acknowledged grant deed in the form attached hereto as Exhibit H (the "**Deed**"), subject to the Accepted Conditions of Title.

6.2 Title Insurance

Delivery of title in accordance with Section 6.1 shall be evidenced by the commitment of Fidelity Title Insurance Company (the "**Title Company**") to issue to City , or its nominee, an ALTA extended coverage owner's policy of title insurance (2006 Form) (the "**Title Policy**") in the amount of the Purchase Price insuring fee simple title to the Office Parcel, the Appurtenances and the Improvements in City, or its nominee, free of the liens of any and all deeds of trust, mortgages, assignments of rents, financing statements, creditors' claims, rights of tenants or other occupants, and all other exceptions, liens and encumbrances except solely for exceptions listed in Exhibit I (the "**Accepted Conditions of Title**"). The Title Policy shall provide full coverage against mechanics' and materialmen's liens arising out of the construction, repair or alteration of the Property prior to the Closing, and shall contain an affirmative endorsement that there are no violations of restrictive covenants, affecting the Property and such special endorsements as City may reasonably request.

6.3 Bill of Sale

At the Closing Developer shall transfer title to the Personal Property by bill of sale in the form attached hereto as Exhibit J (the "**Bill of Sale**"), such title to be free of any liens, encumbrances or interests.

6.4 Assignment of Intangibles

At the Closing Developer shall transfer title to the Intangible Property by an assignment of Intangible Property in the form attached hereto as Exhibit K (the "**Assignment of Intangible Property**"). As part of the Assignment of Intangible Property, Developer shall assign to the City all of Developer's rights, title and interest in contracts approved by the City during the term of this Agreement that Developer and the City expressly agree should be assigned to the City at Closing (collectively, the "**Assumed Contracts**"). All of Developer's Project Contracts, including the Architect Contract and the Construction Contract, together with all warranties and guarantees under the Project Contracts, will be assigned to the City upon the completion of the Office Project, without further consent of the Project Contractor and without additional payment to the Project Contractor, as set forth in the Construction Management Agreement. Any such contracts agreed to be assumed by City at Closing shall be included in the Assignment of Intangible Property. At or before the Closing, Developer shall terminate any contracts or agreements (expressly excluding any Project Contracts or agreements that are Accepted Conditions of Title) not agreed to be assumed by City, without any liability to City. During the term of this Agreement, Developer shall use commercially reasonable efforts to monitor and enforce all of Developer's rights under the Assumed Contracts and any Project Contracts, and shall notify the City as soon as it learns of any material default or material work defect or deficiency.

7. DUE DILIGENCE INVESTIGATIONS; RELEASE

7.1 Developer's Due Diligence and Representations

Developer will have acquired the Office Parcel by October 21, 2014, and in connection with the acquisition, Developer performed standard due diligence and obtained or procured various environmental reports, studies, surveys, tests and assessments; soils and geotechnical reports; site plans; and inspection reports by engineers or other licensed professionals (collectively, the "**Documents**"). All of the material Documents in Developer's possession are listed in Exhibit L, and Developer has delivered true and complete copies of the Documents listed in Exhibit L to the City. At the Closing, Developer shall assign (to the extent assignable) to the City all of Developer's rights, warranties, guaranties, and interests in the Documents, except as and to the extent they relate to the Residential Parcel and the Residential Project.

7.2 City's Due Diligence

The City has been given before October 21, 2014 (the "**Due Diligence Period**"), a full opportunity to investigate the Property, either independently or through agents of the City's own choosing, including, without limitation, the opportunity to conduct such appraisals, inspections, tests, audits, verifications, inventories, investigations and other due diligence regarding the economic, physical, environmental, title and legal conditions of the Property as the City deems fit, as well as the suitability of the Property for the City's intended uses. The City and its Agents may continue their due diligence investigations on the Property on or after the date this Agreement is executed by both parties hereto. Following the expiration of the Due Diligence Period, the City shall be deemed to have approved of the existing conditions of the Property and all items which could reasonably be discovered on or before the Due Diligence Period. Developer agrees to keep the City informed of any and all matters of significance with respect to the Property during the term of this Agreement, and to provide such additional information relating to the Property that is specifically reasonably requested by City of Developer from time to time.

7.3 Entry

Developer shall afford the City and its Agents reasonable access to the Property and all books and records relating to the Property at all times before the Closing Date; provided, however, the City shall not be entitled to undertake any invasive inspection of the Property without Developer's prior consent. The City hereby agrees to indemnify and hold Developer harmless from any damage or injury to persons or property caused by the actions or inactions of City or its Agents during any such entries onto the Office Parcel before the Closing, except to the extent such damage or injury is caused by the acts or omissions of Developer or any of its agents. The foregoing indemnity shall not include any claims resulting from the discovery or disclosure of pre-existing environmental conditions except to the extent the City aggravates any pre-existing environmental conditions on, in, under or about the Property. The provisions of this section shall survive the Closing and the termination of this Agreement for the applicable statute of limitations.

7.4 City Release

By proceeding with the Closing in accordance with the terms and conditions of this Agreement, concurrently with the Closing, the City shall be deemed to have made its own independent investigation of the Office Parcel and the Documents and the presence of any

Hazardous Materials in or on the Office Parcel as City deems appropriate. Accordingly, subject to the representations and warranties of Developer expressly set forth in Section 11.1, City, on behalf of itself and all of its officers, directors, shareholders, employees, representatives and affiliated entities (collectively, the "**City Releasers**") hereby, effective concurrently with the Closing, expressly waives and relinquishes any and all rights and remedies the City Releasers may now or hereafter have against Developer, its successors and assigns, partners, shareholders, officers and/or directors (the "**Developer Parties**"), whether known or unknown, which may arise from or be related to (a) the physical condition, quality, quantity and state of repair of the Office Parcel and the prior management and operation of the Office Parcel, (b) the Documents, (c) the Property's compliance or lack of compliance with any federal, state or local laws or regulations (including, without limitation, the failure of Developer to comply with any energy disclosure requirements), and (d) any past or present existence of Hazardous Materials in or on the Office Parcel or with respect to any past or present violation of any rules, regulations or laws, now or hereafter enacted, regulating or governing the use, handling, storage or disposal of Hazardous Materials in or around the Office Parcel, including, without limitation, (i) any and all rights and remedies the City Releasers may now or hereafter have under the Comprehensive Environmental Response Compensation and Liability Act of 1980, the Superfund Amendments and Reauthorization Act of 1986, the Resource Conservation and Recovery Act, and the Toxic Substance Control Act, all as amended, and any similar state, local or federal environmental law, rule or regulation, and (ii) any and all claims, whether known or unknown, now or hereafter existing, with respect to the Office Parcel under Section 107 of CERCLA (42 U.S.C.A. §9607).

7.5 Developer Release

By proceeding with the Closing, Developer, on behalf of itself and all of its officers, directors, shareholders, employees, representatives and affiliated entities (collectively, the "**Developer Releasers**"), effective concurrently with the Closing, expressly waives and relinquishes any and all rights and remedies the Developer Releasers may now or hereafter have against the City, its successors and assigns, officers, members, commissioners and/or employees (the "**City Parties**"), whether known or unknown, which may arise from or be related to the Regulatory Approvals, including all acts and omissions by the City Parties in granting, conditioning or denying any City approval relating to the Office Project.

7.6 General Release Under Section 1542

WITH RESPECT TO THE RELEASES IN SECTION 7.4 AND SECTION 7.5, CITY, ON BEHALF OF ITSELF AND THE OTHER CITY RELEASERS, AND DEVELOPER, ON BEHALF OF ITSELF AND THE OTHER DEVELOPER RELEASERS, EACH ACKNOWLEDGE THAT IT HAS READ AND IS FAMILIAR WITH THE PROVISIONS OF CALIFORNIA CIVIL CODE SECTION 1542, WHICH IS SET FORTH BELOW:

> "A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR."

BY INITIALING BELOW, THE CITY, ON BEHALF OF ITSELF AND THE OTHER CITY RELEASERS, AND DEVELOPER, ON BEHALF OF ITSELF AND THE OTHER DEVELOPER RELEASERS, WAIVES THE PROVISIONS OF SECTION 1542 SOLELY IN CONNECTION WITH THE MATTERS THAT ARE THE SUBJECT OF THE FOREGOING WAIVERS AND RELEASES.

City's Initials: _____ Developer's Initials: _____

THE FOREGOING WAIVERS, RELEASES AND AGREEMENTS SHALL SURVIVE THE CLOSING AND THE RECORDATION OF THE DEED (WITHOUT LIMITATION) AND SHALL NOT BE DEEMED MERGED INTO THE DEED UPON ITS RECORDATION. THE FOREGOING RELEASES SHALL NOT APPLY TO ANY RIGHTS THE PARTIES MAY HAVE UNDER THIS AGREEMENT TO THE EXTENT SUCH RIGHTS EXPRESSLY SURVIVE THE CLOSING, OR AGAINST GENERAL CONTRACTOR OR ARCHITECT UNDER THE TERMS OF THE CONSTRUCTION CONTRACT OR THE ARCHITECT CONTRACT.

8. CLOSING CONDITIONS

8.1 City's Conditions to Closing

The following are conditions precedent to the City's obligation to purchase the Property (collectively, "**City's Conditions Precedent**"):

(a) The City's ratification of this Agreement on the PSA Ratification Date.

(b) The City's approval of the Architect Contract and the Construction Contract, and any increase in the Maximum Cost (if required) for the Office Project required by the Construction Contract.

(c) The Title Company's commitment to issue at the Closing to the City or its nominee the Title Policy (in the amount of the Purchase Price) and an ALTA extended coverage leasehold policy insuring City's leasehold estate under any financing lease in the amount of the Purchase Price (or such lesser amount to the extent the insurable value of such leasehold estate is less than the Purchase Price) and subject only to the Accepted Conditions of Title as set forth in Section 6.2.

(d) Developer's delivery of an ALTA survey of the Office Parcel prepared by a licensed surveyor (the "**Survey**"). The Survey shall be reasonably acceptable to, and certified to, the City and Title Company and in sufficient detail to provide the basis for and the Title Policy without any boundary, encroachment or survey exceptions that would have a Material Adverse Effect.

(e) City's review and approval of the Assumed Contracts to be assigned to the City under the Assignment of Intangible Property. There shall be no contracts other than the Assumed Contracts, the Project Contracts and the Accepted Conditions of Title affecting or encumbering the Property, and no third party occupancy rights, as of the Closing Date. At the time of Closing there will be no outstanding written or oral contracts made by Developer for any of the Improvements that have not been fully paid for and Developer shall cause to be discharged

(or bonded over) all mechanics' or materialmen's liens arising from any labor or materials furnished to the Property before the time of Closing. There are no obligations in connection with the Property which will be binding upon City after Closing except for the Accepted Conditions of Title and the Assumed Contracts.

(f) There shall be no change in the physical and environmental condition of the Office Parcel since the date of the expiration of the Due Diligence Period (subject to the changes contemplated and required for development of the Office Project) that would have a Material Adverse Effect.

(g) No Developer Event of Default shall exist (and no notice of default shall have been given by the City that remains uncured) and all of Developer's representations and warranties contained in or made pursuant to this Agreement shall be true and correct in all material respects or, if such is not the case (i.e., the existence of an Event of Default or a representation or warranty is untrue), such failure does not have a Material Adverse Effect. At the Closing Developer shall deliver to the City a certificate in the form attached hereto as Exhibit T certifying whether each of Developer's representations and warranties contained in this Agreement continue to be true and correct in all material respects as of the Closing Date.

(h) As of the Closing Date, there shall be no litigation or administrative agency or other governmental proceeding that has been filed against the City, the Office Parcel or this Agreement which after the Closing could have a Material Adverse Effect.

(i) The satisfaction of the Financing Contingency on or before the Closing Date, as evidenced by the City Controller's certification of funds for the City's payment of the Project Costs.

The City's Conditions Precedent contained in this Section 8.1 are solely for the benefit of City. If any City's Condition Precedent is not satisfied, the City shall have the right in its sole discretion to waive in writing the City's Condition Precedent in question and proceed with the purchase. The waiver of any City's Condition Precedent shall not relieve Developer of any liability or obligation with respect to any covenant or agreement of Developer (except that, if the Closing occurs, any breached representation or warranty of which City has knowledge will be deemed waived and shall not survive the Closing). In addition, the date of the Closing may be extended as provided in Section 9.2 herein, to allow the City's Conditions Precedent to be satisfied. Any additional costs incurred by Developer as a result of such extension shall be paid by the City as part of the Purchase Price unless and except to the extent the need for the extension was caused by Developer or its Agents.

If the sale of the Property is not consummated because of an Event of Default by Developer or if a City Condition Precedent cannot be fulfilled because Developer frustrated such fulfillment by some bad faith act or bad faith omission, the City may exercise all rights and remedies available, following applicable notice and cure periods, as set forth in Section 9.6.

8.2 Developer's Conditions to Closing

The following are conditions precedent to the Developer's obligation to consummate the Closing as provided under this Agreement (collectively, "**Developer's Conditions Precedent,**" and, together with the City's Conditions Precedent, the "**Conditions Precedent**"):

(a) Developer's approval of the Architect Contract and the Construction Contract.

(b) No City Event of Default shall exist and all of the City's representations and warranties contained in or made pursuant to this Agreement shall be true and correct in all material respects or, if such is not the case, such failure does not have a Material Adverse Effect. At the Closing, the City shall deliver to Developer a certificate in the form attached as Exhibit T certifying whether each of the City's representations and warranties contained in this Agreement continue to be true and correct as of the Closing Date.

(c) As of the Closing Date, the City shall have delivered all documents and monies to Escrow required for Closing, including delivery of the closing documents required to be delivered in accordance with this Agreement and the deposit with the Title Company of the remaining portion of the Purchase Price and other amounts that may be payable by the City under the terms of this Agreement.

(d) As of the Closing Date, there shall be no litigation or administrative agency or other governmental proceeding that has been filed against Developer, the Office Parcel or this Agreement which after the Closing could have a Material Adverse Effect.

(e) The Lease (the "Goodwill Lease") entered into between Developer and Goodwill Industries of San Francisco, San Mateo and Marin Counties, Inc. has terminated and Goodwill has vacated its premises under the Goodwill Lease. ("Goodwill").

The Developer's Conditions Precedent contained in this Section 8.2 are solely for the benefit of Developer. If any Developer's Conditions Precedent is not satisfied, the Developer shall have the right in its sole discretion to waive in writing the Developer's Conditions Precedent in question and proceed with the Closing contemplated hereunder. The waiver of any Developer's Conditions Precedent shall not relieve City of any liability or obligation with respect to any covenant or agreement of City (except that, if the Closing occurs, any breached representation or warranty of which Developer has knowledge will be deemed waived and shall not survive the Closing). In addition, the date of the Closing may be extended as provided in Section 9.2, to allow the Developer's Conditions Precedent to be satisfied. Any additional costs incurred by Developer as a result of such extension shall be paid by the City as part of the Purchase Price unless and except to the extent the need for the extension was caused by Developer or its Agents.

If the sale of the Property is not consummated because of an Event of Default by the City or if a Condition Precedent cannot be fulfilled because the City frustrated such fulfillment by some bad faith act or bad faith omission, Developer may exercise all rights and remedies available, following applicable notice and cure periods, as set forth in Section 9.6.

For purposes of this Agreement, "**Material Adverse Effect**" shall mean any item or occurrence that (i) for the City, has a material adverse effect on the value of the Office Parcel and Developer does not elect (with no obligation to so elect) to fully mitigate such adverse effect by reducing the Purchase Price or the Development Services Fee to cover such reduction in the value of the Office Parcel, or the cost (and Developer does not elect (with no obligation to so elect) to fully mitigate such increased cost by reducing the Purchase Price and/or the Development Services Fee to cover such increased cost) or timing of, or the City's ability to complete, the Office Project, (ii) for the Developer, if the same reduces the Development Services Fee payable to Developer, and the City does not elect (with no obligation to so elect) to pay Developer such shortfall as part of the Purchase Price, and (iii) for both parties, has a

material adverse effect on that party's ability to perform its obligations under this Agreement or the Construction Management Agreement.

8.3 Cooperation

Developer and City shall cooperate with each other and do all acts as may be reasonably requested (except that Developer shall not be required to pay any third party cost unless included in the Purchase Price or unless the need for such payment is due to Developer's acts or omissions, and neither party shall be required to incur any liability or potential liability as a result of such cooperation) by the other or as reasonably needed or expected to fulfill the Conditions Precedent including, without limitation, execution of any documents, applications or permits. Developer's representations and warranties to the City shall not be affected or released (except as expressly provided above) by the City's waiver or fulfillment of any City's Condition Precedent and City's representations and warranties to Developer shall not be effected or released (except as expressly provided above) by the Developer's waiver or fulfillment of any Developer's Condition Precedent. Developer hereby irrevocably authorizes the City and its Agents to make all inquiries with and applications to any person or entity, including, without limitation, any regulatory authority with jurisdiction as the City may reasonably require to complete its due diligence investigations.

9. ESCROW AND CLOSING

9.1 Opening of Escrow

No less than ninety (90) days prior to the date scheduled for Closing, the parties shall open escrow by depositing an executed counterpart of this Agreement with Title Company, and this Agreement shall serve as instructions to Title Company as the escrow holder for consummation of the purchase and sale contemplated hereby. Developer and City agree to execute such additional or supplementary instructions as may be appropriate to enable the escrow holder to comply with the terms of this Agreement and close the transaction; provided, however, that in the event of any conflict between the provisions of this Agreement and any additional supplementary instructions, the terms of this Agreement shall control.

9.2 Anticipated Closing Date

The consummation of the purchase and sale contemplated hereby (the "**Closing**") shall be held and delivery of all items to be made at the Closing under the terms of this Agreement shall be made at the offices of Title Company located at 601 California Street, Suite 1501, San Francisco, California 94108, on the date that the City expects to satisfy the Financing Contingency, but not later than seven (7) months following the PSA Ratification Date as set forth in Section 1.6 (the "**Anticipated Closing Date**"), or such other date as may be mutually agreed upon in writing by the parties in their sole discretion. The actual date that the Closing occurs shall be hereinafter referred to as the "**Closing Date**". If, despite City's good faith efforts, the City is unable to close on the Anticipated Closing Date due to the Financing Contingency or due to the failure of any of the other City's Conditions Precedent, then the City shall have the one time right to extend the Closing by no more than one hundred twenty (120) days (the "**City Extension**"). The City shall pay all third party costs incurred by Developer due to the City Extension, unless the need for the City Extension was caused by Developer or its Agents. In connection with any City exercise of the City Extension, Developer shall notify the City of the third party costs to be incurred by Developer as Developer becomes aware of the same.

In addition, if despite Developer's good faith efforts, the Developer is unable to Close on the Anticipated Closing Date, or on the date designated pursuant to the City Extension, if any, due to the failure of any Developer's Conditions Precedent, then the Developer shall have the right to extend the Closing by no more than one hundred (120) days ("**Developer Extension**"). Developer shall pay all third party costs incurred by the City due to the Developer Extension and such costs will not be included in the Purchase Price, unless the need for the Developer Extension was caused by the City or its Agents. In connection with any Developer exercise of the Developer Extension, the City shall notify Developer of the third party costs to be incurred by the City as the City becomes aware of the same. For avoidance of doubt, the Parties agree that any carrying costs and operating costs incurred by Developer during any Developer Extension that is exercised due to the failure of Goodwill to vacate its premises under the Goodwill Lease shall not be included in the Purchase Price.

9.3 Developer's Delivery of Documents

At or before the Closing, Developer shall deliver through escrow to the City, or its nominee, the following:

(a) a duly executed and acknowledged Deed in the form attached hereto as Exhibit H;

(b) duly executed Bill of Sale in the form attached hereto as Exhibit J;

(f) a properly executed affidavit pursuant to section 1445(b)(2) of the Federal Tax Code in the form attached hereto as Exhibit M, and on which City is entitled to rely, that Developer is not a "foreign person" within the meaning of Section 1445(f)(3) of the Federal Tax Code;

(g) a properly executed California Franchise Tax Board Form 590 certifying that Developer is a California resident if Developer is an individual or Developer has a permanent place of business in California or is qualified to do business in California if Developer is a corporation or other evidence satisfactory to City that Developer is exempt from the withholding requirements of section 18662 of the State Tax Code;

(h) such resolutions, authorizations, or other documents or agreements relating to Developer and its partners as the City or the Title Company may reasonably require to demonstrate the authority of Developer to enter into this Agreement and consummate the transactions contemplated hereby, and such proof of the power and authority of the individuals executing any documents or other instruments on behalf of Developer to act for and bind Developer;

(i) closing statement in form and content satisfactory to the City and Developer;

(j) the duly executed certificate in the form of Exhibit T attached hereto regarding the continued accuracy of Developer's representations and warranties as required by Subsection 8.1(f) hereof;

(k) the duly executed Construction Management Agreement; and

(l) the duly executed Memorandum of Construction Management Agreement.

9.4 City's Delivery of Documents and Funds

At or before the Closing, the City or its nominee shall deliver to Developer through escrow the following:

(g) the Reciprocal Easement, duly executed by the City;

(h) the duly executed Construction Management Agreement; and

9.5 Other Documents

Developer and City shall each deposit such other instruments as are reasonably required by Title Company as escrow holder or otherwise required to close the escrow and consummate the purchase of the Property in accordance with the terms hereof, including, without limitation, an agreement (the "**Designation Agreement**") designating Title Company as the "Reporting Person" for the transaction pursuant to section 6045(e) of the Federal Tax Code and the regulations promulgated thereunder, and executed by Developer, City and Title Company. The Designation Agreement shall be substantially in the form attached hereto as Exhibit R and, in any event, shall comply with the requirements of section 6045(e) of the Federal Tax Code and the regulations promulgated thereunder.

9.6 Default and Remedies

(a) Default. The City and Developer agree to use good faith efforts to amicably resolve any disputes that may arise concerning the performance by either party of their obligations under this Agreement. If the parties are not able to resolve any dispute (not including Arbitration Matters), either party can refer the matter to nonbinding mediation in accordance with Section 3.2. If the parties cannot resolve a dispute through such mediation, or if neither party initiates mediation within ten (10) days of notification of the dispute, then the party alleging a breach or default by the other shall send to the other party a notice of default. Any notice of default given by a party shall specify the nature of the alleged default and, where appropriate, the manner in which the default may be satisfactorily cured (if at all). The following shall constitute a default or breach of this Agreement (subject to expiration of all notice and cure periods as set forth below and subject to the limitations set forth below):

(i) the failure to make any payment (between the parties only) within sixty (60) days following written notice that such payment was not made when due and demand for compliance, excluding the Purchase Price (and for payments of the Purchase Price, the City shall be in default if the required payment is not made within thirty (30) days following written notice that such payment was not made when due);

(ii) a Developer failure to diligently seek all required Regulatory Approvals for the Office Project, and the continuation of such failure for thirty (30) days following receipt of notice from the City;

(iii) the appointment of a receiver to take possession of all or substantially all of the assets of a party (but not a receiver appointed at the request of the other party), or an assignment for the benefit of creditors, or any action taken or suffered by a party under any insolvency, bankruptcy, reorganization, moratorium or other debtor relief act or statute, if any such receiver, assignment or action is not released, discharged, dismissed or vacated within sixty (60) days;

(iv) a failure to abide by the judgment or decision of the arbitrator following any Arbitration under Section 3.1, and such failure continues for thirty (30) days following written notice, plus any additional time necessary to appeal any arbitration decision to the extent permitted in Section 3.1(e) herein;

(v) a breach of a material representation or warranty under this Agreement, which breach is not or cannot be corrected by the breaching party within sixty (60) days following notice;

(vi) a transfer or attempted transfer or assignment of a party's rights or obligations under this Agreement without the prior consent of the other party (except as expressly permitted under this Agreement, such as any transfer to a Lender, which shall be permitted), and the failure to cancel or reverse the transfer or assignment within sixty (60) days following written notice and demand for compliance; and

(vii) the failure to perform or fulfill any other material term, provision, obligation, or covenant of this Agreement and the continuation of such failure for a period of sixty (60) days following written notice and demand for compliance, or if such obligation cannot reasonably be cured within sixty (60) days, then the party fails to initiate the cure within thirty (30) days and diligently prosecutes the same to completion within such time as is reasonably required.

Notwithstanding anything to the contrary above, the item listed in clauses (iii) and (iv) above shall not be subject to mediation under Section 3.2 and there will be no cure periods beyond the time period listed above. For purposes of this Agreement, (1) "**City Event of Default**" shall mean the occurrence of any of the events in Sections 9.6(a)(i), 9.6 (a)(iii), 9.6(a)(iv), 9.6(a)(v), 9.6(a)(vi) or 9.6(a)(vii); and (2) "**Developer Event of Default**" shall mean the occurrence of any of the events in Section 9.6(a); provided, however, notwithstanding the foregoing, neither City nor Developer shall be in default of this Agreement unless the notice and cure period set forth above in this Section 9.6(a) shall have expired (regardless whether the default or breach is curable).

(b) Remedies.

(i) City Remedies Upon Developer Event of Default. Upon the occurrence of a Developer Event of Default, the City shall have as its sole and exclusive remedy the right to elect one of the following:

(A) to terminate this Agreement, and bring an action against Developer for actual damages (including the Non-Refundable Payments made by the City), expressly excluding special, indirect, consequential, remote, incidental or punitive damages or damages for lost profits or opportunities; provided, however, under no circumstances shall Developer's liability for any damages incurred by the City in connection with one or more Developer Events of Default exceed, in the aggregate, the sum of $8,322,000 (and, for the breach of a representation or warranty, shall not exceed $1,250,000 as set forth in Section 14.5), or

(B) to bring a suit for specific performance provided that any suit for specific performance must be brought within sixty (60) days following the occurrence of the Developer Event of Default.

(ii) Developer Remedies Upon City Event of Default. Upon the occurrence of a City Event of Default, Developer shall have as its sole and exclusive remedy the right to elect one of the following:

(A) to terminate this Agreement, and bring an action against the City for actual damages (including Design and Entitlement Costs expended by Developer) expressly excluding special, indirect, remote, incidental or punitive damages or damages for lost profits or opportunities; provided, however, under no circumstances shall City's liability for any damages incurred by the Developer in connection with one or more City Events of Default exceed, in the aggregate, the sum of $8,322,000, and Developer shall be entitled to retain, and City shall not be entitled to receive a credit for, the Non-Refundable Payments made by the City (and, for the

breach of a representation or warranty, shall not exceed $1,250,000 as set forth in Section 14.5), or

(B) to bring a suit for specific performance provided that any suit for specific performance must be brought within sixty (60) days following the occurrence of the City Event of Default.

(c) No Personal Liability. Notwithstanding anything to the contrary in this Agreement, (i) no individual board member, director, commissioner, officer, employee, official or agent of the City, direct or indirect, shall be personally liable to Developer in the event of any default by the City, or for any amount which may become due to Developer under this Agreement, and (ii) no individual board member, director, officer, employee, official, partner, member, employee or agent of Developer, direct or indirect, shall be personally liable to the City in the event of any default by Developer or for any amount which may become due to the City under this Agreement.

10. EXPENSES AND TAXES

10.1 Apportionments

The following are to be apportioned through escrow as of the Closing Date:

(a) Utility Charges. Developer shall cause all the utility meters to be read on the Closing Date, and will be responsible for the cost of all utilities used before the Closing Date. Utility charges incurred by Developer prior to the Closing Date shall be included in the Purchase Price.

(b) Other Apportionments. Amounts payable under any contracts approved by the City and liability for other normal Property operation and maintenance expenses and other recurring costs shall be apportioned as of the Closing Date. Developer shall pay all amounts due for the period before Closing, and carrying costs properly incurred in connection with the Office Parcel as generally contemplated by the Project Budget will be included in the calculation of the Purchase Price as set forth in Section 5.1.

The City shall pay the cost of the Survey, the premium for the Title Policy and the cost of the endorsements thereto, and escrow and recording fees to the extent not included in the Purchase Price. The cost of any transfer taxes applicable to the sale, if any, and any sales tax on Personal Property shall be paid by the City as part of the Purchase Price. Developer shall be responsible for all costs incurred in connection with the prepayment or satisfaction of Developer's acquisition and development loan, provided such costs shall be included in the Purchase Price. Any other costs and charges of the escrow for the sale not otherwise provided for in this Section or elsewhere in this Agreement shall be allocated in accordance with the closing customs for San Francisco County, as determined by Title Company, and, to the extent payable by Developer and incurred by Developer to perform its obligations under this Agreement (and not caused by Developer's negligence or error as set forth in Section 5.1), shall be included in the Purchase Price.

10.3 Real Estate Taxes and Special Assessments

General real estate taxes payable for the tax year prior to the year of Closing and all prior years shall be paid by Developer at or before the Closing and shall be included in the Purchase Price. General real estate taxes payable for the tax year of the Closing shall be prorated through escrow and paid by Developer and City as of the Closing Date, and, with respect to amounts payable by Developer, shall be included in the Purchase Price. At or before the Closing, as part of the Purchase Price, Developer shall pay the full amount of any special assessments against the Property, including, without limitation, interest payable thereon, applicable to the period prior the Closing Date.

10.4 Post-Closing Reconciliation

If any of the foregoing prorations cannot be calculated accurately on the Closing Date, then they shall be calculated as soon after the Closing Date as feasible. Either party owing the other party a sum of money based on such subsequent prorations shall promptly pay such sum to the other party.

10.5 Survival

The provisions of this Section shall survive the Closing.

11. REPRESENTATIONS AND WARRANTIES; RELEASE

11.1 Representations and Warranties of Developer

Except as set forth in Exhibit N ("**Developer's General Disclosures**"), Developer represents and warrants to and covenants with the City as follows:

(j) Developer represents and warrants to the City that it has not been suspended, disciplined or disbarred by, or prohibited from contracting with, any federal, state or local governmental agency. In the event Developer has been so suspended, disbarred, disciplined or prohibited from contracting with any governmental agency, it shall immediately notify the City of same and the reasons therefore together with any relevant facts or information requested by the City.

(k) To Developer's actual knowledge, (i) except as described in the Documents or in Exhibit O ("**Developer's Environmental Disclosure**") the Property is not in violation of any Environmental Laws; (ii) the Property is not now, nor has it ever been, used in any manner for the manufacture, use, storage, discharge, deposit, transportation or disposal of any Hazardous Material, except as described in the Documents or in Exhibit O and except for the use of such substances in such limited amounts as are customarily used in the construction or operation of office buildings and which are used in compliance with Environmental Laws; (iii) except as disclosed in the Documents or Exhibit O, there has been no release and there is no threatened release of any Hazardous Material in, on, under or about the Property in violation of Environmental Laws; (iv) except as disclosed in the Documents or Exhibit O, there have not been and there are not now any underground storage tanks, septic tanks or wells or any aboveground storage tanks at any time used to store Hazardous Material located in, on or under

the Property, or if there have been or are any such tanks or wells located on the Property, their location, type, age and content has been specifically identified in Developer's Environmental Disclosure, they have been properly registered with all appropriate authorities, they are in full compliance with all applicable statutes, ordinances and regulations, and they have not resulted in the release or threatened release of any Hazardous Material into the environment; (v) except as disclosed in the Documents or Exhibit O, the Property does not consist of any landfill or of any building materials that contain Hazardous Material in violation of Environmental Laws; and (vi) except as disclosed in the Documents or Exhibit O, the Property is not subject to any claim by any governmental regulatory agency or third party related to the release or threatened release of any Hazardous Material, and there is no inquiry by any governmental agency (including, without limitation, the California Department of Toxic Substances Control or the Regional Water Quality Control Board) with respect to the presence of Hazardous Material in, on, under or about the Property, or the migration of Hazardous Material from or to other property. As used herein, the following terms shall have the meanings below:

(i) "Environmental Laws" shall mean any present or future federal, state or local laws, ordinances, regulations or policies relating to Hazardous Material (including, without limitation, their use, handling, transportation, production, disposal, discharge or storage) or to health and safety, industrial hygiene or environmental conditions in, on, under or about the Property, including, without limitation, soil, air and groundwater conditions.

(ii) "Hazardous Material" shall mean any material that, because of its quantity, concentration or physical or chemical characteristics, is deemed by any federal, state or local governmental authority to pose a present or potential hazard to human health or safety or to the environment. Hazardous Material includes, without limitation, any material or substance defined as a "hazardous substance," or "pollutant" or "contaminant" pursuant to the Comprehensive Environmental Response, Compensation and Liability Act of 1980 ("CERCLA", also commonly known as the "Superfund" law), as amended, (42 U.S.C. section 9601 et seq.) or pursuant to section 25281 of the California Health & Safety Code; any "hazardous waste" listed pursuant to section 25140 of the California Health & Safety Code; any asbestos and asbestos containing materials whether or not such materials are part of the structure of the Improvements or are naturally occurring substances on or about the Property; petroleum, including crude oil or any fraction thereof, natural gas or natural gas liquids; and "source," "special nuclear" and "by-product" material as defined in the Atomic Energy Act of 1985, 42 U.S.C. section 3011 et seq.

(iii) "Release" or "threatened release" when used with respect to Hazardous Material shall include any actual or imminent spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leaching, dumping, or disposing into or inside any of the improvements, or in, on, under or about the Property. Release shall include, without limitation, "release" as defined in section 101 of the Comprehensive Environmental Response, Compensation and Liability Act (42 U.S.C. section 9601).

(l) There are no contracts encumbering the Property that will be binding on the City after the Closing except for the Assumed Contracts (including contracts approved by the City during this Agreement for assumption at Closing), the Accepted Conditions of Title, and any Project Contracts.

(m) Developer is not a "foreign person" within the meaning of section 1445(f)(3) of the Federal Tax Code.

For purposes hereof, the phrase “to Developer’s actual knowledge” shall mean the actual knowledge of Matt Witte, William Witte, and Frank Cardone, and includes information obtained

by Developer during its due diligence in the acquisition of the Goodwill Site. Developer represents that these are the persons within Developer's organization that have the most knowledge of the Goodwill Site and the Office Parcel, and are therefore in the best position to give these representations.

11.2 Representations and Warranties of City

The City represents and warrants to and covenants with Developer as follows:

(a) The City is a charter city and county, duly organized and validly existing under the laws of the State of California; this Agreement and all documents executed by the City which are to be delivered to the City at the Closing are, or at the Closing will be, duly authorized, executed and delivered by the City, are, or at the Closing will be, legal, valid and binding obligations of the City, enforceable against the City in accordance with their respective terms, and at the Closing will not, violate any provision of any agreement or judicial order to which the City is a party or to which the City is subject.

(b) The City has not received service of process with respect to any litigation that might detrimentally affect the ability of the City to perform its obligations under this Agreement.

11.3 Acknowledgements by City

Although the City is not authorized to commit, as of the date of this Agreement, to issue COPs, the City confirms that it fully intends to seek authorization on the PSA Ratification Date to enter into the Construction Management Agreement and pay all amounts payable thereunder when due, and to issue COPs and thereafter to seek issuance of COPs in order to satisfy the Financing Contingency. The City also agrees that it is not entitled to claim, and shall not claim, sovereign immunity under applicable laws in any breach of contract action or action for specific performance that may be initiated by Developer under the terms of this Agreement.

12. RISK OF LOSS, INSURANCE, AND POSSESSION

12.1 Risk of Loss

If any of the Property is damaged or destroyed before the Closing Date, or if condemnation proceedings are commenced against any of the Property, then the rights and obligations of Developer and City hereunder shall be as follows:

(a) If the Property is damaged or destroyed, then Developer shall notify the City of any potential increases (to the extent not covered by insurance) or decreases in Project Costs resulting from such damage. As the existing improvements are intended to be destroyed, Developer shall not be responsible under this Agreement to rebuild such improvements but instead shall take appropriate steps to ensure the safety of all occupants and surrounding property. If any damage is not repaired by Developer, and such damage or destruction is estimated by the Construction Contractor to cause the City's cost of constructing the Office Project to exceed the Maximum Cost and Developer does not elect (with no obligation to so elect) to cover such increase in the Maximum Cost by reducing the Purchase Price or the Development Services Fee), then the City may elect to either terminate this Agreement or increase the Maximum Cost as needed. The City shall make its election of whether to increase the Maximum Cost within forty-five (45) days of learning of the amount of the increase (and any

such increase in the Maximum Cost will be subject to the approval of the Board of Supervisors by resolution).

(c) In the event of any threatened condemnation proceedings, the parties shall meet and confer in good faith to discuss the potential condemnation and the appropriate response. If the proposed condemnation does not cause a Material Adverse Effect, as reasonably determined by the City, then the parties shall proceed with the Office Project, making any necessary adjustments, and any and all condemnation proceeds will be used by the City in connection with the construction of the Office Project. If the proceeds have not been paid as of the Closing, Developer shall assign to City at Closing all of Developer's rights in and to the condemnation proceeds. If the proposed condemnation causes a Material Adverse Effect, then the City shall have the right to terminate this Agreement on forty-five (45) days prior written notice.

(d) Upon any termination under this Section 12.1, the City shall pay to Developer the City's Share of the Design and Entitlement Costs. Upon such payment, this Agreement shall terminate without cost or liability to either party.

13. MAINTENANCE; CONSENT TO NEW CONTRACTS

13.1 Maintenance of the Property by Developer

During the term of this Agreement (a) so long as the Goodwill Lease is in effect, Developer shall enforce its rights under the Goodwill Lease to require Goodwill to maintain the Property consistent with Goodwill's obligations under the Goodwill Lease, and (b) upon termination of the Goodwill Lease and Goodwill vacating its premises thereunder, Developer shall use commercially reasonable efforts to maintain the Property in good order, condition and repair, reasonable wear and tear excepted, as if Developer were retaining the Property. Developer shall not extend the existing term of the Goodwill Lease without City's approval.

13.2 City's Consent to New Contracts Affecting the Property; Termination of Existing Contracts

Except for the REA, the Assumed Contracts, the Project Contracts approved by the City, the Pre-Approved Project Contracts, and the Accepted Conditions to Title, Developer shall not enter into any lease or contract, or any amendment thereof, that will affect the Property after the completion of the Office Project, without in each instance obtaining the City's prior written consent thereto. The City agrees that it shall not unreasonably withhold any such consent and, in connection therewith, acknowledges that there are likely to be easements that Developer must provide in order to develop and operate the Office Project, all of which shall be considered Accepted Conditions to Title upon the City's approval of the same (which approval will not be unreasonably withheld or delayed). Developer shall terminate before the Closing, at no cost or expense to City, any and all agreements affecting the Property except for the Assumed Contracts, the Project Contracts, the Pre-Approved Project Contracts and the Accepted Conditions to Title, and shall use commercially reasonable efforts to cause any tenants or other occupants to vacate the Office Parcel before the Closing. The provisions set forth in the foregoing sentence of this Section shall survive the Closing with respect to any agreements Developer fails to terminate as required by such sentence, but only to the extent City did not have actual knowledge of any such agreement or the Developer's failure to terminate the same as of the Closing.

14. GENERAL PROVISIONS

14.1 Notices

above, or such other numbers as may be provided from time to time. However, neither party may give official or binding notice by facsimile. The effective time of a notice shall not be affected by the receipt, prior to receipt of the original, of a telefacsimile copy of the notice.

14.2 Brokers and Finders

Neither party has had any contact or dealings regarding the Property, or any communication in connection with the subject matter of this transaction, through any licensed real estate broker or other person who could claim a right to a commission or finder's fee in connection with the purchase and sale contemplated herein , except for Tom Christian of the brokerage firm of Cassidy Turley ("**CT**") and neither buyer nor developer has engaged any other broker in connection with this proposed transaction. CT shall have earned a fee of up to $2 million, which fee shall be included in the Purchase Price and shall be paid to CT from Developer's proceeds at the Closing for the City's acquisition of the Office Parcel. Developer shall be responsible for payment of any fee to CT in connection with this transaction, and in no event shall City or Developer be responsible for payment to CT if the City fails to acquire the Office Parcel for any reason. Developer shall hold the City harmless from any claims by CT against the City related to the Office Parcel. In the event that any other broker or finder perfects a claim for a commission or finder's fee based upon any such contact, dealings or communication, the party through whom the broker or finder makes his or her claim shall be responsible for such commission or fee and shall indemnify and hold harmless the other party from all claims, costs, and expenses (including, without limitation, reasonable attorneys' fees and disbursements) incurred by the indemnified party in defending against the same. The provisions of this Section shall survive the Closing for the applicable statute of limitations.

14.3 Successors and Assigns

Neither party shall assign or transfer its rights or obligations under this Agreement without first obtaining the prior written consent of the other party; provided (i) the City shall have the right, upon notice to Developer, to assign its right, title and interest in and to this Agreement to a nominee to satisfy the Financing Contingency at the Closing except that the City shall not be released from its obligations under this Agreement and any such assignee shall assume all of City's obligations under this Agreement in accordance with an assignment and assumption agreement reasonably acceptable to Developer and (ii) Developer shall have the right to assign this Agreement to an entity in which an affiliate of Developer is the managing member, the manager or the sole member, except that Developer shall not be released from its obligations under this Agreement and such assignee shall assume all of Developer's obligations under this Agreement pursuant to an assignment and assumption agreement reasonably acceptable to the City.

14.4 Amendments

Except as otherwise provided herein, this Agreement may be amended or modified only by a written instrument executed by the City and Developer.

14.5 Continuation and Survival of Representations and Warranties; Survival of Certain Covenants and Conditions.

All representations and warranties by the respective parties contained herein or made in writing pursuant to this Agreement shall, subject to the terms and conditions of this Agreement,

be deemed to be material, and, (except as otherwise expressly limited or expanded by the terms of this Agreement), shall survive the execution and delivery of this Agreement and the Closing for a period of one (1) year following the Closing (and shall survive in any action for termination and/or damages based upon the alleged breach of the representation or warranty that is filed within the time frames permitted under this Agreement); provided, however, in no event shall the City's or Developer's liability, if any, following the Closing, with respect to the breach of any representations and warranties, exceed One Million Two Hundred Fifty Thousand Dollars ($1,250,000) in the aggregate. Except as otherwise expressly provided in this Agreement, none of the covenants or conditions of the Developer or the City under this Agreement shall (a) survive the termination of this Agreement, except in connection with an action by such party for termination of this Agreement and damages based on the alleged breach of such covenant or condition, or (b) survive the Closing. In addition, notwithstanding anything to the contrary in this Agreement, to the extent either Developer or the City has actual knowledge of a breached representation or warranty at the time of the Closing, such party with actual knowledge of such breached representation or warranty shall have no right to assert a claim against the other party after the Closing to the extent such claim relates to such breached representation or warranty.

14.6 Governing Law

This Agreement shall be governed by and construed in accordance with the laws of the State of California.

14.7 Merger of Prior Agreements

The parties intend that this Agreement (including all of the attached exhibits and schedules, which are incorporated into this Agreement by reference) shall be the final expression of their agreement with respect to the subject matter hereof and may not be contradicted by evidence of any prior or contemporaneous oral or written agreements or understandings. The parties further intend that this Agreement shall constitute the complete and exclusive statement of its terms and that no extrinsic evidence whatsoever (including, without limitation, prior drafts or changes therefrom) may be introduced in any judicial, administrative or other legal proceeding involving this Agreement.

14.8 Parties and Their Agents; Approvals

As used herein, the term "**Agents**" when used with respect to either party shall include the agents, employees, officers, contractors and representatives of such party. Notwithstanding anything stated to the contrary herein, all approvals, consents or other determinations required by City hereunder shall be made by or through City's Director of Property and any approval by the City's Director of Property shall constitute the approval by the City (as noted above, the City is acting in its proprietary capacity under this Agreement, so any City regulatory actions, including the issuance or denial of any Regulatory Approval, shall not be a City approval or action under this Agreement). All approvals, consents or other determinations required by the City or Developer must be in writing except to the extent deemed approved in accordance with the terms of this Agreement. Notwithstanding anything stated to the contrary in this Agreement, with respect to all approvals and/or consents required under this Agreement, if a party fails to approve, disapprove or approve conditionally any approval or consent requested by the other party in writing within seven (7) business days following receipt of a written request for approval or consent, so long as the applicable documents are complete (and if such documents are not complete, the recipient shall so notify the sender in writing within three (3) business days following receipt of the documents), then the requesting party may submit a second written

notice to the other party requesting approval of the submittal within three (3) business days after the second notice. If the recipient fails to respond to the second notice within such three (3) business day period, and the item will increase the Project Cost by Two Hundred Fifty Thousand Dollars ($250,000) or less (for a request to the City) or reduce the Developer Fee by Two Hundred Fifty Thousand Dollars ($250,000) or less (for a request to Developer), then the submittal and documents shall be deemed approved. A party's failure to timely respond to the other party's request for an approval, consent or determination of any matter shall constitute a failure by such party to comply with a material term of this Agreement.

14.9 Interpretation of Agreement

The article, section and other headings of this Agreement and the table of contents are for convenience of reference only and shall not affect the meaning or interpretation of any provision contained herein. Whenever the context so requires, the use of the singular shall be deemed to include the plural and vice versa, and each gender reference shall be deemed to include the other and the neuter. This Agreement has been negotiated at arm's length and between persons sophisticated and knowledgeable in the matters dealt with herein. In addition, each party has been represented by experienced and knowledgeable legal counsel. Accordingly, any rule of law (including California Civil Code section 1654) or legal decision that would require interpretation of any ambiguities in this Agreement against the party that has drafted it is not applicable and is waived. The provisions of this Agreement shall be interpreted in a reasonable manner to effect the purposes of the parties and this Agreement.

14.10 Attorneys' Fees

In the event that either party hereto fails to perform any of its obligations under this Agreement or in the event a dispute arises concerning the meaning or interpretation of any provision of this Agreement, the defaulting party or the non-prevailing party in such dispute, as the case may be, shall pay the prevailing party reasonable attorneys' and experts' fees and costs, and all court costs and other costs of action incurred by the prevailing party in connection with the prosecution or defense of such action and enforcing or establishing its rights hereunder (whether or not such action is prosecuted to a judgment). For purposes of this Agreement, reasonable attorneys' fees of the City's Office of the City Attorney shall be based on the fees regularly charged by private attorneys with the equivalent number of years of experience in the subject matter area of the law for which the City Attorney's services were rendered who practice in the City of San Francisco in law firms with approximately the same number of attorneys as employed by the Office of the City Attorney. The term "attorneys' fees" shall also include, without limitation, all such fees incurred with respect to appeals, mediations, arbitrations, and bankruptcy proceedings, and whether or not any action is brought with respect to the matter for which such fees were incurred. The term "costs" shall mean the costs and expenses of counsel to the parties, which may include printing, duplicating and other expenses, air freight charges, hiring of experts, and fees billed for law clerks, paralegals, and others not admitted to the bar but performing services under the supervision of an attorney.

14.11 Sunshine Ordinance

Developer understands and agrees that under the City's Sunshine Ordinance (San Francisco Administrative Code, Chapter 67) and the State Public Records Law (Gov. Code section 6250 et seq.), this Agreement and any and all records, information, and materials submitted to the City hereunder are public records subject to public disclosure. Developer

hereby acknowledges that the City may disclose any records, information and materials submitted to the City in connection with this Agreement.

14.12 Memorandum of Agreement; Memorandum of Construction Management Agreement.

(a) Memorandum of Agreement.

Promptly following the Effective Date, the parties shall execute and acknowledge a memorandum hereof, on the form attached hereto as Exhibit Q, which will be recorded in the Official Records of the County in San Francisco, California. The City agrees, upon no less than ten (10) business days prior written notice from Developer, to execute, deliver and record in the Official Records of the County of San Francisco, California, a subordination agreement substantially in the form attached hereto as Exhibit U, in favor of a lender that has provided to Developer a predevelopment and acquisition loan (the "**Initial Lender**") for the Goodwill Site (subordinating the memorandum and the terms of this Agreement) to the lien of any deed of trust or other security interest securing a loan made by the Initial Lender.

(b) Release of Memorandum of Agreement.

Following the subdivision of the Residential Parcel, and within five (5) business days following Developer's written request, the City shall execute and record in the Official Records of the County of San Francisco, California, a release, releasing the memorandum referenced in Section 14.12(a) above from the Residential Property.

(c) Memorandum of Construction Management Agreement. Concurrently with the Closing, the City and Developer shall execute and acknowledge a memorandum ("**Memorandum of Construction Management Agreement**") of the Construction Management Agreement, on the form attached hereto as Exhibit V, which will be recorded against the Office Parcel in the Official Records of the County of San Francisco, California.

14.13 Counterparts

This Agreement may be executed in two (2) or more counterparts, each of which shall be deemed an original, but all of which taken together shall constitute one and the same instrument.

14.14 Effective Date

As used herein, the term "**Effective Date**" shall mean the date on which (i) the City's Board of Supervisors and Mayor adopt an ordinance approving and authorizing this Agreement and the transactions contemplated hereby, including authorization to proceed with the Design and Entitlement Work, and (ii) each party executes and delivers this Agreement to the other party. The Effective Date of this Agreement is _____, 2014 [*to be inserted when the date is determined*].

14.15 Severability

If any provision of this Agreement or the application thereof to any person, entity or circumstance shall be invalid or unenforceable, the remainder of this Agreement, or the application of such provision to persons, entities or circumstances other than those as to which it is invalid or unenforceable, shall not be affected thereby, and each other provision of this

Agreement shall be valid and be enforceable to the fullest extent permitted by law, except to the extent that enforcement of this Agreement without the invalidated provision would be unreasonable or inequitable under all the circumstances or would frustrate a fundamental purpose of this Agreement.

14.16 Agreement Not to Market

Developer agrees that unless and until this Agreement terminates pursuant to its terms, neither Developer, nor any Agent on behalf of Developer, shall negotiate with any other parties pertaining to the sale of the Property and shall not market the Property to third parties. The City agrees that unless and until this Agreement terminates pursuant to its terms, neither the City, nor any Agent on behalf of the City, shall negotiate with any other party for the lease or purchase of any other property (site or building) in which to relocate the City personnel intended to occupy the Office Project. The City can elect different City departments for intended occupancy of the Office Project at any time.

14.17 Confidential Information

Developer understands and agrees that, in the performance of its obligations under this Agreement, Developer may have access to the City's proprietary or confidential information, the disclosure of which to third parties may be damaging to the City. City understands and agrees that, in the performance of its obligations under this Agreement, City may have access to Developer's proprietary or confidential information, the disclosure of which to third parties may be damaging to Developer. Each party agrees to identify any information it gives to the other that it deems proprietary or confidential, and each party agrees to use reasonable care to safeguard any proprietary or confidential information from public disclosure. Notwithstanding the foregoing, if and to the extent any document or information is subject to disclosure under federal, state, or local law, including the California Public Records Act or the San Francisco Sunshine Ordinance, or a court order, such disclosure shall not be deemed a violation of this Agreement. Each party shall use reasonable efforts to notify the other of any disclosure request relating to any document marked as proprietary or confidential and discuss the basis for disclosing or withholding the document. If a party determines that it must, under applicable law, disclose a document that the other party has marked as proprietary and confidential, it shall provide the other party not less than 48 hours' notice before any such disclosure in order to allow for the noticed party to seek an injunction to prevent the disclosure, provided that failure to provide such notice or any disclosure shall not be the basis for any liability under this Agreement.

NOTICE: THIS SUBORDINATION AGREEMENT RESULTS IN YOUR RIGHTS AND INTERESTS AND YOUR INTEREST, CLAIM OR LIEN, IF ANY, IN AND TO THE PROPERTY BECOMING SUBJECT TO AND OF LOWER PRIORITY THAN THE LIEN OF SOME OTHER OR LATER SECURITY INSTRUMENT.

THIS SUBORDINATION AGREEMENT ("Subordination Agreement"), is made this [__] day of [_____], 2014, by GOODWILL SF URBAN DEVELOPMENT, LLC, a Delaware limited liability company (together with its successors and assigns, the "Owner"), the owner of the land described in Exhibit "A" attached hereto (the "Land") and THE CITY AND COUNTY OF SAN FRANCISCO, a municipal corporation (the "City"), for the benefit of COLFIN MISSION FUNDING, LLC, a Delaware limited liability company (together with its successors and assigns, the "Lender").

W I T N E S S E T H

WHEREAS, Owner and the City have executed and delivered that certain Conditional Land Disposition and Acquisition Agreement, between Owner, as seller, and the City, as purchaser, pursuant to which Owner has agreed to sell, and the City has agreed to purchase, a portion of the Land (the "City Land"), subject to and in accordance with the terms

thereof (as amended, restated, supplemented or otherwise modified from time to time, the "City PSA"), a memorandum of which is being recorded as of the date hereof (the "Memorandum").

WHEREAS, pursuant to the terms of the City PSA, it is intended that the City Land will be conveyed to the City at some date after the date hereof, subject to the satisfaction of certain conditions contained therein.

WHEREAS, Lender had made a loan to Owner (the "Loan") pursuant to that certain Loan Agreement, dated as of the date hereof, by and between Owner and Lender (as amended, restated, supplemented or otherwise modified from time to time, the "Loan Agreement"), which Loan is secured by the Land.

WHEREAS, in order to induce Lender to agree to make the Loan, Owner has executed, or is about to execute, or has delivered to Lender that certain Deed of Trust, Assignment of Leases and Rents, Security Agreement, Financing Statement and Fixture Filing dated as of the date hereof, executed by Owner for the benefit of Lender and recorded substantially concurrently herewith (as amended, restated, supplemented, split, severed or otherwise modified from time to time, the "Deed of Trust") which Deed of Trust encumbers the Land (the Loan Agreement, the Deed of Trust and each and every other document, agreement, instrument and certificate now or hereafter evidencing or securing the Loan, or delivered to Lender in connection with the Loan, collectively referred to herein as the "Loan Documents"); and

WHEREAS, it is a condition precedent to obtaining the Loan that the Deed of Trust and the other Loan Documents shall unconditionally be and remain at all times a lien or charge upon the Land, the other Collateral (as defined in the Loan Agreement), and all other property encumbered by any of the Loan Documents (collectively, the "Property"), prior and superior to the City PSA and Memorandum, and to all rights, title and interest of the City thereunder; and

WHEREAS, Lender is willing to make the Loan provided the Deed of Trust and other Loan Documents securing the same create a lien or charge upon the Property prior and superior to the City PSA and Memorandum and to all rights, title and interests of the City thereunder, and provided that the City will specifically and unconditionally subordinate the City PSA and the Memorandum to the lien or charge of the Deed of Trust and other Loan Documents in favor of Lender; and

WHEREAS, it is to the mutual benefit of the parties hereto that Lender make the Loan to Owner; and the City is willing that the Deed of Trust and other Loan Documents securing the same shall, when recorded, constitute a lien or charge upon the Property which is unconditionally prior and superior to the City PSA and the Memorandum.

NOW, THEREFORE, in consideration of the mutual benefits accruing to the parties hereto and other valuable consideration, the receipt and sufficiency of which consideration is hereby acknowledged, and in order to induce Lender to make the Loan, Owner and the City hereby declare, understand and agree as follows:

1. The City PSA and the Memorandum, with any and all rights, claims, options, liens and charges created thereby (including, without limitation, (A) the rights contained in the City PSA, or otherwise existing, to acquire any or all of the City Land and/or (B) any rights and/or claims the City may have in connection with a proceeding under 11 U.S.C. §101 et seq., as the same may be amended from time to time (the "Bankruptcy Code") commenced by or against Owner or any Affiliate thereof pursuant to which the Property becomes subject to such proceeding), is and shall continue to be subject and subordinate in all respects to the lien and terms of the Deed of Trust and the other Loan Documents, and to any renewals, modifications, consolidations, replacements and extensions thereof and to all advances made thereunder whether on or after the date hereof and whether contemplated by the Loan Documents or otherwise;

2. The City hereby acknowledges and agrees to (i) all provisions of the Deed of Trust and the other Loan Documents, and any amendments thereto at any time and from time to time and (ii) all agreements, including but not limited to any loan or escrow agreements, between Owner and Lender in connection with the Loan;

3. Lender in making disbursements pursuant to any Loan Document or other agreement is under no obligation or duty to, nor has Lender represented that it will, see to the application of any Loan proceeds by the person or persons to whom Lender disburses such proceeds for the purposes set forth in the Loan Documents or other agreement, and any application or use of such proceeds for purposes other than those set forth in the Loan Documents or other agreement shall not defeat the subordination herein made in whole or in part;

4. The City hereby intentionally and unconditionally waives, relinquishes and subordinates the City PSA and Memorandum in favor of the lien or charge upon the Property of the Deed of Trust and other Loan Documents and understands that in reliance upon, and in consideration of, this waiver, relinquishment and subordination specific loans and advances are being and will be made and, as part and parcel thereof, specific monetary and other obligations are being and will be entered into which would not be made or entered into but for said reliance upon this waiver, relinquishment and subordination.

5. Lender hereby agrees to provide to the City written notice of any default or event of default by Owner under the Loan Documents or that would otherwise permit Lender to exercise any right or remedy against Owner under the Loan Documents (any such event shall hereinafter be referred to as a "Loan Default") and shall provide to the City the time period allocated for any such Loan Default under the Loan Agreement (which shall run simultaneously with the cure or grace period under the Loan Agreement for Owner) (plus an additional cure period of _____ days) in which to cure any such Loan Default if it is a non-monetary default]. The City shall communicate to the parties hereto of its election to cure any such Loan Default within five (5) days following receipt of notice with respect thereto. In the case of monetary Loan Defaults, the City shall have no additional cure or grace period beyond that provided to Owner under the Loan Documents. Following the occurrence of a monetary Loan Default, the City may require that Lender reinstate the Loan if, within five (5) Business Days of the date of notice to the City from Lender of the occurrence of such monetary Loan Default (or such additional time as may be permitted under the Loan Documents), the City tenders to Lender all

amounts owed by Owner which caused such Loan Default and all other regularly scheduled amounts then due and payable under the Loan Documents including, without limitation, (A) interest calculated at the Default Rate (as defined in the Loan Agreement), (B) late fees, and (C) the entire outstanding principal balance of the Loan if such is accelerated (together with the Minimum Return Amount (as defined in the Loan Agreement)). The City shall have the right to cure as set forth above, but nothing in this Subordination Agreement shall obligate the City to do so and in no event shall the City be liable to Lender for any default by Owner under the Loan Documents.

6. In addition to the foregoing:

a. Upon the occurrence of an Event of Default, the City shall have the right, but not the obligation, to purchase the Loan and the Loan Documents for a purchase price equal to the outstanding amount of the Loan and all sums secured by the Loan Documents including, without limitation, all interest (including interest calculated at the Default Rate), late charges and the Minimum Return Amount which would be due and payable if the Loan was paid at the date of such acquisition. The foregoing amounts shall be calculated as of the date of the acquisition in accordance with the terms of the Loan Agreement. The right to purchase may be exercised by the City upon giving written notice to Lender of its agreement to purchase the Loan, and thereafter, the closing of such acquisition shall occur within thirty (30) days from the date of such notice. The purchase price shall be payable in cash or other immediately available funds. The Loan and the Loan Documents shall be conveyed without recourse or warranty by Lender to the City at the closing, except as to the following: (i) the outstanding principal amount; (ii) the date to which interest has been paid or accrued; (iii) that the Loan and the Loan Documents have not been assigned, pledged or hypothecated except to the then holders thereof; and (iv) Lender has full authority to execute and deliver the assignment of the Loan and the Loan Documents. At the closing of the transfer of the Loan, Lender shall transfer to the purchaser the amount of any reserves which are not subject to the requirement of payment. The transfer of any such reserves shall be subject to the receipt by Lender of such releases, indemnities and assurances that it reasonably requires to assure Lender that it shall have no liability, either actual or residual, for the payment of any ad valorem taxes or insurance premiums with respect to the Property. Nothing contained in this Section 6 shall limit or otherwise adversely affect in any manner whatsoever the ability of Lender to take such actions as it deems appropriate under the Loan Documents, including the foreclosure of the Deed of Trust (subject to Section 5), all without any consent or waiver by the City. Rather, it is the intention of this section that the City has the option to purchase the Loan and the Loan Documents under certain circumstances in an "as is" condition without imposing any obligation or duty on Lender to preserve or otherwise maintain any status or condition of the Loan and the Loan Documents whatsoever except as provided herein. The right of purchase contained herein shall automatically terminate upon the foreclosure of the Deed of Trust or the acceptance of a deed in lieu of foreclosure by the holder of the Deed of Trust following compliance with Section 5.

This Subordination Agreement shall be the whole and only agreement among Lender, the City and Owner with regard to the subordination of the City PSA and Memorandum to the lien or charge of the Deed of Trust and the other Loan Documents. In the event of any conflict between the terms of this Subordination Agreement and the terms of the City PSA or Memorandum, the terms of this Subordination Agreement shall control. The City will sign an agreement similar to this Subordination Agreement for the benefit of any subsequent lender that acquires or assumes the Loan or any subsequent mortgagee under the Deed of Trust. The prevailing party in any litigation respecting this Subordination Agreement shall be entitled to reimbursement of attorneys' fees and costs, whether or not taxable, incurred in the litigation.

TO THE EXTENT PERMITTED BY APPLICABLE LAW, EACH OF THE PARTIES HERETO HEREBY AGREES TO WAIVE ITS RESPECTIVE RIGHTS TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING HEREUNDER OR ANY DEALINGS BETWEEN THEM RELATING TO THE SUBJECT MATTER OF THIS SUBORDINATION AGREEMENT, INCLUDING CONTRACT CLAIMS, TORT CLAIMS, BREACH OF DUTY CLAIMS AND ALL OTHER COMMON LAW AND STATUTORY CLAIMS AND IN CONNECTION WITH THIS SUBORDINATION AGREEMENT, EACH PARTY HERETO REPRESENTS THAT IT HAS DISCUSSED SUCH WAIVER WITH ITS OWN INDEPENDENT COUNSEL AND HAS RELIED ON ADVICE OF ITS COUNSEL AND MAKES SUCH WAIVER KNOWINGLY AND VOLUNTARILY.
