ORDINANCE NO.

1	[Planning Code - Formula Retail and Large-Scale Retail Controls]
2	
3	Ordinance amending the Planning Code to amend the definition of Formula Retail to
4	include businesses that have <u>11</u> 19 or more outlets worldwide; expand the applicability
5	of Formula Retail controls to other types of uses; <u>exclude Financial Services, Limited</u>
6	Financial Services and Personal Services above the ground floor from the definition of
7	Formula Retail: require Conditional Use authorization for Formula Retail
8	establishments in the C-3-G district with facades facing Market Street, between 6th
9	Street and the intersection of Market Street, 12th Street and Franklin Street; provide a
10	method for calculating the concentration of formula retail establishments in a certain
11	area; require Planning Department staff to recommend disapproval of new formula
12	retail in the Upper Market Neighborhood Commercial District based on concentration of
13	existing Formula Retail; delete the requirement for Conditional Use authorization when
14	a Formula Retail establishment changes operator but remains the same size and use
15	category; define intensification and abandonment for Formula Retail uses; require
16	Formula Retail uses to comply with performance guidelines; amend the Conditional
17	Use criteria for Large-Scale Retail Uses <u>, and for Formula Retail uses of 20,000 gross</u>
18	square feet or greater except for General and Specialty Grocery stores, to require an
19	economic impact study and establish new fees for said study; <u>require 30 days' public</u>
20	notice for conditional use hearings on proposed Formula Retail uses; amend
21	Neighborhood Commercial Districts that required Conditional Use for Financial and
22	Limited Financial Services to principally permit Financial and Limited Financial
23	Services except in the Castro Street Neighborhood Commercial District, Upper Market
24	Neighborhood Commercial Transit District, and 24th Street – Noe Valley Neighborhood
25	Commercial District; require that where there has been a prior determination that a

1	proposed project is a Formula Retail Use and the project sponsor subsequently
2	removes one or more Formula Retail Use features, the project will remain subject to a
3	<u>Conditional Use authorization; delete the Conditional Use requirement for Walk-Up</u>
4	Facilities that are not set back 3 feet; and correct various Code provisions to ensure
5	accuracy of cross-references; and adopting findings, including environmental findings,
6	Planning Code, Section 302 findings, and findings of consistency with the General
7	Plan, and the eight priority policies of Planning Code, Section 101.1.

14	Be it ordained by the People of the City and County of San Francisco:
15	Section 1. Findings.
16	(a) The Planning Department has determined that the actions contemplated in this
17	ordinance comply with the California Environmental Quality Act (California Public Resources
18	Code Sections 21000 et seq.). Said determination is on file with the Clerk of the Board of
19	Supervisors in File No and is incorporated herein by reference. The Board of
20	Supervisors hereby affirms this determination.
21	(b) On, the Planning Commission, in Resolution No, adopted
22	findings that the actions contemplated in this ordinance are consistent, on balance, with the
23	City's General Plan and eight priority policies of Planning Code Section 101.1. The Board
24	adopts these findings as its own. A copy of said Resolution is on file with the Clerk of the
25	Board of Supervisors in File No, and is incorporated herein by reference.

1	(c) Pursuant to Planning Code Section 302, this Board finds that this Planning Code
2	Amendment will serve the public necessity, convenience, and welfare for the reasons set forth
3	in Planning Commission Resolution No and the Board incorporates such reasons
4	herein by reference.
5	Section 2. The Planning Code is hereby amended by moving Subsection 303(i) to new
6	Section 303.1 and amending those provisions to read as follows, and revising Section 303 to
7	read as follows:
8	Section 303. CONDITIONAL USES.
9	* * * *
10	(i) Formula Retail Uses. See Section 303.1 for Formula Retail uses.
11	(1) Formula Retail Use. A formula retail use is hereby defined as a type of retail sales
12	activity or retail sales establishment which has eleven or more other retail sales establishments located
13	in the United States. In addition to the eleven establishments, the business maintains two or more of the
14	following features: a standardized array of merchandise, a standardized facade, a standardized decor
15	and color scheme, uniform apparel, standardized signage, a trademark or a servicemark.
16	(A) Standardized array of merchandise shall be defined as 50% or more of in-
17	stock merchandise from a single distributor bearing uniform markings.
18	(B) Trademark shall be defined as a word, phrase, symbol or design, or a
19	combination of words, phrases, symbols or designs that identifies and distinguishes the source of the
20	goods from one party from those of others.
21	(C) Servicemark shall be defined as word, phrase, symbol or design, or a
22	combination of words, phrases, symbols or designs that identifies and distinguishes the source of a
23	service from one party from those of others.
24	(D) Decor shall be defined as the style of interior furnishings, which may
25	include but is not limited to, style of furniture, wall coverings or permanent fixtures.

1	(E) Color Scheme shall be defined as selection of colors used throughout, such
2	as on the furnishings, permanent fixtures, and wall coverings, or as used on the facade.
3	(F) Facade shall be defined as the face or front of a building, including
4	awnings, looking onto a street or an open space.
5	(G) Uniform Apparel shall be defined as standardized items of clothing
6	including but not limited to standardized aprons, pants, shirts, smocks or dresses, hat, and pins (other
7	than name tags) as well as standardized colors of clothing.
8	(H) Signage shall be defined as business sign pursuant to Section 602.3 of the
9	Planning Code.
10	(2) "Retail Sales Activity or Retail Sales Establishment." For the purposes of
11	subsection (i), a retail sales activity or retail sales establishment shall include the following uses, as
12	defined in Article 7 and Article 8 of this Code: "Bar," "Drive-up Facility," "Eating and Drinking Use,"
13	"Liquor Store," "Sales and Service, Other Retail," "Restaurant," "Limited-Restaurant," "Take-Out
14	Food," "Sales and Service, Retail," "Service, Financial," "Movie Theater," and "Amusement and Game
15	Arcade."
16	(3) Conditional Use Criteria. With regard to a conditional use authorization
17	application for a formula retail use, the Planning Commission shall consider, in addition to the criteria
18	set forth in Subsection (c) above:
19	(A) The existing concentrations of formula retail uses within the district.
20	(B) The availability of other similar retail uses within the district.
21	(C) The compatibility of the proposed formula retail use with the existing
22	architectural and aesthetic character of the district.
23	(D) The existing retail vacancy rates within the district.
24	(E) The existing mix of Citywide-serving retail uses and neighborhood -
25	serving retail uses within the district.

1	(4) Conditional Use Authorization Required. A Conditional Use Authorization shall be
2	required for a Formula Retail use in the following zoning districts unless explicitly exempted:
3	(A) All Neighborhood Commercial Districts in Article 7;
4	(B) All Mixed Use-General Districts in Section 840;
5	(C) All Urban Mixed Use Districts in Section 843;
6	(D) All Residential-Commercial Districts as defined in Section 206.3;
7	(E) Japantown Special Use District as defined in Section 249.31;
8	(F) Chinatown Community Business District as defined in Section 810.1;
9	(G) Chinatown Residential/Neighborhood Commercial District as defined in 812.1;
10	(H) Western SoMa Planning Area Special Use District as defined in 823;
11	(I) Residential Transit-Oriented Districts as defined in 206.4 and 206.5;
12	(J) Limited Conforming Use/Non-Conforming Use in RH-RM-RTO and RED
13	<del>Districts.</del>
14	(K) Third Street Formula Retail Restricted Use District, as defined in Section 786.
15	(5) Formula Retail Uses Not Permitted. Formula Retail Uses are not permitted in the
16	following zoning districts:
17	(A) Hayes-Gough Neighborhood Commercial Transit District;
18	(B) North Beach Neighborhood Commercial District;
19	(C) Chinatown Visitor Retail District;
20	(D) Upper Fillmore District does not permit Formula Retail uses that are also
21	Restaurant or Limited-Restaurant uses as defined in Section 790.90 and 790.91;
22	(E) Broadway Neighborhood Commercial District does not permit Formula Retail
23	uses that are also Restaurant or Limited-Restaurant uses as defined in Section 790.90 and 790.91;
24	
25	

1	(F) Mission Street Formula Retail Restaurant Subdistrict does not permit Formula
2	Retail uses that are also Restaurant or Limited-Restaurant uses as defined in Section 790.90 and
3	<del>790.91;</del>
4	(G) Geary Boulevard Formula Retail Pet Supply Store and Formula Retail Eating
5	and Drinking Subdistrict does not permit Formula Retail uses that are also either a Retail Pet Supply
6	Store or an Eating and Drinking use as set forth in Section 781.4;
7	(H) Taraval Street Restaurant Subdistrict does not permit Formula Retail uses that
8	are also Restaurant or Limited-Restaurant uses as defined in Section 790.90 and 790.91;
9	(6) Neighborhood Commercial Notification and Design Review. Any building permit
10	application for a "formula retail use" as defined in this section and located within a Neighborhood
11	Commercial District in Article 7 shall be subject to the Neighborhood Commercial Notification and
12	Design Review Procedures of Section 312 of this Code.
13	(7) Change in Use. A change from one formula retail use to another requires a new
14	Conditional Use Authorization, whether or not a Conditional Use Authorization would otherwise be
15	required by the particular change in use in question. This Conditional Use Authorization requirement
16	also applies to changes from Formula Retail operator to another within the same use category. A new
17	Conditional Use Authorization shall not apply to a change in a formula use retailer that meets the
18	following criteria:
19	(A) the formula use operation remains the same in terms of its size, function and
20	general merchandise offering as determined by the Zoning Administrator, and
21	(B) the change in the formula retail use operator is the result of the business being
22	purchased by another formula retail operator who will retain all components of the existing retailer,
23	including but not limited to the signage for the premises, the name of the premises and the general
24	merchandise offered on the premises.
25	

existing operator, including but not limited to signage programs and hours of operation; and shall 2 3 conduct the operation generally in the same manner and offer essentially the same services and/or type of merchandise; or seek and be granted a new Conditional Use Authorization. 4 (8) Determination of Formula Retail Use. In those areas in which "formula retail uses 5 6 are prohibited, any building permit application determined by the City to be for a "formula retail use" 7 that does not identify the use as a "formula retail use" is incomplete and cannot be processed until the 8 omission is corrected. Any building permit approved that is determined by the City to have been, at the 9 time of application, for a "formula retail use" that did not identify the use as a "formula retail use" is subject to revocation at any time. If the City determines that a building permit application or building 10 permit subject to this Section of the Code is for a "formula retail use", the building permit application 11 12 or holder bears the burden of proving to the City that the proposed or existing use is not a "formula 13 retail use". (ii) Large-Scale Retail Uses. With respect to applications for the establishment of 14 15 large-scale retail uses under Section 121.6, except for General or Specialty Grocery stores as defined in Articles 2, 7 and 8, in addition to the criteria set forth in Subsections (c) and (d) 16 above, the Commission shall consider the following: 17 18 (1) The extent to which the retail use's parking is planned in a manner that creates or maintains active street frontage patterns; 19 20 (2) The extent to which the retail use is a component of a mixed-use project or 21 is designed in a manner that encourages mixed-use building opportunities; (3) The shift in traffic patterns that may result from drawing traffic to the 22 23 location of the proposed use; and 24 (4) The impact that the employees at the proposed use will have on the demand in the City for housing, public transit childcare, and other social services.; and 25

The new operator shall comply with all conditions of approval previously imposed on the

1

1	(5) An economic impact study. The Planning Department shall prepare an economic
2	impact study using qualified <mark>eC</mark> ity staff or shall select a consultant from a pool of pre-qualified
3	consultants to prepare the economic impact study required by this <u>S</u> Subsection. The analysis, in the
4	form of a study, shall be considered by the Planning Commission in its review of the application. The
5	applicant shall bear the cost of paying the consultant for his or her work preparing the economic
6	impact study, and any necessary documents prepared as part of that study. The applicant shall also
7	pay an administrative fee to compensate Planning Department and City staff for its time reviewing the
8	study, as set forth in Section 359 of this Code. The study shall evaluate the potential economic impact
9	of the applicant's proposed project, including:
10	(A) Employment Analysis. The report shall include the following employment
11	information: a projection of both construction-related and permanent employment generated by the
12	proposed project,; an analysis of whether the proposed project will result in a net increase or
13	decrease in permanent employment in the impact area; and a discussion of whether the employer
14	of the proposed project will pay a living wage, inclusive of non-salary benefits expected to be provided,
15	relative to San Francisco's cost of living.
16	(B) Fiscal Impact. The report shall itemize public revenue created by the
17	proposed project and public services needed because of the proposed project, relative to net fiscal
18	impacts to the General Fund. The impacts to the City's public facilities and infrastructure shallshould
19	be estimated using the <i>GCity's current assumptions in existing nexus studies (including area plan,</i>
20	transit, open space in-lieu fee and other impact fees), and should account for any contributions the
21	proposed project would make through such impact fee payments.
22	(C) Leakage Analysis Study. This portion of the report shall be twofold: both
23	quantitative and qualitative. The quantitative portion shall provide an analysis of whether the
24	proposed project will result in a net increase or decrease in the capture of spending by area residents
25	on items that would otherwise be purchased outside the area. The area to be studied for potential

1	economic impacts of the proposed project shall be determined by the City in consultation with the
2	expert conducting the study as different sizes of study areas would be pertinent depending on a
3	multitude of factors, including but not limited to, size and type of the proposed store. This quantitative
4	leakage analysis should be paired with a qualitative assessment of whether the proposed use would
5	complement existing merchandise selection in the area by adding greater variety of merchandise,
6	bolstering the strength of an existing retail cluster, or matching evolving consumer preferences.

9	(jk)_Movie Theater Uses.
10	(1) With respect to a change in use or demolition of a movie theater use as set
11	forth in Sections 221.1, 703.2(b)(1)(B)(ii), 803.2(b)(1)(B)(iii) or 803.3(b)(1)(B)(ii), in addition to
12	the criteria set forth in Subsections (c) and (d) above, the Commission shall make the
13	following findings:
14	(A) Preservation of a movie theater use is no longer economically viable
15	and cannot effect a reasonable economic return to the property owner;
16	(i) For purposes of defining "reasonable economic return," the
17	Planning Commission shall be guided by the criteria for "fair return on investment" as set forth
18	in Section 228.4(a).
19	(B) The change in use or demolition of the movie theater use will not
20	undermine the economic diversity and vitality of the surrounding Neighborhood Commercial
21	District; and
22	(C) The resulting project will preserve the architectural integrity of
23	important historic features of the movie theater use affected.
24	( <u>k</u> l) Relocation of Existing General Advertising Signs pursuant to a General
25	Advertising Sign Company Relocation Agreement.

1	(1) Before the Planning Commission may consider an application for a
2	conditional use to relocate an existing lawfully permitted general advertising sign as
3	authorized by Section 611 of this Code, the applicant sign company must have:
4	(A) Obtained a current Relocation Agreement approved by the Board of
5	Supervisors under Section 2.21 of the San Francisco Administrative Code that covers the sign
6	or signs proposed to be relocated; and
7	(B) Submitted to the Department a current sign inventory, site map, and
8	the other information required under Section 604.2 of this Code; and
9	(C) Obtained the written consent to the relocation of the sign from the
10	owner of the property upon which the existing sign structure is erected.
11	(D) Obtained a permit to demolish the sign structure at the existing
12	location.
13	(2) The Department, in its discretion, may review in a single conditional use
14	application all signs proposed for relocation by a general advertising company or may require
15	that one or more of the signs proposed for relocation be considered in a separate application
16	or applications. Prior to the Commission's public hearing on the application, the Department
17	shall have verified the completeness and accuracy of the general advertising sign company's
18	sign inventory.
19	(3) Only one sign may be erected in a new location, which shall be the same
20	square footage or less than the existing sign proposed to be relocated. In no event may the
21	square footage of several existing signs be aggregated in order to erect a new sign with
22	greater square footage; provided however the square footage of one or more existing signs
23	may be disaggregated in order to erect multiple smaller signs with lesser total square footage.
24	(4) In addition to applicable criteria set forth in subsection (c) above, the
25	Planning Commission shall consider the size and visibility of the signs proposed to be located

as well as the following factors in determining whether to approve or disapprove a proposed
 relocation:

3 (A) The factors set forth in this subsection (A) shall weigh in favor of the Commission's approval of the proposed relocation site: 4 (i) The sign or signs proposed for relocation are lawfully existing 5 6 but are not in conformity with the sign regulations that existed prior to the adoption of 7 Proposition G on March 5, 2002. 8 (ii) The sign or signs proposed for relocation are on a City list, if 9 any, of priorities for sign removal or signs preferred for relocation. (iii) The sign or signs proposed for relocation are within, adjacent 10 to, or visible from property under the jurisdiction of the San Francisco Port Commission, the 11 12 San Francisco Unified School District, or the San Francisco Recreation and Park 13 Commission. 14 (iv) The sign or signs proposed for relocation are within, adjacent to, or visible from an Historic District or conservation district designated in Article 10 or Article 15 11 of the Planning Code. 16 17 (v) The sign or signs proposed for relocation are within, adjacent 18 to, or visible from a zoning district where general advertising signs are prohibited. (vi) The sign or signs proposed for relocation are within, adjacent 19 20 to, or visible from a designated view corridor. (B) The factors set forth in this Subsection (B) shall weigh against the 21 Commission's approval of the proposed relocation: 22 23 (i) The sign or signs proposed for relocation are or will be obstructed, partially obstructed, or removed from public view by another structure or by 24 25 landscaping.

1 (ii) The proposed relocation site is adjacent to or visible from 2 property under the jurisdiction of the San Francisco Port Commission, the San Francisco 3 Unified School District, or the San Francisco Recreation and Park Commission. (iii) The proposed relocation site is adjacent to or visible from an 4 Historic District or conservation district designated in Article 10 or Article 11 of the Planning 5 6 Code. 7 (iv) The proposed relocation site is within, adjacent to, or visible 8 from a zoning district where general advertising signs are prohibited. 9 (v) The proposed relocation site is within, adjacent to, or visible from a designated view corridor. 10 (vi) There is significant neighborhood opposition to the proposed 11 12 relocation site. 13 (5) In no event may the Commission approve a relocation where: 14 (A) The sign or signs proposed for relocation have been erected, placed, replaced, reconstructed, or relocated on the property, or intensified in illumination or other 15 aspect, or expanded in area or in any dimension in violation of Article 6 of this Code or without 16 17 a permit having been duly issued; or 18 (B) The proposed relocation site is not a lawful location under Planning Code Section 611(c)(2); or 19 20 (C) The sign in its new location would exceed the size, height or 21 dimensions, or increase the illumination or other intensity of the sign at its former location; or 22 (D) The sign in its new location would not comply with the Code 23 requirements for that location as set forth in Article 6 of this Code; or (E) The sign has been removed from its former location; or 24 25

(F) The owner of the property upon which the existing sign structure is
 erected has not consented in writing to the relocation of the sign.

- 3 (6) The Planning Commission may adopt additional criteria for relocation of
  4 general advertising signs that do not conflict with this Section 303(I) or Section 611 of this
  5 Code.

## (<u>Im</u>) General Grocery Store Uses.

(1) With respect to a change in use or demolition of general grocery store use
as set forth in Sections 218.2, 703.2(b)(1)(B)(iii), 803.2(b)(1)(B)(iv) or 803.3 (b)(1)(B)(iii) which
use exceeds 5,000 gross square feet, in addition to the criteria set forth in Subsections (c) and
(d) above, the Commission shall make the following findings:

(A) Preservation of a general grocery store use is no longer economically
viable and cannot effect a reasonable economic return to the property owner. The
Commission may disregard the above finding if it finds that the change in use or replacement
structure in the case of demolition will contain a general grocery store that is of a sufficient
size to serve the shopping needs of nearby residents and offers comparable services to the
former general grocery store.
(i) For purposes of defining "reasonable economic return," the

Planning Commission shall be guided by the criteria for "fair return on investment" as set forth
in Section 228.4(a).

(B) The change in use or demolition of the general grocery store use will
 not undermine the economic diversity and vitality of the surrounding neighborhood.

22

(<u>m</u>n) Tobacco Paraphernalia Establishments.

(1) With respect to a Tobacco Paraphernalia Establishment, as defined in
 Section 227(v) of this Code, in addition to the criteria set forth in Subsections (c) and (d)
 above, the Commission shall make the following findings:

1 (A) The concentration of such establishments in the particular zoning 2 district for which they are proposed does not appear to contribute directly to peace, health, 3 safety, and general welfare problems, including drug use, drug sales, drug trafficking, other crimes associated with drug use, loitering, and littering, as well as traffic circulation, parking, 4 5 and noise problems on the district's public streets and lots; 6 (B) The concentration of such establishments in the particular zoning 7 district for which they are proposed does not appear to adversely impact the health, safety, 8 and welfare of residents of nearby areas, including fear for the safety of children, elderly and 9 disabled residents, and visitors to San Francisco; and (C) The proposed establishment is compatible with the existing character 10 of the particular district for which it is proposed. 11 12 (ne) Massage Establishments. 13 (1) With respect to Massage Establishments that are subject to Conditional Use authorization, as defined in Sections 218.1, 790.60, and 890.60 of this Code, in addition to the 14 15 criteria set forth in Subsection (c) above, the Commission shall make the following findings: 16 (A) Whether the applicant has obtained, and maintains in good standing, 17 a permit for a Massage Establishment from the Department of Public Health pursuant to 18 Section 1908 of the San Francisco Health Code: 19 (B) Whether the use's facade is transparent and open to the public. 20 Permanent transparency and openness are preferable. Elements that lend openness and 21 transparency to a facade include: 22 (i) active street frontage of at least 25' in length where 75% of that 23 length is devoted to entrances to commercially used space or windows at the pedestrian eyelevel: 24 25

(ii) windows that use clear, untinted glass, except for decorative or
 architectural accent;

3 (iii) any decorative railings or decorative grille work, other than
4 wire mesh, which is placed in front of or behind such windows, should be at least 75 percent
5 open to perpendicular view and no more than six feet in height above grade;

6 (C) Whether the use includes pedestrian-oriented lighting. Well lit
7 establishments where lighting is installed and maintained along all public rights-of-way
8 adjacent to the building with the massage use during the post-sunset hours of the massage
9 use are encouraged:

(D) Whether the use is reasonably oriented to facilitate public access.
Barriers that make entrance to the use more difficult than to an average service-provider in
the area are to be strongly discouraged. These include (but are not limited to) foyers equipped
with double doors that can be opened only from the inside and security cameras.

14

## (op) Eating and Drinking Uses.

(1) Conditional Use Criteria. With regard to a conditional use authorization
 application for a Restaurant, Limited-Restaurant and Bar uses in Neighborhood Commercial
 Districts or Mixed Use Districts, the Planning Commission shall consider, in addition to the
 criteria set forth in Subsection (c) above:

(A) The<u>, the</u> existing concentration of eating and drinking uses in the
 area. Such concentration should not exceed 25% of the total commercial frontage as
 measured in linear feet within the immediate area of the subject site. For the purposes of this
 Section of the Code, the immediate area shall be defined as all properties located within 300'
 of the subject property and also located within the same zoning district.

## 25 <u>SEC. 303.1. FORMULA RETAIL USES.</u>

1	(a) Findings.
2	(1) San Francisco is a city of diverse and distinct neighborhoods identified in large part
3	by the character of their commercial areas.
4	(2) One of the eight Priority Policies of the City's General Plan resolves that "existing
5	neighborhood-serving retail uses be preserved and enhanced and future opportunities for resident
6	employment in and ownership of such businesses enhanced."
7	(3) Retail uses are the land uses most critical to the success of the City's commercial
8	<u>districts.</u>
9	(4) Formula Retail businesses are increasing in number in San Francisco, as they are
10	in cities and towns across the country.
11	(5) San Francisco is one of a very few major urban centers in the State in which
12	housing, shops, work places, schools, parks and civic facilities intimately co-exist to create strong
13	identifiable neighborhoods. The neighborhood streets invite walking and bicycling and the City's mix of
14	architecture contributes to a strong sense of neighborhood community within the larger City
15	<u>community.</u>
16	(6) Notwithstanding the marketability of a retailer's goods or services or the visual
17	attractiveness of the storefront, the standardized architecture, color schemes, decor and signage of
18	many Formula Retail businesses can detract from the distinctive character and aesthetics of certain
19	Neighborhood Commercial Districts.
20	(7) The increase of Formula Retail businesses in the City's neighborhood commercial
21	areas, if not monitored and regulated, will hamper the City's goal of a diverse retail base with distinct
22	neighborhood retailing personalities comprised of a mix of businesses. Specifically, the unregulated
23	and unmonitored establishment of additional Formula Retail uses may unduly limit or eliminate
24	business establishment opportunities for smaller or medium-sized businesses, many of which tend to be
25	non-traditional or unique, and unduly skew the mix of businesses towards formula retailers in lieu of

- 1 <u>unique or start-up retailers, thereby decreasing the diversity of merchandise available to residents and</u>
- 2 *visitors and the diversity of purveyors of merchandise.*
- 3 (8) If, in the future, neighborhoods determine that the needs of their Neighborhood
- 4 <u>Commercial Districts are better served by eliminating the notice requirements for proposed Formula</u>
- 5 <u>Retail uses, by converting Formula Retail uses into conditional uses in their district, or by prohibiting</u>
- 6 *Formula Retail uses in their district, they can propose legislation to do so.*
- 7 (9) Neighborhood Commercial Districts are intended to preserve the unique qualities of
- 8 *a district while also serving the daily needs of residents living in the immediate neighborhood; however*
- 9 <u>community members have reported loss of daily needs uses due to inundation of formula retailers that</u>
- 10 *target larger citywide or regional audiences. The City strives to ensure that goods and services that*
- 11 *residents require for daily living are available within walking distance and at an affordable price.*
- 12 *Establishments that serve daily needs and formula retail establishments are neither mutually exclusive*
- 13 *<u>nor completely overlapping.</u>*
- 14 (10) The San Francisco retail brokers' study of 28 <u>PN</u>eighborhood <u>Commercial</u>
- 15 **d**<u>D</u>*istricts conducted in 2014 found that the healthiest and most viable retail environments offer a mix*
- 16 of retailers who vary in size and offerings; including a mix of conventional and cutting edge retailers as
- 17 *well as established players and newcomers.*
- 18 (11) Formula retailers are establishments with multiple locations and standardized
- 19 *features or a recognizable appearance. Recognition is dependent upon the repetition of the same*
- 20 *characteristics of one store in multiple locations. The sameness of Formula Retail outlets, while*
- 21 providing clear branding for consumers, counters the general direction of certain land use controls and
- 22 *General Plan Policies which value unique community character and therefore need controls, in certain*
- 23 *areas, to maintain neighborhood individuality.*
- 24 (12) The homogenizing effect of Formula Retail, based on its reliance on standardized
- 25 <u>branding, is greater if the size of the Formula Retail use, in number of locations or size of use or</u>

1	branded elements, is larger. The increased level of homogeneity distracts from San Francisco's unique
2	neighborhoods, which thrive on a high level of surprise and interest maintained by a balanced mix of
3	uses and services, both independent and standardized.
4	(13) Due to the distinct impact that Formula Retail uses have on a neighborhood, these
5	uses are the evaluated for concentration as well as compatibility within a neighborhood. As
6	neighborhoods naturally evolve over time, changes and intensifications of Formula Retail uses should
7	also be re-evaluated for concentration and compatibility within a neighborhood.
8	(14) According to an average of ten studies done by the firm Civic Economics and
9	published by the American Independent Business Alliance in October of 2012, spending by independent
10	retailers generated 3.7 times more direct local spending than that of Formula Retail chains.
11	(15) Money earned by independent businesses is more likely to circulate within the
12	local neighborhood and City economy than the money earned by Formula Retail businesses which
13	often have corporate offices and vendors located outside of San Francisco.
14	(16) According to a 2014 Sstudy by the San Francisco Office of Economic Analysis
15	(OEA) report "Expanding Formula Retail Controls: Economic Impact Report" the uniqueness of San
16	Francisco's neighborhoods is based on a combination of unique visual characteristics and a sense of
17	community fostered by small merchants and resident relationships. A Formula Retail establishment is
18	determined by its recognizable look which is repeated at every location, therefore, detracting from the
19	unique community character.
20	(17) The OEA Report found that in general, chain stores charge lower prices and
21	provide affordable goods, but may spend less within the local economy, and can be unpopular with
22	some residents because they can be seen to diminish the character of the neighborhood. At the same
23	time, this OEA Report found that excessively limiting chain stores can reduce commercial rents and
24	raise vacancy rates.

25

1	(18) Through a 2014 study commissioned by the Planning Department, titled "San
2	Francisco Formula Retail Economic Analysis," staff and consultants conducted one-on-one interviews
3	and worked with small groups including independent retailers, small business owners, merchants
4	associations, formula retailers, commercial brokers, neighborhood representatives and other
5	stakeholders. The Study found that landlords often perceive a benefit in renting to large established
6	<u>chains, which landlords believe typically have better credit and can sign longer leases than local,</u>
7	independent retailers, lowering the risk that the tenant will be unable to pay its rent. The existing land
8	use controls for Formula Retail may create a disincentive for formula retailers to locate where the
9	formula retail controls apply.
10	(b) <b>Definition.</b> A Formula Retail use is hereby defined as a type of retail sales or service
11	<u>activity or retail sales or service establishment that has nineteeneleven or more other retail sales</u>
12	establishments in operation, or with local land use or permit entitlements already approved, located
13	anywhere in the world. In addition to the nineteen <u>eleven</u> establishments either in operation or with
14	local land use or permit entitlements approved for operation, the business maintains two or more of the
15	following features: a standardized array of merchandise, a standardized facade, a standardized decor
16	and color scheme, uniform apparel, standardized signage, a trademark or a servicemark.
17	(1) Standardized array of merchandise shall be defined as 50% or more of in-stock
18	merchandise from a single distributor bearing uniform markings.
19	(2) Trademark shall be defined as a word, phrase, symbol or design, or a combination
20	of words, phrases, symbols or designs that identifies and distinguishes the source of the goods from one
21	party from those of others.
22	(3) Servicemark shall be defined as word, phrase, symbol or design, or a combination
23	of words, phrases, symbols or designs that identifies and distinguishes the source of a service from one
24	party from those of others.
<u> </u>	

25

1	(4) Decor shall be defined as the style of interior furnishings, which may include but is
2	not limited to, style of furniture, wall coverings or permanent fixtures.
3	(5) Color Scheme shall be defined as selection of colors used throughout, such as on the
4	furnishings, permanent fixtures, and wall coverings, or as used on the facade.
5	(6) Facade shall be defined as the face or front of a building, including awnings,
6	looking onto a street or an open space.
7	(7) Uniform Apparel shall be defined as standardized items of clothing including but
8	not limited to standardized aprons, pants, shirts, smocks or dresses, hat <u>s</u> , and pins (other than name
9	tags) as well as standardized colors of clothing.
10	(8) Signage shall be defined as business sign pursuant to Section 602.3 of the Planning
11	<u>Code.</u>
12	(c) ''Retail Sales or Service Activity or Retail Sales or Service Establishment.'' For the
13	purposes of this Section 303.1, a retail sales or service activity or retail sales or service establishment
14	shall include the following uses whether functioning as a principal or accessory use, as defined in
15	Articles 1, 2, 7, and 8 of this Code, except that Financial Services, Limited Financial Services and
16	Personal Services above the ground floor of a building are not considered Formula Retail
17	<u>Uses</u> :
18	(1) Bar;
19	(2) Drive-up Facility;
20	(3) Eating and Drinking Use;
21	(4) Liquor Store;
22	(5) Sales and Service, Other Retail;
23	(6) Restaurant;
24	(7) Limited-Restaurant;
25	(8) Take-Out Food;

1	(9) Sales and Service, Retail;
2	(10) Service, Financial;
3	(11) Movie Theater;
4	(12) Amusement and Game Arcade;
5	(13) Service, Limited Financial, except single automated teller machines at the street
6	front that meet the Commission's adopted Performance-Based Design Guidelines and automated teller
7	machines located within another use that are not visible from the street;
8	(14) Service, Business or Professional;
9	(1 <u>4</u> 5) Service, Fringe Financial;-
10	(1 <u>5</u> 6) Tobacco Paraphernalia Establishment;
11	(167) Massage Establishment; and
12	(1 <u>7</u> 8) Service, Personal.
13	(d) Conditional Use Criteria. With regard to a conditional use authorization application for a
14	Formula Retail use, the Planning Commission shall consider, in addition to the criteria set forth in
15	Section 303, the criteria below and the Performance-Based Design Guidelines adopted by the Planning
16	Commission to implement the criteria below.
17	(1) The existing concentrations of Formula Retail uses within the district and within the
18	vicinity of the proposed project. To determine the existing concentration, the Planning
19	Commission shall consider the percentage of the total linear street frontage within a 300-foot
20	radius or a quarter of a mile radius, at the Planning Department's discretion, from the subject
21	property that is occupied by Formula Retail and non-Formula Retail businesses. The
22	Department's review shall include all parcels that are wholly or partially located within the 300-
23	foot radius or quarter-mile radius. If the subject property is a corner parcel, the 300-foot
24	radius or quarter mile radius shall include all corner parcels at the subject intersection. For
25	each property, the Planning Department shall divide the total linear frontage of the lot facing a

1	public-right of way by the number of storefronts, and then calculate the percentage of the total
2	linear frontage for Formula Retail and non-Formula Retail. Half percentage points shall be
3	rounded up.
4	For the Upper Market Street Neighborhood Commercial District only, if the application
5	would bring the formula retail concentration within a 300-foot radius to a concentration of 20%
6	or above, Planning Department staff shall recommend disapproval of the application to the
7	Planning Commission. If the application would not bring the formula retail concentration
8	within the 300-foot radius to a concentration of 20% or above, Planning Department staff shall
9	assess the application according to all the other criteria listed in this Subsection 303.1(d), and
10	recommend approval or disapproval to the Planning Commission, according to its discretion
11	and professional judgment. In either case, the Planning Commission may approve or reject
12	the application, considering all the criteria listed in this Subsection 303.1(d).
13	(2) The availability of other similar retail uses within the district and within the vicinity
14	of the proposed project.
15	(3) The compatibility of the proposed Formula Retail use with the existing architectural
16	and aesthetic character of the district.
17	(4) The existing retail vacancy rates within the district and within the vicinity of the
18	proposed project.
19	(5) The existing mix of Citywide-serving retail uses and daily needs-serving retail uses
20	within the district and within the vicinity of the proposed project.
21	(6) Additional relevant data and analysis set forth in the Performance-Based Design
22	Guidelines adopted by the Planning Commission.
23	(7) For Formula Retail uses of 20,000 gross square feet or more, except for

3	(2) A Conditional Use Authorization by the Planning Commission is required
4	under Planning Code Section 303 in circumstances where there has been a determination by
5	Department staff or a City board, commission, or agency that a proposed project is a Formula
6	Retail Use and the project sponsor subsequently removes one or more of the Formula Retail
7	Use features listed in the Planning Code.
8	(f) Formula Retail Uses Not Permitted. Formula Retail uses are not permitted in the following
9	zoning districts:
10	(1) Hayes-Gough Neighborhood Commercial Transit District;
11	(2) North Beach Neighborhood Commercial District;
12	(3) Chinatown Visitor Retail District;
13	(4) Upper Fillmore District does not permit Formula Retail uses that are also

1	(9) Chinatown Mixed Use District <u>s</u> do <mark>es</mark> not permit Formula Retail uses that are also
2	<u>Restaurant or Limited-Restaurant uses as defined in Sections</u> 790.90 and 790.91.
3	(g) Neighborhood Notification and Design Review. Any application for a Formula Retail use
4	<u>as defined in this section shall be subject to the notification and review procedures of Subs</u> ections
5	312(d) and (e) of this Code. A conditional use hearing on an application for a Formula Retail
6	use may not be held less than 30 calendar days after the date of mailed notice.
7	(h) Determination of Formula Retail Use. In those areas in which Formula Retail uses are
8	prohibited or subject to the provisions of Subsections 303.1(d) or (e), any application for an
9	entitlement or determination determined by the City to be for a Formula Retail use that does not
10	identify the use as a Formula Retail use is incomplete and cannot be processed until the omission is
11	corrected. Any entitlement approved or determination made that is determined by the City to have been,
12	at the time of application, for a Formula Retail use that did not identify the use as a Formula Retail use
13	is subject to revocation at any time. If the City determines that an entitlement or determination, or an
14	application for the same, is for a Formula Retail use, the applicant or holder of the entitlement bears
15	the burden of proving to the City that the proposed or existing use is not a Formula Retail use.
16	(i) Performance-Based Design Guidelines. All new, enlarged, intensified or non-intensified
17	Formula Retail uses or establishments must comply with the Commission's adopted Performance-
18	Based Design Guidelines for Formula Retail, as directed by the Planning Department and Planning
19	<u>Commission.</u>
20	(j) Change of Use. Changes of Formula Retail establishments are generally described below,
21	except that a change of a Formula Retail use that is also a nonconforming use pursuant to Section 182
22	is prohibited. In all other instances, changes of Formula Retail establishments from one use category to

- 7 administrative fee to compensate Planning Department and City staff for its time reviewing the project
- 8 *under this* <u>Subsection</u>, as set forth in Section 360 of this Code.
- 9 (k) Accessory uses. Conditional use authorization shall be required for all accessory uses
- 10 *within those use categories subject to Formula Retail controls as defined in this Section (303.1), except*
- 11 *for the following*:
- 12 <u>(1) Single automated teller machines falling within the definition of Limited Financial</u>
- 13 Services that are located at the street front that meet the Commission's adopted Performance-Based
- 14 *Design Guidelines for automated teller machines;*
- 15 (2) Automated teller machines located within another use that are not visible from the
- 16 <u>street;</u>
- 17 <u>(3) Vending machines that do not exceed 15 feet of street frontage or occupy more than</u>
   18 200 square feet of area facing a public right of way.
- Section 3. The Planning Code is hereby amended by revising Subsection 178 to readas follows:
- 21 SEC. 178. CONDITIONAL USES.
- 22 The following provisions shall apply to conditional uses:
- 23 (a) **Definition**. For the purposes of this Section, a permitted conditional use shall refer

24

to:

25

(1) Any use or feature authorized as a conditional use pursuant to Article 3 of
 this Code, provided that such use or feature was established within the time limits specified as
 a condition of authorization or, if no time limit was specified, within a reasonable time from the
 date of authorization; or

5 (2) Any use or feature which is classified as a conditional use in the district in 6 which it is located and which lawfully existed either on the effective date of this Code, or on 7 the effective date of any amendment imposing new conditional use requirements upon such 8 use or feature; or

9 (3) Any use deemed to be a permitted conditional use pursuant to Section 17910 of this Code.

(b) Continuation. Except as provided for temporary uses in Section 205 of this Code, and except where time limits are otherwise specified as a condition of authorization, any permitted conditional use may continue in the form in which it was authorized, or in the form in which it lawfully existed either on the effective date of this Code or the effective date of any amendment imposing new conditional use requirements upon such use or feature, unless otherwise provided in this Section or in Article 2 of this Code.

17

(c) Enlargements or Alteration.

(1)\_A permitted conditional use may not be significantly altered, enlarged, or
 intensified, except upon approval of a new conditional use application pursuant to the
 provisions of Article 3 of this Code.

(2) With regard to an Internet Services Exchange as defined in Section
 209.6(c), any physical alteration which will enlarge or expand the building for the purpose of
 intensifying the use shall be deemed to be significant under this <u>sS</u>ection, and any increase in
 the size of electrical service to the building which will require a permit from the Department of
 Building Inspection shall be deemed to be significant under this <u>sS</u>ection.

(3)_With regard to Formula Retail uses, a change of owner or operator of a Formula
Retail establishment is determined to be an intensification of use and a new Conditional Use
authorization shall be required if one or more of the following occurs:
(A)(1) Change of use category, including a change from one use to another
within the sub-categories of uses set forth in Planning Code Section 790.102 and Section 890.102;
<u>(B)(2)</u> Expansion of use size;
(C)(3) Change to a Formula Retail establishment that has more locations than
the existing Formula Retail establishment, which results in an increase in visual homogeneity;
(D)(4) Installation of a commercial kitchen, including but not limited to: ovens,
open ranges or stoves, fryers, oven hoods or kitchen ventilation systems, heating stations, steam tables
or cabinets, cold food storage, increased food preparation areas or self-service drink dispensers <del>.</del> ;
(E)(5) A pre-existing Formula Retail use that had not previously been
authorized via a Conditional Use from the Commission.
(d) Abandonment. A permitted conditional use which is discontinued for a period of
three years, or otherwise abandoned, shall not be restored, except upon approval of a new
conditional use application pursuant to the provisions of Article 3 of this Code. For purposes of
this Subsection, the period of nonuse for a permitted conditional use to be deemed
discontinued in the North Beach, Castro Street Neighborhood Commercial Districts, and the
Jackson Square Special Use District shall be eighteen (18) months, except that in the North
Beach Neighborhood Commercial District, the period of nonuse for a Restaurant use, as
defined in Section 790.91, to be deemed discontinued shall be three years.
A permitted conditional Formula Retail use which is discontinued for a period of 18 months, or
otherwise abandoned, shall not be restored, except upon approval of a new conditional use application

- (e) Changes in Use. The following provisions shall apply to permitted conditional uses
   with respect to changes in use, *except as further limited by the change of use procedures for*
- 3 *Formula Retail uses set forth in Section 303.1 of this Code*:
- ٨

4 (1) A permitted conditional use may be changed to another use listed in Articles
5 2, 7 or 8 of this Code as a principal use for the district in which it is located and the new use
6 may thereafter be continued as a permitted principal use.

7 (2) A permitted conditional use may be changed to another use listed in Articles
8 2, 7 or 8 of this Code as a conditional use for the district in which the property is located,
9 subject to the other applicable provisions of this Code, only upon approval of a new
10 conditional use application, pursuant to the provisions of Article 3 of this Code.

(3) A permitted conditional use may not be changed to another use not
permitted or prohibited by Articles 2, 7 or 8 of this Code. If a permitted conditional use has
been wrongfully changed to another use in violation of the foregoing provisions and the
violation is not immediately corrected when required by the Zoning Administrator, the wrongful
change shall be deemed to be a discontinuance or abandonment of the permitted conditional
use.

(4) Once a permitted conditional use has been changed to a principal use
permitted in the district in which the property is located, or brought closer in any other manner
to conformity with the use limitations of this Code, the use of the property may not thereafter
be returned to its former permitted conditional use status, except upon approval of a new
conditional use application pursuant to the provisions of Article 3 of this Code.

(5) In the North Beach Neighborhood Commercial District, any use that exceeds
the use size provisions of Section 121.2(a) or 121.2(b) may be changed to a new use only
upon approval of a new conditional use application. The Commission's approval of such
conditional use application shall explicitly address the use size findings of Section 303(c).

(6) In the Castro Street Neighborhood Commercial District, any use that
 exceeds the use size provisions of Section 121.2(a), but is smaller than the maximum use
 size limit of Section 121.2(b), may be changed to a new use only upon approval of a new
 conditional use application. The Commission's approval of such conditional use application
 shall explicitly address the use size findings of Section 303(c).

6 (f) Notwithstanding the foregoing provisions of this Section 178, a structure occupied 7 by a permitted conditional use that is damaged or destroyed by fire, or other calamity, or by 8 Act of God, or by the public enemy, may be restored to its former condition and use without 9 the approval of a new conditional use application, provided that such restoration is permitted by the Building Code, and is started within 18 months and diligently pursued to completion. 10 Except as provided in Subsection (g) below, no structure occupied by a permitted conditional 11 12 use that is voluntarily razed or required by law to be razed by the owner thereof may 13 thereafter be restored except upon approval of a new conditional use application pursuant to 14 the provisions of Article 3 of this Code.

15 (g) None of the provisions of this Section 178 shall be construed to prevent any 16 measures of construction, alteration or demolition necessary to correct the unsafe or 17 dangerous condition of any structure, other feature, or part thereof, where such condition has 18 been declared unsafe or dangerous by the Superintendent of the Bureau of Building Inspection or the Chief of the Bureau of Fire Prevention and Public Safety, and where the 19 20 proposed measures have been declared necessary, by such official, to correct the said 21 condition; provided, however, that only such work as is absolutely necessary to correct the unsafe or dangerous condition may be performed pursuant to this Section. 22

23

24 Section 4. The Planning Code is hereby amended by revising Sections 182, 183 and 25 186.1 to read as follows:

## 1 SEC. 182. NONCONFORMING USES: CHANGES OF USE.

2 The following provisions shall apply to nonconforming uses with respect to changes of 3 use:

(a) A nonconforming use shall not be changed or modified so as to increase the 4 degree of nonconformity under the use limitations of this Code, with respect to the type of use 5 6 or its intensity except as provided in Section 181 for nighttime entertainment activities within 7 the RSD, MUG, MUR, or SLR Districts. The degree of nonconformity shall be deemed to be 8 increased if the new or modified use is less widely permitted by the use districts of the City 9 than the nonconforming use existing immediately prior thereto. For purposes of this <u>sSection</u>, intensification of a Formula Retail use as defined in  $\underline{SS}$  ection 178(c) is determined to be a change or 10 11 modification that increases the degree of nonconformity of the use.

- (b) Except as limited in this Subsection, a nonconforming use may be reduced in size,
  extent or intensity, or changed to a use that is more widely permitted by the use districts of the
  City than the existing use, subject to the other applicable provisions of this Code. Except as
  otherwise provided herein, the new use shall still be classified as a nonconforming use.
- 16 (1) A nonconforming use in a Residential District (other than a Residential-17 Commercial Combined District), which use is located more than 1/4 mile from the nearest 18 Individual Area Neighborhood Commercial District or Restricted Use Subdistrict described in 19 Article 7 of this Code, may change to another use which is permitted as a principal use at the 20 first story and below in an NC-1 District, or it may change to another use which is permitted as 21 a conditional use at the first story and below in an NC-1 District only upon approval of a conditional use application pursuant to the provisions of Article 3 of this Code. If the 22 23 nonconforming use is seeking a to change in use to a retail sales activity or retail sales establishment which is also a *F*formula *R*retail use, as defined in Section 703.3303.1 of this 24 Code, it shall comply with the provisions of Section 703.3303.1 of this Code. The 25

nonconforming use shall comply with other building standards and use limitations of NC-1
 Districts, as set forth in Sections 710.10 through 710.95 of this Code.

3 If the nonconforming use is located within <sup>1</sup>/<sub>4</sub> mile from any Individual Area Neighborhood Commercial District or Restricted Use Subdistrict described in Article 7 of this 4 5 Code, the nonconforming use may change to another use which is permitted as a principal 6 use at the first story and below in an NC-1 District and in the Individual Area Neighborhood 7 Commercial District or Restricted Use Subdistrict or Districts within 1/4 mile of the use, or it 8 may change to another use which is permitted as a conditional use at the first story and below 9 in an NC-1 District and in the Individual Area Neighborhood Commercial District or Districts within 1/4 mile of the use only upon approval of a conditional use application pursuant to the 10 provisions of Article 3 of this Code. If the nonconforming use is seeking to change in use to a 11 12 retail sales activity or retail sales establishment which is also a Fformula Rretail use, as 13 defined in Section 703.3303.1 of this Code, it shall comply with the provisions of Section 14 703.3 303.1 of this Code. The nonconforming use shall comply with other building standards 15 and use limitations of NC-1 Districts and any Individual Area NC District or Districts located within 1/4 mile of the use, as set forth in Article 7 of this Code. 16

17 (2) A nonconforming use in a Residential-Commercial Combined District may
18 be changed to another use listed in Articles 2 or 7 of this Code as a principal use for the
19 district in which the existing use would first be permitted as a principal or conditional use.

20

21

22

(3) A nonconforming use in a Neighborhood Commercial District may be changed to another use as provided in Subsections (c) and (d) below or as provided in Section 186.1 of this Code.

(4) A nonconforming use in any district other than a Residential, Downtown
 Residential, or Neighborhood Commercial District may be changed to another use listed in

Articles 2 or 7 of this Code as a principal use for the district in which the existing use would
 first be permitted as a principal use.

3 (5) A nonconforming use in any South of Market Mixed Use District may not be
4 changed to an office, retail, bar, restaurant, nighttime entertainment, adult entertainment,
5 hotel, motel, inn, hostel, or movie theater use in any district where such use is otherwise not
6 permitted or conditional, except as provided in Subsection (f) below.

(c) A nonconforming use may be changed to a use listed in Articles 2 or 7 of this Code
as a conditional use for the district in which the property is located, subject to the other
applicable provisions of this Code, without the necessity of specific authorization by the City
Planning Commission except where major work on a structure is involved, and the new use
may thereafter be continued as a permitted conditional use, subject to the limitation of Section
178(b) of this Code.

(d) A nonconforming use may be changed to a use listed in Articles 2, 7 or 8 of this
Code as a principal use for the district in which the property is located, subject to the other
applicable provisions of this Code, and the new use may thereafter be continued as a
permitted principal use.

17 (e) A nonconforming use in an R District subject to termination under the provisions of 18 Section 185 of this Code may be converted to a dwelling unit without regard to the requirements of this Code with respect to dwelling unit density under Article 2, dimensions, 19 20 areas and open space under Article 1.2, or off-street parking under Article 1.5, provided the 21 nonconforming use is eliminated by such conversion, provided further that the structure is not enlarged, extended or moved to another location, and provided further that the requirements 22 23 of the Building Code, the Housing Code and other applicable portions of the Municipal Code are met. 24

25

(f) Once a nonconforming use has been changed to a principal or conditional use
 permitted in the district in which the property is located, or brought closer in any other manner
 to conformity with the use limitations of this Code, the use of the property may not thereafter
 be returned to its former nonconforming status, except that:

5

6

(1) Any area which is used as a live/work unit shall be allowed to return to its former nonconforming status.

7 (2) Within any South of Market Mixed Use District, any area occupied by a
8 nonconforming office use which is changed to an arts, home and/or business service use
9 falling within zoning categories 102.2 or 816.42 through 816.47 or a wholesale, storage or
10 light manufacturing use falling within zoning categories 816.64 through 816.67 shall be
11 allowed to return to its former nonconforming office use.

(3) Upon restoration of a previous nonconforming use as permitted by
Subsection (1) or (2) above, any modification, enlargement, extension, or change of use, from
circumstances which last lawfully existed prior to the creation of the live/work unit, or prior to
the change from office use, shall be subject to the provisions of this Article, and the restored
nonconforming use shall be considered to have existed continuously since its original
establishment, prior to the live/work unit or change to office use, for purposes of this Article.

(g) If a nonconforming use has been wrongfully changed to another use in violation of
any of the foregoing provisions, and the violation is not immediately corrected when required
by the Zoning Administrator, the wrongful change shall be deemed to be a discontinuance or
abandonment of the nonconforming use under Section 183 of this Code.

- 22 (h) If a nonconforming use is a Formula Retail use in a District that prohibits Formula Retail
- 23 <u>uses, the Formula Retail use is deemed abandoned if it is discontinued for a period of 18 months or</u>
- 24 *more, or otherwise abandoned. The Formula Retail use shall not be restored.*
- 25

1	(1) Change of one nonconforming Formula Retail use to another Formula Retail use
2	that is determined to not be an enlargement or intensification of use, as defined in Subsection 178(c), is
3	subject to the Commission's adopted Performance-Based Design Guidelines for Formula Retail, which
4	may be applied and approved administratively by the Planning Department. Non-conformance with the
5	Performance-Based Design Guidelines for Formula Retail as required by the Department may result in
6	termination of the nonconforming Formula Retail use.
7	(2) Change of one nonconforming Formula Retail use to another Formula Retail use
8	that is determined to be an enlargement or intensification of use, as defined in Subsection 178(c), is not
9	permitted.
10	
11	SEC. 183. NONCONFORMING USES: DISCONTINUANCE AND ABANDONMENT.
12	(a) Discontinuance and Abandonment of a Nonconforming Use, Generally. Whenever a
13	nonconforming use has been changed to a conforming use, or discontinued for a continuous
14	period of three years, or whenever there is otherwise evident a clear intent on the part of the
15	owner to abandon a nonconforming use, such use shall not after being so changed,
16	discontinued or abandoned be reestablished, and the use of the property thereafter shall be in
17	conformity with the use limitations of this Code for the district in which the property is located.
18	Where no enclosed building is involved, discontinuance of a nonconforming use for a period
19	of six months shall constitute abandonment. Where a massage establishment is
20	nonconforming for the reason that it is within 1,000 feet of another such establishment under
21	Section 218.1 of this Code or because it is no longer permitted within the district,
22	discontinuance for a continuous period of three months or change to a conforming use shall
23	constitute abandonment.
24	(b) Discontinuance or Abandonment of a Nonconforming Formula Retail Use.
25	Notwithstanding subsection (a) of this Section, when a nonconforming Formula Retail use has been

1 changed to a conforming use or discontinued for a period of 18 months, or whenever there is otherwise 2 evident a clear intent on the part of the owner to abandon a nonconforming Formula Retail use, such 3 use shall not be reestablished after being so changed, discontinued or abandoned, and the use of the property thereafter shall be in conformity with the use limitations of this Code for the district in which 4 5 the property is located. 6 SEC. 186.1. EXEMPTION OF NONCONFORMING USES IN NEIGHBORHOOD 7 8 COMMERCIAL DISTRICTS. 9 The purpose of this Section is to provide for the further continuance in NC Districts of nonconforming uses created by adoption of Ordinance No. 69-87, as herein described, and 10 subsequent ordinances that change the uses allowed in NC Districts, which are beneficial to, 11 12 or can be accommodated within the neighborhood commercial areas in which they are 13 located. 14 It is hereby found and declared that certain uses which traditionally have been permitted to locate in neighborhood commercial areas can be beneficial to a neighborhood 15 commercial area in small or limited numbers, but which if allowed to proliferate, can disrupt 16 17 the balanced mix of neighborhood-serving retail stores and services. It is further found and

- 18 declared that in order to prevent undesirable over concentrations of such uses, the
- 19 establishment of additional such uses shall be prohibited pursuant to controls governing uses
- 20 in NC Districts. At the same time, however, it is desirable to provide for the further

continuance, expansion, enlargement, alteration, changes, discontinuance, and relocation of
 such existing uses, which are nonconforming as a result of zoning controls governing uses in
 NC Districts.

- 24
- 25

1 The following provisions shall govern with respect to nonconforming uses and features 2 located in Neighborhood Commercial Districts to the extent that there is a conflict between the 3 provisions of this Section and other Sections contained in this Article 1.7.

4

(a) Expansion. A nonconforming use may expand: (1) in floor area as provided in
Subsection (b) below, but may not expand beyond the lot which it occupies, nor may the
boundaries of such lot be expanded for purposes of expanding the use; nor may the use
expand upward above the story or stories which it lawfully occupies, except as provided in
Section 186.2 below.

9

### (b) Enlargements or Alteration.

(1) A nonconforming use may not be significantly altered; enlarged or
intensified, except upon approval of a conditional use application pursuant to the provisions
of Article 3 of this Code, provided that the use not have or result in a greater height, bulk or
floor area ratio, less required rear yard or open space, or less required off-street parking
space or loading space than permissible under the limitations set forth in this Code for the
district or districts in which such use is located.

16 (2) A nonconforming use may expand to include public sidewalk space provided
17 that such space is only occupied with tables and chairs as permitted by this Municipal Code.

(3) No existing use or structure which fails to meet the requirements of this
Code in any manner as described above in this Subsection (b) shall be constructed,
reconstructed, enlarged, altered or relocated so as to increase the discrepancy, or to create a
new discrepancy, at any level of the structure, between existing conditions on the lot and the
required standards for new construction set forth in this Code.

(c) Changes in Use. A nonconforming use may be changed to another use or feature
as described below.

1 (1) A nonconforming use may be changed to a use listed in Article 7 of this 2 Code as a principal use for the district in which the property is located, and the new use may 3 thereafter be continued as a permitted principal use.

(2) A nonconforming use may be changed to a use listed in Article 7 of this 4 5 Code as a conditional use for the district in which the use is located, only upon approval of a 6 conditional use application pursuant to the provisions of Article 3 of this Code, and the new 7 use may thereafter be continued as a permitted conditional use, subject to the provisions of 8 Section 178 of this Code.

9 (3) A nonconforming use may be changed to a use which is not permitted in that Neighborhood Commercial District as described below, only upon approval of a 10 conditional use application, pursuant to the provisions of Article 3 of this Code: 11

12 (A) Any use described in zoning categories .41, .43 or .44, as defined in 13 Sections 790.22, 790.90 and 790.91, respectively, may change to another use described in zoning categories .41 or .44, even though such other use is not permitted in that 14 15 Neighborhood Commercial District, unless such other use is located in an Alcohol Restricted Use Subdistrict and is prohibited by the provisions governing that Alcohol Restricted Use 16 Subdistrict. 17

18 (B) Any use described in zoning categories .51, .52 or .53, as defined in Sections 790.114, 790.116 and 790.108 respectively, may change to another use described in 19 20 zoning categories .51, .52 or .53, even though such other use is not permitted in that 21 Neighborhood Commercial District.

(C) Any use described in zoning categories .57, .58 or .59, as defined in 22 23 Sections 790.14, 790.17 and 790.15 respectively, may be demolished and reconstructed as 24 the same use or may change to another use described in zoning categories .57, .58 or .59, even though such other use is not permitted in that Neighborhood Commercial District. 25

1 The new use shall still be classified as a nonconforming use.

The changes in use described in this <u>SubsectionParagraph (3)</u> shall include remodeling activities involving the demolition and replacement of structures which result in a change of use.

5	(D) With regard to Formula Retail uses, a change of owner or operator of a
6	Formula Retail establishment is determined to be an intensification of use and a new Conditional Use
7	authorization shall be required as provided in Section 178(c) of this Code.if one or more of the
8	following occur:
9	(i) Change of use category, including a change from one use to
10	another within the sub-categories of uses set forth in Planning Code Section 790.102 and
11	Section 890.102;
12	(ii) Expansion of use size;
13	(iii) Change to a Formula Retail establishment that has more
14	locations than the existing Formula Retail establishment, which results in an increase in visual
15	homogeneity;
16	(iv) Installation of a commercial kitchen, including but not limited
17	to: ovens, open ranges or stoves, fryers, oven hoods or kitchen ventilation systems, heating
18	stations, steam tables or cabinets, cold food storage, increased food preparation areas or self-
19	service drink dispensers;
20	(v) A pre-existing Formula Retail use which had not previously
21	been authorized via a Conditional Use from the Commission.
22	(4) In the North Beach Neighborhood Commercial District, any use that exceeds
23	the use size provisions of Section 121.2(a) or 121.2(b) may be changed to a new use only
24	upon the approval of a new conditional use application. The Commission's approval of such
25	conditional use application shall explicitly address the use size findings of Section 303(c). In

the North Beach Neighborhood Commercial District, a nonconforming use cannot be changed
to any use which is not a permitted use under Section 722 (North Beach Controls).

3 (5) In the Castro Street Neighborhood Commercial District, any use in this
4 district that exceeds the maximum use size limit of Section 121.2(b), may be not changed to a
5 new use. The only method for changing a nonconforming use identified in this Subsection is to
6 reduce the nonconforming use:

7

(A) to a conforming use size or

8 (B) to a size specified in Subsection 121.2(a) pursuant to conditional use
9 authorization.

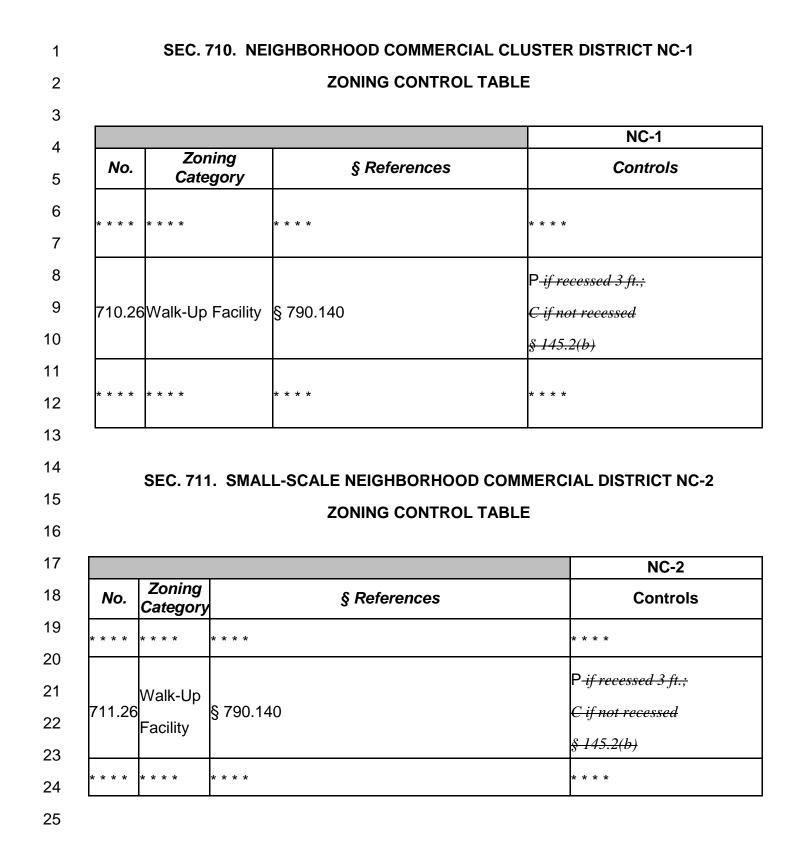

Notwithstanding the above, any use in this District that exceeds the maximum use size limit of Section 121.2(b) and is categorized in the Other Retail Sales and Services zoning classification, as defined in Section 790.102, may change to another use category enumerated in Section 790.102 as long as the use size is not increased and the Commission approves a conditional use application for such change. The Commission's approval of such conditional use application shall explicitly address the use size findings of Section 303(c).

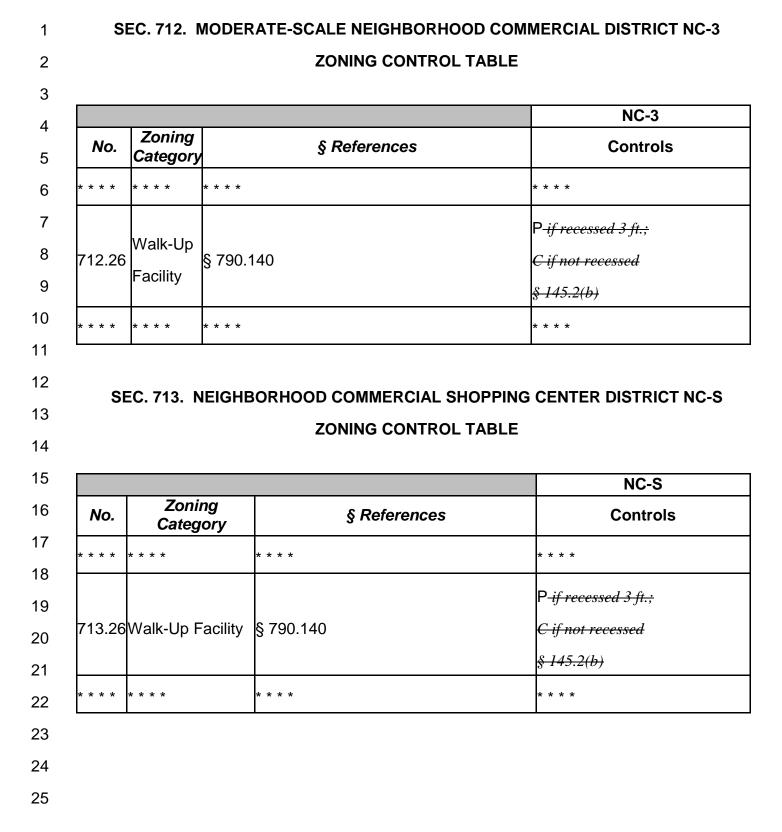

16 (d) **Discontinuance.** A nonconforming use which is discontinued for a period of three 17 years, or otherwise abandoned or changed to another use which is listed in Article 7 of this 18 Code as a principal or conditional use for the district in which the use is located shall not be 19 reestablished. For purposes of this Subsection, the period of nonuse for a nonconforming use 20 to be deemed discontinued in the North Beach and Castro Street Neighborhood Commercial 21 Districts, and in the Haight Street Neighborhood Commercial District, the Lower Haight Street 22 Tobacco Paraphernalia Restricted Use Subdistrict, and the Polk Street Neighborhood 23 Commercial District for Tobacco Paraphernalia Establishments, as defined in Sections\_227(v) and 790.123 of this Code, only, shall be eighteen (18) months, except in the North Beach 24 Neighborhood Commercial District, the period of non-use for a Restaurant use, as defined in 25

1 Section 790.91, to be deemed discontinued shall be three years. *For Formula Retail uses in any* 

2 <u>District that prohibits or requires Conditional Use authorization for Formula Retail uses, the period of</u>

- 3 <u>non-use to be deemed discontinued is 18 months.</u>
- 4 (e) **Relocation.** A nonconforming use in a Neighborhood Commercial District may be
  5 reestablished at another location within that Neighborhood Commercial District only upon
  6 approval of a new conditional use application pursuant to the provisions of Article 3 of this
  7 Code, provided that the following conditions are met:
- 8 (1) The original premises shall not be occupied by an establishment of the 9 same type of use as the relocating use unless by another establishment that is relocating from 10 within the district; and
- (2) No final permits to operate the relocated use at the new premises are
  granted prior to the issuance of a certificate of final completion of any work to the original
  premises which is required as conditions attached to the approval of the conditional use
  application; and
- (3) Deed restrictions are recorded for the original premises in the Official
  Records of the City and County of San Francisco, which restrictions prohibit for the duration of
  the Code sections prohibiting the use for the district in which the use is located, the
  establishment and operation of a new use of the same type of use as the relocated use,
  unless such new use is relocating from within the district.
- 20
- 21 Section 5. The Planning Code is hereby amended by revising Sections 710, 711, 712, 713,
- 22 714, 715, 716, 717, 718, 719, 720, 721, 723, 724, 725, 726, 727, 728, 729, 730, 731,
- 23 732,733, 733A, 734, 735, 736, 737, 738, 739, 740, 741, 742, and 745 and Tables 743 and

Section 6. The Planning Code is hereby amended by revising Section 145.2 to read as 15

follows: 16

### SEC. 145.2. OUTDOOR ACTIVITY AREAS AND WALK-UP FACILITIES IN NC DISTRICTS. 17

The following provisions governing outdoor activity areas and walk-up facilities shall 18 apply in NC Districts. 19

(a) Outdoor Activity Areas. In order to provide for limited commercial outdoor activity 20 21 areas, which promote active street life, but do not detract from the livability of surrounding uses, outdoor activity areas, as defined in Section 790.70 of this Code, in NC Districts shall be 22 23 regulated below, except in the Outer Clement Street Neighborhood Commercial District, where outdoor activity areas shall be a principal permitted use if they existed prior to 1985. 24

These provisions shall not apply to those uses excepted from the requirement for location in
 an enclosed building, as set forth in Section 703.2(b) of this Code.

3 (a) (1) An outdoor activity area operated by a commercial use is permitted as a
4 principal use if located outside a building and contiguous to the front property line of the lot on
5 which the commercial use is located.

In NC-S Districts, an outdoor activity area is permitted as a principal use if located
within the boundaries of the property and in front of the primary facades which contain
customer entrances and if it does not obstruct pedestrian traffic flow between store entrances
and parking facilities.

10 (b) (2) An outdoor activity area which does not comply with the provisions of
 11 Paragraph 1 of this Subsection is permitted as a conditional use, subject to the provisions set
 12 forth in Sections 316 through 316.8 of this Code.

In addition to the criteria of Section 303(c) of this Code, the City Planning Commission
 shall find that:

15 (1)—(A) The nature of the activity operated in the outdoor activity area is
 16 compatible with surrounding uses;

17 (2) (B) The operation and design of the outdoor activity area does not 18 significantly disturb the privacy or affect the livability of adjoining or surrounding residences; 19 (3) - (C)The hours of operation of the activity operated in the outdoor 20 activity area are limited so that the activity does not disrupt the viability of surrounding uses. (b) Walk-up Facilities. In order to maintain free flows of pedestrian circulation in the 21 Neighborhood Commercial Districts, walk-up facilities, as defined in Section 790.140 of this Code, 22 23 shall be regulated in all NC Districts as provided below: 24 - (1) A walk-up facility operated by a commercial use is permitted as a principal use if:

25

1	(A) Recessed at least three feet from the property line of the lot on which the commercial use is
2	located; and
3	(B) Where a vehicular circulation area or parking area separates the building from the property
4	line, the walk-up facility is designed and located so that the users of the facility do not impede
5	pedestrian circulation on the lot nor create conflicts between pedestrian and vehicular circulation
6	flows; or
7	(C) The proposed walk-up facility is located on a block frontage which is totally in a
8	Neighborhood Commercial District.
9	(2) A walk-up facility which does not comply with the provisions of Paragraph 1 of this Subsection
10	is permitted only upon approval of a conditional use application pursuant to the provisions set forth in
11	Sections 316 through 316.8 of this Code.
12	
13	Section 7. The Planning Code is hereby amended by moving the provisions in Section
14	703.3 to new Section 303.1 and revising those provisions, and amending Section 703.3 to
15	read as follows:
16	SEC. 703.3. FORMULA RETAIL USES.
17	(a) The Formula Retail controls set forth in Section 303.1 of this Code apply to all
18	Neighborhood Commercial Districts in Article 7 of this Code. (a) Findings. The findings for
19	Formula Retail controls are set forth in Section 303.1.
20	(1) San Francisco is a city of diverse and distinct neighborhoods identified in large part
21	by the character of their commercial areas.
22	(2) San Francisco needs to protect its vibrant small business sector and create a
23	supportive environment for new small business innovations. One of the eight Priority Policies of the
24	City's General Plan resolves that "existing neighborhood-serving retail uses be preserved and
25	

1	enhanced and future opportunities for resident employment in and ownership of such businesses
2	enhanced."
3	(3) Retail uses are the land uses most critical to the success of the City's commercial
4	districts.
5	(4) Formula retail businesses are increasing in number in San Francisco, as they are in
6	cities and towns across the country.
7	(5) Money earned by independent businesses is more likely to circulate within the local
8	neighborhood and City economy than the money earned by formula retail businesses which often have
9	corporate offices and vendors located outside of San Francisco.
10	(6) Formula retail businesses can have a competitive advantage over independent
11	operators because they are typically better capitalized and can absorb larger startup costs, pay more
12	for lease space, and commit to longer lease contracts. This can put pressure on existing businesses and
13	potentially price out new startup independent businesses.
14	(7) San Francisco is one of a very few major urban centers in the State in which
15	housing, shops, work places, schools, parks and civic facilities intimately co-exist to create strong
16	identifiable neighborhoods. The neighborhood streets invite walking and bicycling and the City's mix of
17	architecture contributes to a strong sense of neighborhood community within the larger City
18	community.
19	(8) Notwithstanding the marketability of a retailer's goods or services or the visual
20	attractiveness of the storefront, the standardized architecture, color schemes, decor and signage of
21	many formula retail businesses can detract from the distinctive character of certain Neighborhood
22	Commercial Districts.
23	(9) The increase of formula retail businesses in the City's neighborhood commercial
24	areas, if not monitored and regulated, will hamper the City's goal of a diverse retail base with distinct
25	neighborhood retailing personalities comprised of a mix of businesses. Specifically, the unregulated

1	and unmonitored establishment of additional formula retail uses may unduly limit or eliminate business
2	establishment opportunities for smaller or medium-sized businesses, many of which tend to be non-
3	traditional or unique, and unduly skew the mix of businesses towards national retailers in lieu of local
4	or regional retailers, thereby decreasing the diversity of merchandise available to residents and
5	visitors and the diversity of purveyors of merchandise.
6	(10) If, in the future, neighborhoods determine that the needs of their Neighborhood
7	Commercial Districts are better served by eliminating the notice requirements for proposed formula
8	retail uses, by converting formula retail uses into conditional uses in their district, or by prohibiting
9	formula retail uses in their district, they can propose legislation to do so.
10	(b) Formula Retail Use. Formula retail use is hereby defined in Section 303.1. as a type
11	of retail sales activity or retail sales establishment which, along with eleven or more other retail sales
12	establishments located, maintains two or more of the following features: a standardized array of
13	merchandise, a standardized facade, a standardized decor and color scheme, a uniform apparel,
14	standardized signage, a trademark or a servicemark.
15	(1) Standardized array of merchandise shall be defined as 50% or more of in-stock
16	merchandise from a single distributor bearing uniform markings.
17	(2) Trademark shall be defined as a word, phrase, symbol or design, or a combination
18	of words, phrases, symbols or designs that identifies and distinguishes the source of the goods from one
19	party from those of others.
20	(3) Servicemark shall be defined as word, phrase, symbol or design, or a combination
21	of words, phrases, symbols or designs that identifies and distinguishes the source of a service from one
22	party from those of others.
23	(4) Decor shall be defined as the style of interior finishings, which may include but is
24	not limited to, style of furniture, wallcoverings or permanent fixtures.
25	

1	(5) Color Scheme shall be defined as selection of colors used throughout, such as on
2	the furnishings, permanent fixtures, and wallcoverings, or as used on the facade.
3	(6) Facade shall be defined as the face or front of a building, including awnings,
4	looking onto a street or an open space.
5	(7) Uniform Apparel shall be defined as standardized items of clothing including but
6	not limited to standardized aprons, pants, shirts, smocks or dresses, hat, and pins (other than name
7	tags) as well as standardized colors of clothing.
8	(8) Signage shall be defined as business sign pursuant to Section 602.3 of the Planning
9	Code.
10	(c) "Retail Sales Activity or Retail Sales Establishment" shall include the uses defined in Section
11	<del>303(i)(2) of this Code.</del>
12	(d) Formula Retail Uses Permitted. Any use permitted in certain districts defined in Section
13	303(i)(5)(A), which is also a "formula retail use" as defined in this Seciton, is hereby permitted.
14	(b) Formula Retail Uses Permitted. Any use permitted in a Neighborhood Commercial
15	District that is a "Formula Retail use" as defined in Section 303.1 of this Code is hereby
16	permitted.
17	(e) Formula Retail Use Prohibited. Notwithstanding subsection (d), certain districts may
18	prohibit formula retail uses or a subset of formula retail uses as described in Section 303(i)(5).
19	(f) Conditional Uses. Notwithstanding subsections (d) or (e), a Conditional Use Authorization
20	shall be required for a formula retail use in the zoning districts listed in Section 303(i)(4) unless
21	explicitly exempted. Additional criteria to be used by the Planning Commission when considering
22	granting conditional use permits to formula retail uses in these districts are listed in Section 303(i).
23	(g) Neighborhood Commercial Notification and Design Review. After the effective date of this
24	Ordinance, any building permit application for a use permitted in a Neighborhood Commercial
25	

1	District which is also a "formula retail use" as defined in this section shall be subject to the
2	Neighborhood Commercial Notification and Design Review Procedures of Section 312 of this Code.
3	(h) Discretionary Review Guidelines. The Planning Commission shall develop and adopt
4	guidelines which it shall employ when considering any request for discretionary review made pursuant
5	to this Section. These guidelines shall include but are not limited to consideration of the following
6	factors:
7	(1) Existing concentrations of formula retail uses within the Neighborhood Commercial
8	<del>District.</del>
9	(2) Availability of other similar retail uses within the Neighborhood Commercial
10	<del>District.</del>
11	(3) Compatibility of the proposed formula retail use with the existing architectural and
12	aesthetic character of the Neighborhood Commercial District.
13	(4) Existing retail vacancy rates within the Neighborhood Commercial District.
14	(5) Existing mix of Citywide-serving retail uses and neighborhood-serving retail uses
15	within the Neighborhood Commercial District.
16	(i) Determination of Formula Retail Use. After the effective date of this Ordinance, in those
17	areas in which "formula retail uses" are prohibited, any building permit application determined by the
18	City to be for a "formula retail use" that does not identify the use as a "formula retail use" is
19	incomplete and cannot be processed until the omission is corrected. Any building permit approved
20	after the effective date of this Ordinance that is determined by the City to have been, at the time of
21	application, for a "formula retail use" that did not identify the use as a "formula retail use" is subject
22	to revocation at any time.
23	After the effective date of this Ordinance, in those areas in which "formula retail uses" are
24	subject to the Neighborhood Commercial Notification and Design Review provisions of subsection (g),
25	any building permit application determined by the City to be for a "formula retail use" that does not

1	identify the use as a "formula retail use" is incomplete and cannot be processed until the omission is
2	corrected. After the effective date of this Ordinance, any building permit approved that is determined
3	by the City to be for a "formula retail use" that does not identify the use as a "formula retail use" must
4	complete the Neighborhood Commercial Notification and Design Review required in subsection (g).
5	If the City determines that a building permit application or building permit subject to this
6	Section of the Code is for a "formula retail use," the building permit applicant or holder bears the
7	burden of proving to the City that the proposed or existing use is not a "formula retail use."
8	
9	Section 8. The Planning Code is hereby amended by revising Section 703.4 to read as
10	<u>follows:</u>
11	SEC. 703.4. CONDITIONAL USE AUTHORIZATION FOR FORMULA RETAIL USES.
12	(a) This Ordinance shall be known as the Small Business Protection Act.
13	(b) Notwithstanding Section 703.3( <u>b</u> d) and except for Section <u>303.1(f)</u> 703.3(e),
14	establishment of a formula retail use, as defined in Section 303.1703.3, in any Neighborhood
15	Commercial District, as identified in Article 7, shall require conditional use authorization
16	pursuant to the criteria of Sections $303(c)$ and $303\underline{.1}(i)$ and be subject to the terms of Sections
17	<del>703.3<u>303.1(g</u>)</del> and ( <u>h</u> i).
18	(c) Nothing herein shall preclude the Board of Supervisors from adopting more
19	restrictive provisions for conditional use authorization of formula retail use or prohibiting
20	formula retail use in any Neighborhood Commercial District.
21	
22	Section 89. The Planning Code is hereby amended by moving the provisions in
23	Section 803.6 to new Section 303.1 and revising those provisions, and revising Section 803.6
24	to read as follows:

(a) Uses in Enclosed Buildings. In C-2 Districts, all permitted uses, and all storage, 1 2 servicing, fabricating, processing or repair uses accessory thereto, shall be conducted within 3 enclosed buildings, with the exceptions of: (1) Those uses indicated by an asterisk (\*) in the column for the district; 4 5 Accessory off-street parking and loading areas where permitted; 6 Accessory outdoor dining areas where permitted; 7 (4) Accessory recreation areas where permitted; and, (5) Mobile Food Facilities as defined in Section 102.34. 8 9 (b) **Drive-up Facilities.** In C-3 Districts, a Drive-up Facility, as defined in Section 790.30 of this Code, shall not be permitted. 10 (c) Required Ground-floor Commercial Frontage in C-3 Districts. 11 (1) **Purpose.** The purpose of this section is to assure continuity of retail and 12 13 consumer service uses in the C-3-R District, and in other important commercial streets in C-3 14 Districts. (2) Applicability. 15 16 (A) In the C-3-R District, along any block frontage that is entirely within 17 such district or partly in such district and partly in the C-3-O District, where such block 18 frontage faces a street 40 feet or more in width: (B) On building frontages facing Destination Alleyways, as defined in the 19 20 Downtown Streetscape Plan; (C) Along any street frontage facing Market Street in all C-3 Districts 21 except the Van Ness and Market Downtown Residential Special Use District. 22 23 (3) Controls. (A) Ground Story. Permitted uses listed in Sections 218 and 221 shall 24 be located facing such street in the ground story of any building. At least 1/2 the total width of 25

any new or reconstructed building, parallel to and facing such street, shall be devoted at the
 ground story to entrances, show windows or other displays of such uses.

- (B) All Levels. All other permitted uses shall be located either on stories
  above or below the ground story or at a distance of not less than 20 feet behind each street
  frontage at the ground story. No more than 1/3 the width of any lot, parallel to and facing such
  street, shall be devoted to entrances to such other permitted uses.
- 7 (d) Hazardous, Noxious, or Offensive Uses Prohibited. No use listed as permitted
  8 in any C District or M-1 District shall include any use that is hazardous, noxious or offensive
  9 for reasons described in Section 202(c) of this Code.
- 10 (e) Formula Retail Uses. Formula Retail uses, as defined in Section 303.1, with frontage on
