

GOVERNMENT CODE

SECTION 6500-6536

6500. As used in this article, "public agency" includes, but is not limited to, the federal government or any federal department or agency, this state, another state or any state department or agency, a county, county board of education, county superintendent of schools, city, public corporation, public district, regional transportation commission of this state or another state, a federally recognized Indian tribe, or any joint powers authority formed pursuant to this article by any of these agencies.

6500.1. This chapter shall be known and may be cited as the Joint Exercise of Powers Act.

6501. This article does not authorize any state officer, board, commission, department, or other state agency or institution to make any agreement without the approval of the Department of General Services or the Director of General Services if such approval is required by law.

6502. If authorized by their legislative or other governing bodies, two or more public agencies by agreement may jointly exercise any power common to the contracting parties, even though one or more of the contracting agencies may be located outside this state.

It shall not be necessary that any power common to the contracting parties be exercisable by each such contracting party with respect to the geographical area in which such power is to be jointly exercised. For purposes of this section, two or more public agencies having the power to conduct agricultural, livestock, industrial, cultural, or other fairs or exhibitions shall be deemed to have common power with respect to any such fair or exhibition conducted by any one or more of such public agencies or by an entity created pursuant to a joint powers agreement entered into by such public agencies.

6502.5. In addition to any power common to its member districts, the Resource Conservation Energy Joint Powers Agency has the authority to finance, construct, install, and operate projects for the production of biogas and electricity from the digestion or fermentation of animal or agricultural waste. The agency may undertake these projects within its jurisdiction or outside its jurisdiction. The authority to undertake projects outside the jurisdiction of the agency is limited to the geographical areas of Fresno, Kings, Madera, Merced, San Joaquin, and Tulare Counties.

Prior to undertaking a project authorized by this section outside the jurisdiction of the agency, the agency shall obtain approval of the board of supervisors of the county in which the project is to be located.

6502.7. (a) If authorized by their legislative or other governing bodies, two or more public agencies which have the authority to identify, plan for, monitor, control, regulate, dispose of, or abate

liquid, toxic, or hazardous wastes or hazardous materials may, by agreement, jointly exercise any of these powers common to the contracting parties.

(b) The contracting parties may provide special services, including persons specially trained, experienced, expert, and competent to perform these special services.

(c) The provisions of this section are declaratory of existing law and do not limit any authority which already exists.

6503. The agreements shall state the purpose of the agreement or the power to be exercised. They shall provide for the method by which the purpose will be accomplished or the manner in which the power will be exercised.

6503.1. (a) When property tax revenues of a county of the second class are allocated by that county to an agency formed for the purpose of providing fire protection pursuant to this chapter, those funds may only be appropriated for expenditure by that agency for fire protection purposes.

(b) As used in this section, "fire protection purposes" means those purposes directly related to, and in furtherance of, providing fire prevention, fire suppression, emergency medical services, hazardous materials response, ambulance transport, disaster preparedness, rescue services, and related administrative costs.

(c) This section shall not be interpreted to alter any provision of law governing the processes by which cities or counties select providers of ambulance transport services.

6503.5. Whenever a joint powers agreement provides for the creation of an agency or entity that is separate from the parties to the agreement and is responsible for the administration of the agreement, such agency or entity shall, within 30 days after the effective date of the agreement or amendment thereto, cause a notice of the agreement or amendment to be prepared and filed with the office of the Secretary of State. The agency or entity shall furnish an additional copy of the notice of the agreement or amendment to the Secretary of State, who shall forward the copy to the Controller. The notice shall contain:

(a) The name of each public agency that is a party to the agreement.

(b) The date that the agreement became effective.

(c) A statement of the purpose of the agreement or the power to be exercised.

(d) A description of the amendment or amendments made to the agreement, if any.

Notwithstanding any other provision of this chapter, any agency or entity administering a joint powers agreement or amendment to such an agreement, which agreement or amendment becomes effective on or after the effective date of this section, which fails to file the notice required by this section within 30 days after the effective date of the agreement or amendment, shall not thereafter, and until such filings are completed, issue any bonds or incur indebtedness of any kind.

6503.6. Whenever an agency or entity files a notice of agreement or amendment with the office of the Secretary of State pursuant to Section 6503.5, the agency or entity shall file a copy of the full text of the original joint powers agreement, and any amendments to the agreement, with the Controller.

6503.7. Within 90 days after the effective date of this section, any separate agency or entity constituted pursuant to a joint powers agreement entered into prior to the effective date of this section and responsible for the administration of the agreement shall cause a notice of the agreement to be prepared and filed with the office of the Secretary of State. The agency or entity shall also furnish an additional copy of the notice of the agreement to the Secretary of State who shall forward the copy to the Controller. The notice shall contain all the information required for notice given pursuant to Section 6503.5.

Notwithstanding any other provision of this chapter, any joint powers agency that is required and fails to file notice pursuant to this section within 90 days after the effective date of this section shall not, thereafter, and until such filings are completed, issue any bonds, incur any debts, liabilities or obligations of any kind, or in any other way exercise any of its powers.

For purposes of recovering the costs incurred in filing and processing the notices required to be filed pursuant to this section and Section 6503.5, the Secretary of State may establish a schedule of fees. Such fees shall be collected by the office of the Secretary of State at the time the notices are filed and shall not exceed the reasonably anticipated cost to the Secretary of State of performing the work to which the fees relate.

6504. The parties to the agreement may provide that (a) contributions from the treasuries may be made for the purpose set forth in the agreement, (b) payments of public funds may be made to defray the cost of such purpose, (c) advances of public funds may be made for the purpose set forth in the agreement, such advances to be repaid as provided in said agreement, or (d) personnel, equipment or property of one or more of the parties to the agreement may be used in lieu of other contributions or advances. The funds may be paid to and disbursed by the agency or entity agreed upon, which may include a nonprofit corporation designated by the agreement to administer or execute the agreement for the parties to the agreement.

6505. (a) The agreement shall provide for strict accountability of all funds and report of all receipts and disbursements.

(b) In addition, and provided a separate agency or entity is created, the public officer performing the functions of auditor or controller as determined pursuant to Section 6505.5, shall either make or contract with a certified public accountant or public accountant to make an annual audit of the accounts and records of every agency or entity, except that the officer need not make or contract for the audit in any case where an annual audit of the accounts and records of the agency or entity by a certified public accountant or public accountant is otherwise made by any agency of the state or the United States only as to those accounts and records which are directly subject to such a federal or state audit. In each case the minimum requirements of the audit shall be those prescribed by the Controller for special districts under Section 26909 and shall conform to generally accepted auditing standards.

(c) When an audit of an account and records is made by a certified public accountant or public accountant, a report thereof shall be filed as public records with each of the contracting parties to the agreement and also with the county auditor of the county where the home office of the joint powers authority is located and shall be sent to any public agency or person in California that submits a written request to the joint powers authority. The report shall be

filed within 12 months of the end of the fiscal year or years under examination.

(d) When a nonprofit corporation is designated by the agreement to administer or execute the agreement and no public officer is required to perform the functions of auditor or controller as determined pursuant to Section 6505.5, an audit of the accounts and records of the agreement shall be made at least once each year by a certified public accountant or public accountant, and a report thereof shall be filed as a public record with each of the contracting parties to the agreement and with the county auditor of the county where the home office of the joint powers authority is located, and shall be sent to any public agency or person in California that submits a written request to the joint powers authority. These reports shall be filed within 12 months after the end of the fiscal year or years under examination.

(e) Any costs of the audit, including contracts with, or employment of certified public accountants or public accountants, in making an audit pursuant to this section shall be borne by the agency or entity and shall be a charge against any unencumbered funds of the agency or entity available for the purpose.

(f) All agencies or entities may, by unanimous request of the governing body thereof, replace the annual special audit with an audit covering a two-year period.

(g) Notwithstanding the foregoing provisions of this section to the contrary, agencies or entities shall be exempt from the requirement of an annual audit if the financial statements are audited by the Controller to satisfy federal audit requirements.

6505.1. The contracting parties to an agreement made pursuant to this chapter shall designate the public office or officers or person or persons who have charge of, handle, or have access to any property of the agency or entity and shall require such public officer or officers or person or persons to file an official bond in an amount to be fixed by the contracting parties.

6505.5. If a separate agency or entity is created by the agreement, the agreement shall designate the treasurer of one of the contracting parties, or in lieu thereof, the county treasurer of a county in which one of the contracting parties is situated, or a certified public accountant to be the depository and have custody of all the money of the agency or entity, from whatever source.

The treasurer or certified public accountant so designated shall do all of the following:

(a) Receive and receipt for all money of the agency or entity and place it in the treasury of the treasurer so designated to the credit of the agency or entity.

(b) Be responsible, upon his or her official bond, for the safekeeping and disbursement of all agency or entity money so held by him or her.

(c) Pay, when due, out of money of the agency or entity held by him or her, all sums payable on outstanding bonds and coupons of the agency or entity.

(d) Pay any other sums due from the agency or entity from agency or entity money, or any portion thereof, only upon warrants of the public officer performing the functions of auditor or controller who has been designated by the agreement.

(e) Verify and report in writing on the first day of July, October, January, and April of each year to the agency or entity and to the contracting parties to the agreement the amount of money he or she holds for the agency or entity, the amount of receipts since his or her last report, and the amount paid out since his or her last report.

The officer performing the functions of auditor or controller

shall be of the same public agency as the treasurer designated as depository pursuant to this section. However, where a certified public accountant has been designated as treasurer of the entity, the auditor of one of the contracting parties or of a county in which one of the contracting parties is located shall be designated as auditor of the entity. The auditor shall draw warrants to pay demands against the agency or entity when the demands have been approved by any person authorized to so approve in the agreement creating the agency or entity.

The governing body of the same public entity as the treasurer and auditor specified pursuant to this section shall determine charges to be made against the agency or entity for the services of the treasurer and auditor. However, where a certified public accountant has been designated as treasurer, the governing body of the same public entity as the auditor specified pursuant to this section shall determine charges to be made against the agency or entity for the services of the auditor.

6505.6. In lieu of the designation of a treasurer and auditor as set forth in Section 6505.5, the agency or entity may appoint one of its officers or employees to either or both of such positions. Such offices may be held by separate officers or employees or combined and held by one officer or employee. Such person or persons shall comply with the duties and responsibilities of the office or offices as set forth in subdivisions (a) to (d), inclusive, of Section 6505.5.

In the event the agency or entity designates its officers or employees to fill the functions of treasurer or auditor, or both, pursuant to this section, such officers or employees shall cause an independent audit to be made by a certified public accountant, or public accountant, in compliance with Section 6505.

6506. The agency or entity provided by the agreement to administer or execute the agreement may be one or more of the parties to the agreement or a commission or board constituted pursuant to the agreement or a person, firm or corporation, including a nonprofit corporation, designated in the agreement. One or more of the parties may agree to provide all or a portion of the services to the other parties in the manner provided in the agreement. The parties may provide for the mutual exchange of services without payment of any consideration other than such services.

6507. For the purposes of this article, the agency is a public entity separate from the parties to the agreement.

6508. The agency shall possess the common power specified in the agreement and may exercise it in the manner or according to the method provided in the agreement. If the agency is not one or more of the parties to the agreement but is a public entity, commission or board constituted pursuant to the agreement and such agency is authorized, in its own name, to do any or all of the following: to make and enter contracts, or to employ agents and employees, or to acquire, construct, manage, maintain or operate any building, works or improvements, or to acquire, hold or dispose of property or to incur debts, liabilities or obligations, said agency shall have the power to sue and be sued in its own name. Any authorization pursuant to the agreement for the acquisition by the agency of property for the purposes of a project for the generation or transmission of electrical energy shall not include the condemnation of property owned or otherwise subject to use or control by any public utility

within the state.

The governing body of any agency having the power to sue or be sued in its own name, created by an agreement entered into after the amendment to this section at the 1969 Regular Session of the Legislature, between parties composed exclusively of parties which are cities, counties, or public districts of this state, irrespective of whether all such parties fall within the same category, may as provided in such agreement, and in any ratio provided in the agreement, be composed exclusively of officials elected to one or more of the governing bodies of the parties to such agreement. Any existing agreement composed of parties which are cities, counties or public districts which creates a governing board of any agency having the power to sue or be sued may, at the option of the parties to the agreement, be amended to provide that the governing body of the created agency shall be composed exclusively of officials elected to one or more of the governing boards of the parties to such agreement in any ratio agreed to by the parties to the agreement. The governing body so created shall be empowered to delegate its functions to an advisory body or administrative entity for the purposes of program development, policy formulation, or program implementation, provided, however, that any annual budget of the agency to which the delegation is made must be approved by the governing body of the Joint Powers Agency.

In the event that such agency enters into further contracts, leases or other transactions with one or more of the parties to such agreement, an official elected to the governing body of such party may also act in the capacity of a member of the governing body of such agency.

6508.1. If the agency is not one or more of the parties to the agreement but is a public entity, commission, or board constituted pursuant to the agreement, the debts, liabilities, and obligations of the agency shall be debts, liabilities, and obligations of the parties to the agreement, unless the agreement specifies otherwise.

A party to the agreement may separately contract for, or assume responsibility for, specific debts, liabilities, or obligations of the agency.

6509. Such power is subject to the restrictions upon the manner of exercising the power of one of the contracting parties, which party shall be designated by the agreement.

6509.5. Any separate agency or entity created pursuant to this chapter shall have the power to invest any money in the treasury pursuant to Section 6505.5 that is not required for the immediate necessities of the agency or entity, as the agency or entity determines is advisable, in the same manner and upon the same conditions as local agencies pursuant to Section 53601 of the Government Code.

If a nonprofit corporation is designated by the agreement to administer or execute the agreement for the parties to the agreement, it shall invest any moneys held for disbursement on behalf of the parties in the same manner and upon the same conditions as local agencies pursuant to Section 53601.

6509.6. Notwithstanding any other law, a joint powers authority created pursuant to this chapter may purchase or acquire, by sale, assignment, pledge, or other transfer from a local agency, and any local agency may sell, assign, pledge, or transfer to a joint powers authority any or all of that local agency's right, title, and interest in and to an assessment contract authorized by Chapter 29

(commencing with Section 5898.10) of Part 3 of Division 7 of the Streets and Highways Code, including any related lien, right, subsidy, or other right and receivable, and the enforcement and collection thereof, pursuant to any terms and conditions agreed to between the joint powers authority and the local agency.

6509.7. (a) Notwithstanding any other provision of law, two or more public agencies that have the authority to invest funds in their treasuries may, by agreement, jointly exercise that common power. Funds invested pursuant to an agreement entered into under this section may be invested as authorized by subdivision (p) of Section 53601. A joint powers authority formed pursuant to this section may issue shares of beneficial interest to participating public agencies. Each share shall represent an equal proportionate interest in the underlying pool of securities owned by the joint powers authority. To be eligible under this section, the joint powers authority issuing the shares of beneficial interest shall have retained an investment adviser that meets all of the following criteria:

(1) The adviser is registered or exempt from registration with the Securities and Exchange Commission.

(2) The adviser has not less than five years of experience investing in the securities and obligations authorized in subdivisions (a) to (c), inclusive, of Section 53601.

(3) The adviser has assets under management in excess of five hundred million dollars (\$500,000,000).

(b) As used in this section, "public agency" includes a nonprofit corporation whose membership is confined to public agencies or public officials, in addition to those agencies listed in Section 6500.

6510. The agreement may be continued for a definite term or until rescinded or terminated. The agreement may provide for the method by which it may be rescinded or terminated by any party.

6511. The agreement shall provide for the disposition, division, or distribution of any property acquired as the result of the joint exercise of powers.

6512. The agreement shall provide that after the completion of its purpose, any surplus money on hand shall be returned in proportion to the contributions made.

6512.1. If the purpose set forth in the agreement is the acquisition, construction or operation of a revenue-producing facility, the agreement may provide (a) for the repayment or return to the parties of all or any part of any contributions, payments or advances made by the parties pursuant to Section 6504 and (b) for payment to the parties of any sum or sums derived from the revenues of said facilities. Payments, repayments or returns pursuant to this section shall be made at the time and in the manner specified in the agreement and may be made at any time on or prior to the rescission or termination of the agreement or the completion of the purpose of the agreement.

6512.2. If the purpose set forth in the agreement is to pool the self-insurance claims of two or more local public entities, the

agreement may provide that termination by any party to the agreement shall not be construed as a completion of the purpose of the agreement and shall not require the repayment or return to the parties of all or any part of any contributions, payments, or advances made by the parties until the agreement is rescinded or terminated as to all parties. If the purpose set forth in the agreement is to pool the self-insurance claims of two or more local public entities, it shall not be considered an agreement for the purposes of Section 895.2, provided that the agency responsible for carrying out the agreement is a member of the pool and the pool purchases insurance or reinsurance to cover the activities of that agency in carrying out the purposes of the agreement. The agreement may provide that after the completion of its purpose, any surplus money remaining in the pool shall be returned in proportion to the contributions made and the claims or losses paid.

6513. All of the privileges and immunities from liability, exemptions from laws, ordinances and rules, all pension, relief, disability, workmen's compensation, and other benefits which apply to the activity of officers, agents or employees of any such public agency when performing their respective functions within the territorial limits of their respective public agencies, shall apply to them to the same degree and extent while engaged in the performance of any of their functions and duties extraterritorially under the provisions of this article.

6514. A state department or agency concerned with the provisions of services or facilities to persons with intellectual disabilities and their families may enter into agreements under this chapter.

6514.5. Any public agency may enter into agreements with other state agencies pursuant to the provisions of Section 11256.

6515. In addition to other powers, any agency, commission or board provided for by a joint powers agreement entered into pursuant to Article 1 (commencing with Section 6500) of this chapter between an irrigation district and a city, if such entity has the power to acquire, construct, maintain or operate systems, plants, buildings, works and other facilities and property for the supplying of water for domestic, irrigation, sanitation, industrial, fire protection, recreation or any other public or private uses, may issue revenue bonds pursuant to the Revenue Bond Law of 1941 (commencing with Section 54300) to pay the cost and expenses of acquiring, constructing, improving and financing a project for any or all of such purposes.

Upon the entity adopting the resolution referred to in Article 3 (commencing with Section 54380) the irrigation district and the city shall implement the same by each conducting the election in its own territory. The proposition authorizing the bonds shall be deemed adopted if it receives the affirmative vote of a majority of all the voters voting on the proposition within the entity.

The provisions of this section shall be of no further force and effect after December 31, 1973, unless the entity is unable to accomplish the purpose of this section by reason of litigation, in which case this section shall continue to be effective until the final determination of such litigation and for one year thereafter.

6516. Public agencies conducting agricultural, livestock, industrial, cultural, or other types of fairs or exhibitions may enter into a joint powers agreement to form an insurance pooling arrangement for the payment of workers' compensation, unemployment compensation, tort liability, public liability, or other losses incurred by those agencies. An insurance and risk pooling arrangement formed in accordance with a joint powers agreement pursuant to this section is not subject to Section 11007.7 of the Government Code. The Department of Food and Agriculture may enter into such a joint powers agreement for the California Exposition and State Fair, district agricultural associations, or citrus fruit fairs, and the department shall have authority to contract with the California Exposition and State Fair, district agricultural associations, or citrus fruit fairs with respect to such a joint powers agreement entered into on behalf of the California Exposition and State Fair, district agricultural association, or citrus fruit fair. Any county contracting with a nonprofit corporation to conduct a fair pursuant to Sections 25905 and 25906 of the Government Code may enter into such a joint powers agreement for a fair conducted by the nonprofit corporation, and shall have authority to contract with a nonprofit corporation with respect to such a joint powers agreement entered into on behalf of the fair of the nonprofit corporation.

Any county contracting with a nonprofit corporation to conduct a fair shall assume all workers' compensation and liability obligations accrued prior to the dissolution or nonrenewal of the nonprofit corporation's contract with the county.

Any public entity entering into a joint powers agreement under this section shall establish or maintain a reserve fund to be used to pay losses incurred under the agreement. The reserve fund shall contain sufficient moneys to maintain the fund on an actuarially sound basis.

6516.3. Notwithstanding any other provision of law, a joint powers agency established in Orange County pursuant to a joint powers agreement in accordance with this chapter may issue bonds pursuant to Article 2 (commencing with Section 6540) of this chapter or Article 4 (commencing with Section 6584) of this chapter, in order to purchase obligations of local agencies or make loans to local agencies, which moneys the local agencies are hereby authorized to borrow, to finance the local agencies' unfunded actuarial pension liability or to purchase, or to make loans to finance the purchase of, any obligations arising out of any delinquent assessments or taxes levied on the secured roll by the local agencies, the county, or any other political subdivision of the state. Notwithstanding any other provision of law, including Section 53854 or subdivision (d) of Section 4705 of the Revenue and Taxation Code, the joint powers agency bonds and the local agency obligations or loans, if any, shall be repaid in the time, manner and amounts, with interest, security, and other terms as agreed to by the county or the local agency and the joint powers authority.

6516.5. Notwithstanding any other provision of law, a joint powers agency provided for by a joint powers agreement pursuant to Article 1 (commencing with Section 6500) of this chapter may create risk pooling arrangements for the payment of general liability losses incurred by participants and exhibitors in fair sponsored programs and special events users of fair facilities, provided that the aggregate payments made under each program shall not exceed the amount available in the pool established for that program.

6516.6. (a) Notwithstanding any other provision of law, a joint powers agency established pursuant to a joint powers agreement in

accordance with this chapter may issue bonds pursuant to Article 2 (commencing with Section 6540) or Article 4 (commencing with Section 6584), in order to purchase obligations of local agencies or make loans to local agencies, which moneys the local agencies are hereby authorized to borrow, to finance the local agencies' unfunded actuarial pension liability or to purchase, or to make loans to finance the purchase of, delinquent assessments or taxes levied on the secured roll by the local agencies, the county, or any other political subdivision of the state. Notwithstanding any other provision of law, including Section 53854, the local agency obligations or loans, if any, shall be repaid in the time, manner and amounts, with interest, security, and other terms as agreed to by the local agency and the joint powers authority.

(b) Notwithstanding any other provision of law, a joint powers authority established pursuant to a joint powers agreement in accordance with this chapter may issue bonds pursuant to Article 2 (commencing with Section 6540) or Article 4 (commencing with Section 6584), in order to purchase or acquire, by sale, assignment, pledge, or other transfer, any or all right, title, and interest of any local agency in and to the enforcement and collection of delinquent and uncollected property taxes, assessments, and other receivables that have been levied by or on behalf of the local agency and placed for collection on the secured, unsecured, or supplemental property tax rolls. Local agencies, including, cities, counties, cities and counties, school districts, redevelopment agencies, and all other special districts that are authorized by law to levy property taxes on the county tax rolls, are hereby authorized to sell, assign, pledge, or otherwise transfer to a joint powers authority any or all of their right, title, and interest in and to the enforcement and collection of delinquent and uncollected property taxes, assessments, and other receivables that have been levied by or on behalf of the local agency for collection on the secured, unsecured, or supplemental property tax rolls in accordance with the terms and conditions that may be set forth in an agreement with a joint powers authority.

(c) Notwithstanding Division 1 (commencing with Section 50) of the Revenue and Taxation Code, upon any transfer authorized in subdivision (b), the following shall apply:

(1) A local agency shall be entitled to timely payment of all delinquent taxes, assessments, and other receivables collected on its behalf on the secured, unsecured, and supplemental tax rolls, along with all penalties, interest, costs, and other charges thereon, no later than 30 calendar days after the close of the preceding monthly or four-week accounting period during which the delinquencies were paid by or on account of any property owner.

(2) Upon its receipt of the delinquent taxes, assessments, and receivables that it had agreed to be transferred, a local agency shall pay those amounts, along with all applicable penalties, interest, costs, and other charges, to the joint powers authority in accordance with the terms and conditions that may be agreed to by the local agency and the joint powers authority.

(3) The joint powers authority shall be entitled to assert all right, title, and interest of the local agency in the enforcement and collection of the delinquent taxes, assessments, and receivables, including without limitation, its lien priority, its right to receive the proceeds of delinquent taxes, assessments, and receivables, and its right to receive all penalties, interest, administrative costs, and any other charges, including attorney fees and costs, if otherwise authorized by law to be collected by the local agency.

(4) (A) For any school district that participates in a joint powers authority using financing authorized by this section and that does not participate in the alternative method of distribution of tax levies under Chapter 3 of Division 1 of Part 8 of the Revenue and Taxation Code, the amount of property tax receipts to be reported in a fiscal year for the district under subdivision (f) of Section 75.70 of the Revenue and Taxation Code, or any other similar law requiring reporting of school district property tax receipts, shall be equal

to 100 percent of the school district's allocable share of the taxes distributed to it for the then fiscal year, plus 100 percent of the school district's share of any delinquent secured and supplemental property taxes assigned from that year and 100 percent of its share of any delinquent secured and supplemental property taxes from any prior years which the school district has assigned to a joint powers authority in that fiscal year, as such delinquent taxes are shown on the delinquent tax roll prescribed by Section 2627 of the Revenue and Taxation Code, on an abstract list if one is kept pursuant to Chapter 4 (commencing with Section 4372) of Part 7 of Division 1 of the Revenue and Taxation Code, or other records maintained by the county, plus all other delinquent taxes that the school district has not assigned to a joint powers authority which are collected and distributed to the school district as otherwise provided by law, less any reduction amount required by subparagraph (B). One hundred percent of the school district's allocable share of the delinquent taxes assigned for the current fiscal year, and 100 percent of the school district's allocable share of the delinquent taxes assigned for all years prior thereto, as shown on the delinquent roll, abstract list, or other records maintained by the county, whether or not those delinquent taxes are ever collected, shall be paid by the joint powers authority to the county auditor and shall be distributed to the school district by the county auditor in the same time and manner otherwise specified for the distribution of tax revenues generally to school districts pursuant to current law. Any additional amounts shall not be so reported and may be provided directly to a school district by a joint powers authority.

(B) When a joint powers authority finances delinquent taxes for a school district pursuant to this section, and continuing as long as adjustments are made to the delinquent taxes previously assigned to a joint powers authority, the school district's tax receipts to be reported as set forth in subparagraph (A) shall be reduced by the amount of any adjustments made to the school district's allocable share of taxes shown on the applicable delinquent tax roll, abstract list, if one is kept, or other records maintained by the county, occurring for any reason whatsoever other than redemption, which reduce the amount of the delinquent taxes assigned to the joint powers authority.

(C) A joint powers authority financing delinquent school district taxes and related penalties pursuant to this subdivision shall be solely responsible for, and shall pay directly to the county, all reasonable and identifiable administrative costs and expenses of the county which are incurred as a direct result of the compliance of the county tax collector or county auditor, or both, with any new or additional administrative procedures required for the county to comply with this subdivision. Where reasonably possible, the county shall provide a joint powers authority with an estimate of the amount of and basis for any additional administrative costs and expenses within a reasonable time after written request for an estimate.

(D) In no event shall the state be responsible or liable for a joint powers authority's failure to actually pay the amounts required by subparagraphs (A) and (B), nor shall a failure constitute a basis for a claim against the state by a school district, county, or joint powers authority.

(E) The phrase "school district," as used in this section, includes all school districts of every kind or class, including, without limitation, community college districts and county superintendents of school.

(d) The powers conferred by this section upon joint powers authorities and local agencies shall be complete, additional, and cumulative to all other powers conferred upon them by law. Except as otherwise required by this section, the agreements authorized by this section need not comply with the requirements of any other laws applicable to the same subject matter.

(e) An action to determine the validity of any bonds issued, any joint powers agreements entered into, any related agreements, including, without limitation, any bond indenture or any agreements

relating to the sale, assignment, or pledge entered into by a joint powers authority or a local agency, the priority of any lien transferred in accordance with this section, and the respective rights and obligations of any joint powers authority and any party with whom the joint powers authority may contract pursuant to this chapter, may be brought by the joint powers authority pursuant to Chapter 9 (commencing with Section 860) of Title 10 of Part 2 of the Code of Civil Procedure. Any appeal from a judgment in the action shall be commenced within 30 days after entry of judgment.

(f) This section shall not be construed to affect the manner in which an agency participates in or withdraws from the alternative distribution method established by Chapter 3 (commencing with Section 4701) of Part 8 of Division 1 of the Revenue and Taxation Code.

(e) The San Diego Model School Development Agency may construct a school in the City Heights Project Area pursuant to Chapter 2.5 (commencing with Section 17250.10) of Part 10.5 of the Education Code.

(f) (1) For contracts for public works projects awarded prior to January 1, 2012, the San Diego Model School Development Agency shall establish and enforce, with respect to construction contracts awarded by the joint powers agency, a labor compliance program containing the requirements outlined in Section 1771.5 of the Labor Code or shall contract with a third party to operate a labor compliance program containing those requirements. This requirement shall not apply to projects where the agency has entered into a collective bargaining agreement that binds all of the contractors and subcontractors performing work on the project, but nothing shall prevent the joint powers agency from operating a labor compliance program with respect to those projects.

(2) For contracts for public works projects awarded on or after January 1, 2012, the project shall be subject to the requirements of Section 1771.4 of the Labor Code.

(g) Construction workers employed as apprentices by contractors and subcontractors on contracts awarded by the San Diego Model School

Development Agency shall be enrolled in a registered apprenticeship program, approved by the California Apprenticeship Council, that has graduated apprentices in the same craft in each of the preceding five years. This graduation requirement shall be applicable for any craft that was first deemed by the Department of Labor and the Department of Industrial Relations to be an apprenticeable craft prior to January 1, 1998. A contractor or subcontractor need not submit contract award information to an apprenticeship program that does not meet the graduation requirements of this subdivision. If no apprenticeship program meets the graduation requirements of this subdivision for a particular craft, the graduation requirements shall not apply for that craft.

6531.5. (a) There is hereby created the California In-Home Supportive Services Authority, hereafter referred to as the Statewide Authority. Notwithstanding any other law, the Statewide Authority shall be deemed a joint powers authority created pursuant to this article and is a public entity separate and apart from the parties that have appointing power to the Statewide Authority or the employers of those individuals so appointed. Notwithstanding the requirements of this article, an agreement shall not be required to create the Statewide Authority.

(b) The Statewide Authority shall consist of the following five members:

(1) Two members shall be county officials who are appointed by, and who serve at the pleasure of, the Governor.

(2) Three members shall be the Director of Social Services, the Director of Health Care Services, and the Director of Finance in their ex officio capacities, or their duly appointed representatives.

(c) The members of the Statewide Authority shall serve without compensation.

(d) The Statewide Authority shall not be subject to Sections 6501, 6505, and 53051.

(e) The Statewide Authority shall appoint an advisory committee that shall be comprised of not more than 13 individuals. No less than 50 percent of the membership of the advisory committee shall be individuals who are current or past users of personal assistance services paid for through public or private funds or recipients of in-home supportive services.

(1) At least two members of the advisory committee shall be a current or former provider of in-home supportive services.

(2) Individuals who represent organizations that advocate for people with disabilities or seniors may be appointed to the advisory committee.

(3) Individuals from each representative organization that are designated representatives of IHSS providers shall be appointed to the advisory committee.

(4) The Statewide Authority shall designate a department employee to provide ongoing advice and support to the advisory committee.

(f) Prior to the appointment of members to a committee authorized by subdivision (e), the Statewide Authority shall solicit recommendations for qualified members through a fair and open process that includes the provision of reasonable written notice to, and reasonable response time by, members of the general public and interested persons and organizations.

(g) The advisory committee established pursuant to subdivision (e) shall provide ongoing advice and recommendations regarding in-home supportive services to the Statewide Authority, the State Department of Social Services, and the State Department of Health Care Services.

6532. (a) The Legislature finds and declares that it is in the best interest of the communities located in and around the City of Santa Clara that a joint powers agency that includes the City of Santa Clara and the Redevelopment Agency of the City of Santa Clara formed

to construct, operate, and maintain a stadium for use by a professional football team be authorized to let a sole source contract for the stadium construction project to a qualified design-build contractor. This authorization may enable that joint powers agency to contain costs, improve efficiency, and benefit from specialized expertise. Nothing in this section shall be construed to affect any contract relating to the development of the stadium between the joint powers agency and any private party other than a design-build contract awarded pursuant to this section.

(b) (1) Consistent with existing law, the City of Santa Clara and the Redevelopment Agency of the City of Santa Clara may enter into a joint powers agreement to create and operate a joint powers agency for the construction, operation, and maintenance of a stadium and related facilities located within the North Bayshore Redevelopment Project Area that are suitable for use by a professional football team. The joint powers agency created pursuant to this section shall be known as the Santa Clara Stadium Authority. In addition to, and without limitation on, any powers common to the City of Santa Clara and the Redevelopment Agency of the City of Santa Clara, the Santa Clara Stadium Authority shall have the power to acquire, finance, construct, manage, maintain, and operate a stadium and related facilities suitable for use by a professional football team.

(2) Notwithstanding paragraph (1), the Santa Clara Stadium Authority and the Redevelopment Agency of the City of Santa Clara shall not expend any property tax increment revenues allocated to the redevelopment agency pursuant to Section 33670 of the Health and Safety Code to operate or maintain a stadium within the North Bayshore Redevelopment Project Area.

(c) (1) Notwithstanding any other provision of law, and subject to subdivision (d), the Santa Clara Stadium Authority may award a design-build contract to a qualified design-build contractor to construct the stadium without utilizing an otherwise applicable competitive bid process, provided that all of the following have occurred:

(A) A ballot measure endorsing the development of a stadium suitable for use by a professional football team is approved by voters in the City of Santa Clara in a citywide election.

(B) The governing body of the Santa Clara Stadium Authority determines that the cost of the contract is reasonable.

(C) The governing body of the Santa Clara Stadium Authority determines that the award of the contract is in its best interest.

(2) The contract awarded to the qualified design-build contractor pursuant to paragraph (1) shall not be funded, either through direct payment or reimbursement, using funds contributed by the Redevelopment Agency of the City of Santa Clara or by a community facilities district established under the Mello-Roos Community Facilities Act of 1982 (Chapter 2.5 (commencing with Section 53311) of Part 1 of Division 2 of Title 5), except that these funds may be used to pay for or reimburse for subcontract work pursuant to subcontracts awarded by the design-build contractor to the lowest responsible bidder as provided in subdivision (e).

(d) The Santa Clara Stadium Authority shall not award a design-build contract pursuant to subdivision (c) unless all of the following conditions are met:

(1) The design-build contract does not require expenditure of money from the general fund or enterprise funds of the City of Santa Clara.

(2) The obligation of the Redevelopment Agency of the City of Santa Clara to contribute funding is limited to a specified maximum amount, exclusive of debt service and other related financing costs, and these funds are used only to pay for or reimburse for subcontract work pursuant to subcontracts awarded by the design-build contractor to the lowest responsible bidder as provided in subdivision (e). Nothing in this subdivision modifies the requirements and limitations set forth in the Community Redevelopment Law (Part 1 (commencing with Section 33000) of Division 24 of the Health and Safety Code) with respect to the financial obligations of the Redevelopment Agency

of the City of Santa Clara to the joint powers agency.

(3) A private party will be responsible for any construction cost overruns.

(e) If the Santa Clara Stadium Authority awards a design-build contract pursuant to this section, it shall establish a competitive bid process for awarding subcontracts, and it shall require the design-build contractor to award subcontracts using this process. This competitive bid process shall provide that subcontracts be awarded using either the lowest responsible bidder or by best value, as defined in Section 20133 of the Public Contract Code. Subcontracts awarded on the basis of best value shall not be funded, either through direct payment or reimbursement, using funds contributed by the Redevelopment Agency of the City of Santa Clara or by a community facilities district established under the Mello-Roos Community Facilities Act of 1982 (Chapter 2.5 (commencing with Section 53311) of Part 1 of Division 2 of Title 5). Funds contributed by the Redevelopment Agency of the City of Santa Clara or a community facilities district may be used only to fund subcontracts awarded to the lowest responsible bidder in a manner consistent with the process applicable to the City of Santa Clara under its charter.

(f) Notwithstanding Section 3248 of the Civil Code, for design-build contracts awarded pursuant to this section, the Santa Clara Stadium Authority may specify that the payment bond shall be in a sum not less than one-half of the contract price or three hundred million dollars (\$300,000,000), whichever is less.

(g) If the Santa Clara Stadium Authority elects to proceed under this section and uses the design-build method to construct a stadium suitable for use by a professional football team, it shall submit to the Legislative Analyst's Office, within six months following the completion of construction of the stadium, a report regarding the project that shall include, but shall not be limited to, all of the following information:

- (1) A brief description of the project.
- (2) The gross square footage of the project.
- (3) The design-build entity that was awarded the project.
- (4) Where appropriate, the estimated and actual length of time to complete the project.
- (5) The estimated and actual project costs.
- (6) A description of any written protests concerning any aspect of the solicitation, bid, proposal, or award of the design-build project, including the resolution of the protests.
- (7) An assessment of the prequalification process and criteria.
- (8) A description of the method used to award the contract. If best value, as defined in Section 20133 of the Public Contract Code, was the method, the report shall describe the factors used to evaluate the bid, including the weighting of each factor and an assessment of the effectiveness of the methodology.

(h) It is not the intent of the Legislature, under the provisions of this section, to authorize design-build for other infrastructure, including, but not limited to, streets and highways, public rail transit, or water resource facilities and infrastructure not located on the stadium site or adjacent city streets and property.

(i) If the construction and operation or maintenance of a stadium as contemplated by this section is deemed by the Department of Transportation under otherwise applicable law to require improvements on the state highway system, all of the following provisions shall apply:

- (1) Notwithstanding any other provision of this section, for any project on the state highway system deemed necessary by the department due to the construction, operation, or maintenance of the stadium as contemplated by this section, the department is the responsible agency for the performance of project development services, including performance specifications, preliminary engineering, prebid services, the preparation of project reports and environmental documents, project design, and construction inspection services. The department is also the responsible agency for the preparation of documents that may include; but need not be limited

to, the size, type, and desired design character of the project, performance specifications covering quality of materials, equipment, and workmanship, preliminary and final plans and specifications, and any other information deemed necessary to design and construct a project that meets the needs of the department.

(2) The department may use department employees or consultants to perform these services, consistent with Article XXII of the California Constitution. Department resources, including personnel requirements necessary for the performance of those services, shall be included in the department's capital outlay support program for workload purposes in the annual Budget Act.

(j) The provisions of this section are severable. If any provision of this section or its application is held invalid, that invalidity shall not affect other provisions or applications that can be given effect without the invalid provision or application. Except as provided in this section, nothing in this section shall be construed to affect the application of any other law.

6533. (a) The board of directors of the Eastern Water Alliance Joint Powers Agency may grant available funds to a member public agency for the purposes of assisting that member public agency in acquiring water if the board determines that that water supply will benefit the Eastern San Joaquin County Groundwater Basin as a whole and that that member public agency would otherwise be unable to acquire that water. Section 10753.1 of the Water Code applies to any groundwater regulation under this section. As used in this section, the term "groundwater" has the same definition as set forth in subdivision (a) of Section 10752 of the Water Code.

(b) (1) For the purpose of supplementing the general operating revenues of the joint powers agency, upon the request of the board of directors of the joint powers agency, the Board of Supervisors of San Joaquin County may grant to the joint powers agency funds from the county general fund or Zone 2 of the San Joaquin County Flood Control and Water Conservation District that are available to carry out any purpose of the joint powers agency for which the county or district is authorized to expend funds.

(2) Nothing in paragraph (1) grants a preference to the joint powers agency over other public agencies for the purposes of receiving funds described in that paragraph.

(c) The joint powers agency shall deposit any county or district funds received pursuant to subdivision (b) in a separate account, and upon request of the county or district, shall demonstrate that all expenditures made from that account are being used only to carry out the powers, projects, and purposes of the joint powers agency and San Joaquin County or Zone 2 of the San Joaquin County Flood Control and Water Conservation District.

(d) Subject to Article XIII D of the California Constitution, the joint powers agency may impose a plan implementation charge, in accordance with this subdivision, on landowners within its boundaries for the property related service received from improved groundwater management and planning, and for improved groundwater levels and availability, provided by the joint powers agency. This plan implementation charge shall be a charge for water subject to the procedures and requirements set forth in subdivisions (a) and (b) of Section 6 of Article XIII D of the California Constitution, as follows:

(1) Each year the board of directors of the joint powers agency may fix a plan implementation charge that may not exceed the annual cost of carrying out the actions financed by the charge. The board of directors may use multiyear budgeting to determine the plan implementation charge for up to five years and adopt a schedule of charges for this time period.

(2) Before imposing the plan implementation charge, the board of directors of the joint powers agency shall identify the parcels of land within the joint powers agency to be benefited by the actions

financed by the charge, the need for the plan implementation charge, and the amount of the charge to be imposed on each parcel. The amount of the charge upon any parcel may not exceed the proportional costs of the actions financed by the charge attributable to that parcel. The joint powers agency shall provide written notice of the plan implementation charge and conduct a public hearing as provided in subdivision (a) of Section 6 of Article XIII D of the California Constitution. The joint powers agency may not impose the plan implementation charge if written protests against the charge are presented by a majority of the owners of the identified parcels upon which the charge will be imposed.

(3) (A) The plan implementation charge, at the option of the joint powers agency, may be collected on the tax rolls of the county in the same manner, by the same persons, and at the same time as, together with and not separate from, county ad valorem property taxes. In that event, of the amount collected pursuant to this paragraph, the county auditor may deduct that amount required to reimburse the county for its actual cost of collection.

(B) In lieu of that option, the joint powers agency shall collect plan implementation charges at the same time, together with penalties and interest at the same rates as is prescribed for the collection of county ad valorem property taxes.

(4) The amount of an unpaid plan implementation charge, together with any penalty and interest thereon, shall constitute a lien on that land as of the same time and in the same manner as does the tax lien securing county ad valorem property taxes.

(5) In lieu of a plan implementation charge being imposed on parcels within the boundaries of any individual member public agency of the joint powers agency, any member of the joint powers agency may determine by resolution to make payment to the joint powers agency of funds in an amount equal to the amount that would be raised by imposition of the plan implementation charge within the boundaries of that member, to be paid at the same time that the plan implementation charge would be collected if imposed.

(e) For the purposes of this section, "joint powers agency" means the Eastern Water Alliance Joint Powers Agency.

(f) For the purposes of this section, "Eastern San Joaquin County Groundwater Basin" means the Eastern San Joaquin County Basin described on pages 38 and 39 of the Department of Water Resources' Bulletin No. 118-80.

6534. (a) This section shall be known, and may be cited, as the California Prison Inmate Health Service Reform Act.

(b) The Department of Corrections may enter into joint powers agreements under this chapter with one or more health care districts established in accordance with Division 23 (commencing with Section 32000) of the Health and Safety Code, in order to establish regional inmate health service joint powers agencies.

(c) Inmate health service joint powers authorities may be utilized for any purpose related to the provision, acquisition, or coordination of inmate health care services, including, but not limited to, all of the following:

(1) The provision of district hospital-based surgical, diagnostic, emergency, trauma, acute care, skilled nursing, long-term, and inpatient psychiatric care.

(2) Health care utilization review services.

(3) Health facility management consultation services.

(4) Health care contract design, negotiation, management, and related consultation services.

(5) Health care quality monitoring, management, and oversight consulting services.

(6) Physician and health care staff recruitment services.

(7) The design, construction, and operation of dedicated, secure, community-based health care facilities for the provision of inmate health care services.

6535. Any entity that is established pursuant to a joint powers agreement authorized under this article that is also licensed under Chapter 2.2 (commencing with Section 1340) of Division 2 of the Health and Safety Code, where one of the parties to the joint powers agreement is an entity established pursuant to Section 14018.7, 14087.31, 14087.35, 14087.36, 14087.38, or 14087.9605 of the Welfare and Institutions Code, shall be subject to all of the same provisions, including, but not limited to, governance, public records requirements, open meeting requirements, and conflicts of interest as is the entity established pursuant to Section 14018.7, 14087.31, 14087.35, 14087.36, 14087.38, or 14087.9605 of the Welfare and Institutions Code, as applicable, that is a party to the joint powers agreement.

6536. Notwithstanding any other provision of this chapter, a private, nonprofit corporation that conducts fairs and other events and exhibitions on land leased from the County of Los Angeles may enter into a joint powers agreement with a public agency, as defined in Section 6500, for mutually beneficial uses of the public land. The agency formed pursuant to this joint powers agreement shall be deemed a public entity as described in Section 6507.
