[Affirming the Board of Supervisors Commitment to Equal Justice and the Right to Protest and Urging Reforms in National Policing and Judicial Practices]

Resolution affirming the San Francisco Board of Supervisors commitment to equal justice under the law and the First Amendment right to protest, recognizing the United States' broken and racially biased police and justice systems, <u>commending the SFPD</u> for its upholding protesters First Amendment Rights and urging the Department of Justice, Congress, and President Obama to review national policing and judicial practices to truly bring equal justice under the law.

WHEREAS, The Fourteenth Amendment to the United States Constitution states that no state shall "deny to any person within its jurisdiction the equal protection of the laws; therefore government institutions across the nation have a responsibility to ensure equal protections and outcomes for all people;" and

WHEREAS, The report, *Operation Ghetto Storm*, authored by the Malcolm X Grassroots Movement, documents 313 Black people in the United States who were killed by "police, security guards, and vigilantes" in 2012, or one every 28 hours; and

WHEREAS, A recent analysis by the news organization ProPublica found that the risk of young Black males being shot and killed by police is twenty-one times greater than the risk for young white males; and

WHEREAS, The recent incidents of officer involved killings of people of color, overwhelmingly impacting young Black and Brown men, has led to sustained, large-scale protests across the country and underscored the United States' centuries old, failed promise of racial equality; and

WHEREAS, Despite strong and overwhelming evidence, <u>The failure of recent grand</u> juries in St. Louis, Missouri and Staten Island, New York have failed to indict officers Darren

Wilson and Daniel Pantaleo in the killings of Michael Brown and Eric Garner, respectively, two unarmed Black men, showing that even the most egregious acts of police brutality are afforded impunity by our justice system have left many profoundly disappointed and questioning the credibility of our country's justice system; and

WHEREAS, While these grand jury decisions have led to sustained, large-scale protests across the country from people who believe that law enforcement can act with impunity, many law enforcement officials believe the grand jury decisions were correct—demonstrating the wide gulf in perspectives between many people of color and law enforcement that challenges their ability to work together; and

WHEREAS, Effective public safety efforts rely on good community-police relations based on mutual trust, transparency, and accountability; and

WHEREAS. The San Francisco Police Department (SFPD) has made a strong effort to serve San Francisco's various communities and is one of the most diverse police departments in the nation; and

WHEREAS, At times, San Francisco has shown a stronger commitment to community-police relations, as evidenced in the <u>training that SFPD officers receive in community-police</u> relations, community outreach and urban law enforcement as well as in SFPD's adherence to the City's Sanctuary City Ordinance and Due Process for All Ordinances; however, San Francisco is not immune to tensions between communities and police after incidents involving the use of force, including officer-involved killingsshootings, leading to peaceful protests about racial profiling, the police's use of force, and accountability in police investigations, and demands for justice; and

WHEREAS, These tensions have their root in a social, educational and economic system which disproportionately limits opportunities for African American and Latino residents; and

WHEREAS. Despite advancements in training, community outreach, police-community relations and creating an inclusive police force, the SFPD inherits the outcomes of this racially biased system that are failing people of color in fundamental ways, showing that one's race is a major factor determining the opportunities a person can receive in life and that our society still suffers from racial bias; and

WHEREAS, In May of 2014, the San Francisco Examiner SFPD Internal Affairs

<u>Division's Summary of Officer Involved Shootings Since 2000 memorandum</u> reported that since 2000, 97 San Francisco Police Department (SFPD) officer-involved shootings have occurred, resulting in 33 deaths and 35 people being injured, and

WHEREAS, The ExaminerInternal Affairs memo reporteds that in every case where someone was killed in an SFPD office-involved shooting, the officers were found to have acted within policy; however, a number of cases created controversy and tensions between communities and the police; and

WHEREAS, The Anti-Eviction Mapping Project has identified the race of 90 of the 94 people killed by SFPD since 1985, and found that 71% of those killed were people of color, and 41% were black; and

WHEREAS, All ten victims of officer-involved shootings in Northern California this year have been people of color; and

WHEREAS, Activists in Ferguson, Missouri have asked protesters across the nation to connect the killing of Michael Brown to local police killings, resulting in many Bay Area protesters focusing on the killings of Oscar Grant and Alex Nieto in addition to that of Michael Brown; and

WHEREAS, Alex Nieto was killed by SFPD officers on March 21, 2014 when he was shot at least ten times, and: and

WHEREAS, Alex Nieto was widely known by many prominent community members in the Mission and Bernal Heights and Excelsior, many of whom believe the SFPD has not shared vital information with the community, including the names of the officers involved in the shooting; and

WHEREAS, Community members are still upset that nearly nine months after the shooting, none of the names of the officers involved in his killing have been released, and

WHEREAS, The SFPD, citing concerns for officer safety has not released the names of the officers involved; and

<u>WHEREAS</u>, This impasse seriously has undermineding trust between some members of the community and police, and leading to nearly nine months of peaceful protests <u>with community members focused on their concerns about</u> racial profiling, the police's use of force, lack of transparency and accountability in police investigations, and their\_demands for justice; and

WHEREAS, The police killings of Michael Brown and Eric Garner, Oscar Grant, and Alex Nieto, and far too many other young people of color have generated <u>a wave of protests</u> across the country from community members frustrated by police brutality, impunity, and lack of transparency, and the unjust system of justice; and

WHEREAS, The vast majority of these demonstrations and marches have been peaceful, but in several places around the country, there have been incidents of violence and vandalism, which is never acceptable; and

WHEREAS, Many local and state law enforcement agencies, but not the SFPD, have responded to the protests with an overwhelming show of force, including military-grade weapons and equipment; and

WHEREAS. Unlike police departments elsewhere in the country, including some in the Bay Area, the San Francisco law enforcement community has spent thousands of hours over

their regular hours and over typical overtime hours upholding residents' First Amendment
Rights to peaceful assembly and protest; and

WHEREAS, In guaranteeing these rights, the SFPD has acted proactively and defensively, not exhibiting the use of overwhelming force, eschewing more forceful tactics, despite some officers being attacked and injured by people who have not protested peacefully; and

WHEREAS, These military tactics <u>across the nation</u> have deepened the divide between protesters and police, but have not quelled the powerful voices calling for fundamental change and social justice in our police and judicial systems <u>and in society as a whole;</u> now, therefore, be it

RESOLVED, That the <u>San Francisco</u> Board of Supervisors extends its deepest condolences to the families of victims of police killings; and, be it

<u>FURTHER RESOLVED</u>, The Board of Supervisors commends the San Francisco law enforcement community's work in upholding First Amendment Rights and how the SFPD have shown great restraint in responding to protesters, even those who have not demonstrated peaceably; and

FURTHER RESOLVED, The Board of Supervisors condemns non-peaceful protest including vandalism and laments any injury to officers at the hands of demonstrators who protest with violence; and

FURTHER RESOLVED, That the Board of Supervisors affirms its commitment to equal justice under the law and pledges to work with the community and public safety departments to review local ordinances, officer training, and policies to address racial profiling and the use of excessive force and to ensure transparency and accountability within public safety departments; and

FURTHER RESOLVED, That the Board of Supervisors affirms the First Amendment right of the public to engage in nonviolent peaceful protest, free from excessive use of force and intimidation through military tactics and equipment; and

FURTHER RESOLVED, That the Board of Supervisors commends the SFPD for not deploying military-grade equipment in response to recent protests; and

FURTHER RESOLVED, That the Board of Supervisors endorses the national demands of the Ferguson Action coalition, including:

- Urging the Department of Justice to conduct a comprehensive review of local policing practices to develop standards for community involvement and oversight strategies, use of force standards, and standards for independent investigatory/disciplinary mechanisms;
- Urging the Department of Justice to create grants to implement community
  oversight mechanisms and to withhold federal funds for police departments that
  engage in discriminatory policing practices or fail to implement standards for
  community involvement and oversight strategies, use of force standards, and
  standards for independent investigatory/disciplinary mechanisms;
- Urging San Francisco's representatives in Congress to pass the "Stop
   Militarizing Law Enforcement Act" and the "Stop End Racial Profiling Act;"
- Urging San Francisco's representatives in Congress to hold hearings to
   investigate racial profiling and police use of force, particularly in communities of color;
- Urging President Barack Obama to enact a National Plan of Action for Racial Justice that sets concrete targets for reducing racial disparities; and, be it FURTHER RESOLVED, That the Board of Supervisors directs the Clerk of the Board to transmit copies of this resolution to the San Francisco Police Commission, <u>San Francisco</u> District Attorney George Gascón, California Attorney General Kamala Harris, San Francisco's

representatives in Congress and the United States Senate, to Attorney General Eric Holder, and to President Barack Obama.

Commitment to Equal Justice and the Right to Protest and Urging Reforms in National Policing and Judicial Practices

Dear Board of Supervisors,

I strongly urge the Board of Supervisors to unanimously approve the resolution by Supervisor John Avalos on tomorrow's Board agenda at item #52.

As the proud uncle of three African-American nieces and their multiracial children, I am concerned about the disparities facing people of color involving police and judicial practices.

Normally, the phrase is "As so goes California, so goes the Nation." However in this case, many other jurisdictions around the country are considering or have adopted similar resolutions. This turns the axiom inside out: "As so goes the Nation, so goes San Francisco." As a City, we need to stand by other jurisdictions around the country and publicly adopt what is a long-overdue commitment to equal justice and police reform.

In this City of St. Francis, San Franciscans have long been national leaders in the struggle for equal justice and the right to public protest.

It is heartening to learn that Supervisors Campos, Cohen, Kim and Mar have signed on as co-sponsors to Supervisor Avalos' resolution.

I fully support each of the "Resolved" statements in Supervisor Avalos' Resolution, and I urge you to vote unanimously as our Board to pass this important resolution.

To the extent that public safety staff in San Francisco may be pressuring you to not pass Avalos' resolution, I urge you to ignore any such opposition. As a national leader in civil rights for all, San Francisco simply must adopt this Resolution. We owe as much to all of the victims of officer-involved killings and their families, not only in San Francisco, but across the Bay Area and the nation.

Make San Franciscans proud of its City leaders: Pass this Resolution tomorrow unanimously!

Respectfully submitted,
