Dear Ms. Calvillo:

Attached please find an original and two copies of the ordinance approved as to form by the City Attorney, one complete set of background information for Board of Supervisors approval, to increase the total not to exceed amount of the contract with Motorola to \$33,011,959.

The Department of Technology procures Citywide Radio Equipment, Maintenance, and Services.

The following is a list of accompanying documents:

- Original contract with Motorola dated September 22, 1997;
- Amendment Number One, dated May 18, 1998; and
- Amendment Number Two, dated September 24, 1998; and
- Amendment Number Three, dated August 11, 1999; and
- Amendment Number Four, dated May 19, 2000; and
- Amendment Number Five, dated November 21, 2000; and
- Amendment Number Six, dated June 15, 2007; and
- Amendment Number Seven, dated April 15, 2013

We request that this Ordinance be considered immediately due to the limited amount of contract purchasing authority remaining. If the increased contract amount is not approved, the City will not be able to purchase Motorola Radios, Maintenance, and Services.
