BUDGET AND FINANCE COMMITTEE MEETING

FEBRUARY 25, 2015

#### MANDATE STATEMENT & BACKGROUND

#### Mandate Statement

According to Charter Section 9.105, amendments to the annual appropriations ordinance, as finally adopted, may be initiated by a member of the Board of Supervisors and adopted in the same manner as other ordinances.

#### Background

As of July 2013, there were 6,005 nonprofits in San Francisco. A total of 1,425 nonprofits, or 23.7 percent of all nonprofit organizations in San Francisco, were reported as having contracts with the City and County of San Francisco in FY 2013-14 and/or one or more of the prior two fiscal years. The Controller's Office reports that total General Fund supported payments by the City and County of San Francisco to nonprofit organizations having contracts with the City were budgeted at approximately \$461 million in FY 2014-15.

The FY 2014-15 City and County of San Francisco budget included an additional \$6.75 million of General Fund revenues under General City Responsibility to provide an approximate 1.5% increase to nonprofit organizations.

The FY 2014-15 budget also included a 3.0% wage increase for all City and County employees, to take effect on October 1, 2014, reflecting an actual 2.25% increase for FY 2014-15. This employee wage increase for FY 2014-15 was funded with both General Fund and non-General Fund sources.

#### DETAILS OF PROPOSED LEGISLATION

The proposed ordinance would appropriate \$3,400,000 from the General Fund Reserve to General City Responsibility to be allocated to nonprofit organizations that contract with the City and County of San Francisco.

According to the office of the sponsor of the proposed ordinance, the initial \$6.75 million previously appropriated during the FY 2014-15 budget for nonprofit organizations was intended to provide wage increases for nonprofit employees. The office of the sponsor of the proposed ordinance advises that the proposed additional \$3,400,000 appropriation is intended to provide increases for nonprofit organizations overall operations and support in FY 2014-15.

#### FISCAL IMPACT

According to Ms. Michelle Allersma, Budget and Analysis Division Director in the Controller's Office, the approximately \$461 million total General Fund budget allocated to nonprofit organizations having contracts with the City is based on the total cost of the nonprofit contracts included in the following ten General Fund supported departments in FY 2014-15.

#### BUDGET AND FINANCE COMMITTEE MEETING

Based on the budgeted \$461 million in General Fund supported payments to nonprofit organizations in FY 2014-15, the proposed \$3,400,000 General Fund supplemental appropriation would provide an approximate 0.75% increase for overall operations and support for nonprofit organizations that contract with the City and County of San Francisco.

The 1.5% increase (\$6,750,000) already approved in the FY 2014-15 budget and the proposed 0.75% increase (\$3,400,000) would together provide an approximate total increase of 2.25% (\$10,150,000) for nonprofit organizations that contract with the City and County of San Francisco for FY 2014-15, as summarized in the Table below.

	Amount	Percent of \$461 Million Total
FY 2014-15 Budget	\$6,750,000	1.50%
Proposed Supplemental	3,400,000	0.75%
Total	\$10,150,000	2.25%

The City's FY 2014-15 budget included an initial General Fund Reserve of \$58,020,643. The current balance in the General Fund Reserve is \$55,591,443. If the proposed \$3,400,000 supplemental appropriation is approved, the General Fund Reserve will be reduced to a balance of \$52,191,443.

#### RECOMMENDATION

Approval of the proposed ordinance is a policy decision for the Board of Supervisors.
