LEASE AND FACILITIES AGREEMENT

THE PARTIES

THIS LEASE AND FACILITIES AGREEMENT (this "Lease") dated to be effective as of _____, 2015 ("Effective Date"), is by and between the CITY AND COUNTY OF SAN FRANCISCO, a municipal corporation, acting by and through its CITY ADMINISTRATOR (including the Department of Real Estate) (collectively, "City" or "Landlord"), and The MEXICAN MUSEUM, a nonprofit public benefit corporation organized and existing under the laws of the State of California ("Tenant").

THIS LEASE IS MADE WITH REFERENCE TO THE FOLLOWING FACTS AND CIRCUMSTANCES

This Lease is being entered into by the Landlord and Tenant for the Premises, as defined in Section 1 below.

The Successor Agency to the Redevelopment Agency of the City and County of San Francisco, a public body, organized and existing under the laws of the State of California, hereafter the Office of Community Investment and Infrastructure ("OCII") entered into a Purchase and Sale Agreement with 706 Mission Street Co, LLC, a Delaware limited liability company, dated July 16, 2013 (the "PSA"), for certain real property commonly known as Former Redevelopment Agency disposition parcel CB-1-MM (Assessor's Block 3706, a portion of Lot. 277) located at the north side of Mission Street between Third and Fourth Streets, San Francisco, California, ("CB-1-MM"), and (2) certain other real property commonly known as the Jessie Square Garage (Assessor's Block 3706, Lot 275 and portions of Lot 277) (together the "Disposition Property"), which Disposition Property included the Premises.

Pursuant to the PSA, the Developer agreed to either lease the Premises directly to the Tenant or transfer fee title of the Premises to the City as long as the City agreed to enter into a lease for the Premises with the Tenant for the operation of the Mexican Museum. Additionally, pursuant to the PSA, the Developer agreed to construct the core and shell of the Premises (the "Core and Shell Obligations") and upon completion of the Core and Shell Obligations, the Developer shall convey to the City the Premises as a condominium unit or parcel which property is a portion of Floors 1 through 4 of the Developer's project. Pursuant to that certain Resolution No. 87-93, as adopted by the Former Redevelopment Agency on May 19, 1993, the executive director of the Former Redevelopment Agency was directed to seek legislative approval for the use of bonds secured by future hotel tax receipts in order to assist The Mexican Museum to develop a permanent home in the Project Area (the "Hotel Tax Bonds").

Consistent with that certain Resolution No. 87-93 and subsequent San Francisco Board of Supervisors legislative actions and the support of four former mayoral administrations, as well as the current administration of Mayor Edwin Lee, OCII and Developer acknowledged in the PSA that The Mexican Museum will now be requesting the re-authorization, allocation and disbursement of supplemental funding from the City and County of San Francisco, in the sum of Seven Million Five Hundred Thousand Dollars (\$7,500,000.00), through, and subject to the approval and authorization of, the San Francisco Board of Supervisors and Mayor's Office to be used for the Cultural Component's space furniture, fixtures and equipment and tenant improvements for the Core and Shell of the Cultural Component or for other related uses and under such terms and conditions as may be specified by the Board of Supervisors and Mayor's Office. Furthermore, in the PSA, OCII and Developer agreed to be supportive of the request for additional funding, provided that such support shall be at no out-of-pocket cost to Successor Agency or Developer.

OCII, as successor to the Former Agency, and the Tenant are parties to that certain Grant Agreement dated December 14, 2010 (the "Grant Agreement"). The Grant Agreement requires OCII to disburse through a series of grant disbursement agreements totaling approximately \$10.5 million of funding for predevelopment and planning activities and the design and construction of tenant improvements for the Premises (the "TI Obligations"), under certain terms and conditions. Thus, this Agreement recognizes the Developer's Core and Shell Obligations and the Tenant's TI Obligations pursuant to the terms of the PSA and the Grant Agreement.

The City and Tenant have negotiated and agreed upon the terms and conditions upon which City will lease the Premises to Tenant, and the Parties now desire to enter into this Lease upon all of the terms and conditions hereof.

All initially capitalized terms used herein are defined in Appendix A attached hereto shall have the meanings given them when first defined.

ACCORDINGLY, for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the Parties agree as follows:

Tenant acknowledges and agrees that neither City, nor any of the other Indemnified Parties, nor any Agent of any of them, has made, and hereby disclaims, any representation or warranty, express or implied, of any kind with respect to the condition of the Premises, including the Developer warranties which shall be conveyed to Tenant by City at the time of commencement of this lease. Without limiting the foregoing, this Lease is made subject to any and all covenants, conditions, restrictions, easements, leases, and other title matters affecting the Premises, or any portion thereof, whether or not of record. Tenant acknowledges and agrees that neither City nor any of its Agents have made, and City hereby disclaims, any representations or warranties, express or implied, concerning (i) title or survey matters affecting the Premises, (ii) the physical, geological, seismological or environmental condition of the Premises, (iii) the quality, nature, or adequacy of any utilities serving the Premises, (iv) the present or future suitability of the Premises for Tenant's business and intended uses, (v) the feasibility, cost or legality of constructing any Improvements on the Premises if required for Tenant's use and permitted under this Lease, or (vi) any other matter whatsoever relating to the Premises or their use, including, without limitation, any implied warranties of merchantability or fitness for a particular purpose.

In connection with the foregoing release, the Tenant acknowledges that it is familiar with Section 1542 of the California Civil Code, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR EXPECT TO EXIST IN HIS FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN TO HIM MUST HAVE MATERIALLY AFFECTED THE SETTLEMENT WITH THE DEBTOR.

Tenant's Initials: _____

The Tenant agrees that the release contemplated by this Section includes unknown claims. Accordingly, the Tenant hereby waives the benefits of Civil Code Section 1542, or under any other statute or common law principle of similar effect, in connection with the releases contained in this Section. Notwithstanding anything to the contrary in this Lease, the foregoing release shall survive any termination of this Lease.

3.4. Tenant Parking Passes. Commencing on the Commencement Date, the City anticipates that it shall receive from the parking operator for the Project the following parking rights, which it shall pass through to the Tenant, at a competitive rate consistent with rents paid by other area museums: ten (10) (or such lesser number as may be requested by Tenant from time to time) unreserved parking passes on a monthly basis throughout the Term as requested by Tenant, which parking passes may be used only for passenger cars or minivans and shall pertain

to the public parking area of Jessie Square Garage, in accordance with the Regulatory Approvals and the Master Declaration. Additional parking for Tenant in the Jessie Square Garage shall be coordinated between the parking operator for the Project and Tenant on mutually agreeable terms and conditions.

3.5. Common Areas. All common areas shall be subject to the exclusive control and management of Developer (and, once formed, the Master Association) provided that Tenant shall have (i) the right to use and secure the loading dock as needed for receipt and sending of all Tenant related deliveries and the corridors and elevators connecting the loading dock to the Premises and (ii) the right to use any connecting areas providing access between the Project lobby and the Premises for ingress to and egress from the Premises, all in accordance with the Master Declaration. Additionally, the use and operation of the adjacent Jessie Square Plaza is governed by the Yerba Buena Gardens Amended and Restated Construction, Operation and Reciprocal Easement Agreement and Agreement Creating Liens, dated March 31, 1998 and amended October 28, 1998 (the "REA"), and any uses of the Jessie Square Plaza by the Tenant will be consistent with the terms of the REA.

4. TERM OF LEASE. The Premises are leased for a term of occupancy (the "Term") commencing on the Commencement Date as defined below. The Term of this Lease shall end on the Expiration Date defined below, unless sooner terminated or extended pursuant to the provisions of this Lease.

4.1. Commencement Date and Expiration Date. The Term of occupancy of this Lease shall commence on the first day of the first full month following the date upon which Landlord delivers exclusive possession of the Premises to Tenant or upon which Landlord would have so delivered the Premises but for a Tenant delay (the "Commencement Date"); provided, however, the terms and conditions of this Lease otherwise shall be effective as of the Effective Date (as defined in Section 4.3, below). The "Expiration Date" shall be the earlier to occur of: (i) the date sixty-six (66) years from the Commencement Date unless further extended pursuant to Section 4.4 below, or (ii) the date as of which this Lease is terminated pursuant to the provisions hereof. Tenant shall execute and deliver to City a memorandum confirming the Commencement Date substantially in the form attached hereto as Exhibit B, but Tenant's failure to do so shall not affect the commencement of the Term.

4.2. Effective Date. This Lease shall become effective on the later of (i) the date the City, in its sole and absolute discretion, approves this Lease, in accordance with all applicable Laws, and (ii) the date on which the Parties hereto have executed and delivered this Lease (the "Effective Date").

4.3. Extension Option(s).

(a) Tenant, provided that Tenant has complied with the terms and conditions of the Lease, shall have the right to extend the Term of this Lease for the additional terms specified in the Basic Lease Information (the "Extension Options"). Such Extension Options shall be on all of the terms and conditions contained in this Lease.

(b) Tenant may exercise an Extension Option, if at all, by giving written notice to Landlord no later than twelve (12) months and not more than eighteen (36) months prior to expiration of the then expiring Term. Tenant acknowledges and agrees that Tenant's notice of its intent to exercise an Extension Option shall be subject to enactment of a resolution by the City's Board of Supervisors and the Mayor, in their respective sole and absolute discretion, approving and authorizing the same, within ninety (180) days after the date such notice of exercise is given, and if such authorizing resolution approving the exercise of an Extension Option is not issued and received by Landlord within such ninety (180) day period, then Tenant's exercise of the Extension Option shall be final and automatically go into effect.

(c) The Extension Options are personal to Tenant and may not be assigned, voluntarily or involuntarily, separate from or as part of the Lease. At City's option, all rights of

City under this Section shall terminate and be of no force or effect if any of the following individual events occur or any combination thereof occur: (1) Tenant is in monetary or other material default beyond any applicable cure period on the date City receives a notice exercising an Extension Option; and/or (2) Tenant has assigned its rights and obligations under all or part of the Lease or Tenant has subleased all or part of the Premises in a transfer (except as otherwise permitted under this Lease) without the City's prior written consent; and/or (3) Tenant has failed to exercise properly an Extension Option in a timely manner in accordance with the provisions of this Section; and/or (4) if the Lease has been terminated early, pursuant to the terms and provisions of the Lease. Time is of the essence with respect to each and every time period described in this Section 4.4.

5. INITIAL TENANT IMPROVEMENTS

5.1. Early Access. Prior to the commencement date, Landlord and Tenant agree to enter into a Permit to Enter Agreement with the Developer which shall set forth all of the terms and conditions necessary to enable Tenant to have early access to the Premises for the purpose of Tenant commencing construction of the initial tenant improvements consistent with the architectural design to be approved by all pertinent parties, including the City and Developer. The Permit to Enter Agreement, shall grant Tenant early non-exclusive access to the Premises approximately 12-15 months prior to the projected date for issuance of the Temporary Certificate of Occupancy for the Core and Shell of the Cultural Component; provided, however, that pursuant to the Permit to Enter Agreement, Developer will not be required to grant such early access if Developer determines in good faith that the same might delay or interfere with Developer's construction of the Project or increase the cost of the Developer's construction of the Project.

5.2. Initial Tenant Improvements. Tenant shall be solely responsible for financing the build-out of all tenant improvements and other improvements related to the Mexican Museum in accordance with the City approved plans and specifications, other than the Core and Shell of the Premises, which will be delivered to Tenant, at the sole expense of the Developer, in accordance with the PSA, and in compliance with (1) the requirements of the Americans with Disabilities Act of 1990 and Title 24 of the California Code of Regulations and all other applicable federal, state, local and administrative laws, rules, regulations, orders and requirements intended to provide equal accessibility for persons with disabilities (collectively, "Disabilities Laws") and (2) standards applicable to comparable museum/cultural facilities including HVAC and MEP systems standards for such facilities. Tenant shall provide notice to Developer and Landlord at least 60 days prior to beginning the tenant improvements to the core and shell consistent with the terms and conditions of the prospective Permit to Enter Agreement. City shall not be responsible for and shall not bear any of the cost of construction of the Core and Shell of the Premises.

(a) Tenant shall construct all tenant improvements in compliance with the Disabilities Laws and in compliance with all requirements under the Grant Agreement (attached as Exhibit C), as such Grant Agreement may be amended from time to time and any other grant agreements funding and governing the tenant improvements buildout, between the Successor Agency and Tenant for construction of tenant improvements. In addition to any other City or OCH review and approval requirements, Tenant shall submit the design for the Museum space to the Landlord for review, consultation and approval, in consultation with Landlord's selected City representatives or local experts at the following stages: (i) the conceptual design stage; (ii) the schematic design stage; (iii) the design development stage; and, (iv) the construction document stage. The Landlord shall notify Tenant at least six (6) months in advance of the specific percentage of completion required for each of the above-listed review stages. The Landlord's approval of any Tenant Improvements shall not be unreasonably withheld or delayed. Unless otherwise agreed by the parties in writing, if the Landlord disapproves of any proposed improvement, or delays approval for more than 30 business days, Tenant may appeal the Landlord's decision or delay to a mutually approved independent expert with experience in

museum design and construction or other area appropriate to the disputed improvement to resolve the issue with a written determination within 30 days. The determination of the independent expert shall be binding on the parties. If Landlord is not able to fully approve the design at any review stage, the Landlord shall provide the Tenant with specific comments and suggested revisions. The tenant improvements shall be substantially completed within twenty-four (24) months of the issuance of the Temporary Certificate of Occupancy for the Core and Shell and if not completed in such time period the Landlord shall have the right to evaluate the state of the construction of the tenant improvements and determine whether or not to pursue an alternate tenant for the Premises after it provides written notice to the Tenant and a cure period of thirty (30) days or such longer cure period as may be otherwise agreed to by the City upon written request by Tenant. City shall not be responsible for and shall not bear any of the cost of construction of any such tenant or other improvements related to the Premises. City and Tenant shall reasonably cooperate to ensure that the Tenant's construction of Improvements does not unreasonably interfere with the construction of the rest of the Project. Pursuant to the Permit to Enter Agreement, Developer and City shall reasonably cooperate to ensure that the Developer's construction does not unreasonably interfere with the construction of the Tenant's spaces.

5.3. Title to Improvements. Except for Tenant's Personal Property (as described in the next section), or as may be specifically provided to the contrary in the approved Plans, all appurtenances, fixtures, improvements, equipment, additions, and other property attached or affixed to or installed in the Premises at the Commencement Date or during the Term, including, without limitation, the Tenant Improvements and any Alterations, shall be and remain City's property. Tenant may not remove any such property at any time during or after the Term unless City so requests as further provided in Section 24 (Surrender) below.

5.4. Tenant's Personal Property. All furniture, trade fixtures, office equipment and articles of movable personal property installed in the Premises by or for the account of Tenant, without expense to City, and that can be removed without structural or other damage to the Premises (collectively, "Tenant's Personal Property") shall be and remain Tenant's property. Tenant may remove its Personal Property at any time during the Term, subject to the provisions of Section 24 (Surrender of Premises) below. Tenant shall pay any taxes or other impositions levied or assessed upon Tenant's Personal Property, at least ten (10) days prior to delinquency, and shall deliver satisfactory evidence of such payment to City upon request.

6. TAXES, ASSESSMENTS AND OTHER EXPENSES

6.1. Taxes and Assessments, Licenses, Permit Fees and Liens.

(a) **Payment Responsibility.** Tenant shall pay to City in monthly installments the Premises' pro rata share of taxes, if any, applicable to the Project for each year ("Tenant's Tax Payment") as may be imposed by Developer or the Master Association pursuant to the Master Declaration. To the extent that (i) Tenant is exempt from the payment of any taxes and (ii) the taxes that would otherwise be payable by City are actually reduced by such exemption, Tenant shall be entitled to the full benefit of such reduction as a reduction in Tenant's Tax Payment. Tenant shall be responsible for any applicable occupancy or rent tax now in effect or hereafter enacted.

(b) **Taxability of Possessory Interest.** Without limiting the foregoing, Tenant recognizes and agrees that this Lease may create a possessory interest subject to property taxation and that Tenant may be subject to the payment of property taxes levied on such interest, if any. Tenant further recognizes and agrees that any Sublease or Assignment permitted under this Lease may constitute a change in ownership for purposes of property taxation and therefore may result in a revaluation of any possessory interest created hereunder in accordance with applicable Laws. Tenant shall be responsible for obtaining a Certificate of Exemption from the California Board of Equalization and the San Francisco Assessor to obtain any potential waiver from payment of real and personal property taxes.

(c) **No Tax Liens.** Tenant shall not allow or suffer a lien for any taxes payable by Tenant hereunder to be imposed upon the Premises or upon any equipment or other property located thereon without promptly discharging the same.

(d) **Reporting Requirement.** Tenant agrees to provide such information as City may reasonably request to enable City to comply with any tax reporting requirements applicable to this Lease.

6.2. Tenant's CAM Payments. Tenant shall pay to Landlord in monthly installments the Premises' pro rata share of operating expenses applicable to the Project each year ("CAM Payment") as may be imposed by Developer or the Master Association pursuant to the Master Declaration.

7. PERSONAL PROPERTY

7.1. Tenant's Personal Property. All of Tenant's Personal Property shall be and remain the property of Tenant and may be removed by it subject to the provisions of Section 25 [Surrender] hereof; provided, however, Tenant acknowledges and agrees that Tenant's Personal Property specifically shall exclude all of the City's Personal Property, if any. All of Tenant's Personal Property shall be removed by Tenant on or prior to the date of termination of this Lease or of any extension thereof. Prior to the commencement of operation, a list of trade fixtures to be included in Tenant's Personal Property shall be submitted in writing to the Director of Real Estate by Tenant.

8. USES; MUSEUM MANAGEMENT AND OPERATIONS

8.1. Permitted Uses.

(a) **Museum.** Subject to the terms and conditions of this Lease, the Premises shall be operated continuously for the benefit of the public as a publicly accessible, world class museum of the art and culture of the Hispanic peoples of the Americas and uses incidental thereto, exhibiting a combination of permanent collection items as well as rotating special exhibitions, as well as arts and culture programming. For purposes of this Lease, the term "world class" shall refer to the highest professional standards in operations, programming, collections, governance, and facilities. The Tenant shall comply with all applicable laws and museum professional standards, including those under the American Alliance of Museums (AAM) and the Association of Art Museum Directors (AAMD). In addition, within 7 years of the Tenant's occupancy of the Premises under this Lease, the Tenant shall obtain, and once obtained maintain during the Term of the Lease, ongoing accreditation by the American Alliance of Museums. Upon or before execution of the Lease, the Tenant shall provide Landlord with a copy of the I.R.S. determination letter confirming the tenants tax exempt status as a charitable organization under Section 501(c)(3) of the Internal Revenue Code. By June 30th of each year of this Lease Term, the Tenant shall also file a copy of its annual I.R.S. The Tenant shall operate the museum for exclusively charitable and public purposes. Notwithstanding the above, the Tenant, as long as it does so in accordance with applicable laws and regulations governing charitable organizations, may operate a museum retail shop and a permitted café for the convenience of museum visitors, with rights to use part of the Premises for events and catering functions, including the ancillary uses set forth in Section 8.1(b).

(b) **Agreement with the Arts Commission.** Where the City determines that a supplemental agreement between the City, through the Arts Commission, and the Mexican Museum is necessary to further articulate how the Mexican Museum will manage the Premises and collaborate with the City over the term of the Lease, the Arts Commission and the Mexican Museum shall enter into a separate Agreement which shall be attached to this Agreement as

Exhibit E and incorporated herein by reference. (The name and nature of the Agreement is to be determined by and between the parties.)

(c) **Approval of Director of Real Estate.** Except as expressly set forth in this Lease, all of the Tenant's activities in the Premises shall be subject to the approval of the Director of Real Estate or his or her designee, and such rules and regulations as may be imposed by the City from time to time. All revenues generated from such activities shall be governed by Section 10, below.

(d) **Retail Operations; Facility Rentals.** With respect to the operation of museum retail stores and other related retail activities, fundraising events and short-term facility rentals at the Premises approved by the Mexican Museum's Board of Trustees and the City, the parties agree that the Tenant will conform with customary and professional museum practices and ensure that the Tenant's activities will not conflict or interfere with the Tenant's charitable and educational activities in the Premises. In addition, Tenant shall be able to license the Premises for private events or functions during non-business hours on a short-term basis, upon term and conditions approved by the City, consistent with the City's standard form of permit and subject to the City's public safety, insurance, and indemnification requirements, as approved by the City Risk Manager, and any other state law requirements concerning service of food or beverages, provided that such private events and functions do not interfere with or impede the primary purpose of operating a museum for the public benefit.

(e) **No Change to Charter.** Nothing contained in this Section 8.1 shall be construed to amend, alter or modify any obligations of the Parties under the Charter or any other applicable Law, including the City's Administrative Code. In the event of any conflict between the terms of this Lease and the terms of the Charter or Administrative Code, the terms of the Charter or Administrative Code, as applicable, shall govern. The Lease shall not provide to the Tenant a contractual right or remedy to enforce City obligations under the Charter.

8.2. Advertising and Signs. Tenant shall not allow the placement, construction or maintenance of any sign, advertisement, awning, canopy, banner or other exterior decoration of or on the Premises without obtaining the City's prior written consent, both during the design of the museum and beyond the opening of the museum. Any sign that Tenant or its subtenants are permitted to place, construct or maintain on the Premises shall comply with all Laws relating thereto, including, but not limited to, City's Sign Guidelines and all building permit requirements, and Tenant shall obtain all Regulatory Approvals required by such Laws. City makes no representation with respect to Tenant's ability to obtain such Regulatory Approval. Tenant at its sole cost and expense, and at the City's request, shall remove all signs placed by it on the Premises at the expiration or earlier termination by either party of this Lease.

8.3. Limitations on Uses by Tenant.

(a) **Prohibited Activities.** Without limiting the generality of Section 8.1 [Permitted Uses] above, Tenant shall not conduct or permit on the Premises any Prohibited Activities (as defined in Appendix A attached hereto) without the prior written consent of the City.

8.4. Museum Name; Use of Marks. Except as specifically provided below, Tenant shall use the name "The Mexican Museum" as the name of the museum facilities located on the Premises. Any other reference to or naming of the Mexican Museum, in connection with advertising or promotional materials or otherwise, shall require the prior consent of both the City and Tenant. Without limiting the foregoing, neither Party may use the logos, trademarks, trade names, emblems, insignia, slogans, or commercial symbols (collectively "Marks") of the other Party without the other Party's prior written consent. For purposes herein, the City's Marks shall include the Seal of the City and Tenant's marks shall include the names "The Mexican Museum." Upon the Expiration Date or any earlier termination of this Lease, Tenant shall have no further

rights to any use of the City Marks that may have been approved during the Term of this Lease and City shall have no right to any use of Tenant's Marks that may have been approved during the Term of this Lease.

8.5. Covenant to Protect Adjacent Facilities. At all times during the Term of this Lease, Tenant shall perform its management and operation obligations in a manner that does not cause any damage to the Adjacent Facilities. If Tenant or any of its Agents materially damages, injures or disturbs, or if Tenant has actual knowledge of any of Tenant's Invitees materially damaging, injuring or disturbing, any of the Adjacent Facilities, or any portion of the Adjacent Facilities, Tenant shall immediately notify City of that occurrence. City may, without the obligation to do so and without limiting any of its other rights hereunder, take or cause others to take all reasonable actions it reasonably deems proper to repair the portion of the Adjacent Facilities damaged, injured or disturbed by Tenant or its Agents at Tenant's sole expense. Where time permits, the City shall use reasonable efforts to provide the Tenant with prior notice of repairs. But in no event shall the City be responsible for the ultimate costs of the repairs of damages caused by Tenant.

8.6. Trespassing. As far as reasonably possible given the Parties' respective obligations hereunder by the exercise at all times of reasonable diligence and care, Tenant shall protect the Premises from trespass during operating hours.

(b) **No Right to Repair and Deduct.** Tenant expressly waives the benefit of any existing or future Law or judicial or administrative decision that would otherwise permit Tenant to make repairs or replacements at City's expense because of City's failure to keep the Premises (including, without limitation, streets and other infrastructure within the Premises) or any adjoining property or any part thereof in good order, condition or repair, or to abate or reduce any of Tenant's obligations hereunder on account of the Premises or any adjoining property (including, without limitation, access roads, utilities and other infrastructure serving the Premises) or any part thereof being in need of repair or replacement. Without limiting the foregoing, Tenant expressly waives the provisions of California Civil Code Sections 1932, 1941 and 1942 or any similar Laws with respect to any obligations of City for tenability of the Premises and any right of Tenant to make repairs or replacements and deduct the cost thereof from rent.

(c) **Tenant Cleaning.** Tenant shall cause the Premises to be cleaned daily and shall cause the inside and outside of all window surfaces to be cleaned as necessary (except exterior windows at levels 2, 3 and 4 of the Historic building, which cleaning shall be coordinated with Developer for use of Project's building maintenance unit equipment), but no less frequently than twice per year. Tenant shall cause all glass doors in the Premises to be cleaned daily to remove dirt and fingerprints from both sides of such doors. Tenant shall cause all glass storefronts in the Premises to be cleaned at least weekly or as often as necessary to remove dirt and fingerprints from both sides of such storefronts. Tenant shall provide for all other janitorial services to the Premises and shall cause the Premises to be cleaned daily in a fashion comparable with other first-class cultural institutions in the Yerba Buena area of San Francisco and consistent with standards to be mutually agreed upon between the parties, included herein as Exhibit G.

(d) Maintenance and Repair Obligations.

(i) **Developer's Obligations under the Master Declaration.** Landlord and Tenant anticipate that the Master Declaration will provide that Developer (or the Master Association) shall be responsible for the following repair, replacement and maintenance obligations: (i) maintenance and repair of the exterior walls, roof and primary structural portions of the Project (including load bearing walls and columns, the exterior of demising walls for the Project, and foundations, but excluding cleaning of exterior glass at Tower levels 1 through 4 and ground level Historic); (ii) repair and maintenance of the common area elevators and

common area building systems for mechanical (including boilers and cooling towers stubbed to Premises), electrical (main panel to sub panels in Premises), HVAC condensing water (stubbed to the Premises, and provided that Tenant shall be responsible for repair, replacement and maintenance of any HVAC system, units and/or equipment that exclusively serve the Premises), plumbing and fire and life safety systems (stubbed to the Premises), and all controls appurtenant thereto (collectively, "Building Systems"); and (iii) repair, replacement and maintenance of Common Area. Pursuant to the Master Declaration, Developer (or the Master Association) shall maintain and operate all portions of the Project and the Premises that are Developer's obligations under this Section 9.1(d)(i) in good working order and first class condition and appearance. Notwithstanding the foregoing, Tenant shall be responsible for Tenant's Share of all costs incurred by Developer (or the Master Association) in connection with the foregoing obligations, which shall be payable by Tenant as additional rent hereunder in accordance with the Master Declaration. Developer's and the Master Association's obligations under the Master Declaration as described in this Section 9.1(d)(i) with respect to any particular repair, replacement or maintenance requirement with respect to the Premises (other than general maintenance of the Common Area in the ordinary course of business and areas outside the Premises) shall not commence until Tenant notifies Developer (and, once formed the Master Association) in writing of any circumstances that Tenant believes may trigger Developer's or the Master Association's obligations. Pursuant to the Master Declaration, Developer (or the Master Association) shall conduct any such repair, replacement and maintenance in a manner which minimizes, to the extent commercially reasonable, Developer's (and the Master Association's) interference with Tenant's use of, and business operations at, the Premises.

(ii) **Tenant's Obligations.** Tenant shall maintain, repair and replace, at its sole cost and expense, all portions of the Premises that are not obligations of Developer or the Master Association under the Master Declaration as described in Section 9.1(d)(i) in good working order and first class condition and appearance, including, without limitation, any building systems, units and/or equipment that exclusively serve the Premises, including but not limited to mechanical, HVAC, plumbing, electrical, fire protection, sprinkler, life safety, telecom, security and other systems; the interior portion of the Premises; the Tenant Improvements, including but not limited to all interior improvements, finishes, fixtures and equipment; any Alterations; any Signs installed by Tenant; and any additional tenant improvements, alterations or additions installed by or on behalf of Tenant within or about the Premises. Tenant shall keep the interior and exterior of the Premises in good repair and working order; in a clean, secure, safe and sanitary condition; and in a condition comparable to that of other first-class cultural institutions in the Yerba Buena area of San Francisco, and shall perform daily and pay for all cleaning costs associated with on-going operations of the premises under this Lease and the sidewalks in front of the Premises up to ten (10) feet from the perimeter of the Premises or to the extent Tenant's Alterations, signage or installations (if any and to the extent allowed pursuant to this Lease) are located outside of such perimeter (provided that Tenant shall not be responsible for general maintenance, other than such cleaning, within such exterior perimeter of the Premises except to the extent that Tenant's Alterations, signage or installations (if any and to the extent allowed pursuant to this Lease) are located within such perimeter. Tenant shall be responsible at its own cost and expense for both interior and exterior cleaning of the windows of the Premises (except exterior windows at levels 2, 3 and 4 of the Historic building, which cleaning shall be coordinated with Developer and the Master Association for use of Project's building maintenance unit equipment), and for cleaning and maintenance of the elevators within the Premises. Tenant shall be responsible for trash removal from and other janitorial services in the Premises during the times and in the manner that such removal and services are customarily performed in comparable projects in the immediate area. Tenant shall be responsible for the expense of installation, operation, and maintenance of its telephone and other communications cabling from the main point of entry into the Project, point of entry into the Premises, and throughout the Premises. Tenant's obligations under this Section 9.1(d)(i) include, without limitation, the replacement, repair and maintenance, at Tenant's sole cost and expense,

of any portions of the Premises that are not Developer's or the Master Association's express responsibility under the Master Declaration as described in Section 9.1(d)(i).

(e) **Tenant's Repairs.** Tenant shall maintain, at no expense to City, the Premises (including, without limitation, the floors, interior plumbing, electrical wiring, fixtures and equipment) in good repair and working order and in a clean, secure, safe and sanitary condition. Tenant shall promptly make all repairs and replacements: (a) at no cost to the City, (b) by licensed contractors or qualified mechanics approved by City, (c) so that the same shall be at least equal in quality, value and utility to the original work or installation, (d) in a manner and using equipment and materials that will not interfere with or impair the operations, use or occupation of the Building or the Building Systems, and (e) in accordance with any applicable Building Rules and Regulations (as defined in Section 14.4 (Rules and Regulations)) and all applicable laws, rules and regulations. If the cost of any such repairs or replacement is in excess of One Hundred Thousand Dollars (\$100,000) and is due to acts or omissions of Tenant, its Agents or Invitees, then Tenant shall pay to City an administrative fee equal to ten percent (10%) of the total "hard" costs of the work. Tenant hereby waives all rights to make repairs at City's expense under Sections 1941 and 1942 of the California Civil Code or under any similar law, statute or ordinance now or hereafter in effect.

10. FISCAL DUTIES, REPORTING REQUIREMENTS, AND RELATED MATTERS

10.1. General Attendance Figures and Admission Revenues.

All Admission Revenues generated from Tenant's activities under this Lease shall, subject to Section 10.2, below, be the property of Tenant but must first be used to pay any financial obligations to the City under this Lease.

10.2. Use of Revenues. No Supplemental Financial Obligation by City. All of Tenants revenues shall be used only to support the Mexican Museum's charitable purposes and related operating expenses, and for no other purpose whatsoever. Notwithstanding anything to the contrary contained herein, this Lease shall not create a debt of City, and does not require the City to distribute or pay any City funds to the Tenant.

10.3. [RESERVED.]

10.4. Books and Records. Tenant shall keep, and make available to the City, accurate books and records according to generally accepted accounting principles consistently applied. "Books and Records" means all of Tenant's books, records, and accounting reports or statements relating to this Lease and the operation and maintenance of the Premises, including, without limitation, cash journals, rent rolls, general ledgers, income statements, bank statements, income tax schedules, relating to the Premises, and any other bookkeeping documents Tenant utilizes in its business operations for the Premises, including the reports described in Section 10.4 above. If Tenant operates all or any portion of the Premises through a subtenant or Agent, Tenant shall require such subtenant or Agent to adhere to the foregoing requirements regarding books, records, accounting principles and the like.

10.5. Inspection and Audit. City, or any City auditor or any auditor or representative designated by City, shall be entitled from time to time during the Term upon thirty (30) days' written notice as well as within three (3) years after the Expiration Date or other termination of this Lease, to inspect, examine, copy and audit all of Tenant's Books and Records, including any records or reports required under this Lease. The primary purpose of such examination is to enable City to ascertain, clearly and accurately, Tenant's fiscal health and operational impact on the community and to verify that the form and method of Tenant's record keeping provide

adequate and proper control and check of all such revenues. Tenant shall cooperate fully with City, and City's Agents in making the examination. City shall also be entitled at City's option and expense, once during each 2year period of the Lease and once after the Expiration Date or other termination of this Lease, to cause an independent audit to be performed by a certified public accountant designated by City. Any audit shall be conducted during usual business hours at the Premises.

10.6. Endowment. Tenant shall use the \$5 Million dollars contributed to Tenant from Developer pursuant to the PSA ("Endowment Payment") exclusively for use as an operating endowment for the Cultural Component to help support the Cultural Component's ongoing operations, and in accordance with all applicable contractual and professional standards. Only the interest earned on the Endowment Payment shall be available for expenditure by the Tenant. Pursuant to the terms of the PSA, the Tenant shall enter into a written agreement with OCII to create the endowment (the "Endowment Agreement"). Subsequently, the Board of Trustees of the Museum shall adopt a policy for the management and investment of the endowment principal and funds consistent with the Endowment Agreement and this section and shall provide Landlord with a copy of the adopted policy.

10.7. Required Operating Reserve. Tenant shall maintain an operating reserve to cover all museum operating expenses for the periods specified below, and shall provide a written bank statement evidencing this reserve to the City, as follows:

- (a) Upon the public opening of the Museum, the Tenant shall have a minimum of a 6 month operating reserve.
- (b) 3 years following the public opening of the Museum, the Tenant shall have a minimum of a 9 month operating reserve
- (c) 5 years following the public opening of the Museum, and at all times thereafter, the Tenant shall have a minimum of a 12 month operating reserve.

Failure to maintain the required level of operating reserve shall be an Event of Default. The museum operating reserves required under this Lease shall go into effect at the commencement of the lease and shall be reflected in the Tenant's audited financial statements and Form 990 filings thereafter in perpetuity. For purposes of this section, museum "operating expenses" shall include all costs of operating the museum, including but not limited to, museum-related activities, management and staffing expenses, exhibition expenses, facility expenses, collection storage/conservation related expenses, educational program expenses, school program expenses, visitor services expenses, administrative expenses, maintenance/physical plant expenses, costs of generating earned revenue, equipment, furnishing, and supply expenses, website and other technology related expenses, training expenses, security expenses, insurance expenses, utility (including electricity & water) expenses, as well as other general expenses provided under this Lease or otherwise incurred by the Tenant.

This Lease shall not create a debt to the City, and does not require the City to distribute or pay any City funds to the Tenant. Accordingly, the required operating reserves described under this section shall consist entirely of funds other than City funds.

10.8. Survival of Obligations. Without limiting any other provisions of this Lease, the Parties' obligations contained in this Section 10 [Fiscal Duties, Reporting Duties, and Related Matters], including, without limitation, Tenant's payment and reporting obligations, shall survive the Expiration Date or any earlier termination of this Lease.

11. ALTERATIONS

11.1. Tenant's Alterations

- (a) General

Tenant shall not make or permit any alterations to the Premises or to the heating, ventilating, air conditioning, plumbing, electrical, fire protection, life safety, security and other mechanical, electrical, communications systems of the Building ("Building Systems"), and shall not make or permit any alterations, installations, additions or improvements, structural or otherwise (collectively, "Alterations"), in, to or about the Premises, without in each instance (i) the City's prior written consent, and (b) the prior written consent of the Master Association, to the extent required under the Master Declaration, and other consents that may be required under the Master Declaration. All Alterations shall be done at Tenant's expense in accordance with the requirements of the Master Declaration and also in accordance with plans and specifications approved by City, only by duly licensed and bonded contractors or mechanics approved by City, and subject to any conditions that City may reasonably impose. With respect to any Alterations which would be visible from the exterior of the Building, Tenant, shall obtain the prior written approval of Landlord and, to the extent required by the Master Declaration, the Master Association. If the cost of any Alterations is in excess of Five Thousand Dollars (\$5,000), then Tenant shall pay to City an administrative fee equal to ten percent (10%) of the total "hard" costs of the work to compensate City for the costs of review.

(b) Asbestos

Without limiting Section 25.2 (No Hazardous Materials) below, in the event that asbestos-containing materials ("ACM") are determined to exist in or about the Premises, Tenant shall ensure that all Alterations and any asbestos related work, as defined in California Health & Safety Code Section 25914.1(b), is performed in compliance with all laws relating to asbestos, including but not limited to California Occupational Safety and Health (OSHA) regulations found in Title 8 of the California Code of Regulations, Sections 1502 and 1529. Additionally, Tenant shall distribute notifications to all employees and contractors as required pursuant to California Health & Safety Code Section 25915 et seq. informing them of the existence of ACM and that moving, drilling, boring, or otherwise disturbing ACM may present a health risk and should not be attempted by an unqualified employee. No Alterations affecting ACM-containing areas or any asbestos related work shall be performed without City's prior written consent in each instance.

(c) Tenant's Improvements or Alterations that Disturb or Remove Lead Based Paint.

Tenant, on behalf of itself and its Agents or Invitees, shall comply with all requirements of the San Francisco Building Code, Section 3407, and all other applicable present or future federal, state, local and administrative laws, rules, regulations, orders and other governmental requirements, the requirements of any board of fire underwriters or other similar body, any directive or occupancy certificate issued pursuant to any law by any public officer or officers acting in their regulatory capacity (collectively, "Laws"), including, without limitation, the California and United States Occupational Health and Safety Acts and their implementing regulations, when the work of improvement or alteration disturbs or removes exterior lead-based or "presumed" lead-based paint (as defined below). Tenant and its Agents or Invitees shall give to City and, to the extent required by the Master Declaration, to the Master Association, three (3) business days prior written notice of any disturbance or removal of exterior lead-based or presumed lead-based paint. Further, Tenant and its Agents or Invitees, when disturbing or removing exterior lead-based or presumed lead-based paint, shall not use or cause to be used any of the following methods: (a) acetylene or propane burning and torching; (b) scraping, sanding or grinding without containment barriers or a High Efficiency Particulate Air filter ("HEPA") local vacuum exhaust tool; (c) hydroblasting or high-pressure wash without containment barriers; (d) abrasive blasting or sandblasting without containment barriers or a HEPA vacuum exhaust tool; and (e) heat guns operating above 1,100 degrees Fahrenheit. Paint on the exterior of buildings built before December 31, 1978, is presumed to be lead-based paint unless lead-based paint testing, as defined in Section 3407 of the San Francisco Building Code, demonstrates an absence of lead-based paint on the exterior surfaces of such buildings. Under this Section,

lead-based paint is "disturbed or removed" if the work of improvement or alteration involves any action that creates friction, pressure, heat or a chemical reaction upon any lead-based or presumed lead-based paint on an exterior surface so as to abrade, loosen, penetrate, cut through or eliminate paint from that surface. Notice to City under this Lease shall not constitute notice to the City's Department of Building Inspection required under Section 3407 of the San Francisco Building Code.

12. UTILITIES

12.1. Utilities. Tenant shall be separately metered for electric service (which separate metering system shall be designed by Developer in the construction of the Core and Shell as specified in the PSA) and shall contract with and pay the public utility company directly for all electric service to the Premises. Tenant shall be separately metered for domestic water service (as distinguished from condensing water used in the operation of the HVAC system, the cost of which shall be included in operating expenses under this Lease and pursuant to the Master Declaration) and shall pay the public utility company directly for all domestic water service to the Premises. Tenant shall be separately metered for gas service and shall pay the public utility company directly for all gas service to the Premises. The Parties agree that any and all utility Improvements (whether now existing or hereafter installed) shall be deemed part of City's real property, and not personal property or trade fixtures of Tenant, regardless of how or when they were acquired or installed. Neither the City nor the Commission shall be liable for any failure or interruption of any utility service furnished to the Premises. Tenant agrees, with respect to any public utility services provided to the Premises by City, that no act or omission of City in its capacity as provider of public utility services, shall abrogate, diminish, or otherwise affect the respective rights, obligations and liabilities of Tenant and City under this Lease.

12.2. Antennae and Telecommunications Dishes. No antennae or telecommunications dish or other similar facilities may be installed on the Premises without the prior written approval of the Director of Real Estate, which approval may be withheld in Director of Real Estate's sole and absolute discretion. Any wireless telecommunications system shall be subject to the Director of Real Estate's approval pursuant to the City's adopted policy on the siting and requirements for wireless telecommunications systems. In any event, no such antennae shall interfere with City's emergency and non-emergency communications facilities or the transmission facilities of City.

12.3. Other Services. Tenant shall pay directly to providers for all telephone, janitorial and trash disposal services.

12.4. Floor Load. Without City's prior written consent, which City may give or refuse in its sole discretion, Tenant shall not place or install in the Premises any equipment that weighs in excess of the normal load-bearing capacity of the floors of the Premises. If City consents to the placement or installation of any such machine or equipment in the Premises, Tenant, at no cost to the City, shall reinforce the floor of the Premises, pursuant to plans and specifications approved by City and otherwise in compliance with Section 7.1 (Tenant's Alterations), to the extent necessary to assure that no damage to the Premises or the Building or weakening of any structural supports will be occasioned thereby.

13. LIENS

13.1. Liens. Tenant shall not create or permit the attachment of, and shall promptly following notice, discharge at no cost to City, any lien, security interest, or encumbrance on the Premises or Tenant's leasehold estate, other than (i) this Lease, other permitted Subleases and Permitted Title Exceptions existing as of the Effective Date and not caused or suffered to arise by Tenant or Tenant's use and occupancy of the Premises, (ii) liens for non-delinquent Impositions (excluding Impositions which may be separately assessed against the interests of subtenants), except only for Impositions being contested as permitted by Section 6, and (iii) liens of mechanics, material suppliers or vendors, or rights thereto, for sums which under the terms of the related contracts are not at the time due or which are being contested as permitted by Section

6. The provisions of this Section do not apply to liens created by Tenant on Tenant's Personal Property.

13.2. Mechanics' Liens. Tenants shall keep the Premises, Tenant's leasehold estate and all of City's property (real and/or personal) free (including, without limitation, the Project Facilities) from any liens arising out of any work performed, material furnished or obligations incurred by or for Tenant. In the event Tenant does not cause a lien to be released of record by payment or posting of a proper bond within thirty (30) days following the imposition of any such lien, City shall have, in addition to all other remedies provided herein and by Law or equity, the right, but not the obligation, to cause the same to be released by such means as it shall deem proper, including, but not limited to, payment of the claim giving rise to such lien. All such sums paid by City and all expenses it incurs in connection therewith (including, without limitation, reasonable Attorneys' Fees and Costs) shall be payable to City by Tenant upon demand. City shall have the right at all times to post and keep posted on the Premises any notices permitted or required by Law or that City deems proper for its protection and protection of the Premises and City's property, from mechanics' and materialmen's liens. Tenant shall give City at least fifteen (15) days prior written notice of the commencement of any repair or construction on any of the Premises. Notwithstanding the foregoing, Tenant shall have the right, upon posting of an adequate bond or other security acceptable to the City, to contest any such lien, and in such case City shall not seek to satisfy or discharge such lien unless Tenant has failed to do so within ten (10) days after final determination of the validity thereof. Tenant shall Indemnify City, the other Indemnified Parties, the Project and the Premises against any and all Losses arising out of such contest.

14. COMPLIANCE WITH LAWS

14.1. Tenant's Obligation to Comply. Tenant shall perform its obligations under this Lease, and any other agreement with the City, and conduct its use and operation of the Premises in strict compliance at all times with all present or future Laws, whether foreseen or unforeseen, ordinary as well as extraordinary, including, without limitation, all Laws relating to health and safety and disabled accessibility including, without limitation, the Americans with Disabilities Act, 42 U.S.C. §§ 12101, et seq., and Title 24 of the California Code of Regulations, all Laws relating to seismic repair, reinforcement or retrofitting, and all Environmental Laws, including, without limitation, all Laws with respect to asbestos and underground or above-ground storage tanks containing Hazardous Materials, and the Master Declaration. Once the Master Declaration is prepared and delivered to Tenant, Tenant shall confirm in writing Tenant's receipt thereof and Tenant's agreement to comply with all provisions of the Master Declaration that are applicable to the operations of the Tenant within the Premises and the Project.

14.2. Regulatory Approvals.

(a) **Responsible Party.** Tenant understands and agrees that Tenant's use and operation of the Premises under this Lease may require authorizations, approvals or permits from governmental regulatory agencies with jurisdiction over the Premises. Tenant shall not seek any Regulatory Approval without first obtaining the written consent of the Director of Real Estate. Such approval shall not be unreasonably withheld.

(b) **City Acting as Owner of Real Property.** Tenant further understands and agrees that City, acting by and through the Department of Real Estate is entering into this Lease in its capacity as a property owner with a proprietary interest in the Premises and not as a regulatory agency with police powers. Nothing in this Lease shall limit in any way Tenant's obligation to obtain any required approvals from City departments, boards or commissions having jurisdiction over the Premises, or to comply with applicable City laws, procedures, or other contractual requirements. By entering into this Lease, City is in no way modifying or limiting Tenant's obligation to cause the Premises or any permitted Improvements to be used and occupied in accordance with all applicable Laws, as provided further above.

14.3. Compliance with Insurance. Tenant shall not do anything, or permit anything to be done, in or about the Premises or any Improvements permitted hereunder that would create any unusual fire risk. Tenant shall faithfully observe, at its expense, any and all requirements of any policies of public liability, fire or other policies of insurance at any time in force with respect to the Premises and any Improvements as required hereunder.

14.4. Rules and Regulations. In addition to any requirements that may be set forth in the Master Declaration, Tenant shall faithfully comply with the rules and regulations as shall be promulgated by City (Building Rules and Regulations) and all modifications thereof and additions thereto that City may from time to time put into effect (the "Rules and Regulations"). In the event of any conflict between any provision of this Lease and any provision of the Rules and Regulations, this Lease shall control.

14.5. Security Deposit. Tenant shall submit an initial security deposit of Five Hundred Thousand Dollars (\$500,000) at the time of the opening of the Museum (the "Security Deposit"). The Security Deposit shall be increased to One Million Dollars (\$1,000,000) after operating for three (3) years and shall then be increased to Two Million Dollars after operating for five (5) years.

14.6. Surrender of Premises. Upon the Expiration Date or other termination of the Term of this Lease, Tenant shall peaceably quit and surrender to City the Premises together with the Tenant Improvements and all Alterations approved by City in good order and condition, except for normal wear and tear after Tenant having made the last necessary repair required on its part under this Lease, and further except for any portion of the Premises condemned and any damage and destruction for which Tenant is not responsible hereunder. The Premises shall be surrendered free and clear of all liens and encumbrances other than liens and encumbrances existing as of the date of this Lease and any other encumbrances created by City. Immediately before the Expiration Date or other termination of this Lease, Tenant shall remove all of Tenant's Personal Property as provided in this Lease, and repair any damage resulting from the removal; provided, City in its sole discretion shall have the right to reserve ownership of any telecommunications equipment, wire, cabling and/or conduit installed in the Premises or any other portion of the Building by or on behalf of Tenant. If such removal is not completed at the expiration or other termination of this Lease, City may remove the same at Tenant's expense. Notwithstanding anything to the contrary in this Lease, City can elect at any time prior to the Expiration Date or within five (5) days after termination of this Lease, to require Tenant to remove, at Tenant's sole expense, all or part of the Tenant Improvements, Alterations or other improvements or equipment constructed or installed by or at the expense of Tenant including, but not limited to, any telecommunications equipment, wires, cabling and/or conduit installed in the Premises or any other portion of the Building by or on behalf of Tenant. Tenant shall promptly remove such items and shall repair, at no cost to the City, any damage to the Premises or the Building resulting from such removal, or if Tenant fails to repair, City may do so, at Tenant's expense. Tenant's obligations under this Section shall survive the Expiration Date or other termination of this Lease. Any items of Tenant's Personal Property remaining in the Premises after the Expiration Date or sooner termination of this Lease may, at City's option, be deemed abandoned and disposed of in accordance with Section 1980 et seq. of the California Civil Code or in any other manner allowed by law.

Concurrently with the surrender of the Premises, Tenant shall, if requested by City, execute, acknowledge and deliver to City a quitclaim deed to the Premises and any other instrument reasonably requested by City to evidence or otherwise effect the termination of Tenant's leasehold estate hereunder and to effect such transfer or vesting of title to the Tenant Improvements or other improvements or equipment which remain part of the Premises. The terms of this Section shall survive the expiration or sooner termination of this Lease.

15. FINANCING; ENCUMBRANCES; SUBORDINATION

15.1. No Encumbrances by Tenant. Tenant shall not under any circumstances whatsoever Encumber in any manner the Premises, the Adjacent Facilities, City's fee estate in the Premises or any adjoining property, City's interest under this Lease, Tenant's leasehold interest under this Lease, or any portion thereof.

(a) Restrictions on Financing. Without limiting the foregoing, Tenant shall not:

(i) engage in any financing or other transactions creating any mortgage, deed of trust or similar security interest upon Tenant's leasehold estate in the Premises or Tenant's interest in the Improvements under this Lease without obtaining the prior written consent of the City's Board of Supervisors, in its sole and absolute discretion; or

(ii) place or suffer to be placed upon Tenant's leasehold estate in the Premises or interest in the Improvements hereunder any lien or other encumbrances without obtaining the City's prior written consent, in its sole and absolute discretion; provided however any mechanics' liens shall be governed by Section 13.2 above.

(b) No Subordination of Fee Interest. Under no circumstance whatsoever shall Tenant place or suffer to be placed any lien or encumbrance on City's fee interest in the Premises or any other real property of City in connection with any financing permitted hereunder, or otherwise. City shall not subordinate its interest in Premises, nor its right to receive any rent, if applicable, to any Encumbrancer of Tenant.

(c) Violation of Covenant. Any Encumbrance by Tenant shall be deemed to be a violation of this covenant on the date of its execution or filing of record regardless of whether or when it is foreclosed or otherwise enforced.

16. DAMAGE OR DESTRUCTION GENERAL. If at any time during the Term any Damage or destruction occurs to all or any portion of the Premises, including the Improvements thereon, the rights and obligations of the Parties shall be governed by Sections 1932(2) and 1933(4) of the California Civil Code, as such sections may from time to time be amended, replaced, or restated, and any other applicable Law.

16.1. Destruction Due to Risk Covered by Insurance. If during the Term of this Lease, there is any Damage to or destruction of the Premises, including the Improvements thereon from a risk required to be covered by the insurance described in this Lease, rendering the Premises totally or partially inaccessible or unusable, Tenant shall apply the proceeds of such insurance as instructed in writing by the City. Such destruction, in and of itself, shall not terminate this Lease.

16.2. Destruction Due to Risk Not Covered by Insurance. If during the Term of this Lease, there is any Damage to or destruction of the Premises, including the Improvements thereon from a risk not required to be covered by the insurance described in this Lease, rendering the Premises totally or partially inaccessible or unusable, Tenant shall, to the extent feasible, continue to operate the Premises in substantially the same manner as they were being operated immediately before destruction; provided, however, in the event of Major Damage (as defined below) Tenant may elect to terminate this Lease by providing to the other party written notice thereof within sixty (60) days of the date of such Major Damage. As used herein, the term "Major Damage" means Damage to or destruction of greater than twenty-five percent (25%) of the usable square footage of the Premises or Improvements.

17. ASSIGNMENT AND SUBLETTING

17.1. Restriction on Assignment and Subletting. Tenants, its successors and any permitted assigns shall not directly or indirectly (including, without limitation, by merger, acquisition or other transfer of any controlling interest in Tenant), voluntarily or by operation of Law, sell, assign, encumber, pledge or otherwise transfer any part of its interest in or rights with respect to the Premises, any improvements or its leasehold estate hereunder (collectively

"Assignment"), or permit any portion of the Premises or any Improvements to be occupied by anyone other than itself (except pursuant to third party contracts or subcontracts entered into by Tenant in the ordinary course of business using sound business judgment, for the performance of Tenant's obligations and/or duties under any annual Management Plan), or sublet or license any portion of the Premises or any permitted Improvements thereon (collectively, "Sublease"), or cause or permit any other Transfer, including a Significant Change, without (a) the prior written consent of the Director of Real Estate in each instance, which the Director of Real Estate may withhold in his or her sole and absolute discretion, and (b) the prior written consent of the Commission in the case of a proposed Assignment, Sublease or Transfer of the Tenant's entire interest under this Lease or in the case of a proposed merger between Tenant and another entity. Neither this Lease nor any interest therein nor any estate created thereby shall pass by operation of law or otherwise to any trustee, custodian or receiver in bankruptcy of Tenant or any assignee for the assignment of the benefit of creditors of Tenant. City has entered into this Lease with Tenant in reliance on Tenant's identity and the special skills of Tenant in its ability to conduct the Uses and perform the obligations hereunder, and the foregoing prohibition on Assignment and Subletting is expressly agreed to by Tenant as an inducement to City to enter into this Lease.

The foregoing notwithstanding, Tenant shall have the right to sublet up to twenty(20) percent of the Premises, including the retail store and restaurant space (terms to be consistent throughout the document), subject to and consistent with all applicable recorded restrictions, with Landlord's [City's] prior written consent, which consent shall not be unreasonably withheld, conditioned or delayed. Tenant shall have the right to: (i) mortgage, pledge, or encumber its leasehold estate under the Lease; and (ii) assign or otherwise transfer its interest in the Lease to the City.

17.2. Notice of Proposed Transfer. If Tenant desires to enter into a Transfer, then it shall give written notice (a "Notice of Proposed Transfer") to the Director of Real Estate of its intention to do so. The Notice of Proposed Transfer shall identify the Transferee and state the terms and conditions under which Tenant is willing to enter into such proposed Transfer, including a draft copy of the proposed Assignment of Sublease agreement or, in the event of a Significant Change, documentation related to such Significant Change. Tenant shall provide the Director of Real Estate with all documentation then available related to the proposed Transfer (with copies of final executed documentation to be supplied on or before the effective date thereof), sufficient information to permit the Director of Real Estate to determine the identity and character of the proposed Transferee, financial statements for the proposed Transferee and such additional information regarding the proposed Transfer as the Director of Real Estate may reasonably request.

19.1. Waiver of Claims. Tenant covenants and agrees that City shall not be responsible for or liable to Tenant or any of its Agents for, and, to the fullest extent allowed by Law, Tenant hereby waives all rights against City and its Agents and releases City and its Agents from, any and all Losses, including, but not limited to, indirect, special, incidental and consequential damages, (including, without limitation damages for loss of use of facilities or equipment, loss of revenues, loss of profits or loss of goodwill) relating to any injury, accident or death of any person or loss or damage to any property, in or about the Premises or any other City property, from any cause whatsoever, including, without limitation, all claims arising from the joint or concurrent negligence of City or its Agents. Without limiting the foregoing:

(a) Tenant expressly acknowledges and agrees that the amount payable by Tenant hereunder does not take into account any potential liability of City for any consequential, incidental or punitive damages including, but not limited to, lost profits and arising out of disruption to the Improvements or Tenant's uses hereunder. City would not be willing to enter into this Lease in the absence of a complete waiver of liability for consequential, incidental or punitive damages due to the acts or omissions of City or its Agents, and Tenant expressly assumes the risk with respect thereto. Accordingly, without limiting any indemnification obligations of Tenant or other waivers contained in this Lease and as a material part of the consideration for this Lease, Tenant fully RELEASES, WAIVES AND DISCHARGES forever any and all claims, demands, rights, and causes of action against City for consequential, incidental and punitive damages (including, without limitation, lost profits) and covenants not to sue for such damages, City, the Commission, their respective departments, commissions, officers, directors and employees, and all persons acting by, through or under each of them, arising out of this Lease or the uses authorized hereunder, including, without limitation, any interference with uses conducted by Tenant pursuant to this Lease regardless of the cause, and whether or not due to the negligence or gross negligence of City or its Agents.

(b) In connection with the foregoing releases set forth in this Section 19.1, Tenant acknowledges that it is familiar with Section 1542 of the California Civil Code, which reads:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM MUST HAVE MATERIALLY AFFECTED HIS SETTLEMENT WITH THE DEBTOR.

Tenant's Initials: _____

Tenant acknowledges that the releases contained herein includes all known and unknown, disclosed and undisclosed, and anticipated and unanticipated claims. Tenant realizes and acknowledges that it has agreed upon this Lease in light of this realization and, being fully aware of this situation, it nevertheless intends to waive the benefit of Civil Code Section 1542, or any statute or other similar law now or later in effect. The releases contained herein shall survive any termination of this Lease.

(ii) That such policies are primary insurance to any other insurance available to the additional insureds, with respect to any claims arising out of this Lease, and that insurance applies separately to each insured against whom claim is made or suit is brought. Such policies shall also provide for severability of interests and that an act or omission of one of the named insureds which would void or otherwise reduce coverage shall not reduce or void the coverage as to any insured, and shall afford coverage for all claims based on acts, omissions, injury or damage which occurred or arose (or the onset of which occurred or arose) in whole or in part during the policy period.

Upon Tenant's request and subject to the prior written consent of the Director of Real Estate and the City's Risk Manager, in their respective sole and absolute discretion, insurance coverage required to be maintained by Tenant under Sections 20.1(a) and 20.1(b) of this Lease may be maintained, at the Tenant's sole cost and expense, as part of or in conjunction with any other insurance coverage carried by the City, subject to such coverages being commercially available. In the event Tenant shall fail to procure such insurance, or to deliver such policies or certificates, the Director of Real Estate may, at his or her option, procure the same for the account of Tenant, and the costs thereof shall be paid Landlord within fifteen (15) days after delivery to Tenant of bills therefor.

20.4. Review of Insurance Requirements. Tenant and City, including without limitation, the City's Risk Manager, shall periodically review the limits and types of insurance carried pursuant to this Section. If the general commercial practice in the City and County of San Francisco is to carry liability insurance in amount or coverage materially greater than the amount or coverage then being carried by Tenant with respect to risks comparable to those associated with the Premises, then, at the Director of Real Estate's and/or City's Risk Manager's option, Tenant shall increase at its sole cost the amounts or coverages carried by Tenant conform to such general commercial practice.

20.5. Lapse of Insurance. Notwithstanding anything to the contrary in this Lease, this Lease shall terminate immediately except for a cure period, at the Director of Real Estate's election (in consultation with the City Attorney's Office), made in his/her sole and absolute discretion by delivery of written notice to Tenant, upon the lapse of any required insurance

coverage (including fine arts insurance coverage) or the failure to comply with any of the insurance requirements under the Lease (including coverage amounts, scope, and endorsements naming the City and County of San Francisco as an additional insured), unless Tenant reinstates the required insurance coverage within thirty (30) days after the Director of Real Estate's notice to Tenant and no event shall have occurred which gives rise to any claim related to this Lease.

20.8. Waiver of Subrogation. Notwithstanding anything to the contrary contained herein, City and Tenant (each a "Waiving Party") each hereby waives any right of recovery against the other party for any loss or damage sustained by such other party with respect to the Premises, Improvements, Subsequent Construction, City's Personal Property or Tenant's Personal Property or any portion thereof or the contents of the same or any operation therein, whether or not such loss is caused by the fault or negligence of such other party, to the extent such loss or damage is covered by insurance which is required to be purchased by the Waiving Party under this Lease or is actually covered by insurance obtained by the Waiving Party. Each Waiving Party agrees to cause its insurers to issue appropriate waiver of subrogation rights endorsements to all policies relating to the Building or the Premises; provided, the failure to obtain any such endorsement shall not affect the above waiver.

20.9. Contractors' Insurance. Tenant shall provide evidence acceptable to the Landlord that any contractor engaged by Tenant to perform work on the Premises maintains insurance in amounts, on policies of coverage and offered by companies satisfactory to the Director of Real Estate and the City's Risk Manager, including, but not limited to, Workers' Compensation Insurance (including Employers' Liability Insurance) and insurance against liability for injury to persons and property arising out of all such contractor's operations, and the use of owned, non-owned or hired automotive equipment in all such operations, and all such policies shall name City and its Agents as additional insureds.

The fine arts insurance policy shall name the City and County of San Francisco as an additional insured on the policy and Tenant shall provide the City with a copy of the policies, endorsement(s), and certificate(s) of insurance evidencing such coverage. Failure to maintain the insurance under this section during the Term of the Lease shall constitute an Event of Default and material breach. In addition, in any loan agreement with individual or institutional lenders, whether for incoming or outgoing loans, such agreements must require that any policies governing such loans shall also name the City and County of San Francisco as an additional insured and comply with the requirements of this section.

21. ACCESS BY CITY

21.1. Access to Premises by City.

(a) Access to Perform City's Obligations and Exercise City's Rights
Hereunder. City reserves for itself and its designated Agents, the right to enter the Premises and any portion thereof at all reasonable times with no notice whatsoever to perform any obligations and to exercise any rights of City under applicable Law or under this Lease.

If the Tenant exercises its Right of First Refusal, such purchase may occur at Fair Market Value, which shall be reflective of the cultural use restriction, with a credit of Twenty-Five Million Dollars (\$25,000,000) against the purchase price in consideration for equity contributions toward the development of the Premises that were facilitated by the efforts of the Tenant.

25.1. Surrender of the Premises. Upon the Expiration Date or any earlier termination of this Lease, Tenant shall, at its sole cost, remove any and all of Tenant's Personal Property from the Premises; provided, however, the Commission may, at its sole option, elect to permit

Tenant to leave such Alterations, Improvements or Tenant's Personal Property on the Premises. In addition, Tenant shall, at its sole expense, repair any damage to the Premises resulting from the removal of any such items. Tenant's obligations under this Section shall survive the Expiration Date or other termination of this Lease. 25.3. Termination Without Further Notice. This Lease shall terminate without further notice on the Expiration Date.

26. HOLDOVER

26.1. Holding Over. Any holding over by Tenant after the expiration or termination of this Lease shall not constitute a renewal hereof or give Tenant any rights hereunder or in the Premises, except with the written consent of City. In any such event, at City's option, Tenant shall be (a) a tenant at sufferance, or (b) a month-to-month tenant, with such tenancy terminable by either Party upon thirty (30) days' prior written notice. Such tenancy shall be on the terms and conditions herein specified so far as applicable (except for those pertaining to the Term). Any holding over without City's consent shall constitute an Event of Default by Tenant and entitle City to exercise any or all of its remedies as provided herein, notwithstanding that City may elect to accept one or more payments by Tenant hereunder, and whether or not such amounts are at a holdover rate or the rate in effect at the end of the Term of the Lease.

29.13. First Source Hiring Ordinance. The City has adopted a First Source Hiring Ordinance, San Francisco Administrative Code, Chapter 83, which establishes specific requirements, procedures and monitoring for first source hiring of qualified economically disadvantaged individuals for entry level positions. Information provided which is covered by this Section will be made available to the public upon request.

Through its execution of this Lease, Tenant acknowledges that it is familiar with the provisions of Section 15.103 of the San Francisco Charter, Article III, Chapter 2 of City's Campaign and Governmental Conduct Code, and Section 87100 et seq. and Section 1090 et seq. of the Government Code of the State of California, and certifies that it does not know of any facts which would constitute a violation of said provisions, and agrees that if Tenant becomes aware of any such fact during the term of this Lease Tenant shall immediately notify the City.

29.16. Charter Provisions. This Lease is governed by and subject to the provisions of the Charter of the City and County of San Francisco.

30. GENERAL PROVISIONS

30.1. Notices. Except as otherwise expressly provided in this Lease, any notice given hereunder shall be effective only if in writing and given by delivering the notice in person, or by sending it certified mail with a return receipt requested or reliable commercial overnight courier, return receipt requested, with postage prepaid, to: (a) Tenant (i) at Tenant's address set forth in the Basic Lease Information, if sent prior to Tenant's taking possession of the Premises and (ii) at the Premises if sent on or subsequent to Tenant's taking possession of the Premises, or (iii) at any place where Tenant or any Agent of Tenant may be found if sent subsequent to Tenant's vacating, abandoning or surrendering the Premises; or (b) City at City's address set forth in the Basic Lease Information; or (c) to such other address as either City or Tenant may designate as its new address for such purpose by notice given to the other in accordance with the provisions of this Section at least ten (10) days prior to the effective date of such change. Any notice hereunder shall be deemed to have been given two (2) days after the date when it is mailed if sent by certified mail, one day after the date it is made if sent by commercial overnight courier, or upon the date personal delivery is made. For convenience of the Parties, copies of notices may also be given by facsimile to the telephone number set forth in the Basic Lease Information or such other number as may be provided from time to time; however, neither party may give official or binding notice by facsimile. The effective time of a notice shall not be affected by the receipt, prior to receipt of the original, of a facsimile copy of the notice.

30.2. No Implied Waiver. No failure by either Party hereto to insist upon the strict performance of any obligation of the other Party under this Lease or to exercise any right, power or remedy arising out of a breach thereof, irrespective of the length of time for which such failure continues, no delivery or acceptance of any amounts due under this Lease during the continuance of any such breach, and no acceptance of the keys to or possession of the Premises prior to the expiration of the Term by any Agent of City, shall constitute a waiver of such breach or of the applicable Party's right to demand strict compliance with such term, covenant or condition or operate as a surrender of this Lease. No express written waiver of any default or the performance of any provision hereof shall affect any other default or performance, or cover any other period of time, other than the default, performance or period of time specified in such express waiver. One or more written waivers of a default or the performance of any provision hereof shall not be deemed to be a waiver of a subsequent default or performance. The consent of either Party given in any instance under the terms of this Lease shall not relieve the other Party of any obligation to secure any other consent of the applicable Party in any other or future instance under the terms of this Lease.

30.3. No Accord or Satisfaction. No submission by Tenant or acceptance by City of any sums during the continuance of any failure by Tenant to perform its obligations hereunder shall waive any of City's rights or remedies hereunder or constitute an accord or satisfaction, whether or not City had knowledge of any such failure. No endorsement or statement on any check or remittance by or for Tenant or in any communication accompanying or relating to such payment shall operate as a compromise or accord or satisfaction unless the same is approved as such in writing by City. City may accept such check, remittance or payment and retain the proceeds thereof, without prejudice to its rights to recover the balance of any rent or other amounts under this Lease, due from Tenant and to pursue any right or remedy provided for or permitted under this Lease or in law or at equity. No payment by Tenant of any amount claimed by City to be due as any charge hereunder shall be deemed to waive any claim which Tenant may be entitled to assert with regard to the making of such payment or the amount thereof, and all such payments shall be without prejudice to any rights Tenant may have with respect thereto, whether or not such payment is identified as having been made "under protest" (or words of similar import).

30.4. Amendments. Neither this Lease nor any term or provisions hereof may be changed, waived, discharged or terminated, except by a written instrument signed by the Party waiving any right. Pursuant to the Reimbursement and Indemnification Agreement with the

Credit Provider, the Parties acknowledge that an amendment by Tenant of the Lease requires written consent of the Credit Provider.

30.5. Time of Performance.

(a) **Expiration.** All performance dates (including cure dates) expire at 5:00 p.m., San Francisco, California time, on the performance or cure date.

(b) **Weekend or Holiday.** A performance date, which falls on a Saturday, Sunday or City holiday is deemed extended to the next working day.

(c) **Days for Performance.** All periods for performance or notices specified herein in terms of days shall be calendar days, and not business days, unless otherwise provided herein.

(d) **Time of the Essence.** Time is of the essence with respect to each provision of this Lease, including, but not limited to, the provisions for the exercise of any option on the part of Tenant hereunder and the provisions for the payment of rent and any other sums due hereunder.

30.6. Joint and Several Obligations. The word "Tenant" as used herein shall include the plural as well as the singular. If there is more than one Tenant, the obligations and liabilities under this Lease imposed on Tenant shall be joint and several.

30.7. Interpretation of Lease.

(a) **Exhibits.** Whenever an "Exhibit" is referenced, it means an attachment to this Lease unless otherwise specifically identified. All such Exhibits are incorporated herein by reference.

(b) **Captions.** Whenever a section, article or paragraph is referenced, it refers to this Lease unless otherwise specifically identified. The captions preceding the articles and sections of this Lease and in the table of contents have been inserted for convenience of reference only. Such captions shall define or limit the scope or intent of any provision of this Lease.

(c) **Words of Inclusion.** The use of the term "including," "such as" or words of similar import when following any general term, statement or matter shall not be construed to limit such term, statement or matter to the specific items or matters, whether or not language of non-limitation is used with reference thereto. Rather, such terms shall be deemed to refer to all other items or matters that could reasonably fall within the broadest possible scope of such statement, term or matter.

(d) **No Presumption Against Drafter.** This Lease has been negotiated at arm's length and between persons sophisticated and knowledgeable in the matters dealt with herein. In addition, each Party has been represented by experienced and knowledgeable legal counsel. Accordingly, this Lease shall be interpreted to achieve the intents and purposes of the Parties, without any presumption against the Party responsible for drafting any part of this Lease (including, but not limited to, California Civil Code Section 1654).

(e) **Lease References.** Wherever reference is made to any provision, term or matter "in this Lease," "herein" or "hereof" or words of similar import, the reference shall be deemed to refer to any and all provisions of this Lease reasonably related thereto in the context of such reference, unless such reference refers solely to a specific numbered or lettered, section or paragraph of this Lease or any specific subdivision thereof.

30.8. Successors and Assigns. Subject to the provisions of Section 17 [Assignment and Subletting] hereof relating to Assignment and Subletting, the terms, covenants and conditions contained in this Lease shall bind and inure to the benefit of City and Tenant and, except as otherwise provided herein, their successors and assigns.

30.9. Brokers. Neither party has had any contact or dealings regarding the leasing of the Premises, or any communication in connection therewith, through any licensed real estate broker or other person who could claim a right to a commission or finder's fee in connection with the lease contemplated herein except as identified in the Basic Lease Information, whose commission, if any is due, shall be paid pursuant to a separate written agreement between such broker and the party through which such broker contracted. In the event that any other broker or finder perfects a claim for a commission or finder's fee based upon any such contact, dealings or communication, the party through whom the broker or finder makes a claim shall be responsible for such commission or fee and shall Indemnify the other party from any and all Losses incurred by the indemnified party in defending against the same. The provisions of this Section shall survive any termination of this Lease.

30.10. Severability. If any provision of this Lease or the application thereof to any person, entity or circumstance shall, to any extent, be invalid or unenforceable, the remainder of this Lease, or the application of such provision to persons, entities or circumstances other than those as to which it is invalid or unenforceable, shall not be affected thereby, and each other provision of this Lease shall be valid and be enforceable to the fullest extent permitted by Law.

30.11. Entire Agreement. This Lease (including the exhibits hereto) contains the entire agreement between the Parties and supersedes all prior written or oral negotiations, discussions, understanding and agreements regarding this Lease. The Parties further intend that this Lease shall constitute the complete and exclusive statement of its terms and that no extrinsic evidence whatsoever (including prior drafts of this Lease and any changes therefrom) may be introduced in any judicial administrative or other legal proceeding involving this Lease. Tenant hereby acknowledges that neither City nor City's Agents have made any representations or warranties with respect to the Premises or this Lease except as expressly set forth herein, and no rights, easements or licenses are or shall be acquired by Tenant by implication or otherwise unless expressly set forth herein.

30.12. Attorney's Fees and Costs. In the event that either City or Tenant fails to perform any of its obligations under this Lease or in the event a dispute arises concerning the meaning or interpretation of any provision of this Lease, the defaulting party or the party not prevailing in such dispute, as the case may be, shall pay any and all costs and expenses incurred by the other party in enforcing or establishing its rights hereunder (whether or not such action is prosecuted to judgment), including, without limitation, court costs and reasonable Attorneys' Fees and Costs.

30.13. Recordation. This Lease will not be recorded by either Party, except that Tenant shall have the right to record a Memorandum of Lease.

30.14. Extensions by City. Upon the request of Tenant, City in its reasonable discretion may, by written instrument, extend the time for Tenant's performance of any term, covenant or condition of this Lease or permit the curing of any default upon such terms and conditions as it determines appropriate, including, but not limited to, the time within which Tenant must agree to such terms and/or conditions, provided, however, that any such extension or permissive curing of any particular default will not operate to release any of Tenant's obligations nor constitute a waiver of City's rights with respect to any other term, covenant or condition of this Lease or any other default in, or breach of, this Lease or otherwise effect the time of the essence provisions with respect to the extended date or other dates for performance hereunder.

30.15. Cumulative Remedies. All rights and remedies of either party hereto set forth in this Lease shall be cumulative, except as may otherwise be provided herein.

30.16. Further Assurances. The Parties hereto agree to execute and acknowledge such other and further documents as may be necessary or reasonably required to express the intent of the Parties or otherwise effectuate the terms of this Lease.

30.17. Transition Procedures. Without limiting Section 25 [Surrender] above, upon the expiration of the Term or earlier termination of this Lease, for whatever reason, Tenant and City shall do the following (and the provisions of this Section 30.18 shall survive the expiration or termination of this Lease until they have been fully performed) and, in general, shall cooperate in good faith to effect an orderly transition of the management of the Premises:

(a) **Transfer of Licenses.** Upon the expiration or earlier termination of the Lease, Tenant shall use its best efforts (i) to transfer to City or City's nominee all licenses, operating permits and other governmental authorizations and all contracts which City elects to assume, including contracts with governmental or quasi-governmental entities and management contracts, that may be necessary for the operation of the Premises and completion of any repairs, maintenance, Improvements or Alterations (collectively, "Licenses"), or (ii) if such transfer is prohibited by law or City otherwise elects, to cooperate with City or City's nominee in connection with the processing by City or City's nominee of any applications for, all Licenses; provided, in either case, that the costs and expenses of any such transfer or the processing of any such application shall be paid by City or City's nominee. (The Museum needs to do further research on this clause.)

(b) **Leases and Concessions.** Tenant shall assign to City or City's nominee simultaneously with the termination of this Lease, and the assignee shall assume, all leases, subleases, and concessions agreements in effect with respect to the Premises then in Tenant's possession which City or City's nominee elects to assume.

(c) **Books and Records.** All books and records for the Premises kept by Tenant shall be delivered promptly to City or City's nominee, simultaneously with the termination of this Lease, but such books and records shall thereafter be available to Tenant at all reasonable times for inspection, audit, examination, and transcription for a period of one year and Tenant may retain (on a confidential basis) copies or computer records thereof.

30.18. Survival of Indemnities. Termination of this Lease shall not affect the right of either party to enforce any and all indemnities given or made to the other party under this Lease, nor shall it affect any provision of this Lease that expressly states it shall survive termination hereof.

30.19. Relationship of Parties. City is not, and none of the provisions in this Lease shall be deemed to render City, a partner in Tenant's business, or joint venture or member in any joint enterprise with Tenant. Neither party shall act as the agent of the other party in any respect hereunder, and neither party shall have any authority to commit or bind the other party without such party's consent as provided herein. This Lease is not intended nor shall it be construed to create any third party beneficiary rights in any third party, unless otherwise expressly provided.

30.20. Additional Indemnification Obligations.

Limitation on City's Liability; Waiver of Claims

City shall not be responsible for or liable to Tenant, and Tenant hereby assumes the risk of, and waives and releases City and its Agents from all Claims (as defined below) for, any injury, loss or damage to any person or property in or about the Premises by or from any cause whatsoever including, without limitation, (i) any act or omission of persons occupying adjoining premises or any part of the Building adjacent to or connected with the Premises, (ii) theft, (iii) explosion, fire, steam, oil, electricity, water, gas or rain, pollution or contamination, (iv) stopped, leaking or defective Building Systems, (v) Building defects, and (vi) any other acts, omissions or causes. Nothing in this Section shall relieve City from liability caused solely and directly by the gross negligence or willful misconduct of City or its Agents, but City shall not be liable under any circumstances for any consequential, incidental or punitive damages.

Tenant's Indemnity. Tenant, on behalf of itself and its successors and assigns, shall Indemnify the each of the Indemnified Parties, including but not limited to, all of its boards,

commissions, departments, agencies and other subdivisions, including, without limitation, its Arts Commission, and all of its and their Agents, and their respective heirs, legal representatives, successors and assigns (individually and collectively, the "Indemnified Parties"), and each of them, from and against any and all liabilities, losses, costs, claims, judgments, settlements, damages, liens, fines, penalties and expenses, including, without limitation, direct and vicarious liability of every kind (collectively, "Claims"), incurred in connection with or arising in whole or in part from: (a) any accident, injury to or death of a person, including, without limitation, employees of Tenant, or loss of or damage to property (including but not limited to claims arising out of loss or damage to objects or works of fine art on the Premises); howsoever or by whomsoever caused, occurring in or about the Premises; (b) any default by Tenant in the observation or performance of any of the terms, covenants or conditions of this Lease to be observed or performed on Tenant's part; (c) the use or occupancy or manner of use or occupancy of the Premises by Tenant, its Agents or Invitees or any person or entity claiming through or under any of them; (d) the condition of the Premises; (e) any construction or other work undertaken by Tenant on the Premises whether before or during the Term of this Lease; or (f) any acts, omissions or negligence of Tenant, its Agents or Invitees, in, on or about the Premises or the Property; all regardless of the active or passive negligence of, and regardless of whether liability without fault is imposed or sought to be imposed on, the Indemnified Parties, except to the extent that such Indemnity is void or otherwise unenforceable under applicable law in effect on or validly retroactive to the date of this Lease and further except only such Claims as are caused exclusively by the willful misconduct or gross negligence of the Indemnified Parties. The foregoing Indemnity shall include, without limitation, reasonable fees of attorneys, consultants and experts and related costs and City's costs of investigating any Claim. Tenant specifically acknowledges and agrees that it has an immediate and independent obligation to defend the City from any claim which actually or potentially falls within this indemnity provision even if such allegation is or may be groundless, fraudulent or false, which obligation arises at the time such claim is tendered to Tenant by City and continues at all times thereafter. Tenant's obligations under this Section shall survive the termination of the Lease.

Tenant shall also indemnify, protect, defend and hold harmless each of the Indemnified Parties from and against any and all Losses arising from, in connection with or caused by: (a) a material breach of this Agreement by Tenant; (b) a material breach of any representation or warranty of Tenant contained in this Agreement; (c) any personal injury caused, directly or indirectly, by any act or omission of Tenant or its employees or agents; (d) any property damage caused, directly or indirectly by any act or omission of Tenant or its employees, or agents (including but not limited to claims arising out of loss or damage to objects or works of fine art on the Premises); (e) the use, misuse or failure of any equipment or facility used by Tenant, or by any of its employees or agents, regardless of whether such equipment or facility is furnished, rented or loaned to Tenant by an Indemnified Party; (f) any tax, fee, assessment or other charge for which Tenant is responsible; or (g) any infringement of patent rights, copyright, trade secret or any other proprietary right or trademark of any person or entity in consequence of the use by any Indemnified Party of any goods or services furnished to such Indemnified Party in connection with this Agreement. Tenant's obligations under the immediately preceding sentence shall apply to any Loss that is caused in whole or in part by the active or passive negligence of any Indemnified Party, but shall exclude any Loss caused solely by the willful misconduct of the Indemnified Party. The foregoing indemnity shall include, without limitation, reasonable fees of attorneys, consultants and experts and related costs and City's costs of investigating any claims against the City.

30.21. Non-Liability of Officials, Employees and Agents of City or Any Other Indemnified Parties. No elective or appointive board, commission, member, director, officer, employee or other Agent of City or any other Indemnified Parties shall be personally liable to Tenant, its successors and assigns, in the event of any default or breach by City or for any amount which may become due to Tenant, its successors and assigns, or for any obligation of City under this Lease, and Tenant agrees that it will have no recourse with respect to any

obligation or Default under this Lease, or for any amount which may become due Tenant or any successor or for any obligation or claim based upon this Lease, against any such individual.

30.22. Non-Liability of Tenant's Members, Officers, Directors, Shareholders, Agents and Employees. No member, officer, director, shareholder, Agent or employee of Tenant will be personally liable to City, or any successor in interest, for any Event of Default by Tenant, and City agrees that it will have no recourse with respect to any obligation of Tenant under this Lease, or for any amount which may become due City or any successor or for any obligation or claim based upon this Lease, against any such individual.

30.23. No Third Party Beneficiaries. Except for rights expressly granted in the Lease to any Credit Provider and/or Liquidity Provider, this Lease is for the exclusive benefit of the Parties hereto and not for the benefit of any other Person and shall not be deemed to have conferred any rights, express or implied, upon any other Person.

30.24. Counterparts. This Lease may be executed in two or more counterparts, each of which shall be deemed an original, but all of which taken together shall constitute one and the same instrument.

GRANT AGREEMENT

By and Between

**THE REDEVELOPMENT AGENCY OF THE
CITY AND COUNTY OF SAN FRANCISCO**

and

**THE MEXICAN MUSEUM,
a California non-profit corporation**

For the Development of

**CB-1-MM (ASSESSOR'S BLOCK 3706, PORTION OF LOT 277)
SAN FRANCISCO, CALIFORNIA**

Dated as of December 14, 2010

GRANT AGREEMENT

This Grant Agreement (the "**Agreement**") dated as of December 14, 2010 (the "**Effective Date**"); by and between the Redevelopment Agency of the City and County of San Francisco, a public body, corporate and politic, exercising its functions and powers and existing under the Community Redevelopment Law of the State of California (together with any successor public agency designated by or pursuant to law, the "**Agency**"), and The Mexican Museum, a California non-profit corporation (the "**Grantee**" or the "**Museum**") (collectively, the "**Parties**"), is entered into based upon the following facts, intentions and understandings of the Parties:

RECITALS

A. In furtherance of the objectives of the Community Redevelopment Law of the State of California, the Agency has undertaken a program to redevelop and revitalize blighted areas in the City and County of San Francisco (the "**City**"), and in connection therewith has adopted a redevelopment project area known as the Yerba Buena Center Approved Redevelopment Project Area D-1 (the "**Project Area**").

B. The Agency, acting through the Board of Supervisors of the City, has by Ordinance No. 98-66 adopted April 25, 1966, approved a Redevelopment Plan for the Project Area, which has been amended 13 times, most recently in December 2009 (as amended, the "**Redevelopment Plan**"). The Redevelopment Plan provides for redevelopment and revitalization of certain lands in the Project Area and the future uses of such land. The Redevelopment Plan also allows the Agency to sell its property in the Project Area for purposes of furthering the goals of the Redevelopment Plan.

C. On June 1, 1993, by Resolution No. 92-93, the Agency approved an Agreement for Disposition of Land for Private Development with the Museum (as amended, the "**LDA**") for the development of a stand-alone museum on Agency disposition parcel CB-1-MM (Assessor's Block 3706, a portion of Lot 277), located on the north side of Mission Street between Third and Fourth Streets (the "**Museum Site**") in the Project Area. The LDA has been amended eight times, most recently on December 7, 2004. Under the Eighth Amendment, the Agency and the Museum agreed to work cooperatively to explore alternatives for the museum space, including the inclusion of the Museum as a museum space in a larger development.

D. In 2006, the property located at 706 Mission Street, on the corner of Mission and Third Streets and immediately adjacent to the Museum Site, was acquired by 706 Mission Street Co LLC, a Delaware limited liability company (the "**Developer**").

E. On July 15, 2008, by Resolution No. 77-2008, the Agency entered into an exclusive negotiation agreement with the Developer to develop a mixed-use project that spans both the 706 Mission Street property and the Museum Site, as depicted in Attachment A "Site Map". The proposed project includes: (a) approximately 390,000 net square feet of residential, office and/or hospitality uses in a tower of approximately 550 feet in height, (b) a museum space between approximately 35,000 and 40,000 net square feet fronting Jessie Square (the "**Museum Space**"), (c) a rehabilitated historically important Mercantile Building, (d) additional retail

and/or cultural uses on the ground floor of the Mercantile Building, and (e) the purchase of the Jessie Square Garage for both project-related uses and the public (collectively, the "Project").

F. On July 15, 2008, by Resolution No. 78-2008, the Agency also entered into a memorandum of understanding with the Museum to provide grant funding and assistance to the Museum for predevelopment and planning activities related to the Museum's participation in the Project.

G. On May 4, 2010, by Resolution No. 47-2010, the Agency authorized an Amended and Restated Exclusive Negotiation Agreement with the Developer (the "Developer ENA") to develop the Project. That same day, by Resolution No. 48-2010, the Agency authorized an Amended and Restated Memorandum of Understanding with the San Francisco Arts Commission (the "Arts Commission") and the Museum to provide \$820,000 in grant funds for continued predevelopment and planning work related to the Museum Space (as amended, the "MOU").

H. The Parties have agreed that participation in the Project is the best opportunity to develop a museum space for the Museum. Pursuant to the Developer ENA, the Developer will construct the base, core and shell of the Museum Space and convey it back to the Agency at no cost. The Agency will then enter into agreements with the Museum for the long-term use and operation of the Museum Space, and the design and construction of the interior improvements associated with the Museum Space, including all tenant improvements, all fixtures, furniture and equipment, and all exhibit spaces. The Developer ENA also anticipates that the Developer will contribute \$5.0 million to an operating endowment for the Museum Space to help support its ongoing operations.

I. On December 14, 2010, concurrently with its approval of this Agreement, the Agency Commission authorized an exclusive negotiating agreement between the Agency and the Museum for development of the Museum Space ("Mexican Museum ENA"). The Mexican Museum ENA does not affect the status of the LDA. Pursuant to the Mexican Museum ENA, the Agency intends to negotiate and enter into necessary agreements leading to the Museum's participation in the Project as the user of the Museum Space. The Museum and the Agency will be responsible for funding predevelopment activities, which include preparation and implementation of the predevelopment plan (as described in Section E of the MOU), operational and organizational planning, design of the Museum Space, hiring museum staff and other consultants, and regulatory approvals ("Predevelopment Activities"), as well as the design and construction of the interior of the Museum Space, which includes tenant improvements and related exterior improvements, specialized HVAC/humidity control systems required for exhibit spaces, all fixtures, furniture and equipment, and all exhibit spaces ("Interior Improvements"). If the Developer fails to obtain Regulatory Approvals (as defined in the Mexican Museum ENA) for the Project, the Agency agrees to assist the Museum with development of a museum facility, to the extent permitted by law.

J. The Agency is authorized pursuant to CRL and has agreed to grant certain funds to the Museum to cover a substantial portion of the costs for Predevelopment Activities and Interior Improvements related to the Museum Space. The funding sources for this Grant include

a substantial amount of tax-exempt bond proceeds, and must be used consistently with applicable laws, including but not limited to CRL and federal tax laws.

K. The effectiveness of the Redevelopment Plan terminates on January 1, 2011, pursuant to Section 33333.6 of the California Health and Safety Code and Ordinance No. 256-09 adopted by the Board of Supervisors of the City on December 18, 2009. After that time, the Agency will have no authority to act pursuant to the Redevelopment Plan except to pay previously incurred indebtedness, to comply with affordable housing obligations, and to enforce existing covenants, contracts, or other obligations. In particular, land use jurisdiction within the Project Area will revert to the City's Planning Department. Although approval of the design and land use entitlements for the Project will fall under the City's jurisdiction after the Redevelopment Plan expires, the Agency will continue to have the authority, as owner of the Museum Site, to convey the Museum Site, and to approve, as part of the enforcement of the obligations of this Agreement, one or more Grant Disbursement Agreements.

L. The Parties now desire to enter into this Agreement to memorialize their understanding and commitments concerning the matters generally described above.

AGREEMENT

NOW, THEREFORE, in consideration of the mutual promises and covenants set forth in this Agreement, and for other good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, the Parties agree as follows:

ARTICLE 1 – AMOUNT AND PURPOSE OF GRANT FUNDS

1.1 Grant Funds.

Pursuant to the terms and conditions of this Agreement, the Agency hereby agrees to grant to Grantee a total principal amount not to exceed TEN MILLION FIVE HUNDRED SIXTY-SIX THOUSAND DOLLARS (\$10,566,000) (“Grant Funds”). The funding sources from which the Agency will draw the Grant Funds include a substantial amount of tax-exempt bond proceeds. Accordingly, Grantee understands and acknowledges the limitations and requirements imposed on the Parties due to the sources of the Grant Funds and applicable laws, including but not limited to CRL and federal tax laws. The Grant Funds must be used for “redevelopment activities” that are defined in CRL (Sections 33678(b), 33020, and 33021 of the California Health and Safety Code), and for purposes consistent with federal tax laws. The Agency may withhold all or any portion of the Grant Funds if the Agency's disbursement of such Grant Funds would violate applicable laws or is otherwise disallowed by the federal government.

1.2 Conditions of Use of Grant Funds.

a) Grantee agrees, subject to the terms and conditions in this Agreement, to use the Grant Funds to pay for costs associated with Predevelopment Activities and Interior Improvements related to the Museum Space, and for no other purpose. The Grant Funds will be disbursed pursuant to one or more Grant Disbursement Agreements between the Agency and Grantee as described in Section 3.1, below. The Grant Disbursement Agreements will be

approved by the Agency Commission at a later date and will specify in greater detail the permitted uses that will be considered Predevelopment Activities and Interior Improvements.

b) Grantee is aware of and acknowledges the following: (i) the Grant Funds represent the entire amount of funds that the Agency has committed for payment of costs related to Predevelopment Activities and Interior Improvements for the Museum Space, (ii) after the Redevelopment Plan expires on January 1, 2011, the Agency is unable to commit any additional funds for the Museum Space, and (iii) Grantee shall have the obligation to repay any amounts that have been disbursed if Grantee uses those funds in violation of the terms and conditions of this Agreement.

c) Grantee is aware and acknowledges that the Agency will incur staff and administrative costs related to implementation of this Agreement and negotiation and implementation of the Mexican Museum Transaction Documents, and that the Agency will receive no new funds for implementation after the Redevelopment Plan expires. The Parties agree that Agency staff and administrative costs directly related to this Agreement and the Mexican Museum Transaction Documents may be deducted from the total Grant Funds if they are not otherwise recoverable or payable from another source.

ARTICLE 2 – GRANT TERM

The term of this Agreement will commence on the Effective Date and will continue in full force and effect until the tenth (10th) anniversary of the Effective Date, unless terminated earlier as described in Article 6, below (the “Term”).

ARTICLE 3 – GRANT DISBURSEMENTS

3.1 Disbursement Procedures and Requirements.

a) The Agency shall disburse Grant Funds to Grantee in accordance with one or more Grant Disbursement Agreements by and between the Agency and Grantee, which agreements shall be negotiated during the Term of this Agreement, in form and substance satisfactory to the Agency, and subject to approval by the Agency Commission. The Grant Disbursement Agreements shall, at a minimum: (i) describe detailed disbursement procedures for the Grant Funds, including a detailed budget for the use of the Grant Funds, the roles and responsibilities of each party, mechanisms for the disbursement of funds based upon the successful completion of performance milestones, default provisions, and a form of funding request, (ii) require Grantee to comply fully with and be bound by all applicable laws and regulations governing the use of tax increment funds and tax exempt bond proceeds, (iii) require Grantee to comply with applicable Agency policies and programs, including, but not limited to, policies regarding small business enterprises, construction workforce, permanent workforce, nondiscrimination and equal benefits, minimum compensation, healthcare accountability, and prevailing wages, and (iv) require Grantee to maintain insurance coverage satisfactory to the Agency’s Risk Manager.

b) The Agency may disburse Grant Funds to the Developer or any other third party that procures, administers and manages a contract for Predevelopment Activities or Interior Improvements on behalf of Grantee through one or more Grant Disbursement Agreements by

and among Grantee, the Agency, and the Developer or any other third party, in accordance with the procedures described in Section 3.1(a), above.

3.2 Prerequisites for Grant Disbursements.

a) Predevelopment Activities. Before any Grant Funds can be disbursed for Predevelopment Activities, the following two conditions must be satisfied: (i) the Agency Commission must approve a Grant Disbursement Agreement for Predevelopment Activities with Grantee, as described in Section 3.1, above, and (ii) Grantee must be in compliance with all covenants, agreements, and conditions required by the Mexican Museum ENA and the Grant Disbursement Agreement for Predevelopment Activities. If these conditions are not satisfied during the Term of this Agreement, the Agency reserves the right to retain all undisbursed Grant Funds.

b) Interior Improvements. Before any Grant Funds can be disbursed for Interior Improvements, the following three conditions must be satisfied: (i) the Agency and Grantee must execute the Transaction Documents (as defined in the Mexican Museum ENA, "Mexican Museum Transaction Documents"), (ii) the Agency Commission must approve a Grant Disbursement Agreement for Interior Improvements with Grantee, as described in Section 3.1, above, and (iii) Grantee must be in compliance with all covenants, agreements, and conditions required by the Mexican Museum ENA and the Grant Disbursement Agreement for Interior Improvements. If these conditions are not satisfied during the Term of this Agreement, the Agency reserves the right to retain all undisbursed Grant Funds.

c) Total Amount of Grant Funds. In no event shall the aggregate amount of all funds disbursed to Grantee under this Agreement exceed the total amount of Grant Funds.

ARTICLE 4 – PERMITTED TRANSFERS / CONSENT

Grantee shall not, either directly or indirectly, assign, transfer, subcontract or delegate all or any portion of this Agreement or any rights, duties or obligations of Grantee hereunder without the prior written consent of the Agency.

ARTICLE 5 – DEFAULT

5.1 Event of Default.

The occurrence of any one of the following events or circumstances, if not cured within the specified cure or grace period, will constitute an event of default ("Event of Default") under this Agreement, giving the Agency the right to declare Grantee in default and to exercise any or all of its remedies, at its sole election and in its reasonable discretion: (a) the material breach of any representation or warranty made by Grantee in this Agreement, unless Grantee notifies the Agency within fourteen (14) business days of the material breach and cures such breach within sixty (60) days from the date on which the Grantee was obligated to notify the Agency; (b) the sale or transfer of all or substantially all of Grantee's permanent art collection; or (c) Grantee files a petition for bankruptcy, applies for or consents to the appointment of a trustee or receiver, consents to or admits jurisdiction of the bankruptcy court, makes an assignment for the benefit of

creditors, or an involuntary petition for bankruptcy is filed against Grantee, or an order for relief is entered against Grantee under bankruptcy laws.

5.2 Remedies of the Agency.

The Agency's remedies for an Event of Default are as follows: (a) the Agency may, at its option, terminate this Agreement and all commitments to disburse the Grant Funds; waive the Event of Default or, without waiving, determine, upon terms and conditions satisfactory to the Agency, to make further disbursements of the Grant Funds; or (b) the Agency may take any action permitted at law, in equity or under this Agreement at its option to cure or remedy the default.

ARTICLE 6 – TERMINATION

This Agreement will automatically terminate upon the occurrence of either of the following events: (i) the one year anniversary of the full disbursement of Grant Funds in accordance with this Agreement and the Grant Disbursement Agreements; or (ii) the expiration of the Term.

ARTICLE 7 – RECORDS AND MONITORING

7.1 Records.

Grantee shall maintain and provide to the Agency upon request records that accurately and fully show the date, amount, purpose and payee of all expenditures of the Grant Funds, and shall keep all estimates, invoices, receipts, and other documents related to expenditures of the Grant Funds.

7.2 Monitoring.

Grantee understands and agrees that it will be monitored by the Agency from time to time to assure compliance with all terms and conditions in this Agreement and all laws. Grantee acknowledges that the Agency may also conduct periodic on-site inspections of the Museum Space. Grantee shall cooperate with the monitoring by the Agency, and shall ensure full access by the Agency to the Museum Space and all information related to the Museum Space as reasonably required by the Agency.

ARTICLE 8 – REPRESENTATIONS AND WARRANTIES

Grantee represents and warrants each of the following as of the date of this Agreement and at all times throughout the Term:

- a) Organization; Authorization. Grantee is a nonprofit corporation, duly organized and validly existing and in good standing under the laws of the jurisdiction in which it was formed. - d) Limitations on Contributions. Through execution of this Agreement, Grantee acknowledges that it is familiar with section 1.126 of the San Francisco Campaign and Governmental Conduct Code, which prohibits any person who contracts with the Agency for the rendition of personal services, for the furnishing of any material, supplies or equipment, for the sale or lease of any land or building, or for a grant, loan or loan guarantee, from making any campaign contribution to (1) the Mayor or members of the Board of Supervisors, (2) a candidate for Mayor or Board of Supervisors, or (3) a committee controlled by such office holder or candidate, at any time from the commencement of negotiations for the contract until the later of either the termination of negotiations for such contract or six months after the date the contract is approved. Grantee acknowledges that the foregoing restriction applies only if the contract or a combination or series of contracts approved by the same individual or board in a fiscal year have a total anticipated or actual value of \$50,000 or more. Grantee further acknowledges that the prohibition on contributions applies to each prospective party to the contract; each member of Grantee's board of directors; Grantee's chairperson, chief executive officer, chief financial officer and chief operating officer; any person with an ownership interest of more than 20 percent in Grantee; any subcontractor listed in the bid or contract; and any committee that is sponsored or controlled by Grantee. **The Mexican Museum
706 Mission Street**

Through Naomi Kelly,
City Administrator

Honorable Board of Supervisors
City & County of San Francisco
1 Dr. Carlton B. Goodlett Place
City Hall, Room 224
San Francisco, CA 94102

Dear Board Members:

Attached for your consideration is a Resolution approving and authorizing the Director of Property to execute the Lease and Facilities Agreement ("Lease") between the City, as landlord, and The Mexican Museum, as tenant, of approximately 48,000 square feet on the first four floors in the new residential tower to be developed at 706 Mission Street (the new "Museum Premises"). The Museum Premises will be an integral part of a true mixed-use development (the "Project") by 706 Mission Street Co, LLC ("Developer"), which also includes new retail and the rehabilitation of the historic Aronson Building.

The 66-year term of the Lease (plus a 33-year extension option) secures The Mexican Museum's home in downtown San Francisco into future generations for the benefit of its residents and visitors. Given the cultural and civic contributions that will arise from this Lease, The Mexican Museum will only pay a nominal base rent of \$1.00 to the City. This long anticipated agreement will commence upon the Developer conveying fee title of the Museum Premises to the City upon Developer's satisfactory completion of the core and shell infrastructure of the Museum Premises.

The Museum's History

The Mexican Museum has roots in San Francisco dating back more than forty years. What began in 1975 as a storefront in the Mission District, expanded and relocated to Fort Mason seven years later. Since that relocation, The Mexican Museum's works of art and cultural displays have outgrown the size of that facility. For years, continual efforts have been made to locate a permanent, visible home to display and share its vast collection.

The Museum's Future

For over 30 years, the City's Former Redevelopment Agency ("OCII") and The Mexican Museum have worked collaboratively to develop a new museum site proximate to Yerba Buena Gardens. Originally contemplated as a stand-alone museum, OCII, the City, and The Mexican Museum

concluded that a more economically viable option was needed to effect development. In 2004, the parties formally agreed to explore a redevelopment scenario affording The Mexican Museum an opportunity to provide a pronounced cultural component within the scope of a larger redevelopment project.

In July of 2013, OCII and the Developer entered into a Purchase and Sale Agreement, or "PSA", for the Developer's acquisition of the land needed to facilitate such a project. Under the PSA, the Developer shall construct the infrastructure of the Museum Premises on the lower floors of its new residential tower and upon completion, shall convey the condominium interest of the Museum Premises to the City. It was assumed at that time that the City and The Mexican Museum would structure a suitable lease soon thereafter.

Tenant Improvements

Under the Lease, The Mexican Museum is responsible for constructing the tenant improvements within the Museum Premises. To help facilitate this work, OCII will contribute approximately \$10.5 million of funding to The Mexican Museum for costs incurred during predevelopment, planning, design and construction of the tenant improvements. This commitment is separately memorialized by a Grant Agreement between the parties dated December 14, 2010.

Under the Lease, the City is not responsible for and will not bear any cost of the The Mexican Museum's tenant improvements.

Operating Expenses

Under the Lease, The Mexican Museum shall be responsible for all costs associated with operating a first class museum within the Museum Premises. These costs include, but not are limited to: utilities, services, taxes, insurance, maintenance and repair. Under the PSA, the Developer will also contribute \$5 million towards an operating endowment. The Mexican Museum is obligated under the Lease to meet rigorous operating standards, reserve requirements, and provide a robust security deposit.

Environmental Review

The City previously completed environmental review for the Project, including the Museum Premises, pursuant to CEQA. On March 21, 2013, the Planning Commission certified the Final Environmental Impact Report for the Project (the "FEIR") and on May 23, 2013, adopted CEQA Findings including Findings of Overriding Consideration for the Project. After hearing timely appeals by several parties, the Board adopted and incorporated by reference the environmental findings and findings of consistency with the General Plan and Planning Code, Section 101.1.

If you have questions regarding this Lease, please do not hesitate to contact me.

Respectfully,

John Updike
Director of Property
