14. The Departmental ADA Coordinator or the Mayor's Office on Disability have reviewed the proposal and concluded that the project as proposed will be in compliance with the Americans with Disabilities Act and all other Federal, State and local disability rights laws and regulations and will allow the full inclusion of persons with disabilities. These requirements include, but are not limited to:

1. Having staff trained in how to provide reasonable modifications in policies, practices and procedures;
2. Having auxiliary aids and services available in a timely manner in order to ensure communication access;
3. Ensuring that any service areas and related facilities open to the public are architecturally accessible and have been inspected and approved by the DPW Access Compliance Officer or the Mayor's Office on Disability Compliance Officers.

If such access would be technically infeasible, this is described in the comments section below:

Comments:

The project is still in the conceptual design phase. Project will be reviewed at 30%, 60% and 90% phases by Public Works Accessibility Coordinator. Accessibility Coordinator will make one final review at 100% design and sign off on project before advertisement. At substantial construction completion, Public Works Accessibility Coordinator will inspect the project for compliance with plans. If any deficiencies are noted at inspection they will corrected prior to final construction completion.
