14 determination, including the written information submitted to the Board of Supervisors and the
15 public testimony presented to the Board of Supervisors at the hearing on the exemption
16 determination, this Board concludes that the project is consistent with the development
17 density established by the zoning, community plan, and general plan policies in the Eastern
18 Neighborhoods Rezoning and Area Plan project area, for which the FEIR was certified; would
19 not result in new significant environmental effects, or effects of greater severity than were
20 already analyzed and disclosed in the FEIR; and is therefore exempt from further
21 environmental review in accordance with CEQA Section 21083.3 and CEQA Guidelines
