Ms. Angela Calvillo Clerk of the Board San Francisco Board of Supervisors City Hall, Room 244 I Dr. Carlton B. Goodlett Place San Francisco, CA 94102

Dear Ms. Calvillo:

The Asian Pacific Fund is pleased to apply for participation in the 2015 San Francisco City and County Employees Combined Charities Campaign.

Founded in 1993, the Asian Pacific Fund is a charitable community foundation that is a federation representing over 75 organizations who serve the Asian and Pacific Islander community in the Bay Area. Enclosed please find all required materials in accordance with our understanding of the Administrative Code set forth by the Board of Supervisors in Section 16.93-2, which includes:

1. A list of current Asian Pacific Fund affiliate organizations, all of which are located in one of the 6 counties listed in Section 16.93-2. (Criteria A)

- 2. A copy of our IRS 501(c)(3) Tax Exempt letter (Criteria B)
- 3. A copy of the Asian Pacific Fund's 2013-14 Annual Report (Criteria C-1)
- 4. A copy of the Asian Pacific Fund's most recent Form 990 (Criteria C-2)

5. A copy of the Asian Pacific Fund's most recent certified audit (Criteria D)

Any additional information we can present in order to support this application, please let us know.

Dear Taxpayer:

This is in response to your June 18, 2012, request for information regarding your tax-exempt status.

Our records indicate that you were recognized as exempt under section 501(c)(3) of the Internal Revenue Code in a determination letter issued in December 1994.

Our records also indicate that you are not a private foundation within the meaning of section 509(a) of the Code because you are described in section(s) 509(a)(l) and 170(b)(l)(A)(vi).

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Please refer to our website www.irs.gov/eo for information regarding filing requirements. Specifically, section 6033(j) of the Code provides that failure to file an annual information return for three consecutive years results in revocation of tax-exempt status as of the filing due date of the third return for organizations required to file. We will publish a list of organizations whose tax-exempt status was revoked under section 6033(j) of the Code on our website beginning in early 2011.

# MESSAGE FROM THE CHAIR

#### Dear Friends,

Being with an organization from its inception and seeing it through its first 21 years gives one a rare and wonderful perspective. I have the privilege of being a founding board member of the Asian Pacific Fund and it will always be a source of pride that I was there from the beginning.

With that pride comes immense

uppreciation for not only how far we have come but the relationships we have built over the years, both with our donors and with our uffiliate organizations serving the vulnerable in our community. As you can see with this annual report, an important way of lemonstrating a non-profit's viability and value is in numbers—the lollars we raise, the grants we distribute and the number of people we reach.

Numbers are also useful in communicating the needs in our community and the impact the Asian Pacific Fund is having. Asian Americans and Pacific Islanders are the fastest growing ethnic group n the country. A recent report found that we also make up more han a third of those living in poverty in San Francisco.

In the past year we have more than doubled the number of lollars we distribute in grants and we have also engaged nearly 300 new donors for our affiliates through the City and County of San Francisco's Workplace Giving Campaign.

What's harder to measure, but perhaps more important, is the rust we earn in the way we spend the dollars you give to us. Whether t is something as personal as a scholarship for a well-deserving tudent or a grant to help a struggling service organization learn now to fundraise more effectively, the Asian Pacific Fund always ias its eye on how best to strengthen the Asian Pacific Islander community in the Bay Area. We thank you for your trust and look 'orward to continuing our partnership with you in improving the quality of life for others.

Sincerely yours,

Emerall yehr

# CHANGING LIVES THROUGH PHYLANTHROPY

# **NTS TO OUR COMMUNITY**

Over the past year, the Asian Pacific Fund has istributed nearly a half a million dollars in grants om donor advised funds and our own grant making itiatives. In 2014, we launched a Capacity uilding and Civic Engagement Initiative that ocuses on strengthening the sustainability nd impact of non-profits who serve our lost vulnerable API community members. It rovides \$300,000 per year for three years to a cohort f 12 community partners. Our grants are supporting ital investments in areas like leadership development, indraising and technology upgrades.

We designed this new initiative based on direct put from the executive directors of our affiliate rganizations who told us that long-term capacity uilding is a top priority, yet funding for these efforts often the hardest to secure.

# WHAT OUR PARTNERS ARE SAYING

"The Asian Pacific Fund approaches its relationship with community-based organizations from a partnership and supporter perspective by engaging at higher level organizational empowerment. This fills the gap in the foundation sector where most of the relationships are based on just program deliverables."

> June Lee, Executive Director Korean Community Center of the East Bay

"It's fortunate for us that the Asian Pacific Fund really sees that there's a need to provide services to the API community, and specifically to the most vulnerable groups, like Southeast Asians. The Fund recognizes these needs and supports these needs, which is unique."

> Judy Young, Executive Director Vietnamese Youth Development Center.

"It is extremely gratifying to see : Asian Pacific Fund be so responsive input from its affiliates, and to take st interest in making our organization stronger-beyond giving out funding

# SHEP JINGERGHERONARP MEEDS

There is often a lack of awareness of the challenges faced by the API community. This perception means that many groups that provide essential services to the Asian community are overlooked and struggle to find funding. The Asian Pacific Fund supports organizations that serve our most vulnerable community members and brings attention to the hidden struggles that many Bay Area APIs face.

# HIDDEN STRUGGLES OF THE BAY AREA'S API COMMUNITY

Poverty among APIs living in San Francisco jumped by 43% in a five year period. Asians now make up the largest ethnic group living in poverty in the city.

**ISLANDERS**

# UNEMPLOYMENT

The unemployment rate of Asians (7%) and Pacific Islanders (14%) in San Francisco is substantially higher than the city average (5%).

In Santa Clara County, APIs make up 39% of households living in subsidized housing, the highest rate of any racial group.

# **VOICE IN THE COMMUNITY**

Only 31% of Asian Americans turn out to vote. Though they are the fastest growing racial group in the United States, Asian Americans continue to have one of the lowest voter turnout rates among all racial groups.

# DONOR SPOTLIGHT: NAREN GUPTA

Naren Gupta has dedicated his life to building innovative companies. He co-founded Integrated Systems Inc. and today leads Nexus Venture Partners, one of the strongest venture capital funds in India. In between his business trips and his passion for world travel, Naren has also made time to champion the causes in the Bay Area that are important to him. He has been a long-time supporter of the Asian Pacific Fund and recently became part of the Leadership Circle for our Endowment Campaign.

Naren values the impact the Fund has and appreciates its work to encourage others to give back. According to Naren, "The way I think about all donations is the impact my donation has on society, on special individuals. And if you dig deep into Asian Pacific Fund's activities, we probably get the most benefit out of every dollar 34 spend."

# HEALTHCARE

Alameda County is one of the top counties with medically underserved API populations in the nation. As a result, many APIs living in Alameda County are struggling to access quality healthcare.

# RECOGNIZING OUTSTANDING CEADERSHIP

# LEADERSHIP IN PHILANTHROPY AWARD

Each year, the Fund's Board of Directors selects an individual who has achieved significant success while also making a difference by giving back. Steve Chen, Co-Founder of YouTube, has been a role model for the next generation of philanthropists and is the recipient of the 2014 Leadership in Philanthropy Award. Steve was instrumental in building YouTube, which has had a profound impact on the way we communicate; learn and connect. In 2013, he made a \$1 million gift to his alma mater, the Illinois Mathematics and Science Academy. His gift will go towards the creation of the "Innovation Hub," a facility to support student entrepreneurship. Steve is also a strong supporter of organizations in the Bay Area, including the Asian Art Museum and UCSF.

CHANG-LIN TIEN LEADERSHIP IN EDUCATION AWARD

The 2014 Chang-Lin Tien Leadership in Education Award recipient is **Dr. Liza Cariaga-Lo**, Associate Provost of Brown University. Dr. Cariaga-Lo is a leader in the fields of education program evaluation, minority student development, ethnic minority health care and public policy affecting children and families. She recently completed a book about the identity development of Asian Americans. The Tien Award honors the legacy of Dr. Chang-Lin Tien, the former Chancellor of the University of California, Berkeley and the first Asian American head of a major university. Dr. Tien was also a founding board member of the Asian Pacific Fund.

## GROWING UP ASIAN IN AMERICA 2014: HOW FOOD SHAPES OUR IDENTITY

Food has always been a way to connect us with our families and communities. This year, we asked K-12 students across the Bay Area to share how food plays a role in their lives as Asian and Pacific Islanders growing up in America. Nearly 1,200 students submitted art, poetry and video entries for our 19th annual Growing Up Asian in America program. Students shared how food shapes their identity by connecting them with their family's stories, recipes and traditions. This is what a few of this year's winners shared with us:

"Even if I can't get on a plane, I've found that I can travel across oceans and continents in just a few bites! When I eat Asian food, it makes me feel like I'm back in Nepal with my family. Food helps me remember where I'm from." "An Asian in America" by Lakpa G., Grade 6; San Francisco

"My Family Tradition" Justin I., Grude 2, Pleasanton

"My Korean Heritage" Rhee K., Grade 8, San Jose

"Daddy" Yulun L., Grade 11, Los Altos

"Eating my favorite dishes like 'Sinigang' and 'Adobo' lifts me to heights of nostalgia, bringing me back to my vibrant past in the Philippines." "Food for Thought and After Thoughts" by Agnes B., Grade 10, Vallejo

Many thanks to the following Advisory Committee members for helping to plan and shape this year's program: Sally Carlson, Carlson Beck; Lance J. Lew, NBC Bay Area; Sandy Wee, San Mateo County Library; Vicky Wong, DAE Advertising, Inc.; Andrea Yamazaki Williamson, Multicultural Radio Broadcasting, Inc.; Je&ife&ife&in, Asian Art Museum.

PART II, SECTION C, LINE 17A, FACTS AND CIRCUMSTANCES TEST:

EXPLANATION: AS REPORTED ON 2013 SCHEDULE A, ASIAN PACIFIC FUND'S ("APF")

PUBLIC SUPPORT PERCENTAGE IS 26.07%. DURING 2010, APF RECEIVED TWO LARGE

GRANTS IN THE AMOUNTS \$1,540,000 AND \$1,250,000, WHICH CAUSED THE PUBLIC

SUPPORT PERCENTAGE TO DIP BELOW THE REGUIRED THRESHOLD IN 2010, 2011,

2012, AND 2013. HAD THE ORGANIZATION NOT RECEIVED THESE TWO GRANTS, IT

WOULD EASILY HAVE MET THE PUBLIC SUPPORT TEST FOR ALL THREE YEARS.

THE FOUNDATION SATISFIES THE FACTS AND CIRCUMSTANCES TEST BASED ON

TREASURY REGULATIONS SECTION 1.170A-9(E)(3), AND, THEREFORE, QUALIFIES AS

A PUBLIC CHARITY BECAUSE:

1) ITS PUBLIC SUPPORT IS WELL IN EXCESS OF THE 10% REQUIREMENT;

2) IT MAINTAINS AN ACTIVE PROGRAM TO SOLICIT GRANTS;

3) ITS BOARD OF DIRECTORS IS REPRESENTATIVE OF THE PUBLIC, RATHER THAN ANY DONORS' INTEREST; AND,

4) ITS PROGRAMS ARE AVAILABLE TO THE PUBLIC.

To the Board of Directors Asian Pacific Fund San Francisco, California

We have audited the accompanying financial statements of Asian Pacific Fund (a nonprofit organization), which comprise the statements of financial position as of June 30, 2014 and the related statements of activities and changes in net assets, and cash flows for the year then ended, and the related notes to the financial statements.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Asian Pacific Fund as of June 30, 2014, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

To the Board of Directors Asian Pacific Fund

As part of our audit of the June 30, 2014 financial statements, we also audited the adjustments described in Note 14 that were applied to restate the June 30, 2013 financial statements. In our opinion, such adjustments are appropriate and have been properly applied. We were not engaged to audit, review, or apply any procedures to the June 30, 2013 financial statements of Asian Pacific Fund other than with respect to the adjustments and, accordingly, we do not express an opinion or any other form of assurance on the June 30, 2013 financial statements as a whole.

#### **Prior Period Financial Statements**

The financial statements of Asian Pacific Fund as of June 30, 2013, were audited by other auditors whose report dated January 10, 2014, expressed an unmodified opinion on those statements.

#### NOTES TO FINANCIAL STATEMENTS

#### June 30, 2014 and 2013

#### 1. Organization

Asian Pacific Fund (the Fund) is a California nonprofit public benefit corporation organized in 1993. The Fund is a community fund established to improve the health and well-being of Asian Americans in the Bay Area through grants and services to agencies and collaboration with donors to fulfill their charitable goals.

### 2. Summary of Significant Accounting Policies

#### Basis of Accounting and Presentation

The financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP). Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions.

The Fund is required to report information regarding its financial position and activities in accordance with three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

### Unrestricted

Those net assets and activities which represent the portion of expendable funds that are available to support the Fund's operations. The Board of Directors may designate a portion of these net assets for specified purposes.

#### **Temporarily Restricted**

Those net assets and activities which are donor-restricted for (a) support for specific operating activities; (b) investment for a specified term; (c) use in a future period; or (d) acquisition of long-lived assets.

#### Permanently Restricted

Net assets that are subject to donor-imposed restrictions requiring that they be retained permanently by the Fund as donor restricted endowments. Some or all of the income and appreciation from such endowments, once appropriated for distribution, is available for general operations or specific programs as specified by the donor.

#### Use of Estimates

Preparation of financial statements, in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts of assets, liabilities, revenues, and expenses and to disclose any material contingent amounts. Accordingly, actual results could differ from such estimates.

#### 2. Summary of Significant Accounting Policies, continued

### Cash and Cash Equivalents

Cash and cash equivalents include cash balances and highly liquid investments with original maturities of three months or less at acquisition which are not managed as part of long-term investment strategies and are not legally restricted.

#### Pledges Receivable, net

Pledges receivable, net which are expected to be collected within one year are recorded at net realizable value. Pledges receivable, net which are expected to be collected in future years are recorded at the present value of their estimated future cash flows. Amortization of these discounts is included in contributions revenue in the accompanying statement of activities.

#### Investments

Investments are stated at fair value. The Fund has engaged professional investment advisors to manage its portfolio. The Board of Directors has provided the firms with guidelines consistent with a socially responsible prudent investment policy and the conservative nature of the Fund. Gains and losses that result from market fluctuations are recognized in the period in which such fluctuation occurs.

The Fund has approximately eleven endowment funds that are pooled for investment purposes in one investment account. Donated securities are sold immediately upon receipt. The value of donated securities is recorded at market price on the date of transfer.

#### Charitable Remainder Trusts

The Fund has been designated as the trustee for three irrevocable charitable remainder trusts, administered by Wells Fargo Bank. The trust agreements generally require the Fund to make annual payments to the trust beneficiaries based on stipulated payment rates ranging from 5% to 10%, applied to the fair value of the trust assets, as determined annually. Upon the death of the beneficiaries, or other termination of the trusts as may be defined in the individual agreements, the remaining trust assets will be distributed by the Fund to itself (and to other beneficiaries, as applicable), as stipulated in the trust agreements.

The fair value of the trust assets has been included in the Fund's statements of financial position. A corresponding liability, reported as liabilities under charitable remainder trusts in the accompanying statements of financial position, has been recorded to reflect the present value of required lifetime payments to the named income beneficiaries using discount rate of approximately 2% for each of the years ended June 30, 2014 and 2013. Management calculates valuations annually by updating life expectancy of the income beneficiaries and investment values.

Liabilities under split-interest agreements represent the present value of the investments held in charitable remainder trusts owed to remainder beneficiaries other than the Fund, at the settlement of the trusts. These liabilities are calculated as a percentage of the present value of the investments held in charitable remainder trusts. Split-interest agreements are charitable remainder trust agreements that name the Fund and one or more other charities as remainder beneficiaries.

## NOTES TO FINANCIAL STATEMENTS

June 30, 2014 and 2013

#### 2. Summary of Significant Accounting Policies, continued

#### Charitable Remainder Trusts, continued

The difference between the fair value of the assets received and present value of the obligation to named beneficiaries under the agreements is recognized as contribution revenue in the year the agreement is signed. Realized and unrealized gains and losses, interest and dividend income from the investments and payments of the obligations are reflected as adjustments to obligations under split-interest agreements in the accompanying statements of financial position. Amortization of discounts and changes in actuarial assumptions are reflected in the statements of activities and changes in net assets as a change in value of charitable remainder trusts.

#### Property and Equipment

All acquisitions and major improvements of property and equipment in excess of \$1,000 are capitalized; maintenance and repairs which do not extend the useful life of the respective assets are expensed. Property and equipment are stated at cost or, if donated, at the approximate fair value at the date of donation. Depreciation is computed using the straight-line method over the estimated useful lives on the property and equipment. Estimated useful lives range from three to seven years.

#### Scholarships and Grants Payable

Grants and scholarships are recognized in the period the grant or scholarship is approved. Grants and scholarships payable that are expected to be paid in future years are recorded at the present value of expected future payments.

#### Fair Value of Financial Instruments

Financial instruments included in the Fund's statements of financial position include cash and cash equivalents, pledges receivable, net, investments, investments held in charitable remainder trusts, accounts payable and accrued expenses, scholarships and grants payable, net, liabilities under charitable remainder trusts and liabilities under split-interest agreements. For cash and cash equivalents, pledges receivable, net, accounts payable and accrued expenses and scholarships and grants payable, net, the carrying amounts represent a reasonable estimate of the corresponding fair values. Investments, investments held in charitable remainder trusts, liabilities under charitable remainder trusts and liabilities under split-interest agreements are reflected in the accompanying statements of financial position at their estimated fair values using methodologies described below.

#### Fair Value Measurements

The Fund carries certain assets and liabilities at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In addition, the Fund reports certain investments using the Net Asset Value (NAV) per share as determined by investment managers under the so-called "practical expedient." The practical expedient allows net asset value per share to represent fair value for reporting purposes when the criteria for using this method are met.

### NOTES TO FINANCIAL STATEMENTS

June 30, 2014 and 2013

### 2. Summary of Significant Accounting Policies, continued

#### Fair Value Measurements, continued

Fair value measurement standards also require the Fund to classify these financial instruments into a three-level hierarchy, based on the priority of inputs to the valuation technique or in accordance with net asset value practical expedient rules, which allow for either Level 2 or Level 3 reporting depending on lock up and notice periods associated with the underlying funds. The Fund classifies its financial assets and liabilities according to three levels, and maximizes the use of observable inputs and minimizes the use of unobservable inputs when measuring fair value.

Level 1 - quoted prices in active markets for identical investments

Level 2 - other significant observable inputs (including quoted prices for similar instruments, interest rates, prepayment speeds, credit risk, etc.).

Level 3 - significant unobservable inputs (including the Fund's own assumptions in determining fair value instruments).

#### Endowment Funds

#### Interpretation of Relevant Law

The Board of Directors of the Fund has interpreted California's enacted version of the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment fund, absent explicit donor stipulations to the contrary. As a result, the Fund classifies as permanently restricted net assets (1) the original value of gifts donated to the permanent endowment, (2) the original value of subsequent gifts donated to the permanent endowment, and (3) additions to the permanent endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Fund in a manner consistent with the standard of prudence prescribed by the enacted version of UPMIFA.

In accordance with the State of California's enacted version of UPMIFA, the Fund considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- (1) The duration and preservation of the fund
- (2) The purposes of the Fund and the endowment funds
- (3) General economic conditions
- (4) The possible effect of inflation and deflation
- (5) The expected total return from income and the appreciation of investments
- (6) Other resources of the Fund
- (7) The investment policies of the Fund

## NOTES TO FINANCIAL STATEMENTS

June 30, 2014 and 2013

#### 2. Summary of Significant Accounting Policies, continued

#### Endowment Funds, continued

#### **Return Objectives and Risk Parameters**

The Fund has adopted investment and spending policies for endowment assets that attempt to achieve a growth in principal that will support a continuing rise in charitable distributions from its endowments, avoid a high degree of risk and ensure endowment funds will operate in perpetuity. Accordingly, the investment process seeks to achieve an after-cost total real rate of return, including investment income as well as capital appreciation, which exceeds the annual distribution with acceptable levels of risk. Endowment assets are invested in a well diversified asset mix, which includes equity and debt securities, that is intended to result in a consistent inflation-protected rate of return that has sufficient liquidity to make an annual distribution of 5%, while growing the funds if possible. Actual returns in any given year may vary from this amount. Investment risk is measured in terms of the total endowment fund; investment assets and allocation between asset classes and strategies are managed to not expose the Fund to unacceptable levels of risk.

#### Strategies Employed for Achieving Objectives

To satisfy its long-term rate-of-return objectives, the Fund relies on a total return strategy in which investment returns achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Fund targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.

#### Spending Policy

The spending rate is set each year as part of the annual budget process for the subsequent fiscal year and is calculated every quarter as a percentage of the average endowed fund balance over the previous 36 months. In accordance with donor instructions, this amount is expendable for either general or specific purposes. Appropriations made from the endowment for the years ended June 30, 2014 and 2013 were \$251,406 and \$248,224, respectively.

#### **Funds with Deficiencies**

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or UPMIFA requires the Fund to retain as a fund of perpetual duration. In accordance with accounting principles generally accepted in the United States of America, deficiencies of this nature that are reported in unrestricted net assets were \$493,416 and \$784,710 as of June 30, 2014 and 2013, respectively. These deficiencies resulted from unfavorable market fluctuations.

### Contributions

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Temporarily restricted contributions are recorded to recognize donor-imposed or timing restrictions, including bequests and split interest agreements. Permanently restricted contributions are recorded where the donor has permanently restricted the gift. In the event that the Fund receives donated securities, the securities are liquidated shortly after receipt.

#### 2. Summary of Significant Accounting Policies, continued

#### Functional Expense

The costs of the Fund's various activities have been summarized on a functional basis in the accompanying statements of activities and changes in net assets and functional expenses. Expenses are allocated to program and supporting services based on the purpose of each expenditure, services provided for each program, and the respective usage of the Fund's assets. Expenses relating to more than one function are allocated to program service, management and general and fundraising costs based on employee time and expense studies or other appropriate usage factors.

### Restricted Contributions

Donor-restricted contributions whose restrictions are met in the same reporting period are reported as unrestricted support.

#### Grants and Scholarships Expense

Grant and scholarship expenditures are recognized in the period the grant or scholarship is approved provided the grant or scholarship is not subject to significant future conditions. Conditional grants and scholarships are recognized as grants and scholarships expense and as grants and scholarships payable in the period in which the grantee or student meets the terms of the conditions. Grants and scholarships are returned to the Fund if certain conditions are not met. Returned grants and scholarships are included as a reduction of grants and scholarship expense in the accompanying statements of activities and changes in net assets.

#### Advertising Costs

Advertising costs are expensed as incurred. Advertising expense for the years ended June 30, 2014 and 2013 was \$1,780 and \$1,813, respectively.

#### Income Taxes

The Fund is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and from California franchise taxes under Section 23701d of the Revenue and Taxation Code. In addition, the Fund qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as an organization that is not a private foundation under Section 509(a).

The Fund has adopted the provisions related to accounting for uncertainty in income taxes, which defines a recognition threshold and measurement attribute for the financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. The Fund's management has considered its tax positions and believes that all of the positions taken by the Fund in its federal and state tax returns are more likely than not to be sustained upon examination. The Fund files tax returns in the U.S. federal and California jurisdictions. With few exceptions, the Fund is no longer subject to federal tax examinations by tax authorities for tax years before 2010.

#### Reclassification

Certain prior year balances have been reclassified to conform to the basis of presentation used as of June 30, 2014.

Annual Management fee (assessed quarterly):

ه.	The first \$25 million	1.00%
	Assets between \$25-\$50 million	0.75%
	Assets over \$50 million	0.50%

Minimum fee is \$100 per endowed fund

#### 11. Lease Commitment

The Fund occupies its office facilities in San Francisco under an operating lease which expires in December 2017. Rent payments are payable monthly and annually increase in January.

Future obligations to pay under the lease agreement for the years ended June 30, consists of the following:

2015	\$	55,893
2016		57,308
2017		58,723
2018		29,715
	\$	201,639

Rent expense for the years ended June 30, 2014 and 2013 was \$54,964 and \$28,330, respectively.

#### 12. Conditional Promise to Give

In October 2010, a foundation donor agreed to match contributions and firm commitments made to the Fund on a one-for-one basis up to \$5,000,000, received from July 1, 2009 through December 31, 2014. At least 50% of matched contributions must be raised directly by board members or come directly from them. The maximum amount of matching is \$1,000,000 per calendar year, paid in \$250,000 increments. Total funds collected and matched will add to existing endowed funds or create one or more new endowment funds. Funds matched under this agreement and recorded as foundation and corporate grant revenue during the years ended June 30, 2014 and 2013 totaled \$250,000 and \$1,000,000, respectively.

#### 13. Concentrations of Credit Risk

Financial instruments that potentially subject to credit risk consist primarily of cash and cash equivalents, accounts receivable, and investments. The Fund maintains cash and cash equivalents with one major financial institution. The balances held by bank are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. Cash on deposit occasionally exceeds federally insured limits. The Fund has not experienced any losses in such accounts and management believes it is not exposed to any significant credit risk.

## NOTES TO FINANCIAL STATEMENTS

#### June 30, 2014 and 2013

#### 13. Concentrations of Credit Risk, continued

The Funds credit risk is inherent principally in its investments. Adverse economic conditions either nationwide or internationally may result in a reduction of the investments carrying amount. The maximum loss on the investments would be the carrying amount in the financial statement, less amounts insured by the Securities Investor Protection Corporation (SIPC). Balances may periodically exceed SIPC limits.

As of June 30, 2014 and 2013, one donor comprised approximately 91% and 59% of the net pledge receivable balance, respectively.

For the year ended June 30, 2014, one donor contributed amounts representing 20% of total contributions and 52% of foundation and corporate grants, respectively. For the year ended June 30, 2013, one donor contributed amounts representing 54% of total contributions and 74% of foundation and corporate grants, respectively.

### 14. Prior Period Adjustments - Correction of an Error

Permanently restricted net assets and unrestricted net assets as of June 30, 2013 have been adjusted for an improper release of permanently restricted net assets during 2013. The correction has no effect on the results of 2014 activities; however, the effect increases permanently restricted net assets and decreases unrestricted net assets at the end of 2013 by \$1,000,000. Accordingly, the Fund restated its net assets released as of June 30, 2013.

## NOTES TO FINANCIAL STATEMENTS

June 30, 2014 and 2013

#### 15. Unrestricted Net Asset Deficit

The accompanying financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America, which contemplates a composition of assets to satisfy donor restrictions. However, as of June 30, 2014 and 2013, unrestricted net assets have a deficit of \$1,318,730 and \$1,002,545, respectively, which reduces the net assets available for funding amounts that are temporarily restricted and potentially encumbers permanently restricted net assets. The current year deficit in net assets of \$316,185 includes the expense for multi-year grants made during the year of \$900,000 for capacity grants, which will be funded by amounts released from a donor's endowment at the donor's direction.

### 16. Subsequent Events

The Fund has evaluated subsequent events for potential recognition and/or disclosure through December 17, 2014, the date which the financial statements were available to be issued. No additional such events exist.

# MESSAGE FROM THE CHAIR

#### Dear Friends,

Being with an organization from its inception and seeing it through its first 21 years gives one a rare and wonderful perspective. I have the privilege of being a founding board member of the Asian Pacific Fund and it will always be a source of pride that I was there from the beginning.

With that pride comes immense

appreciation for not only how far we have come but the relationships we have built over the years, both with our donors and with our affiliate organizations serving the vulnerable in our community. As you can see with this annual report, an important way of demonstrating a non-profit's viability and value is in numbers—the dollars we raise, the grants we distribute and the number of people we reach.

Numbers are also useful in communicating the needs in our community and the impact the Asian Pacific Fund is having. Asian Americans and Pacific Islanders are the fastest growing ethnic group in the country. A recent report found that we also make up more than a third of those living in poverty in San Francisco.

In the past year we have more than doubled the number of dollars we distribute in grants and we have also engaged nearly 300 new donors for our affiliates through the City and County of San Francisco's Workplace Giving Campaign.

What's harder to measure, but perhaps more important, is the trust we earn in the way we spend the dollars you give to us. Whether it is something as personal as a scholarship for a well-deserving student or a grant to help a struggling service organization learn how to fundraise more effectively, the Asian Pacific Fund always has its eye on how best to strengthen the Asian Pacific Islander community in the Bay Area. We thank you for your trust and look forward to continuing our partnership with you in improving the quality of life for others.

Sincerely yours,

Emerald yeh

# RECOGNIZING OUTSTANDING LEADERSHIP

# LEADERSHIP IN PHILANTHROPY AWARD

Each year, the Fund's Board of Directors selects an individual who has achieved significant success while also making a difference by giving back. Steve Chen, Co-Founder of YouTube, has been a role model for the next generation of philanthropists and is the recipient of the 2014 Leadership in Philanthropy Award. Steve was instrumental in building YouTube, which has had a profound impact on the way we communicate, learn and connect. In 2013, he made a \$1 million gift to his alma mater, the Illinois Mathematics and Science Academy. His gift will go towards the creation of the "Innovation Hub," a facility to support student entrepreneurship. Steve is also a strong supporter of organizations in the Bay Area, including the Asian Art Museum and UCSF.

## GROWING UP ASIAN IN AMERICA 2014: HOW FOOD SHAPES OUR IDENTITY

Food has always been a way to connect us with our families and communities. This year, we asked K-12 students across the Bay Are; to share how food plays a role in their lives as Asian and Pacific Islanders growing up in America. Nearly 1,200 students submitted art, poetry and video entries for our 19th annual Growing Up Asian in America program. Students shared how food shapes their identity by connecting them with their family's stories, recipes and traditions. This is what a few of this year's winners shared with us:

"Even if I can't get on a plane, I've found that I can travel across oceans and continents in just a few bites! When I eat Asian food, it makes me feel like I'm back in Nepal with my family. Food helps me remember where I'm from."

"An Asian in America" by Lakpa G., Grade 6, San Francisco

"My Family Tradition" Justin I., Grade 2, Pleasanton

"My Korean Heritage" Rhee`K., Grade 8, San Jose

"Daddy" Yulun L., Grade 11, Los Altos

"Eating my favorite dishes like 'Sinigang' and 'Adobo' lifts me to heights of nostalgia, bringing me back to my vibrant past in the Philippines."

"Food for Thought and After Thoughts" by Agnes B., Grade 10, Vallejo

Many thanks to the following Advisory Committee members for helping to plan and shape this year's program: Sally Carlson, Carlson Beck; Lance J. Lew, NBC Bay Area; Sandy Wee, San Mateo County Library; Vicky Wong, DAE Advertising, Inc.; Andrea Yamazaki Williamson, Multicultural Radio Broadcasther. Inc.; Jennifer Yin. Asian Art Museum

# SELEDIDING LIGHT ON OPI NEEDS

There is often a lack of awareness of the challenges faced by the API community. This perception means that many groups that provide essential services to the Asian community are overlooked and struggle to find funding. The Asian Pacific Fund supports organizations that serve our most vulnerable community members and brings attention to the hidden struggles that many Bay Area APIs face.

# HIDDEN STRUGGLES OF THE BAY AREA'S API COMMUNITY

# POVERTY

Poverty among APIs living in San Francisco jumped by 43% in a five year period. Asians now make up the largest ethnic group living in poverty in the city.

HEALTHCARE

Alameda County is one of the top counties with medically underserved API populations in the nation. As a result, many APIs living in Alameda County are struggling to access quality healthcare.

ASIANS

#### PACIFIC Islanders

# UNEMPLOYMENT

The unemployment rate of Asians (7%) and Pacific Islanders (14%) in San Francisco is substantially higher than the city average (5%).

# HOUSING

AVERAGE

In Santa Clara County, APIs make up 39% of households living in subsidized housing, the highest rate of any racial group.

# **VOICE IN THE COMMUNITY**

Only 31% of Asian Americans turn out to vote. Though they are the fastest growing racial group in the United States, Asian Americans continue to have one of the lowest voter turnout rates among all racial groups.

Naren Gupta has dedicated his life to building innovative companies. He co-founded Integrated Systems Inc. and today leads Nexus Venture Partners, one of the strongest venture capital funds in India. In between his business trips and his passion for world travel, Naren has also made time to champion the causes in the Bay Area that are important to him. He has been a long-time supporter of the Asian Pacific Fund and recently became part of the Leadership Circle for our Endowment Campaign.

Naren values the impact the Fund has and appreciates its work to encourage others to give back. According to Naren, "The way I think about all donations is the impact my donation has on society, on special individuals. And if you dig deep into Asian Pacific Fund's activities, we probably get the most benefit out of every GMJ ar we spend."

# C<sup>14</sup>ANGING LIVES THROUGH PHILANTHROPY

# ANTS TO OUR COMMUNITY

ver the past year, the Asian Pacific Fund has ibuted nearly a half a million dollars in grants donor advised funds and our own grant making tives. In 2014, we launched a Capacity ding and Civic Engagement Initiative that ses on strengthening the sustainability impact of non-profits who serve our t vulnerable API community members. It ides \$300,000 per year for three years to a cohort community partners. Our grants are supporting. investments in areas like leadership development, raising and technology upgrades.

e designed this new initiative based on direct : from the executive directors of our affiliate nizations who told us that long-term capacity ing is a top priority, yet funding for these efforts en the hardest to secure.

## WHAT OUR PARTNERS ARE SAYING

"The Asian Pacific Fund approaches its relationship with community-based organizations from a partnership and supporter perspective by engaging at higher level organizational empowerment. This fills the gap in the foundation sector where most of the relationships are based on just program deliverables."

> June Lee, Executive Director Korean Community Center of the East Bay

"It's fortunate for us that the Asian Pacific Fund really sees that there's a need to provide services to the API community, and specifically to the most vulnerable groups, like Southeast Asians. The Fund recognizes these needs and supports these needs, which is unique."

> Judy Young, Executive Director Vietnamese Youth Development Center

"It is extremely gratifying to see the Asian Pacific Fund be so responsive to input from its affiliates, and to take such interest in making our organizations stronger-beyond giving out funding."

> Vincent Pan, Executive Director CAA

Congratulations to our Capacity Building and Civic Engagement Initiative grant recipients: Asian & Pacific Islander Wellness Center, Asian Immigrant Women Advocates, Asian Pacific American Community Center, Asian Women's Shelter, CAA, Community Youth Center of San Francisco, East Bay Asian Youth Center, Filipino Advocates for Justice, International Children Assistance Network, Korean Community Center of the East Bay, Maitri, Vietnamese Youth Development Cer Collectively, these groups will reach over 20,000 API youth and adults as part of this initiative.

Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. #### NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### Organization

Bay Area Black United Fund, Inc. (BABUF) is a not-for-profit organization incorporated under the laws of the State of California in 1976. Through the community outreach program the primary mission of the corporation is to promote and build partnerships between the Bay Area Black United Fund and organizations that, together, maximize our capacity to serve African American people and other communities of color.

In pursuit of its mission, the Bay Area Black United Fund, Inc.'s primary goal is to build selfreliance and self-sufficiency in communities we serve by building institutions that seek solutions to community needs, and will "teach people how to fish" for themselves. While BABUF's initial focus has been on the black community, the institution has, through the years, demonstrated its capability and desire to respond to the changing demographics of its service area.

The BABUF family of assisted agencies, in the future, will include the Latino, Asian, and Native American communities, as well as the homeless population, where race makes little or no difference. We will bring together resources-people, competency, and money-in ways that support human growth and development, and community healing and renewal for African American people and other communities and activities aimed at increasing the quality of life for African American communities.

#### Basis of Presentation

The Organization receives various funds one of which is unrestricted, and the rest are permanently restricted. The permanently restricted funds are used to support specific programs within the Organization. The unrestricted funds are used to support general and administrative functions of the Organization as well as additional support of other programs.

The accompanying financial statements have been prepared to focus on the Organization as a whole and to present balances and transactions according to the existence or absence of donor-imposed restrictions. This has been accomplished by classification of net assets and transactions into the following classes of assets:

*Temporarily Restricted Net Assets* - Net assets subject to donor-imposed stipulations that they be maintained by the organization.

Unrestricted Net Assets - Net assets not subject to donor-imposed stipulations.

#### NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### **Basis of Accounting**

The Organization's books are maintained, and the financial statements have been prepared, on the accrual basis of accounting in accordance with generally accepted accounting principles.

#### **Revenue Recognition**

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions.

All donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction.

When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished) temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

#### Cash and Cash Equivalents

For purposes of the balance sheets and statement of cash flows, the Company considers all highly liquid investments, which are readily convertible into known amounts of cash and have a maturity of three months or less when acquired to be cash equivalents.

#### Fixed Assets

Furniture and equipment are capitalized using the straight-line method. Donated assets are recorded at fair market value at the time the assets are received. The Organization has established a capitalization policy to capitalize all purchases of \$500 or more of furniture and equipment. Depreciation is provided using the straight-line method over the expected useful lives of the asset. At December 31, 2012, the Organization incurred \$356 in depreciation expense.

#### Income Taxes

BABUF has obtained determination letters from the Internal Revenue Service and the California Franchise Tax Board to the effect that BABUF qualifies under Section 501(c)(3) of the Internal Revenue Code (IRC) and Section 23701(d) of the California Tax Code. Accordingly, the primary operations of BABUF are currently considered exempt from federal income and state franchise taxes.

#### NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### Fair Value of Financial Instruments

The carrying amounts of cash and cash equivalents approximate fair values due to the short-term maturities of these instruments.

#### Use of Estimates

The presentation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclose of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

#### Promise to give

Pledges receivable consists of amounts due from funding sources, as described in Note 3.

#### Investments

Generally accepted accounting principles require that nonprofit organizations report certain investments at fair value. In accordance with that guidance, the Organization accounts for its equity securities that have readily determinable market values by recording and reporting those securities at fair value. Information about the fair value of investments and the unrealized gains and losses is discussed in Note 4.

#### Functional Expense Reporting

The cost of providing the Organization's programs has been summarized on a functional basis in these financial statements. Based on management estimates, costs have been allocated between programs and supporting services.

#### **Comparative Information**

The financial statements include certain summarized comparative information from the prior year. This information is presented in total and not by net asset class and does not include sufficient detail to be in conformity with generally accepted accounting principles. African American Health

Empowering Individuals African American Health Summit-**Critical Mass Health** Conductors

#### Critical Mass Health Conductors 14

The Critical Mass Health Conductors (HC) program is the preeminent behavioral health modification strategy created by and for the Black community. Begun in 2005, HC recruits, educates and trains volunteers during a four month "class" utilizing an afro-centric curriculum. During the process, participants become empowered through self-awareness, group support and guidance from a trained "Conductor" to embrace a personalized behavioral health modification strategy that becomes the framework for a life changing experience. Upon graduation, each participant receives a Health Conductor number that designates their "passage" into an empowered life of individual and community health advocacy. Over 900 Bay Area residents are Health Conductors. Check out our website at www.babuf.org or call us at (510) 763-7270 to find out how to join the next Health Conductor class.

#### Health Conductors (X) 2014

Based upon the Health Conductor model, the new curriculum will focus on engaging a young generation, 18-30 years old, in a behavioral health modification with a health intervention and community leadership component. The goal of this Conductor model is to develop life changing behaviors and attitudes earlier to avert potential chronic disease conditions. The behavior modification will focus on both face to face and online strategies. Look for the Health Conductors (X) program in the Fall of 2014.

#### African American Health Leadership Forum

The health and wellness of the Black community is the health of every community. The African American Health Leadership Forum, scheduled for October 2014 will empower, educate and galvanize attendees. With representatives from local, state and national institutions, this two day Health Leadership Forum will focus on the needs of youth, strategies to empower and improve our health and wellness and create an agenda to drive community change. Visit our website at www.babuf.org to learn more about the 2014 Forum.

#### Bay Area Black L :ed Fund (BABUF) Black in the Bay

As an intermediary, BABUF connects the community—you, churches, CBO's to funders—businesses, foundations, and government agencies. Through that connection, we ensure much needed services are available to Black residents in the nine county regions.

We have reprioritized our service to the Bay Area Black community by focusing on the critical issues that define the health and vitality of our region. We focus on five key areas of development and represent organizations that are successfully delivering high quality services to communities of color.

What are the community development areas we prioritize?

- Education-It's the cornerstone of economic and social advancement
- Health and Wellness--Physical and emotional health is the foundation of a long life
- **Violence Elimination**--No one should live with neighborhood violence and it's traumatic effect on the human condition
- Black men and boys--We cannot stand on the sidelines and watch social genocide happen
- Workforce Development and Economic Viability-Local businesses, grocery stores, training programs, etc. are essential to building our communities from within.

#### Improving the quality of life in the Black community, improves the quality of life in every community.

Our strategies for achieving community impact prioritize results over activities.

- Advocacy-leading and promoting the causes, issues and solutions
- Convening- creating the space to keep the issues out front
- Direct Services--revising Health Conductors and bringing it to a younger generation
- Strategic Partnerships-collaborating with institutions at the forefront of change
- Provides capacity enhancing services that address the fiscal and administrative needs of community based organizations
- Communicating—utilizing both on-line and traditional media strategies to ensure that Black issues stay relevant

### NOTES TO FINANCIAL STATEMENTS

### June 30, 2013

## NOTE 1 NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### Organization:

Community Health Charities of California (the "Organization") is a non-profit corporation in the state of California. The Organization changed to its current name on July 1, 1999 by filing an amendment to the Articles of Incorporation with the California Secretary of State to change to the current name. The Organization has been in existence since July, 1971.

The Organization is affiliated with he national organization of Community Health Charities and participates in employee giving campaigns nationwide which links the region's employees with the opportunity to give to America's leading health charities.

### Nature of activities:

Community Health Charities of California (CHC) was organized to provide employers and employees, on a statewide basis an effective, economical and convenient method to give financial support to CHC charitable member agencies and non-member agencies through cash donations and payroll deductions.

The accounting policies of CHC conform to those recommended by the Committee on Voluntary Health and Welfare Organizations of the American Institute of Certified Public Accountants.

### **Basis of Presentation**

In accordance with generally accepted accounting principles the Organization is required to report information regarding its financial position and activities according to three classes of net assets; unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. Unrestricted net assets are not subject to donor-imposed stipulations. Temporarily restricted net assets are subject to donor-imposed stipulations that will be met either by actions of the organization and/or the passage of time. Permanently restricted net assets are subject to limited by donor-imposed stipulations that neither expire by passage of time nor can be fulfilled or otherwise removed by actions of the Organization.

As of June 30, 2013, unrestricted net assets were \$1,503,828. There were no temporarily restricted or permanently restricted net assets.

### **Recognition of Pledges, Revenues and Expenses:**

Pledges and revenue are accounted for on the accrual basis of accounting. Statewide campaigns for support and contributions are conducted annually. Pledges obtained from campaigns run during the current period are recognized as support in the current accounting period. Fund-raising expenses are deducted in the period incurred.

## NOTES TO FINANCIAL STATEMENTS (Continued)

### June 30, 2013

### Public Support and Contributions:

Annual campaigns are conducted in the Fall to obtain pledges to support member agencies via the workplace payroll deduction programs offered by participating governmental agencies and other organizations. Payroll deductions begin in January of the subsequent year. Donors may designate their support to either a specific member agency, a non-member agency, a local non-participating agency, or indicate that their contribution is undesignated. Designated support is presented on the statement of activities as "amounts raised on behalf of others". Undesignated support, which includes pledges not designated to a specific agency, is presented as contributions.

All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as temporarily restricted or permanently restricted support. When a temporary restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restriction.

### Distributions to Member Charities

All contributions are deemed by the Organization to be designated by donors to member charities. Contributions received by the Organization are allocated to member charities as specifically designated by the donor. Undesignated contributions are recorded as revenue of the organization. Contributions are distributed to member charities annually, less an allowance for uncollectable amounts and administrative charges. The Organization distributes the receipts from a given campaign proportionately according to the gross designation reports provided for the various campaigns. Distributions are generally made on a quarterly basis after completion of the campaign year. For the year ended June 30, 2013, campaign support received as a result of the fall 2011 campaign was distributed in the third and fourth quarters of 2012 and the first and second quarters of 2013.

### Cash and cash equivalents:

Cash equivalents are considered to be short-term, highly liquid investments with original maturities of three months or less.

### Pledges receivable and allowance for uncollectable pledges:

Pledges receivable represent pledges from the 2012 campaign which have not been collected as of June 30, 2013.

The allowance for uncollectable pledges represents an estimate of total campaign pledges receivable which will ultimately not be collected. Management's determination of the allowance is based on historical collection experience.

## NOTES TO FINANCIAL STATEMENTS (Continued)

### June 30, 2013

#### Property and equipment:

CHC follows the practice of capitalizing all expenditures for property and equipment in excess of \$500 and the fair value of any similar assets donated. Depreciation is provided over the estimated useful lives of the assets (primarily 3 years) using a straight-line basis.

### Agency distributions:

Agency allocations represent distributions of available funds to member agencies. Distributions are allocated to member agencies based on the member's proportion of the total designated support.

### Distributions payable and allowance for uncollectable pledges:

Distributions payable represent designated support received and receivable from the 2012 campaign which is to be distributed to specific agencies. An allowance was established to give effect to the reduction in net distributions payable for those designated pledges receivable which are estimated to be uncollectable.

### Functional expenses:

CHC allocates its support service expenses on a functional basis according to time records and estimates made by management. Expenses which can be identified with a specific purpose are allocated directly according to their natural expenditure classification. ## NOTES TO FINANCIAL STATEMENTS (Continued)

## June 30, 2013

### Income Taxes:

CHC has received a notice of exemption from income taxes under Section 501(c)(3) of the Internal Revenue Code

The Organization uses a loss contingencies, approach for evaluating uncertain tax positions and continually evaluates expiring statutes of limitations, audits, proposed settlements, changes in tax and new authoritative rulings. The Organization believes that it has appropriate support for any tax positions taken, and as such, does not have any uncertain tax positions that are material to the financial statements.

### Use of Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

#### Concentration of Credit Risk:

Financial instruments that potentially subject CHC to concentrations of credit risk consist principally of pledges receivable. Pledges receivable are due from a large number of donor organizations across different industry and geographic areas, primarily in California.

#### Subsequent Events:

Management has evaluated subsequent events through December 24, 2013, the date which the financial statements were available to be issued.

### NOTE 2 INVESTMENTS

Investments consist of bank certificates of deposit and are stated at fair value based on quoted prices in active markets (all Level 1 measurements). Certificates with an original investment of \$300,000. The certificates of deposit have interest rates from 1.05% to 1.50% and maturities from June, 2013 to January, 2015.

### NOTE 3 EMPLOYEE BENEFIT PROGRAM

CHC contributes 7% of eligible compensation to a 403(b) plan for employees. Employees vest in the balance after three (3) years. Contributions to the program were \$47,057 for the year ended June 30, 2013 and \$64,105 for the year ended June 30, 2012.

Dear Sir or Madam:

This letter is in response to your letter dated December 16, 1999 requesting a change of address.

Our records indicate that a determination letter issued in September 1971 granting your organization exemption from federal income tax under section 501(c)(3) of the Internal Revenue Code. That letter is still in effect.

Based on Information subsequently submitted, we classified your organization as one that is not a private foundation within the meaning of section 509(a) of the Code because it is an organization described in sections 509(a)(1) and 170(b)(1)(A)(vi).

This classification was based on the assumption that your organization's operations would continue as stated in the application. If your organization's sources of support, or its character, method of operations, or purposes have changed, please let us know so we can consider the effect of the change on the exempt status and foundation status of your organization.

Your organization is required to file Form 990, Return of Organization Exempt from Income Tax, only if its gross receipts each year are normally more than \$25,000. If a return is required, it must be filed by the 15th day of the fifth month after the end of the organization's annual accounting period. The law imposes a penalty of \$20 a day, up to a maximum of \$10,000, when a return is filed late, unless there is reasonable cause for the delay.

All exempt organizations (unless specifically excluded) are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of \$100 or more paid to each employee during a calendar year. Your organization is not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Organizations that are not private foundations are not subject to the excise taxes under Chapter 42 of the Code. However, these organizations are not automatically exempt from other federal excise taxes.

Donors may deduct contributions to your organization as provided in section 170 of the Code. Bequests, legacles, devises, transfers, or gifts to your organization or for its use are deductible for federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

### Dear Sir or Madam:

This letter is in response to your telephone call requesting a copy of your organization's determination letter. This letter will take the place of the copy you requested.

Our records indicate that a determination letter issued in November 1982 granting your organization exemption from federal income tax under section 501(c)(3) of the Internal Revenue Code. That letter is still in effect.

Based on information subsequently submitted, we classified your organization as one that is not a private foundation within the meaning of section 509(a) of the Code because it is an organization described in sections 509(a)(1) and 170(b)(1)(A)(vi).

This classification was based on the assumption that your organization's operations would continue as stated in the application. If your organization's sources of support, or its character, method of operations, or purposes have changed, please let us know so we can consider the effect of the change on the exempt status and foundation status of your organization.

Your organization is required to file Form 990, Return of Organization Exempt from Income Tax, only if its gross receipts each year are normally more than \$25,000. If a return is required, it must be filed by the 15th day of the fifth month after the end of the organization's annual accounting period. The law imposes a penalty of \$20 a day, up to a maximum of \$10,000, when a return is filed late, unless there is reasonable cause for the delay.

All exempt organizations (unless specifically excluded) are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of \$100 or more paid to each employee during a calendar year. Your organization is not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Organizations that are not private foundations are not subject to the excise taxes under Chapter 42 of the Code. However, these organizations are not automatically exempt from other federal excise taxes.

Donors may deduct contributions to your organization as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to your organization or for its use are deductible for federal estate and gift tax purposes if they meet the applicable proviging of sections 2055, 2106, and 2522 of the Code.

### 20,9 JATOT

## Environmental Federation of California 94-2840364

Your organization is not required to file federal income tax returns unless it is subject to the tax on unrelated business income under section 511 of the Code. If your organization is subject to this tax, it must file an income tax return on the Form 990-T. Exempt Organization Business income Tax Return. In this letter, we are not determining whether any of your organization's present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

The law requires you to make your organization's annual return available for public inspection without charge for three years after the due date of the return. You are also required to make available for public inspection a copy of your organization's exemption application, any supporting documents and the exemption letter to any individual who requests such documents in person or in writing. You can charge only a reasonable fee for reproduction and actual postage costs for the copied materials. The law does not require you to provide copies of public inspection documents that are widely available, such as by posting them on the internet (World Wide Web). You may be liable for a penalty of \$20 a day for each day you do not make these documents available for public inspection (up to a maximum of \$10,000 in the case of an annual return).

Because this letter could help resolve any questions about your organization's exempt status and foundation status, you should keep it with the organization's permanent records.

If you have any questions, please call us at the telephone number shown in the heading of this letter.

This letter affirms your organization's exempt status.

Sincerely.

### Independent Auditors' Report

Board of Directors Environmental Federation of California, Inc.

We have audited the accompanying financial statements of Environmental Federation of California, Inc., (operating as EarthShare California) which comprise the statement of financial position as of June 30, 2013, and the related statements of activities, cash flows, and functional expenses for the year then ended, and the related notes to the financial statements.

#### Management Responsibility for the Financial Statements

Management is responsible for the preparation of fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Environmental Federation of California, Inc. as of June 30, 2013, and the changes in its net assets and its cash flows for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

#### NOTES TO FINANCIAL STATEMENTS

#### June 30, 2013

#### NOTE A -- Nature of the Federation

Environmental Federation of California, Inc. (the Federation), which operates as EarthShare California, was established in 1982 as a coalition of various independent environmental groups (affiliated organizations). The primary purpose of the Federation is to broaden its affiliates' financial support by obtaining access to and coordinating participation in corporate and governmental payroll deduction fundraising campaigns throughout California. This support will help: (1) prevent human health problems from air, water and toxic pollution; (2) preserve and conserve fresh water, marine and land resources; and (3) develop educational programs which promote a sound and balanced use of our natural resources. The Federation represents 83 environmental organizations in over 187 workplace-giving campaigns.

For an organization to be accepted in the Federation, the organization must meet the qualifications specified in the Federation's by-laws. The Board of Directors determines the acceptance of a new member organization. The new member organizations are required to pay a joining fee of \$5,000 plus 10% of their respective net income from distributions for the first three years. Member organizations are required to perform a minimum of 30 service hours per year. Undesignated monies, less expenses, are normally divided 60/40 between local/common members and national members. The Federation can choose to apply for a different split, on a year-by-year basis (see Note H). Local and common members receive an equal share of the Federation's undesignated monies less expenses and any other member fees levied by the Board of Directors. There are currently 46 local and common members in the Federation.

#### NOTE B -- Summary of significant accounting policies

#### Basis of accounting

The Federation maintains its accounting records and prepares its financial statements on the accrual basis.

#### Cash and cash equivalents

For the purpose of the Statement of Cash Flows, the Federation considers cash and cash equivalents to consist of demand deposits as well as cash on hand.

#### Pledges

Unconditional promises to give (pledges) are all expected to be collected within one year and are recorded at their net realizable value, net of uncollectible pledges. Conditional promises to give are not included as contributions until such time as the conditions are substantially met.

#### Allowance for uncollectible pledges

The allowance for uncollectible pledges is an estimate of annual campaign payroll pledges receivable that will not be collected. The estimate is based on collection history of prior year campaigns and is offset against campaign contribution revenue.

#### NOTES TO FINANCIAL STATEMENTS (Continued)

#### June 30, 2013

#### **NOTE B** -- Summary of significant accounting policies (continued)

#### Property and equipment

Property and equipment with useful lives of greater than one year costing \$1,000 or more are capitalized and are recorded at cost, or fair value if donated. Capitalized property and equipment are depreciated over their estimated useful lives of three to seven years on the straight-line basis. Donated material and equipment are recorded as contributions at their estimated value on the date of receipt.

#### Net assets

The Federation classifies its net assets and activities into one of three categories:

<u>Unrestricted</u>: Those net assets and activities which represent the portion of expendable funds available to support operations. A portion of these net assets may be designated by the Board of Directors for specific purposes.

<u>Temporarily restricted</u>: Those net assets and activities which are donor-restricted for: (a) support of specific operating activities; (b) investment for a specified term; (c) use in a specified future period; or (d) acquisition of long-lived assets. The Federation had \$4,711 of net assets temporarily restricted for specific activities and future periods at June 30, 2013.

<u>Permanently restricted</u>: Those net assets and activities which are permanently donor-restricted for holdings of: (a) assets donated with stipulations that they be preserved and not be sold; or (b) assets donated with stipulations that they be invested to provide a permanent source of income. The Federation has no permanently restricted net assets at June 30, 2013.

The expiration of a donor-imposed restriction on a contribution is recognized in the period in which the restriction expires. This occurs by increasing unrestricted net assets and decreasing temporarily restricted net assets in the Statement of Activities, and the release from restrictions is reported separately from other transactions.

#### **Recognition of public support and allocations**

The annual campaigns at worksites are conducted primarily in the fall of each year to raise support for allocations to the affiliated organizations. Donor contribution revenue is recognized as pledges are made based on donor pledge forms or employer summarized information. For campaigns where there is no such information, pledges are estimated based on prior year actual collections and allocations.

Contributions are allocated to affiliated organizations to the extent the donor designates a preference. The total amount of contributions allocated to affiliated organizations is ultimately determined by the Board of Directors.

#### NOTES TO FINANCIAL STATEMENTS (Continued)

#### June 30, 2013

#### NOTE B -- Summary of significant accounting policies (continued)

#### **Recognition of public support and allocations (continued)**

Affiliated organizations also receive contributions directly from donors or third party processors that are attributable to the Federation's annual worksite campaigns. The affiliated organizations are required to send these contributions to the Federation, so that these amounts may be recognized in the Federation's gross campaign results, and distributed appropriately. Management believes that not all of these direct payments are properly routed through the Federation, and the amounts may be significant, but difficult to ascertain.

#### Grants

Grants are recorded as revenue in accordance with generally accepted accounting principles. Revenue that is donor-restricted is included in temporarily restricted net assets. As the restrictions are met, the revenue is shown as a release from restrictions and transferred from temporarily restricted net assets to unrestricted net assets.

#### Contributed goods and services

The Federation's policy is to recognize the fair value of certain contributed goods and services received as both revenue and an offsetting expense in accordance with generally accepted accounting principles. Such donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose. During the year ended June 30 2013, the value of contributed goods and services included as an in-kind donation in the accompanying financial statements was \$950 and consisted of the use of facilities for the Federation's annual general meeting. Other notable volunteer time that does not require recognition in the financial statements totaled over 1,600 hours during the year ended June 30, 2013.

#### Functional allocation of expenses

The costs of providing the program services and supporting activities of the Federation is summarized in the Statement of Activities and in the Statement of Functional Expenses. Expenses that can be directly identified with a specific function are allocated directly to that function. Expenses that cannot be directly identified with a specific function are allocated among the program services and the supporting activities benefited. Occupancy related expense allocation is based on the square footage of the space used. Personnel related expense allocation is based on the staff time spent on each function.

The Federation reports its expenses on a functional basis as follows:

 Program services include specific campaign activities and educational efforts on the part of the Federation, as well as activities dealing with and providing information and referral for member agencies. Additionally, program services also include activities expenses related to the management of existing campaigns.

#### See auditors' report.

#### NOTES TO FINANCIAL STATEMENTS (Continued)

#### June 30, 2013

#### NOTE B - Summary of significant accounting policies (continued)

#### Functional allocation of expenses (continued)

• General and administrative relates to all Federation overhead activities, including management and general aspects that are not related to fundraising or program activities.

#### Income taxes

The Federation is a qualified organization exempt from federal and California income taxes under the provisions of Sections 501(c)(3) of the Internal Revenue Code and 23701d of the California Revenue and Taxation Code. Therefore, no provision for federal or California income tax is reflected in the financial statements.

The Federation's income tax returns are subject to examination by federal and state taxing authorities, generally for three years and four years, respectively, after they are filed. The Federation believes that there are no material uncertain tax positions which require adjustment to the financial statements or additional footnote disclosure.

#### Use of estimates

Management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from management's estimates. Significant estimates include accrual of pledges receivable and the provision for uncollectible pledges.

#### <u>NOTE C</u> – Concentration of credit risk

Financial instruments that potentially subject the Federation to a concentration of credit risk consist primarily of cash and pledges receivable. The Federation maintains its cash in several accounts at one bank. The combined balance at times may exceed federally insured limits. Pledges receivable consist of promises from individuals to give through workplace giving campaigns. The Federation has not experienced any losses in these accounts and believes it is not exposed to any significant credit risk. A shrinkage allowance is recognized for expected uncollectible pledges. Management does not expect results to differ significantly from net pledge revenue recognized.

Dear Taxpayer:

This is in response to your June 23, 2014, request for information regarding your tax-exempt status.

Our records indicate that you were recognized as exempt under section 501(c)(3) of the Internal Revenue Code in a determination letter issued in MAY 1983.

Our records also indicate that you are not a private foundation within the meaning of section 509(a) of the Code because you are described in section(s) 509(a)(1) and 170(b)(1)(A)(vi).

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Please refer to our website www.irs.gov/eo for information regarding filing requirements. Specifically, section 6033(j) of the Code provides that failure to file an annual information return for three consecutive years results in revocation of tax-exempt status as of the filing due date of the third return for organizations required to file. We will publish a list of organizations whose tax-exempt status was revoked under section 6033(j) of the Code on our website beginning in early 2011.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

## Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

BDO USA, LLP, a Delaware limited liability partnership, is the U.S. member of BDO International Limited, a UK company limited by guarantee, and forms part of the international BDO network of independent member firms.

## Notes to Financial Statements

## 1. Summary of Accounting Policies

## Organization Purpose

Global Impact's vision is to be the leader in growing global philanthropy and its mission is to build partnerships and resources for the world's most vulnerable people. Its primary activities include:

- a) Participating in nearly 450 workplace giving campaigns including the federal government, state governments, local governments and private workplaces to provide a means for employees of participating institutions to donate either to Global Impact or to its more than 120 member charities;
- b) Creating alliances with funding organizations to address specific relief or development needs in developing countries;
- c) Provide philanthropic services including campaign management services, secretariat services, focused signature and high impact fund campaign management services including employer-based emergency relief campaigns, advisory services, support services, state charitable registration services and the management of donor advised funds;
- d) Distribute funds raised on behalf of member charities to them based on criteria established by the Board of Directors;
- e) Adherence to distributions formulae established by the Board of Directors for other funds raised; and
- f) Performing such other charitable and educational activities as may be necessary in order to support or accomplish the foregoing.

## Basis of Accounting

Global Impact's financial statements are prepared using the accrual basis of accounting.

#### Cash and Cash Equivalents

Global Impact considers cash on hand, deposits in banks, and investments purchased with an original maturity of three months or less to be cash and cash equivalents other than those included in Global Impact's investment portfolio.

### Pledges Receivable

Pledges are recorded in the financial statements upon receipt of pledge information from the campaigns. Global Impact honors designations made to each member organization. As all pledges are expected to be collected within one year, they are recorded at their net realizable value. This is achieved by creating an allowance for estimated uncollectible pledges and for estimated campaign expenses. At the end of each fiscal year, any amounts receivable from the previous year's campaign are written off. Subsequent receipts relating to such amounts are set off against the shrinkage expense.

## Notes to Financial Statements

## Accounts Receivable

Accounts receivable consists primarily of amounts due from member charities and other corporate clients for which Global Impact provides advisory, cooperative advertising, secretariat services, and fund management services. There is no allowance for doubtful accounts due to management's belief that all accounts receivable are collectible.

#### Investments

Investments are stated at fair value. Shares of mutual funds are valued at quoted market prices which represent the net asset value of shares held by Global Impact at year-end.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is accrued when earned. Dividends are recorded on the ex-dividend date. Unrealized and realized gains and losses are included in the statements of activities.

## Property and Equipment

Property and equipment with unit values in excess of \$1,000 are recorded at cost. Depreciation is provided for using the straight-line method of depreciation over the estimated useful lives of the assets which range from three to ten years. Leasehold improvements are amortized on the straight-line basis over the lesser of the estimated service lives of the assets or the remaining lease term. Assets acquired under capital leases are recorded at the lower of the present value of the future minimum lease payments or the fair value of the assets. The assets are amortized over the lesser of the related lease term or their estimated useful life. Cost and related accumulated depreciation and amortization are removed from the accounts when the assets are disposed of, with any gain or loss recognized currently. Repairs and maintenance are charged to expense when incurred.

#### Campaign Funds Payable to Member Charities

Pledges that are designated to charity alliance members are recorded as campaign funds payable to member charities. Cash received from campaigns is distributed to each participating member charity in the ratio of its designated pledges to total Global Impact pledges from the relevant campaign. Prior to the monthly distribution of the campaign receipts to the member charities, Board approved expenses less undesignated pledges and other non-designated revenues are deducted on the same ratio as designated pledges and are recorded as administrative charges for raising funds on behalf of others.

## Deferred Rent Liability

A deferred rent liability has been recorded to reflect the benefit of lease incentives in the lease of the office space. The benefits of the lease incentives, including free rent and a tenant improvement allowance, are being recognized ratably over the term of the lease.

## Notes to Financial Statements

#### **Unrestricted Net Assets**

Global Impact's unrestricted net assets are composed of the following:

#### Available for General Use

Unrestricted amounts to be used for Global Impact's ongoing operations.

### Microsoft Gift Fund

In 2012, the Board authorized the establishment of a fund in which to record an in-kind gift of software from Microsoft. The fund is reduced by the amount of the annual amortization expense pertaining to the software.

## Opportunity Fund

The Board authorized this fund in 1994 to make funds available for new opportunities in accordance with the mission of Global Impact.

## Temporarily Restricted Net Assets

Global Impact reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets by time or purpose. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities as net assets released from restrictions.

### Revenue Recognition

Revenue is recognized in the period in which it is earned. Revenue received in advance is deferred to the applicable period. Some workplace campaigns choose to distribute employee charitable contributions directly to member charities. Campaigns in which Global Impact and its funded charities actively participate are recorded based on campaign reports received from the employee campaigns. These direct payments are presented under amounts raised in campaigns in the statements of activities.

## **In-Kind Contributions**

Donated property and equipment is recorded at fair value at the date of donation. If the donors stipulate how long assets must be used, the contributions are recorded as restricted support. In the absence of such stipulations, contributions of property and equipment are recorded as unrestricted support.

Global Impact records donated services, including consulting and speaker fees, at their estimated fair value when they create or enhance nonfinancial assets or they require specialized skills which would need to be purchased if they were not donated. For the years ended June 30, 2014 and 2013, Global Impact received in-kind contributions of \$4,935 and \$0, respectively, that were recorded under in-kind contributions in the statements of activities.

545

## Notes to Financial Statements

#### Expenses

Expenses are recognized by Global Impact during the period in which they are incurred. Expenses paid in advance and not yet incurred are deferred to the applicable period.

Donor advised funds consist of amounts distributed to member charities and other charities from contributions raised through workplace giving under donor advised fund agreements. Non-recurring giving for international relief and development are non-recurring contributions made for disaster response and other programs from sources other than annual workplace giving campaigns. As described in Note 12, CFC campaigns expense consists of amounts distributed to CFC Overseas charities in 2013 as required by OPM as a result of the OPM/OIG audit of Fall 2010 and 2009 campaigns.

Campaign support consists of costs associated with increasing overall recognition and representation of funded charities; costs that benefit the overall campaign; and expenses incurred under cost-sharing arrangements. Special programmatic services expenses consist of costs associated with advisory, fiscal agent, grant, signature and high impact fund and secretariat programs.

Management and general expenses consist of cost directly related to the overall operations of Global Impact and maintenance of its corporate existence, including general office management, reception, and financial reporting. Fundraising includes those costs associated with accessing new workplace fundraising campaigns.

## Functional Allocation of Expenses

The costs of providing various program and supporting services have been summarized on a functional basis in the statements of activities. Accordingly, certain costs have been allocated among the program and supporting services benefited.

#### Financial Instruments and Credit Risk

Financial instruments which potentially subject Global Impact to concentrations of credit risk consist principally of cash balances and pledges receivable. At June 30, 2014, Global Impact had deposits in a single financial institution totaling approximately \$4.3 million in excess of the Federal Depository Insurance limit. Global Impact has never experienced any losses related to these balances and believes it is not exposed to any significant credit risk on its cash balances. Credit risk with respect to pledges receivable is limited because Global Impact participates with a significant number of campaigns whose participants are spread over a wide geographic region.

#### Use of Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP or U.S. GAAP) requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

546

#### Notes to Financial Statements

#### Income Tax Status

Global Impact is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. In addition, Global Impact is classified by the Internal Revenue Service as an organization that is not a private foundation. Global Impact is required to report unrelated business income to the Internal Revenue Service and the Commonwealth of Virginia taxing authorities. Global Impact's source of unrelated business income consists of a portion of the advisory services income. No provision for income taxes has been made at June 30, 2014 and 2013 as expenses offset taxable income.

Under Accounting Standards Codification (ASC) 740-10, Accounting for Uncertainty in Income Taxes, Global Impact must recognize the tax benefit associated with tax positions taken for tax return purposes when it is more-likely than not that the position will be sustained. Global Impact does not believe there are any unrecognized tax benefits or liabilities that should be recorded. For the years ended June 30, 2014 and 2013, there were no interest or penalties recorded or included in the statements of activities. Global Impact is still open to examination by taxing authorities from fiscal year 2011 forward.

#### Notes to Financial Statements

#### 3. Fair Value of Financial Investments

Global Impact follows the provisions of ASC 820, *Fair Value Measurements*, in accounting for the fair value of financial investments. ASC 820 establishes a common definition for fair value to be applied under generally accepted accounting principles requiring use of fair value, establishes a framework for measuring fair value, and expands disclosures about such fair value measurements.

ASC 820 defines fair value as the price that would be received to sell an asset or paid to transfer a liability (i.e., the "exit price") in an orderly transaction between market participants at the measurement date. ASC 820 establishes a hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the observable inputs be used when available.

Observable inputs are inputs that market participants operating within the same marketplace as Global Impact would use in pricing its asset or liability based on independently derived and observable market data. Unobservable inputs are inputs that cannot be sourced from a broad active market in which assets or liabilities identical or similar to those of Global Impact are traded. The input hierarchy is broken down into three levels based on the degree to which the exit price is independently observable or determinable as follows:

#### Basis of Fair Value Measurement:

Level 1: Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2: Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;

Level 3: Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Investments measured at fair value on a recurring basis consist of the following based on the fair value hierarchy noted above:

	Quoted prices in active markets for identical assets (level 1)	Signifi oth observ	er vable	Signif oth unobse ) inputs (	er rvable	Balance as of June 30, 2014

Global Impact includes funds raised in combined federal campaigns (CFC) and other campaigns that are distributed directly to its charity alliance members if Global Impact has had substantial involvement in that campaign. The following tables present gross pledges raised by Global Impact and the reconciliation to net amounts raised in campaigns.

#### INDEPENDENT AUDITOR'S REPORT

Board of Directors Local Independent Charities of America Larkspur, California

We have audited the accompanying financial statements of Local Independent Charities of America (a nonprofit organization), which comprise the statement of financial position as of April 30, 2013, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### NOTE 1 – REPORTING ENTITY

Local Independent Charities of America (LIC) was incorporated under the laws of California on July 15, 1987. LIC receives funds from the government and private sector workplace payroll deduction fund drives for distribution to member agencies. A member agency must be accepted for participation by completing an application and qualifying under certain restrictions.

#### NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### A. Basis of Accounting and Financial Statement Presentation

The financial statements are prepared on the accrual basis in accordance with accounting principles generally accepted in the United States of America.

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions.

Local Independent Charities of America recognizes unconditional promises to give as pledges receivable in the period the pledge is made. Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized. All other donor restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities as net assets released from restrictions. Presently, all net assets of LIC are unrestricted as the restriction expires in the reporting period.

#### B. Use of Estimates - Allowance for Uncollectible Pledges

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates. Specific areas requiring estimation of LIC's financial statements are the Allowance for Estimated Uncollectible Pledges and the Estimated Distributions Payable to Member Agencies.

LIC makes an estimation of the percentage of pledges that are made but, due to a variety of circumstances, are not collected during the year. This estimate in 2012 and 2011 is 16% and 13%, respectively, which is based on historical campaign results.

#### NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### C. Charges to Member Agencies and Member Distributions

Charges for federation operating expenses are made to each member agency based on the relative amount of total pledges made to the particular agency compared to the sum of all agency pledges. Pledges designated to the federation itself (versus to a member agency) and other federation revenue, such as interest income, are shared amongst all the agencies in this same proportion.

Therefore, as a net result, should the federation's revenue exceed expenses, the agencies share the excess income. Conversely, should the federation's expenses exceed revenue, the excess cost is likewise apportioned amongst the member agencies.

For the Fall 2012 and 2011 campaigns, federation expenses exceeded revenue by \$472,840 and \$467,814, respectively, which has been collected from the member agencies.

#### D. Income Tax Status

LIC is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code and state income taxes under 23701(d) of the California Revenue Taxation Code. Accordingly, no provision for income taxes has been provided in these financial statements. In addition, LIC qualifies for the charitable contribution deduction under Section 170(b)(1)(a) and has been classified as an organization that is not a private foundation under Section 509(a)(1). Unrelated business income, if any, may be subject to income tax. LIC paid no taxes on unrelated business income in the years ended April 30, 2013 and 2012.

Generally accepted accounting principles require the recognition, measurement, classification, and disclosure in the financial statements of uncertain tax positions taken or expected to be taken in the organization's tax returns. Management has determined that LIC does not have any uncertain tax positions and associated unrecognized benefits that materially impact the financial statements or related disclosures. Since tax matters are subject to some degree of uncertainty, there can be no assurance that LIC's tax returns will not be challenged by the taxing authorities and that LIC will not be subject to additional tax, penalties, and interest as a result of such challenge. Generally, LIC's tax returns remain open for federal income tax examination for three years from the date of filing.

#### E. Functional Allocation of Expenses

The costs of providing various programs and other activities have been summarized on a functional basis in the statement of activities and changes in net assets. Accordingly, costs have been allocated to program services, management and general, and fund-raising expenses based on management's identifying of direct expenses by category and allocating indirect expenses by time logs and management's estimates.

#### NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### F. Advertising

Advertising costs are expensed as incurred.

#### G. Fair Value Measurements

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Accounting standards set a framework for measuring fair value using a three tier hierarchy based on the extent to which inputs used in measuring fair value are observable in the market. The three levels are defined as follows:

Level 1: Quoted prices in active markets for identical assets or liabilities.

Level 2: Observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or inputs (interest rates, currency exchange rates, commodity rates and yield curves) that are observable or corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3: Inputs that are not observable in the market and reflect management's judgment about the assumptions that market participants would use in pricing the asset or liability.

#### H. Summarized Comparative Information

The financial statement information for the year ended April 30, 2012, presented for comparative purposes, is not intended to be a complete financial statement presentation. For a complete presentation, please refer to the financial statements for that fiscal year.

#### NOTE 3 - CASH IN BANKS

Cash held by LIC with its bank may at times exceed the Federal Deposit Insurance Corporation (FDIC) coverage limit. Management believes LIC is not exposed to any significant credit risk related to cash.

#### **NOTE 4 - ESTIMATED DISTRIBUTIONS PAYABLE**

LIC has estimated that it will pay out to the various member agencies approximately eighty-six percent of the cash received from the pledges net of the estimated uncollectible pledges for the Fall 2011 campaign. The estimate is based on the fact that LIC will pay out all funds in excess of its costs. Management has estimated the distribution to be approximately \$3,178,730 for the campaign year. If these costs are higher or lower the actual distribution to the various agencies will be different. This estimate is shown as an expense on the financial statements. This estimate is shown as an expense on the financial statements. This estimate is shown as an estimate distributions payable as of April 30, 2013 include an estimate for the Fall 2012 campaign, plus the Fall 2011 campaign final distribution.

Verification that LIC is honoring designations made to each member organization have been performed.

#### NOTE 5 - CONTRACTS WITH OTHER FEDERATIONS

LIC had entered into an agreement with Local Independent Charities of Texas (LIC of Texas), Local Independent Charities of Minnesota (LICMN), Local Animal Charities of America (LACA), Children's Charitable Alliance (CCAL), Children's Charitable Alliance of Texas (CCALT), and Christian Community Charities (CCC), whereby the costs of campaign support expenses will be borne by each organization based upon designations for the campaign year. The total costs incurred by all seven federations for the years ended April 30, 2013 and 2012 amount to \$1,058,054 and \$1,042,958, of which \$560,231 and \$558,241 respectively represented LIC's share. These organizations had amounts due to LIC of \$99,173 and \$92,912 for the years ended April 30, 2013 and 2012, respectively.

LIC had also entered into agreements with Do Unto Others: America's Emergency Relief, Development, and Humanitarian Outreach Charities, Inc., Children's Charities of America, Inc., Conservation & Preservation Charities of America, Inc., Health and Medical Research Charities of America, Inc., Independent Charities of America, Inc., Animal Charities of America, Inc., Military Family and Veterans Service Organizations of America., Hispanic & Latino Charities of the U.S. and the Americas, Christian Charities, U.S.A., Women, Children and Family Service Charities of America, Educate America: The Education, School Support, and Scholarship Funds Coalition, Inc., Sports Charities, U.S.A. – Supporting Youth, Disabled and National Team Athletics, Jewish Charities of America, Cancer CURE – Care, Understand, Research and End, Children's Medical & Research Charities of America, Wild Animals Worldwide, Charities Under 1% Overhead, Charities Under 5% Overhead and Military Support Groups of America, whereby LIC is to perform fiscal services for these federations.

Verification that LIC is performing services in accordance with the terms of its contracts has been performed.

#### NOTE 6 - BUSINESS SERVICES CONTRACT

LIC entered into a business services contract with Maguire/Maguire, Inc. (M/M). Under the terms of the contract M/M acted as business agent, provided administrative and secretarial services, maintained the books and records, maintained necessary corporate documents, and provided other such services as deemed necessary. M/M did not perform policy making or decision making functions. LIC compensated M/M for services rendered based on a fee schedule agreed by the parties. In addition, M/M was reimbursed for all out-of-pocket expenses incurred while carrying out the duties outlined in the contract. The contract expires on October 31, 2013.

Verification that Maguire/Maguire Inc. is performing services in accordance with the terms of its contract has been performed.

#### NOTE 7 – SUBSEQUENT EVENTS

LIC evaluated subsequent events for recognition and disclosure through August 19, 2013, the date which these financial statements were available to be issued. Management concluded that no material subsequent events have occurred since April 30, 2013 that require recognition or disclosure in such financial statements.

Dear Taxpayer:

This is in response to your Apr. 14, 2014, request for information regarding your tax-exempt status.

Our records indicate that you were recognized as exempt under section 501(c)(03) of the Internal Revenue Code in a determination letter issued in October 1956.

Our records also indicate that you are not a private foundation within the meaning of section 509(a) of the Code because you are described in section(s) 509(a)(1) and 170(b)(1)(A)(vi).

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Please refer to our website www.irs.gov/eo for information regarding filing requirements. Specifically, section 6033(j) of the Code provides that failure to file an annual information return for three consecutive years results in revocation of tax-exempt status as of the filing due date of the third return for organizations required to file. We will publish a list of organizations whose tax-exempt status was revoked under section 6033(j) of the Code on our website beginning in early 2011.

#### **REPORT OF INDEPENDENT AUDITORS**

To the Board of Directors United Way of the Bay Area

#### **Report on the Financial Statements**

We have audited the accompanying financial statements of United Way of the Bay Area ("UWBA") which comprise the statements of financial position as of June 30, 2014 and 2013 and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to UWBA's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of UWBA's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of United Way of the Bay Area as of June 30, 2014 and 2013, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

#### **Other Matters**

#### Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards as required by Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations* is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

#### Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated November 5, 2014, on our consideration of UWBA's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering UWBA's internal control over financial reporting and compliance.

#### **NOTE 1 - ORGANIZATION AND PURPOSE**

United Way of the Bay Area ("UWBA"), incorporated in California in 1955, is an independent, locally managed nonprofit organization. It has been granted tax-exempt status under Section 501(c)(3) of the Internal Revenue Code and Section 23701d of the California Revenue and Taxation Code. UWBA has also made the 501(h) election under the IRS code. Accordingly, no provision for income taxes is included in the financial statements.

As UWBA approaches its centennial, it is proud to be continuing a long tradition of leadership in the local nonprofit community by encouraging philanthropy and investing those dollars in programs to serve the health and human services needs of Bay Area residents. UWBA currently serves Alameda, Contra Costa, Marin, Napa, San Francisco, San Mateo, and Solano Counties.

The Bay Area Community Fund ("BACF") is comprised of the unrestricted funds donated to UWBA to support the achievement of its Community Impact goals. UWBA is committed to creating community change by positioning itself as an inclusive community leader in the seven Bay Area counties served, while honoring donors' philanthropic interests. UWBA's five-year Community Impact goals were identified in 2008 through a process of staff and partner research, community input sessions, and board and constituent discussion.

In response to the needs of the community, UWBA focuses its goals and its use of resources. In doing so, it may, from time to time, discontinue the management of specific programs. Discontinuance may include closing, merging, or establishing the independence of programs. When such transitions take place, the purpose has been and will continue to be enhancing the ability of the UWBA to concentrate its efforts on helping to cut the number of families living in poverty. The organization pursues a selected, targeted set of programs that help people survive the struggles of poverty and move toward economic success. Each of these programs also has a role in helping to evolve the public and private systems around them to better serve people in poverty. UWBA's programs may take the form of providing direct service to clients, issuing grants to organizations to provide services, and/or engaging in collaborative partnerships. Grant proposals are evaluated on the basis of their alignment with UWBA's strategic plan as well as the agency's ability to demonstrate high standards in fiscal and programmatic operations, and overall organizational strength. Grants and the focus of grant-making activities are reported to and approved by UWBA's Board of Directors.

The following are specific programs and strategies managed by United Way of the Bay Area:

211 – 211 is a free, easy-to-remember phone number and web resource that anyone can call for information and referral to resources. Last year, UWBA and its partner call centers in ten Bay Area counties responded to over 225,000 calls. More than half of the requests come from people who are requesting help with poverty/basic needs issues such as food, jobs and shelter. The UWBA 211 resource database now includes over 2,556 agency listings and is updated on a regular basis. In addition to daily information and referral, 211 is a critical resource for disasters. In recent years 211 has been available for responses to an earthquake, a tsunami, and major fires. Looking ahead UWBA plans to update 211's technology platform to make sure it is accessible to as many people in need as possible. For example, we are exploring development of a "just-in-time" application for service providers to inform the public about open child-care slots, open beds at shelters, etc.

Economic Success: SparkPoint – During fiscal year 2014, SparkPoint Centers served more than 6,000 people across the Bay Area. In total they have served more than 16,000 people since the first SparkPoint Center opened in 2009. In fiscal year 2014, 80% of clients for whom we have evaluation data increased their income, savings, and credit scores; and/or reduced their debt. More than 900 got jobs, at an average wage of more than \$16.00/hour. SparkPoint Centers offer an array of services in one convenient location for a person or family trying to move out of poverty, including financial coaching on budgeting and savings, credit and debt management, career or education counseling, screening for public benefits, and others. SparkPoint's desired outcomes are for clients to move out of poverty to economic success by (1) increasing income; (2) reducing debt; (3) increasing credit scores; and (4) increasing savings. The SparkPoint regional network includes over 75 outstanding partner organizations across the Bay Area. In 2013 SparkPoint also began opening up satellite locations at public schools and community colleges. See more on this strategy under "Education."

Economic Success: Earn It! Keep It! Save It! – Earn It! Keep It! Save It! (EKS) is a UWBA-led coalition of partners that prepares tax returns for free, ensuring low to moderate income families get refunds and credits for which they are eligible. During the 2014 tax season, over 3,000 volunteers prepared 71,000 returns and brought back over \$78 million in refunds. \$26 million of those refunds were in Earned Income Tax Credit (EITC). EITC goes to the poorest, most vulnerable Bay Area households and has been identified by poverty-fighting experts as one of the most effective programs nationally, lifting millions of people above the federal poverty level every year. Families use their refunds primarily to pay bills, rent and buy food or clothes. EKS provides resources to meet basic needs, which is critical on the roadmap out of poverty. EKS has 200 locations in 7 counties. 10 of those locations are at SparkPoint Centers. In addition to preparing tax returns, EKS uses the program visit as a moment to offer low-income families the opportunity increase their savings, complete the federal college financial aid application (FAFSA), and enroll in health coverage.

**Jobs+** – Jobs+ helps prepare low-income youth and young adults to become the 21st century workforce for employers in San Francisco and across the Bay Area. Connecting business, government, schools, non-profits and youth, Jobs+ helps young people get work experience and pay, plan career paths, and become motivated to finish high-school and go to college or post-secondary training. Since it began as San Francisco Summer Jobs+ in 2012, the initiative has served over 19,000 youth in San Francisco and last year expanded to include services in Oakland. Within the next several years, Jobs+ expects to expand into all seven counties served by United Way of the Bay Area. In San Francisco Jobs+ partners include 50 city departments, 120 employers, 60 non-profit organizations, and the San Francisco Unified School District. In 2014 the program expanded from summer to offer year-round job opportunities and services.

**Education** - As its primary Education strategy, United Way promotes the education model, which places services for children and families at the public schools they attend. Education is proven to increase attendance, academic achievement, parent engagement, and health. Our goal is to have 200 high-performing schools in the Bay Area by 2020. In the last three years the number has grown from 43 to 92, with more than 3,000 children and adults served. UWBA offers planning and operational grants and technical assistance to school districts interested in adopting the education model. Since 2013 we have also begun testing a "two generation" approach, which couples the community school's social and academic supports for children with services for parents to help them achieve academic success. This innovative approach includes the same services as United Way's SparkPoints and also refers families to their local SparkPoint center.

**Other community programs** – Like United Ways around the country, UWBA manages the local activities of the federal Emergency Food and Shelter Program (EFSP), which distributes federal funds to local programs that feed and provide shelter to people in need. Last year we distributed a total allocation of \$2.2 million in 7 counties. The EFSP-funded food and shelter providers served more than 279,000 unduplicated individuals, providing to them 2.6 million meals, 187,000 bed nights, and 192 rent bills paid.

UWBA operates the Labor Community Services program in partnership with the labor councils in the counties of Alameda, Contra Costa, San Mateo and San Francisco. Staff called labor liaisons improve the lives of struggling union workers and their families, as well as other community members in need, through direct services and information/referral. In FY14 the program helped more than 600 families a month, typically with food, cash assistance, job search for displaced workers, and/or individual case management for other needs. Where possible the liaisons refer people in need to other UWBA programs like 211, EKS, and SparkPoint.

In addition to the services it provides, UWBA advocates for public policy changes that will help people in poverty survive and move to economic success. Our agenda includes issues like health coverage and care, access to the safety net and public benefits, education, jobs and wages, funding for key services, and others. This work is primarily focused at the local level with cities, counties, school districts, etc. UWBA's policy advocacy is overseen by the board of directors and complies in all respects with all legal requirements governing policy activity by non-profit organizations.

Finally, UWBA has formed a coalition called Rise Together, comprising more than 150 leading institutions that have come together to cut poverty in half in the Bay Area by 2020. Launched by UWBA in 2012, Rise Together continues to stand out as a pivotal regional strategy through a collective impact approach. In the last two years Rise Together has given grants to local leaders and partnerships who are fighting poverty; selectively engaged on key policy issues; hosted major events to showcase the issues and solutions of poverty; and won an award from the National Association of Counties. UWBA staffs the coalition and helps the partners decide and implement key initiatives. Partners include political and faith leaders, businesses, non-profits, government, academia, media, and others.

#### NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES

**Basis of accounting** – The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("GAAP") and with the financial statement standards of United Way Worldwide. United Way Worldwide standards are required for membership and fully comply with U.S. Statements of Financial Accounting Standards applicable for not-for-profit organizations.

**Use of estimates** – Management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities and contingencies at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from management's estimates. Significant estimates include the provision for uncollectible pledges, useful lives of furniture, equipment, and leasehold improvements, fair value of investment, allocation of functional expenses, and the unfunded pension liabilities. The fair value of investments and pension assets are subject to material volatility based on market conditions. This could have a significant effect on these financial statements.

727

**Classes of net assets** – The accompanying financial statements are presented on the basis of unrestricted, temporarily restricted, and permanently restricted net assets.

**Unrestricted net assets** – Unrestricted net assets include resources available to support UWBA operations and temporarily restricted resources which become available for use by UWBA in accordance with the intentions of the donors. Unrestricted net assets are designated by UWBA's Board of Directors for specified purposes as follows:

·	<u></u>	2014		2013
Future grants and programs General use	\$	3,295,000 661,426	\$	3,295,000 566,279
		3,956,426		3,861,279

As of June 30, 2014, the Board of Directors approved a full year's grants allocation as had been the practice in years prior.

**Temporarily restricted net assets** – Temporarily restricted net assets include resources with donor-imposed restrictions that will be fulfilled by actions of UWBA and/or become unrestricted by the passage of time. UWBA's temporarily restricted net assets include multi-year pledges as well as grants restricted for specific UWBA community projects. When the donor or time restriction is fulfilled, temporarily restricted net assets are released to unrestricted net assets and are reported in the accompanying statements of activities as net assets released from restrictions.

**Permanently restricted net assets** – Permanently restricted net assets are comprised of the historical dollar value of contributions that were received with donor restrictions requiring the assets be maintained in perpetuity and that only the income generated from these assets is made available for grants, programs, or support services in accordance with the donor restrictions.

**Cash and cash equivalents** – All highly liquid investments, with an original maturity of three months or less when purchased and not held through the investment account, are considered to be cash equivalents. Substantially all of the cash equivalent balances held in financial institutions at June 30, 2014 and 2013, exceeded federal depository insurance coverage. UWBA has not experienced any losses in such accounts.

**Pledges receivable** – Pledges receivable consist of unconditional promises to give by donors and are recorded at fair value. Pledges receivable are net of provisions for uncollectible pledges.

**Provisions for uncollectible pledges** – The provision for uncollectible pledges is computed based upon historical averages and management's consideration of current economic factors that could affect pledge collections. Using this criteria, the provision as of June 30, 2014 and 2013, was determined to be 6% and 6% of gross campaign pledges, respectively. For years ended June 30, 2014, and June 30, 2013 there was no bad debt recovery.

**Grants receivable** – Grants receivable consist of unconditional promises to give by granting organizations. Unconditional promises to give that are expected to be collected during the following fiscal year are recorded at the amount contributed. Unconditional promises to give that are expected to be collected in future years are recorded at the fair value of their estimated future cash flows. The discounts on those amounts are computed using risk-free interest rates applicable in the years in which those promises are received. The discount rates range from .11% to .41%. Grants receivable are net of discounts of \$ 758 and \$2,620 at June 30, 2014 and 2013, respectively.

**Investments** – UWBA's investments are stated at fair value based on quoted market prices at the fiscal year end. Investments include money market funds and marketable securities held principally for investment purposes. Unrealized gains and losses that result from market fluctuations are recognized in the period such fluctuations occur in the accompanying statements of activities. Realized gains and losses that result from sales or maturities of securities during the year are calculated on an adjusted cost basis and are reflected in the accompanying statements of activities. Marketable securities received as donations are recorded at fair value at the date of the donation, and are generally sold as soon as practical after receipt.

Fair value of assets and liabilities – Fair Value Measurements define fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. It also establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The standard describes three levels of input that may be used to measure fair value:

- *Level 1:* Quoted prices in active markets for identical assets or liabilities.
- *Level 2:* Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in active markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.
- *Level 3:* Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The following is a description of the valuation methodologies used for instruments measured at fair value on a recurring basis and recognized in the accompanying statements of financial position, as well as the general classification of such instruments pursuant to the valuation hierarchy.

Where quoted market prices are available in an active market, securities are classified within Level 1 of the valuation hierarchy. Level 1 securities include cash and cash equivalents, fixed income securities, and exchange traded equities. Level 2 securities include investments held in pooled income funds and are valued at market price as provided by the custodian of the funds.

**Furniture, equipment, and leasehold improvements** – Furniture, equipment, and leasehold improvements are stated at cost, if purchased, or if donated, at fair value at the date of the donation for items exceeding \$5,000. Depreciation is computed on a straight-line basis over the estimated useful lives of the assets, ranging from three to ten years. Leasehold improvements are amortized over the lesser of the useful life of the asset or the term of the lease. Total depreciation and amortization expense amounted to \$297,524 and \$177,391 for the years ended June 30, 2014 and 2013, respectively.

**Deferred rent** – Certain leases of UWBA contain lease incentives and fixed escalations. UWBA recognizes the related rent expense on a straight-line basis over the life of the lease and records the difference between the expense included in the accompanying statements of activities and the amount recorded as deferred rent. For the year ended June 30, 2014, deferred rent related to three UWBA locations: 550 Kearny St., San Francisco; 1970 Broadway, Suite 400, Oakland; and 8200 Bancroft, Oakland.

**Gross campaign results** – Gross campaign results consist of cash and unconditional promises to give to UWBA during the annual fundraising campaigns and include contributions processed by third-party processors. Donor designations and the provision for uncollectible pledges are deducted from gross campaign results to arrive at campaign revenue.

**Donor designations and service fee revenue** – Donor designations, contributions that are designated by the donor to nonprofit organizations other than UWBA including contributions processed by third-party processors, are deducted from gross campaign results to arrive at net campaign revenue. Donor designations are paid to the designated organizations on a monthly basis, by electronic funds transfer ("EFT") as information allows and on a quarterly basis by check for all others, as pledges are collected. Proportionate shares of the receipts are distributed out to the agencies net of service fees. Service fee revenue is reported in the accompanying statements of activities. This designation processing is inclusive of pledges and payments processed as part of UWBA's role as a federation for the Combined Federal Campaign as well as other state and local government-sponsored fundraising campaigns.

**Planned gifts** – Planned gifts that are irrevocable are recognized as a receivable when amounts due to UWBA can be reasonably estimated. As of June 30, 2014 and 2013, UWBA has only one type of planned gift – pooled income funds. Assets associated with these gifts totaled \$ 162,476 and \$161,595 as of June 30, 2014 and 2013, respectively, at fair value and are included in investments in the accompanying statements of financial position. Liabilities associated with these gifts totaled \$ 26,975 and \$28,198 as of June 30, 2014 and 2013, respectively, at fair value and accruals in the accompanying statements of financial position.

**Donated goods and services** – UWBA recognizes the value of donated equipment and/or supplies at the fair value for similar items. Donated goods and services for the years ended June 30, 2014 and 2013, of \$ 312,007 and \$448,380, respectively, were reflected in miscellaneous contributions in the accompanying statements of activities. UWBA will recognize the fair value of donated services if the services meet the recognition criteria which include: a) requiring specialized skills; b) provided by someone with those skills; and c) would have to be purchased if they were not donated. Although UWBA receives a significant amount of contributed time from volunteers, this time does not meet the recognition criteria. Accordingly, the value of this contributed time is not reflected in the accompanying financial statements.

**Gross funds awarded/allocated to agencies** – The amount shown on the accompanying statements of activities includes grants to fund local community partners, UWBA initiatives and programs which amounted to \$3,000,000 during the years ended June 30, 2014 and 2013, respectively. These grants have been recommended by staff working with a sub-committee of the Board of Directors and have been approved by the Board. However, to comply with financial statement presentation requirements, these grants are shown net of an offset amount to prevent revenue duplication between unrestricted and temporarily restricted accounts.

Functional allocation of expenses – The majority of expenses can be directly identified with the program or supporting services to which they relate and are charged accordingly. Other expenses have been allocated among program and supporting services classification based on the average number of full-time employees, the time study allocation method, and on a direct cost basis. This is consistent with the standards for allocation of functional expenses in accordance with GAAP and United Way Worldwide.

**Concentrations of risk** – UWBA receives approximately 44% of its gross campaign revenue from five employers. All five of these employers are nationally aligned through United Way Worldwide; therefore, the risk of loss of these employers by UWBA is remote.

**Reclassifications**-Certain amounts reflected in UWBA's prior year financial statements have been reclassified in these financial statements to reflect current year presentation. These reclassifications have no effect on net assets or changes in net assets.

**Income taxes** – UWBA is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code (IRC) and Section 23701d of the Revenue and Taxation Code except to the extent of unrelated business taxable income as defined under IRC sections 511 through 515. Since UWBA has no unrelated business taxable income, no provision for income taxes has been provided in these financial statements. UWBA has no unrecognized tax benefits or uncertain tax positions as of June 30, 2014. With few exceptions, UWBA is no longer subject to United States federal or state/local income tax examinations by tax authorities for fiscal years before 2009.

**Subsequent events** – Subsequent events are events or transactions that occur after the statement of financial position date but before financial statements are issued. UWBA recognizes in the financial statements the effects of all subsequent events that provide additional evidence about conditions that existed at the date of the statements of financial position, including the estimates inherent in the process of preparing the financial statements. UWBA's financial statements do not recognize subsequent events that provide evidence about conditions that did not exist at the date of the statements of financial position but arose after the statement of financial position date and before the financial statements are available to be issued.

UWBA has evaluated subsequent events through November 5, 2014, which is the date the financial statements were available to be issued.

UWBA leases office space under noncancelable operating leases expiring at various dates through March 31, 2023. Lease agreements generally provide for both renewal options and escalation clauses for increased operating expenses and real estate taxes. UWBA is also committed under noncancelable operating leases for various office equipment.

Future minimum commitments under noncancelable operating leases having lease terms in excess of one year as of June 30, 2014, are as follows:

### NOTE 8 - PENSION PLAN

The Pension Plan of United Way of the Bay Area (the "Plan") is a single employer defined benefit pension plan with UWBA as plan sponsor.

The Plan was amended to freeze participation and benefit accruals under the Plan effective December 31, 2006. Accordingly, no employees will become participants after the December 1, 2006 entry date, and participants' Plan benefits will not increase after December 31, 2006. In no event will the accrued benefit of any participant be less than that calculated as of December 31, 2006.

Accrued pension costs consist of the following at June 30:

	 2014	 2013
Defined benefit pension plan liabilities Defined early retirement medical and long term care benefit plans	\$ 2,062,606 142,012	\$ 3,014,123 144,607

UWBA contributed \$ 900,000 and \$964,414 to the Plan during the years ended June 30, 2014 and 2013, respectively.

Effective January 1, 2007, UWBA established the UWBA 401(k) Plan. Eligible employees become 401(k) Plan participants on the first day of the calendar quarter following date of hire. 401(k) Plan participants may elect to reduce their compensation by a specific percentage or dollar amount and have that amount contributed to the 401(k) Plan on a pre-tax basis as a salary deferral. UWBA matches 100% of participants' salary deferral contributions, up to a maximum of 2% of compensation (temporarily suspended during the period January 1 – December 31, 2010, according to the Collective Bargaining Agreement dated April 1, 2009 to March 31, 2012). In addition, UWBA makes an employer "nonelective" contribution according to a formula that is based on a participant's age plus service. For employees hired before January 1, 2010, matching and employer nonelective contributions will be 100% vested after two years of service (or age 65, if earlier). Effective January 1, 2014, employees hired after January 1, 2010 will be 25% vested after 1 year of service, 50% after 2 years of service, 75% vested after 3 years of service and 100% vested after 4 years of service.

UWBA instituted a voluntary long term care insurance program in fiscal year 2013. As a part of that program, it made arrangements to pay 83% of the cost of the long term premiums for the CEO from March 2013 until her death. The estimated cost of future premiums as of June 30, 2014, is \$ 56,958.

UWBA had a defined benefit early retirement medical benefits plan that covered certain full-time employees who retired as of June 30, 1993. UWBA does not contribute to this plan except to reimburse certain medical and other costs submitted by the Plan's retirees as defined within the agreement. The estimated cost of future medical and other payments as of June 30, 2014 and 2013, is \$ 85,055 and \$91,751, respectively, and is included in accrued pension costs. In April 2012, the Board of Directors unanimously passed a resolution to freeze the 403(b) plan and accept no new contributions. In October 2013, the Board of Directors voted to unanimously terminate the plan.

In the fiscal year ended 2014, UWBA established an eligible deferred compensation plan for a select group of highly compensated employees under Section 457(b) of the Internal Revenue Code. The plan allows pre-tax contributions of the maximum amount allowed by law per year through payroll deduction. At June 30, 2014, three employees, respectively, had elected to participate in the plan. The investments in this plan remain as assets of the organization until the employees retire. The balance in the plan as of June 30, 2014, is \$ 25,152.

#### NOTE 9 - TEMPORARILY RESTRICTED NET ASSETS

Temporarily restricted net assets were available for the following purposes as of June 30:

	2014	2013
UWBA community programs	1,448,336	1,362,969
Time Restricted multi-year gifts Endowment activity	800,000 1,363,671	- 728,655
Total	\$ 3,612,007	\$ 2,091,624

#### **NOTE 10 – ENDOWMENT DISCLOSURES**

Interpretation of relevant law – The Board of Directors of UWBA has interpreted the California Prudent Management of Institutional Funds Act ("CPMIFA") as requiring the preservation of the fair value of the original gift as of the date of the donor restricted endowment funds, absent explicit donor stipulations to the contrary. As a result of this interpretation, UWBA classifies as permanently restricted net assets: (a) the original value of gifts donated to the permanent endowment; (b) the original value of subsequent gifts to the permanent endowment; and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the UWBA Board of Directors in a manner consistent with the standard prudence prescribed by CPMIFA. In accordance with CPMIFA, UWBA considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- a. The duration and preservation of the fund
- b. The purposes of UWBA and the donor-restricted endowment fund
- c. General economic conditions
- d. The possible effect of inflation and deflation
- e. The expected total return from income and the appreciation of investments
- f. Other resources of UWBA
- g. The investment policies of UWBA

**Spending policy and how the investment objectives relate to spending policy** – The endowment fund has a spending policy of appropriating all of the net income earned on the investment of these funds for distribution according to the instructions of the donor at the time the gift is made. The original value of the gifts donated to the permanent endowment is to be classified as permanently restricted and any earnings are classified as temporarily restricted until appropriated for expenditure.

**Funds with deficiencies** – From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or CPMIFA requires UWBA to retain as a fund of perpetual duration. As of June 30, 2014 and 2013, there were no deficiencies.

The composition and changes in the endowment net assets as of June 30, 2014 and 2013, are as follows:

### NOTE 11 - RELATED PARTY TRANSACTIONS

UWBA's volunteer members of the Board of Directors participate in fundraising events, activities and by making private contributions. UWBA may also have Board members that have other direct transactions with the organization. All related parties of UWBA are annually required to read and sign a conflict of interest policy which covers any relationship with board members, volunteers, and staff.

#### NOTE 12 - LINE OF CREDIT

UWBA entered into a line of credit agreement with a financial institution effective August 9, 2013. The terms of this agreement call for the pledging of securities and other investments maintained in the financial institution for any and all obligations taken by UWBA under this agreement. The agreement provides for a credit limit of \$3,500,000 with interest charged at a rate determined by the lender on a periodic basis. As of June 30, 2014, there was a \$ 1,000,000 outstanding debt for the line of credit. We also issued a letter of credit to the landlord under the same credit limit for \$ 230,000.

# REPORT OF INDEPENDENT AUDITORS ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors United Way of the Bay Area

DAMSIT

Certified Public Accountants | Business Consultants

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of United Way of the Bay Area ("UWBA"), which comprise the statements of financial position as of June 30, 2014, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated November 5, 2014.

#### **Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered UWBA's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of UWBA's internal control. Accordingly, we do not express an opinion on the effectiveness of UWBA's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of UWBA's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

#### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether UWBA's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering UWBA's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

# REPORT OF INDEPENDENT AUDITORS ON COMPLIANCE FOR THE MAJOR FEDERAL PROGRAM AND REPORT ON INTERNAL CONTROL OVER COMPLIANCE

To the Board of Directors United Way of the Bay Area

#### Report on Compliance for the Major Federal Program

We have audited United Way of the Bay Area's ("UWBA") compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* that could have a direct and material effect on UWBA's major federal program for the year ended June 30, 2014. UWBA's major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

#### Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

#### Auditor's Responsibility

Our responsibility is to express an opinion on compliance for UWBA's major federal program based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on the major federal program occurred. An audit includes examining, on a test basis, evidence about UWBA's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for the major federal program. However, our audit does not provide a legal determination on UWBA's compliance.

#### Opinion on the Major Federal Program

In our opinion, UWBA complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended June 30, 2014.

#### **Report on Internal Control Over Compliance**

Management of UWBA is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit, we considered UWBA's internal control over compliance with the types of requirements that could have a direct and material effect on the major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for the major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of UWBA's internal control over compliance.

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.
