## **Administration and Governance**

## Overview

The Civic Center Community Benefit District (CBD) started its third year of operations with a goal to build on our strengths from the first two years, improve and evaluate existing programs, and embark in new areas set out in the management plan. This report summarizes those activities.

# **Board of Directors Present Civic Star Awards**

The Civic Center CBD held its 2014 Annual Meeting on June 26, 2014, at Market Square, 1355 Market Street. As a new addition, the CBD presented the inaugural "Civic Star Awards."

Civic Star Award recipients were distinguished members in our community identified by the CCCBD Community Ambassadors for their contributions to improving the image, safety, beautification, and cleanliness of our neighborhood.

As representatives of the residents, merchants, employees, property owners and visitors to our area, the CBD board thanked them for their outstanding citizenship this year.

The first four recipients of the Civic Star Awards received a crystal trophy and a basket of fresh produce from the Heart of the City Farmer's Market:

- Dolan Law Firm
- Resul Dincer of Park Services
- Rob Terlizzi, Bay Area Combat Sambo
- The Staff of the Bill Graham Civic Auditorium

## **Election of New Officers**

Following a nomination and election process outlined in the Management Plan, the board elected officers who assumed their duties on July 1, 2013. They are:

Chair - Bill Whitfield Shorenstein Realty Services

Vice Chair - Anthony Boas San Francisco Honda

Treasurer - John Updike San Francisco Real Estate

Secretary - Jennifer Norris San Francisco War Memorial

## **Civic Center CBD Committees**

- Executive Bill Whitfield, Chair
- Finance John Updike, Chair
- Capital Improvements & Planning Jim Haas, Chair
- External Affairs Nan Keeton and Sam Smith, Co-Chairs
- Safety Anthony Boas and Tim Vrabel, Co-Chairs
- Services Mary Conde and Tim Vrabel, Co-Chairs

## **Board Succession Planning**

The board created a nominating committee to look at the current roster of the board and who will be retiring at the end of June 2014. We are looking at expanding the board's reach In both the arts community and the residents of community.

### **CCCBD Financial Audit**

After receiving three different proposals, the finance committee selected PKF consulting firm for the audit and tax returns. The audit process included an evaluation of all income and expenses, all missing parcel assessments and all expenditures. The audit was submitted to the Mayor's Office of Economic and Workforce Development. PKF also completed the CCCBD tax returns.

# **CBD Financial Report and Contingency Fund**

The fiscal year began on July 1, 2013. At the end of June 30, 2013, the CBD had a large carry-over from its first two years of assessments, due to the fact that there were no expenses until the CBD staff was hired in November 2011 and services started in February 2012. This carryover is used as a **contingency fund** to ensure that the CBD has cash flow and can operate until it receives its assessments in January 2014.

## **Contracts with Third Parties**

### **Services Contract**

The CCCBD is in the second year of its contract with MJM Management to provide cleaning and safety services. The CCCBD started services on February 1, 2012. We expanded the contract in August 2012 to allow for seven-day safety services.

#### Accountants

The CCCBD entered into an agreement with PKF Accountants to provide accounting, auditing and tax preparation services for the 2013-2014 year.

#### Office Space for CCCBD

The CBD is in the space it has occupied since December 1, 2012, at 234 Van Ness Avenue, Suite 1, San Francisco, CA 94102.

## **Administration and Governance**

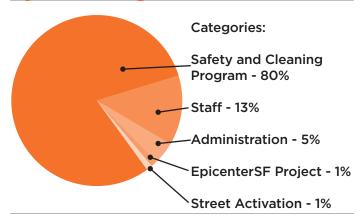

The annual operating budget for the year July 1, 2013 to June 30, 2014 was \$721,610.82. The proposed service plan budget was developed based on the priorities that the stakeholders expressed through the surveys and Steering Committee meetings. All improvements and activities are allowed under the 1994 California Property and Business Improvement Act. The CCCBD will have the financial reports audited by PKF Accountants.

# **Services Provided by the CCCBD**

## Safe and Clean

The number of requests coming into the CBD Dispatch Center for cleaning, graffiti and removal of illegally dumped items has increased as the public has become more aware of the CBD and its services.

## Community Service Ambassadors

The team of Community Service Ambassadors (CSAs) assist the public with information and direct them to destinations within the area, made possible by training on local geography, area venues and businesses, transportation systems, and other useful information. The CSAs are goodwill ambassadors who assist the public in navigating the district with a welcoming and informed presence.

The ambassadors have also developed close ties with the many social services that are available in the City such as Project Homeless Connect, the HOT Team, sobering centers, shelters, and places to obtain meals and clothing. Everyday, the ambassadors make referrals to these agencies.

## **Nighttime Ambassadors**

The nighttime ambassadors have been very popular with the patrons of the many Civic Center area events. They assist people with directions to the transit stations, parking lots and other needs.

The contract with MJM Management provides for 200 service nights a year, as per the Management Plan. CCCBD staff created the schedule in order to evenly spread the nights throughout each quarter. For example, there were fewer activities in August, than in December during the holidays.

# Cleaning Teams and Graffiti Abatement

The Clean Teams work seven days a week and respond to maintenance calls to remove graffiti, wash down the sidewalk or pick up an accumulation of debris on the sidewalk. They are aided by calls by the CBD staff to the Department of Public Works (DPW) to coordinate delivery of the services that the City of San Francisco provides. They also carry special containers for the collection of discarded needles and other hazardous items, such as pet waste.

# Beautification and Activation

The CBD's board members and executive director embarked on several new projects to beautify and activate the district. From lighting, to music, to gardens, the CBD worked to improve various corners of the district.

# **Community Lighting Grants Program**

The Safety Committee realized that a large concern for residents and visitors was street level lighting in the district.

As a way to incentivize property owners to increase outdoor lighting on their properties, the Safety Committee created the Community Lighting Grants Program.

Property owners (or residential or commercial tenants) may apply for a grant of up to \$1,000 by submitting an application with a plan to improve lighting on the public facing sides of their property.

## **SOMA Community Garden**

In meetings with property owners on 12th Street near Stevenson Alley, a proposal has been developed and submitted to the City and County of San Francisco to block off the dead-end of Stevenson Street and create a community garden for the area.

## **Holiday Concerts and Activation**

The CBD presented its inaugural musical event, "Holiday Lights and Fanfare," on the weekends in December. Spearheaded by the External Affairs Committee, "Holiday Lights and Fanfare" was a series of performances meant to activate neighborhood streets and bring holiday cheer to the residents and the thousands of visitors and arts patrons.

Performances featured the San Francisco Conservatory of Music Brass Quintet at various outdoor locations and times on the weekends in December. Each performance was meant to highlight cultural assets in the neighborhood, from the historic War Memorial Opera House, to the new SFJazz Center.

## **Community Outreach and Advocacy**

## **Public Safety Initiatives**

In addition to working with the local police stations, the CBD staff and committees have been working with the security teams at larger buildings. The CBD team met with the City's 911 Operators and Dispatchers to learn more about each other and how they could be most effective working together.

The CBD has worked with the District Attorney's Office on quality of life issues and other topics that impact the area.

# Parking Inventory for Employees and Arts Patrons

In consultation with representatives of the major arts groups in the area, the CBD initiated meetings with the SFMTA regarding parking conditions in the Civic Center.

These meetings resulted in guarantees of improvements to both the Performing Arts Garage and the Civic Center parking garage. The CBD also highlighted the fact that a lot of the small surface parking lots in the area are disappearing due to development.

In recent months, the committee has met with MTA staff to assess parking and traffic patterns on busy evenings when several venues are hosting events. Several streets, including Van Ness, Franklin, and Gough, with cross streets Fell, Hayes, Grove and McAllister continue to see gridlock from 6:00 pm until curtain times.

The committee is concerned about pedestrian safety at busier intersections and is working with MTA staff on special parking promotions to encourage parking at Civic Center Garage.

## **The Better Market Street Project**

The Better Market Street Project is an initiative between city agencies and community partners to improve and enhance one of the oldest streets in San Francisco. Market Street cuts across the City for three miles from the waterfront at the Ferry Building to hills of Twin Peaks at the base of Castro. This project aims to improve the overall experience for residents, merchants, shoppers, and people visiting Market Street. Staff is on the Citizens Advisory Committee.

## **Van Ness BRT**

5

The Van Ness Avenue Bus Rapid Transit (BRT)

is a signature project of the SFCTA's Prop K transportation sales tax program. The project calls for dedicated bus lanes separated from traffic from Lombard to Mission streets which will be used by Muni's 49 and 47 lines and Golden Gate Transit. The dedicated lanes will flank center landscaped medians along Van Ness Avenue. Staff is on the Citizens Advisory Committee.

## **Business Outreach**

CBD staff met with potential or new business owners who are coming into the Civic Center area. Our ambassador teams met with building security and business owners and informed them about the CBD and its services.

### **Residential Outreach**

CBD staff met with residential groups and homeowners associations. We met with the team from Nema prior to its opening and continue to work with them to address any of the residents' issues. The CBD has been involved with the Market/Van Ness Residents Association since that group began in 2012.

## **Partnerships**

## **EpicenterSF Website**

With a change in leadership at the Central Market CBD, the Civic Center CBD acquired management duties for the EpicenterSF community calendar and directory website.

This site is a collaboration of three neighborhood benefit districts - Central Market, Civic Center, and North of Market-Tenderloin - working with the San Francisco Arts Commission and the Mayor's Office of Economic and Workforce Development. A new mobile version of the site was launched in May.

## **Central Market Partnership**

In January 2010, the Office of Economic & Workforce Development launched this public-private initiative to revitalize San Francisco's Central Market district which includes Market Street between 5th Street and Van Ness Avenue and surrounding areas including parts of the Tenderloin and South of Market.

## San Francisco Travel Program

The SF Travel Community Partnership Grant Program provides training, information and resources to the CBD to promote the district and our services. The CBD's executive director, Donald Savoie, also served on SF Travel's Community Engagement Council, which is tasked with ensuring that SF Travel's neighborhood outreach efforts are aligned with the mission of the organization and to identify and take advantage of opportunities to expand the benefits of tourism to San Francisco's diverse neighborhoods.

## **CBD Consortium**

The purpose of the CBD Consortium is to:

- Serve as a collective voice for the interests of CBD/ BID/TIDs in San Francisco and their constituents
- Serve as a professional development mechanism for CBD/BID/TIDs in San Francisco
