Subject:

Hearing to review housing resources, programs, and options for retention of rent-controlled housing; and requesting the Mayor's Office of Housing, San Francisco Rent Board, Council of Community Housing Organizations, and various other local agencies to report.

The text is listed below or attached:

The impact of the City's production of subsidized affordable housing, inclusionary affordable housing, and market rate housing cannot be effective at alleviating the housing crisis if naturally affordable rental housing is being removed from the market at the same time.

This hearing will identify programs and resources available to assist in the preservation and retention of existing market-rate housing, particularly rent-controlled units that are high risk targets for eviction.
