Budget and Finance Hearing - Services for Children & Families

Maria Su Director, DCYF April 29, 2015

Reauthorization of Children's Fund

- Passage of Proposition C by voters in November
 2014
- Expands Children's Fund to include disconnected
 Transitional Aged Youth (TAY)
- "Children and Youth Fund" created for 25 years and will grow due to increased baseline and Citywide revenue growth
- Creates a 5 year grant cycle
- Creates a new Oversight and Advisory Committee

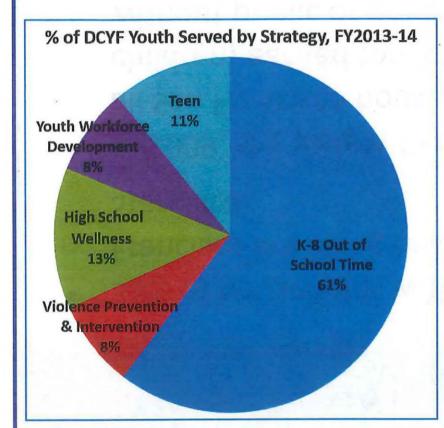

Economic Landscape for Children, Youth and Families in San Francisco

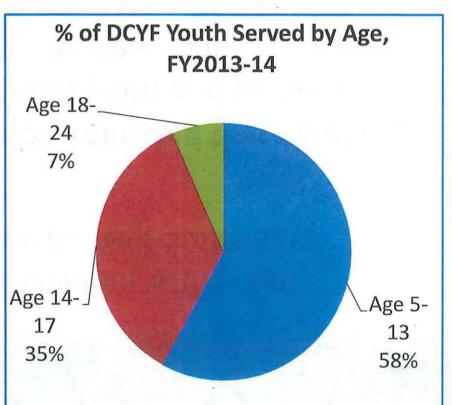

- 38% of households with children within San Francisco are living below the Self-Sufficiency Standard.
- In 2009, the Insight Center estimated that 18.8% of all San Francisco households (with and without children) earned too little to meet minimum needs, without public or private assistance. Today, that number is estimated to be 27%.
- Census measures of poverty and household income show wide disparities by race ethnicity.
