11 WHEREAS, The SFMTA rubber tire fleet includes 56 40-foot (standard) Orion hybrid  
12 diesel coaches, 138 standard and 124 60-foot (articulated) Neoplan diesel coaches, and 24  
13 inactive articulated New Flyer coaches that are due for replacement over the next five years  
14 because they have reached or will be reaching their expected useful lives of 12 years within  
15 the next five years; and

16 WHEREAS, Service demands for the standard and the articulated coaches will require  
17 the SFMTA to purchase buses to accommodate service expansion; and

18 WHEREAS, On December 30, 2014, the City entered into Contract No. CPT 713 with  
19 New Flyer of America Inc. (Agreement) to purchase 61 articulated low floor diesel hybrid  
20 buses and associated spare parts, training, manuals and special tools; and

21 WHEREAS, The Agreement includes options to purchase an additional 200 standard  
22 and 163 articulated low floor diesel hybrid buses over the next six years should funding be  
23 identified; and

1           WHEREAS, The SFMTA now wishes to amend the contract to change the propulsion  
2 system in six of the 61 articulated buses in the base order from parallel propulsion to series  
3 propulsion; and

4           WHEREAS, The SFMTA also wishes to exercise the 2015 option in the Agreement to  
5 procure 98 additional buses (24 series propulsion standard coaches, 24 parallel propulsion  
6 standard coaches, 25 series propulsion articulated coaches and 25 parallel propulsion  
7 articulated coaches), as well as associate spare parts, training, manuals and special tools;  
8 and

9           WHEREAS, Amendment No. 1 will be funded by a combination of federal formula  
10 funds and local matching funds; and

11           WHEREAS, On April 21, 2015, the SFMTA Board of Directors adopted Resolution No.  
12 15-063, which authorized the Director of Transportation to execute Amendment No. 1 to  
13 Contract No. CPT 713 with New Flyer of America Inc., to change the propulsion system in six
