13 both the governmental unit issuing the Obligations and a governmental unit having jurisdiction
14 over the area in which the Project is located after a public hearing held following reasonable
15 public notice; and

16 WHEREAS, The issuance and delivery of the Obligations shall be subject to the

Supervisor Malia Cohen

City and County of San Francisco Board of Supervisors
1 Dr. Carlton B. Goodlett Place
San Francisco CA 94102

Dear Supervisor Cohen:

Thank you for agreeing to introduce the Board of Supervisors resolution approving, for the purposes of the Internal Revenue Code, the issuance of tax exempt obligations (the "Obligations") by the California Enterprise Development Authority (the "Authority") on behalf of Live Oak, a Learning Center for Children ("the Borrower"), a California nonprofit public benefit corporation described in section 501(c)(3) of the Internal Revenue Code, to finance or refinance the acquisition, construction, improvement, and equipping of educational facilities located at 1555 Mariposa Street, San Francisco, California, 94107, to be owned and operated by the Borrower. I respectfully request introduction of the resolution at the meeting of the Board of Supervisors on Tuesday, May 19, 2015.

Pursuant to the Tax Equity and Fiscal Responsibility Act (TEFRA), to facilitate the tax exemption of interest on the Obligations the City is required to conduct a public hearing and to approve the financing by the Authority. The Office of Public Finance held such hearing on Monday, May 6, 2015, notice of which was published in the *San Francisco Chronicle* on April 21, 2015. The action by the Board acknowledges that the hearing was duly held and that the financing is proceeding.

The Obligations will be issued in an aggregate principal amount not to exceed \$10,000,000. I have performed a limited due diligence review of information pertaining to the project and proposed financing that I have summarized below.

The Borrower

Founded in 1971, Live Oak School is an independent K-8 day school in San Francisco, founded in 1971 by a forward-thinking group of parents and teachers who believed that most significant learning occurs through direct interaction with people, places, things and ideas. Originally a K-5

school, Live Oak added a middle school program in 1992. Live Oak School has a total enrollment of 291 students.

The Project

The School is seeking up to \$10 million in tax-exempt obligations to i) prepay full the Authority's 2012 Tax-Exempt Loan (Live Oak School), in the original principal amount of \$5,750,000, the proceeds of which loan financed and refinanced acquisition, construction, improvement and equipping of educational facilities located at 1555 Mariposa Street, San Francisco, California 94107 (the "Property"), all owned and operated by the Borrower and used for educational purposes, (ii) finance, and/or reimburse the Borrower for capital expenditures, including construction, improvement and equipping of facilities at (a) 1555 Mariposa, and (b) the parcel of real estate leased by the Borrower from KRMRL, LLC, a California limited liability company, located at 1501 Mariposa Street, San Francisco, California 94107 ("1501 Mariposa"), including the completion of the campus renovation and expansion at 1555 Mariposa and 1501 Mariposa (such improvements financed and/or refinanced with the Obligations are collectively referred to as the "Project") and (iii) pay various transaction costs, prepayment costs, if applicable, and other related costs.

Financing Information

Assuming all required approvals are obtained, the Authority expects to issue tax-exempt obligations in an amount not to exceed \$10,000,000. Bond Counsel on the transaction is Sidley Austin LLP.

Public Approval Process

The City and County of San Francisco is a participating member of the Authority, a joint powers authority. The Authority is authorized to issue bonds, notes, certificates of participation, or other forms of indebtedness, including refunding previously issued debt.

As noted above, federal tax law requires that the governing body of the jurisdiction in which the project is located approve the financing and the project after providing the opportunity for a duly-noticed public hearing before the Obligations may be issued on a tax-exempt basis.

Your assistance with this matter is greatly appreciated. Please contact me at (415) 554-4862, if you any questions or require additional information. Thank you.

Sincerely,

Vishal Trivedi
Controller's Office of Public Finance
