16 Be it ordained by the People of the City and County of San Francisco:

17 Section 1. Findings.

18 (a) As San Francisco continues to grow and develop, the need increases for well-  
19 maintained public open spaces that meet the demands of existing and new residents,  
20 workers, and visitors. The Showplace Square/Potrero Hill Area Plan, a part of the Eastern  
21 Neighborhoods Area Plan, identifies the need for additional open space to enhance livability in  
22 the Plan Area.

23 (b) In order to provide these new open spaces, significant funding beyond existing City  
24 resources is necessary to acquire, develop, and maintain the necessary new open spaces.  
25 One potential source of funds is new residential development that could contribute to the  
capital costs of open space. New residential development directly impacts the existing park

1 sites with its influx of new residents. Therefore, new development in the Eastern  
2 Neighborhoods is required under Planning Code Section 423 to pay the Eastern  
3 Neighborhoods Infrastructure Impact Fee directly into the Eastern Neighborhoods Public  
4 Benefit Fund to, among other infrastructure improvements, acquire and/or construct new open  
5 space. Alternatively, project sponsors may propose to directly provide community  
6 improvements to the City in lieu of fee payments. In such a case, the Planning Commission  
7 may enter into an in-kind improvement agreement with the sponsor and issue a fee waiver for  
8 the Eastern Neighborhoods Infrastructure Impact Fee in the amount of the cost of the  
9 acquisition of property and/or proposed improvements.

10 (c) The June 2010 Showplace Square Open Space Plan identified a significant  
11 opportunity for new open space on the approximately one-acre section of Daggett Street  
12 between 16<sup>th</sup> and 7<sup>th</sup> Streets, owned by the Port of San Francisco and subject to the public  
13 trust. The Eastern Neighborhoods Community Advisory Committee (“ENCAC”), as well as  
14 various City agencies, recommended use of the Eastern Neighborhoods Infrastructure Impact  
15 Fee to support a new open space on this publicly-owned site. The ENCAC resolution is on  
16 file with the Clerk of the Board of Supervisors in File No. \_\_\_\_\_.

17 (d) In 2012, the Planning Commission and Archstone Daggett Place, LLC (“Project  
18 Sponsor”), which plans to develop a 453-unit rental development project, entered into an in-  
19 kind agreement on the properties abutting Daggett Street, to build a new open space and  
20 shared public way in this location in exchange for a waiver of a portion of its Eastern  
21 Neighborhoods Infrastructure Impact Fee. The Planning Commission and the Project  
22 Sponsor entered into the 1000 16th Street In-Kind Improvement Agreement dated as of  
23 November 29, 2012 (the “In-Kind Agreement”). Project Sponsor will provide the additional  
24 cost of construction of the initial park improvements and maintenance of the open space as a  
25 gift to the City. On November 29, 2012 and \_\_\_\_\_, 2015, at duly noticed public

1 hearings, the Planning Commission, in Resolution Nos. 18752 and \_\_\_\_\_ approved an  
2 In-Kind Agreement and an amended In-Kind Agreement, respectively. Copies of these  
3 resolutions are on file with the Clerk of the Board in File No. \_\_\_\_\_.

4 (e) The Showplace Square/Potrero Hill area will benefit greatly from this new local  
5 amenity, facilitated by the adjacent new residential development by Project Sponsor, as  
6 adequate resources have not been available to fund a significant new open space in this Plan  
7 Area.

8 (f) Daggett Street, which was transferred to the City under the Burton Act, was subject  
9 to the public trust and placed in the jurisdiction of the Port of San Francisco. In order to  
10 support new open space uses on Daggett Street, the City worked with the Port and California  
11 State Lands Commission to lift the public trust from Daggett Street in exchange for the City's  
12 payment of the appraised fair market value of \$1,675,000 to the Port. In exchange for such  
13 payment, the Port agreed to remove the public trust and transfer jurisdiction of Daggett Street  
14 to the City.

15 (g) Once construction of the park improvements is complete, jurisdiction over the  
16 portion of Daggett Street that will be vacated (the "Vacation Area") will transfer to the Real  
17 Estate Division of the Office of the City Administrator ("RED"). RED will manage the Vacation  
18 Area as a public open space and intends to request the Board to designate the Vacation Area  
19 as a City Plaza once RED has identified a steward for the Board's consideration and approval  
20 under Administrative Code Section 94, the San Francisco Plaza Program. In accordance with  
21 this ordinance, the Vacation Area is proposed to be zoned as public/open space use, while  
22 the remaining street right-of-way portion of Daggett Street will continue as a public street  
23 under the jurisdiction of Public Works.

24 (h) To facilitate establishment of the Daggett Park open space, this legislation would  
25 conditionally change the zoning of a portion of Daggett Street between 16th Street and 7th

1 Street from the adjacent zoning district of UMU (Urban Mixed Use)/68-X Height and Bulk  
2 District to P (Public)/OS (Open Space). This zoning change would become operative on the  
3 effective date of the street vacation of the northern portion of this street segment in  
4 accordance with Public Works Code Section 787 and California Streets and Highways Code  
5 Sections 8300 et seq. The street vacation, Public Works SUR Map No. \_\_\_\_\_ showing  
6 the area to be vacated, and other related approvals and actions are in companion legislation  
7 on file with the Board of Supervisors in Clerk’s File No. \_\_\_\_\_ and incorporated  
8 herein by reference.

9 (i) The Daggett Park project (“Project”) was included in the adjacent 1000 16th Street  
10 mixed-use project and obtained project specific environmental clearance through a Final  
11 Environmental Impact Report (“FEIR”) prepared in accordance with the California  
12 Environmental Quality Act (Public Resources Code Sections 21000 et seq.) in Planning Case  
13 No. 2003.0527E. As part of various actions related to the adjacent development, including  
14 approval of an in-kind agreement for the construction of Daggett Park, the Planning  
15 Commission adopted California Environmental Quality Act findings in Resolution Nos. 18419  
16 and 18752, copies of which are in Clerk of the Board of Supervisors File No. \_\_\_\_\_,  
17 and incorporated herein by reference. The Board adopts these findings as its own.

18 (j) The Board finds that no substantial changes are proposed to the Project or the  
19 circumstances under which the Project is undertaken that would cause new significant  
20 environmental effects or any increase in the severity of previously identified significant effects  
21 in the FEIR. The Board further finds there is no new information of substantial importance  
22 showing that the Project would have any significant effects not discussed in the FEIR, that  
23 significant effects would be substantially more severe, or that new or different mitigation  
24 measures or alternatives would substantially reduce one or more significant effects, if any, of  
25 the Project.

1 (k) On \_\_\_\_\_, 2015, the Planning Commission, in Resolution No. \_\_\_\_\_,  
 2 adopted findings that the actions contemplated in this ordinance are consistent, on balance,  
 3 with the City's General Plan and eight priority policies of Planning Code Section 101.1. The  
 4 Board adopts these findings as its own. A copy of said Resolution is on file with the Clerk of  
 5 the Board of Supervisors in File No. \_\_\_\_\_, and is incorporated herein by reference.

6 (l) In Resolution No. \_\_\_\_\_, the Planning Commission also determined, in  
 7 accordance with Planning Code Section 302, that the ordinance will serve the public  
 8 necessity, convenience, and general welfare. The Board adopts this determination as its own.

10 set forth in this Ordinance shall be conditional and become operative only upon the effective  
11 date of the street vacation of the northerly portion of Daggett Street between 16th and 7th
