Item 15 File 15-0497	Department: Mayor's Office of Housing and Community Development
---------------------------------------	---

EXECUTIVE SUMMARY**Legislative Objectives**

- The proposed resolution would authorize the Mayor's Office of Housing and Community Development to award \$2,505,000, including \$725,000 for infrastructure projects from the Rincon Hill Community Improvement Fund and \$1,780,000 for non-profit organizations from the SOMA Community Stabilization Fund.

Key Points

- Under the City's Planning Code, developers constructing new residential development in the Rincon Hill Downtown Residential District pay development impact fees. Monies in the Rincon Hill Community Improvement Fund can be expended for specified infrastructure projects. Monies in the SOMA Community Stabilization Fund can be expended for affordable housing, community asset building, employment development, job growth and job placement, and other services to address impacts of destabilization.
- Based on a competitive process, 18 grants to 13 non-profit organizations totaling \$1,780,000 are being requested for two years from the SOMA Community Stabilization Fund. The FY 2016-17 grantee awards will be contingent on grantee performance, pending the results of an objective evaluation of the grantees' performance.
- MOHCD also recommends awarding \$725,000 for two infrastructure projects in SOMA from the Rincon Hill Community Improvement Fund.

Fiscal Impact

- The current balance in the SOMA Community Stabilization Fund is \$8,896,586. If the requested \$1,780,000 is approved, the Fund balance will be reduced to \$7,116,586.
- The current balance in the Rincon Hill Community Improvement Fund is \$58,435, but MOHCD is requesting \$725,000 of infrastructure projects from this Fund. The Association of Bay Area Governments (ABAG) approved \$1,296,341 to the City as restitution for an ABAG employee's embezzlement of funds. \$925,666 will go to the Rincon Hill Community Improvement Fund. The settlement agreement between ABAG and the City is currently pending before the Board of Supervisors (File 15-0423).

Recommendations

- Amend the proposed resolution to place the \$725,000 of infrastructure funds from the Rincon Hill Community Improvement Fund on Controller's Reserve pending the approval and award of \$925,666 settlement award from ABAG.
- Approve the proposed resolution, as amended.
- Request the MOHCD to report back to the Board of Supervisors on the results of their objective evaluations on grantee performance and the resulting allocation of the \$890,000 for nonprofits in FY 2016-17.

MANDATE STATEMENT

In accordance with Planning Code Section 418.7, all monies in the South of Market Area (SOMA) Community Stabilization Fund are to be expended to address the effects of destabilization on residents and businesses in SOMA due to new residential development in the Rincon Hill Area. SOMA Community Stabilization Fund expenditures are administered by the Mayor's Office of Housing and Community Development (MOHCD), subject to approval by resolution of the Board of Supervisors.

BACKGROUND

The Board of Supervisors approved a new Section 418 in the City's Planning Code in 2005, which among other provisions, (a) established the Rincon Hill Downtown Residential District¹, (b) created a Rincon Hill Community Improvement Fund, (c) imposed a South of Market Area (SOMA) Community Stabilization Fee of \$14 per square foot (subsequently amended down to \$10.95 per square foot by the Board of Supervisors under Ordinance 270-10) on developers who build new residential development within the Rincon Hill Downtown Residential District, (d) created the SOMA Community Stabilization Fund, and (e) established a SOMA Community Stabilization Fund Community Advisory Committee (CAC) to advise the MOHCD and the Board of Supervisors on the uses of the SOMA Community Stabilization Fund (Ordinance 217-05).

The Planning Code stipulates that monies from the Rincon Hill Community Improvement Fund be expended for streetscape improvements, open space acquisition, public library resources and other public uses. Monies from the SOMA Community Stabilization Fund are to be expended to provide assistance to SOMA residents including affordable housing, community asset building, employment development, job growth and job placement, and other services to address impacts of destabilization.

The Board of Supervisors approved a resolution in 2008 (Resolution 0216-08) (a) approving the SOMA Community Stabilization Fund Strategic Plan, (b) authorizing MOHCD to administer the SOMA Community Stabilization Fund in accordance with this Strategic Plan, and (c) authorizing MOHCD to work with the SOMA Stabilization Fund Community Advisory Committee to issue Requests for Proposals (RFPs) for non-profit agencies to provide services addressing the effects of destabilization on residents and businesses in SOMA, consistent with the Community Stabilization Fund Strategic Plan.

¹ The Rincon Hill Downtown Residential District is the area bounded by Folsom Street, The Embarcadero, Bryant Street, and Essex Street.

Request for Proposals Process

MOHCD issued a new RFP on December 11, 2014 to fund one-time infrastructure and services for two years from July 1, 2015 through June 30, 2017 in eight service areas, including: 1) Community Council; 2) Community Action Grants; 3) Access to Housing; 4) Neighborhood and Business Coordination; 5) Fund Development Consultants; 6) School Site Coordinator; 7) Financial Literacy; and (8) Fund Development and Capacity Building. The RFP specified the following seven evaluation criteria to assess applicants for the grant awards:

- a. Successful history serving target population – 15%
- b. Meet objectives, activities and program description in RFP – 15%
- c. Measurable and realistic outcomes and best practices – 15%
- d. Robust evaluation methodology – 15%
- e. Staff experience and expertise – 15%
- f. Budget appropriate and feasible – 15%
- g. Leveraged and diversified funding – 10%

MOHCD received 20 proposals. To evaluate the proposals, MOHCD staff reviewed the proposals using the evaluation criteria specified in the RFP and made recommendations to the SOMA Community Advisory Committee. Ms. Claudine Del Rosario, SOMA Community Stabilization Fund Manager, states that while all respondents received grant awards, each grant recipient did not receive all the funds they requested.

DETAILS OF PROPOSED LEGISLATION

The proposed resolution would authorize the Mayor's Office of Housing and Community Development to award \$2,505,000, including \$725,000 for infrastructure projects in SOMA from the Rincon Hill Community Improvement Fund, and \$1,780,000 in grants to various non-profit organizations from the SOMA Community Stabilization Fund, as detailed in Table 1 below. The requested authorization would be for two years, including \$1,615,000 in FY 2015-16 and \$890,000 in FY 2016-17. A summary description of the proposed projects is included as Attachment to this report.

If approved by the Board of Supervisors, grant agreements for the infrastructure and non-profit projects for FY 2015-16 will be awarded in June of 2015. Ms. Del Rosario advises that grants from the SOMA Community Stabilization Fund are traditionally awarded for two years. However, Ms. Del Rosario reports that the SOMA Community Advisory Committee intends to award funds for FY 2016-17 contingent on grantee performance to ensure that grants are on track to achieving program outcomes prior to receiving the allocation of funds for the second year. Given that the FY 2016-17 grantee awards are specifically intended to be contingent on grantee performance, the Board of Supervisors should request that MOHCD report back to the Board of Supervisors on the results of the objective evaluations on grantee performance and the resulting allocation of the \$890,000 for nonprofits in FY 2016-17.

FISCAL IMPACT

As shown in Table 2 below, as of April 30, 2015, the balance in the SOMA Community Stabilization Fund was \$8,896,586. If the requested 1,780,000 (\$890,000 for each FY 2015-16 and FY 2016-17) is approved, the remaining balance in the SOMA Community Stabilization Fund would be \$7,116,586, as summarized in Table 2 below.

Table 2: Rincon Hill Community Improvement Fund and SOMA Community Stabilization Fund

Proposed Balance	\$259,101	\$7,116,586

Source: Mayor's Office of Housing and Community Development

As shown in Table 2 above, the current balance in the Rincon Hill Community Improvement Fund is only \$58,435. However, MOHCD is requesting approval of \$725,000 of infrastructure projects from this Fund. On March 17, 2015, the Association of Bay Area Governments (ABAG) approved the payment of \$1,296,341 to the City of San Francisco as restitution for the embezzlement of such funds by an ABAG employee. Ms. Del Rosario advises that if the \$1,296,341 ABAG settlement is approved, \$925,666 will go to the Rincon Hill Community Improvement Fund and \$370,675 will go to the Planning Department. The settlement agreement between ABAG and the City is currently pending before the Board of Supervisors (File 15-0423) for approval.

RECOMMENDATIONS

1. Amend the proposed resolution to place the \$725,000 of infrastructure funds from the Rincon Hill Community Improvement Fund on Controller's Reserve pending the approval and award of \$925,666 settlement award from ABAG.
2. Approve the proposed resolution, as amended.
3. Request the MOHCD to report back to the Board of Supervisors on the results of their objective evaluations on grantee performance and the resulting allocation of the \$890,000 for nonprofits in FY 2016-17.
