Subject: CEQA Concurrence: Citation Processing Contract

Jeanie,

The SFMTA is seeking the Planning Department's concurrence with our CEQA determination.

The Agency proposes to extend the Citation Processing Contract. The agreement has been in effect since 2008 and provides citation processing, residential permit parking, and enforcement support for the SFMTA's Finance and Information Technology and Sustainable Streets (Enforcement) divisions. This contract extension is not a project as defined under CEQA Guidelines Sections 15378 and 15060(c)(2).

Best,

Erik Jaszewski
