Because the Clerk's Office has already noticed the hearing for July 28th, the hearing should appear on the Board's agenda for that meeting. But in light of the revised contract term and the changed approval action, the Board should table the hearing that day, and should not consider the merits of the appeal. The Clerk can schedule a new hearing to occur 21 to 45 days after the close of the new appeal period.

We have been notified that the terms of the agreement under consideration have been revised, thereby changing the Approval Action associated with the environmental review. The new Approval Action has not yet occurred and the appeal period remains open until 30 days after the Approval Action. The scheduled hearing date of July 28, 2015 is no longer consistent with the provisions of Administrative Code Chapter 31, which calls for the appeal hearing to occur 21 to 45 days after the close of the appeal period. Please see the revised timeliness determination, attached.

Please let me know if you have any questions, and thank you for your consideration.
